

# LEADERSHIP TRAINING

## TWO-PART MHSA LEADERSHIP TRAINING FOR LA COUNTY DEPARTMENT OF MENTAL HEALTH STAFF/ CONTRACTORS

### General Description

ACCESS California's MHSA Leadership Training is specifically designed to help leadership such as directors and management staff, and contractors of public mental health agencies, and members of committees and bodies working in California's Public Mental Health System (PMHS) better understand their roles and teaches individuals in these positions effective ways to implement the transformative change and community participation envisioned under the Mental Health Services Act (MHSA).

### MHSA BASICS (PART ONE)

#### Learning Objectives

Participants will gain an understanding of:

- The MHSA's intent, essential elements, and required service components
- Open meeting laws, fiscal transparency and public accountability
- Other statutes and regulations governing the basic responsibilities of leadership positions in the PMHS

### COLLABORATIVE DECISION-MAKING (PART TWO)

#### Learning Objectives

Participants will learn about:

- The MHSA's vision for meaningful stakeholder inclusion and community collaboration
- Foundational principals of shared power and collective decision making
- Best practices to involve stakeholders at all levels of MHSA program planning, development, and evaluation

ACCESS California is a program of NorCal MHA a consumer-led organization with over 70 years experience in peer advocacy efforts in California
