Vacancy Announcement

Registered Nurse II

Breathmobile Program

Salary: \$6,707.32 - \$9,771.26 Monthly
Monday-Friday

Position Information: LAC+USC Department of Pediatrics, Division of Allergy/Immunology has a promotional position available for a proficient Registered Nurse II. The Registered Nurse II provides nursing care management to patients as part of the Asthma Disease Management Program. Patients are served at school sites and Comprehensive Health Centers through the mobile "Breathmobile" program and Allergy/Immunology Clinic at LAC+USC. Employees in the Allergy and Immunology Division are assigned to both the mobile and hospital based clinics. The Registered Nurse II reports to the Supervising Clinic Nurse.

Responsibilities include but are not limited to the following:

- Provides comprehensive professional nursing care to assess complex patient conditions and needs.
- Develops, implements and evaluates a patient centered plan of care.
- Participates in the implementation of interventions which may include treatments, procedures, administration of medicine, education, referrals and discharge planning.
- Provides patient assessment and treatment in accordance with the latest asthma guidelines, currently the 2007 Global Initiative for Asthma (GINA) and the National Asthma Education and Prevention Program (NAEPP) asthma care guidelines under direction of the assigned mobile provider for the day.
- Performs intake assessment to gather demographics, vital signs, and environmental risk factors.
- Gathers responses to asthma survey tools.
- Performs lung function testing (spirometry), allergy testing (skin test), and patch testing as indicated.
- Administers vaccines, medications, immunotherapy, and omalizumab as ordered by the provider.
- Makes referrals and orders labs/diagnostic studies as ordered by the provider.

Mobile Medical Unit (Breathmobile) Duties

- Provides direct patient care to patients at multiple school sites, the Comprehensive Health Centers (Roybal, El Monte, and Hudson), DHS sites, and other community partner sites in the Breathmobile asthma van.
- Participates in driving mobile van to sites of care.

Desirable Qualifications:

- Minimum two (2) years recent pediatric or asthma care experience
- Excellent communication skills, oral and written
- Strong computer skills and knowledge of Microsoft Word, Excel, and PowerPoint
- Effective interpersonal, Teamwork and organizational skills
- Effective critical thinking, decision making, and problem solving skills

Candidates must currently hold a permanent County of Los Angeles payroll title of Registered Nurse II to be considered for a transfer or are reachable on the DHS certification list to be considered for a promotion or as a new hire. The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations, and a prime variance time report for the last two years, to:

Yolanda Diaz SCN

Email: YDiaz@dhs.lacounty.gov

1200 North State Street, LA, CA 90033

Phone: (323) 409-3737

Fax: (323) 226-5049

Resumes will be accepted until the needs of the department are met.
