- Act as change agent in implementation of the medical home project and sustainability of patient visit redesign.
- Functions as a health care navigator in the medical home project.
- Provides direct patient care, counsels and educates patients and assists in coordinating ambulatory care Services
- Oversees case conferences with the multi-disciplinary care team.
- Helps facilitate transition of patient care to higher level of care.
- Reports to the referral source in writing and verbally in a consistent, timely and professional manner.
- Serves as professional role model, provide direction and act as an effective resource person to all members of the care team.
- Monitors patient workflow for efficiency.
- Generates reports from patient registry for population health management.
- Provides complex care management for high risk and high need patient empaneled to the Patient Centered Medical Home.

DESIRABLE QUALIFICATIONS:

- Ability to work with various levels of staff to coordinate patient care
- Experience in Emergency or Urgent care department and Ambulatory care setting
- Flexibility with work schedule to accommodate the clinic needs
- Strong organizational skills and ability to quickly prioritize workload
- Literacy with computer navigation, typing skills a plus
- Ability to work independently and handle multiple assignments simultaneously
- Strong organizational and communication skills
- Demonstrate the knowledge and skills necessary to provide superior and culturally sensitive service to internal and external customers
- Holds a Bachelor's of Science in Nursing
- Bilingual (English and Spanish)
- Strong outpatient care clinical experience with rehab nursing care to patient with disabilities

Candidates must currently hold a permanent County of Los Angeles payroll title of Registered Nurse III to be considered for a transfer or are reachable on the DHS certification list to be considered for a promotion or as a new hire. The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations and a prime variance time report for the last two years, to:
