Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

22 December 16, 2014

PATRICK OGAWA
ACTING EXECUTIVE OFFICER

**AUTHORIZATION TO ENTER INTO A SOLE SOURCE CONSULTANT SERVICES AGREEMENT
WITH THE ACADEMY OF COGNITIVE THERAPY, LTD
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to enter into a sole source Consultant Services Agreement with the Academy of Cognitive Therapy, Ltd., to provide training, consultation, and technical assistance with the implementation of an Evidence-Based Practice.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute a sole source Consultant Services Agreement (Agreement) with the Academy of Cognitive Therapy, Ltd. (ACT), substantially similar to Attachment I, for \$2,485,800 to provide specialized training, consultation, and technical assistance to the Department of Mental Health (DMH) contracted agencies and directly operated clinical staff. The Agreement will be effective following Board approval and upon full execution by all the parties through June 30, 2017, with an option to extend for one year. ACT's Total Compensation Amount (TCA) of \$2,485,800 is fully funded by State Mental Health Services Act (MHSA) revenue, which is included in DMH's Fiscal Year (FY) 2014-15 Adopted Budget.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to the Agreement with ACT, provided that: 1) the County's total payments to the Contractor under the Agreement will not exceed an increase of 10 percent from the applicable Board-approved TCA; 2) any such increase will be used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated sufficient funds for all changes; 4)

approval of County Counsel, or designee, is obtained prior to such amendments; 5) County and Contractor may, by written amendment, reduce programs or services and revise the applicable TCA, provided that any amendment which reduces programs or services will be consistent with the principles agreed to in DMH's Stakeholder's process; and 6) the Director notifies your Board and the Chief Executive Officer (CEO) of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will allow DMH to enter into a sole source Agreement with ACT to enable the implementation of the Individual Cognitive Behavioral Therapy (Ind CBT), one of the most frequently utilized Evidence-Based Practices (EBPs) with considerable research supporting its effectiveness and adaptability in clinical practice.

The Agreement with ACT will enable DMH to provide the delivery of the Ind CBT training and consultative services to 1,200 clinicians across the countywide network of care in Cognitive Behavioral Therapy (CBT) for adult consumers (ages 18 and older) receiving mental health services under the MHSA Community Services and Supports or Prevention and Early Intervention (PEI) Program plans. After completing the Ind CBT protocol, 100 of the graduating clinicians will be selected for the Ind CBT Clinical Champions training program to provide ongoing consultative services to our clinicians to establish sustainability for this EBP.

Selected clinicians for the Ind CBT and Clinical Champions training program will work at the Department's Directly Operated clinics and Legal Entity providers. They will be providing therapeutic services to adult consumers (ages 18 and older) receiving services in the Department's MHSA programs.

Each cycle of the training program can accommodate up to 200 trainees and will take six months to complete. DMH estimates that all 1,200 clinicians can be trained through this program, at the rate of 400 per fiscal year, by June 30, 2017. The program consists of the following training protocol:

- 1) 3-day initial training (8 hours/day, 100 staff/training)
- 2) 1-day booster training (8 hours/day, 100 staff/training)
- 3) Consultative Services
 - a) Consultation Calls
 - i) 1 call/week, 55 minutes long, 8 staff per call, total of 16 calls.
 - b) Review of 3 audio recordings and 3 case conceptualizations.
 - i) CBT Certified trainers to review each tape recording and use the Cognitive Therapy Rating Scale (CTRS) to determine if the staff meets adherence (score of 40+).
 - ii) CBT Certified trainers to review each case conceptualization and use the Case Review Rating Scale (CRRS) to determine if the staff meets adherence (score of 20+).

ACT will provide four cohorts per fiscal year consisting of 100 clinicians per cohort, distributed to two cohorts every six months. This will extend the contract across three years. The additional fourth will be utilized as needed to complete the training protocol for any clinician who was not able to complete the training due to an unexpected situation which arose during their training.

The 100 clinical champions, also providing services at our Department's Directly Operated clinics and Legal Entity providers, will be able to participate in the Department's sustainability plan of this training. The clinical champions will provide the consultative services (including the consultation

calls and reviews of the adherence rating materials) for future cohorts once this Agreement ends. Their training protocol is as follows:

- 1) 1-day initial training (5 hours/day, 50 staff/training)
- 2) Consultative Services
 - a) Consultation Calls
 - i) 1 call/week, 55 minutes long, 5 staff per call, total of 10 calls.
 - b) Review of 1 audio recording and 1 Personal supervisory model.
 - i) CBT Certified trainers to review one tape recording of a supervisory session with a staff member providing CBT and use the CTRS to determine if the clinical champion meets adherence (score of 40+).
 - ii) CBT Certified trainers to review 1 personal supervisory model from Clinical Champion, based on CBT principles, and use the Supervisory Scale to determine if clinical champion meets adherence (score of 20+).
 - c) Ind CBT Clinical Champions must apply for certification through ACT.

Early in 2013, in preparation for Health Care Reform and the continuation of implementing effective PEI services, DMH and its stakeholders committed to developing a structured CBT Training Program. The Ind CBT for Depression, Anxiety, and Trauma is one of the EBPs selected as part of the PEI Program in Los Angeles County (County). The intent of this Agreement is to build the capacity of mental health providers in the County to deliver Ind CBT for Depression, Anxiety, and Trauma.

In doing so, DMH will effectively respond to the increased need to provide an appropriate standard of care to individuals seeking services through the Affordable Care Act. The target population for Ind CBT includes: 1) transition age youth starting at age 18 dealing with early onset of mental illness; 2) adults; and 3) older adults facing traumatic experiences which lead to depression, anxiety, or post-traumatic stress disorder, to prevent or alleviate depressive symptomology.

Implementation of Strategic Plan Goals

The recommended Board actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The cost of ACT's TCA for FY 2014-15 through FY 2016-17 is \$2,485,800 fully funded by State MHSA Revenue. Funding for this Agreement is included in DMH's FY 2014-15 Adopted Budget.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In accordance with the State of California Department of Health Care Services (State) PEI Plan, this Agreement will assist in developing and maintaining a trained workforce capable of providing a well-researched and cost-effective EBP to priority populations. The PEI component of the MHSA requires services to address risk factors prior to the development of a mental illness, or address early symptoms should a mental illness progress. The State guidelines designate priority populations for the PEI component as being particularly vulnerable to mental illness and/or at risk of not receiving mental health services due to social, economic, or cultural barriers. These priority populations include: 1) underserved cultural populations; 2) individuals experiencing onset of serious psychiatric

illness; and 3) trauma-exposed individuals.

ACT, located at 245 N. 15th Street, MS 403/#17302 New College Building/Department of Psychiatry, Philadelphia, PA 19102, is a non-profit organization founded in 1998 by a group of leading clinicians, educators, and researchers in the field of cognitive therapy. As part of its mission, ACT supports continuing education and research in cognitive therapy, provides a valuable resource in cognitive therapy for professionals and the public at large, and actively works towards the identification and certification of clinicians skilled in cognitive therapy.

ACT utilizes CBT certified trainers to provide CBT trainings throughout the United States. ACT also has the expertise to provide consultative services in Spanish, Armenian, Farsi, Hindi, and other Asian-Pacific Islander languages, and the capacity to provide a minimum of 20 consultants at any given time during the term of the Agreement. They have implemented the use of an online application service to host the weekly consultation calls for each cohort of 100 Ind CBT clinicians. ACT developed and will coordinate and monitor a Health Insurance Portability and Accountability Act website and infrastructure approved by DMH Chief Information Office Bureau to coordinate the uploading of the audio files, case conceptualization documents, and training/personnel information for CBT consultative services. ACT offers certification to those individuals who, based upon an objective evaluation, have demonstrated an advanced level of expertise in cognitive therapy.

The Agreement format (Attachment I) has been approved as to form by County Counsel. The CEO has approved the Sole Source Contract Checklist (Attachment II) and recommendations. Administrative staff of DMH will review and monitor compliance to the Agreement, evaluate training programs to ensure the quality of services being provided to the clinicians, and affirm the Agreement's provisions and policies are being followed.

In accordance with your Board's contracting policy requirements for Sole Source Contracts, DMH notified your Board on July 10, 2014, of its intent to enter into a sole source Agreement with ACT (Attachment III).

DMH has determined that the proposed Contract is not subject to the County's Living Wage Program. County Code 2.121 does not apply to this services agreement because the training, consultation, and technical assistance services will be performed by ACT only on a part-time or intermittent basis.

CONTRACTING PROCESS

The DMH Executive Management Team and the DMH EBP Committee worked to identify a vendor who had the capability to provide training and consultative services in CBT to 1,200 clinicians. The following four research methods were used to determine viable organizations: 1) search via Google of current CBT Training institutes or organizations with the means to train and certify clinicians in CBT; 2) consultation with the DMH EBP Committee and the members of its Academic Review Panel; 3) consultation with Harbor-UCLA Medical Center CBT Team members; and 4) consultation with representatives from the American Psychological Association and California Institute for Behavioral Health Solutions.

On July 5, 2013, Adult System of Care (ASOC) Administration identified eight eligible organizations based on this search. These organizations were contacted to determine both their capability and their interest in applying for a solicitation. They were also provided information on the application process and DMH's requirements for the successful vendor. Four organizations expressed interest,

but only ACT confirmed an ability to meet all of DMH's requirements. ACT also referenced prior experience implementing a similar program on a smaller scale in Texas.

Although the other three organizations contacted ASOC for additional information, they later confirmed their inability to provide the Ind CBT Training Program at the magnitude DMH is envisioning, and chose not to apply. Therefore, ACT is the only entity which meets DMH's qualifications to provide the Ind CBT Training to the 1,200 clinicians in the County.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the proposed actions will allow ACT to provide the Ind CBT Training Program countywide, along with consultative services. This training will allow DMH to improve service delivery, throughout the County, to adult consumers ages 18 and older who are living with mental illness. This Agreement is critical to the County's commitment to establish a well-trained workforce of CBT therapists providing this cost-effective EBP to clients dealing with depression, anxiety, and/or trauma within the context of the Affordable Care Act.

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

36.0 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its Sub-Contractors, at any tier, or any owner, officer, partner, director or other principal of any Sub-Contractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its Sub-Contractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

37.0 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal Government, directly or indirectly, in whole or in part, and that Contractor will notify Director within (30) calendar days in writing of: (1) any event that would

require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal Government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its Sub-Contractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit F as part of its obligation under this Paragraph.

/

/

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

14.2 Section 14.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Insurance and/or Indemnification in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

15. OBLIGATIONS OF COVERED ENTITY

15.1 Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the Use or Disclosure of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own Uses and Disclosures accordingly.

15.2 Covered Entity shall not request Business Associate to Use or Disclose Protected Health Information in any manner that would not be permissible under Subpart E of 45 C.F.R. Part 164 if done by Covered Entity, except to the extent that Business Associate may Use or Disclose Protected Health Information as provided in Sections 2.3, 2.5, and 2.6.

16. TERM

16.1 Unless sooner terminated as set forth in Section 17, the term of this Business Associate Agreement shall be the same as the term of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

16.2 Notwithstanding Section 16.1, Business Associate's obligations under Sections 11, 14, and 18 shall survive the termination or expiration of this Business Associate Agreement.

17. TERMINATION FOR CAUSE

17.1 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and the breaching party has not cured the breach or ended the violation within the time

specified by the non-breaching party, which shall be reasonable given the nature of the breach and/or violation, the non-breaching party may terminate this Business Associate Agreement.

17.2 In addition to and notwithstanding the termination provisions set forth in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, if either party determines that the other party has violated a material term of this Business Associate Agreement, and cure is not feasible, the non-breaching party may terminate this Business Associate Agreement immediately.

18. DISPOSITION OF PROTECTED HEALTH INFORMATION UPON TERMINATION OR EXPIRATION

18.1 Except as provided in Section 18.3, upon termination for any reason or expiration of this Business Associate Agreement, Business Associate shall return or, if agreed to by Covered entity, shall destroy as provided for in Section 18.2, all Protected Health Information received from Covered Entity, or created, maintained, or received by Business Associate on behalf of Covered Entity, that Business Associate, including any Subcontractor, still maintains in any form. Business Associate shall retain no copies of the Protected Health Information.

18.2 Destruction for purposes of Section 18.2 and Section 6.1.2 shall mean that media on which the Protected Health Information is stored or recorded has been destroyed and/or electronic media have been cleared, purged, or destroyed in accordance with the use of a technology or methodology specified by the Secretary in guidance for rendering Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals.

18.3 Notwithstanding Section 18.1, in the event that Business Associate determines that any such Protected Health Information is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities, Business Associate may retain that Protected Health Information which is necessary for Business Associate to continue its proper management and administration or to carry out its legal responsibilities and shall return or destroy all other Protected Health Information.

18.3.1 Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information, including continuing to use appropriate safeguards and continuing to comply with Subpart C of 45 C.F.R Part 164 with respect to Electronic Protected Health Information, to prevent the Use or Disclosure of such information other than as provided for in Sections 2.5 and 2.6 for so long as such Protected Health Information is retained, and Business Associate shall not Use or Disclose such Protected Health Information other than for the purposes for which such Protected Health Information was retained.

18.3.2 Business Associate shall return or, if agreed to by Covered entity, destroy the Protected Health Information retained by Business Associate when it is no longer needed by Business Associate for Business Associate's proper management and administration or to carry out its legal responsibilities.

18.4 Business Associate shall ensure that all Protected Health Information created, maintained, or received by Subcontractors is returned or, if agreed to by Covered entity, destroyed as provided for in Section 18.2.

19. AUDIT, INSPECTION, AND EXAMINATION

19.1 Covered Entity reserves the right to conduct a reasonable inspection of the facilities, systems, information systems, books, records, agreements, and policies and procedures relating to the Use or Disclosure of Protected Health Information for the purpose of determining whether Business Associate is in compliance with the terms of this Business Associate Agreement and any non-compliance may be a basis for termination of this Business Associate Agreement and the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, as provided for in Section 17.

19.2 Covered Entity and Business Associate shall mutually agree in advance upon the scope, timing, and location of any such inspection.

19.3 At Business Associate's request, and to the extent permitted by law, Covered Entity shall execute a nondisclosure agreement, upon terms and conditions mutually agreed to by the parties.

19.4 Covered Entity inspects, fails to inspect, or has the right to inspect as provided for in Section 19.1 does not relieve Business Associate of its responsibility to comply with this Business Associate Agreement and/or the HIPAA Rules or impose on Covered Entity any responsibility for Business Associate's compliance with any applicable HIPAA Rules.

19.5 Covered Entity's failure to detect, its detection but failure to notify Business Associate, or its detection but failure to require remediation by Business Associate of an unsatisfactory practice by Business Associate, shall not constitute acceptance of such practice or a waiver of Covered Entity's enforcement rights under this Business Associate Agreement or the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

19.6 Section 19.1 is not intended by the parties to limit in any way the scope of Business Associate's obligations related to Inspection and/or Audit and/or similar review in the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20. MISCELLANEOUS PROVISIONS

20.4 Construction. In the event that a provision of this Business Associate Agreement is contrary to a provision of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order, or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate, the provision of this Business Associate Agreement shall control.

Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of the applicable underlying Agreement, Contract, Master Agreement, Work Order, Purchase Order or other services arrangement, with or without payment, that gives rise to Contractor's status as a Business Associate.

20.5 Regulatory References. A reference in this Business Associate Agreement to a section in the HIPAA Rules means the section as in effect or as amended.

20.7 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity or Business Associate to comply with the requirements of the HIPAA Rules and any other privacy laws governing Protected Health Information.

39.0 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Agreement.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County

Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for the County under the Agreement, the Subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this subparagraph shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate, to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this sub-paragraph of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County agreements for a period of time consistent with the seriousness of the breach.

40.0 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:

The Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in

Exhibit G of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

41.0 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

42.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

43.0 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractor to complete the certification in Exhibit H, the County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach

subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

44.0 COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

45.0 COMPLIANCE WITH APPLICABLE LAW:

45.2 Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all claims, demands, damages, liabilities, losses, costs and expenses, including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 45.0 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by county. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have right to enter into any settlement, agree to any

injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

46.0 COMPLIANCE WITH CIVIL RIGHTS LAWS:

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with Exhibit I - Contractor's Equal Employment Opportunity (EEO) Certification.

47.0 ALTERATION OF TERMS:

No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

48.0 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM:

48.1 This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

48.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

48.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

48.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

49.0 PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor

Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's independent contractor, freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a an independent contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such independent contractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the independent contractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in the sub-paragraph, the term "independent contractor" mean independent contractor at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

51.0 CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.260.

52.0 BACKGROUND AND SECURITY INVESTIGATIONS:

52.1 Each of Contractor's staff performing services under this Agreement who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

52.2 If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

52.3 County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

52.4 Disqualification of any member of Contractor's staff pursuant to this Paragraph 52.0 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

53.0 PUBLIC RECORDS ACT:

53.1 Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 57.0 – Record Retention and Inspection/Audit Settlement of this Agreement; as well as those documents which were required to be submitted in response to any solicitation conducted by the County for any services and/or programs for this Contract, become the exclusive property of the

(Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

(1) County shall notify Contractor upon receipt of a request for such marked documents.

53.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agree to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

INDIVIDUAL COGNITIVE BEHAVIORAL THERAPY TRAINING AND
CONSULTATIVE SERVICES PROGRAM FOR ADULT CONSUMERS
FOR FISCAL YEAR (FY) 2014-15 THROUGH FY 2016-17
WITH AN OPTION TO EXTEND FOR ONE YEAR**

1. OVERVIEW

A. On September 25, 2007, State of California Department of Health Care Services (State) released the Prevention and Early Intervention (PEI) guidelines, the second largest component of the Mental Health Services Act (MHSA). The PEI component of the MHSA requires services to address risk factors prior to the development of mental illness or address early symptoms should a mental illness progress. As such, some PEI programs may focus on preventing disorders while others may seek to inhibit the progression of a disorder as soon as possible. The State guidelines designated priority populations for the PEI component identified as being particularly vulnerable to mental illness and/or at risk of not receiving mental health services due to social, economic, or cultural barriers. These priority populations include:

- Underserved Cultural Populations
- Individuals Experiencing Onset of Serious Psychiatric Illness
- Children/Youth in Stressed Families
- Trauma-exposed
- Children/Youth at Risk for School Failure
- Children/Youth at Risk of or Experiencing Juvenile Justice Involvement

PEI focuses on evidence-based services, education, support, and outreach to help inform and identify those who may be affected by some level of mental health issue.

The utilization of Evidence-Based practices (EBPs) in the mental health field has become an important initiative, with considerable funding directed toward the development, training, and implementation of efficacious treatments in clinical settings.

Changes in health care policy and funding requirements have placed increasing emphasis on best practice guidelines, which include delivery of cost-effective standardized treatments demonstrating positive outcomes designed to improve service quality. Through a Stakeholder process, the Los Angeles County (LAC) Department of Mental Health (DMH) has selected a number of EBPs, research has demonstrated to address certain foci of treatment for adults; including depression, anxiety, and trauma.

B. Background:

Individual Cognitive Behavioral Therapy (Ind CBT) is one of the most frequently utilized EBP, with considerable research supporting its effectiveness and adaptability in clinical practice. Aaron T. Beck, Ph.D, recognized as the father of Cognitive

Behavioral Therapy (CBT), has developed a theory evolved from helping depressed patients recognize their faulty automatic thoughts negatively affecting and influencing their behaviors. Ind CBT integrates the rationale and techniques from both cognitive therapy and behavioral therapy, thereby challenging automatic negative thoughts with more direct methods of behavioral therapy. Ind CBT helps individuals deal with their difficulties by changing their thinking patterns, behaviors, and emotional responses. Treatment focuses on identifying more positive reinforcing thoughts to elicit a more desired behavior. While the effectiveness of Ind CBT has been firmly established in the treatment of a variety of disorders and problems, its history and utility are deeply rooted in the treatment of anxiety and depression symptoms. In contrast to other forms of psychotherapy, Ind CBT aims to quickly resolve these automatic negative thoughts or behaviors without exploring their origins in the client's psychological history. Thus, effective courses of therapy might be as short as a single session, or as long as a lifetime, depending on the specific needs of the individual.

2. Target Population:

The Ind CBT program shall target its services to adult consumers age 18 years and older throughout LAC. Specifically, this EBP will treat transition-age youth dealing with early onset of mental illness; adults facing traumatic experiences which lead to depression, anxiety, or post-traumatic stress disorder; and older adults to prevent or alleviate depressive symptomology. The treatment is intended for adult consumers seeking services to address depression, anxiety, or trauma in an individual or group setting consisting of 18 to 52 weeks of sessions.

3. Scope of Work:

The purpose of this Contract is to build capacity of mental health providers in LAC in delivering Ind CBT for Depression, Anxiety, and Trauma, which is one of the EBP selected as part of the PEI Program. DMH is responding to the increase need to establish Ind CBT as part of the standard of care available to individuals seeking services through the Affordable Care Act. The Academy of Cognitive Therapy, Ltd. (ACT) will provide training and consultative services to qualified clinical staff to DMH contract agencies and directly operated clinics in order to effectively implement the Ind CBT model that DMH is implementing Countywide. Early in 2013, in preparation for Health Care Reform and the continuation of implementing effective PEI EBPs, DMH with its Stakeholders committed to develop a structured CBT Training Program. DMH intends to train 1,200 clinicians across the Countywide network of care in CBT for adult consumers age 18 and older receiving mental health services under the MHSA Community Services and Support (CSS) and PEI Program plans in the following Ind CBT Training protocol focusing on the treatment of depression, anxiety and trauma:

- 1) 3-Day Initial Training (8 hours/day, 100 staff/training)
- 2) 1-Day Booster Training (8 hours/day, 100 staff/training)
- 3) Consultative Services
 - a) Consultation Calls
 - i) 1 call/week, 55 minutes long, 8 staff per call, total of 16 calls.
 - b) Review of 3 audio recordings and 3 case conceptualizations.
 - i) CBT Certified trainers to review each tape recording and use the Cognitive Therapy Rating Scale (CTRS) to determine if the staff meets

adherence (score of 40+).

- ii) CBT Certified trainers to review each case conceptualization and use the Case Review Rating Scale (CRRS) to determine if the staff meets adherence (score of 20+).

DMH intends to train 100 CBT trained clinicians across the countywide network of care as Ind CBT Clinical Champions to provide ongoing consultative services to our clinicians to establish sustainability for this EBP. The Ind CBT Clinical Champions training protocol focuses on the supervision of clinicians providing CBT treating depression, anxiety, and trauma:

- 1) 1-Day Initial Training (5 hours/day, 50 staff/training) to be offered by DMH staff
- 2) Consultative Services
 - a) Consultation Calls
 - i) 1 call/week, 55 minutes long, 5 staff per call, total of 10 calls.
 - b) Review of 1 audio recording and 1 Personal supervisory model.
 - i) CBT Certified trainers to review one tape recording of a supervisory session with a staff member providing CBT and use the CTRS to determine if the clinical champion meets adherence (score of 40+).
 - ii) CBT Certified trainers to review 1 personal supervisory model from Clinical Champion, based on CBT principles, and use the Supervisory Scale to determine if clinical champion meets adherence (score of 20+).
 - c) Ind CBT Clinical Champions must apply for certification through ACT.

In addition to providing the above mentioned two training protocols, ACT shall also perform the following consultative and technical assistance services in order to assist the Adult System of Care (ASOC) Bureau/DMH in providing Ind CBT to our current and new consumers entering the LAC public mental health system:

- 1. ACT shall utilize an online application service to host the weekly consultation calls for each cohort of 100 Ind CBT clinicians.

This website has the infrastructure to coordinate the uploading of the audio files, case conceptualization documents, and training/personnel information for all 1,200 Ind CBT Training applicants.
- 3. While this EBP does not require certification, ACT has approved the process to provide certification to the 1,200 applicants should they opt to become certified in cognitive therapy at the reduce cost of \$100 per certification application. Each applicant has up to three opportunities to apply for certification at the rate of \$100 per certification application. This certification process not required and offered to the clinician to complete on their own time and fiscal responsibility.
- 4. ACT will provide consultative services in several threshold languages; including but not limited to Spanish, Farsi, Korean, Japanese, and Chinese.
- 5. ACT will provide the DMH approved manuals for the Ind CBT Training protocol for 1,200 clinicians:
 - a. Clinician's Guide to Mind Over Mood- Greenberger & Padesky

- 6. ACT will provide the DMH approved manual for the Ind CBT Clinical Champions Training protocol for 50 clinical champions:

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-8723

www.babysafela.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

SUBJECT: **ADVANCE NOTIFICATION OF INTENT TO ENTER INTO A SOLE
SOURCE CONTRACT AGREEMENT WITH THE ACADEMY OF
COGNITIVE THERAPY**

This memo is to comply with the Board of Supervisors Policy Manual, Section 5.100, Sole Source Contracts. It is the Los Angeles County Department of Mental Health's (DMH) intent to enter into sole source contract negotiations with The Academy of Cognitive Therapy, located at 245 N. 15th Street, MS 403/#17302 New College Building/Department of Psychiatry, Philadelphia, PA 19102.

Early in 2013, in preparation for Health Care Reform and the continuation of implementing effective Prevention and Early Intervention (PEI) evidence-based practices (EBP), DMH with its stakeholders committed to develop a structured Cognitive Behavioral Therapy (CBT) training program. DMH intends to train 2,000 clinicians across our countywide network of care in CBT for adult consumers age 18 and older receiving mental health services under the Mental Health Services Act (MHSA) Community Services and Support (CSS) and PEI program plans. The DMH EBP Committee approved the following Individual (Ind) CBT training protocol focusing on the treatment of depression, anxiety, and trauma:

- 1) 3-day initial training and 1-day Booster training
- 2) Consultative Services
 - a) 16 weeks of consultation calls
 - b) Review of 3 audio recordings and 3 case conceptualizations

DMH also approved a sustainability plan to establish 50 Clinical Champions as certified CBT consultants through a train-the-trainer protocol capable of providing the consultative services described above.

Other requirements of this CBT training program include:

- (1) A minimum of 20 CBT certified trainers/consultants available to provide training/consultative services.
- (2) The ability to set up and maintain an online application service to review the summary of Ind CBT training and personnel information for the 2,000 trainees.
- (3) The ability to develop and monitor the HIPAA web site approved by the DMH Chief Information Office Bureau and an infrastructure to coordinate consultative services of the Ind CBT training protocol.
- (4) The ability to provide consultative services in other languages such as Spanish, Armenian, Farsi, and/or those from Asian Pacific Islander ethnic populations.
- (5) Govern and oversight by a board of licensed clinicians, academia, and researchers from the cognitive/cognitive-behavioral specialty.
- (6) Training material based on the key principles of cognitive therapy developed by Aaron T. Beck, M.D., the pioneer of cognitive behavioral therapy.

The entire training protocol will take a maximum of six months in length. DMH seeks to maintain a minimum of four cohorts of 100 staff per six-month period therefore fully implementing the Ind CBT training program over the course of minimally two and a half years. The total contract amount to train 2,000 clinicians and establish a sustainability plan in Ind CBT is \$2,485,800 for Fiscal Year (FY) 2014-2015 to FY 2016-2017 and is fully funded by MHSA CSS and PEI dollars.

The Executive Management Team and the DMH EBP Committee released a solicitation to identify one vendor to provide all the training and consultative services to train 2,000 clinicians in CBT. Adult System of Care (ASOC) Administration utilized four research methods to determine viable organizations: a Google search of current CBT training institutes or organizations with the means to train and certify clinicians in CBT, consultation with the DMH EBP Committee and the members of its Academic Review Panel, consultation with Harbor UCLA CBT team members, and consultation with representatives from the American Psychological Association and California Institute of Mental Health. On July 5, 2013, ASOC sent an email to eight eligible organizations to determine their capability and interest in applying to the solicitation process in addition to providing information on the application process to become eligible to apply to an open solicitation through the County. Four organizations expressed interest; however, only one organization, The Academy of Cognitive Therapy, confirmed the ability to meet all the requirements and had experience implementing a similar program on a smaller scale in Texas. On March 26, 2014, ASOC sent a follow-up email to the remaining three CBT training institutes to determine their interest in applying to the process. Although all three institutes contacted ASOC for additional information, they later confirmed their inability to provide the Ind CBT training program at such a magnitude

and chose not to apply to the solicitation process. Upon completing this process, DMH consulted with County Counsel and confirmed sole source justification was established on April 25, 2014. Therefore, The Academy of Cognitive Therapy is the only entity who meets the qualifications to provide Ind CBT training to the 2,000 clinicians in Los Angeles County.

Unless otherwise instructed by a Board office within two weeks, DMH will proceed with negotiating the sole source contract. DMH will work closely with both the Office of the County Counsel and the Chief Executive Office in preparing a new agreement with The Academy of Cognitive Therapy.
