

LAC+USC Medical Center
Vacancy Announcement
Registered Nurse III
Women's Clinics
Ambulatory Care Services
Salary: \$7,152.04 - \$10,419.18 Monthly

Position Information: LAC+USC Medical Center Women's Clinic is currently seeking a highly qualified individual to fill the position of Registered Nurse III for the Diabetes Educator and Care Coordination Role in order to provide patient/family education to diabetic patients being followed in the Obstetrics/Gynecological (OB/GYN) and Pediatric clinics at LAC+USC Medical Center. The Registered Nurse III will report to the Supervising Staff Nurse I.

Responsibilities include but are not limited to the following:

- Serves a lead role in patient care conferences and staff development.
- Serves as a preceptor, mentoring staff to facilitate staffs' role development.
- Develops, conducts, and implements performance improvement activities for the population served.
- Provides information, education and training to diabetic patients and their families that includes but is not limited to signs and symptoms and treatments for hyperglycemia and hypoglycemia.
- Plans, develops and implements individual and group diabetes education for adult patients, parents of children with diabetes, their families and caregivers.
- Provides education related to diabetes and the disease process such as medications, diet and nutrition, blood glucose monitoring, and self-administration of Insulin.
- Works collaboratively with the team of Physicians/Providers/Social Workers and Nutrition Staff.
- Care Coordination for diabetic patients in OB/GYN and Pediatric Clinics.

Desirable Qualifications:

- Minimum of 2-3 years direct Clinical/Patient Care experience preferably working in an OB/GYN Clinic and/or Pediatric Clinic
- Effective written and verbal communication skills
- Bilingual in English and Spanish.
- Bachelors of Science in Nursing (BSN)

Candidates must currently hold a permanent County of Los Angeles payroll title of Registered Nurse III to be considered for a transfer or are reachable on a DHS certification list to be considered for a promotion or as a new hire.

The most qualified candidates will be contacted for an interview. Interested candidates must submit a cover letter, resume, the last two performance evaluations, and prime variance time report for the last two years, to:
