ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

26 May 20, 2014

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO RENEW AGREEMENTS
AND ENTER INTO FUTURE AGREEMENTS WITH THE
HOUSING AUTHORITY OF THE CITY OF LOS ANGELES
AND
THE HOUSING AUTHORITY OF THE COUNTY OF LOS ANGELES
FOR FISCAL YEARS 2014-15 THROUGH 2018-19
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew Agreements and enter into future Agreements with the Housing Authority of the City of Los Angeles and the Housing Authority of the County of Los Angeles, including any agreements with financial compensation.

IT IS RECOMMENDED THAT THE BOARD:

1. Authorize the Director of Mental Health (Director), or his designee, to renew existing Agreements between the Department of Mental Health (DMH) and the Housing Authority of the City of Los Angeles (HACLA) and the Housing Authority of the County of Los Angeles (HACoLA) as listed in Attachment I for Fiscal Years (FYs) 2014-15 through 2018-19, using a substantially similar Agreement format to Attachment II. The following Federal housing subsidy programs are fully funded by the United States Department of Housing and Urban Development (HUD) revenues: Tenant-Based Rental Assistance (TBRA)/Shelter Plus Care, Tenant Based Supportive Housing and Homeless Section 8 Programs. The purpose of the housing subsidy programs is to provide DMH homeless clients with housing certificates and vouchers for which DMH will provide an in-kind match of mental health supportive services for FYs 2014-15 through 2018-19.

2. Delegate authority to the Director, or his designee, to sign and execute future new agreements with HACLA and/or HACoLA for FYs 2014-15 through 2018-19, using a substantially similar Agreement format to Attachment II and to accept financial compensation provided that: 1) any financial compensation will be used for administration of the agreements; 2) approval as to form by County Counsel, or his designee, is obtained prior to execution of such agreement; 3) the Director, or his designee, notifies your Board and the Chief Executive Officer (CEO) of the new agreements in writing within 30 days after execution of each agreement.

3. Delegate authority to the Director, or his designee, to sign and/or amend existing Agreements, and to accept financial compensation from HACLA and/or HACoLA, using a substantially similar Agreement format to Attachment II provided that: 1) any financial compensation will be used for administration of the agreements or to reflect program and/or Board policy changes; 2) approval as to form by County Counsel, or his designee, is obtained prior to execution of such amendments; and 3) the Director notifies your Board and CEO of amendments in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will allow DMH to renew and/or amend existing Agreements and enter into future Agreements with HACLA and HACoLA. The Federal housing subsidies will provide DMH clients and their families TBRA/Shelter Plus Care, Tenant-Based Supportive Housing, and Homeless Section 8 certificates and vouchers. The Tenant-Based Supportive Housing and Homeless Section 8 programs do not require a specific in-kind match, but DMH is required to provide mental health services including monthly contacts and quarterly home visits to the clients receiving those subsidies.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The housing subsidies are federally funded by HUD and distributed to the local housing authorities. DMH is required to provide in-kind supportive mental health services funded from various sources including Sales Tax Realignment, Medi-Cal and State Mental Health Services Act (MHSA) revenue. The Housing Authorities require DMH to provide documentation of clients who receive TBRA/Shelter Plus Care subsidies that are equivalent of at least 25 percent of the aggregate amount of the housing subsidies in DMH services.

There is no net County cost associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In the 2013 Homeless Count Report, the Los Angeles Homeless Services Authority cited that on any given night there are 58,423 homeless persons in Los Angeles County. Of this number, 14,942 are considered to be chronically homeless and 30 percent report having a mental illness. DMH's strategy

to end homelessness for the clients we serve includes securing housing resources such as those provided by these Federal housing subsidy programs. Eligibility for these programs is limited to those that meet HUD's definition of homelessness and/or chronic homelessness. While the tenants pay 30 percent of their rent, the Housing Authorities subsidize the remaining portion of the rent.

Since 1997, DMH has been granted 928 TBRA/Shelter Plus Care certificates through the Los Angeles County Continuum of Care. DMH has also received various allocations of Homeless Section 8 and the Tenant-Based Supportive Housing vouchers over the years. In 2012, HACLA allocated 200 Tenant-Based Supportive Housing vouchers to DMH. The certificates were made available to clients served by DMH in our directly-operated and contract agencies. DMH's management of these contracts includes ensuring all contract requirements are met. The responsibility includes providing training to DMH staff, approving all referrals into the program, reviewing, processing and submitting applications quarterly and annual reports to the Housing Authorities.

The Agreements require an in-kind match of supportive services. The supportive services provided by DMH include outreaching and engaging the homeless population that meets DMH eligibility criteria and assisting them with transitioning from homelessness to a permanent, affordable home. This is accomplished by helping the client complete the housing application, accompanying them to appointments, assisting in the housing search, preparing for housing authority and landlord interviews, and assisting with moving in. After the clients move-in, DMH's goals are to assist the clients to develop independent living skills, meet lease requirements, budget, develop community connections, and other supports that allow them to live independently within the community. DMH also outreaches to landlords and property owners to increase the availability of affordable and supported housing, thereby expanding options for DMH clients.

Attachment I is a list of the existing Agreements which have been reviewed as to form by County Counsel. Administrative staff at DMH will continue to administer and supervise the Agreements and ensure that Agreement provisions and Departmental policies are followed.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the recommended actions will enable DMH to continue providing clients and their families' access to subsidized housing through contracts with the housing authorities for housing subsidies and help support the County's effort to end homelessness.

It is the policy of the Authority that minority business enterprises and women's business enterprises shall have maximum opportunity to participate in the performance of this Contract. The Contractor agrees to assist the Authority in meeting its anticipated levels of participation by conducting outreach to MBEs and WBEs to ensure that these businesses have the maximum opportunity to compete for, and perform in, the Contract.

12. EQUAL EMPLOYMENT OPPORTUNITY AND AFFIRMATIVE ACTION

a. In the performance of work under this Contract, the Contractor and its subcontractors, if any, shall not discriminate in their employment practices against any

employee or applicant for employment because of the employee's or applicant's race, religion, national origin, ancestry, sex, age, sexual preference or physical handicap. The Contractor and its subcontractor(s), if any, shall submit their Affirmative Action Plans to be reviewed and approved by the Authority within thirty (30) days after the commencement of this Contract.

b. In accordance with regulations issued by the United States Department of Housing and Urban Development ("HUD") pursuant to Section 504 of the Rehabilitation Act of 1973, as amended (24 CFR Part 8), the Contractor must not discriminate against any otherwise qualified individual with handicaps.

c. In carrying out the obligations under this Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, religion, national origin, ancestry, sex, age, sexual preference, or physical handicap. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, religion, national origin, ancestry, sex, age, sexual preference, or physical handicap. Such action includes, but is not limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training.

d. The Contractor agrees to post on conspicuous places, available to employees and applicants for employment, notices to be provided by HUD setting forth the provisions of this nondiscrimination clause. The Contractor will incorporate the foregoing requirements of these Subparagraphs in all contracts for project work, except contracts for standard commercial supplies or raw materials, and will require all of its subcontractors for such work to incorporate such requirements in all subcontracts for project work.

13. SECTION 3 COMPLIANCE – TRAINING AND EMPLOYMENT OPPORTUNITIES FOR RESIDENTS

a. The work to be performed under this Contract is on a project assisted by a program providing direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing Urban Development Act of 1968, as amended, 12 U.S.C. 1701u. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to lower income residents of the project area and contracts for work in connection with the project be awarded to business concerns which are located in, or owned in substantial part by persons residing in the area of the project.

b. The parties to this Contract will comply with the provisions of Section 3, as well as the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR Part 135, and all applicable rules and orders of HUD issued thereunder prior to the execution of this Contract. The parties to this Contract certify and agree that they are under no obligation contractually or otherwise, that would prevent them from complying with these requirements.

c. The Contractor will send to each labor organization or workers' representative with which the Contractor has a collective bargaining agreement or other contract or understanding, if any, a notice advising the organization of the Contractor's commitments under this clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

d. The Contractor will include this clause in every subcontract for work in connection with the period and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that the subcontractor is in violation of regulations issued by the Secretary of HUD, 24 CFR Part 135. The Contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of these regulations and will not award any subcontract unless the subcontractor has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.

e. Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of HUD issued thereunder prior to the execution of the Contract shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which the Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135.

f. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD- assisted contracts.

14. COOPERATION IN EQUAL OPPORTUNITY COMPLIANCE REVIEWS

The Authority and the Contractor must cooperate with HUD in the conducting of compliance reviews and complaint investigations pursuant to all applicable civil rights statutes, Executive Orders, and all related rules and regulations.

15. INVENTIONS, PATENTS AND COPYRIGHTS

a. **Reporting Procedure.** If any project produces any invention or discovery (Invention) patentable or otherwise under Title 35 of the U.S. Code, including, without limitation, processes and business methods made in the course of work under this Contract, the Contractor shall report the fact and disclose the Invention promptly and fully to the Authority. The Authority shall report the fact and disclose the Invention to the Grantor. Unless there is a prior agreement between the Authority and the Grantor and its representative on these matters, the Grantor shall determine whether to seek protection on the Invention. If applicable under the laws, the Grantor and its representative shall determine how the rights in the Invention, including rights under any patent issued thereon, will be allocated and administered in order to protect the public interest consistent with the policy ("Policy") embodied in the Federal Acquisition Regulations System, which is based on Chapter 18 of Title 35 U.S.C. Sections 200, et seq. (Pub. L. 95-517, Pub. L. 98-620, 37 CFR Part 401); Presidential Memorandum on

c. Copyright Policy

i. Contractor and the Authority intend this to be a contract for services and each considers the products and results of the services to be rendered by Contractor hereunder the "Deliverables" to be a work for hire. The Contractor acknowledges and agrees that the Deliverables belong to and shall be the sole and exclusive property of the Authority.

ii. If for any reason the Deliverables would not be considered a work made for hire under applicable law, and/or Contractor has incorporated previously copyrighted materials within the Deliverables then Contractor grants the Authority, its successors and assigns, a paid-up, nonexclusive, irrevocable worldwide license in the Deliverables to reproduce, prepare derivative works, distribute copies to the public, and perform and display publicly, by and on behalf of the Authority. Contractor is required to affix the applicable copyright notices of 17 U.S.C. Sections 401 or 402, and acknowledgment of Government funding, (including the contract number) to the data whenever such copyrighted materials created outside the scope of this Contract and incorporated into the Deliverables, are delivered to the Authority, published, or deposited for registration as a published work in the U.S. Copyright Office. The term includes technical data and computer software, except computer software developed at private expense and that is trade secret; is commercial or financial and confidential or privileged; or is published copyrighted computer software, including minor modifications of such computer software. The term does not include information incidental to contract administration, such as financial, administrative, cost or pricing, or management information as set forth in 48 CFR 27.401.

ii. The Authority shall have "Unlimited Rights" to any data first produced or delivered under this Agreement. "Unlimited Rights" means the right to use,

disclose, reproduce, prepare derivative works, distribute copies to the public, and perform and display publicly, or permit others to do so, as defined in 48 CFR 27.401. Where the Data are not first produced under this Contract or are published copyrighted data with the notice of 17 U.S.C. Sections 401 or 402, the Authority is granted, or Contractor shall acquire on behalf of Authority, a copyright license for use of the Data pursuant to 48 CFR 27.404-3(b)(1)(i).

e. Obligations Binding on Subcontractors. Contractors hereby agrees to contractually bind all of its subcontractors to the same terms herein in protecting the interests and titles in all intellectual property rights of the Grantor and the Authority under this Contract.

16. WORKING PAPERS

All statements, records, schedules, working papers and memoranda made by Contractor incident to, or in the course of, rendering services to the Authority pursuant to this Contract, except for the Deliverables submitted by the Contractor to the Authority and except for records which are part of the Authority's records, shall be and remain the property of the Contractor in the absence of an express agreement between the Contractor and the Authority to the contrary. No such statement, record, schedule, working paper, or memoranda shall be sold, transferred, or bequeathed, without the consent of the Authority, to anyone other than the Authority's licensee, successor's, or assigns, or any combined or merged firm or successor in interest to the Contractor.

17. LICENSES AND PERMITS

The Contractor warrants that it has all necessary licenses and permits for the work to be performed under this Contract. The Contractor represents that it will immediately obtain or has obtained and presently holds a valid Business Tax Registration Certificate(s) as required by the Los Angeles Municipal Code, Article 1, Chapter 2, Sections 21.00, et seq. **EXHIBIT A
SECTION 8 HOMELESS PROGRAM****A. INTRODUCTION:**

The objective of the Section 8 Homeless Program ("Program") is to provide affordable, permanent housing for homeless individuals and families by providing rental subsidies and supportive services through the collaborative effort of the Authority and local service providers. The supportive services will enable the homeless families to stabilize their living conditions and remain successfully housed in the long term. The Authority provides no funding for supportive services or administrative costs under this Contract.

The Authority is administering the Program using the current existing allocations of Vouchers made available through turnover. As the number of Vouchers is dependent upon federal funding, the number of Vouchers available to the Homeless Program is not fixed. Accordingly, the Authority may, at any time, raise or lower the number of available Vouchers. The Authority also reserves the right to incentivize housing opportunities in lower poverty census tracts.

This program has successfully aided homeless persons in their efforts to re-enter permanent housing and mainstream living since its inception in 1991, with the cooperative effort of local service providers.

B. DEFINITION OF TERMS:

5. **Victims of Domestic Violence:** Individuals who are homeless due to domestic violence.

6. **Youth:**

5. Assist families to accurately complete intake and verification forms provided and/or approved by the Authority.

9. Require attendance of appropriate staff at Authority meetings or training sessions.
10. Practice ethical behavior in performing under this Contract. For the duration of the Contract, the Contractor shall refrain from undertaking any work for any individual, business, or legal entity in which direct conflict of interests regarding the services to be provided may arise.
11. Immediately notify the Authority in writing of changes in key personnel for the Homeless Program.
12. Conduct a thorough needs assessment to determine supportive services needed or referrals to be provided to each participant family, which will enable them to be successful in transitioning to and maintaining permanent housing. The turnaround period may vary depending on the nature of the request.
16. Permit on-sight monitoring audits to ensure program compliance on at least an annual basis.
17. Contractors must be willing and able to comply with HUD Homeless Management Information Systems ("HMIS") implementation and reporting requirements.

D. AUTHORITY RESPONSIBILITIES:

The Authority shall:

1. Provide all forms and documents necessary for processing referrals.
2. The Authority will process all referrals in accordance with HUD guidelines and the Authority Section 8 Administrative Plan.
3. Retain the sole authority to determine eligibility for Section 8 of all referrals submitted by the Contractor.
4. Provide training for Contractor staff and notification to Contractor staff of any changes in regulations, policy, rules or key Authority personnel for the Homeless Program.
5. Upon 30 days prior written notice, at any time, increase or decrease the maximum number of Eligible Families who may be referred to receive Section 8 rental assistance if, in the Authority's judgment, the goals of the Program would be better served by such a change.

7. Monitor the Contractor's performance in housing eligible families and in maintaining housing for participant families after one (1) full year in order to determine whether referral slots can be increased, contract renewals granted and participation in future targeted homeless program competitions allowed.

COUNTY OF LOS ANGELES – DEPARTMENT OF MENTAL HEALTH
SECTION 8 HOMELESS PROGRAM SERVICES PROGRAMS
REQUEST FOR PROPOSALS NO. 7540

QUALIFICATIONS AND EXPERIENCE

In 2009, the Los Angeles Homeless Services Authority (LAHSA) cited 48,053 homeless persons in Los Angeles County (including 42,694 persons in the Los Angeles Continuum of Care and 5,359 persons in the cities of Pasadena, Glendale, and Long Beach) on any given night. Of the 42,694 persons in the Los Angeles Continuum of Care, twenty-four percent (24%) have a mental illness and eleven percent (11%) are members of families. LAHSA projects that on an annual basis approximately 96,169 residents in the Los Angeles area are homeless at some point over the course of the year.

The Los Angeles County Department of Mental Health (DMH) provided mental health services to over eighty-five hundred (8,500) impoverished clients with mental illness who are homeless in Fiscal Year 2009-10. Through its Temporary Shelter Program, DMH provides shelter beds for approximately one-hundred and seventy-six (176) individuals and families per night for a total of 64,240 shelter beds per year. This proposal focuses on reducing the number of homeless families, as defined by Housing and Urban Development (HUD), with an adult member living with mental illness in the City of Los Angeles by securing them permanent places of residence, providing supportive services, and thereby assisting them to live independently within the community. The qualifying member will be the head of household.

DMH BACKGROUND INFORMATION

In 1960, DMH, which had previously been a division of the County's Health Department,

became its own entity. In the fifty (50) years since its inception DMH continues to be the local government agency responsible for planning, providing, and administering the public Mental Health System of Care (SOC) within Los Angeles County, including the City of Los Angeles. With a budget of approximately \$1.5 billion, and more than 151,000 unique clients, the DMH system is larger than most state mental health programs nationwide.

DMH directly operates seventy-five (75) countywide program sites and more than one hundred (100) co-located sites. DMH also contracts with approximately one thousand (1,000) other providers, including non-governmental agencies and individual practitioners. More than thirty-seven hundred (3,700) individuals are directly employed by DMH to provide mental health services countywide in various settings. The programs at DMH clinics include: Full Service Partnership (FSP); Field Capable Clinical Services (FCCS); Prevention and Early Intervention (PEI); Wellness Centers and Client-Run Centers; Psychiatric Mobile Response Team (PMRT); ACCESS, a central phone service linking clients to available services, ensuring a response 24/7; and various administrative offices. All of these programs are available to clients and the public during standard business hours Monday through Friday, from 8:00 a.m. to 6:00 p.m. In addition, FSP programs as well as PMRT and ACCESS services are available after standard business hours.

A diverse spectrum of mental health services is provided to all ages in a variety of settings including acute inpatient, residential, and outpatient as well as in the field. Services include outreach and engagement, assessment, crisis intervention, individual, group and family treatment, case management, vocational support, housing support and medication support. The majority of DMH clients have a diagnosis of severe mental illness and a significant percentage

have co-occurring substance abuse disorders. A significant number are also homeless or at risk of becoming homeless.

DMH HOUSING SERVICES

DMH's Countywide Housing, Employment and Education Resource Development (CHEERD) Division (formerly Homeless and Housing Division) was formed in 1986 to plan, develop, oversee, and manage the Department's housing services and programs for impoverished homeless individuals with mental illness and their families, as appropriate, in need of temporary and permanent affordable housing. CHEERD is integrally involved in community processes for planning, maintaining, and achieving objectives focused on ending homelessness and ensuring DMH's resources are utilized to help achieve these goals. CHEERD also provides ongoing training and support to staff that provides housing services to DMH clients, such as the Housing Specialists/Liaisons. Of special note is the annual Housing Institute which was co-sponsored by DMH and the Corporation for Supportive Housing (CSH) in 2010 and attended by over two hundred (200) people. It featured presentations by Housing Specialists/Liaisons, clients and housing partners including Community Development Commission, Corporation for Supportive Housing, Shelter Partnership, Step Up On Second, the John Stewart Company and other development sponsors.

The main funding for DMH housing services comes from Medi-Cal which includes local and Federal funds; County General Funds (CGF), which is from sales tax and vehicle license fees; Projects for Assistance in the Transition from Homelessness (PATH), which is Federal funding that comes to the County from the State; and Mental Health Services Act (MHSA) which is a 1% tax on those that make over \$1 million per year. The funding for DMH's housing programs

managed by CHEERD have grown significantly over the years. With this funding the Department administers a wide variety of countywide housing programs for those who are homeless and impoverished including housing development, supportive services to those living in Permanent Supportive Housing, rental assistance which includes security deposits, eviction prevention and household goods, Federal Housing Subsidies and the Temporary Shelter Program. For the proposed project, DMH will provide the required supportive services and housing visits through DMH programs that are funded through an approximate mix of 54% MHSA, 24% CGF and 18% Medi-Cal.

Since 1996, CHEERD, through its Federal Housing Subsidies Unit (FHSU), has been granted seven hundred sixty-nine (769) Shelter Plus Care (SPC) certificates and over five hundred (500) Homeless Section 8 Housing Choice vouchers through the Section 8 Homeless Set-Aside Program administered by both HACLA and HACoLA. DMH developed the FHSU to manage these grants and to ensure that all housing applications submitted to the Housing Authorities are complete and of high quality. As a result, almost one hundred percent (100%) of DMH applications are approved by the Housing Authorities. DMH is also diligent to ensure the grants are quickly leased up. Due to DMH's rapid utilization of an allocated one hundred fifty (150) vouchers from HACLA in 2006, DMH was awarded an additional three hundred fifty (350) vouchers in 2008 for a total of five hundred (500). At that time, approximately fifteen (15) applications for Homeless Section 8 were submitted to FHSU on a weekly basis. Due to the overwhelming demand for Section 8 vouchers and the availability of resources, DMH was allowed the opportunity to submit more applications than the five hundred (500) and in three (3) years submitted over one thousand (1,000) applications. In early 2009, the Homeless Section 8 program's funds were exhausted, resulting in a suspension of further referrals to the program.

At the time of the suspension, DMH had approximately two hundred fifty (250) applicants who were on HACLA's waiting lists. Over the past year and a half, DMH has worked closely with HACLA to assist those on the waiting lists with obtaining a voucher if they were still eligible for the program. In 2010, DMH was awarded an additional fifteen (15) vouchers which are in the process of being leased up.

The Homeless Section 8 vouchers have been used by DMH to assist homeless families and individuals in finding and maintaining permanent housing through DMH's extensive network of directly-operated and contract clinics. In order to continue its efforts to end homelessness, DMH is requesting additional vouchers for the new contract period. As indicated by prior experience, DMH has the capacity, in terms of staff and the number of homeless clients, to utilize hundreds of vouchers in a short period of time. This can be accomplished by CHEERD/FHSU staff working closely with the Housing Specialists/Liaisons and Case Managers located in the directly operated clinics and contract agencies to advise them on Homeless Section 8 client eligibility and offer technical assistance on completing housing applications. Trained, experienced housing staff is in place for all phases of the proposed project, and are able to begin processing the new Homeless Section 8 applications immediately upon award and initiation of the contract. Additionally, FHSU has initiated and maintained a tracking system to ensure that all grant requirements are met including an efficient application process and careful monitoring of the services that are offered.

CERTIFICATION OF ORGANIZATIONAL CONFLICT AND ELIGIBILITY

DMH hereby declares there is no existing or pending condition such as bankruptcy, pending litigation, planned office closure, impending merger, or any other type of organizational conflict

of interest that would affect the agency's ability to enter into the proposed contractual agreement. Further, DMH has not been debarred, suspended, or otherwise declared ineligible to contract by any federal, state, or local agency.

Appropriate DMH staff will attend all Authority meetings and training sessions as required by the program. Additionally, DMH will immediately notify the Housing Authority in writing regarding changes in key personnel for the Homeless Section 8 Program.

WORK PLAN

DMH will comply with the Contractor Responsibilities noted in the Scope of Work section of Exhibit A of the proposal handbook by the following methods:

Obtaining Housing

DMH homeless clients who qualify for the Homeless Section 8 voucher program will be identified by DMH directly-operated or contracted staff in order to apply for and obtain housing. The Housing Specialist/Liaison or Case Manager will describe the Homeless Section 8 program to eligible families. In addition, if necessary, DMH will provide its own language interpreter to eligible families. In preparation for the Homeless Section 8 vouchers, DMH's FHSU already has a list of eligible families who are homeless according to HUD's regulations but who do not meet the eligibility criteria for DMH's SPC grants. Families will immediately receive assistance with

applying for Homeless Section 8 from a trained Housing Specialist/Liaison or Case Manager within their program or Service Area which includes completing intake and verification forms. These housing applications can be obtained only from FHSU. Service providers will assist clients in completing applications and submit them to FHSU staff, which in turn will review applications and ensure they are complete before forwarding them to HACLA. The Housing Authority will review and approve applications that meet eligibility requirements. Once a housing voucher has been issued by HACLA, the Housing Specialist/Liaison or Case Manager will assist the family in finding safe, affordable, permanent housing. During the interim, applicants may be referred to available shelters or short-term transitional housing programs for the homeless, funded through PATH, MHSA Client Supportive Services Funds and/or CGF. The FHSU acts as an intermediary between HACLA and service providers and is responsible for the contractual agreement between DMH and the Housing Authority.

After HACLA issues a voucher to the Homeless Section 8 applicant, the DMH Housing Specialist/Liaison or Case Manager will assist the family with locating suitable housing units in accordance with their needs. They will help access housing through housing websites such as housing.lacounty.gov, vacancy lists in their area, and through the network of relationships already developed with local landlords and property owners. The Housing Specialist/Liaison or Case Manager will describe the Homeless Section 8 program to landlords and property owners. Providers will assist participants to prepare for interviews with landlords; accompany participants to visit prospective rentals and help negotiate with landlords; act as an advocate and negotiator for families with poor credit or housing histories while establishing a professional relationship with property owners and managers; assist in completing lease agreements; and, assist participants with completion of applications for security deposit assistance. They will also

assist families with clearing up credit records or arranging for representative payee services, if needed. Financial assistance, administered by CHEERD, is available for security deposits, eviction prevention and household goods. Housing Specialists/Liaisons and Case Managers can also assist with donations of appliances, furniture and household furnishings, as well as emergency food, clothing and personal care items, from a number of other sources.

Lease-up Timeline and Plan

Timeframe	Percentage of Units Leased
Within 3 months	50%
Within 6 months	90-100%

DMH's priority population for this project will be impoverished families with at least one (1) member who is diagnosed with a severe mental illness who meet the eligibility criteria for the Homeless Section 8 program. In Fiscal Year 2009-10, DMH provided shelter services to approximately five hundred twenty-six (526) clients, including sixty-one (61) families, through its Temporary Shelter Program. During this period, the average number of families served per month was seventeen (17); the average number of children per family was two (2); the average number of children in shelters per month was twenty-nine (29); and the average length of stay for families in a shelter was eighty-one (81) days. Although the project will serve all homeless families, priority will be given to chronically homeless families. DMH has demonstrated the capacity to serve this population, as illustrated by DMH's past use of two hundred (200) Homeless Section 8 vouchers from HACLA to serve homeless CalWORKs families. There is a significant demand and need for these resources for families especially those served through the CalWORKs program as they often do not meet the SPC service match requirements. For

example, during 2010, CHEERD received requests to assist fifty-five (55) homeless families who did not meet the SPC criteria but would have been eligible for Homeless Section 8.

As part of its outreach and engagement efforts, DMH works closely with shelters that serve impoverished homeless families and participates in the Homeless CalWORKs Family Project (HCFP). HCFP is a Board-mandated program to provide housing resources and comprehensive services to homeless families. The HCFP is a collaboration between the Department of Public Social Services (DPSS), DMH, the Department of Health Services (DHS) and LAHSA. The project has six (6) sites throughout the county, three (3) of which are in the City of Los Angeles jurisdiction. Since its inception in 2002, HCFP has served approximately three thousand (3,000) families. Roughly four hundred (400) of these families have accessed Section 8 housing through their participation in the HCFP.

For this project, through its network of directly-operated clinics and contract providers as well as DMH's Emergency Outreach Bureau (EOB) and the Integrated Mobile Health Team (IMHT), which is projected to be implemented in the next 6 months. DMH will provide outreach and engagement services wherever homeless families are found, including on the streets; in parks; through psychiatric emergency response contacts; and in shelters, acute care hospitals, jails and outpatient Mental Health Centers (MHC) within the Los Angeles City jurisdiction. Through its programs countywide, DMH already provides services to many impoverished homeless families. As already mentioned, DMH participates in the HCFP and homeless families are a target population in many of the MHSA funded programs. These families will be prioritized for housing placement. Following successful outreach, families will either continue working with the program conducting the outreach or will be linked with other outpatient DMH directly-

operated or contract agency within the Los Angeles City jurisdiction. In addition, DMH will accept referrals of eligible families from the Authority's Section 8 Housing Choice Voucher and Project Based Voucher (PVB) program waiting lists and provide those families with case management services for at least one year as required under the program. These families must have at least one member who meets DMH criteria and is willing to become enrolled with DMH. DMH is also willing to refer families to the PVB program wait list and provide those families with case management services for at least one year as required under the program.

Within each of its eight (8) Service Areas, DMH has created System Navigator Teams to better assist families in accessing mental health care, housing, and other services. Each team has Housing Specialists/Liaisons who provide assistance to homeless and chronically homeless families to obtain housing. The Housing Specialists/Liaisons assist families to complete housing applications, find permanent housing units, and provide support to help families retain housing. FHSU will work closely with the Housing Specialists/Liaisons to provide training and technical assistance and to ensure utilization of all vouchers issued by HACLA in a timely manner.

In addition, FHSU has developed data reporting systems to meet all Homeless Section 8 grant requirements. For example, FHSU developed a quarterly Client Progress Report for Case Managers to track clients' housing status and their level of supportive services. This system ensures that service requirements are met and termination of services and changes in housing status are immediately reported to HACLA as appropriate. If permitted, DMH will submit new Homeless Section 8 applications so that any vacated vouchers can be utilized. DMH will also submit a monthly Homeless Section 8 Status Report to HACLA of the number of applications submitted. In addition, DMH will maintain a list of referrals to the Authority by date as well as

comply with requests from the Authority, HUD, and/or the Office of the Inspector General (OIG) to provide any written documentation/reports and make those records available as needed for any monitoring audits that may be required to ensure program compliance. DMH will permit on-site monitoring audits on at least an annual basis to ensure program compliance.

Maintaining Permanent Housing

Once rental units are leased, Housing Specialists/Liaisons and Case Managers will assist families with money management and preparation of household budgets. Counseling will be provided to families for housekeeping, independent living skills and tenant obligations to the Section 8 landlord and the Authority. They will mentor families in the use of domestic appliances, including stoves, vacuum cleaners, smoke alarms, fire extinguishers and emergency exits. Families will also be helped to familiarize themselves with the neighborhood, bus lines, shopping and other amenities. Housing Specialists/Liaisons and Case Managers will also assist with averting possible evictions by promptly addressing any concerns from property owners, managers and families that may arise; ensuring that agreed upon services are provided; assisting with housing retention efforts; and facilitating communication among all involved parties.

Families with household members with physical disabilities, such as HIV/AIDS-related health issues, mobility issues, or frail, elderly persons, will be helped to locate ADA-accessible units, or obtain adaptive improvements, such as ramps, shower bars, and lifeline services. In some cases, staff may assist in arranging in-home nursing or domestic help. All families will have access to the Legal Aid Foundation of Los Angeles and other groups for tenant advocacy, and are encouraged to utilize them, if necessary.

Supportive Services

The type, frequency, and duration of supportive services provided to Homeless Section 8 participants will be based on a comprehensive, individualized needs assessment and care plan developed between clients and their mental health case managers. This assessment will address the full range of clients' services, including mental health, medical, financial, housing, social, educational and vocational needs, adhering to the principles of client wellness and recovery. Based on this assessment, Case Managers will assist in development of a Client Care Coordination Plan (CCCP) that identifies service objectives, and the activities and timeframes for achieving them. Assessment and care planning will also involve screening the needs of individuals living with HIV/AIDS to ensure they are provided adequate medication support and linkage to HIV prevention and treatment services. Any history of substance use will be addressed and resources to support them with recovery goals will be identified. The care plans will take into account individual preferences, strengths, life goals, and cultural and linguistic needs.

Following completion of the CCCP, Case Managers will ensure integrated service delivery by coordinating care and advocating for their clients. Service needs will be reviewed and modified regularly with full client participation. Advocacy for treatment and protection of vulnerable persons will be available through the DMH Patient Rights' Office.

Specific Homeless Section 8 service components will include:

Mental Health Services

Clinic-based and field-based interdisciplinary treatment teams, comprised of Psychiatrists, Psychologists, Nurses, Social Workers, Mental Health Therapists, Housing Specialists/Liaisons and Case Managers, will provide integrated, recovery-focused mental health services to assist

impoverished homeless and chronically homeless families to successfully reintegrate into the community. Services will include ongoing evaluation and assessment; medication management; therapy; substance abuse education and counseling; HIV/AIDS prevention education and treatment; support groups, and care coordination.

Care Coordination

All clients will have a designated Case Manager who will have primary responsibility for coordinating the delivery of integrated mental health and recovery services, as well as for monitoring the clients' progress and well being. FHSU's designated staff will liaise with Housing Specialists/Liaisons and Case Managers in DMH clinics and agencies to ensure that children are enrolled in appropriate services within the community. All participants of the Homeless Section 8 program will be visited in their apartments on a quarterly basis. Records of these visits will be retained in case management service files and made available to HACLA upon request. DMH will provide case management services on a monthly basis for at least one (1) year after lease-up and until the client no longer requires these services. DMH has demonstrated experience meeting these service requirements during the required first year after lease up and beyond. For example, in 2010, 74% of clients continued to receive supportive services after one year in the Homeless Section 8 program.

Care coordination services will include assistance developing community support systems to address mental health, substance abuse, medical (including screening and interventions particular to HIV/AIDS and other sexually transmitted diseases), dental, preventive health, rehabilitation, education, employment, transportation, and other needs. Family support services will be provided as needed and requested by the client. Care coordination will also include an

assessment of any minor children's educational status and Case Managers will liaise with the school districts to maintain children in the most appropriate settings. DMH Case Managers will provide advocacy and work closely with school districts to ensure that homeless children are not being stigmatized or treated unfairly. DMH Case Managers will coordinate with the local school districts to provide transportation for children to their school of choice. Case Managers will be responsible for assessing barriers to enrollment in school and for formulating plans and coordinating resources to eliminate the barriers.

Safety and Well-Being

Family safety and well-being is always of paramount concern, and will be ensured in a number of ways. Families will reside in areas where they feel safe and comfortable and DMH will be available for 24-hour crisis response services. Case Managers will monitor the welfare of clients on an ongoing basis, and respond to any significant or potential problems that threaten their well being or housing before problems escalate into crises.

Participant Self-Sufficiency

The proposed program will enable participants to afford permanent housing, provided in conjunction with integrated treatment and the supportive services necessary to maintain stable functioning and reduce repeated homelessness. Participants in the Homeless Section 8 program will also have access to specialized programs designed to enhance their incomes and/or maximize their ability to live independently including one-to-one mentoring about independent living skills in clients' home settings as well as employment and education services. DMH offers employment and education services in its outpatient clinics and wellness centers. Resources available to families include but are not limited to: vocational assessment; a client-run job club;

job development, placement and retention services; and support groups that address goal-setting, self-esteem development, and money management. To assist clients with obtaining skills needed to enter the competitive workforce, DMH has developed partnerships with community colleges, adult education schools, and regional occupational programs to provide training and educational opportunities for clients. These extensive supportive services will facilitate each client's ability to maintain long-term housing.

Additional skills training and employment services are offered through DMH's Cooperative Agreement with the State Department of Rehabilitation. Services consist of job development and placement, as well as ongoing job coaching and other support services for participants who become employed, to help them maintain their jobs.

Wellness Centers and Client-Run Centers are two other programs that provide supportive services for adult clients at stages of recovery that require less professional care. These programs provide peer support services geared toward community reintegration and an eventual exit from the formal mental health system. A total of forty-nine (49) Wellness Centers and twelve (12) Client Run Centers are currently operating throughout Los Angeles County with at least two (2) Wellness Centers in each Service Area. Each center provides recovery-oriented, client-focused services to transition clients who no longer need intensive services or traditional outpatient services into services that focus more on employment and education services; peer support groups and other services; and client assistance in accessing services in the community.

ASSISTANCE FROM THE HOUSING AUTHORITY

DMH will require the following from the Housing Authority:

- Notification when applications are approved
- Monthly voucher issuance list
- Monthly lease-up list
- Verification of data that DMH submits in its monthly reports to the Authority

HMIS

DMH is meeting on January 20, 2011 with LAHSA to better understand HUD Homeless Management Information Systems (HMIS) implementation and reporting requirements and to develop an implementation plan. DMH is willing and able to collaborate with LAHSA to comply with any HMIS requirements.

CONCLUSION

The efforts of FHSU are one of the many ways DMH works to decrease homelessness and chronic homelessness by assisting impoverished families to obtain and maintain permanent housing. In partnership with HACLA and other community agencies, DMH intends to significantly reduce homelessness, provide much-needed services, and support families in their journey towards recovery and self-sufficiency.

The CONTRACTOR will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations and relevant orders of the Secretary of Labor.

The CONTRACTOR will furnish all information and reports required by the Executive Order and by the rules, regulations and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the AUTHORITY and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

In the event of the CONTRACTOR'S noncompliance with the non-discrimination clauses of this Agreement or with any of such rules, regulations or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Orders and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation or order of the Secretary of Labor, or as otherwise provided by law.

The CONTRACTOR will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such actions with respect to any subcontract or purchase order as the AUTHORITY may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the CONTRACTOR becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by the AUTHORITY, the CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

35. FEDERAL LOBBYIST REQUIREMENTS

The CONTRACTOR is prohibited by the Department of the Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's Title 24 Code of Federal Regulations (CFR) 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an

officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, loan or cooperative agreement, and any extension, continuation, renewal, amendment or modification of said documents.

The CONTRACTOR must certify in writing on the Federal Lobbyist Requirements Certification form, attached hereto as Attachment IV, that they are familiar with the Federal Lobbyist Requirements and that all persons and/or subcontractors acting on behalf of the CONTRACTOR will comply with the Lobbyist Requirements.

Failure on the part of the CONTRACTOR or persons/subcontractors acting on behalf of the CONTRACTOR to fully comply with the Federal Lobbyist Requirements shall be subject to civil penalties.

36. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The CONTRACTOR shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

37. USE OF RECYCLED-CONTENT PAPER PRODUCTS

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills the CONTRACTOR agrees to use recycled-content paper to the maximum extent possible on this project.

38. CONTRACTOR RESPONSIBILITY AND DEBARMENT

- a. A responsible contractor is a contractor, consultant, vendor or operating agency who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the AUTHORITY, Community Development Commission (Commission), and County of Los Angeles (County) to conduct business only with responsible contractors.
- b. The CONTRACTOR is hereby notified that if the AUTHORITY acquires information concerning the performance of the CONTRACTOR on this or other contracts which indicates that the CONTRACTOR is not responsible, the AUTHORITY may, in addition to other remedies provided in the contract, debar the CONTRACTOR from bidding or proposing on, or being awarded, and/or performing work on AUTHORITY contracts for a specified period of time, which generally will not exceed five years, but may exceed five years or be permanent if warranted by circumstances, and terminate

any or all existing contracts the CONTRACTOR may have with the AUTHORITY.

- c. The AUTHORITY may debar a CONTRACTOR, consultant, vendor or operating agency if the Board of Commissioners finds, in its discretion, that the CONTRACTOR has done any of the following: (1) violated any term of a contract with the AUTHORITY, Commission, or County, or a nonprofit corporation created by the AUTHORITY, Commission, or County, (2) committed an act or omission which negatively reflects on the quality, fitness or capacity to perform a contract with the AUTHORITY, Commission, or County, any other public entity, a nonprofit corporation created by the AUTHORITY, Commission, or County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the AUTHORITY, Commission, County, or any other public entity.
- d. If there is evidence that the CONTRACTOR may be subject to debarment, the AUTHORITY will notify the CONTRACTOR in writing of the evidence, which is the basis for the proposed debarment and will advise the CONTRACTOR of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- e. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The CONTRACTOR and/or the CONTRACTOR'S representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the CONTRACTOR should be debarred, and, if so, the appropriate length of time of the debarment. The CONTRACTOR and the AUTHORITY shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- f. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- g. If a CONTRACTOR has been debarred for a period longer than five years, that CONTRACTOR may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The AUTHORITY may, at its discretion, reduce the period of debarment or terminate the debarment if it finds that the CONTRACTOR

has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the AUTHORITY.

- h. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the CONTRACTOR has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the CONTRACTOR Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment Hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- i. These terms shall also apply to subcontractors and subconsultants of County, Housing Authority, or Commission contractors; consultants, vendors and agencies.

39. COMPLIANCE WITH JURY SERVICE PROGRAM

- a. Unless the CONTRACTOR has demonstrated to the AUTHORITY'S satisfaction either that the CONTRACTOR is not a "Contractor" as defined under the Jury Service Program or that the CONTRACTOR qualifies for an exception to the Jury Service Program, the CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from the CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the CONTRACTOR or that the CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.
- b. For purposes of this Section, "CONTRACTOR" means a person, partnership, corporation or other entity which has a contract with the AUTHORITY or a subcontract with an AUTHORITY contractor and has

received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more of the AUTHORITY'S contracts or subcontracts. "Employee" means any California resident who is a full time employee of the CONTRACTOR. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the AUTHORITY, or 2) the CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the CONTRACTOR uses any subcontractor to perform services for the AUTHORITY under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

- c. If the CONTRACTOR is not required to comply with the Jury Service Program when the Contract commences, the CONTRACTOR shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the CONTRACTOR shall immediately notify the AUTHORITY if the CONTRACTOR at any time either comes within the Jury Service Program's definition of "CONTRACTOR" or if the CONTRACTOR no longer qualifies for an exception to the Program. In either event, the CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. The AUTHORITY may also require, at any time during the Contract and at its sole discretion, that the CONTRACTOR demonstrate to the AUTHORITY'S satisfaction that the CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that the CONTRACTOR continues to qualify for an exception to the Program.
- d. The CONTRACTOR'S violation of this Section of the contract may constitute a material breach of the Contract. In the event of such material breach, the AUTHORITY may, at its sole discretion, terminate the Contract and/or bar the CONTRACTOR from the award of future AUTHORITY contracts for a period of time consistent with the seriousness of the breach.

40. ACCESS AND RETENTION OF RECORDS

The CONTRACTOR shall provide access to the AUTHORITY, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the CONTRACTOR which are directly pertinent to this Agreement for the purpose of making audits, examinations, excerpts and transcriptions.

The CONTRACTOR is required to retain the aforementioned records for a period of five years after all pending matters are closed under this Agreement.

41. CONFLICT OF INTEREST

- a. The CONTRACTOR represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Agreement, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one (1%) percent or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the AUTHORITY. Upon execution of this Agreement and during its term, as appropriate, the CONTRACTOR shall, disclose in writing to the AUTHORITY any other contract or employment during term of this Agreement by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the AUTHORITY'S interest and the interests of the third parties.
- b. The CONTRACTOR must also ensure that to the best of its knowledge, no person served under this Agreement, is an officer, employee, or relative of an officer or employee of the AUTHORITY, the CONTRACTOR, or a local or federal government agency who formulates policy or influences decisions with respect to federally funded rental assistance programs or a public official or member of the local governing body or member of Congress. As such, the CONTRACTOR must ensure that each participant served under this Agreement certify via the *Certification of No Conflict of Interest* form (provided by the AUTHORITY to the CONTRACTOR via the *SPC-Handbook*) that they are familiar with the No Conflict of Interest policy and that all persons and/or subcontractors acting on behalf of the CONTRACTOR will comply with this requirement.

42. SEVERABILITY

In the event that any provision herein contained is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope of breadth permitted by law.

43. INTERPRETATION

No provision of this Agreement is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Agreement is to be construed as if drafted by both parties hereto.

44. **WAIVER**

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

45. **PATENT RIGHTS**

The AUTHORITY will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Agreement.

46. **COPYRIGHT**

No report, maps, or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the CONTRACTOR. All such documents become the property of the AUTHORITY and the AUTHORITY holds all the rights to said data.

47. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW**

The CONTRACTOR shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment VIII of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

48. **CONTRACTOR'S ACKNOWLEDGMENT OF AUTHORITY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW**

The CONTRACTOR acknowledges that the AUTHORITY places a high priority on the implementation of the Safely Surrendered Baby Law. The CONTRACTOR understands that it is the AUTHORITY's policy to encourage all AUTHORITY contractors to voluntarily post the AUTHORITY's "Safely Surrendered Baby Law" poster in a prominent position at the contractor's place of business. The CONTRACTOR will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the CONTRACTOR with the poster to be used.

49. **CONTRACTOR'S CHARITABLE CONTRIBUTIONS COMPLIANCE**

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB1262, Chapter 919) increased Charitable Purposes

Act requirements. By requiring contractors to complete the "Charitable Contributions Certification" form, attached hereto as Attachment VI, the AUTHORITY seeks to ensure that all AUTHORITY contractors that receive or raise charitable contributions comply with California law in order to protect the AUTHORITY and its taxpayers. A contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either Agreement termination or debarment proceedings, or both.

50. **CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

The CONTRACTOR acknowledges that the AUTHORITY has established a goal of ensuring that all individuals and businesses that benefit financially from the AUTHORITY through Agreement are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the Los Angeles County and its taxpayers. Unless the CONTRACTOR qualifies for an exemption or exclusion, the CONTRACTOR warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Agreement will maintain compliance, with the County's Defaulted Tax Program pursuant to Los Angeles County Code, Chapter 2.206.

51. **TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**

Failure of the CONTRACTOR to maintain compliance with the requirements set forth in the above paragraph, Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to the AUTHORITY under any other provision of this Agreement, failure of the CONTRACTOR to cure such default within ten (10) days of notice shall be grounds upon which the AUTHORITY may terminate this Agreement and/or pursue debarment of the CONTRACTOR, pursuant to County's Defaulted Property Tax Reduction Program pursuant to Los Angeles County Code, Chapter 2.206.

The attached Los Angeles County Code, Chapter 2.206, Defaulted Property Tax Reduction Program and Certification of Compliance with the County's Defaulted Property Tax Reduction Program, are attached hereto as Attachments IX and X, respectively, and incorporated by reference into and made part of this Agreement.

52. **AUTHORIZATION WARRANTY**

Each party represents and warrants that the person executing this Agreement or any amendment thereto for that party is an authorized agent of such party who has actual authority to bind the party to each and every term, condition

and obligation of this Agreement, and that all requirements of each party have been fulfilled to provide such actual authority.

Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. Such carriers must be approved by the California Department of Insurance and must be included on the California Department of Insurance List of Eligible Surplus Line Insurers (hereinafter "LESLI"). Such carriers must have a minimum rating of or equivalent to A:VIII in Best's Insurance Guide. The CONTRACTOR shall, concurrent with the execution of this Agreement, deliver to the AUTHORITY certificates of insurance with original endorsements evidencing the insurance coverage required by this Agreement. Said insurance shall be in a form acceptable to the AUTHORITY and may provide for such deductibles as may be acceptable to the AUTHORITY. Any self-insurance program and self-insured retention must be separately approved by the AUTHORITY. In the event such insurance does provide for deductibles or self-insurance, the CONTRACTOR agrees that it will defend, indemnify and hold harmless the AUTHORITY, Commission, County, and their elected and appointed officers, officials, representatives, employees, and agents in the same manner as they would have been defended, indemnified and held harmless if full coverage under any applicable policy had been in effect. Each such certificate shall stipulate that the AUTHORITY be given at least thirty (30) days' written notice in advance of any cancellation or any reduction in limit(s) for any policy of insurance required herein. The CONTRACTOR shall give the AUTHORITY immediate notice of any insurance claim or loss which may be covered by insurance. The CONTRACTOR represents and warrants that the insurance coverage required herein will also be provided by any entities with which the CONTRACTOR contracts, as detailed below. All certificates of insurance and additional insured endorsements shall carry the following identifier:

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

ATTACHMENT I – INSURANCE REQUIREMENTS (CONTINUED)

In the event of such a breach, the AUTHORITY shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. The CONTRACTOR's failure to assert or delay in asserting any claim shall not diminish or impair the AUTHORITY's rights against the CONTRACTOR or the insurance carrier.

When the CONTRACTOR is naming the AUTHORITY as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 10 01. When any entity with which the CONTRACTOR is contracting, is naming the Commission as an additional insured on any of the insurance policies set forth herein, then the additional insured endorsement shall contain language similar to the language contained in ISO form CG 20 10 11 85.

The following insurance policies shall be maintained by the CONTRACTOR and any entity with which the CONTRACTOR contracts for the duration of this Agreement, unless otherwise set forth herein:

ATTACHMENT V**BACKGROUND AND RESOURCES:
CALIFORNIA CHARITIES REGULATION**

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

Notice 1015

(Rev. December 2009)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2009 are less than \$48,279 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2010.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know if They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2009 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2009 and owes no tax but is eligible for a credit of \$829, he or she must file a 2009 tax return to get the \$829 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2010 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1-877-BABY SAFE 1-877-222-9723

www.babysafela.org

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the number placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, o de cualquier persona a quien los padres lo hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafe.ca.org

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Solo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarse en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adultos hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta, dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
