	<p>Dr. Richard Winn has been appointed as the next president of ACCJC. The lawsuit between San Francisco Community College and ACCJC has been settled and it has resulted in ACCJC changing some of their business practices.</p> <p>2. <u>BRN Report</u> – L. Myers reported that the continuing approval visit is scheduled for spring 2018. On-site visit is scheduled for March 13 and 14, 2018. The self-evaluation report is being finalized. Tentative phone conference is being scheduled with the BRN Nurse Education consultant to discuss the progress of the report.</p> <p>3. <u>Associates Degree in Nursing (ADN) to Bachelors of Science in Nursing (BSN) Collaborative Project with California State University, Los Angeles (CSULA)</u> – M. Caballero reported that the 4th Cohort has started and there are 7 students that started and 6 alternates. There were 9 students that graduated in spring 2017 and 12 to finish in May 2018. .Much discussion ensued regarding the BSN requirement and I. Milan shared that LAC + USC Medical center still hires graduates without BSN and they do encourage employees to obtain their BSN by providing education fair. K. Hinoki shared that a BSN degree provides a graduate their Public Health certificate and there are hospitals that would only hire BSN graduates because of magnet status. There was also a discussion on whether BSN graduate’s skills set is much better than an ADN graduate.</p> <p>4. <u>IE / Program Review/Research / Planning</u> – H. Honda reported the following:</p> <ul style="list-style-type: none"> • Attrition data for fall 2016 and spring 2017 compared and evaluated for trends: • Overall semester attrition continue to be below the 15% threshold at 11.5% and 12 % • Noted trends for the attrition data: <ul style="list-style-type: none"> ➢ Increased attrition rate with male student group at 39% (18 /46) ➢ More attrition with Hispanic students at 37% (17 /46) ➢ Increased number of students attrition due to Clinical reason at 35%(16/46) <p>Data has been provided to faculty during the Program Review Workshop and should be utilized in improving student completion rate. T. Berne inquired whether there are strategies utilized to help students that are struggling in meeting objectives. L. Myers stated that there are early intervention program, tutoring, student success workshops, one on one counseling and etc. offered to students who are having difficulty meeting their objectives. Discussion ensued on the inclusion of the raw data with reporting for accuracy.</p> <p>5. <u>Technology/College Information Systems</u> – H. Honda reported :</p> <p>a. <u>Comprehensive Academic Management System (CAMS)</u></p> <ul style="list-style-type: none"> • Admissions data on current students is on CAMS • Application Portal was launched July 1, 2017 and ended 8/15/17 • Admissions and Registration Portals are being utilized • In fall 2017, Semester 1 and 2 students will be given access to the Student Portal so they can view their grades and communicate with their faculty. • Faculty onsite training is scheduled for 9/14/17. <p>Much discussion ensued regarding the online application process as E. Moreno stated that applications have decreased for local community colleges when online applications were implemented. He added it is making it more complicated for applicants and it</p>	<p>2. ADMINISTRATIVE REPORT	<p>H. Honda reported on the following on behalf of V. Branchick: Several meetings were scheduled with faculty and ASB to review and update the strategic plan with management. During the meetings it was apparent to streamline the College operational systems and processes including committee meetings, committee memberships, and policy approval. A new governance structure is being formed to ensure compliance with accrediting and regulatory agencies while eliminating redundancies and duplications.</p> <p>Approval of Nursing and Clerical Positions: The Following positions were approved for immediate hiring:</p> <ol style="list-style-type: none"> 1. Sr. Nursing Instructors (2) 2. Nursing Instructors (3) 3. Intermediate Typist Clerk admissions office (filled in July) 4. Assistant Nursing Director, Admin for Financial Aid Office (currently interviewing candidates) 5. Nursing Director, Education for Dean, School of Nursing (currently interviewing candidates) 6. Medical Librarian (exam will be opened) <p>Facility Enhancement:</p> <ol style="list-style-type: none"> 1. Retiling was completed in key areas in the basement, library offices, and the lobby. We are continuing to work with facility management at LAC+USC in prioritizing the list for the next phase. 2. The lobby with its retiled flooring looks nice and spacious. The School of Nursing Alumni Association and the ASB are joining forces to donate funds for the purchase of lobby furniture. Administration is also looking at hosting fund raisers in the future. <p>Classroom Enhancements:</p> <ol style="list-style-type: none"> 1. We are continuing to put in request to purchase additional TVs in order to provide a better learning environment for the students. 2. Six (6) new large white boards have been put together for classroom use <p>Student / Faculty Resources:</p> <ol style="list-style-type: none"> 1. A committee was formed to review current textbooks and other resources to ensure new materials and resources are available for students 	Information	None

	<p>2. Students will be issued their own DHS email address since they are not allowed to use their own personal email as a result of increased IT cyber threats</p> <p>3. Ten (10) Microsoft Surface Pro tablets have been approved for faculty use.</p> <p>CAMS Database:</p> <p>1. Significant progress has been made to update the CAMS database. A sub-committee led by V. Kieng and H. Honda was formed to work with the CAMS vendor in utilizing the various portals we need for our student database. The registration portal is live for students registered for fall 2017. This means Semester I and II students will be able to access their grades online. The application portal went live for students applying for spring 2018.</p> <p>2. Training will be available for faculty on how to input grades into CAMS.</p> <p>SIM Lab and Skills Lab</p> <p>1. Installed card key access to the SIM Lab but awaiting clearance for the alarm system.</p> <p>2. We are purchasing additional supplies for the skills lab in order to increase student's ability to practice skills.</p>
