FCCS to FSP Outcomes

- FCCS outcomes will no longer be collected as of June 1, 2017
- Once client is enrolled in FSP, an OMA baseline assessment should be completed.
- The enrollment date should be used as the partnership date.
- If a client was previously enrolled in FSP during the past 12 months, a baseline will not be required, and instead a reestablishment Key Event Change should be completed.
- For outcomes questions please email: FSP: FSPOutcomes@dmh.lacounty.gov FCCS: FCCSOutcomes@dmh.lacounty.gov or call Kara Taguchi at (213) 738-6154
- See attachment for more detailed instructions on FCCS Outcome Measures

Field Capable Clinical Services to Full Service Partnership*

Effective July 1, 2017, Non-Specialized Full Service Partnership (FSP) Programs will expand their enrollment criteria to include “at risk” categories. Also, Field Capable Clinical Services (FCCS) will no longer be a specific program or billing plan in the Community Services and Supports (CSS) Plan. Some clients currently in FCCS may qualify for FSP with the expanded criteria, and others will remain in Recovery, Resilience, and Reintegration (RRR) Services.

Provider Steps for transferring FCCS clients to FSP

1. Determine capacity in FSP program
2. Evaluate caseloads in current FCCS program to determine clients that might meet new FSP expanded criteria and speak with client regarding agreeing to FSP enrollment.
3. If client meets only “at risk” / state criteria for FSP (the child FSP program does not have a notification process)
 - a. Complete notification section of referral form and indicate all at risk categories client meets.
 - b. Submit notification form to appropriate countywide administration within 48 hours of enrolling client.
 - c. Claiming will be made to the FSP plan.
 - d. File termination FCCS update in the Outcome Measures Application (OMA) as of June 1, 2017.
 - e. Complete FSP Outcomes according to FSP Protocol.
4. If client meets any of the county criteria for FSP
 - a. Fill out authorization section of form
 - b. Indicate all focal populations client meets
 - c. Submit to Service Area Navigation Team for pre authorization and countywide admin for authorization.
 - d. Once authorization is granted, enroll client in FSP.
 - e. Claiming will be made to the FSP plan.
 - f. File termination FCCS update in the OMA as of June 1, 2017.
 - g. Complete FSP Outcomes according to FSP Protocol.
5. If client does not meet any of the FSP criteria, client will receive Recovery, Resilience and Reintegration (RRR) Services
 - a. File FCCS termination update in the OMA as of June 1, 2017.
 - b. Claiming will be made to the RRR plan.
 - c. Outcomes for RRR will be identified at a later date.
