

Virtual Anticipate, Plan, and Deter: Maximizing Healthcare Worker Resilience During Disasters

June 15, 2021 @ 1300-1500

June 17, 2021 @ 1300-1500

Presented by Dr. Merritt Schreiber

This training will focus on the NEW PsySTART Responder System and short resilience training for frontline providers still coping from the impact of COVID-19 and other emergencies

At the end of the training, participants will:

- 1) Understand global lessons learned on the psychological risks for healthcare workers in the aftermath of COVID-19.**
- 2) Build personal and health system resilience using the improved and shortened Anticipate, Plan, and Deter.**
- 3) Be introduced to using the new PsySTART-Responder short messaging system.**
