**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

32 June 4, 2014

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO EXTEND THE REPAYMENT OF DISALLOWED COSTS RESULTING FROM A CONTRACT COMPLIANCE REVIEW OF SAN GABRIEL CHILDREN'S CENTER, INC.  
(SUPERVISORIAL DISTRICT FIVE)  
(3 VOTES)**

**SUBJECT**

Request approval to amend existing Department of Mental Health Legal Entity Agreement with San Gabriel Children's Center, Inc., to extend the repayment period for disallowed costs resulting from the Fiscal Year 2009-10, Fiscal Year 2010-11 and Fiscal Year 2011-12 Contract Compliance Reviews conducted by the County of Los Angeles Auditor-Controller.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Director of Mental Health (Director), or his designee, to extend, for a period not to exceed five months, the recovery period of disallowed costs totaling \$274,906 owed by San Gabriel Children's Center, Inc. (SGCC).
2. Approve and instruct the Director, or his designee, to prepare, sign, and execute an amendment, substantially similar to Attachment , to the existing Department of Mental Health (DMH) Legal Entity (LE) Agreement with SGCC extending the repayment period.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Board approval of the recommended actions will extend the repayment period for disallowed costs resulting from the Fiscal Year (FY) 2009-10, FY 2010-11 and FY 2011-12 Contract Compliance Reviews of SGCC conducted by the County of Los Angeles Auditor-Controller (A-C). SGCC has requested an extension to repay funds over a period not to exceed five months, in

lieu of the three-month repayment period provided in the Legal Entity (LE) Agreement. DMH initiated the repayment process in September 2013 and is seeking Board approval for the completion. SGCC made one payment in September 2013 and another payment in March 2014. SGCC has indicated that the repayment of the balance of funds in one month will have an immediate adverse fiscal impact on their operations and the level and quality of mental health services provided. The requested extension of the repayment period will mitigate this impact.

### **Implementation of Strategic Plan Goals**

The recommended Board actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

### **FISCAL IMPACT/FINANCING**

There is no fiscal impact for this action.

The total amount of disallowed costs from the FY 2009-10, FY 2010-11 and FY 2011-12 Contract Compliance Reviews of SGCC was \$274,906. DMH reduced the amount owed by the FY 2007-08 Settlement payment due to SGCC of \$43,910 and SGCC has repaid \$119,507. The remaining balance of \$111,489 will be repaid by June 30, 2014. The total requested repayment period will not exceed five months.

If approval is not granted, the entire balance of \$111,489 will be due in one monthly payment.

There is no net County cost impact associated with the recommended actions.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

SGCC provides residential and outpatient mental health services to severely emotionally disturbed County consumers up to age 24 across a diverse population. The array of therapeutic mental health services includes a Day Treatment Intensive Program; individual, group and family treatment; therapeutic behavioral services; medication support, targeted case management and wraparound services.

On January 23, 2013, the Department of Mental Health (DMH) notified SGCC that findings of a Contract Compliance Review conducted by the A-C indicated disallowed costs for FY 2009-10, FY 2010-11 and FY 2011-12. Although SGCC subsequently exercised their right to appeal the report findings, the appeal was resolved with a confirmation of the original findings. SGCC affirmed its acceptance of the findings of the aforementioned Contract Compliance Review, and waived any right to further dispute either the findings of the Review or the total amount of the disallowed costs.

The LE Agreement language stipulates that the repayment period for the recovery of any amount due to the County shall not exceed three months. However, SGCC indicated that repaying the disallowed costs in installments over the allowable three months period would be a financial hardship and have an adverse impact on daily operations. To avoid this impact, DMH is requesting your Board's approval to amend the existing DMH LE Agreement with SGCC to allow monthly repayments over a period not to exceed five months. DMH initiated recoupment of funds in September 2013 while negotiating a repayment plan with SGCC and obtaining Board approval. If approval is not granted, the remaining balance will be due in one monthly payment. Such repayments have been and will be in the form of cash payments, deductions from SGCC's monthly

reimbursement of claims or a combination of both. This proposed repayment period provides sufficient time for SGCC to take actions to improve their financial condition without disruption to their current service delivery level.

SGCC has provided DMH with comprehensive financial plans to support the repayment schedule and DMH has verified the reasonableness of the plan's assumptions and projections. There will also be a moratorium on the expansion of current programs, implementation of any new programs, and cash flow advances for SGCC during the repayment period.

The attached amendment format (Attachment) has been approved as to form by County Counsel.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The extension of the repayment period will mitigate an immediate adverse impact on SGCC and its funds, thus avoiding a potential change in the level and quality of services being provided to clients.

Respectfully submitted,

MARVIN J. SOUTHARD, D.S.W.  
Director of Mental Health
