No Extra Cost Medicines	Los Angeles County residents who are outpatient clinic patients	No-Cost	Medicine for emergency and public health services	ONLY <ul style="list-style-type: none"> County hospitals County clinics

Who Can Apply for No-Cost or Low-Cost programs in LA County?

Minimum requirements	Patient must be a Los Angeles County resident and provide acceptable proof that you live in Los Angeles County (ID and proof of address or statement certifying homelessness) and must have medical costs that Medi-Cal, Medicare, private insurance or other benefits will not pay.
What is income at 138% of the Federal Poverty Level (FPL)?	Income is based on your family size. For 2013, 138% FPL monthly income is \$1,322 for a family of one; \$1,784 for two; \$2,247 for three; \$2,709 for four; \$3,171 for five; \$3,634 for six. For families larger than six, add about \$446 per person. For pregnant women count the woman and the number of expected babies. A County worker will see if your income qualifies for these programs and the amount you must pay.
Can non-LA County residents still receive low-cost care?	Yes, non LA County residents may receive a discount on their cost for care at LA County hospital under the Discount Payment Plan if they have income at or under 350% FPL. Only LA County residents may get no-cost medical care.

For more information on these programs, call 1(800) 378-9919. See the back of this sheet for where to apply.

Additional information about No-Cost or Low-Cost programs in LA County	
How to apply for ATP	ATP: Patients apply for ATP during a financial screening appointment at one of the hospitals and clinics listed below. The amount you must pay, if anything, is based on your income. The application is good for one year.
What are payments for ATP?	ATP now covers inpatient and outpatient care with one agreement. The former ORSA program is part of ATP. If you have questions about the change, see a financial services worker. <ul style="list-style-type: none"> • Patients whose income after deductions are above 138% FPL pay a low-cost for services. • Patients pay one amount for each inpatient admission, regardless of how long the patient stays in the hospital. • Patients only pay one amount each month for outpatient care, regardless of how many outpatient visits the patient has in a month. • General Relief patients always get care at no-cost.
Can I use ATP for services not covered by other programs?	Yes - You may use ATP for services not covered by Medi-Cal, Medicare, HWLA, or private insurance. <ul style="list-style-type: none"> • ATP will cover your deductible for private insurance, but it doesn't cover Medicare deductibles or Medi-Cal share of cost.
Can I get more time for payments?	Yes - if you are in the ATP or Out-of-County programs and cannot pay the amount you owe within 30 days, you may make arrangements to pay it over a longer period of time. Our extended payment plan bases how long you have to pay on your income, resources and family size.
Do I have to apply for Medi-Cal before I use a County No-Cost/Low-Cost Program?	Yes - If a County worker determines that you may qualify for Medi-Cal. Also, new mothers using the Child Delivery Plan must apply for Medi-Cal for their baby. <i>If you do not fully cooperate with the Medi-Cal application process, you cannot get ATP, Discount Payment Plan or Child Delivery Plan.</i> No - If you use the Pre-Payment Plan, you do not have to apply for Medi-Cal. Pregnant women who use the Child Delivery Plan do not have to apply for Medi-Cal.
Pre-Payment Amounts	\$60 for prenatal visits for the first 7 visits, the rest are at no-cost; \$80 for urgent care visits at all location \$60 for clinic visits at Comprehensive Health Centers (CHC) and Health Centers (HC); \$140 at county hospital emergency rooms; \$80 for clinic visits at county hospital clinics and Multi-service Ambulatory Care Centers (MACC); \$500 at outpatient surgery clinics.
Is my immigration status affected by using these programs?	The County does NOT report patients to US Citizenship and Immigration Services. US Citizenship and Immigration Services will NOT consider you a public charge if you use the No-Cost or Low-Cost Programs.
What happened to Healthy Way LA?	Healthy Way LA (HWLA) ended on 12/31/13, Medi-Cal now covers those people that would have been eligible for the HWLA. If you had HWLA and do not now have Medi-Cal, please see a county worker.
