| 8. | Disposable medical supplies | \$33.00 |

- B. Where other special services are requested or needed by any patient or authorized representative thereof, a reasonable charge commensurate with the cost of furnishing such special service may be made, provided that the ambulance operator shall file with the Director of the Department of Health Services a schedule of each special service proposed and the charge therefore, which charge shall be effective unless modified, restricted, or denied by the Director of the Department of Health Services. Special services are defined as services provided to a patient that are unique and individual to a specific patient's needs and are performed on a limited basis.
- C. Charges for special services provided to patients that are new services, but will become an industry standard, must be reviewed and a rate commensurate with the service developed prior to ambulance operators charging such rate to the general public. Such rates shall not be charged to patients until approved by the Board of Supervisors.
- D. This section does not apply to a contract between an ambulance operator and the County where different rates or payment mechanisms are specified.

Section 7.16.340 Modification of Rates

The maximum rates chargeable to the general public as set forth in Sections 7.16.280 and 7.16.310 of this chapter shall be adjusted effective July 1, 1992, and on July 1st of each year thereafter, to reflect changes in the value of the dollar. For each of the one-year periods respectively beginning July 1, 1992 and July 1, 1993, such adjustments shall be made by multiplying the base amounts by the percentage change in the transportation portion of the Consumer Price Index for All Urban Consumers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. Beginning July 1, 1994, and on each July 1 thereafter, such adjustment shall be determined by multiplying the base amounts by the average of the percentage changes of the transportation portion and of the medical portion of the Consumer Price Index for All Urban Consumers, Western Union, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. Beginning July 1, 2017, and on every July a thereafter, such adjustments shall be determined by multiplying seventy-five (75) percent of the base amounts by the percentage change of the minimum wage change in Los Angeles County as defined in County Code Section 8.100.040 - Minimum Wage and by multiplying twenty-five (25) percent of the base amounts by the percentage change of the Medical Care line item of the Consumer Price Index for all Urban Customers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February, except for the following changes: Registered Nurse/Respiratory Therapist per hour after the first three (3) hours adjustment shall be determined by multiplying the current charge by the percentage change of the minimum wage change in Los Angeles County as defined in County Code Section 8.100.040 - Minimum Wage: mileage adjustment shall be determined by multiplying the current charge for the percentage change of the transportation line item of the Consumer Price Index for All Urban Customers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February: and Oxygen, Disposable Medical Supplies, and a Ventilator adjustment shall be determined by multiplying the current charges by the percentage change of the Medical Care line item of the Consumer Price Index for all of the Customers, Western Region, as complied and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. Beginning July 1, 2024, and every July 1 thereafter, such adjustments shall be determined by multiplying seventy-five (75) percent of the base amounts by the

percentage change of the minimum wage change in Los Angeles County as defined in County Code Section 8.100.010 – Minimum Wage, or by two (2) percent, whichever is higher, and by multiplying twenty-five (25) percent of the base amounts by the percentage change of the Medical Care line item of the Consumer Price Index for all Urban Consumers, Western Region, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of the prior month of February. The result so determined shall be rounded to the nearest number and added or subtracted, as appropriate, to the rate. The Director of the Department of Health Services, or authorized designee, shall initiate implementation of these rate changes by notifying in writing each licensed private ambulance operator in Los Angeles County thereof, and any other individual or agency requesting such notification from the Director. Such notice shall be sent by first class mail no later than June 15 of the prior period.
