

Olive View-UCLA Medical Center
Position Opportunity
RN II-OB Triage/Labor & Delivery

ValleyCare Olive View-UCLA Medical Center OB Triage/Labor & Delivery is currently seeking highly qualified individuals to fill the position of Registered Nurse II to provide nursing care to a diverse patient population. Registered Nurse II performs increasingly complex patient assessment, independently assesses, plans, implements and evaluates patient care as part of the interdisciplinary team. The Registered Nurse II assumes the role of preceptor, mentoring, and leading other nursing and non-nursing staff, demonstrating effective leadership style. The Registered Nurse II will participate in organization-wide committees and projects.

Essential Qualifications:

- A License to practice as a Registered Nurse issued by the California Board of Registered Nursing
- Basic Cardiac Life Support
- Previous experience working with Perinatal patients and fetal monitoring experience.
- Ability to provide direct patient care, including patient assessment, planning, implementation and evaluation of nursing care, treatment or intervention in the acute care setting
- Able to recognize the need to prioritize patient care needs based on acuity and urgency, in collaboration with all members of the healthcare team
- Ability to identify and evaluate the appropriateness of patient discharge in collaboration with physicians to effectively and safely obtain timely disposition
- Perform work with integrity while demonstrating respect, empathy and regard for patients, visitors and co-workers to ensure a professional and courteous environment
- Serve as a professional role model and effective resource person for others
- Assume accountability for leadership of the unit/shift when called upon to do so

Desirable Qualifications:

- Advanced Cardiac Life Support, Advanced Fetal Monitoring and Neonatal Resuscitation Program certified preferred (or within one year of hire)
- Effective interpersonal and organization skills.
- Effective critical thinking, decision making and problem solving skills.
- Ability to work effectively with a diverse and challenging patient population.

Requirements:

- A license to practice as a Registered Nurse in the state of California
- Current and reachable on the Registered Nurse II Certification List or currently hold the item of Registered Nurse II
