# Frequently Asked Questions

## Who can participate?

All employees, contractors, and volunteers from all DMH Service Areas who have been in their current or similar position for at least 1 year. Slots are limited and will be available on a first-come, first-served basis. Employees and volunteers who hold a Master's degree or higher are NOT eligible.

## What is the cost?

This service is fully funded by the Mental Health Service Act – Workforce Education & Training Plan.

## What will we do?

We will work on identifying your strengths and interests, developing career goals, problem-solving barriers, and creating an action plan.

## Who are we and how will we help you?

We are occupational therapists. OTs are health professionals who understand *there is no one size fits all*. We use a unique and holistic approach to guide you towards advancing your career in the direction that best suits you and your needs.
