Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

32 June 10, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**APPROVAL TO RENEW A LEGAL ENTITY AGREEMENT
FOR FISCAL YEARS 2014-15 THROUGH 2016-17
WITH TRI-CITY MENTAL HEALTH CENTER
(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

Request approval to renew the existing Legal Entity Agreement with Tri-City Mental Health Center for the provision of continuous and uninterrupted outpatient mental health services to Medi-Cal eligible adults and children residing in Pomona, Claremont, and La Verne.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute a Legal Entity (LE) Agreement, substantially similar to Attachment A, with Tri-City Mental Health Center (Tri-City MHC), to continue its provision of outpatient mental health services to Medi-Cal eligible adults and children residing in Pomona, Claremont, and La Verne, and to pass through federal and state payment of an amount of \$6,186,822, effective July 1, 2014 through June 30, 2015, with two (2) one-year automatic renewal periods through Fiscal Year (FY) 2016-17.
2. Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendments to this LE Agreement, as necessary, provided that 1) there is no increase in the amount of county funds; 2) any increase in federal or state funding will be used to provide additional services or to reflect program and/or Board policy changes; 3) approval of County Counsel, or his designee, is obtained prior to any such amendments; 4) County and Contractor may, by written amendment, mutually agree to reduce programs and/or services and revise the applicable MCA; and

5) the Director, or his designee, notifies your Board and the Chief Executive Officer (CEO) of Agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow DMH to renew the existing LE Agreement with Tri-City MHC, scheduled to expire on June 30, 2014. Renewal of the LE Agreement for Tri-City MHC is necessary to provide continuous, uninterrupted mental health services to Medi-Cal beneficiaries who are residents of the Tri-City area. As discussed in more detail below, the Agreement is similar to the prior agreements with Tri-City MHC. The Agreement only relates to services to Medi-Cal beneficiaries, including the new Medicaid Coverage Expansion population. However, DMH no longer will be escrowing any of amounts due to Tri-City, because DMH believes the Tri-City MHC is not longer at risk for substantial disallowances if audited. The Agreement format also includes any applicable updated and new mandated provisions in accordance with Board policy. In addition, Board approval will allow the Department to amend the agreement as the need arises. The recommended actions will enable Tri-City MHC to continue to provide services to Medi-Cal beneficiaries who are residents of the Tri-City area.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The total estimated cost for FY 2014-15 MCA for Tri-City MHC is \$6,186,822, which is fully funded by Federal Financial Participation (FFP) under Medi-Cal and 2011 Realignment EPSDT revenue. Tri-City MHC will incur the costs for all services it renders, which enables it to make the certification of public expenditure (CPE) required to claim FFP for such services. Tri-City MHC will fund the local match for Medi-Cal services using the Sales Tax Realignment revenue which it receives directly from the State and State Mental Health Services Act (MHSA) revenue which it has also been awarded directly. The County, as the Medi-Cal Mental Health Plan for specialty mental health services, functions as an agent to pass-through federal reimbursement for Medi-Cal services rendered by Tri-City MHC and also those state revenues related to services to children that were realigned in 2011. The Agreement does not provide for Tri-City to receive an annual cash flow advance nor does DMH make payments to Tri-City MHC prior to the County's actual receipt of funds from the State.

Pursuant to the agreement reached during the Bankruptcy, Tri-City has paid off its class 2 creditors and has begun repaying the County some of the amounts owed at the time of Tri-City MHC' bankruptcy. To the extent Tri-City has available revenue at the end of any calendar quarter, the County should continue to receive some payment of the old debt. Year to date, County has received \$953,838 out of \$4,298,009 due from Tri-City MHC.

There is no net County cost associated with these actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Tri-City MHC is a municipal special district organized in 1961 as a joint powers authority by the cities of Pomona, Claremont, and La Verne to provide mental health services to these communities.

Tri-City MHC went into bankruptcy in 2004. Beginning on July 1, 2007 and after Tri-City had reorganized and improved its organization, the County began contracting again with Tri-City MHC for services to Medi-Cal beneficiaries. Tri-City MHC has successfully implemented its contract with DMH and has provided appropriately documented and supported mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed (SED) children, adolescents, and families who are residents of the three cities. The types of supports and services Tri-City MHC offers range from intensive treatments such as Full Service Partnerships (FSP) to Field Capable Clinical Services (FCCS) for Older Adults, Prevention and Early Intervention (PEI), a Wellness Center, and community navigators.

In addition to traditional Medi-Cal populations, Tri-City MHC provides mental health services to individual under the Medicaid Coverage Expansion, authorized by the Patient Protection and Affordable Care Act.

The Agreement requires Tri-City MHC to treat, and take financial responsibility for, non-emergency outpatient mental health services for all residents of the Tri-City areas who are referred to Tri-City MHC for treatment.

The Agreement format has been approved as to form by County Counsel. Clinical and administrative staff of DMH will continue to administer and monitor this LE Agreement, evaluate programs to ensure that quality services are being provided to clients, and ensure that agreement provisions and Departmental policies are being followed.

CONTRACTING PROCESS

Tri-City MHC has an existing LE Agreement with DMH that will expire on June 30, 2014. It is being replaced with a new agreement which updates the existing terms, and includes all new required language, such as: Public Records Act, Security and Background Investigation, Air or Water Pollution Investigation, Time Off for Voting, and Technology Requirements.

The revised Agreement format includes a revised Financial Exhibit which reflects changes from Title XXI State Children's Health Insurance Program (Formerly Healthy Families Program) to Title XXI Medicaid Children's Health Insurance Program. It removes the provisions for withholding and escrowing a portion of the payment received from the State to be used in the event of adverse audit findings. County reviews of Tri-City MHC's documentation and reporting practices suggest that such an escrow account is no longer necessary as Tri-City MHC does not appear to be at risk for substantial audit exceptions. The Agreement format includes provisions recently mandated by your Board include CARD, Technology Requirements, Security and Background Investigation, Air or Water Pollution Requirements, and Time off for Voting.

The attached Agreement format and Financial Exhibit has been approved as to form by County Counsel. The CEO has been advised of the proposed actions.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Honorable Board of Supervisors

6/10/2014

Page 4

The renewal of this Agreement will allow the continued flow of federal and State funds to Tri-City MHC, which provides the residents of Pomona, Claremont, and La Verne with outpatient mental health services. It is the mission and goal of Tri-City MHC to understand the needs of consumers and their families and to provide high quality culturally competent mental health services, prevention, and education to the low income, mentally ill residents of this area.

A. Initial Period: The Initial Period of this Agreement shall commence on July 1, 2014 and shall continue in full force and effect through June 30, 2015.

B. Automatic Renewal Period(s): After the Initial Period, this Agreement shall be automatically renewed two additional periods without further action by the parties hereto unless either party desires to terminate this Agreement at the end of either the Initial Period or First Automatic Renewal Period and gives written notice to the other party not less than 30 calendar days prior to the end of the Initial Period or the end of the First Automatic Renewal Period, as applicable.

D. Contractor Alert Reporting Database (CARD): The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

2. **TERMINATION WITHOUT CAUSE:** This Agreement may be terminated by either party at any time without cause by giving at least 30 calendar days prior written notice to the other party. Any termination of this Agreement by County pursuant to this Paragraph 2 shall be approved by County's Board of Supervisors.

3. **IMMEDIATE TERMINATION BY COUNTY:**

A. In addition to any other provisions for termination provided in this Agreement, this Agreement may be terminated by County immediately if County determines that:

(1) Any Federal and/or State funds are not available for this Agreement or any portion thereof; or

2) Contractor has failed to comply with any of the provisions of Paragraphs 18 (NONDISCRIMINATION IN SERVICES), 19 (NONDISCRIMINATION IN EMPLOYMENT), 21 (INDEMNIFICATION AND INSURANCE), 22 (WARRANTY AGAINST CONTINGENT FEES), 23 (CONFLICT OF INTEREST), 28 (DELEGATION AND ASSIGNMENT), 29 (SUBCONTRACTING), 34 (CHILD SUPPORT COMPLIANCE PROGRAM), 46 (CERTIFICATION OF DRUG-FREE WORK PLACE), 52 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM) and/or 61 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM); or

(4) In accordance with Paragraphs 35 (TERMINATION FOR INSOLVENCY), 36 (TERMINATION FOR DEFAULT), 37 (TERMINATION FOR IMPROPER CONSIDERATION), 47 (COUNTY LOBBYISTS), and/or 62 (TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM).

B. In the event that this Agreement is terminated, including termination as provided for in Paragraph 2 (TERMINATION WITHOUT CAUSE), then:

(1) On or after the date of the written notice of termination, County, in its sole discretion, may stop all payments to Contractor hereunder until preliminary settlement based on the Annual Cost Report. Contractor shall prepare an Annual Cost Report in accordance with the terms of the Financial Exhibit A.

(2) Upon issuance of any notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all patients/clients receiving services under this Agreement to other agencies for continuing services in accordance with the patient's/client's needs. Such plans shall be subject to prior written approval of Director or his designee, except that in specific cases, as determined by Contractor, where an immediate patient/client transfer or referral is indicated, Contractor may make an immediate transfer or referral. If Contractor terminates this Agreement, all costs related to all such transfers or referrals as well as all costs related to all continuing services shall not be a charge to this Agreement nor reimbursable in any way under this Agreement.

4. **ADMINISTRATION:** The Director of Mental Health (Director) shall have the authority to administer this Agreement on behalf of the County. All references to the actions or decisions to be made by the County in this Agreement shall be made by the Director unless otherwise expressly provided.

A. The Director may designate one or more persons to act as his/her designee for the purposes of administering this Agreement. Therefore "Director" shall mean "Director and/or his/her designee."

B. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

5. **DESCRIPTION OF SERVICES/ACTIVITIES:** Contractor shall provide those mental health services identified on the Financial Summary and Service Exhibit(s) of this Agreement and as described in the Contractor's Negotiation Package for this Agreement, as approved in writing by Director. The quality of services provided by Contractor shall be the same regardless of the patient's/client's ability to pay or source of payment.

Besides any other obligations imposed by law to provide services to residents of the Tri-City area, Contractor shall be responsible for delivery services covered by this Agreement to clients who are residents of the Tri-City area who are eligible for Medi-Cal specialty mental health services. To the extent Tri-City determines that services to new Medi-Cal eligible clients can not be initiated, Contractor shall provide 30 calendar days prior written notice to County. The parties will immediately begin negotiation on the disposition of new clients seeking services; however, until such time as an alternative disposition of such clients can be agreed to. Contractor remains financially liable for such care. Contractor shall have no responsibility for any clients, whether Medi-Cal eligible or other, who are not referred to Tri-City for services. Contractor may provide mental health services claimable as Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services.

If, during Contractor's provision of services under this Agreement, there is any need for substantial deviation from the services as described in Contractor's Negotiation Package for this Agreement, as approved in writing by Director including any addenda thereto as approved in writing by Director, then Contractor shall submit a written request to Director for written approval before any such substantial deviation may occur. A 30% variance of actual services from those projected and shown by Contractor in the Negotiation Package will be considered a substantial deviation in service delivery.

6. **FINANCIAL PROVISIONS:** In consideration of services and/or activities provided by Contractor, County shall reimburse Contractor in the amount and manner described in Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS) attached thereto and by this reference incorporated herein.

7. **COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:**

Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates the State and federal funds for purposes hereof, in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

8. **STAFFING:** Throughout the term of this Agreement, Contractor shall staff its operations so that staffing approximates the type and number indicated in Contractor's Negotiation Package for this Agreement and as required by WIC and CCR.

A. Staff providing services under this Agreement shall be qualified and shall possess all appropriate licenses in accordance with WIC Section 5751.2 and all other applicable requirements of the California Business and Professions Code, WIC, CCR, Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, SDMH Policy Letters, DHCS Policy Letters, and shall only function within the scope of practice as dictated by licensing boards/bodies.

B. If, at any time during the term of this Agreement, the Contractor has a sufficient number of vacant staff positions that would impair its ability to perform any services under the Agreement, Contractor shall promptly notify Director of such vacancies.

C. At all times during the term of this Agreement, Contractor shall have available, and shall provide, upon request to authorized representatives of County, a list of all persons by name, title, professional degree, language capability(ies), and experience, who are providing any services under this Agreement.

9. **STAFF TRAINING AND SUPERVISION:** Contractor shall institute and maintain an in-service training program of treatment review and case conferences in which all its professional, para-professional, intern, student and clinical volunteer personnel shall

participate. Contractor shall institute and maintain appropriate supervision of all persons providing services under this Agreement with particular emphasis on the supervision of para-professionals, interns, students, and clinical volunteers in accordance with Departmental clinical supervision policy. Contractor shall be responsible for the provision of mandatory training for all staff at the time of initial employment and on an ongoing basis as required by federal and State law, including but not limited to HIPAA and Sexual Harassment, and for the training of all appropriate staff on the Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, and other State and County policies and procedures as well as on any other matters that County may reasonably require.

Contractor shall document and make available upon request by the federal, State and/or County the type and number of hours of training provided to Contractor's officers, employees, agents, and subcontractors.

10. **PROGRAM SUPERVISION, MONITORING AND REVIEW:**

A. Pursuant to WIC Section 5608 and CCR Title 9, Section 521, all services hereunder shall be provided by Contractor under the general supervision of Director. Director shall have the right to monitor and specify the kind, quality, appropriateness, timeliness, and amount of services, and the criteria for determining the persons to be served.

B. Upon receipt of any contract monitoring report pertaining to services/activities under this Agreement, Contractor shall respond in writing to person(s) identified and within the time specified in the contract monitoring report. Contractor shall, in its written response, either acknowledge the reported deficiencies or present additional evidence to dispute the findings. In addition, Contractor must submit a plan for immediate correction of all deficiencies.

C. In the event of a State audit of this Agreement, if State auditors disagree with County's official written instructions to Contractor in its performance of this Agreement, and if such disagreement results in a State disallowance of any of Contractor's costs hereunder, then County shall be liable for Contractor's disallowed costs as determined by State.

D. To assure compliance with this Agreement and for any other reasonable purpose relating to performance of this Agreement, and subject to the provisions of State and federal law, authorized County, State, and/or federal representatives and designees shall have the right to enter Contractor's premises (including all other places where duties under this Agreement are being performed), with or without notice, to: inspect, monitor and/or audit Contractor's facilities, programs and procedures, or to otherwise evaluate the work performed or being performed; review and copy any records and supporting documentation pertaining to the performance of this Agreement; and elicit information regarding the performance of this Agreement or any related work.

The representatives and designees of such agencies may examine, audit and copy such records at the site at which they are located. Contractor shall provide access to facilities and shall cooperate and assist County, State, and/or federal representatives and designees in the performance of their duties. Unless otherwise agreed upon in writing, Contractor must provide specified data upon request by County, State, and/or federal representatives and designees within three (3) business days.

11. **PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor shall comply with all applicable federal, State, and County policies and procedures relating to performance standards and outcome measures, including but not limited to those performance standards and outcome measures required by specific federal or State rules for entities receiving their funding. Examples of such performance standards and/or outcome measures include, but are not limited to those identified in Attachment IX; as well as performance standards and/or outcomes measures related to the Patient Protection and Affordable Care Act (ACA).

Performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by Contractor.

12. **QUALITY MANAGEMENT PROGRAM:**

A. Contractor shall establish and maintain a Quality Management Program. Contractor's written Quality Management Program shall describe its quality assurance, quality improvement and utilization review structure, process, decisions, actions and monitoring, in accordance with the Department's Quality Improvement Program Policy No. 105.1, to ensure that the quality and appropriateness of care delivered to clients of

the mental health system meets or exceeds the established County, State, and federal service standards and complies with the standards set by the DHCS through the Performance Contract and/or Mental Health Plan Agreement.

B. The Contractor's Quality Management Program shall be consistent with Department's Quality Improvement Program Policy No. 105.1 including the Department's Quality Improvement Work Plan and participation in Service Area Quality Assurance and Quality Improvement Committee meetings as outlined in Policy No. 105.1.

C. The Contractor's Quality Management Program shall be consistent with the Department's Cultural Competency Plan.

D. The Contractor's level of performance under this Agreement shall be evaluated by the County no less than annually. Contractor's failure to meet performance standards may place Contractor's Agreement in jeopardy; performance deficits that are not remedied by Contractor will be reported to the Board of Supervisors. The report shall include improvement/corrective action measures taken by the County and Contractor. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing

Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to subcontractors of County Contractors.

52. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:** Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Attachment VI (Attestation Regarding Federally Funded Program) as part of its obligation under this Paragraph 53.

Contractor shall also comply with DMH Policy "Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts" which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three (3) business

days should DMH or its representatives request it related to sanction list screening compliance.

Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

53. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:**

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996, its implementing regulations (HIPAA), and subtitle D, Privacy, of the Health Information Technology for Economic and Clinical Health Act (HITECH). Contractor understands and agrees that it is a "*Covered Entity*" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA and HITECH, and that such obligations relate to *transactions and code sets, privacy, and security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA and HITECH in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA or HITECH, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA and HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA or HITECH.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County has a Guide to Procedure Codes available at <http://lacdmh.lacounty.gov/hipaa/index.html> which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(2) County has an electronic Data Interchange (EDI) Agreement forms available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm which includes information about the applicable HIPAA transactions that can be processed in the County's Integrated System (IS) and the Integrated Behavioral Health Information System (IBHIS) respectively.

(3) Contractor acknowledges that County is transitioning from the IS to IBHIS in which clinical, demographic, administrative, financial, claims, outcomes, and other information will be exchanged between DMH and contract providers exclusively through the use of EDI transactions.

(4) As County defines standard formats for each EDI transaction and determines the method by which each transaction is to be exchanged between Contractor and County, County shall notify Contractor of the effective date(s) by which Contractor shall be required to implement each newly defined Edi transaction through County's release of revised Companion Guides no less than 180 days prior to the effective date(s) upon which each newly defined EDI transaction is required, unless earlier effective date(s) are imposed by law or regulation.

(5) Contractor acknowledges that County may modify EDI transactions as needed, County shall notify Contractor of the effective date(s) by which Contractor shall be required to comply with each modified EDI transaction in accordance with County's revised EDI transaction requirements through County's release of revised Companion Guides no less than 90 days prior to the effective date(s) of each modified EDI transaction.

(6) Contractor agrees to comply with the exchange of all EDI transactions specified by County and the method by which these transactions are to be

exchanged between Contractor and County as of the effective date(s) specified by County.

(7) County has Trading Partner Agent Authorization Agreements available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm which includes the Contractor's authorization to its Agent(s) to submit HIPAA-compliant transactions on behalf of Contractor to the IS and IBHIS respectively.

E. Contractor understands that County operates an informational website <http://dmh.lacounty.gov/wps/portal/dmh> related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreements (TPA) available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

54. **TECHNOLOGY REQUIREMENTS:**

A. Contractor shall acquire, manage, and maintain Contractor's own information technology and systems and/or services in order to meet all functional and EDI transaction requirements as specified by County.

B. Contractor shall ensure that all individuals using electronic methods to sign electronic health records in the performance of work specified under this Agreement complete an Electronic Signature Agreement annually.

(1) Contractor shall maintain a copy of each Electronic Signature Agreement and make them available for inspection by County upon request.

(2) Contractor shall submit to County a Legal Entity Electronic Signature Certification to certify compliance with this provision of this Agreement. Contractors who implement electronic methods to sign electronic health records subsequent to the execution of this Agreement shall submit to County a Legal Entity Electronic Signature Certification immediately upon implementation.

(3) County has a Legal Entity Electronic Signature Certification and a sample Electronic Signature Agreement available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html

55. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the

County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

56. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY**

LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at **www.babysafela.org** for printing purposes.

57. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:**

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

58. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45**

C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

59. **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:**

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment VIII, the County

seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers.

A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

60. **FORCE MAJEURE:**

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

61. **CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:** Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden

otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

62. **TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM:**

Failure of Contractor to maintain compliance with the requirements set forth in this Paragraph 61 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM) shall constitute default under this contract.

Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

63. **PUBLIC RECORDS ACT:**

A. Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and accounting records pursuant to Paragraph 13 – Record and Audits of this Agreement; as well as those documents which were required to be submitted in response to any solicitation conducted by the County for any services and/or programs for this Contract, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade Secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

(1) County shall notify Contractor upon receipt of a request for such marked documents.

B. In the event the County is required to defend an action on a Public Records Act request, following notification to Contractor, for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade

secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

64. **SECURITY AND BACKGROUND INVESTIGATION:**

A. All Contractor staff performing services under this Contract, who are in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State, local, and federal-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

B. If a member of Contractor's staff does not pass the background investigation, County may request that the member of the Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

C. County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

D. Disqualification of any member of Contractor's staff pursuant to this Paragraph 65 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

65. **AIR OR WATER POLLUTION REQUIREMENTS:** Unless specifically exempted under federal law, any federally funded Legal Entity Agreement and/or any subcontracts in excess of \$100,000 must comply with the following provisions:

A. Contractor agrees to comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act [42 U.S.C. 1857(h)],

section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection regulations (40 CFR Chapter 1).

B. Institutions of higher education, hospitals, nonprofit organizations and commercial business agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

66. **TIME OFF FOR VOTING:** The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

LEGAL ENTITY AGREEMENT FY2014-17

1 FINANCIAL EXHIBIT A
2 FINANCIAL PROVISIONS
3

4 **A. GENERAL**

5 (1) The County shall pay Contractor in arrears for eligible services
6 provided under this DMH Legal Entity Agreement and in accordance with the terms of this
7 Financial Exhibit A (FINANCIAL PROVISIONS) up to the amounts identified for each
8 Funded Program as shown in the Financial Summary and as otherwise may be limited
9 under this DMH Legal Entity Agreement and the attachments thereto, including but not
10 limited to this Financial Exhibit A (FINANCIAL PROVISIONS) and the Financial Summary.

11 (a) For the purposes of the Agreement, a "Funded Program" is a
12 set of services paid through a particular funding source for the benefit of a specific
13 beneficiary (e.g., Medi-Cal or Non-Medi-Cal) as identified on a row on the Financial
14 Summary.

15 (b) For the purposes of the Agreement, the "Funded Program
16 Amount" is the amount identified in the last column of the Financial Summary for each
17 Funded Program.

18 (c) The Contractor understands and agrees that the Medi-Cal
19 Funded Program Amount(s) in the Financial Summary is provided based on Contractor's
20 ability to provide specific services and/or serve specific populations as specified in the
21 Negotiation Package, which may include but are not limited to, Medi-Cal beneficiaries
22 eligible under Early and Periodic, Screening, Diagnosis, and Treatment (EPSDT)
23 Program; traditional Medi-Cal beneficiaries, who are individuals with low income and
24 resources such as children and families, pregnant women, seniors, and persons with
25 disabilities; and Medi-Cal beneficiaries under the coverage expansion authorized by the
26 Affordable Care Act, all of whom are eligible for services under the Title XIX Short-
27 Doyle/Medi-Cal Program. Therefore, Contractor shall ensure access and provision of a full
28 array of Specialty Mental Health Services to all eligible beneficiaries based on client needs
29 as set forth in the Negotiation Package under this Agreement.

30 (2) This Agreement shall only cover SD/MC services.

31 (3) Contractor shall comply with requirements necessary for
32 reimbursement as established by federal, State and local statutes, laws, ordinances, rules,

1 regulations, manuals, policies, guidelines and directives.

2 **B. LIMITATIONS ON MAXIMUM REIMBURSEMENT**

3 (1) The total maximum reimbursement that will be paid by County to
4 Contractor under this Agreement shall be, in no event, more than the Maximum Contract
5 Amount (MCA) for the Initial Period, First Automatic Renewal Period and the Second
6 Automatic Renewal Period, respectively, of this Agreement.

7 (a) In addition to the general limitation of Subparagraph (1) of this
8 Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT), in no event shall the
9 maximum reimbursement that will be paid by County to Contractor under this Agreement
10 for any Funded Program be more than the amount identified as the Funded Program
11 Amount for each Funded Program, as provided on the Financial Summary for the Initial
12 Period, First Automatic Renewal Period and the Second Automatic Renewal Period,
13 respectively, of this Agreement.

14 (2) Contractor shall immediately provide written notice to the County
15 when, based on the Contractor's own internal records, it has billed for services/activities
16 under this Agreement in an amount equal to seventy-five (75) percent of the total MCA or
17 seventy-five (75) percent of any Funded Program Amount during the Initial Period, First
18 Automatic Renewal Period or the Second Automatic Renewal Period of this Agreement.

19 (a) Contractor shall send such notice to those persons and
20 addresses which are set forth in the DMH Legal Entity Agreement, Paragraph 67
21 (NOTICES).

22 (b) Failure of Contractor to comply with Subparagraph (2) of this
23 Paragraph B (LIMITATIONS ON MAXIMUM REIMBURSEMENT) will be considered a
24 breach of this Agreement.

25 (3) Except as otherwise provided in this Agreement, the total MCA
26 and/or the Funded Program Amount(s) for any of the periods specified in this Financial
27 Exhibit A (FINANCIAL PROVISIONS), Paragraphs C (REIMBURSEMENT FOR INITIAL
28 PERIOD) and D (REIMBURSEMENT IF AGREEMENT IS AUTOMATICALLY RENEWED)
29 may not be increased or decreased without a properly executed amendment to this
30 Agreement. In case of an administrative amendment, such administrative amendment
31 may be executed by Director under delegated authority from the Board of Supervisors

without prior approval of County Counsel. Such administrative amendment may be initiated by the County, with Contractor's written consent. Contractor's signature will be required to make such administrative amendment effective.

C. REIMBURSEMENT FOR INITIAL PERIOD: The MCA for the Initial Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed **SIX MILLION ONE HUNDRED EIGHTY SIX THOUSAND EIGHT HUNDRED TWENTY TWO DOLLARS (\$6,186,822)** and shall consist of 2011 Realignment/Behavioral Health and/or federal funds as shown on the Financial Summary.

D. REIMBURSEMENT IF AGREEMENT IS AUTOMATICALLY RENEWED:

(1) Reimbursement For First Automatic Renewal Period: The MCA for the First Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed **SIX MILLION ONE HUNDRED EIGHTY SIX THOUSAND EIGHT HUNDRED TWENTY TWO DOLLARS (\$6,186,822)** and shall consist of 2011 Realignment/Behavioral Health and/or federal funds as shown on the Financial Summary.

(2) Reimbursement For Second Automatic Renewal Period: The MCA for the Second Automatic Renewal Period of this Agreement as described in Paragraph 1 (TERM) shall not exceed **SIX MILLION ONE HUNDRED EIGHTY SIX THOUSAND EIGHT HUNDRED TWENTY TWO DOLLARS (\$6,186,822)** and shall consist of 2011 Realignment/Behavioral Health and/or federal funds as shown on the Financial Summary.

E. REIMBURSEMENT BASIS

(1) Reimbursement Rates for Mental Health Services: For mental health services claimed and billed through the County's claims processing information system, and except as further limited elsewhere in this Agreement, Contractor will utilize provisional rates based on a Cost Reimbursement methodology under this Agreement.

(a) Contractor shall calculate its requested rates in accordance with the terms and limitations set forth in DMH Policy, *Provisional Rate Setting*, and the parties shall agree in advance on the amount of the provisional rates.

(b) Requested rates for services provided under this Agreement shall be uniform and will apply to all similar services regardless of Funded Program.

(d) All rates are subject to prior review and approval of the County consistent with the DMH Policy, *Provisional Rate Setting*.

1 (2) (a) In order to provide cash flow to Contractor, County shall make
2 provisional payments, until such time as final reimbursement for the fiscal period is
3 determined pursuant to the provisions of this Financial Exhibit A (FINANCIAL
4 PROVISIONS). Except as provided in Paragraph S (PUBLIC ENTITY STATUS) below,
5 the provisional payments for services provided by Contractor pursuant to this Agreement
6 shall be equal to the amount of Federal Financial Participation (FFP) and 2011
7 Realignment/Behavioral Health reimbursement, if any, paid by the State, based on claims
8 submitted and certified by Contractor.

9 (b) It is the parties' understanding that State payment for each unit
10 of service shall be based on 100% of the provisional rate for such service designated by
11 the County to the State.

12 (c) Contractor may request, as outlined in DMH Policy, Provisional
13 Rate Setting, revisions to one or more of the provisional rates. Based on the
14 documentation supplied by the Contractor, or such other factors as may reasonably be
15 considered, the County will grant or deny such request or, after discussion with Contractor,
16 modify it. Changes to the provisional rate do not require an amendment to this
17 Agreement.

18 (d) The Contractor shall have, for each service it provides, a
19 published charge, which it will set at its own discretion, and with the understanding that
20 such published charge may act as a limitation on its allowable payment under this
21 Agreement as specified in Subparagraph 6(a)(ii) of Paragraph F (BILLING AND
22 PAYMENT PROCEDURES AND LIMITATIONS).

23 **F. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS:**

24 (1) County payments to Contractor for performance of eligible services
25 hereunder are:

26 (a) Provisional until the completion of all settlement activities and
27 audits, as such payments are subject to future County, State and/or federal adjustments.
28 State and/or County adjustments to provisional payments to Contractor may result from
29 County's claim processing information system data, State adjudication of Medi-Cal claims
30 files, contractual limitations of this Agreement, annual cost report, application of various
31 County, State and/or federal reimbursement limitations, application of County, State,

1 and/or federal policies, procedures, and regulations, and/or County, State or federal
2 audits, all of which take precedence over monthly reimbursements. County and
3 Contractor acknowledge that the references in this Paragraph F (BILLING AND PAYMENT
4 PROCEDURES AND LIMITATIONS) represent examples only and are not intended, nor
5 shall be construed, to represent all of the circumstances or conditions that may result in
6 adjustments to provisional payments.

7 (b) To be made by County using the business rules as shown in
8 this Financial Exhibit A (FINANCIAL PROVISIONS) and Funded Program Amount(s) in the
9 Financial Summary(ies) (Attachment III) for each of the respective State and/or federal
10 funding sources(s).

11 (c) Restricted to the services identified in the Service Exhibits
12 (Attachment IV).

13 (d) Applied at the Legal Entity level.

14 (2) Contractor acknowledges and agrees that County's final payment to
15 Contractor for Title XIX SD/MC services is contingent on payment from the State and
16 federal governments and that County's provisional payment for said services does not
17 render County in any way responsible for payment of, or liable for, Contractor's claims for
18 payment for these services. Contractor's ability to retain payment for such services is
19 entirely dependent upon Contractor's compliance with all laws and regulations related to
20 such services.

21 (3) Claims Certification and Program Integrity: Contractor certifies that all
22 units of service entered by Contractor into the County's claims processing system covered
23 by this Agreement will be true and accurate to the best of Contractor's knowledge. In
24 addition, Contractor's Executive Director (or equivalent position) shall certify, using the
25 form at Exhibit A-1 to this Attachment II, for each batch of claims submitted to the County,
26 that all such claims have been individually reviewed for completeness and accuracy, and
27 that to best of his knowledge and belief, (i) medical necessity exists for the services
28 claimed, (ii) that a timely service plan which includes the specific service claimed has been
29 prepared for the beneficiary, (iii) that an adequate progress note reflecting the service
30 claimed as well as all other necessary information exists, and (iv) that the services meet
31 the federal, State and County requirements for coverage and reimbursement under the

SD/MC program. Further, Contractor shall annually provide the additional certification set forth in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal Reimbursements" (Exhibit A-2 to this Attachment II) related to the Contractor's compliance with specific State and federal statutory and regulatory requirements which are conditions for the reimbursement of Title XIX SD/MC claims. Contractor understands and acknowledges that the County will be relying on the accuracy of the representations in these certifications in submitting claims to the State, which will make claims to the federal government, and that intentional or reckless mis-certification could create false claims liability for Contractor.

(4) Submission of Bills:

(a) Claims for SD/MC are to be entered into the County's claims processing information system within nine (9) months of the end of the month in which mental health services are delivered, except as otherwise provided in this Paragraph F (BILLING AND PAYMENT PROCEDURES AND LIMITATIONS).

(b) Notwithstanding Subparagraph (4) (a) of this Paragraph F (BILLING AND PAYMENT PROCEDURES AND LIMITATIONS), claims may be submitted after the ninth month following the date of service where there is good cause justification. Good cause justification for late claim submission is governed by applicable federal and State laws and regulations and is subject to approval by the State and/or County.

(c) Contractor shall, as soon as practicable, notify County of any delay in meeting the nine-month submission period in the event Contractor is not able to make timely data entry into the County's claims processing information system due to no fault on the part of Contractor. Such Contractor notification should be immediate upon Contractor's recognition of the delay and must include a specific description of the problem that the Contractor is having with the County's claims processing information system. Notification shall be pursuant to the DMH Legal Entity Agreement, Paragraph 67 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief Information Office Bureau's Help Desk.

(d) The County will notify Contractor in writing as soon as practicable of any County issue(s) which will prevent the entry by Contractor of claiming information into the County's claims processing information system, and County will waive

1 the requirement of Subparagraphs (4) (a) of this Paragraph F (BILLING AND PAYMENT
2 PROCEDURES AND LIMITATIONS) in the event of any such County issue(s). Once
3 County has notified Contractor that its issues are resolved, Contractor shall enter billing
4 information into the County's claims processing information system within thirty (30)
5 calendar days of County's notice date unless otherwise agreed to by County and
6 Contractor.

7 i. To the extent that issues identified pursuant to
8 Subparagraph (4) (d) of this Paragraph F (BILLING AND PAYMENT PROCEDURES AND
9 LIMITATIONS) require that Contractor modify its procedures for entering claims into the
10 County's claims processing information system, Contractor shall consult with County
11 regarding a reasonable time required to implement such modifications and, upon approval
12 by County, the thirty (30) calendar days required by Subparagraph (4) (d) of this
13 Paragraph F (BILLING AND PAYMENT PROCEDURES AND LIMITATIONS) shall be
14 extended by the amount of time required to implement such modifications. Such
15 reasonable time must comply with State and federal Medi-Cal claims submission time
16 frames.

17 (e) County may modify the County's claims processing information
18 system at any time in order to comply with changes in, or interpretations of, State or
19 federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify
20 Contractor in writing of any such modification and the reason, if known, for the modification
21 and the planned implementation date of the modification. To the extent that such
22 modifications create a delay in Contractor submitting claims into the County's claims
23 processing information system for a period of time, the timelines under this Paragraph F
24 (BILLING AND PAYMENT PROCEDURES AND LIMITATIONS) shall be extended for the
25 period determined by County which is reasonably based on the time the system is inactive.

26 (5) After the State's approval of the monthly claim(s), and County's
27 receipt and disposition of revenue for such claims, Contractor shall receive from County
28 provisional payment of Contractor's claimed amount. County shall make good faith effort
29 to make such provisional payments as soon as possible, subject to the limitations and
30 conditions specified in this Agreement, but no more than thirty (30) calendar days after
31 receipt from State and disposition by County.

1 (6) Contractor acknowledges and agrees that County, in undertaking the
2 processing of claims and payment for services rendered under this Agreement does so as
3 the Mental Health Plan for the Medi-Cal Program.

4 (7) County shall have no liability for Contractor's failure to comply with the
5 time frames established under this Agreement and/or State and federal time frames,
6 except to the extent that such failure was through no fault of Contractor.

7 (8) Reimbursement Methodologies: County agrees that aggregate final
8 compensation for services under this Agreement will be based on the following, less any
9 Contractor-provided local match, all fees paid by or on behalf of patients/clients receiving
10 services hereunder and all other revenue, interest and return resulting from services,
11 and/or funds advanced by County to Contractor hereunder, unless otherwise specified in
12 this Agreement.

13 (a) Cost Reimbursement (CR): Final reimbursement shall be
14 based upon the Contractor's allowable actual costs incurred in providing the mental health
15 services reflected in State approved Medi-Cal 835 claims file(s), and County's analysis of
16 the claim's reasonableness subject to the limitations specified in this Financial Exhibit A
17 (FINANCIAL PROVISIONS).

18 i. Reasonable, necessary and proper actual costs will be
19 considered allowable, subject to the limitations specified in this Agreement. The Centers
20 for Medicare and Medicaid Services' Publications #15-1 and #15-2, "The Provider
21 Reimbursement Manual Parts 1 and 2" is to be used to determine allowable costs for
22 federal funds reimbursements. For non-federal funds, allowable costs shall be governed
23 by State law, regulations and/or policy.

24 ii. Additionally, reimbursement for Medi-Cal funded cost
25 reimbursed services is limited to the lowest of:

26 1. The Contractor's published charge(s) to the
27 general public; unless the Contractor is a Nominal Charge Provider. This federal
28 published charges rule is applicable only for outpatient, rehabilitative, case management
29 and 24-hour services.

30 2. The Contractor's actual reasonable and
31 necessary costs. To the extent required by the State of California, reasonable and

necessary administrative expenses will be limited to fifteen (15) percent of direct service costs.

3. The Maximum Contract Amount (MCA) of this Agreement.

4. The Funded Program Amount for each Funded Program, as provided on the Financial Summary

(b) All monthly claims shall be subject to adjustment based upon the County's claims processing information system reports, remittance advices and State 835 Medi-Cal data, and/or Contractor's annual Cost Report which shall supersede and take precedence over all claims.

(c) Adjustment of Claims for Agreement Compliance: Director, in his sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor is not paid by County a sum in excess of the amount due to Contractor under the terms and conditions of this Agreement. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than the amount that would be calculated using Contractor's provisional rates, denying claims for payment, holding claims for Medi-Cal services from being forwarded for adjudication by the State, withholding payment of certain claims, and/or demanding repayment from Contractor.

i. Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action. Thereafter, Contractor may, within fifteen (15) calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations which supports its determination that such actions were necessary, including any amount(s) held, denied, or reduced.

ii. Upon receiving a request for reconsideration from Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the

1 circumstances that led the County to take such actions and may propose a date for
2 submitting the complete and correct data.

3 iii. Within fifteen (15) calendar days of said meeting,
4 County shall, in writing, notify Contractor, of its final decision. The decision of the Director
5 will be final.

6 (d) Director shall have the option to deny payment for services
7 when documentation of clinical work does not meet minimum State and County written
8 standards. Director shall provide Contractor with at least 30 calendar days' written notice
9 of his intention to deny payment, including the reason(s) for his intended actions.
10 Thereafter, Contractor may, within 15 calendar days, request reconsideration of the
11 County's decision. Payment to Contractor shall not be withheld pending the results of the
12 reconsideration process.

13 (9) Suspension of Payment:

14 (a) Payments to Contractor may be suspended if Director, for
15 good cause, determines that Contractor is in default under any of the provisions of this
16 Agreement. Except in cases of alleged fraud or similar intentional wrongdoing or a
17 reasonable good faith determination of pending insolvency, at least thirty (30) calendar
18 days' notice of such suspension shall be provided to Contractor, including a statement of
19 the reason(s) for such suspension. In making such good faith determination of pending
20 insolvency, County shall not consider any liability related to Contractor's 2004 bankruptcy
21 filing.

22 i. Contractor may, within fifteen (15) calendar days,
23 request reconsideration of Director's decision to suspend payment. Suspension of
24 payment to Contractor shall not take effect pending the results of such reconsideration
25 process.

26 ii. Upon receiving a request for reconsideration from
27 Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with
28 Contractor to consider Contractor's request to reconsider its action. At said meeting,
29 Contractor may present to the County information or documentation relevant to the
30 circumstances that led the County to take such actions and may propose alternative
31 actions.

1 iii. Within fifteen (15) calendar days of said meeting,
2 County shall, in writing, notify Contractor of its final decision. The decision of the Director
3 will be the final administrative decision.

4 (b) Because payments to Contractor will be suspended if 2011
5 Realignment/Behavioral Health or federal funds are unavailable for payment of such
6 claims, Director shall immediately notify Contractor upon receiving notification of
7 unavailability of funds from the State for payment on such claims.

8 (10) No Payment for Services Provided Following Expiration/Termination
9 of Agreement: Contractor shall have no claim against County for payment of any money,
10 or reimbursement of any kind whatsoever, for any service provided by Contractor after the
11 expiration or other termination of this Agreement or relating to any terminated portion
12 thereof. Should Contractor receive any such payment, it shall immediately notify County
13 and shall immediately repay all such funds to County. Payment by County for services
14 rendered after expiration/termination of this Agreement shall not constitute a waiver of
15 County's right to recover such payment from Contractor. This provision shall survive the
16 expiration or other termination of this Agreement.

17 (11) Contractor agrees to hold harmless both the State and beneficiary in
18 the event County cannot or will not pay for services performed by Contractor pursuant to
19 this Agreement.

20 **G. GENERAL ADMINISTRATION REQUIREMENTS FOR TITLE XIX SHORT-**
21 **DOYLE/MEDI-CAL:**

22 (1) Short-Doyle/Medi-Cal is California's mental health designation for
23 federal Title XIX Medicaid. FFP funds are available for mental health expenditures
24 incurred by a public entity when providing eligible services to Medi-Cal beneficiaries and
25 when local match funds are also expended in rendering those Medi-Cal services. 2011
26 Realignment/Behavioral Health funds are also available for a portion of the local match for
27 Medi-Cal eligible beneficiaries eligible for the EPSDT services. EPSDT is Medicaid's
28 (hence Medi-Cal's) comprehensive and preventive child health program for individuals
29 under the age of 21. Medi-Cal beneficiaries that are eligible for the EPSDT service are
30 assigned specific Medi-Cal aid codes which distinguish their EPSDT eligibility status.

31 (2) County pays any SD/MC FFP and 2011 Realignment/Behavioral

1 Health funds to Contractor in County's capacity as the State designated Mental Health
2 Plan.

3 (3) SD/MC FFP and 2011 Realignment/Behavioral Health funds shall be
4 paid by County to Contractor only:

5 (a) For State adjudicated approved SD/MC claims which have not
6 been subsequently voided by Contractor from County's claims processing information
7 system.

8 (b) During the time the Contractor is certified as a Title XIX SD/MC
9 provider.

10 (c) To the extent that this Agreement's applicable MCA includes
11 2011 Realignment/Behavioral Health funds, and/or Contractor expresses and certifies
12 sufficient local funds which qualify under the Code of Federal Regulations as the match
13 funds for the SD/MC expenditures, thusly permitting the FFP reimbursement.

14 (d) Upon receipt of the FFP and 2011 Realignment/Behavioral
15 Health payments from the State, County will proceed to remit to Contractor pursuant to the
16 terms of Subparagraph (5) of Paragraph F (BILLING AND PAYMENT PROCEDURES
17 AND LIMITATIONS) such FFP and 2011 Realignment/Behavioral Health funds to
18 Contractor as follows:

19 i In an amount equal to that of the State-paid FFP and
20 the 2011 Realignment/Behavioral Health funds calculated based on the EPSDT baseline
21 and growth determined by the State, for the adjudicated approved SD/MC claim lines
22 totals less the FFP and 2011 Realignment/Behavioral Health funds related to any of such
23 State approved claims that have been voided by Contractor from the County's claims
24 processing information system.

25 (e) Notwithstanding the requirements above, the Director at his
26 exclusive discretion may advance funds to Contractor where, through no fault of
27 Contractor, receipt of payment of FFP and/or 2011 Realignment/Behavioral Health funds
28 has been delayed.

29 (4) The MCA of this Agreement shall include FFP and/or 2011
30 Realignment/Behavioral Health funds solely to assist the County in expeditiously
31 processing and initially paying Contractor (because of the internal accounting necessity for

1 appropriation authority) for such claims. This will establish legal authorization by the Board
2 of Supervisors to make payment for the services identified in this Agreement upon
3 reimbursement by the State. Each Fiscal Year of the term of this Agreement, County shall
4 pay to Contractor for State adjudicated approved claims for Title XIX SD/MC services only
5 to the extent required by federal laws, regulations, manuals, guidelines, and directives and
6 only after receiving payment from the State for such FFP and 2011
7 Realignment/Behavioral Health funds. To the extent Contractor exceeds the FFP and/or
8 2011 Realignment/Behavioral Health funds amount(s) included in this Agreement, such
9 excess will be paid by County to Contractor only upon Contract Amendment approved by
10 the Board of Supervisors and only to the extent that sufficient local match for the FFP is
11 provided by the Contractor and/or the State; otherwise, such FFP and 2011
12 Realignment/Behavioral Health funds will be remitted by County back to the State.

13 (5) Contractor understands and agrees that County's actions in
14 providing assistance in processing claims as the Mental Health Plan for the State and
15 federal governments is subject to reimbursement from the State and does not render
16 County in any way to be ultimately fiscally responsible for payment for Contractor's
17 claims for payment for these Title XIX SD/MC services. Contractor's ability to retain the
18 Title XIX SD/MC payment for such State approved claimed services is entirely
19 dependent upon compliance with the law and regulations related to same.

20 (6) Each Fiscal Year of the term of this Agreement, the federal and local
21 match reimbursement for Title XIX SD/MC services shall be made on the basis of the
22 State's notification to County of the applicable respective federally published Federal
23 Medical Allowance Percentages (FMAPs) and the 2011 Realignment/Behavioral Health
24 funds participation percentage at the time of the date of the service.

25 (a) The FFP and eligible 2011 Realignment/Behavioral Health
26 funds are part of the applicable MCA of this Agreement

27 (b) 2011 Realignment/Behavioral Health Funds, Local Match and
28 FFP: If applicable, the 2011 Realignment/Behavioral Health funds that qualify under
29 federal requirements as the local share of eligible Title XIX SD/MC medical assistance
30 expenditures are included in the Funded Program Amount(s) on the Financial Summary
31 and are based on the FMAP percentage and the EPSDT baseline and growth, as adjusted

1 by the State. The Contractor is responsible for providing the eligible local matching
2 funds for that portion of the EPSDT baseline and growth determined by the State to be
3 assignable to Contractor's claims, and shall expend and certify the expenditure of such
4 amounts. The parties agree that the Contractor's provisional EPSDT Medi-Cal payments
5 will be based upon the State 835 identified provisional approved FFP and 2011
6 Realignment/Behavioral Health funds calculated based on the EPSDT baseline and
7 growth determined by the State. FFP and 2011 Realignment/Behavioral Health funds
8 payments will be finalized as a part of the State's cost report settlement and audit
9 processes for each fiscal year using the State generated allocation of EPSDT baseline
10 and growth obligations, subject to further adjustment by the State's audit and appeal
11 processes.

12 (7) Contractor authorizes County to serve as the Mental Health Plan for
13 State claiming and reimbursement for SD/MC services provided pursuant to this
14 Agreement and to act on Contractor's behalf with State Department of Health Care
15 Services (SDHCS) in regard to claiming. Contractor shall certify annually, no later than
16 July 10 of each year, in writing, that all necessary documentation will exist at the time any
17 such claims for Title XIX SD/MC services are submitted by Contractor to County.

18 (8) Contractor shall be solely responsible for all service data and
19 information submitted by Contractor and shall be liable except to the extent that its data
20 complies with express County rules. County shall submit, as the Mental Health Plan, to
21 SDHCS Title XIX SD/MC services all appropriate claims and shall timely make available to
22 Contractor any subsequent State approvals or denials of such claims. Contractor shall
23 submit to County all Title XIX SD/MC claims or other State required claims data within the
24 time frame(s) prescribed in Subparagraph (4) of Paragraph F (BILLING AND PAYMENT
25 PROCEDURES AND LIMITATIONS) above. County shall have no liability for Contractor's
26 failure to comply with these time frames.

27 (9) Notwithstanding any other provision of this Agreement, Contractor
28 shall hold County harmless from and against any loss to Contractor resulting from any of
29 the following caused by Contractor: State denials, unresolved EOB claims, and/or any
30 federal and/or State audit disallowances for such Title XIX SD/MC services unless the
31 denial or disallowance was due to the fault of County.

1 (10) As the State designated Title XIX SD/MC Mental Health Plan, County
2 shall submit reimbursement claims to the State in a timely manner only for those services
3 identified and entered by Contractor into the County claim processing information system
4 as appropriate claims compliant with State and federal requirements. Contractor shall
5 comply with all written instructions provided by County and/or State to Contractor
6 regarding Title XIX SD/MC claiming and documentation.

7 (11) Contractor shall maintain an audit file documenting all Title XIX
8 SD/MC services, as provided in the DMH Legal Entity Agreement, Paragraph 13 (Records
9 and Audits).

10 (12) County may modify the claiming systems for Title XIX SD/MC
11 services at any time in order to comply with changes in, or interpretations of, State or
12 federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify
13 Contractor in writing of any such modification and the reason, if known, for the modification
14 and the planned implementation date of the modification within five (5) business days of
15 County's knowledge of such change.

16 (13) Title XIX Short-Doyle/Medi-Cal Reconciliation Report: Contractor
17 shall complete and certify, in accordance with State and County instructions, and provide
18 DMH with two (2) copies of an accurate and complete Title XIX Short-Doyle/Medi-Cal
19 Reconciliation Report at the legal entity level. The County shall give Contractor written
20 notice of the due date for such Report along with the template of the State form. The due
21 date is set by the State and is approximately 16 months after the close of the fiscal year. If
22 Contractor does not so provide County with the Title XIX Short-Doyle/Medi-Cal
23 Reconciliation Report by such due date, then Director, in his sole discretion, shall
24 determine which State approved SD/MC services shall be used by County for completion
25 of the Title XIX Short-Doyle/Medi-Cal Reconciliation Report.

26 (14) Title XIX Short-Doyle/Medi-Cal Overpayment Recovery Procedures:
27 Contractor shall repay to County the amount paid by County to Contractor for Title XIX
28 SD/MC services which are subsequently disallowed by the County, State, and/or federal
29 governments. In no event shall County be liable or responsible to Contractor for any State
30 approved Title XIX SD/MC services that are subsequently disallowed by County, State,
31 and/or federal governments unless the disallowance was based on Contractor's

1 compliance with written County guidelines.

2 **H. GOVERNMENT FUNDING RESTRICTIONS:** This Agreement shall be
3 subject to any restrictions, limitations, or conditions imposed by State, including, but not
4 limited to, those contained in State's Budget Act, which may in any way affect the
5 provisions or funding of this Agreement. This Agreement shall also be subject to any
6 additional restrictions, limitations, or conditions imposed by the federal government which
7 may, in any way, affect the provisions or funding of this Agreement. In the event that,
8 based on any revision to State or federal law, Contractor is no longer considered a public
9 entity capable of certifying a public expenditure or making an intergovernmental transfer
10 under federal Medicaid rules, the provisions of Paragraph S (PUBLIC ENTITY STATUS)
11 shall control.

12 **I. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY**
13 **REVENUES, AND INTEREST:**

14 (1) Contractor shall comply with all County, State, and federal
15 requirements and procedures relating to:

16 (a) The determination and collection of patient/client fees for
17 services hereunder based on the Uniform Method of Determining Payment (UMDAP),
18 including Welfare and Institutions Code Sections 5709 and 5710.

19 (b) The eligibility of patients/clients for SD/MC, Medicare, private
20 insurance, or other third party revenue, and the collection, reporting and deduction of all
21 patient/client and other revenue for patients/clients receiving services hereunder.
22 Contractor shall pursue and report collection of all patient/client and other revenue.

23 (2) All fees paid by patients/clients receiving services under this
24 Agreement and all fees paid on behalf of patients/clients receiving services hereunder
25 shall be utilized by Contractor only for the delivery of mental health services specified in
26 this Agreement.

27 (3) Contractor shall not retain any fees paid by any resources for, or on
28 behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing
29 the mental health services from which the fees were derived.

30 (4) Contractor may retain any interest and/or return which may be
31 received, earned or collected from any funds paid by County to Contractor, provided that

Contractor shall utilize all such interest and return only for the delivery of mental health services specified in this Agreement.

(5) Failure of Contractor to report in all its monthly claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services hereunder, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such non-reported revenue.

(b) A report by County to SDHCS of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries.

(c) Any appropriate financial adjustment to Contractor's reimbursement.

J. ANNUAL COST REPORTS:

(1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide County with two (2) copies of an accurate and complete Annual Cost Report with a statement of expenses and revenue, and a Cost Report Certification. The statement of expenses and revenue and the Cost Report Certification must be signed by a Contractor's executive or designee, by the due date specified in Subparagraph (4) of this Paragraph J (ANNUAL COST REPORTS).

(2) An accurate and complete Annual Cost Report shall be defined as a cost report which is completed to the best of the ability of Contractor on such forms or in such formats as specified by County and consistent with such instructions as County might issue, and is based on the best available data.

(3) The Annual Cost Report will be comprised of a separate set of forms for the County and State for the Financial Summary applicable to the fiscal year.

(4) The Annual Cost Report will be due on September 15th for the fiscal year ending on the previous June 30th or seventy-five (75) calendar days following the expiration or termination date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day.

1 (a) Failure by Contractor to submit an Annual Cost Report within
2 thirty (30) calendar days after the applicable due date specified in Subparagraph (4) of this
3 Paragraph J (ANNUAL COST REPORTS) shall constitute a breach of this Agreement. In
4 addition to, and without limiting, any other remedy available to the County for such breach,
5 County may undertake any or all of the following to remedy such breach:

6 i. In such instance that Contractor does not submit an
7 Annual Cost Report(s) within such thirty (30) calendar days after the applicable due date
8 specified in Subparagraph (4) of this Paragraph J (ANNUAL COST REPORTS), then all
9 amounts covered by the outstanding Annual Cost Report(s) and paid by County to
10 Contractor for the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding
11 shall be due by Contractor to County. Contractor shall pay County according to the
12 method described in Paragraph M (METHOD OF PAYMENTS FOR AMOUNTS DUE TO
13 COUNTY).

14 ii. If this Agreement is automatically renewed as provided
15 in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to not make
16 any further payments to Contractor under this Agreement until the Annual Cost Report(s)
17 is (are) submitted. County shall give Contractor at least fifteen (15) business days' written
18 notice of its intention to suspend payments hereunder, including the reason(s) for its
19 intended action. Thereafter, Contractor shall have fifteen (15) business days either to
20 correct the deficiencies, or to request reconsideration of the decision to suspend
21 payments. Payments to Contractor shall not be suspended during the fifteen (15)
22 business days provided to correct the deficiency or, if reconsideration is requested,
23 pending the results of the reconsideration process.

24 (c) It is mutually understood and agreed that failure of Contractor
25 to submit an Annual Cost Report(s) by the due date specified in Subparagraph (4) of this
26 Paragraph J (ANNUAL COST REPORTS) will result in damages being sustained by
27 County; that the nature and amount of such damages will be extremely difficult and
28 impractical to fix; that the liquidated damages set forth herein are the nearest and most
29 exact measure of damages for such breach that can be fixed at this time; and that the
30 liquidated damages are not intended as a penalty or forfeiture for Contractor's breach.
31 Therefore, in the event of Contractor's failure to submit an Annual Cost Report(s) by the

1 due date specified in this Subparagraph (4), County may, in its sole discretion, assess
2 liquidated damages in the amount of ONE HUNDRED DOLLARS (\$100) for each day that
3 the Annual Cost Report(s) is (are) not submitted.

4 i Liquidated damages shall be assessed separately on each
5 outstanding Annual Cost Report.

6 ii Liquidated damages shall be assessed commencing on
7 September 16th or on the seventy-sixth day following the expiration or termination date of
8 this Agreement and shall continue until the outstanding Annual Cost Report(s) is(are)
9 received.

10 iii Upon written request from County for payment, Contractor
11 shall submit payment to the County for said damages within thirty (30) calendar days.

12 iv Contractor may ask that liquidated damages not be assessed
13 by sending a written request for an extension to submit the Annual Cost Report to the
14 Director no later than thirty (30) calendar days prior to the due date specified in this
15 Subparagraph (4). The decision to grant an extension without assessing liquidated
16 damages shall be at the sole discretion of the Director.

17 (5) Each such Annual Cost Report shall be prepared by Contractor in
18 accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and
19 #15-2, "The Provider Reimbursement Manual Parts 1 and 2," the State's Cost Reporting
20 System (CFRS) Instruction Manual, and any other written guidelines which shall be
21 provided to Contractor at the Cost Report training, to be conducted by County on or before
22 June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared.
23 Attendance by Contractor as such training is mandatory; County may, in its sole discretion,
24 assess liquidated damages in the amount of ONE HUNDRED DOLLARS (\$100) for
25 Contractor's non-attendance at the Cost Report training.

26 (6) Upon written notification from the Director that Contractor's Annual
27 Cost Report contains errors or inaccuracies, Contractor shall, within thirty (30) calendar
28 days, correct such errors and/or inaccuracies and resubmit its Annual Cost Report. In the
29 event that Contractor disagrees with County's determination that an error or inaccuracy
30 exists, it may so inform County in writing and need not correct the Annual Cost Report.
31 County will so inform the State and allow the State to determine whether to make an

1 adjustment on audit. If Contractor fails to correct inaccuracies in Annual Cost Report
2 within thirty (30) calendar days after receipt of written notification from the Director or his
3 designee and said inaccuracies result in the loss of reimbursement to the County for
4 claimable amounts that were paid to Contractor, Contractor must return to the County the
5 amount of the loss of reimbursement that the County could have claimed if the inaccuracy
6 was corrected by Contractor.

7 (7) Contractor shall be solely responsible, and shall indemnify County for
8 any loss incurred by County due to Contractor's failure to comply with County and State
9 cost report requirements.

10 **K. ANNUAL MEDI-CAL RECONCILIATION AND COST REPORT**
11 **SETTLEMENT:**

12 (1) Based on the Annual Cost Report(s) submitted pursuant to this
13 Financial Exhibit A (FINANCIAL PROVISIONS) Paragraph J (ANNUAL COST REPORTS)
14 and the most updated State Medi-Cal approvals and County claims information, at the end
15 of each fiscal year or portion thereof that this Agreement is in effect and Paragraph G
16 (GENERAL ADMINISTRATION REQUIREMENTS FOR TITLE XIX SHORT-
17 DOYLE/MEDI-CAL), Subparagraph (13) (Title XIX Short-Doyle/Medi-Cal Reconciliation
18 Report), the State and County will perform an Annual Medi-Cal Reconciliation and Cost
19 Report Settlement.

20 (a) Upon initiation and instruction by the State, County will perform
21 the Short-Doyle/Medi-Cal Reconciliation with Contractors.

22 (b) County will perform settlement of the amount due to Contractor
23 based on the Reconciliation upon receipt of State Reconciliation Settlement to the County.

24 (2) Such reconciliation and settlement will be subject to the terms and
25 conditions of this Agreement and any other applicable State and/or federal statutes,
26 regulations, policies, procedures, and/or other requirements pertaining to cost reporting
27 and settlements for Title XIX SD/MC.

28 (3) Reimbursement to Contractor shall not exceed the MCA shown in the
29 Financial Summary(ies) (Attachment III). For purposes of this part, FFP for Title XIX
30 SD/MC services, as well as 2011 Realignment/Behavioral Health funds will be considered
31 by County in the Legal Entity's aggregate total when applying the MCA limitation by payer.

1 However, the FFP reimbursement by County to Contractor for Title XIX SD/MC services
2 shall be limited to the maximum FFP for which there is sufficient eligible Contractor or
3 2011 Realignment/Behavioral Health match funds, as required by federal law. State
4 reimbursement to County for Contractor's State approved Title XIX SD/MC services that is
5 in excess of the FFP amount for which there is sufficient Contractor or 2011
6 Realignment/Behavioral Health match funds shall not be paid to Contractor and shall be
7 returned to State.

8 (4) County shall issue its Annual Medi-Cal Reconciliation and Cost
9 Report Settlement findings no later than 180 calendar days after the receipt by County
10 from the State of the State's Cost Report Settlement package and payment for a particular
11 fiscal year.,

12 (a) As part of its annual cost report settlement, County shall
13 identify any amounts due to Contractor by the County or due from the Contractor to the
14 County.

15 (b) Upon issuance of the County's annual cost report settlement,
16 Contractor may, within thirty (30) calendar days, submit a written request to Director for
17 review of the annual cost report settlement.

18 i Upon receipt by County of Contractor's written request,
19 County shall, within thirty (30) calendar days, meet with Contractor to review the annual
20 cost report settlement and to consider any documentation or information presented by the
21 Contractor. Contractor may waive such meeting and elect to proceed based on written
22 submission at its sole discretion.

23 ii Within thirty (30) calendar days of the meeting specified
24 in Subparagraph (i) above, County shall issue a response to the Contractor including
25 confirming or adjusting any amounts due to Contractor by County or due from Contractor
26 to County.

27 (5) In the event that the Annual Cost Report Settlement indicates that
28 Contractor is due payment from County, County shall initiate the payment process to
29 Contractor within thirty (30) calendar days following the expiration of the date to request a
30 review as specified above in Subparagraph (4) (b) of this Paragraph K (ANNUAL MEDI-
31 CAL RECONCILIATION AND COST REPORT SETTLEMENT) or issuance of the County

1 response as specified above in Subparagraph (4) (b) ii of this Paragraph K (ANNUAL
2 MEDI-CAL RECONCILIATION AND COST REPORT SETTLEMENT), whichever is later.

3 (6) In the event that the Annual Cost Report Settlement indicates that the
4 Contractor owes payments to the County, Contractor shall make payments to the County
5 in accordance with the terms of Paragraph M (METHOD OF PAYMENTS FOR AMOUNTS
6 DUE TO COUNTY).

7 (7) Regardless of any other provision of this Paragraph K (ANNUAL
8 MEDI-CAL RECONCILIATION AND COST REPORT SETTLEMENT), reimbursement to
9 Contractor shall not exceed the MCA and shall not exceed the Funded Program Amount,
10 as identified on the Financial Summary.

11 **L. AUDITS, AUDIT APPEALS AND POST-AUDIT APPEAL SHORT-**
12 **DOYLE/MEDI-CAL SETTLEMENT:**

13 (1) At any time during the term of this Agreement or after the expiration
14 or termination of this Agreement, in accordance with State and federal law including but
15 not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq.,
16 authorized representatives from the County, State or federal governments may conduct an
17 audit of Contractor regarding the Title XIX SD/MC mental health services provided
18 hereunder.

19 (2) Settlement based on the audit findings will be conducted according to
20 the auditing party's procedures in place at the time of the audit.

21 (3) Post-Audit SD/MC Settlement: In the case of a State SD/MC audit,
22 the State and County will perform a post-audit SD/MC settlement based on State audit
23 findings. Such settlement will take place when the State initiates its settlement action,
24 which customarily is after the issuance of the audit report by the State and before the
25 State's audit appeal process.

26
27 (a) County shall issue a Post-Audit Settlement to Contractor for
28 any amount due County or due to Contractor no later than ninety (90) calendar days after
29 the State issues its audit report settlement to the County.

30 (b) If the Post-Audit SD/MC Settlement determines that the
31 amount paid by County to Contractor for any units furnished hereunder are more than the

1 amounts allowable pursuant to this Agreement, then the difference shall be due by
2 Contractor to County upon the State and/or federal collection from County of the amount
3 due, or after exhausting all appeals, if any, whichever occurs first. Contractor shall make
4 payment to the County in accordance with the term of Paragraph M (METHOD OF
5 PAYMENTS FOR AMOUNTS DUE TO COUNTY).

6 (c) County recovery from Contractor of any federal overpayment
7 shall be made in accordance with all applicable federal laws, regulations, manuals,
8 guidelines, and directives.

9 (d) In the event that Post-Audit SD/MC Settlement indicates that
10 Contractor is due payment from County, the provisions in subparagraph (11) of this
11 Paragraph L (AUDITS, AUDIT APPEALS AND POST-AUDIT APPEAL SHORT-
12 DOYLE/MEDI-CAL SETTLEMENT) shall be followed.

13 (e) If the auditing party stays its collection of any amounts due or
14 payable because of the audit findings, County will also stay its settlement of the same
15 amounts due or payable until the responsible auditing party initiates its settlement action
16 with County.

17 (4) SD/MC Audit Appeals: Contractor may appeal any such audit findings
18 in accordance with the audit appeal process established by the party performing the audit.

19 (a) For federal audit exceptions, federal audit appeal process shall
20 be followed.

21 (b) Contractor may appeal the State audit findings in conformance
22 with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations.
23 Such appeals must be filed through County. County shall notify Contractor of State appeal
24 deadlines after County's receipt of information from State. The first level of appeal is the
25 Informal Hearing. The second appeal level is the Formal Hearing, if Contractor disagrees
26 with the Informal Hearing appeal finding(s). The Formal Hearing appeal concludes with
27 the adoption by the Director of the State Department of Health Care Services of the
28 Report of Findings which is the final administrative decision.

29 (5) Post-Audit SD/MC Appeal Settlement:

30 (a) If at any time the Appeal process results in a revision to the
31 audit findings, and the State recalculates the audit settlement of the SD/MC cost report for

1 a particular year and settles with County, County will perform a post-audit appeal SD/MC
2 recomputed settlement after the State issues its revised settlement with the County, based
3 on the State appeal resolution.

4 i. If the post-audit appeal SD/MC recomputed settlement
5 results in amounts due from County to Contractor the provisions in Subparagraph (12) of
6 this Paragraph L (AUDITS, AUDIT APPEALS AND POST-AUDIT APPEAL SHORT-
7 DOYLE/MEDI-CAL SETTLEMENT) shall be followed.

8 ii. If the post-audit appeal settlement results in amounts
9 due from Contractor to County, Contractor shall make payments to the County in
10 accordance with the terms of Paragraph M (METHOD OF PAYMENTS FOR AMOUNTS
11 DUE TO COUNTY).

12 (6) Notwithstanding any other provisions of this Agreement, if Contractor
13 appeals any findings in the State audit report, the appeal shall not prevent the County from
14 recovering from Contractor any amount owed by Contractor that the State has recovered
15 from County.

16 (7) EPSDT State Audits: Contractor may appeal State findings directly to
17 the State or may request County to appeal State findings related to EPSDT State Audits in
18 conformance with the provisions of Section 1810.380 of Title 9 of the California Code of
19 Regulations. If Contractor chooses to appeal directly to the State, Contractor shall copy
20 County on all appeal documents sent to the State and provide a copy of the findings of the
21 appeal. If Contractor chooses to request County to appeal State findings, Contractor shall
22 notify County, Quality Assurance Division, via telephone and/or e-mail within 2 business
23 days of Contractor's receipt of the final State audit report. Contractor must also provide
24 County with the formal appeal request in writing and provide the documents necessary to
25 submit the appeal at least 10 business days prior to the last date the Contractor's appeal
26 can be filed in order for County to appeal on the Contractor's behalf. Contractor shall
27 assist County in whatever way is necessary in the prosecution of such appeal, including
28 presentation of Contractor's position at hearing if so requested by County, and shall be
29 informed of the results of any such appeal. Nothing in the paragraph shall act as a waiver
30 of Contractor's right to challenge the form of appeal specified by State, including but not
31 limited to, the State's reliance on Section 1810.380 of Title 9 of the California Code of

1 Regulations.

2 (10) Other State Audits: The Contractor must notify the County of any
3 State Audits in conformance with the provisions of Section 1810.380 of Title 9 of the
4 California Code of Regulations or such other form of appeal specified by the State in its
5 report of audit findings or settlement or as required in any other regulation governing such
6 appeals which may, in the future, be promulgated by the State.

7 (11) County Audits: Should the auditing party be the County, Contractor
8 will have thirty (30) calendar days from the date of the audit report within which to file an
9 appeal with County. The letter providing the Contractor with notice of the audit findings
10 shall indicate the persons and address to which the appeal should be directed. County
11 shall consider all information and argument provided by Contractor with its appeal, and will
12 issue its decision on the appeal after such consideration. Such decision is final. County
13 will issue an invoice for any amount due County fifteen (15) calendar days after County
14 has notified Contractor of the County's audit appeal findings. Contractor shall make
15 payment to the County in accordance with the term of Paragraph M (METHOD OF
16 PAYMENTS FOR AMOUNTS DUE TO COUNTY) of this Financial Exhibit A (FINANCIAL
17 PROVISIONS).

18 (12) If the post-audit and/or post-audit appeal process conducted by
19 County, State, and/or federal personnel determines that the County payments to
20 Contractor hereunder are less than the amounts reimbursable pursuant to this Agreement,
21 then that portion of the difference which is funded with FFP or 2011
22 Realignment/Behavioral Health funds shall be paid by County to Contractor, provided that
23 in no event shall County's MCA for the applicable Fiscal Year, as shown in this Financial
24 Exhibit A (FINANCIAL PROVISIONS), Paragraphs C (REIMBURSEMENT FOR THE
25 INITIAL PERIOD) and D (REIMBURSEMENT IF AGREEMENT IS AUTOMATICALLY
26 RENEWED), be exceeded. If such MCA is exceeded, County will remit payment to
27 Contractor within thirty (30) calendar days of receiving Board authorization to make the
28 payment. County will seek such Board authorization within thirty (30) calendar days after
29 completion of the post-audit and recomputed final settlement SD/MC processes described
30 in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L (AUDITS, AUDIT
31 APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL FINAL SETTLEMENT).

1 **M. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY**

2 (1) Within ten (10) business days after written notification by County to
3 Contractor of any amount due by Contractor to County, Contractor will notify County as to
4 which of the following five payment options Contractor requests be used as the method by
5 which such amount shall be recovered by County. Any such amount shall be:

6 (a) Paid in one cash payment by Contractor to County;

7 (b) Deducted from future claims over a period not to exceed three
8 (3) months;

9 (c) Deducted from any amounts due from County to Contractor
10 whether under this Agreement or otherwise;

11 (d) Paid by cash payment(s) by Contractor to County over a
12 period not to exceed three (3) months; or

13 (e) A combination of any or all of the above.

14 (2) If Contractor does not so notify County within such ten (10) days, or if
15 Contractor fails to make payment of any such amount to County as required, then Director,
16 in his sole discretion, shall determine which of the above payment options shall be used by
17 County for recovery of such amount from Contractor.

18 **N. INTEREST CHARGES ON DELINQUENT PAYMENTS:** If Contractor,

19 without good cause as determined in the sole judgment of Director, fails to pay County any
20 amount due to County under this Agreement within sixty (60) calendar days after the due
21 date, then Director, in his sole discretion and after written notice to Contractor, may
22 assess interest charges at a rate equal to County's Treasury Pool Rate, as determined by
23 County's Auditor-Controller, per day on the delinquent amount due commencing on the
24 sixty-first (61st) calendar day after the due date. Contractor shall have an opportunity to
25 present to Director information bearing on the issue of whether there is a good cause
26 justification for Contractor's failure to pay County within sixty (60) calendar days after the
27 due date. The interest charges shall be: (1) paid by Contractor to County by cash
28 payment upon demand and/or (2) at the sole discretion of Director or his designee,
29 deducted from any amounts due from County to Contractor whether under this Agreement
30 or otherwise.

1 **O. FINANCIAL SOLVENCY:** Contractor shall maintain adequate provisions
2 against the risk of insolvency. Such provisions shall minimally meet the solvency/working
3 capital criteria specified in DMH Policy, *Financial Responsibility Requirements for Existing*
4 *DMH Contractors*. In determining solvency, County shall not consider any liability related to
5 Contractor's 2004 bankruptcy filing.

6 **P. LIMITATION OF COUNTY'S OBLIGATION DUE TO**
7 **NONAPPROPRIATION OF FUNDS:** Notwithstanding any other provision of this
8 Agreement, County shall not be obligated for Contractor's performance hereunder or by
9 any provision of this Agreement during this or any of County's future fiscal years unless
10 and until County's Board of Supervisors appropriates funds for this Agreement in County's
11 Budget for each such fiscal year. So long as Contractor has adequate amounts to qualify
12 as the local match for non-ESPD services, or for ESPD services within the baselines
13 and any associated growth amount, or sufficient 2011 Realignment/Behavioral Health
14 funds exist to act as local match, County agrees that the Board of Supervisors will
15 appropriate sufficient amounts to allow Contractor to receive the FFP and 2011
16 Realignment/Behavioral Health funds for services it provided.

17 **Q. CONTRACTOR REQUESTED CHANGES:**
18 (1) If Contractor desires any change in the terms and conditions of this
19 Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal
20 Year for which the change would be applicable, unless otherwise agreed to by County and
21 Contractor

22 (a) All changes shall be made by an amendment pursuant to DMH
23 Legal Entity Agreement Paragraph 40 (ALTERATION OF TERMS).

24 (b) All changes shall be followed by a Mid-Year Change to the last
25 approved Negotiation Package, to be submitted by the Contractor, which must be
26 approved by the Director prior to amending the Agreement.

27 (2) If Contractor requests to increase or decrease any MCA or Funded
28 Program Amount, Contractor shall provide all reports, data, and other information
29 requested by County within fifteen (15) calendar days of the date of the request for such
30 materials.

1 (a) To the extent that County agrees to increase MCA or a
2 Funded Program Amount, such approval shall be in the form of an executed amendment
3 to this Agreement. Director will make best efforts to expedite the amendments provided
4 under this Subparagraph (2) (a) of this Paragraph Q (CONTRACTOR REQUESTED
5 CHANGES).

6 **R. DELEGATED AUTHORITY:**

7 (1) Notwithstanding any other provision of this Agreement, County's
8 Department of Mental Health Director may, without further action by County's Board of
9 Supervisors, prepare and sign amendments to this Agreement during the remaining term
10 of this Agreement under the following conditions.

11 (a) County's total payments to Contractor under this Agreement, for each
12 fiscal year of the term of this Agreement, does not exceed an increase of more than the
13 Board of Supervisor-approved percentage of the current applicable MCA; and

14 (b) Any such MCA amendment increase or amendment change shall only be for
15 the provision of additional services or to reflect program and/or policy changes that affect
16 this Agreement; and

17 (c) County's Board of Supervisors has appropriated sufficient
18 funds for all changes described in each such amendment to this Agreement; and

19 (d) Approval of County Counsel or the designee is obtained prior
20 to any such amendment to this Agreement; and

21 (e) Director shall notify County's Board of Supervisors of all
22 Agreement changes in writing within thirty (30) calendar days following execution of any
23 such amendment(s).

24 (2) County and Contractor may by written amendment reduce programs
25 or services and revise the applicable MCA. The Director or his designee shall provide 15
26 business days prior written notice of such funding changes to Contractor, including any
27 changes in the amount of services to be received by County, to Contractor, DMH
28 Contracts Development and Administration Division, and to County's Chief Executive
29 Officer. Any such change in any applicable Maximum Contract Amount shall be effected
30 by an administrative amendment to this Agreement by Director or his designee.
31

S. PUBLIC ENTITY STATUS:

The provisions of this Financial Exhibit A assume that Contractor is considered a public entity under federal Medicaid rules, and is capable of certifying a public expenditure, with or without additional certification by the State Controller. If County, in good faith, determines that Contractor no longer qualifies as a public entity under federal Medicaid rules, then all payments under this Agreement for services rendered on or after the date Contractor ceased being a public entity shall stop. Prior to making such determination, County shall consult with Contractor, so long as Contractor makes itself available for such discussion within five (5) business days of a request for such conference by County. Contractor and County, working with the State, shall make good faith efforts to enter into a new arrangement which will permit realignment funds assigned by statute to Contractor to act as the local match for Medicaid/Medi-Cal mental health services to the residents of La Verne, Claremont and Pomona provided by Contractor. Contractor acknowledges and agrees that County has no obligation to pay for services provided by Contractor after it ceases to be a public entity under federal Medicaid rules unless a new arrangement, memorialized in a formally approved amendment or new agreement between the parties exists, and that, if Contractor continues to provide services to Medi-Cal beneficiaries, it does so at its own risk. Notwithstanding the above, Contractor may continue to submit claims, and County may continue to make payments to Contractor for services which do not rely on Contractor's expenditure as the basis for the claim for FFP, if and only if County, in its sole discretion, notifies Contractor that it will accept such claims and make such payment.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows a parent or surrendering adult to safely and confidentially surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro es una ley que protege a los bebés recién nacidos que son abandonados por sus padres o adultos. La ley permite que cualquier persona que encuentre a un bebé recién nacido lo entregue al personal del hospital o cuartel de bomberos del Condado de Los Angeles. El bebé debe ser entregado dentro de los 72 horas del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
