Notice of Administrative Fine: Imposition of a fine issued by the Director of the EMS Agency pursuant to a violation of the Ambulance Ordinance. Administrative fines may be issued for Administrative, Operational, or Personnel violations (refer to Ref. No. 451.1, Ambulance Administrative Fines).

PRINCIPLES:

1. Adherence to the rules and regulations outlined in the Los Angeles County Code (County Code) helps ensure preservation of the health and safety of the patients transported by ambulance operators.
2. Licensing all companies that operate ambulances in Los Angeles County, ensures that each operator has met rigorous financial and insurance standards, can meet response times, has technically qualified management and properly certified and licensed employees, and that their vehicles are licensed, stocked, and inspected in accordance with the applicable Los Angeles County ambulance vehicle policies.

3. Prior to the issuance of an administrative fine, any complaint received by the EMS Agency will be reviewed and, if appropriate, investigated to determine if a violation has occurred.
