The Documentation & Claiming of Mental Health Housing Services training will provide an overview of the essential elements and requirements for documentation and claiming based on Short Doyle/Medi-Cal (SD/MC) Standards and will address the importance of Medical Necessity. It will emphasize what needs to be included in an assessment, client treatment plan and progress notes to support the provision and reimbursement of mental health housing services as well as assist staff in selecting appropriate procedure codes to match the services provided. In addition, the training will clarify Reimbursable Services Components and requirements based on the DMH Organizational Provider's Manual. Lastly, lecture, discussions, handouts and activities are combined to promote the application of these important documentation elements.

**TARGET AUDIENCE:** DMH and Contract Providers who have completed Understanding Documentation is a pre-requisite
