

Olive View-UCLA Medical Center

Position Opportunity

RN III-Adult Medical/Surgical/Tele/Onc Nurse Educator

This position reports directly to the Nurse Manager of the 5A/5C. He/She will have the responsibility of providing clinical expertise, education and consultant services for the Medical/Surgical/Telemetry/Oncology Nursing Staff.

Responsibilities include, but are not limited to:

As an educator/consultant:

- Assess the educational and development needs of the staff in the Medical/Surgical unit.
- Plan, develop and implement educational programs to meet these needs.
- Assist in orientation, in-service, mandated and continuing education as required by the department and regulatory agencies.
- Assure clinical competence of nursing staff in caring for patients in the Medical/Surgical unit through educational programs and evaluation processes.
- Assist with data collection and analysis for Med/Surg Performance Improvement Activities.

As a clinical expert:

- Establish and monitor patient care standards in units providing nursing care to critically ill patients.
- Provide clinical back up support to staff during clinical emergencies and for patient related problem solving.
- Participate in the development/revision of policies and procedures.
- Serves as a resource nurse in Medical/Surgical setting

Desirable Qualifications:

- Excellent verbal and written communication skills
- Ability to work well with people
- Word processing and Excel skills

Minimum Requirements:

- A License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Current and Reachable on the RN III certification list or hold the item
- Basic Arrhythmia Certification
- Chemotherapy Certification required
- Three years' experience as a registered nurse in Medical/ Surgical Nursing

Interested applicants, please submit a copy of your resume, performance evaluation and your attendance documentation for the past two years to:
