## PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human service that support achievement of the County's vision, goals, values and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the customer service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's five goals) 1 Operational Effectiveness; 2) Children, Family, and Adult Well-Being; 3) Community and Municipal Services; 4) Health and Mental Health; and 5) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County's outcomes of well-being

for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated comprehensive information, services and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service

plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

*Personal Service Delivery*

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

### Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

### Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post compliant and appeal procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

5.5 Budget Reductions: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8) Subcontractor Insurance Coverage Requirements

Such termination shall be without liability to County other than payment for work already rendered up to the date of termination. County shall pay Contractor the reasonable value for such work not to exceed the maximum sum due under this Agreement.

13.2 After receipt of a notice of termination and except as otherwise directed by County, Contractor shall:

- A. Stop work under this Agreement on the date and to the extent specified in such notice;
- B. Transfer title and deliver to County all completed work and work in process; and
- C. Complete performance of such part of the work as shall not have been terminated by such notice.

13.3 Notwithstanding any other provision of this Agreement, the failure of Contractor to comply with the terms of this Agreement or any directions by or on behalf of County issued pursuant thereto, may constitute a material breach hereof, thereby justifying immediate termination or suspension of this Agreement.

Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Agreement and, for a period of four (4) years after termination or final settlement under this Agreement.

Contractor shall make available to County, all of its books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Agreement with respect to Contractor's work hereunder. All such material shall be maintained by Contractor at a location in Los Angeles County,

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allow ability or appropriateness of any cost or payment under this Agreement.

I. In the event that County consents to any subcontracting, such consent shall apply to each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph or a blanket consent to any further subcontracting.

J. In the event that County consents to any subcontracting, Contractor shall be solely Liable and responsible for any and all payments and/or other compensation to all Sub-Contractors and their officers, employees, and agents. 36.0 CONTRACTOR RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

D. E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to Sub-Contractors of County Contractors.

37.0 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby

acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its Sub-Contractors, at any tier, or any owner, officer, partner, director or other principal of any Sub-Contractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its Sub-Contractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

38.0 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal Government, directly or indirectly, in whole or in part, and that Contractor will notify Director within (30) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal Government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Sub-Contractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit F as part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

39.0 CONTRACTOR'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to, or creates Protected Health Information in order to provide those Services. The Privacy and Security Regulations require Covered Entity to enter into a contract with Business

### 40.0 COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the

County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Sub-Contractor to perform services for the County under the Agreement, the Sub-Contractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

41.0 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each Sub-Contractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit G of this Agreement and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

42.0 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Sub-Contractors, if any, to post this poster in a prominent position in the Sub-Contractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

43.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

44.0 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and

Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractor to complete the certification in Exhibit H, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

45.0 COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

46.0 COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Contractor shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Contractor agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Contractor, whether civil or criminal initiated against Contractor, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

47.0 ALTERATION OF TERMS:

No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

48.0 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of

influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Office of Affirmative Action Compliance of this information prior to responding to a solicitation or accepting a contract award.

49.0 PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor

50.0 FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's independent contractor, freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a an independent contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such independent contractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the independent contractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in the sub-paragraph, the term "independent contractor" mean independent contractor at any tier.

C. # Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
