DELEGATION OF SERVICES AGREEMENT
BETWEEN
A SUPERVISING PHYSICIAN AND A PHYSICIAN ASSISTANT
and
SUPERVISING PHYSICIAN’S RESPONSIBILITY FOR SUPERVISION
OF A PHYSICIAN ASSISTANT

Title 16, Article 4, Section 1399.540 of the Physician Assistant Regulations states, in part, “A physician assistant may only provide those medical services which he or she is competent to perform and which are consistent with the physician assistant’s education, training, and experience, and which are delegated in writing by a supervising physician who is responsible for the patients cared for by that physician assistant.”

The following two sample documents are attached to assist you with meeting this legal requirement:
- Delegation of Services Agreement Between Supervising Physician and Physician Assistant;
- Supervising Physician’s Responsibility for Supervision of Physician Assistant Agreement.

These are sample documents. They are for your convenience, information, and use. Please feel free to duplicate or modify them as desired/needed.

If you choose not to use the sample documents, please be aware that you are still required by law to develop a Delegation of Services Agreement. The original or a copy of this document should be maintained at all practice sites where the physician assistant practices, and should be readily accessible.

While every physician assistant is required to have a Delegation of Services Agreement, you are not required to submit them to the Physician Assistant Committee. If requested, you must make a copy of this document available to any authorized agent of the Medical Board of California, the Osteopathic Medical Board of California, or the Physician Assistant Committee who may request it.

Failure to maintain a Delegation of Services Agreement constitutes a violation of the Physician Assistant Regulations and is grounds for disciplinary action against a physician assistant’s license. In addition, failure by the physician assistant and supervising physician to comply with the supervision requirements specified in the Physician Assistant Regulations and in the Delegation of Services Agreement is grounds for disciplinary action.

THE ATTACHED DOCUMENTS DO NOT NEED TO BE RETURNED TO THE PHYSICIAN ASSISTANT COMMITTEE
