In addition to training provided directly by DMH, conferences, seminars and workshops sponsored by entities outside of DMH in Los Angeles County will be made available to employees whenever possible and appropriate.

4.3.4 Funding will not be considered if completed documentation is received by TCCB after the training event has taken place.

4.3.5 If the training is mandatory, all costs will be paid by DMH, including, but not limited to, enrollment fees and parking.
4.4 The employee will be notified in writing whether the funding for the training has been approved or denied.
