ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

February 20, 2018

15 February 20, 2018

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

CELIA ZAVALA
ACTING EXECUTIVE OFFICER

Dear Supervisors:

**AUTHORIZATION TO EXECUTE SOLE SOURCE LEGAL ENTITY AGREEMENTS WITH
CRESTWOOD BEHAVIORAL HEALTH, INC., AND SYLMAR HEALTH AND REHABILITATION
CENTER, INC., FOR THE PROVISION OF MENTAL HEALTH SERVICES PROVIDED BY
INSTITUTIONS FOR MENTAL DISEASES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to execute sole source Legal Entity Agreements with Crestwood Behavioral Health, Inc., and Sylmar Health and Rehabilitation Center, Inc., for the provision of mental health services provided by Institutions for Mental Diseases for individuals discharged from Los Angeles County, State, and private hospital psychiatric units, Los Angeles County jails, and State prisons.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to enter into sole source Legal Entity (LE) Agreements, substantially similar to Attachment I, with Crestwood Behavioral Health, Inc. (Crestwood) and Sylmar Health and Rehabilitation Center, Inc. (Sylmar), respectively, for the provision of mental health services provided by Institutions for Mental Diseases (IMD). The initial term of these LE Agreements will be effective upon Board approval through June 30, 2018. The entire term of these LE Agreements will include two optional one-year extension periods through June 30, 2020. These LE Agreements will include a daily bed rate and will be used on an as needed basis to meet the demand for locked intensive treatment. These LE Agreements have no Maximum Contract Amounts (MCA) and are fully funded by Intrafund Transfer from the Los Angeles County (LAC) Office of Diversion and Re-entry (ODR).

2. Delegate authority to the Director, or his designee, to prepare, sign and execute future amendments to the agreements in Recommendation 1 to revise the boilerplate language; revise the statement of work; implement and/or revise programmatic and federal, State, and/or local regulations, laws, policies, and procedures; revise the daily rate including for Cost of Living Adjustment (COLA), if applicable and funds are available; add and/or revise the rate(s) for the Department of Mental Health (DMH) negotiated treatment patches, if appropriate, provided that: 1) any revision to the daily rate and Special Treatment Program (STP) supplement for Skilled Nursing Facilities (SNF) does not exceed the rates established by the State; and DMH has sufficient funding for all changes, subject to the prior review and approval as to form by County Counsel with notice to the Board and Chief Executive Office (CEO).

3. Delegate authority to the Director, or his designee, to terminate the LE Agreements in Recommendation 1 in the event that the contractor has failed to comply with the terms of a corrective action plan and/or in accordance with the agreement's termination provisions, including Termination Without Cause.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These actions are in response to the increasing demand for locked long-term residential care for individuals with serious mental illnesses discharged from Los Angeles County (County), State, and private hospital psychiatric units, County jails, and State prisons; and who do not meet criteria for acute care, but are not clinically ready to live independently or in supportive residential facilities. The recent increase in demand requires that DMH obtain additional IMDs to meet the needs of its clients and provide clinical services vital to their recovery process. Given the urgency for locked long-term residential care and the limited number of State approved IMDs available in the County, DMH believes that executing LE Agreements with Crestwood, Sylmar, and additional available IMDs is in the best interest of the County.

Board approval of Recommendation 1 will allow DMH to enter into LE Agreements with Crestwood and Sylmar for mental health services delivered in IMDs.

Board approval of Recommendation 2 will give DMH the ability to amend LE Agreements in Recommendation 1 in an expeditious manner.

Board approval of Recommendation 3 will authorize the Director to terminate the LE Agreements in Recommendation 1 in the event that the Contractor has failed to comply with the terms of a corrective action plan and/or in accordance with the agreement's termination provisions, including Termination Without Cause.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County Strategic Plan Goal I (Make Investments that Transform Lives), specifically Strategy I.1 (Increase Our Focus on Prevention Initiatives), and Strategy I.2 (Enhance Our Delivery of Comprehensive Interventions).

FISCAL IMPACT/FINANCING

The estimated cost of these LE Agreements for Crestwood and Sylmar in FY 2017-18 for approximately 75 beds is \$4,173,251 fully funded by Intrafund Transfer from LAC ODR. DMH will

utilize these LE Agreements, with daily bed rates, on an as needed basis to meet the demand for locked intensive treatment.

DMH has sufficient appropriation available in the FY 2017-18 Final Adopted Budget for this action.

Funding for future years will be requested through DMH's annual budget request process.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH reimburses IMDs based on their type of certification. IMDs certified as Mental Health Resource Centers (MHRC) are reimbursed at the daily rate established by DMH, and may be adjusted annually to reflect a COLA at DMH's discretion. IMDs licensed as SNFs and certified as STPs are reimbursed by DMH according to the rate established by the State Department of Health Care Services (SDHCS). This includes an STP supplement of \$5.72 per resident per day for regular inpatient services as well as applicable COLAs mandated by Assembly Bill 1054. In addition to the daily rates described, DMH reimburses certain IMDs for treatment patches that provide additional intensive staffing and services to meet the treatment needs of individuals with higher levels of acuity. The rates for treatment patches are established by DMH and negotiated with IMDs individually. There is no MCA associated with these LE Agreements for services provided by IMDs. The beds provided by the IMDs are filled on an as needed basis to meet the demand for locked intensive treatment.

Crestwood is an MHRC with business headquarters located at 520 Capitol Mall, Suite 800, Sacramento, CA 95814, and it will provide services at its Bakersfield, Chula Vista, Fallbrook, and San Diego IMDs as listed on Attachment II. Crestwood initially proposed to establish a facility in the County. However, after an extensive search, Crestwood was unable to identify a viable site within the County parameters. Thus, the agency offered to make available its out-of-County IMDs.

Sylmar is an SNF and an STP with business headquarters located at 13347 Ventura Boulevard, Sherman Oaks, CA, 91423, and it will provide services at its Sylmar IMD as listed on Attachment II.

The attached LE Agreement format (Attachment I) has been approved as to form by County Counsel.

Crestwood has requested a change to the standard County indemnification provision. The proposed change obligates Crestwood to defend and reimburse the County for any loss arising from the contract to the extent the loss does not arise from the County's own gross negligence or willful misconduct. In other words, the County would be responsible for its own gross negligence or willful misconduct arising from the contract. This varies from the County language in that Crestwood would be responsible for any loss caused by the County under the contract unless the County was completely at fault. Since the County has a high need for IMD beds and the proposed indemnification provision is proportional to the level of wrongdoing, risks associated with this proposed change remain low.

DMH clinical and administrative staff will administer and monitor these LE Agreements, evaluate programs to ensure that quality services are being provided to clients, and make certain that agreement provisions, as well as DMH and County policies are followed.

CONTRACTING PROCESS

DMH routinely conducts statewide surveys of existing IMDs to develop or locate additional IMDs for County clients in need of locked sub-acute care. In November of 2015, Crestwood and Sylmar were identified as potential IMDs. DMH intends to enter into sole source LE Agreements with Crestwood and Sylmar to alleviate the extended stay of Lanterman-Petris-Short (LPS) conservatees awaiting IMD placement in County hospitals and jails, and Fee-for-Service inpatient units.

In accordance with the Board of Supervisors Policy Manual, Section 5.100 (Sole Source Contracts), DMH presented the written advance notification of its intent to enter into sole source LE Agreements with Crestwood and Sylmar at the January 3, 2018 Agenda Review. This notification memorandum (Attachment III) was sent to your Board on January 10, 2018. The required Sole Source Checklist (Attachment IV), approved by the CEO, is also attached.

Due to increasing demand for IMD services, DMH was unable to complete a formal solicitation within the timeframe required to meet the need for such services. DMH is in the process of developing a Request for Applications (RFA) to identify additional State approved IMDs qualified to provide such services. DMH plans to execute new LE Agreements with qualified IMDs on this RFA list upon completion of the RFA process and completion of negotiations with selected IMDs, as services are needed and with the condition that appropriate funding is available.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will enable DMH to provide vital mental health treatment provided by IMDs to individuals who are unable to function in a safe manner in open community settings and decompressing emergency rooms, acute inpatient units, and jails.

Respectfully submitted,

JONATHAN E. SHERIN, M.D., Ph.D.

Such plans shall be subject to prior written approval of the Director or his designee, except that in specific cases, as determined by Contractor, where an immediate patient/client transfer or referral is indicated, Contractor may make an immediate transfer or referral. The administrative activities which may be claimable as Title XIX Medi-Cal Administrative Activities are shown on the Financial Summary and are described in the policies and procedures provided by SDMH and/or SDHS.

Contractor may provide mental health services claimable as Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services.

Contractors shall not be eligible to provide mental health services claimable under the Mental Health Services Act (MHSA) unless Contractor has been found to be eligible to

provide mental health services as follows: (1) Contractor has submitted to the County a Statement of Qualifications (SOQ) in response to County's Request For Statement of Qualifications (RFSQ) for the provision of such services; Contractor has met the minimum qualifications listed in the RFSQ and has been selected for recommendation for placement on a MHSA Master Agreement eligibility list; and Contractor has demonstrated experience and training in its specialized field and has been selected to provide MHSA services pursuant to a solicitation process approved by County, or (2) Contractor intends to transform a portion of its services to MHSA services, Contractor has submitted a mid-year change to the Negotiation Package outlining the planned transformation and County has approved Contractor to provide MHSA services through the transformation process. Placement on the Master Agreement eligibility list does not guarantee that Contractor will be selected to provide mental health services claimable as MHSA services. In order to provide mental health services claimable as MHSA services, a provider must have been selected to provide MHSA services pursuant to a solicitation process approved by County, or be approved by County to provide MHSA service through the transformation process.

6. **FINANCIAL PROVISIONS:** In consideration of services and/or activities provided by Contractor, County shall reimburse Contractor in the amount and manner described in Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS) attached thereto and by this reference incorporated herein.

7. **INTENTIONALLY OMITTED:**

8. **STAFFING:** Throughout the term of this Agreement, Contractor shall staff its operations so that staffing approximates the type and number indicated in Contractor's Negotiation Package for this Agreement and as required by WIC and CCR.

A. Staff providing services under this Agreement shall be qualified and shall possess all appropriate licenses in accordance with WIC Section 5751.2 and all other applicable requirements of the California Business and Professions Code, WIC, CCR, Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, SDMH Policy Letters, DHCS Policy Letters, and shall only function within the scope of practice as dictated by licensing boards/bodies.

- B. If, at any time during the term of this Agreement, the Contractor has a sufficient number of vacant staff positions that would impair its ability to perform any services under the Agreement, Contractor shall promptly notify Director of such vacancies.
- C. At all times during the term of this Agreement, Contractor shall have available and shall provide upon request to authorized representatives of County, a list of all persons by name, title, professional degree, language capability(ies), and experience, who are providing any services under this Agreement.

9. **STAFF TRAINING AND SUPERVISION:** Contractor shall institute and maintain an in-service training program of treatment review and case conferences in which all its professional, para-professional, intern, student, and clinical volunteer personnel shall participate.

Contractor shall institute and maintain appropriate supervision of all persons providing services under this Agreement with particular emphasis on the supervision of para-professionals, interns, students, and clinical volunteers in accordance with Departmental clinical supervision policy.

Contractor shall be responsible for the provision of mandatory training for all staff at the time of initial employment and on an ongoing basis as required by federal and State law, including but not limited to Health Insurance Portability and Accountability Act (HIPAA) and Sexual Harassment, and for the training of all appropriate staff on the Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, and other State and County policies and procedures as well as on any other matters that County may reasonably require.

Contractor shall document and make available upon request by the federal, State and/or County the type and number of hours of training provided to Contractor's officers, employees, agents, and subcontractors.

10. **PROGRAM SUPERVISION, MONITORING AND REVIEW:**

- A. Pursuant to WIC Section 5608 and CCR Title 9, Section 521, all services hereunder shall be provided by Contractor under the general supervision of Director. Director shall have the right to monitor and specify the kind, quality,

appropriateness, timeliness, and amount of services, and the criteria for determining the persons to be served.

- B. Upon receipt of any contract monitoring report pertaining to services/activities under this Agreement, Contractor shall respond in writing to person(s) identified and within the time specified in the contract monitoring report. Contractor shall, in its written response, either acknowledge the reported deficiencies or present additional evidence to dispute the findings. In addition, Contractor must submit a plan for immediate correction of all deficiencies.
- C. In the event of a State audit of this Agreement, if State auditors disagree with County's official written instructions to Contractor in its performance of this Agreement, and if such disagreement results in a State disallowance of any of Contractor's costs hereunder, then County shall be liable for Contractor's disallowed costs as determined by State.
- D. To assure compliance with this Agreement and for any other reasonable purpose relating to performance of this Agreement, and subject to the provisions of State and federal law, authorized County, State, and/or federal representatives and designees shall have the right to enter Contractor's premises (including all other places where duties under this Agreement are being performed), with or without notice, to: inspect, monitor and/or audit Contractor's facilities, programs and procedures, or to otherwise evaluate the work performed or being performed; review and copy any records and supporting documentation pertaining to the performance of this Agreement; and elicit information regarding the performance of this Agreement or any related work. The representatives and designees of such agencies may examine, audit and copy such records at the site at which they are located. Contractor shall provide access to facilities and shall cooperate and assist County, State, and/or federal representatives and designees in the performance of their duties. Unless otherwise agreed upon in writing, Contractor must provide specified data upon request by County, State, and/or federal representatives and designees within three (3) business days.

11. **PERFORMANCE STANDARDS AND OUTCOME MEASURES**: The Contractor shall comply with all applicable federal, State, and County policies and procedures relating to performance standards and outcome measures, including but not limited to those performance standards and outcome measures required by specific federal, State, and/or County rules, directive, and guidelines for entities receiving their funding. Examples of such performance standards and/or outcome measures include, but are not limited to, those identified in Attachment IX and those reflected in County and/or program Service Exhibits and practice parameters; as well as performance standards and/or outcomes measures related to the Patient Protection and Affordable Care Act (ACA) and Cal MediConnect Program.

Performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by Contractor. Substandard performance or outcomes by Contractor may be grounds for contract review and a corrective action plan (CAP).

12. **QUALITY MANAGEMENT PROGRAM**:

- A. Contractor shall establish and maintain a Quality Management Program. Contractor's written Quality Management Program shall describe its quality assurance, quality improvement and utilization review structure, process, decisions, actions and monitoring, in accordance with the Department's Quality Improvement Program Policy No. 105.1, to ensure that the quality and appropriateness of care delivered to clients of the mental health system meets or exceeds the established County, State, and federal service standards and complies with the standards set by the DHCS through the Performance Contract and/or Mental Health Plan Agreement.
- B. The Contractor's Quality Management Program shall be consistent with Department's Quality Improvement Program Policy No. 105.1 including the Department's Quality Improvement Work Plan and participation in Service Area Quality Assurance and Quality Improvement Committee meetings as outlined in Policy No. 105.1.
- C. The Contractor's Quality Management Program shall be consistent with the Department's Cultural Competency Plan.

- D. The Contractor's Quality Management Program shall be consistent with the Department's Quality Assurance requirements for Contract Providers as outlined in Policy 104.09.
- E. The County, or its agent(s), will monitor the Contractor's performance under this Agreement on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all Agreement terms and conditions and performance standards. Contractor deficiencies which the County determines are significant or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors and listed in the appropriate contractor performance database. 50. **MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES**: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. 53. **CONTRACTOR RESPONSIBILITY AND DEBARMENT**: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or federal laws are inconsistent with the terms of the Ordinance.

- A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to

satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

- B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.
- C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
- D. - E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding

whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- F. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

- I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- J. These terms shall also apply to subcontractors of County Contractors.

54. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:** Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its

significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded. Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Attachment VI (Attestation Regarding Federally Funded Program) as part of its obligation under this Paragraph 54.

Contractor shall also comply with DMH Policy "Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts" which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three (3) business days should DMH or its representatives request it related to sanction list screening compliance.

Failure by Contractor to meet the requirements of this Paragraph 54 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

- C. Contractor and County understand and agree that each is independently responsible for HIPAA and HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA or HITECH.
- D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.
 - (1) County has a Guide to Procedure Codes available at <http://lacdmh.lacounty.gov/hipaa/index.html> which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

- (4) As County defines requirements for each transaction and determines the method by which each transaction is to be exchanged between Contractor and County, County shall notify Contractor of the effective date(s) by which Contractor shall be required to implement each newly defined interface through County's release of revised Companion Guides. Revised Companion Guides shall be released prior to the effective date(s) upon which each newly defined interface is required in accordance with the schedule below and in accordance with County's estimate of the effort required to implement each newly defined interface, unless earlier effective date(s) are imposed by law or regulation, or earlier effective dates(s) are established by mutual agreement between County and Contractor.

Companion Guides. Revised Companion Guides shall be released prior to the effective date(s) upon which each modified interface is required in accordance with the schedule below and in accordance with County's estimate of the effort required to implement each revised interface, unless earlier effective dates(s) are imposed by law or regulation, or earlier effective dates(s) are established by mutual agreement between County and Contractor.

Contractor understands that County operates an informational website <http://dmh.lacounty.gov/wps/portal/dmh> related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.
- F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said

services as though they were the Contractor's own acts, failures, or omissions.

- G. Contractor further understands and agrees that the terms and conditions of the current IS and IBHIS Trading Partner Agreements (TPA) available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.html respectively, shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.
- H. Contractor acknowledges that County participates in the Meaningful Use of Electronic Health Records Incentive Program (MU Program) under the HITECH Act which requires the annual submission of data documenting the compliance of eligible professionals with certain MU measures.

In such cases, the requesting party shall deliver to the receiving party a letter on agency letterhead indicating the specific information requested, the format in which the information is to be delivered to the requesting party, and the required date of delivery of the information requested. - B. Written Employee Jury Service Policy:

- (1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
 - (2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not

considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

- (3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its “exception status” from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program’s definition of “Contractor” or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County’s satisfaction that Contractor either continues to remain outside of the Jury Service Program’s definition of “Contractor” and/or that Contractor continues to qualify for an exception to the Program.
- (4) Contractor’s violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

59. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY**

LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

60. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:**

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster, in Attachment VII, in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. Information and posters for printing are available at www.babysafela.org.

61. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45**

C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the

term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

62. **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:** The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919)

increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment VIII, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in

order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

63. **LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM:** This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise (SBE) Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204: Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for

certification, and fails to notify the State, the Department of Consumer and Business Affairs and Internal Services Department (ISD) of this information prior to responding to a solicitation or accepting a contract award.

64. **FORCE MAJEURE:**

- A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").
- B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

65. **CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:**

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance,

and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

66. **TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:** Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 65 (**CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

67. **PUBLIC RECORDS ACT:**

A. Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 13 - Record and Audits of this Agreement; as well as those documents which were required to be submitted in response to any solicitation conducted by the County for any services and/or programs for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

(1) County shall notify Contractor upon receipt of a request for such marked documents.

B. In the event the County is required to defend an action on a Public Records Act request, following notification to Contractor, for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the

Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

68. **SECURITY AND BACKGROUND INVESTIGATION:**

- A. All Contractor staff performing services under this Contract who are in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.
- B. If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.
- C. County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.
- D. Disqualification of any member of Contractor's staff pursuant to this Paragraph 67 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

69. **AIR OR WATER POLLUTION REQUIREMENTS:** Unless specifically exempted under federal law, any federally funded Legal Entity Agreement and/or any subcontracts in excess of \$100,000 must comply with the following provisions:

- A. Contractor agrees to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 U.S.C. 1857(h)], section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR Chapter 1).
- B. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

70. **TIME OFF FOR VOTING:** The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

Therefore, Contractor shall ensure access and provision of a full array of Specialty Mental Health Services to all eligible beneficiaries based on client needs as set forth in the Negotiation Package under this Agreement.

- (2) The Contractor shall comply with all requirements necessary for reimbursement as established by federal, State and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives.

 - (b) To the extent that the County determines Contractor has improperly claimed services to a particular Funded Program, County in its discretion may disallow payment of said services and/or may make corrective accounting entries to post the payment of the said services to the appropriate Funded Program and/or require Contractor to void said claimed services and replace/resubmit said services for payment from the correct Funded Program, if applicable.
- (4) The Countywide Maximum Allowances (CMA) are in effect during the Initial Period, the First Optional Extension Period, or the Second Optional Extension Period, or any part thereof, and shall be applicable to this Agreement as of the date adopted by DMH.

- (1) **Provisional Payments:** County payments to Contractor for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future County, State and/or federal adjustments. County adjustments to provisional payments to Contractor will be based upon the local match funds amount specified in the Financial Summary, County's claims processing information system data, MAA data base information, State adjudication of Medi-Cal claims files, contractual limitations of this Agreement, annual cost report, application of various County, State and/or federal reimbursement limitations, application of any County, State and/or federal policies, procedures and regulations, and/or County, State or federal audits, all of which take precedence over monthly claim reimbursements provided by County. County and Contractor acknowledge that the references in this Paragraph H (BILLING AND PAYMENT LIMITATIONS) represent examples only and are not intended, nor shall be construed, to represent all of the circumstances or conditions that may result in adjustments to provisional payments.
- (2) **Other Limitations for Certain Funded Programs:** In addition to all other limitations provided in this Paragraph H (BILLING AND PAYMENT LIMITATIONS), reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. Contractor shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

 - (a) Reimbursement of certain Direct Charges, such as but not limited to capital improvement, are contingent upon the delivery of appropriate and associated services. If the County reasonably determines from a review of Contractor's service and billing records that the Contractor failed to deliver required services associated with such Direct Charge(s), County shall have the right to adjust and/or recover provisional payment(s) associated with such Direct Charge(s). The recovery from Contractor shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) in accordance with the terms of Paragraph S (METHOD OF PAYMENT FOR AMOUNTS DUE TO COUNTY) and Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).
- (3) **Adjustment of Claims Based on Other Data and Information:** The County shall have the right to adjust claims based upon data and information that may include, but is not limited to, County's claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, 835 data, and Contractor's annual Cost Report, all of which shall supersede and take precedence over the claimed amount submitted by Contractor.

- (4) Adjustment of Claims for Agreement Compliance: Director, in his/her sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor shall not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of this Agreement. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than that amount that would be calculated using Contractor's provisional rates, denying claims for payment; holding claims for Medi-Cal services from being forwarded for adjudication by the State; withholding payment of certain claims; and/or demanding repayment from Contractor.
- (a) Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action. Thereafter, Contractor may, within ten (10) calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations for making a determination that such action was necessary, including any amount(s) held, denied or reduced.
 - (b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
 - (c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.

Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.

- (5) County Withhold of Payment for Contractor Lapse in Providing Service Data: If Contractor fails to submit service data as required by County, then the County may, in its discretion, withhold all or a portion of its payment until County is in receipt of complete and correct service data and such service data has been reviewed and approved by Director.
- (a) Prior to withholding payment, Director shall provide Contractor with at least 30 calendar days written notice of the County's decision to withhold payment, including the reason(s) for the intended action and the identification of the incomplete or incorrect service data.

Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.

- (b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose a date for submitting the complete and correct data.
 - (c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision. The decision of the Director will be final.
 - (d) Upon receipt from the Contractor of revised service data, Director shall review such revised service data within 60 calendar days of receipt. Upon determination that such submitted service data is complete and correct, County shall release withheld payments within 30 days of such determination.
- (6) **County Denial of Payments for Lack of Documentation:** Director may deny payment for services when documentation of clinical work does not meet minimum federal, State, and County written standards.
 - (a) Prior to denying payment, Director shall provide Contractor with at least 30 calendar days' written notice of the County's decision to deny payment, including the reason(s) for the intended actions. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the County's decision.
 - (b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
 - (c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.
- (7) **County Suspension of Payment for Default:** Director may suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default under any of the provisions of this Agreement.
 - (a) Except in cases of alleged fraud or similar intentional wrongdoing or a reasonable good faith determination of impending insolvency, Director shall provide Contractor with at least 30 calendar days' notice of such

suspension, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process.

- (b) Upon receiving a request for reconsideration from Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.
 - (c) Within 15 calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.
- (8) No Payment for Services Rendered Following Expiration/Termination of Agreement: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement or any part thereof. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.
- (9) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

I. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

- (1) This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- (2) This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the federal government which may in any way affect the provisions or funding of this Agreement.
- (3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to unilaterally reduce its payment obligation under

this Agreement to implement such Board of Supervisors reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in Subparagraph (3) of this Paragraph I (LIMITATIONS OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) and Subparagraph (5) of Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS), the Contractor shall continue to provide all of the services set forth in this Agreement.

- (4) Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.
- (5) Notwithstanding any other provision of this Agreement, for the purposes of any special grants such as Substance Abuse and Mental Health Services Administration (SAMHSA) and discretionary funds received from the Board of Supervisors, any unspent amounts of such grants and/or discretionary funds, if so authorized by the grantor or the Board of Supervisors, may be rolled over from one fiscal year to the next by decreasing the Funded Program Amount and MCA for the fiscal year in which the funds were unspent and increasing the Funded Program Amount and MCA by the same amount in the following fiscal year. Such roll over of funds shall not, in any event, allow Contractor to receive reimbursement for services/activities paid by these grants and/or discretionary funds in excess of the total allotment of such grants and discretionary funds over the period covered by such grants and discretionary funds. Any such change in the MCA due to such roll over of funds shall be effected by a duly executed amendment to this Agreement.

J. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS

- (1) Funds under this Agreement are provided for the delivery of mental health services to eligible beneficiaries under each of the Funded Programs identified in the Financial Summary. Each Funded Program has been established in accordance with the requirements and restrictions imposed by each respective County, State and/or federal payer source contributing to the Funded Program.

- (2) Contractor may not redirect funds from one Funded Program to another Funded Program, except through a duly executed amendment to this Agreement as outlined in DMH Policy, *Shifting Guidelines for the Legal Entity Agreement*.
- (3) Contractor may not charge services delivered to an eligible beneficiary under one Funded Program to another Funded Program unless the recipient is also an eligible beneficiary under the second Funded Program. When a recipient of services is an eligible beneficiary under more than one Funded Program, Contractor shall charge the services to the Funded Program under which the County shall receive maximum reimbursement from non-County sources, provided that Contractor has available funds under the appropriate Funded Program.
- (4) Contractor also shall not charge services delivered to an eligible beneficiary for Medi-Cal to the Non-Medi-Cal Funded Program Amount except in such cases where a client's eligibility for benefits is being established or determined. Upon confirming that said client is approved for Medi-Cal benefits, or in such case that the County may determine that a service paid originally through the Non-Medi-Cal Funded Program Amount was to a client approved for Medi-Cal, Contractor shall void the original claims for services provided on or after the effective date that Medi-Cal services became eligible for reimbursement, and replace/resubmit such claims for Medi-Cal under the correct Funded Program.
- (5) Contractor shall be responsible for delivering services to clients to the extent that funding is provided by the County. Where Contractor determines that services to clients can no longer be delivered, Contractor shall provide 30 calendar days prior written notice to County. Contractor shall thereafter refer clients to County or to another appropriate Contractor.
 - (a) Contractor shall not be required to provide the notice required under Subparagraph (5) of this Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS) if the County reduces funding to the Contractor under Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) whether such reductions occur at the beginning or during a fiscal year. In addition, if County reduces or eliminates funding for a specific Funded Program, or portion thereof, Contractor shall not be responsible for continuing services for those clients served by the Funded Program, or portion thereof.

K. CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS

- (1) County and Contractor may by written amendment reduce programs or services and revise the applicable MCA and/or Funded Program Amount. The Director shall provide 15 business days prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County. Any such change in any applicable MCA and/or Funded Program Amount shall be effected by a formal amendment or administrative amendment by Director to this Agreement.
- (2) Contractor shall be responsible for delivering and monitoring services so that Contractor can provide continued and uninterrupted provision of quality eligible services to eligible beneficiaries as specified in this Agreement, to the extent funding is provided by County. Notwithstanding Subparagraph (1) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), if the County reasonably determines the Contractor will not meet expectations listed in Subparagraph (3), County may notify Contractor to discuss and determine whether a corrective action plan (CAP) will be required.
- (3) Without limiting Contractor's obligations under this Agreement, Contractor shall meet the following expectations:
 - (a) Contractor will meet performance and/or outcome expectations that are specified in the approved Negotiation Package; and
 - (b) Contractor will meet performance and/or outcome expectations that are specified in the Agreement and/or any Service Exhibit, that may be developed with contractors' input and are specified in program Service Exhibits, and/or are set forth in Department guidelines, directives, and/or practice parameters.
- (4) If a CAP is issued and Contractor fails to comply with such CAP, County may implement options listed in subsections (a) and/or (b) to safeguard County's mission to ensure access to quality services for all client populations and to ensure the types of services and supports necessary to assist clients in achieving hope, wellness, and recovery:
 - (a) Restrict Contractor from expending any more funds allocated for the program(s) at issue and the County's intent to reallocate funds to another program budget category for the same period within this Agreement, and/or reallocate such funds for the efficient use of such funds.

- (b) Decrease the amount of funds allocated in subsequent fiscal years for the program(s) at issue and reallocate such funds for the efficient use of such funds;
- (c) Terminate specific programs within the Contractor's Agreement and/or the Contractor's Agreement in its entirety for failure to meet performance and/or outcome expectations as specified in program service exhibits and/or Department guidelines, directives, and practice parameters.

Prior to implementing options (a), (b), and/or (c) of Subparagraph (4), County shall provide 15 business days prior written notification to Contractor of County's intent to implement one (1) or more such options. Such notification shall include an explanation of how the County reached the conclusion that Contractor not meeting the expectations listed in Subparagraph (3) copies of relevant data, such as but not limited to County information system reports used by County in making this decision; the nature and amount of proposed funding changes; and any proposed changes in the amount of services to be provided by Contractor.

- (5) In the event Contractor believes that an adjustment under Subparagraph (4) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is unjustified, Contractor may, within the 15 business days notice period, so notify the Director in writing, and request a meeting with County to review County's documentation. Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, and County has provided an opportunity to meet within that time period, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its MCA; Funded Program Amount; and/or program/service delivery up to and including termination of specific programs and/or the entire Agreement.

If, after any such meeting, it is still determined that an adjustment under this Subparagraph (4) of Paragraph K (CONTRACTOR'S RESPONSIBILITY TO ENSURE QUALITY OF SERVICES AND TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is justified, the County shall take the appropriate action, as provided above. Director shall provide final prior written notice to Contractor of such action(s), including any changes in the amount of services to be received by County, and the determination of the Director will be final. Any such change in Contractor's Agreement, including termination of programs with the Agreement and/or the entire Agreement shall be effected by an administrative amendment to this Agreement issued by Director. Changes that are based on one-time circumstances will be applicable to the current contract year only and shall not result in reductions (or increases) of MCA and/or Funded Program Amount in

subsequent years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of MCA and/or Funded Program Amount in subsequent years.

The determination by the Director shall be effective upon the receipt of such final prior written notice by Contractor and the changes to funding and services shall be incorporated into this Agreement as of the date of receipt. Contractor understands and agrees that its MCA and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the MCA and/or Funded Program Amount for this Agreement. By executing this Agreement, Contractor specifically consents to the prospective adjustments set forth in this provision up to and including termination of programs and/or the Agreement.

L. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM

- (1) If, under this Agreement, Contractor has Funded Programs that include Title XIX Short-Doyle/Medi-Cal services, Medi-Cal Administrative Activities, and/or Title XXI MCHIP services, Contractor shall certify annually, no later than July 10th of each year, in writing that all necessary documentation will exist at the time any claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP are submitted by Contractor to County.

Contractor shall be solely liable and responsible for all service data and information submitted by Contractor.

- (2) Contractor acknowledges and agrees that the County, in undertaking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Mental Health Plan for the State and federal governments.
- (3) Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP claims or other State required claims data within the time frame(s) prescribed by this Agreement to allow the County to meet the timeframes prescribed by the State and federal governments. County shall have no liability for Contractor's failure to comply with the time frames established under this Agreement and State and federal time frames, except to the extent that such failure was through no fault of Contractor.

- (4) County, as the Mental Health Plan, shall submit to the State in a timely manner claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services only for those services/activities identified and entered into the County's claims processing information system and/or into the Medi-Cal Administrative Activities data base system, as appropriate, which are compliant with State and federal requirements. County shall make available to Contractor any subsequent State approvals or denials of such claims within 30 days of receipt thereof.
- (5) Contractor acknowledges and agrees that County's final payment for services and activities claimed by Contractor for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services is contingent upon reimbursement from the State and federal governments and that County's provisional payment for said services does not render County in any way responsible for payment of, or liable for, Contractor's claims for payment for these services.
- (6) Contractor's ability to retain payment for such services and/or activities is entirely dependent upon Contractor's compliance with all laws and regulations related to same.
- (7) Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from and against any loss to Contractor resulting from the denial or disallowance of claims for or any audit disallowances related to said services by the County, State or federal governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the County.
- (8) Contractor shall repay to County the amount paid by County to Contractor for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services/activities which are subsequently denied or disallowed by the County, State, and/or federal governments. In no event shall County be liable or responsible to Contractor for any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI MCHIP services/activities that are subsequently denied or disallowed by County, State, and/or federal governments unless the denial or disallowance was due to the fault of the County.
- (9) The total County payment for Title XIX Short-Doyle/Medi-Cal services and/or Title XXI MCHIP services and/or MAA under federal requirements consists of federal and local match, and such local match may consist of County and/or State funds. Contractor acknowledges that if such services are subsequently denied, voided, and/or disallowed, County shall make a full recovery of such payments, including State and local match amounts.
- (10) Notwithstanding any other provision of this Agreement, Contractor agrees that the County may offset future payments to the Contractor and/or demand

repayment from Contractor when amounts are owed to the County pursuant to above Subparagraphs (7) and (8) of this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM). Such demand for repayment and Contractor's repayment shall be in accordance with Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY), except for denials reflected on the State's 835 files, which will be offset immediately from the County's next payment to Contractor.

- (11) Contractor shall comply with all written instructions provided to Contractor by Director, State or other applicable payer source regarding claiming and documentation.
- (12) Nothing in this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI MEDICAID CHILDREN'S HEALTH INSURANCE PROGRAM) shall be construed to limit Contractor's rights to appeal State and federal settlement and/or audit findings in accordance with the applicable State and federal regulations.

M. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

- (1) Contractor shall comply with all County, State, and federal requirements and procedures relating to:
 - (a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with State guidelines and Welfare and Institutions Code Sections 5709 and 5710.
 - (b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall pursue and report collection of all patient/client and other revenue.
- (2) All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health service/activities specified in this Agreement.
- (3) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Agreement, for a maximum period

of one (1) fiscal year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Agreement. Contractor shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County.

- (4) Contractor shall not retain any fees paid by any sources for, or on behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental health services for which fees were paid.
- (5) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Agreement.
- (6) Failure of Contractor to report in all its claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by County to Contractor, shall result in:
 - (a) Contractor's submission of a revised claim statement showing all such non-reported revenue.
 - (b) A report by County to SDHCS of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries.
 - (c) Any appropriate financial adjustment to Contractor's reimbursement.

N. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

- (1) The CFA, if approved by County, is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under this Agreement during the applicable period.
- (2) For each month of each period of this Agreement, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes. However, for each month of the first two (2) months, of the Initial Term, the First Optional Extension Period, or the Second Optional Extension Period, Contractor may request in writing from County a monthly County General Fund CFA as herein described.

- (3) CFA disbursement(s), if any, shall be part of the total maximum reimbursement, which is limited to the MCA as specified in Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT).
- (4) CFA is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in DMH Legal Entity Agreement Paragraph 5 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly CFA only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.
- (5) Notwithstanding any other provision to the contrary, funding for Wraparound Case Rate (i.e., Specialized Foster Care Wraparound Invoice Funded Program) shall not be included when computing monthly CFA amount(s).
- (6) Cash Flow Advance Request Letter: For each month for which Contractor is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting a CFA and the amount of CFA Contractor is requesting.
 - (a) In order to be eligible to receive a CFA, the letter requesting a CFA must be received by County on or before the 15th of that month (i.e., for the month of July 2017, the request must be received by July 15, 2017).
 - i. If the letter requesting CFA is received by the County from the Contractor after the 15th of the month, Contractor will not be eligible to receive a CFA for that month.
 - (b) The signed letter requesting a CFA must be sent via mail, fax or email (PDF file) to the Department of Mental Health Financial Services Bureau – Accounting Division, Provider Reimbursement Section (PRS).
 - i. PRS staff will determine whether Contractor is eligible to have its request considered based on the date the request letter is received by PRS and not the date on the request letter.
 - (c) Upon receipt of a request, Director, in his/her sole discretion, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.
 - i. If a CFA is not approved, Director will notify Contractor within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the decision.

- (7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The CFA amount available to Contractor for any particular month will be reduced by County payments of claims received from Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim.
- (8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:
- (a) For each of the first two (2) months of each period that this Agreement is in effect, Contractor may request in writing from County a monthly County General Fund CFA for any funds which may be part of the MCA for such period as identified in the Financial Summary. Contractor shall specify in its request the amount of the monthly CFA it is requesting, not to exceed \$N/A for the first month and \$N/A for the second month, if applicable. In no event shall the monthly CFA requested by Contractor exceed 1/12th of MCA as identified on the Financial Summary as of the specified month the CFA is requested.
 - (b) In case the Agreement is amended to increase or reduce the Maximum Contract Amount during the first two (2) months during which the Contractor may request and receive CFA, the CFA amount shall be recalculated for the remaining month(s) based on the effective date of the amendment. For the month in which the amendment is executed, the revised CFA amount shall be based on the effective date of the amendment, and if such effective date falls between the 1st and the 15th of the month, the revised CFA amount will be adjusted based on the total amount of the change in the MCA; and if the effective date falls between the 16th and the end of the month, the revised CFA amount will be calculated based on one half (1/2) of the total change in the MCA.
 - (c) The Contractor may request in writing from County, consistent with above Subparagraph (8) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), for additional monthly CFA to accommodate extraordinary circumstances that are beyond Contractor's control, including but not limited to, Contractor's inability to submit claims to the County as described in Subparagraph (3) of Paragraph F (BILLING PROCEDURES) or due to procedural matters associated with transitioning Contractor to County's new claims processing information system, County's inability to process claims due to extended disruption in the County's claims processing information system, or any other circumstance determined by the Director, in his/her sole discretion, to constitute an extraordinary circumstance beyond Contractor's control. The County in its sole discretion shall review Contractor's request, including but not limited to, the amount of CFA requested and the

amount of CFA requested in relation to the number of months remaining in the fiscal year, and shall respond accordingly within 15 business days from the receipt of such request.

- i. Additional monthly CFA is subject to approval by the Director, County Auditor-Controller, County Counsel and County Chief Executive Office.

(9) Recovery of Cash Flow Advances: If Contractor has received any CFA pursuant to this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), then recovery from Contractor's monthly claims shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) as follows:

- (a) Generally, when Contractor rendering services at a level that would indicate it will utilize all or a substantial portion of its MCA, County initiates recovery of the CFA balance, if any, for a particular fiscal year in July following the close of such fiscal year or at such time as payments to Contractor, including the CFA, reach the MCA. Such recovery is initiated through the Contractor's rendering and submitting of appropriate services and activities into the County's claims processing information system and/or the submission of invoices for direct charges. The determination to begin recovery of CFA balance in July of the following fiscal year, or at such time as payments to Contractor, including the CFA, reach the MCA, is based on the presumption that when a contractor is meeting its contractual levels, then the Contractor will have rendered sufficient services/activities and entered such services/activities into the County's claims processing information system by September 30th following the end of the fiscal year. September 30th is the date by which all or a substantial portion of the Contractor's prior fiscal year's claims should have been received from Contractor and processed by County.
- (b) If at any time during the fiscal year, County determines that Contractor is not rendering services at a level that would utilize all of its MCA, County may initiate recovery of the CFA as specified above in Subparagraph (9) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED) prior to July 1. If County intends to initiate recovery of the CFA prior to July 1, County will give Contractor 30 calendar days prior written notice, including the reason(s) for the intended actions, to ensure Contractor renders and submits sufficient services/activities to have repaid all, or a substantial portion of the CFA, by September 30 following the fiscal year close. Contractor may, within 15 calendar days of the receipt of County's written notice, request reconsideration of the County's decision.

- (c) Should a Contractor have any remaining CFA balance for a particular fiscal year at such time as the State SD/MC Cost Report is complete, County will perform an analysis to determine the amount of unearned CFA balance based on the SD/MC Cost Report and Contractor repayment of the unearned CFA balance shall be conducted as specified in Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY) unless otherwise agreed to by County.
- (10) When Contractor's CFA balance is zero (0) in any fiscal year of the term of this Agreement, any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of this Agreement.

O. ANNUAL COST REPORTS

- (1) For each fiscal year or portion thereof that this Agreement is in effect, Contractor shall provide County with two (2) copies of an accurate and complete Annual Cost Report, along with a statement of expenses and revenue, and a Cost Report Certification. The statement of expenses and revenue and Cost Report Certification must be signed by a Contractor's executive official or designee, by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS).
- (2) An accurate and complete Annual Cost Report shall be defined as a cost report which is completed to the best of the ability of Contractor on such forms or in such formats as specified by the County and consistent with such instructions as the County may issue and is based on the best available data.
- (3) The Annual Cost Report will be comprised of a separate set of forms for the County and State based on the Financial Summary applicable to the fiscal year.
- (4) The Annual Cost Report will be due on September 15th for the fiscal year ending on the previous June 30th or seventy-five (75) calendar days following the expiration or termination date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day.
 - (a) Failure by Contractor to submit an Annual Cost Report within 30 calendar days after the due date specified in above Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) shall constitute a breach of this Agreement.

- i. In addition to, and without limiting, any other remedy available to the County for such breach, County may undertake any or all of the following to remedy such breach:
 - (A) In such instance that Contractor does not submit an Annual Cost Report(s) by such 30 calendar days after the applicable due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS), then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor for the fiscal year for which the Annual Cost Report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY). Such payments shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).
 - (B) If this Agreement is extended as provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to suspend payments to Contractor under this Agreement until the Annual Cost Report(s) is (are) submitted. County shall give Contractor at least 15 business days written notice of its intention to suspend payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have 15 business days either to correct the deficiency, or to request reconsideration of the decision to suspend payments. Payments to Contractor shall not be suspended during said 15 business days provided to correct the deficiency or, if reconsideration is requested, pending the results of the reconsideration process.
- (b) Failure by the Contractor to submit an Annual Cost Report(s) by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost Report(s) to the County under this Paragraph O (ANNUAL COST REPORTS). The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per day for each day that the Contractor fails to submit to the County by the due date.
 - i. Liquidated damages shall be assessed separately on each outstanding Annual Cost Report.

- ii. Liquidated damages shall be assessed commencing on September 16th or on the seventy-sixth (76th) day following the expiration or earlier termination of this Agreement and shall continue until the outstanding Annual Cost Report(s) is/are received.
 - iii. Upon written request from the County, Contractor shall, within 30 calendar days, submit to the County payment for said damages. Said Payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).
 - iv. Contractor may ask that liquidated damages not be assessed by sending a written request for an extension to submit the Annual Cost Report to the Director no later than 30 calendar days prior to the due date specified in this Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS). The decision to grant an extension without assessing liquidated damages in accordance with Subparagraph (4) (b) of this Paragraph O (ANNUAL COST REPORTS) shall be at the sole discretion of the Director.
- (5) Each Annual Cost Report shall be prepared by Contractor in accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2; "The Provider Reimbursement Manual Parts 1 and 2;" the State's Cost and Financial Reporting System (CFRS) Instruction Manual; and any other written guidelines that shall be provided to Contractor at the Cost Report training, to be conducted by County on or before June 30th of the fiscal year for which the Annual Cost Report is to be prepared.
- (a) Attendance by Contractor at the County's Cost Report Training is mandatory.
 - (b) Failure by the Contractor to attend the Cost Report Training shall be considered a breach of this Agreement that will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to attend the Cost Report Training. The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per occurrence. Therefore, County may, in its sole discretion, assess liquidated damages in the amount of \$100 for Contractor's non-attendance at the Cost Report Training. Said Payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

- (6) Upon written notification from the Director that its Annual Cost Report contains errors or inaccuracies, Contractor shall, within 30 calendar days, correct such errors and inaccuracies and resubmit its Annual Cost Report.
 - (a) If Contractor fails to correct inaccuracies in Annual Cost Report within 30 calendar days after receipt of written notification from the Director and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of lost reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.
- (7) Contractor shall be solely responsible for any loss incurred by County due to Contractor's failure to comply with County and State cost report requirements.

- (1) At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and federal law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the County, State or federal governments may conduct an audit of Contractor regarding the services/activities provided under this Agreement.
- (2) Settlement of audit findings will be conducted according to the auditing party's procedures in place at the time of the audit.

- (3) Post-Audit SD/MC Settlement: In the case of a State Short-Doyle/Medi-Cal (SD/MC) audit, the State and County will perform a post-audit SD/MC settlement based on State audit findings. Such settlement will take place when the State initiates its settlement action, which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.
- (a) County shall issue Post-Audit SD/MC Settlement to Contractor for any amount due County or due to Contractor no later than 90 calendar days after the State issues its audit report to the County.
 - (b) If the Post-Audit SD/MC Settlement determines that the amount paid by County to Contractor for any units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County upon the State and/or federal collection from County of the amount due, or after exhausting all appeals, if any, whichever occurs first.  - (e) If the auditing party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with County.
- (4) SD/MC Audit Appeals: Contractor may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.
- (a) For federal audit exceptions, federal audit appeal processes shall be followed.
 - (b) Contractor may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through County. County

shall notify Contractor of State appeal deadlines after County's receipt of information from State.

(5) Post-Audit Appeal SD/MC Settlement:

(a) If at any time the Appeal process results in a revision to the audit findings, and the State recalculates the audit settlement of the SD/MC cost report for a particular year and settles with County, County will perform a post-audit appeal Short-Doyle/Medi-Cal re-computed settlement after the State issues its revised settlement with the County, based on the State appeal resolution.

i. If the post-audit appeal SD/MC re-computed settlement results in amounts due to Contractor by the County, County shall initiate the payment process to Contractor within 30 calendar days of issuing the post-audit appeal SD/MC re-computed settlement to Contractor.

ii. If the post-audit appeal SD/MC re-computed settlement results in amounts due from Contractor to the County, Contractor shall make payment to the County in accordance with the terms of Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph Y (PAYMENT AND INVOICE NOTIFICATIONS).

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

INFORMATION SECURITY REQUIREMENTS

This sets forth information security procedures to be established by Contractor before the effective date of the Agreement and maintained throughout the term of the Agreement. These procedures are in addition to the requirements of the Agreement and the Business Associate Agreement between the Parties. They present a minimum standard only. However, it is Contractor's sole obligation to: (i) implement appropriate measures to secure its systems and data, including Personal Information, Protected Health Information, and County Confidential Information, against internal and external threats and risks; and (ii) continuously review and revise those measures to address ongoing threats and risks. Failure to comply with the minimum standards set forth in this Exhibit ____ (Information Security Requirements) will constitute a material, non-curable breach of the Agreement by Contractor, entitling County, in addition to and cumulative of all other remedies available to it at law, in equity, or under the Agreement, to immediately terminate the Agreement. Unless specifically defined in this Exhibit, capitalized terms shall have the meanings set forth in the Agreement.

1. **Security Policy.** Contractor shall establish and maintain a formal, documented, mandated, company-wide information security program, including security policies, standards and procedures (collectively "**Information Security Policy**"). The Information Security Policy will be communicated to all Contractor personnel in a relevant, accessible, and understandable form and will be regularly reviewed and evaluated to ensure its operational effectiveness, compliance with all applicable laws and regulations, and to address new threats and risks.
2. **Personnel and Contractor Protections.** Contractor shall screen and conduct background checks on all Contractor personnel contacting County Confidential Information, including Personally Identifiable Information and Protected Health Information, for potential security risks and require all employees and contractors to sign an appropriate written confidentiality/non-disclosure agreement. Contractor shall supply each of its Contractor personnel with appropriate, ongoing training regarding information security procedures, risks, and threats. Contractor shall have an established set of procedures to ensure Contractor personnel promptly report actual and/or suspected breaches of security.
3. **Removable Media.** Except in the context of Contractor's routine back-ups or as otherwise specifically authorized by County in writing, Contractor shall institute strict physical and logical security controls to prevent transfer of Personally Identifiable Information and Protected Health Information to any form of Removable Media. For purposes of this Exhibit M (Information Security Requirements), "**Removable Media**" means portable or removable hard disks, floppy disks, USB memory drives, zip disks, optical disks, CDs, DVDs, digital film, digital cameras, memory cards (e.g., Secure Digital (SD), Memory Sticks (MS), CompactFlash (CF), Smart Media (SM), Multi Media Card (MMC), and XD-Picture Card (XD)), magnetic tape, and all other removable data storage media.

Without limiting the generality of the foregoing, Contractor will encrypt all electronic Protected Health Information (stored and during transmission) in accordance with HIPAA and the HITECH Act, as implemented by the U.S. Department of Health and Human Services. If Protected Health Information is no longer required to be retained by Contractor under the Agreement and applicable law, Contractor shall destroy such Protected Health Information by: (a) shredding or otherwise destroying paper, film, or other hard copy media so that the Protected Health Information cannot be read or otherwise cannot be reconstructed; and (b) clearing, purging, or destroying electronic media containing Protected Health Information consistent with NIST Special Publication 800-88, Guidelines for Media Sanitization¹ such that the Protected Health Information cannot be retrieved.
- 5. SUBJECT: **ADVANCE NOTIFICATION OF INTENT TO ENTER INTO SOLE
SOURCE CONTRACTS WITH CRESTWOOD BEHAVIORAL HEALTH,
INC., AND SYLMAR HEALTH AND REHABILITATION CENTER, INC.**

A handwritten signature in black ink, appearing to be "JS", is written over the "TO:" and "FROM:" lines.

This is to notify your Board that the County of Los Angeles (County) Department of Mental Health (DMH) intends to enter into sole source Legal Entity (LE) Agreements with Crestwood Behavioral Health, Inc. (Crestwood), and Sylmar Health and Rehabilitation Center, Inc. (Sylmar), for the provision of mental health services provided by Institutions for Mental Diseases (IMD) for individuals discharged from County, State, and private hospital psychiatric units, County jails, and State prisons. Board Policy 5.100 (Sole Source Contracts) requires four weeks advance written notice to the Board prior to commencing contract negotiations for new sole source contracts.

DMH will be requesting that your Board approve a sole source LE Agreement with Crestwood and a sole source LE Agreement with Sylmar with initial terms through June 30, 2018, and two optional one-year extension periods through June 30, 2020. These LE Agreements are necessary to meet the increasing demand for locked long-term residential care from DMH clients and to provide clinical services vital to their recovery process. Among a shortage of qualified IMDs, Crestwood and Sylmar will provide these services to individuals with serious mental health illnesses that are not clinically ready to live independently or in supportive residential facilities. Given the urgency for IMD services and the limited number of State approved IMDs available in the County, DMH believes that initiating sole source negotiations with Crestwood and Sylmar will be in the best interest of the County.

Unless otherwise instructed by your Board office within two weeks of this notice, DMH will proceed with negotiating sole source LE Agreements with Crestwood and Sylmar. DMH will work closely with the Office of the County Counsel and the Chief Executive Office in preparing the sole source LE Agreements.

SOLE SOURCE CHECKLIST
Crestwood Behavioral Health, Inc.
Sylmar Health and Rehabilitation Center, Inc.

Check (✓)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS <i>Identify applicable justification and provide documentation for each checked item.</i>
	➤ Only one bona fide source for the service exists; performance and price competition are not available.
✓	➤ Quick action is required (emergency situation). DMH is experiencing a great increase in the demand for locked long-term residential care by DMH clients with serious mental illnesses, that have been discharged from County, State, and private hospital psychiatric units, County jails, and State prisons. These emergent and essential services are vital to the client recovery process and time sensitive and DMH needs to increase capacity. However, given the limited number of State approved IMDs available in the County, and the urgency for locked long-term residential care, DMH is unable to complete a formal solicitation to acquire such services without falling short of meeting the increasing demand in the interim. Accordingly, DMH wishes to request Board approval to contract with Crestwood Behavioral Health, Inc. (Crestwood) and Sylmar Health and Rehabilitation Center, Inc. (Sylmar) on a sole source basis.
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Continual services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is more cost-effective to obtain services by exercising an option under an existing contract.
	➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.
	Other reason. Please explain:
