Vacancy Announcement

Clinical Nursing Director II

Critical Care Services

Salary: \$12,310.16 - \$18,632.42 Monthly

Position Information: The Clinical Nursing Director II will be responsible for a variety of multi-specialty Intensive Care Units, Progressive Care Units, Cardiac Cath lab and Interventional Radiology. The role includes supervision, administration of multiple programs or organizational areas with full responsibility for planning, organizing, staffing, budgeting, directing, and controlling the accomplishment of both short and long-term nursing service objectives within the Department of Nursing Services.

Responsibilities include but are not limited to the following:

- Plans, organizes, directs, and controls the functions of the Department of Critical Care areas and specialty Nursing Services.
- Directs budget preparation for assigned areas and defends personnel resource requests.
- Establishes policies, procedures, and operational guidelines for areas of responsibility.
- Evaluates performance of subordinates; resolves problems involving grievances and discipline.
- Initiates and evaluates operational compliance with licensure, accreditation and other regulatory standards.
- Participates in strategic planning for the organization and for the nursing service.
- Manages special projects as assigned by the Chief Nursing Officer.

Desirable Qualifications:

- Minimum three years' experience in Intensive care Services
- Excellent leadership and management skills
- Strong interpersonal, organizational, critical thinking and problem solving skills
- Professional and positive demeanor with high standards of customer service
- Flexibility and excellent ability to adapt and manage changing situations and changes in flow

Candidates must currently hold a permanent County of Los Angeles payroll title of Clinical Nursing Director II to be considered for a transfer or are reachable on a DHS certification list to be considered for a promotion or as a new hire.

The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations, and a prime variance time report for the last two years, to:

Zeena George, Nurse Recruiter
