	<p>and 14, 2018. Self-evaluation report was sent to the Board for review on 11/2/17. She also discussed facility changes to support student learning. E. Cruz commented that as a guest lecturer the improvements in the classroom and audio visual equipment enhance the presentation and provide a better learning environment for the students.</p> <p>3. <u>Associates Degree in Nursing (ADN) to Bachelors of Science in Nursing (BSN) Collaborative Project with California State University, Los Angeles (CSULA)</u> – No report</p> <p>4. <u>IE / Program Review/Research / Planning</u> – H. Honda reported on the following: The IERP department has started analyzing data for the fall 2017 courses and the following surveys are in progress: Class of 2016-I graduate survey and Classes of 2015-I and 2015-II employer surveys. Data collected by the departments from 2013 to the present were incorporated into the 2018 BRN self-evaluation report.</p> <p>5. <u>Technology/College Information Systems</u></p> <p>a. <u>Comprehensive Academic Management System (CAMS)</u> - H. Honda reported:</p> <ul style="list-style-type: none"> • In fall 2017, Semester I and II faculty and students utilized the student and faculty portals. Students were able to access their grades online as well as lecture handouts from faculty. CAMS also provided a communication tool between faculty and students. • In spring 2018, all students and faculty will be utilizing CAMS. • The CAMS manager set up cost and fees on the financial aid module so that it could be utilized beginning in spring 2018. <p>b. <u>Information Systems/Website</u> – No report.</p>	<p>3. <p>DIVISIONAL REPORTS</p>	<p>1. <u>Education & Consulting Services (EDCOS) Report</u> – T. Blass distributed and discussed the 2016-2017 EDCOS Annual Program Report: Overview: Distributed a photo of EDCOS faculty and a collage of the various classes provided by the department during the academic year 2016-2017. Faculty:</p> <ul style="list-style-type: none"> • There are currently 13 full-time faculty (6 senior nursing instructors and 7 clinical instructors) • The majority are nationally certified in their area of specialization, e.g. CCRN, or MICN • Two instructors are licensed Nurse Practitioners. <p>Continuing Education (CE) & Non- CE Courses:</p> <ul style="list-style-type: none"> • During 2016-2017, EDCOS offered over 350 classes, in-services and programs to 6,600+ workforce members • Faculty prepared 139 DHS nursing workforce members to safely care for critically ill patients in the emergency department (56) and critical care areas (83). <p>Mandatory Programs:</p> <ul style="list-style-type: none"> • Faculty provided mandatory nursing education required by regulatory agencies including orientation, DHS competency validation, Annual Nursing Skills validation, and Life Support courses. 	<p>1. Information</p>	<p>1. None</p>

	<p>Specialty Education:</p> <ol style="list-style-type: none"> 1. Core Critical Care Program 2. Pathophysiology 3. Emergency Nurse Training Program 4. Basic Arrhythmia Review Course 5. Non-Violent Physical Crisis Intervention (NVPCI)-initial (2-day) & refresher (1-day) courses 6. Nursing Attendant Development Program (CDPH-approved CNA CE provider) 7. Psychiatric-specific education: Code Gold Team training, psychiatric series 8. Annual Trauma Update 9. Intra-Aortic Balloon Pump 10. Clinical Coach course 11. ICU Coach course 12. Unit-specific in-services/classes (e.g. trauma education, etc.) <p>Much discussion ensued regarding the Core Critical Care Program, which is a standardized program for all DHS facilities. T. Blass emphasized that the didactic component had minimal curriculum changes, but the clinical experience has been changed to a preceptor led experience with the EDCOS faculty providing clinical expertise and working closely with the unit preceptors. Evaluation data from the preceptor experience concluded that there was collaboration between the preceptors, instructors, and managers. I. Milan added that there is need for providing additional mentorship for the preceptors so that they understand their role fully and will be better prepared and more effective during the preceptorship experience.</p> <p>Additional 2016-2017 Contributions to DHS and the Community</p> <ol style="list-style-type: none"> 1. Led the standardization of critical care and emergency nursing training programs 2. Coordinated 2017 competency validation for the first time online for 3500 LAC+USC nursing staff 3. Developed and implemented an Emergency Response training program for over 60 correctional health nurses 4. Attended 2-day Health Agency Just Culture Train-the-Trainer program to assist with training LAC+USC staff on the use of Just Culture System 5. Participated in Health Agency Community Outreach Effort by going door-to-door to local households to gather information about health concerns and provide educational materials 6. Involved in implementing and coordinating CEs for DHS TeamSTEPPS program throughout LAC+USC. 7. Participated in Annual Countywide Sidewalk CPR event, in which hundreds of lay people were trained to perform hands-only CPR 8. Coordinated "Death and Dying: Nursing Care at the End of Life", an all-day seminar, with Palliative Care Consult Service 9. Assisted with planning and implementation of Countywide and Statewide disaster drills, including moulaging of disaster victims 10. Participated in interviewing and selecting LAC+USC Nurse of the Year candidates 11. Collaborated with DEM and Harbor educators to plan and implement MICN program, taught DEM residents and MICNs to competently answer paramedic radio calls, and provided lectures radio simulations in completion of their MICN licenses. <p>T. Blass added that the online testing during competency went well, but there was discussion regarding the value of hands-on competency testing.</p>
