 4. The hearing request and fee deposit are considered filed on the date received by the EMS Agency.
- B. Following receipt of the hearing request and the full amount of the fine deposit, the EMS Agency shall schedule an administrative hearing.

 3. The continuance shall not be longer than forty-five (45) calendar days from the originally scheduled hearing date.

E. Hearing Abandonment

1. If the operator/personnel fail to appear at the administrative hearing, it is considered an abandonment of the hearing request and a failure to exhaust administrative remedies to judicially challenge the imposition of the administrative fine.
2. If the administrative hearing is abandoned, the EMS Agency retains the funds deposited with the hearing request.
3. The Notice of Violation, Notice of Administrative Fine, and any other reports prepared by or for the enforcement officer concerning the code violation shall be accepted by the Hearing Officer as prima facie evidence of the code violation and the facts stated in those documents.

III. Hearing Decision

- A. The Hearing Officer shall consider all the evidence and testimony submitted at the hearing. At the conclusion of the hearing and within ten (10) calendar days the Hearing Officer shall issue a written decision that confirms or cancels the administrative fine.
- B. The written decision shall include a statement of the reasons for the decision and shall be served personally or by first-class (certified) mail.
- C. The Hearing Officer's written decision shall constitute the final administrative decision of the County.
- D. If the hearing confirms the imposition of the full amount of the administrative fine, the EMS Agency shall keep the funds deposited with the hearing request.
