

Olive View-UCLA Medical Center
Position Opportunity

Supervising Staff Nurse II
Special Procedures Nursing

Position Summary: Delivery of care to a group of patients in a specifically defined unit(s): Cardiology/Cath Lab, Endoscopy, Interventional Radiology, PICC Team and the Ambulatory Special Procedure Unit. Duties include scheduling of staff, performance evaluation and supervision of nursing staff delivering patient care in both routine and emergency situations. Reports directly to the Clinical Nursing Director.

Primary Job Duties:

- Makes daily assignments based on patient care needs and employee competencies.
- Supervises staff and performs direct patient care when necessary.
- Interprets, communicates and enforces hospital and nursing policies and standards of practice.
- Formally evaluate employee performance.
- Conducts patient care rounds and audits (safety, medical record, pain management)
- Develops education plan/competencies for employees
- Communicates daily with the Clinical Nursing Director
- Acts as unit resource.

Qualifications:

- Current and reachable on the Supervising Staff Nurse II certification list or currently hold the item of Supervising Staff Nurse II
- License to practice as a Registered Nurse by the California Board of Nursing
- 1 year recent experience supervising at a SSNI level
- Ability to manage multiple assignments simultaneously
- Good communication and strong leadership skills

Interested applicants, please submit a copy of your resume, performance evaluation and your attendance documentation for the past two years to:
