(3 VOTES)**

SUBJECT

Request approval to enter into a Legal Entity Agreement, sign a lease agreement and a Funding Agreement with Exodus Recovery Non-Profit Foundation to restore a Psychiatric Urgent Care Center at Martin Luther King, Jr. Medical Center and approve appropriation adjustment.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the execution of a Legal Entity Agreement, a lease and a Funding Agreement with Exodus Recovery Non-Profit Foundation (Exodus Foundation) for the use of the Ted Watkins Building at Martin Luther King, Jr. Medical Center, for use as a Psychiatric Urgent Care Center including primary care services as well as the proposed repairs to the Ted Watkins Building, are exempt from the California Environmental Quality Act (CEQA), for the reasons stated in this letter and in the record of the project.
2. Approve the Project to be implemented and operated by Exodus Foundation and instruct the Director of Mental Health (Director) or his designee to prepare, sign, and execute a Legal Entity Agreement (Agreement), substantially similar to Attachment A, with Exodus Foundation to restore the MLK Psychiatric Urgent Care Center (UCC) at Martin Luther King, Jr. (MLK) Medical Center. The

Maximum Contract Amounts (MCA) for Fiscal Years 2013-14, 2014-15, 2015-16 and 2016-17 are \$3,117,421, \$6,857,117, \$6,857,117 and \$6,857,117, respectively, which will be funded by various federal, State, and County revenues. The FY 2013-14 MCA includes \$1,273,142 and \$1,339,279 for one-time capital improvements and one-time start-up costs, respectively. The Agreement will be effective upon your Board's approval through June 30, 2014 with three one-year automatic extension periods.

3. Delegate authority to the Director, or his designee, to prepare, sign and execute future amendments to the Agreement with Exodus Foundation, including amendments that increase the MCA, provided that: 1) the County's total payments to Exodus Foundation in any fiscal year do not exceed an increase of 20 percent from the applicable MCA which the Board is being asked to approve in Recommendation 2 above; 2) any such increase is used to provide additional services or to reflect program and/or policy changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval as to form by County Counsel, or his designee, is obtained prior to execution of any such amendment; 5) County and Contractors may, by written amendment, reduce programs or services and revise the applicable MCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH's stakeholders' process; and 6) the Director notifies your Board and the Chief Executive Officer (CEO) of agreement changes in writing within 30 days after execution of each amendment.

4. Approve and instruct the Chairman to sign a three year gratis lease, substantially similar to Attachment B, with Exodus Foundation and provide year-to-year extensions to run concurrently with the Legal Entity Agreement for the use of the Ted Watkins Building, located on the MLK Medical Center campus at 12021 S. Wilmington Avenue, Los Angeles and find that the premises to be leased to Exodus Foundation is not needed for other County purposes, and that entering into the lease under the proposed terms and conditions will further programs which are in the best interest of the County and general public, per Section 26227 of the Government Code.

5. Authorize the CEO to execute a Funding Agreement with Exodus Foundation in an amount not to exceed \$500,000, to implement repair activities at the Ted Watkins Building located on the MLK Medical Center campus.

6. Approve an Appropriation Adjustment (Attachment C) to transfer \$500,000 from Provisional Financing Uses to Project and Facility Development to fund the Funding Agreement with Exodus Foundation to make repairs to the Ted Watkins Building.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Legal Entity Agreement

Board approval of the recommended actions will find the proposed project exempt from the CEQA and enable the Department of Mental Health (DMH) to enter into a Legal Entity Agreement and sign a lease agreement with Exodus Foundation to provide UCC services 24 hours per day, seven days per week at MLK Medical Center in the Ted Watkins Building located at 12021 S. Wilmington Avenue, Los Angeles, 90059. Additionally, this will constitute a restoration of critical UCC services in Service Area (SA) 6.

DMH currently operates one UCC and contracts with two private mental health providers for UCC

services throughout the County. UCCs provide intensive crisis services to individuals 13 years and older who would otherwise be taken to or access care in emergency rooms. These individuals include repetitive and high utilizers of emergency and inpatient services, those with co-occurring substance abuse, those needing medication management, and those whose presenting problems can be met with short-term (under 24 hours) immediate care and linkage to community-based services.

The MLK Psychiatric UCC operated by Exodus Foundation will provide intensive outpatient mental health services, shall be Lanterman-Petris-Short (LPS) designated, so as to have the capacity to serve individuals on involuntary holds who otherwise would be taken to emergency rooms. These services restore critical crisis services and are necessary to the ongoing efforts by DMH and Health Services to relieve the overcrowding at LAC+USC and Harbor-UCLA Medical Centers, which is in the best interest of the County and general public.

The Ted Watkins Building consists of approximately 7,941 square feet of space and is currently being used by the Department of Public Works (DPW) as a construction/project management office for the MLK capital projects. The project is nearing completion and DPW is expected to vacate the Building in January 2014. The County does not have any backfill plans. The Building provides a suitable location for Exodus Foundation to provide services on a gratis leased basis under section 26227 of the Government Code. Additionally, it is the intent of Department of Health Services, or its selected community provider, to occupy a portion of the Building (estimated to be approximately 2,000 square feet of the total approximate 7,941 square feet of space) to deliver primary care services.

Ted Watkins Building Repairs and Funding Agreement

As part of this project, certain repairs are required to prepare the Ted Watkins building for use as a Psychiatric UCC. The repairs include re-roofing; replacement of small air-conditioning units; modernization of elevator equipment and cab; repair of landscape sprinklers and; minor re-grading to prevent water infiltration into building. The County will fund the necessary repairs from funds previously set aside for refurbishment of the Ted Watkins Building. The repairs will be carried out by a contractor of the Exodus Foundation, for an amount not to exceed \$500,000. The Department of Public Works has surveyed the building and prepared the scope of work.

Implementation of Strategic Plan Goals

The recommended actions are consistent with County Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The Legal Entity Agreement with Exodus Foundation of \$3,117,421 for FY 2013-14, includes \$1,273,142 and \$1,339,279 for one-time capital improvements and one-time start-up costs, respectively, and will be funded by State Mental Health Services Act, Assembly Bill 109 – 2011 Realignment and Federal Participation Medi-Cal revenues and an Intrafund Transfer from Department of Children and Family Services. The MCAs for FYs 2014-15, 2015-16 and 2016-17 will be \$6,857,117 per fiscal year.

Sufficient appropriation is included in DMH's Final Adopted Budget for FY 2013-14. Funding for

future fiscal years will be included in the recommended budget.

There is no net County Cost impact associated with this recommended action.

Funding Agreement

The attached Appropriation Adjustment will transfer \$500,000 from Provisional Financing Uses (PFU) to the Project and Facility Development Budget, Other Charges to fund the Funding Agreement with Exodus Foundation.

Sufficient appropriation is available in the FY 2013-14 PFU Budget to fund this transfer.

This funding agreement is funded with net County Cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH intends to enter into a Legal Entity Agreement with Exodus Foundation for the purposes of providing UCC services at MLK Medical Center. This will constitute a restoration of critical UCC services in Service Area (SA) 6.

In 2004, in response to a Motion by your Board, DMH initiated the development of mental health UCCs funded by Mental Health Services Act (MHSA) revenue that were intended to decompress emergency rooms and address the increasing demand for inpatient psychiatric services. DMH subsequently established the Augustus F. Hawkins UCC in SA 6 to provide crisis services for adults 18 years and older who were brought to the County hospital Psychiatric Emergency Services or for those who were in crisis but did not require hospitalization. The program was terminated in 2007 upon closure of Martin Luther King, Jr. Medical Center and funding was redirected to other DMH programs.

In December 2006, Exodus Recovery, Inc. implemented the Westside UCC in Culver City, which is LPS designated and operates a 24 hours per day, seven days a week facility, providing psychiatric evaluation, medication support, crisis intervention and stabilization for up to 23 hours, assessment for co-occurring substance abuse disorders and case management for linkage to community services. In 2010 Exodus Recovery, Inc. implemented the highly successful Eastside UCC across the street from LAC+USC Medical Center. An adolescent UCC was added later in 2010 to the program to provide urgent care services for adolescents brought to the UCC at the initiation of DMH field response operations, including children and youth involved with the Department of Children and Family Services and other community agencies.

The MLK Psychiatric UCC operated by Exodus Foundation will also be LPS designated and provide a full range of UCC mental health services for individuals over the age of 13, including assessment, medication support, crisis intervention, individual and group treatment, and targeted case management. Based on the success with its East and Westside UCCs, Exodus Foundation, the non-profit division of Exodus Recovery, Inc., is well positioned to operate the UCC upon execution of the Agreement.

In accordance with your Board Policy Manual, Section 5.120, Authority to Approve Increases to Board Approved Contract Amounts requirements, DMH notified your Board on November 12, 2013 (Attachment D), identifying and justifying the need for requesting a percentage increase exceeding 10 percent, which have been reviewed by the CEO.

The attached Legal Entity Agreement and lease agreement formats have been approved as to form by County Counsel and the CEO-Real Estate Division has reviewed the lease agreement format. Clinical and administrative staff of DMH will administer and monitor the Legal Entity Agreement with Exodus Foundation, evaluate programs to ensure that quality services are being provided, and ensure that agreement provisions and departmental policies are being followed.

ENVIRONMENTAL DOCUMENTATION

The proposed project is categorically exempt from CEQA. The project, which includes the execution of a Legal Entity Agreement, a lease and a Funding Agreement with Exodus Foundation as well as re-roofing, replacement of small air-conditioning units, modernization of elevator equipment and cab, repair of landscape sprinklers and minor re-grading, to the Ted Watkins Building at MLK Medical Center to operate as a Psychiatric Urgent Care Center with primary care services, consisting of approximately 7,941 square feet is within a certain class of project that has been determined not to have a significant effect on the environment in that it meets criteria set forth in Section 15303 (c) and (d) of the State CEQA Guidelines and Class 3(a), (d) and (k) of the County's Environmental Documentation Reporting Procedures and Guidelines, Appendix G. In addition, the project is not located in a sensitive environment and there are no cumulative impacts, unusual circumstances or other limiting factors that would make the exemption inapplicable based on the project records.

Upon the Board's approval, a Notice of Exemption will be filed with the Registrar-Recorder/County Clerk in accordance with Section 15062 of the CEQA Guidelines.

CONTRACTING PROCESS

On July 15, 2013, DMH issued a Request for Statement of Interest (RFSI) to two DMH Legal Entity Contractors with current experience providing UCC services in the County – Exodus Recovery, Inc., and Telecare Corporation. Successful implementation of a UCC program requires a DMH provider with a wide range of experience in providing inpatient and outpatient mental health services including 24 hours per day, seven days per week crisis intervention and stabilization services similar to that provided in an emergency room in a general acute hospital. The purpose of the RFSI was to determine the interest of the agencies who met these requirements in contracting with DMH to operate the UCC at MLK Medical Center. In addition, the RFSI listed a number of requirements that the agencies had to meet including having the capability to obtain LPS designation and the capacity and interest to become a non-profit agency so as to be able to obtain a gratis lease in order to be considered by DMH for a competitive negotiation process.

Exodus Recovery, Inc. was the only agency that responded to the RFSI. DMH program administration staff reviewed the agency's response to substantiate that Exodus Recovery, Inc. met all the requirements stipulated in the RFSI, and upon conclusion of this review, determined that Exodus Recovery, Inc. indeed met all the requirements, including being or becoming a non-profit agency. Subsequently, DMH entered into successful negotiations and is requesting your Board's approval to enter into a Legal Entity Agreement with Exodus Foundation, which will operate the UCC. Exodus Foundation is the non-profit division of Exodus Recovery, Inc.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Agreement will enable DMH to restore and expand current services to adults in the vicinity of MLK Medical Center who are in need of intensive, short-term mental health services that could be provided at the UCC rather than in the county hospital emergency rooms or psychiatric inpatient units.

Respectfully submitted,

Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all subcontractor personnel providing services under such subcontract. 53. **CONTRACTOR RESPONSIBILITY AND DEBARMENT**: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or

ATTACHMENT A

be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may, after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.

ATTACHMENT A

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to subcontractors of County Contractors.

54. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:** Contractor hereby warrants that neither it nor any of its staff members is restricted, excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part. This warranty and notice requirements apply equally to suspensions from the Medi-Cal program as well as any other federally funded health care programs including but not limited to Medicare and Healthy Families.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

ATTACHMENT A

The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Mandatory exclusions under State law from Medi-Cal are similar but also include convictions of a misdemeanor for fraud or abuse involving the Medi-Cal program or a Medi-Cal beneficiary.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Attachment VI (Attestation Regarding Federally Funded Program) as part of its obligation under this Paragraph 54.

Contractor shall also comply with DMH Policy "Contractors Eligibility to Provide Goods and Services to Federally Funded Health Care Programs and to Secure Federally Funded Contracts" which includes the following topics: 1) Contractor's responsibility for any and all Civil Monetary Penalties associated with repayments for claims submitted for excluded or suspended agencies or individuals and 2) Contractor's responsibility to provide employee identification information within three (3) business days should DMH or its representatives request it related to sanction list screening compliance.

Failure by Contractor to meet the requirements of this Paragraph 54 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

55. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:**

ATTACHMENT A

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996, its implementing regulations (HIPAA), and subtitle D, Privacy, of the Health Information Technology for Economic and Clinical Health Act (HITECH). Contractor understands and agrees that it is a “*Covered Entity*” under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA and HITECH, and that such obligations relate to *transactions and code sets, privacy, and security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA and HITECH in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA or HITECH, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA and HITECH compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA or HITECH.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's County's information system.

(1) County has a Guide to Procedure Codes available at <http://lacdmh.lacounty.gov/hipaa/index.html> which includes a “crosswalk” of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(2) County has an electronic Data Interchange (EDI) Agreement forms available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm which includes information about the applicable HIPAA transactions that can be processed in the County's Integrated System (IS) and the Integrated Behavioral Health Information System (IBHIS) respectively.

ATTACHMENT A

(3) Contractor acknowledges that County is transitioning from the IS to IBHIS in which clinical, demographic, administrative, financial, claims, outcomes, and other information will be exchanged between DMH and contract providers exclusively through the use of EDI transactions.

(4) As County defines standard formats for each EDI transaction and determines the method by which each transaction is to be exchanged between Contractor and County, County shall notify Contractor of the effective date(s) by which Contractor shall be required to implement each newly defined EDI transaction through County's release of revised Companion Guides no less than 180 days prior to the effective date(s) upon which each newly defined EDI transaction is required, unless earlier effective date(s) are imposed by law or regulation.

(5) Contractor acknowledges that County may modify EDI transactions as needed. County shall notify Contractor of the effective dates(s) by which Contractor shall be required to comply with each modified EDI transaction in accordance with County's revised EDI transaction requirements through County's release of revised Companion Guides no less than 90 days prior to the effective date(s) of each modified EDI transaction.

(6) Contractor agrees to comply with the exchange of all EDI transactions specified by County and the method by which these transactions are to be exchanged between Contractor and County as of the effective date(s) specified by County.

(7) County has Trading Partner Agent Authorization Agreements available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and [http://lacdmh.lacounty.gov/hipaa/IBHIS EDI homepage.htm](http://lacdmh.lacounty.gov/hipaa/IBHIS_EDI_homepage.htm) which includes the Contractor's authorization to its Agent(s) to submit HIPAA-compliant transactions on behalf of Contractor to the IS and IBHIS respectively.

E. Contractor understands that County operates an informational website <http://dmh.lacounty.gov/wps/portal/dmh> related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

ATTACHMENT A

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreements (TPA) available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html and http://lacdmh.lacounty.gov/hipaa/IBHIS_EDl_homepage.htm shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

56. **TECHNOLOGY REQUIREMENTS:**

A. Contractor shall acquire, manage, and maintain Contractor's own information technology and systems and/or services in order to meet all functional and EDI transaction requirements as specified by County.

B. Contractor shall ensure that all individuals using electronic methods to sign electronic health records in the performance of work specified under this Agreement complete an Electronic Signature Agreement annually.

(1) Contractor shall maintain a copy of each Electronic Signature Agreement and make them available for inspection by County upon request.

(2) Contractor shall submit to County a Legal Entity Electronic Signature Certification to certify compliance with this provision of this Agreement. Contractors who implement electronic methods to sign electronic health records subsequent to the execution of this Agreement shall submit to County a Legal Entity Electronic Signature Certification immediately upon implementation.

(3) County has a Legal Entity Electronic Signature Certification and a sample Electronic Signature Agreement available at http://lacdmh.lacounty.gov/hipaa/edi_homepage.html

57. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that

ATTACHMENT A

Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

58. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

59. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE**

SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

60. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART**

76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

61. **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE**:

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment VIII, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying

ATTACHMENT A

with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

62. **LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM**: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

63. **FORCE MAJEURE**:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by

such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

64. **CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

65. **TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 64 (**CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM**) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

66. **PUBLIC RECORDS ACT**:

A. Any documents submitted by the Contractor; all information obtained in connection with the County's right to audit and inspect the Contractor's documents, books, and

FINANCIAL EXHIBIT A
FINANCIAL PROVISIONS

A. GENERAL

(1) The County shall pay Contractor in arrears for eligible services provided under this DMH Legal Entity Agreement and in accordance with the terms of this Financial Exhibit A up to the amounts identified for each Funded Program as shown in the Financial Summary and as otherwise may be limited under this DMH Legal Entity Agreement and the attachments thereto, including but not limited to this Financial Exhibit A and the Financial Summary.

(a) For the purposes of the Agreement, a “Funded Program” is a set of services paid through a particular funding source for the benefit of a specific beneficiary (e.g., Medi-Cal or Non-Medi-Cal) as identified on a row on the Financial Summary.

(b) For the purposes of the Agreement, the “Funded Program Amount” is the amount identified in the last column of the Financial Summary for each Funded Program.

(c) For the purposes of this Agreement, “Non-Medi-Cal” includes all of the following: Persons with no known outside payer source, persons for whom eligibility for benefits under the State’s Medi-Cal programs is being determined or established, and persons whose eligibility for the Medi-Cal programs was unknown at the time that services were rendered.

(d) The Contractor understands and agrees that the Medi-Cal Funded Program Amount(s) in the Financial Summary is provided based on Contractor’s ability to provide specific services and/or serve specific populations, which may include but not be limited to, Medi-Cal beneficiaries eligible under Early and Periodic, Screening, Diagnosis, and Treatment (EPSDT) Program; Title XXI State Children’s Health Insurance Program (formerly Healthy Families Program); existing Title XIX Short-Doyle/Medi-Cal Program for individuals with low income and resources such as children and families, pregnant women, seniors, and persons with disabilities; and Medicaid (Medi-Cal in California) Coverage Expansion under the Affordable Care Act, as specified in the Negotiation Package. Therefore, Contractor shall ensure access and provision of a full array of Specialty Mental Health Services to all eligible beneficiaries based on client needs as set forth in the Negotiation Package under this Agreement.

(e) The Contractor understands and agrees that the Financial Summary is the aggregation of funds provided under distinct subprograms that are allocated or awarded based on Contractor’s areas of expertise and its ability to provide specific services and/or serve specific populations through specialized programs as indicated in Contractor’s Subprogram Schedule in the Negotiation Package, approved by the Director. The Contractor

understands and agrees that this aggregation of funds is intended to facilitate provisional payments to the Contractor for eligible services rendered under this DMH Legal Entity Agreement and to facilitate the ability of the County to obtain reimbursement from its funding sources, including federal and State reimbursement for eligible services to Medi-Cal beneficiaries.

(f) The Contractor understands and agrees that this aggregation of funds in the Financial Summary is not intended to allow Contractor to redirect funds that were originally allocated or awarded for the benefit of a specific population or for specific types of services.

(g) The Contractor understands and agrees that the Subprogram Schedule reflects the specific subprogram amount(s) per Funded Program as indicated in the approved Negotiation Package.

(2) The Contractor shall comply with all requirements necessary for reimbursement as established by federal, State and local statutes, laws, ordinances, rules, regulations, manuals, policies, guidelines and directives.

(3) In order to reduce County costs, the Contractor shall comply with all applicable provisions of the Welfare and Institutions Code (WIC) and/or California Code of Regulations (CCR) related to reimbursement by non-County and non-State sources, including, but not limited to, collecting reimbursement for services from clients (which shall be the same as patient fees established pursuant to WIC Section 5710) and from private or public third-party payers. In addition, Contractor shall ensure that, to the extent a recipient of services under this Agreement is eligible for coverage under Medicaid or Medicare or any other federal or State funded program (an eligible beneficiary), services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries.

(a) Contractor shall be responsible for delivering services to the extent that funding is provided by County. To the extent that Contractor does not have funds allocated in this Agreement for a Funded Program that pays for services to a particular eligible beneficiary, Contractor shall, at the first opportunity, refer said eligible beneficiary to another Contractor or County facility, within the same geographic area to the extent feasible, that has available funds allocated for that Funded Program.

(b) To the extent that the County determines Contractor has improperly claimed services to a particular Funded Program, County may disallow payment of said services and/or may make corrective accounting transactions to transfer the payment of the said services to the appropriate Funded Program and/or require Contractor to void said claimed

services and replace/resubmit said services for payment from the correct Funded Program, if applicable.

(5) The Countywide Maximum Allowances (CMA) are in effect during the Initial Period, the First Automatic Renewal Period, or the Second Automatic Renewal Period, or any part thereof, and shall be applicable to this Agreement as of the date adopted by.

B. LIMITATIONS ON MAXIMUM REIMBURSEMENT

(1) The total maximum reimbursement that will be paid by County to Contractor under this Agreement shall be, in no event, more than the Maximum Contract Amount (MCA) for the Initial Period, First Automatic Renewal Period and the Second Automatic Renewal Period, respectively, of this Agreement.

(a) In addition to the general limitation of Paragraph B (1) of this Financial Exhibit A, in no event shall the maximum reimbursement that will be paid by County to Contractor under this Agreement for any Funded Program be more than the amount identified as the Funded Program Amount for each Funded Program, as provided on the Financial Summary for the Initial Period, First Automatic Renewal Period and the Second Automatic Renewal Period, respectively, of this Agreement.

The Parties acknowledge that the actual number of individuals seeking care from Contractor who have coverage under a particular Funded Program may differ from the estimated number upon which the Funded Program Amounts were based and that it may be appropriate to increase Contractor's responsibility to provide services to some eligible individuals while decreasing its responsibilities to provide services to other

types of eligible individuals. Any such modification in Contractor's responsibilities, along with commensurate changes in the appropriate Funded Program Amounts, may be accomplished through a formal amendment or administrative amendment for shifting of funds, completed in advance of the provision of services and as outlined in the DMH Policy, *Shifting Guidelines for the Legal Entity Agreement*. In case of an administrative amendment, such administrative amendment may be executed by Director under delegated authority from the Board of Supervisors without prior approval of County Counsel. (e) Contractor shall, as soon as practicable, notify County of any delay in meeting the timeframe for submitting claims specified in Subparagraph (3) of this Paragraph F (BILLING PROCEDURES) in the event Contractor is not able to make timely data entry into the County's claims processing information system due to no fault on the part of Contractor. Such Contractor notification should be immediate upon Contractor's recognition of the delay and must include a specific description of the problem that the Contractor is having with the County's claims processing information system. Notification shall be pursuant to the DMH Legal Entity Agreement, Paragraph 65 (NOTICES), and such notification shall also be made by Contractor to the DMH Chief Information Office Bureau's Help Desk.

(f) The County will notify Contractor in writing as soon as practicable of any County issue(s) which will prevent the entry by Contractor of claiming information into the County's claims processing information system, and County will waive the requirement of Subparagraph (3) of this Paragraph F (BILLING PROCEDURES) in the event of any such County issue(s). Once County has notified Contractor that its issues are resolved, Contractor shall enter

billing information into the County's claims processing information system within thirty (30) calendar days of County's notice unless otherwise agreed to by County and Contractor.

i. To the extent that issues identified pursuant to Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) requires that Contractor modify its procedures for entering claims into the County's claims processing information system, Contractor shall consult with County regarding a reasonable time required to implement such modifications and, upon approval by County, the thirty (30) calendar days required by Subparagraph (3) (f) of this Paragraph F (BILLING PROCEDURES) shall be extended by the amount of time required to implement such modifications.

(g) County may modify the County's claims processing information system at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing of any such modification and the reason, if known, for the modification and the planned implementation date of the modification. To the extent that such modifications create a delay in Contractor submitting claims into the County's claims processing information system for a period of time, the timelines under this Paragraph F (BILLING PROCEDURES) shall be extended by the number of calendar days reasonably based on the time the system is inactive.

(4) Institutions for Mental Diseases (IMD): If Contractor is an IMD, Contractor shall, no later than the 15th of each month, submit an invoice to the County for patient days approved in writing by the County for the previous month. Said invoice shall be in a form as specified by the County, and will include an itemized accounting of all charges for each patient day. Invoices shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(5) Medi-Cal Administrative Activities (MAA): To the extent that MAA is identified as a Unique Funded Program in the Financial Summary, Contractor shall submit claims for reimbursement for MAA by entering the eligible MAA services provided and the actual time incurred rendering the MAA services into the County's MAA data base system within thirty (30) calendar days of rendering the MAA services.

(a) County may modify the County's MAA data base system, at any time in order to comply with changes in, or interpretations of, State or federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify Contractor in writing prior to implementing any such modification and the reason, if known, for the modification and the planned implementation date of the modification.

(6) Direct Charges: Contractor shall submit invoices for Direct Charges within sixty (60) calendar days of the end of the month in which the eligible expense was incurred. Such

invoice shall be in the form and include the content specified by County for each Funded Program. Invoices shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS) of this Financial Exhibit A. Failure to comply with the terms specified in Subparagraph (6) of this Paragraph F (BILLING PROCEDURES) may result in non-payment of said invoice.

(a) In addition to all other limitations provided in this Paragraph F (BILLING PROCEDURES), Direct Charges for all services provided through June 30th of a given fiscal year under Categorically Funded Programs as set forth in the Financial Summary shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS) no later than July 15th of the subsequent fiscal year.

G. COUNTY PAYMENT FOR SERVICES RENDERED

(1) General: County agrees to reimburse Contractor for services rendered under Funded Programs during the term of this Agreement based on the provisional rates agreed to by the County for the Initial Period, First Automatic Renewal Period and Second Automatic Renewal Period, respectively, subject to all of the rules, regulations and policies established by the County, State and/or federal governments regarding payment and reimbursement of services, and in accordance with the terms of this Agreement.

(2) County Payments: After Director's review and approval of the billing or invoice, County shall provisionally pay Contractor in accordance with the following:

(a) County shall make good faith efforts to make payments for services billed through the County's claims processing information system as soon as possible after submission and approval, subject to the limitations and conditions specified in this Agreement, but no more than sixty (60) calendar days after submission and approval. County shall make available a schedule of anticipated payment dates for claims submitted by Contractor into the County's claims processing information system prior to July 1 of each year.

(b) Payments for services or Direct Charges billed through invoices shall be paid no more than sixty (60) calendar days after receipt of a complete and accurate invoice, subject to the limitations and conditions specified in this Agreement.

(c) Payments for MAA will be made on a quarterly basis and will be based upon actual State approval and State payment to the County of MAA claims. Only Contractors who have been approved by the State to participate in and to claim reimbursement for MAA and who have MAA authorized as a Unique Funded Program in their Contract are permitted to claim MAA.

H. BILLING AND PAYMENT LIMITATIONS

(1) Provisional Payments: County payments to Contractor for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future County, State and/or federal adjustments. County adjustments to provisional payments to Contractor will be based upon the match fund amount specified in the Financial Summary, County's claims processing information system data, MAA data base information, State adjudication of Medi-Cal claims files, contractual limitations of this Agreement, annual cost report, application of various County, State and/or federal reimbursement limitations, application of any County, State and/or federal policies, procedures and regulations, and/or County, State or federal audits, all of which take precedence over monthly claim reimbursements. County and Contractor acknowledge that the references in this Paragraph H (BILLING AND PAYMENT LIMITATIONS) represent examples only and are not intended, nor shall be construed, to represent all of the circumstances or conditions that may result in adjustments to provisional payments.

(2) Limitations on Payments to Organizational Providers: In addition to all other limitations provided in this Paragraph H (BILLING AND PAYMENT LIMITATIONS), reimbursement to Organizational Providers also shall be limited by number of authorized visits over the threshold as stipulated in the County of Los Angeles DMH Local Mental Health Plan Provider Manual.

(3) Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Paragraph H (BILLING AND PAYMENT LIMITATIONS), reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. Contractor shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

(a) Reimbursement of certain Direct Charges, such as but not limited to capital improvement, are contingent upon the delivery of appropriate and associated services. If the County reasonably determines from a review of Contractor's service and billing records that the Contractor failed to deliver required services associated with such Direct Charge(s), County shall have the right to adjust and/or recover provisional payment associated with such Direct Charge(s). The recovery from Contractor shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) in accordance with the terms of Paragraph S (METHOD OF PAYMENT FOR AMOUNTS DUE TO COUNTY) and Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(4) Adjustment of Claims Based on Other Data and Information: The County shall have the right to adjust claims based upon data and information that may include, but is not limited to, County's claims processing information system reports, remittance advices, State

adjudication of Medi-Cal claims, 835 data, and Contractor's annual Cost Report, all of which shall supersede and take precedence over claims.

(5) Adjustment of Claims for Agreement Compliance: Director, in his sole discretion and at any time and without prior written notice to Contractor, may take any necessary actions required to ensure that Contractor shall not be paid a sum in excess of the amount due to the Contractor under the terms and conditions of this Agreement. Such actions may include, but are not limited to, reimbursing claims submitted through the claims processing information system at an amount less than that amount that would be calculated using Contractor's provisional rates, denying claims for payment; holding claims for Medi-Cal services from being forwarded for adjudication by the State; and/or withholding payment of certain claims. And/or demanding repayment from Contractor

(a) Concurrent with any such action, Director shall provide Contractor with written notice of the County's decision to take such action(s), including the reason(s) for the action. Thereafter, Contractor may, within ten (10) calendar days of Contractor's receipt of the notification, request reconsideration of the County's decision. Contractor may request in writing, and shall receive if requested, County's computations for making a determination that such action was necessary, including any amount(s) held, denied or reduced.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within fifteen (15) calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision which may include County's request to Contractor to void said claims in the County's claim processing information system. The decision of the Director will be final.

(d) In the event of failure of Contractor to timely notify County of its intended disposition of questioned claims, County reserves the right to take such action as is necessary as to preserve possible reimbursement of said claims from a funding source. Should the County grant reconsideration, such reconsideration will only be applicable to claims paid and processed to the appropriate funding sources after the date that said reconsideration is granted.

(6) County Withhold of Payment for Contractor Lapse in Providing Service Data: If Contractor fails to submit service data as required by County, then the County may, in its discretion, withhold all or a portion of its payment until County is in receipt of complete and correct service data and such service data has been reviewed and approved by Director.

(a) Prior to withholding payment, Director shall provide Contractor with at least thirty (30) calendar days written notice of the County's decision to withhold payment, including the reason(s) for intended action and the identification of the incomplete or incorrect service data. Thereafter, Contractor may, within fifteen (15) calendar days, request reconsideration of the County's decision.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose a date for submitting the complete and correct data.

(c) Within fifteen (15) calendar days of said meeting, County shall, in writing, notify Contractor, of its final decision. The decision of the Director will be final.

(d) Upon receipt from the Contractor of revised service data, Director shall review such revised service data within sixty (60) calendar days of receipt. Upon determination that such submitted service data is complete and correct, County shall release withheld payments within thirty (30) days of such determination.

(7) County Denial of Payments for Lack of Documentation: Director may deny payment for services when documentation of clinical work does not meet minimum State and County written standards.

(a) Prior to denying payment, Director shall provide Contractor with at least thirty (30) calendar days' written notice of the County's decision to deny payment, including the reason(s) for the intended actions. Thereafter, Contractor may, within fifteen (15) calendar days, request reconsideration of the County's decision.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within fifteen (15) calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.

(8) County Suspension of Payment for Default: Director may suspend payments to Contractor, for good cause, if the Director determines that Contractor is in default under any of the provisions of this Agreement.

(a) Except in cases of alleged fraud or similar intentional wrongdoing or a reasonable good faith determination of impending insolvency, Director shall provide Contractor with

at least thirty (30) calendar days' notice of such suspension, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within fifteen (15) calendar days, request reconsideration of Director's decision to suspend payment. Suspension of payment to Contractor shall not take effect pending the results of such reconsideration process.

(b) Upon receiving a request for reconsideration from Contractor, County shall, within fifteen (15) calendar days, schedule a meeting with Contractor to consider Contractor's request to reconsider its action. At said meeting, Contractor may present to the County information or documentation relevant to the circumstances that led the County to take such actions and may propose alternative actions.

(c) Within fifteen (15) calendar days of said meeting, County shall, in writing, notify Contractor of its final decision. The decision of the Director will be final.

(9) No Payment for Services Rendered Following Expiration/Termination of Agreement: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement or any part thereof. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

(10) Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

I. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS

(1) This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

(2) This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the federal government which may in any way affect the provisions or funding of this Agreement.

(3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board of Supervisors reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, and the services to be provided by the Contractor under this Agreement shall also be

reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth above in Subparagraph (3) of this Paragraph I (LIMITATIONS OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) and Subparagraph (5) of Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS), the Contractor shall continue to provide all of the services set forth in this Agreement.

(4) Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest possible date.

(5) Notwithstanding any other provision of this Agreement, for the purposes of any special grants such as Substance Abuse and Mental Health Services Administration (SAMHSA) and discretionary funds received from the Board of Supervisors, any unspent amounts of such grants and/or discretionary funds, if so authorized by the grantor or the Board of Supervisors, may be rolled over from one fiscal year to the next by decreasing and increasing the Funded Program Amount, thus the MCA, by the same amount in the related fiscal years. Such roll over of funds shall not, in any event, allow Contractor to receive reimbursement for services/activities paid by these grants and/or discretionary funds in excess of the total allotment of such grants and discretionary funds over the period covered by such grants and discretionary funds. Any such change in the MCA due to such roll over of funds shall be effected by a duly executed amendment to this Agreement.

J. CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS

(1) Funds under this Agreement are provided for the delivery of mental health services to eligible beneficiaries under each of the Funded Programs identified in the Financial Summary. Each Funded Program has been established in accordance with the requirements and restrictions imposed by each respective County, State and/or federal payer source contributing to the Funded Program.

(2) Contractor may not redirect funds from one Funded Program to another Funded Program, except through a duly executed amendment to this Agreement as outlined in DMH Policy, *Shifting Guidelines for the Legal Entity Agreement*.

(3) Contractor may not charge services delivered to an eligible beneficiary under one Funded Program to another Funded Program unless the recipient is also an eligible beneficiary

under the second Funded Program. When a recipient of services is an eligible beneficiary under more than one Funded Program, Contractor shall charge the services to the Funded Program under which the County shall receive maximum reimbursement from non-County sources, provided that Contractor has available funds under the appropriate Funded Program.

(4) Contractor also shall not charge services delivered to an eligible beneficiary for Medi-Cal to the Non-Medi-Cal Funded Program Amount except in such cases where a client's eligibility for benefits is being established or determined. Upon confirming that said client is approved for Medi-Cal benefits, or in such case that the County may determine that a service paid originally through the Non-Medi-Cal Funded Program Amount was to a client approved for Medi-Cal, Contractor shall void the original claims for services provided on or after the effective date that Medi-Cal services became eligible for reimbursement, and replace/resubmit such claims for Medi-Cal under the correct Funded Program.

(5) Contractor shall be responsible for delivering services to clients to the extent that funding is provided by the County. Where Contractor determines that services to clients can no longer be delivered, Contractor shall provide thirty (30) calendar days prior written notice to County. Contractor shall thereafter refer clients to County or to another appropriate Contractor.

(a) Contractor shall not be required to provide the notice required under Suparagraph (5) of this Paragraph J (CONTRACTOR PROHIBITED FROM REDIRECTION OF CONTRACTED FUNDS) if the County reduces funding to the Contractor under Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS) whether such reductions occur at the beginning or during a fiscal year. In addition, if County reduces or eliminates funding for a specific Funded Program, or portion thereof, Contractor shall not be responsible for continuing services for those clients served by the Funded Program, or portion thereof.

K. CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS

(1) County and Contractor may by written amendment reduce programs or services and revise the applicable Maximum Contract Amount and/or Funded Program Amount. The Director shall provide fifteen 15 business days prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County, to Contractor, and DMH Contracts Development and Administration Division. Any such change in any applicable MCA and/or Funded Program Amount shall be effected by an administrative amendment to this Agreement by Director.

(2) Contractor shall be responsible for delivering and monitoring services, to the extent funding is provided by County, for the continued and uninterrupted provision of eligible

services to eligible beneficiaries as specified in this Agreement. Notwithstanding Subparagraph (1) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), if the County reasonably determines from a quarterly review of Schedule 8 (Legal Entity Mental Health Plan) of the approved Negotiation Package that Contractor will deviate twenty-five (25) percent or more from its projected dollar spent for any provider number/funding source, County may notify Contractor to discuss and determine whether a corrective action plan (CAP) will be required. Also notwithstanding Subparagraph (1) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), if the County reasonably determines from a review of Schedule 9 (Subprogram Schedule) of the approved Negotiation Package that Contractor will deviate fifteen (15) percent or more from any projected subprogram amount, i.e., gross Non-Medi-Cal, gross Medi-Cal, and gross Medicaid Expansion amounts, County may notify Contractor to discuss and determine whether a CAP will be required. If a CAP is required in either case, and a CAP is written and Contractor does not comply with such CAP, County may implement options (a) and/or (b) as specified below to safeguard County's mission to ensure access to services for all client populations and to the types of services and supports necessary to assist clients in achieving hope, wellness, and recovery.

(a) Restrict Contractor from expending any additional funds and after providing fifteen (15) business days prior written notification to Contractor of County's intent to reallocate funds to another program budget category for the same period within this Agreement, and/or reallocate such funds for the efficient use of such funds. This written notification is to include an explanation of how the County reached the conclusion that Contractor is deviating from the approved levels of services and/or number of beneficiaries and/or funds; copies of relevant data, such as but not limited to County information system reports that County used in making this decision; the nature and amount of funding changes to Contractor; and any changes in the amount of services to be received by County;

(b) Provide fifteen (15) business days prior written notification to Contractor of County's intent to decrease Contractor's said fund amount for subsequent fiscal years and reallocate funds for the efficient use of such funds.

(3) In the event Contractor believes that an adjustment under Subparagraph (2) of this Paragraph K (CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is unjustified, Contractor may, within the fifteen (15) business days notice period, so notify the Director in writing, and request a meeting with County to review County's documentation. Any such meeting shall be held within thirty (30) calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, Contractor

is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its MCA and/or Funded Program Amount.

If, thereafter, it is still determined that an adjustment under this Subparagraph (2) of Paragraph K (CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS) is justified, the County shall reallocate such funds, as provided above. Director shall provide final prior written notice of such funding changes, including any changes in the amount of services to be received by County, to Contractor and DMH Contracts Development and Administration Division, and the determination of the Director will be final. Any such change in any applicable MCA and/or Funded Program Amount shall be effected by a formal amendment or administrative amendment to this Agreement by Director. Changes that are based on one-time circumstances will be applicable to the current contract year only and shall not result in reductions (or increases) of MCA and/or Funded Program Amount in subsequent years, while changes that are based on clearly documented ongoing historical trends may result in ongoing reductions (or increases) of MCA and/or Funded Program Amount in subsequent years.

The determination by the Director shall be effective upon the receipt of such final prior written notice by Contractor and the changes to funding and services shall be incorporated into this Agreement as of the date of receipt. Contractor understands and agrees that its MCA and/or Funded Program Amount may be reduced as a result of the adjustments authorized by this provision, and further acknowledges that County has relied upon this flexibility in establishing the MCA and/or Funded Program Amount for this Agreement. By executing this Agreement, Contractor specifically consents to the prospective adjustments set forth in this provision.

L. LIMITATION ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI STATE CHILDREN'S HEALTH INSURANCE PROGRAM

(1) If, under this Agreement, Contractor has Funded Programs that include Title XIX Short-Doyle/Medi-Cal services, Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program services, Contractor shall certify annually, no later than July 10 of each year, in writing that all necessary documentation will exist at the time any claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program are submitted by Contractor to County.

Contractor shall be solely liable and responsible for all service data and information submitted by Contractor.

(2) Contractor acknowledges and agrees that the County, in undertaking the processing of claims and payment for services rendered under this Agreement for these Funded Programs, does so as the Mental Health Plan for the State and federal governments.

(3) Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program claims or other State required claims data within the time frame(s) prescribed by this Agreement to allow the County to meet the timeframes prescribed by the State and federal governments. County shall have no liability for Contractor's failure to comply with the time frames established under this Agreement and/or State and federal time frames, except to the extent that such failure was through no fault of Contractor.

(4) County, as the Mental Health Plan, shall submit to the State in a timely manner claims for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program services only for those services/activities identified and entered into the County's claims processing information system and/or into the Medi-Cal Administrative Activities data base system, as appropriate, which are compliant with State and federal requirements. County shall make available to Contractor any subsequent State approvals or denials of such claims within thirty (30) days of receipt thereof.

(5) Contractor acknowledges and agrees that County's final payment for services and activities claimed by Contractor for Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program services is contingent upon reimbursement from the State and federal governments and that County's provisional payment for said services does not render County in any way responsible for payment of, or liable for, Contractor's claims for payment for these services.

(6) Contractor's ability to retain payment for such services and/or activities is entirely dependent upon Contractor's compliance with all laws and regulations related to same.

(7) Notwithstanding any other provision of this Agreement, Contractor shall hold County harmless from and against any loss to Contractor resulting from the denial or disallowance of claims for or any audit disallowances related to said services by the County, State or federal governments, or other applicable payer source, unless the denial or disallowance was due to the fault of the County.

(8) Contractor shall repay to County the amount paid by County to Contractor for Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program services/activities which are subsequently denied or disallowed by the County, State, and/or federal governments. In no event shall County be liable or responsible to Contractor for any State approved Title XIX Short-Doyle/Medi-Cal and/or Medi-Cal

Administrative Activities, and/or Title XXI State Children's Health Insurance Program services/activities that are subsequently denied or disallowed by County, State, and/or federal governments unless the denial or disallowance was due to the fault of the County.

(9) Contractor acknowledges that any recovery by County of payments made to Contractor for Title XIX Short-Doyle/Medi-Cal services and/or Title XXI State Children's Health Insurance Program services and/or MAA which are subsequently denied, voided, and/or disallowed shall be the total County's payment amount for such claim(s). The total County payment under federal requirements consists of federal and local match, and such local match may consist of County and/or State funds.

(10) Notwithstanding any other provision of this Agreement, Contractor agrees that the County may offset future payments to the Contractor and/or demand repayment from Contractor when amounts are owed to the County pursuant to above Subparagraphs (7) and (8) of this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI STATE CHILDREN'S HEALTH INSURANCE PROGRAM). Such demand for repayment and Contractor's repayment shall be in accordance with Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY), except for denials reflected on the State's 835 files, which will be offset immediately from the County's next payment to Contractor.

(11) Contractor shall comply with all written instructions provided to Contractor by Director, State or other applicable payer source regarding claiming and documentation.

(12) Nothing in this Paragraph L (LIMITATIONS ON COUNTY'S FINANCIAL RESPONSIBILITY FOR PAYMENT OF SERVICES UNDER TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI STATE CHILDREN'S HEALTH INSURANCE PROGRAM) shall be construed to limit Contractor's rights to appeal State and federal settlement and/or audit findings in accordance with the applicable State and federal regulations.

M. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY REVENUES, AND INTEREST

(1) Contractor shall comply with all County, State, and federal requirements and procedures relating to:

(a) The determination and collection of patient/client fees for services hereunder based on the Uniform Method of Determining Payment (UMDAP), in accordance with State guidelines and Welfare and Institutions Code Sections 5709 and 5710.

(b) The eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall pursue and report collection of all patient/client and other revenue.

(2) All fees paid by patients/clients receiving services under this Agreement and all fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only for the delivery of mental health service/activities specified in this Agreement.

(3) Contractor may retain unanticipated revenue, which is not shown in Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year, provided that the unanticipated revenue is utilized for the delivery of mental health services/activities specified in this Agreement. Contractor shall report the expenditures for the mental health services/activities funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County.

(4) Contractor shall not retain any fees paid by any sources for, or on behalf of, Medi-Cal beneficiaries without deducting those fees from the cost of providing those mental health services for which fees were paid.

(5) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health services/activities specified in this Agreement.

(6) Failure of Contractor to report in all its claims and in its Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by County to Contractor, shall result in:

(a) Contractor's submission of a revised claim statement showing all such non-reported revenue.

(b) A report by County to SDHCS of all such non-reported revenue including any such unreported revenue paid by any sources for or on behalf of Medi-Cal beneficiaries.

(c) Any appropriate financial adjustment to Contractor's reimbursement.

N. CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED

(1) The MCA for each period of this Agreement may include Cash Flow Advance (CFA) which is an advance of funds to be repaid by Contractor through direct payment of cash and/or through the provision of appropriate services/activities under this Agreement during the applicable period.

(2) For each month of each period of this Agreement, County will reimburse Contractor based upon Contractor's submitted claims for rendered services/activities subject to claim edits, and future settlement and audit processes. However, for each month of the first three (3) months, of the Initial Term, the First Automatic Renewal Period, or the Second Automatic Renewal Period, Contractor may request in writing from County a monthly County General Fund CFA as herein described.

(3) CFA shall consist of, and shall be payable only from, the MCA for the particular fiscal year in which the related services are to be rendered and upon which the request(s) is (are) based.

(4) CFA is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified in DMH Legal Entity Agreement Paragraph 5 (DESCRIPTION OF SERVICES/ACTIVITIES), and County payment thereof. Contractor may request each monthly CFA only for such services/activities and only to the extent that there is no reimbursement from any public or private sources for such services/activities.

(5) No CFA will be given if a Contractor has not been certified as an eligible Medi-Cal service provider unless otherwise agreed to by County.

(6) Cash Flow Advance Request Letter: For each month for which Contractor is eligible to request and receive a CFA, Contractor must submit to the County a letter requesting a CFA and the amount of CFA Contractor is requesting.

(a) In order to be eligible to receive a CFA, the letter requesting a CFA must be received by County on or before the 15th of that month (i.e., for the month of July 2012, the request must be received by July 15, 2012).

i. If the letter requesting CFA is received by the County from the Contractor after the 15th of the month, Contractor will not be eligible to receive a CFA for that month.

(b) The signed letter requesting a CFA must be sent via mail, fax or email (PDF file) to the Department of Mental Health Financial Services Bureau – Accounting Division, Provider Reimbursement Section (PRS).

i. PRS staff will determine whether Contractor is eligible to have its request considered based on the date the request letter is received by PRS and not the date on the request letter.

(c) Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the CFA and, if approved, whether the request is approved in whole or in part.

i. If a CFA is not approved, Director will notify Contractor within ten (10) business days of the decision, including the reason(s) for non-approval. Thereafter, Contractor may, within fifteen (15) calendar days, request reconsideration of the decision.

(7) Reduction of Cash Flow Advance Amount by Actual Adjudicated Claims: The CFA amount available to Contractor for any particular month will be reduced by County payments of claims received from Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim.

(8) Business Rules for the Determination of the Maximum Amount of the Cash Flow Advance Request:

(a) For each of the first three (3) months of each period that this Agreement is in effect, Contractor may request in writing from County a monthly County General Fund CFA for any funds which may be part of the MCA for such period as identified in the Financial Summary. Contractor shall specify in its request the amount of the monthly CFA it is requesting, not to exceed \$_____ for the first month, \$_____ for the second month, if applicable and \$_____ for the third month, if applicable. In no event shall the monthly CFA requested by Contractor exceed 1/12th of MCA as identified on the Financial Summary as of the specified month the CFA is requested.

(b) In case the Agreement is amended to increase or reduce the Maximum Contract Amount during the first three months during which the Contractor may request and receive CFA, the CFA amount shall be recalculated for the remaining months based on the effective date of the amendment. For the month in which the amendment is executed, the revised CFA amount shall be based on the effective date of the amendment, and if such effective date falls between the first and the 15th of the month, the revised CFA amount will be adjusted based on the total amount of the change in the MCA; and if the effective date falls between the 16th and the end of the month, the revised CFA amount will be calculated based on one half (1/2) of the total change in the MCA.

(c) The Contractor may request in writing from County, consistent with above Subparagraph (8) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), for additional monthly CFA to accommodate extraordinary circumstances that are beyond Contractor's control, i.e., Contractor's inability to submit claims to the County as described in Subparagraph (3) of Section F (BILLING PROCEDURES) due to extended disruption in the County's claims processing information system. The County in its sole

discretion shall review Contractor's request and shall respond accordingly within fifteen (15) business days from the receipt of such request.

i. Additional monthly CFA is subject to approval by the Director, County Auditor-Controller, County Counsel and County Chief Executive Office.

(9) Recovery of Cash Flow Advances: If Contractor has received any CFA pursuant to this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED), then recovery from Contractor's monthly claims shall be made through cash payment made by Contractor to County and/or County offsets to County payment(s) of Contractor's approved claim(s) as follows:

(a) Generally, when Contractor rendering services at a level that would indicate it will utilize all or a substantial portion of its MCA, County initiates recovery of the CFA balance, if any, for a particular fiscal year in July following the close of such fiscal year or at such time as payments to Contractor, including the CFA, reach the MCA. Such recovery is initiated through the Contractor's rendering and submitting of appropriate services and activities into the County's claims processing information system and/or the submission of invoices for direct charges.

The determination to begin recovery of CFA balance in July of the following fiscal year, or at such time as payments to Contractor, including the CFA, reach the MCA, is based on the presumption that when a contractor is meeting its contractual levels, then the Contractor will have rendered sufficient services/activities and entered such services/activities into the County's claims processing information system by September 30 following the end of the fiscal year. September 30 is the date by which all or a substantial portion of the Contractor's prior fiscal year's claims should have been received from Contractor and processed by County.

(b) If at any time during the fiscal year, County determines that Contractor is not rendering services at a level that would utilize all of its MCA, County may initiate recovery of the CFA as specified above in Subparagraph (9) (a) of this Paragraph N (CASH FLOW ADVANCE IN EXPECTATION OF SERVICES/ACTIVITIES TO BE RENDERED) prior to July 1. If County intends to initiate recovery of the CFA prior to July 1, County will give Contractor thirty (30) calendar days prior written notice, including the reason(s) for the intended actions, to ensure Contractor renders and submits sufficient services/activities to have repaid all, or a substantial portion of the CFA, by September 30 following the Fiscal Year close. Contractor may, within fifteen (15) calendar days of the receipt of County's written notice, request reconsideration of the County's decision.

(c) Should a Contractor have any remaining CFA balance for a particular Fiscal Year at such time as the State SD/MC Cost Report is complete, County will perform an analysis to determine the amount of unearned CFA balance based on the SD/MC Cost Report and

Contractor repayment of the unearned CFA balance shall be conducted as specified in Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY) unless otherwise agreed to by County.

(10) When Contractor's CFA balance is zero in any fiscal year of the term of this Agreement, any County and/or State and/or federal government(s) approved Contractor reimbursement claims for eligible services/activities will be disbursed in accordance with the terms and conditions of this Agreement.

(11) Should Contractor request and receive CFA, Contractor shall exercise cash management of such CFA in a prudent manner.

(12) CFA for IMD, PHF and Mental Health Rehabilitation Center Contractors Only:
The amount of a CFA payment shall be based on the average daily census for the last two available months of the preceding fiscal year.

O. ANNUAL COST REPORTS

(1) For each fiscal year or portion thereof that this Agreement is in effect, Contractor shall provide County with two (2) copies of an accurate and complete Annual Cost Report, along with a statement of expenses and revenue, and a Cost Report Certification. The statement of expenses and revenue and Cost Report Certification must be signed by a Contractor's executive official or designee, by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS).

(2) An accurate and complete Annual Cost Report shall be defined as a cost report which is completed to the best of the ability of Contractor on such forms or in such formats as specified by the County and consistent with such instructions as the County may issue and is based on the best available data.

(3) The Annual Cost Report will be comprised of a separate set of forms for the County and State based on the Financial Summary applicable to the fiscal year.

(4) The Annual Cost Report will be due on September 15th for the fiscal year ending on the previous June 30th or seventy-five (75) calendar days following the expiration or termination date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day.

(a) Failure by Contractor to submit an Annual Cost Report within thirty (30) calendar days after the due date specified in above Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) shall constitute a breach of this Agreement.

i. In addition to, and without limiting, any other remedy available to the County for such breach, County may undertake any or all of the following to remedy such breach:

(A) In such instance that Contractor does not submit an Annual Cost Report(s) by such thirty (30) calendar days after the applicable due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS), then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor for the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY). Such payments shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(B) If this Agreement is automatically renewed as provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to suspend payments to Contractor under this Agreement until the Annual Cost Report(s) is (are) submitted. County shall give Contractor at least fifteen (15) business days written notice of its intention to suspend payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have fifteen (15) business days either to correct the deficiency, or to request reconsideration of the decision to suspend payments. Payments to Contractor shall not be suspended during said fifteen (15) business days provided to correct the deficiency or, if reconsideration is requested, pending the results of the reconsideration process.

(b) Failure by the Contractor to submit an Annual Cost Report(s) by the due date specified in Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS) will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to submit its Annual Cost Report(s) to the County under this Paragraph O (ANNUAL COST REPORTS). The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per day for each day that the Contractor fails to submit to the County by the due date.

i. Liquidated damages shall be assessed separately on each outstanding Annual Cost Report.

ii. Liquidated damages shall be assessed commencing on September 16th or on the seventy-sixth (76th) day following the expiration or earlier termination of this Agreement and shall continue until the outstanding Annual Cost Report(s) is (are) received.

iii. Upon written request from the County, Contractor shall, within thirty (30) calendar days, submit to the County payment for said damages. Said Payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

iv. Contractor may ask that liquidated damages not be assessed by sending a written request for an extension to submit the Annual Cost Report to the Director no later than thirty (30) calendar days prior to the due date specified in this Subparagraph (4) of this Paragraph O (ANNUAL COST REPORTS). The decision to grant an extension without assessing liquidated damages in accordance with Subparagraph (4) (b) of this Paragraph O (ANNUAL COST REPORTS) shall be at the sole discretion of the Director.

(5) Each Annual Cost Report shall be prepared by Contractor in accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and #15-2; "The Provider Reimbursement Manual Parts 1 and 2;" the State's Cost and Financial Reporting System (CFRS) Instruction Manual; and for organizational providers in the Mental Health Specialty Services Mental Health Plan' service provider network, the "Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management;" and any other written guidelines that shall be provided to Contractor at the Cost Report training, to be conducted by County on or before June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared.

(a) Attendance by Contractor at the County's Cost Report Training is mandatory.

(b) Failure by the Contractor to attend the Cost Report Training shall be considered a breach of this Agreement that will result in damages being sustained by the County. County and Contractor agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to attend the Cost Report Training. The County and Contractor hereby agree that a reasonable estimate of said damages is \$100 per occurrence. Therefore, County may, in its sole discretion, assess liquidated damages in the amount of \$100 for Contractor's non-attendance at the Cost Report Training. Said Payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(6) Upon written notification from the Director that its Annual Cost Report contains errors or inaccuracies, Contractor shall, within thirty (30) calendar days, correct such errors and inaccuracies and resubmit its Annual Cost Report.

(a) If Contractor fails to correct inaccuracies in Annual Cost Report within thirty (30) calendar days after receipt of written notification from the Director and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of lost reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.

i. Upon written notice from the County, Contractor shall have thirty (30) calendar days to make payment to the County in the amount specified by the County. Said payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(7) Contractor shall be solely responsible for any loss incurred by County due to Contractor's failure to comply with County and State cost report requirements.

P. OTHER REQUIREMENTS FOR CONTRACTORS PROVIDING TITLE XIX SHORT-DOYLE/MEDI-CAL SERVICES, MEDI-CAL ADMINISTRATIVE ACTIVITIES AND/OR TITLE XXI STATE CHILDREN'S HEALTH INSURANCE PROGRAM SERVICES

(1) Contractor shall maintain records documenting all Title XIX Short-Doyle/Medi-Cal services and/or Medi-Cal Administrative Activities, and/or Title XXI State Children's Health Insurance Program services for a period of seven (7) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits or appeals, whichever occurs later.

(2) Contractor shall complete and certify, in accordance with State and County instructions, and provide DMH with two (2) copies of an accurate and complete Title XIX Short-Doyle/Medi-Cal Reconciliation Report at the legal entity level by the due date set by the State for the applicable fiscal year. The due date is approximately sixteen (16) months after the close of the fiscal year.

(a) Should Contractor fail to provide County with the Title XIX Short-Doyle/Medi-Cal Reconciliation Report by the due date, then Director, in his sole discretion, shall determine which State approved Short-Doyle/Medi-Cal services shall be used by County for completion of the Title XIX Short-Doyle/Medi-Cal Reconciliation Report.

(b) Contractor shall hold County harmless from and against any loss to Contractor resulting from the Contractor's failure to provide County with the Title XIX Short-Doyle/Medi-Cal Reconciliation Report and County's subsequent determination of which State-approved Short Doyle/Medi-Cal services to use for completion of the Title XIX Short-Doyle/Medi-Cal Reconciliation Report for the Contractor.

Q. ANNUAL COST REPORT RECONCILIATION AND SETTLEMENT

(1) Based on the Annual Cost Report(s) submitted pursuant to Paragraph O (ANNUAL COST REPORTS) and the most updated State Medi-Cal approvals and County claims information, at the end of each fiscal year or portion thereof that this Agreement is in effect, the State and County will perform an Annual Cost Report Reconciliation and Settlement.

(a) Upon initiation and instruction by the State, County will perform the Short-Doyle/Medi-Cal Reconciliation with Contractors.

(b) County will perform settlement upon receipt of State Reconciliation Settlement to the County.

(2) Such reconciliation and settlement will be subject to the terms and conditions of this Agreement and any other applicable State and/or federal statutes, regulations, policies, procedures and/or other requirements pertaining to cost reporting and settlements for Title XIX Short-Doyle/Medi-Cal and Medi-Cal Administrative Activities, and Title XXI State Children's Health Insurance Program, and other applicable federal and/or State programs.

(3) Annual Cost Report Reconciliation Settlement shall be subject to the limitations contained in the Financial Summary. Such limitations include, but are not limited to:

(a) Available Match funds as indicated in Column D of the Financial Summary;

(b) Actual submitted and approved claims to those third-parties providing funds in support of specific Funded Programs;

(c) Funded Program Amounts;

(4) County shall issue its Annual Cost Report Reconciliation Settlement findings no later than 180 calendar days after the receipt by County from the State of the State's Cost Report Settlement package and payment for a particular fiscal year.

(a) As part of its annual cost report settlement, County shall identify any amounts due to Contractor by the County or due from the Contractor to the County.

(b) Upon issuance of the County's annual cost report settlement, Contractor may, within thirty (30) calendar days, submit a written request to the County for review of the annual cost report settlement.

i. Upon receipt by County of the Contractor's written request, the County shall, within thirty (30) calendar days, meet with the Contractor to review the annual cost report settlement and to consider any documentation or information presented by the Contractor. Contractor may waive such meeting and elect to proceed based on written submission at its sole discretion.

ii. Within thirty (30) calendar days of the meeting specified above in Subparagraph (4) (i) of this Paragraph Q (ANNUAL COST REPORT RECONCILIATION AND SETTLEMENT), County shall issue a response to the Contractor including confirming or adjusting any amounts due to Contractor by the County or due from Contractor to the County.

(5) In the event that the Annual Cost Report Reconciliation Settlement indicates that the Contractor is due payment from the County, County shall initiate the payment process to Contractor within thirty (30) calendar days following the expiration of the date to request a review as specified above in Subparagraph (4) (b) of this Paragraph Q (ANNUAL COST REPORT

RECONCILIATION AND SETTLEMENT) or issuance of the County response as specified above in Subparagraph (4) (b) (ii) of this Paragraph Q (ANNUAL COST REPORT RECONCILIATION AND SETTLEMENT), whichever is later.

Said payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(7) Regardless of any other provision of this Paragraph Q (ANNUAL COST REPORT RECONCILIATION AND SETTLEMENT), reimbursement to Contractor shall not exceed the MCA and shall not exceed the Funded Program Amount, as identified on the Financial Summary

R. AUDITS, AUDIT APPEALS AND POST-AUDIT APPEAL SHORT-DOYLE/MEDI-CAL (SD/MC) SETTLEMENT

(1) At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with State and federal law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the County, State or federal governments may conduct an audit of Contractor regarding the services/activities provided under this Agreement.

(2) Settlement of audit findings will be conducted according to the auditing party's procedures in place at the time of the audit.

(3) Post-Audit SD/MC Settlement: In the case of a State Short-Doyle/Medi-Cal (SD/MC) audit, the State and County will perform a post-audit SD/MC settlement based on State audit findings. Such settlement will take place when the State initiates its settlement action, which customarily is after the issuance of the audit report by the State and before the State's audit appeal process.

(a) County shall issue Post-Audit SD/MC Settlement to Contractor for any amount due County or due to Contractor no later than ninety (90) calendar days after the State issues its audit report to the County.

(b) If the Post-Audit SD/MC Settlement determines that the amount paid by County to Contractor for any units furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference shall be due by Contractor to County upon the State and/or Federal collection from County of the amount due, or after exhausting all appeals, if any, whichever occurs first. Contractor shall make payment to the County in accordance with the terms of Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY). Said payment

shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(c) County shall follow all applicable federal laws, regulations manuals, guidelines and directives in recovering from Contractor any federal over-payment.

(d) In the event that Post-Audit SD/MC Settlement indicates that Contractor is due payment from County, County shall initiate the payment process to Contractor within thirty (30) days of settlement issuance date.

(e) If the auditing party stays its collection of any amounts due or payable because of the audit findings, County will also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with County.

(4) SD/MC Audit Appeals: Contractor may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.

(a) For federal audit exceptions, federal audit appeal processes shall be followed.

(b) Contractor may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through County. County shall notify Contractor of State appeal deadlines after County's receipt of information from State.

(5) Post-Audit Appeal SD/MC Settlement:

(a) If at any time the Appeal process results in a revision to the audit findings, and the State recalculates the audit settlement of the SD/MC cost report for a particular year and settles with County, County will perform a post-audit appeal Short-Doyle/Medi-Cal re-computed settlement after the State issues its revised settlement with the County, based on the State appeal resolution.

i. If the post-audit appeal SD/MC re-computed settlement results in amounts due to Contractor by the County, County shall initiate the payment process to Contractor within thirty (30) calendar days of issuing the post-audit appeal SD/MC re-computed settlement to Contractor.

ii. If the post-audit appeal SD/MC re-computed settlement results in amounts due from Contractor to the County, Contractor shall make payment to the County in accordance with the terms of Paragraph S (METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

(b) Notwithstanding any other provisions of this Agreement, if Contractor appeals any audit report, the appeal shall not prevent the County from recovering from Contractor any amount owed by Contractor that the State has recovered from County.

(6) County Audits: Should the auditing party be the County, Contractor will have thirty (30) calendar days from the date of the audit report within which to file an appeal with County. The letter providing the Contractor with notice of the audit findings shall indicate the persons and address to which the appeal should be directed. County shall consider all information and argument provided by Contractor with its appeal, and will issue its decision on the appeal after such consideration. Such decision is final. County will issue an invoice for any amount due County fifteen (15) calendar days after County has notified Contractor of the County's audit appeal findings. Contractor shall make payment to the County in accordance with the terms of Section S (PAYMENT OF AMOUNTS DUE TO COUNTY). Said payment shall be submitted to the persons and at the address identified in Paragraph X (PAYMENT AND INVOICE NOTIFICATIONS).

S. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY

(1) Within ten (10) business days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following five payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be:

- (a) Paid in one cash payment by Contractor to County;

T. INTEREST CHARGES ON DELINQUENT PAYMENTS

(a) Contactor's request for consideration of an increase in the MCA or in the Funded Program Amount, must be made and approved prior to Contractor rendering services that exceed the MCA or the Funded Program Amount. To the extent that County agrees to increase MCA or a Funded Program Amount, such approval shall be in the form of an executed amendment to this Agreement. Director will make best efforts to expedite the amendments provided under this Subparagraph (2) (a) of this Paragraph V (CONTRACTOR REQUESTED CHANGES).

(b) Requests received after the Contractor has rendered services in excess of the MCA, or the Funded Program Amount, will only be considered on a prospective basis for payment of services rendered after the effective date of any executed amendment. The County shall not be responsible for payment, nor otherwise be liable for, services/activities that Contractor

provided in excess of the MCA or the Funded Program Amount during any part of the Initial Period, First Automatic Renewal Period or Second Automatic Renewal Period, respectively.

(3) If County requires changes per options (a) and/or (b) as specified in Paragraph K (CONTRACTOR'S RESPONSIBILITY TO MONITOR SERVICE PLAN AND COUNTY'S RIGHT TO RE-ALLOCATE FUNDS), Contractor must submit a Mid-Year Change to the last approved Negotiatoin Package.

(4) If County requires changes per Paragraph I (LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS), Contractor must submit a Mid-Year Change to the last approved Negotiatoin Package.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

County is prepared to lease certain portions of the Medical Center property, a building known as the Ted Watkins Building to Tenant pursuant to Government Code Sections 26227 and 25351, in order for Tenant to occupy and operate such building for use as a mental health crisis stabilization center and such other purposes as are related thereto; and

In consideration of the terms and conditions hereinafter contained, and the foregoing recitals, each of which is deemed a contractual part hereof, County and Tenant agree as follows:

1.1 Independent Contractor Status.

This Lease is by and between the County and Tenant and is not intended, and will not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between County and Tenant.

1.2 Prior Agreements; Amendment.

The Lease, the Service Agreement, and all other agreements incorporated by reference and attachments hereto contain all of the agreements of the parties hereto with respect to the subject matter hereof, and no prior agreements between the parties hereto with respect to the subject matter hereof, and no prior agreements between the

parties or understanding pertaining to any such matter shall be effective for any purpose. No provision of this Lease may be amended or added to except by an agreement in writing signed by the parties hereto or their respective successors-in-interest. This Lease shall not be effective or binding on any party until fully executed by both parties.

ARTICLE 2 DESCRIPTION OF PREMISES

2.1 Description of Premises.

The County, for and in consideration of the performance of the covenants and agreements hereinafter contained to be kept and performed by the Tenant, upon the following terms and conditions, hereby leases to the Tenant, and the Tenant hereby leases from the County the Ted Watkins Building, a portion of the Martin Luther King, Jr. Medical Center, located at 12021 South Wilmington Avenue, Los Angeles, in the County of Los Angeles, State of California as depicted on Exhibit A attached hereto and incorporated herein by this reference. The Ted Watkins Building ("Building") consists of approximately 7,941 square feet of space. Tenant shall lease approximately 5,941 square feet of space in the Building ("Premises"). The remaining 2,000 square feet of space shall be occupied by the Department of Health Services ("DHS") or its designee. The location of the 2,000 square feet shall be determined by the parties after the site design layout has been completed.

ARTICLE 3 TERM

3.1 Original Term and Commencement Date.

The term of this Lease shall be for a period of three (3) years. The effective date of this Lease shall be the date of its execution by the County (the "Effective Date"). The term of this Lease shall commence upon November 26, 2013 (the "Commencement Date"), which date shall be memorialized in a Commencement Date Memorandum in the form attached hereto as Exhibit B and incorporated herein by this reference.

The County of Los Angeles Board of Supervisors, at its sole discretion, may provide year-to-year extensions to run concurrently with the Service Agreement.

Notwithstanding anything to the contrary set forth in this Lease, in the event the Service Agreement is terminated for any reason prior to the expiration of the term hereof, this Lease shall automatically terminate concurrently with the termination of the Service Agreement, without notice from County or Tenant.

**ARTICLE 4
CONSIDERATION**

The use of the Premises shall be gratis. Consideration for this Lease shall be Tenant's adherence to the terms and conditions of the Lease and Service Agreement.

**ARTICLE 5
USE**

5.1 Use.

Tenant is hereby granted permission to utilize the Premises for the full term of this Lease unless earlier terminated as provided herein. Such use by Tenant shall be exclusively for the operation of a mental health crisis stabilization center ("Leased Use"). All such services shall be open and available to low income, primarily uninsured or underinsured residents of incorporated and unincorporated areas of the County of Los Angeles. There shall be no discrimination against or preference, gratuity, bonus or other benefit given to residents of incorporated areas not equally accorded to residents of unincorporated territory of the County of Los Angeles.

5.1.2 Tenant shall maintain all necessary licenses, certifications or permits to operate a mental health crisis stabilization center and the individual services associated with such operation. Tenant shall comply with its obligations hereunder and under the Service Agreement and be subject to all applicable laws, rules and obligations of County or any other agency having jurisdiction in connection with the operation of the Premises as promulgated or amended from time to time (collectively, the "Applicable Laws"). Failure to comply with this paragraph shall constitute a material breach for which County may terminate pursuant to paragraph 11.2

5.1.3 While a portion of the Premises may be used for the purpose of management and administration of health programs, the principal use of the Premises shall be for the direct provision of health services and health-related services. Tenant shall notify the County's Department of Mental Health ("DMH") prior to any proposed material change in the occupancy or the Leased Use of the Premises and obtain DHS's written approval thereof. It is expressly understood that this space use does not constitute the conveyance by County to Tenant of any estate or interest in real or personal property (other than a leasehold estate). Tenant shall not use or pledge its leasehold interest in the Premises to obtain financing. Nothing contained in this Lease constitutes a subsidy or financial assistance of any kind to Tenant.

**ARTICLE 6
DAMAGE OR DESTRUCTION**

6.1 Termination of Lease.

In the event Tenant ceases to perform the Leased Use described in Article 5 or

the Building or any portion thereof is damaged by fire, incidents of war, earthquake, or other elements or by other disaster or casualty as to render them reasonably unfit for Tenant's occupancy as reasonably determined by County, County may immediately terminate this Lease in whole or as to any damaged portion of the Building by giving Tenant written notice of such termination, which notice shall be effective upon the delivery of such notice as prescribed in Article 14, whereupon Tenant shall surrender the Premises (or such portion as is being terminated) and shall not be obligated for any further consideration to the County as to the terminated portion of the Premises.

6.2 Termination by County.

In the event the Building or any portion thereof is damaged by earthquake, fire, the elements, or by other public disaster or casualty and the County reasonably determines that the Building or any portion thereof shall be demolished, County may terminate this Lease without further liability to Tenant by giving thirty (30) days' prior written notice of such termination to Tenant. This right to terminate the Lease is independent of any termination right contained in Section 6.1.

6.3 Restoration by County

In the event County undertakes restoration of the Building and Tenant desires to remain in the space, County may, in its discretion, allow Tenant to do so, in which case commencement of the restoration shall require: (1) securing the Building by the County to prevent injury to persons and/or vandalism to the improvements thereon, and (2) the placement of a work order or contract by the County for obtaining the labor and materials to accomplish the repair and restoration. Nothing in this Section 6.3 shall be interpreted to require County to undertake the restoration of the Building. Any decision to restore or demolish the Building shall be made by the County in its sole discretion.

ARTICLE 7 TENANT'S FIXTURES

7.1 Tenant's Fixtures.

Tenant may remove, at its own expense, during or at the expiration of the Term or other termination of this Lease, all fixtures, equipment, furniture, and all other personal property placed or installed in or upon the Premises by Tenant (hereinafter, collectively, the "Equipment"). Tenant agrees that if so instructed by County, Tenant shall remove, at its own expense, at the expiration or earlier termination of the Term of this Lease, or any extension or holdover period thereof, all Equipment placed or installed in or upon the Premises by the Tenant. In the event Tenant removes any or all fixtures pursuant to this Section, Tenant shall restore the Premises to the original condition which existed upon the Effective Date, ordinary wear and tear excepted, unless restoration would be manifestly unreasonable in light of improvements made to the Basic Structure of the Premises, as defined in Article 8, Section 8.1, during the term of the Lease.

All Equipment which was not placed or installed in or upon the Premises by the Tenant, or replacements of Equipment placed or installed by the County shall remain the property of the County. Tenant may remove said Equipment, at its own expense, only with the prior written consent of the Chief Executive Office of County.

At the final expiration of the Lease, all improvements to the Premises, including without limitation any completed by the Tenant (excluding fixtures and/or equipment), shall become the exclusive property of the County.

ARTICLE 8 REPAIR, MAINTENANCE, AND REPLACEMENT

8.1 Tenant's Obligations.

County agrees that the Tenant shall repair, maintain and replace, as necessary, at Tenant's own expense the entire exterior and interior of the Building, with the exception of Basic Structure, which will be maintained by County. Such repair and maintenance obligations shall include without limitation those Tenant improvements, any security systems installed for the Premises by Tenant, all fixtures, equipment, and other personal property owned by Tenant, or owned by any officer, agent, employee, contractor, licensee, or invitee of Tenant or otherwise placed or installed in, on, or upon the Premises by Tenant, and further excepting any damage resulting from the intentional acts or negligence of Tenant or its officers, agents, employees, contractors, or licensees. Prior to the commencement of construction, Tenant shall obtain approval of the proposed improvements from the County. Tenant shall submit all preliminary and final design documents, construction drawings, and specifications (collectively, "Construction Plan") for review and approval by the Los Angeles County and Department of Public Works Building and Safety Division ("DPW") and DMH.

The Building shall meet all applicable Federal, State, and local building codes, regulations, and ordinances required for beneficial occupancy. At Tenant's sole cost and expense, Tenant shall obtain all necessary permits and jurisdictional approvals for any work, construction, and occupancy from DMH and DPW. Tenant shall obtain all necessary permits within 12 months of lease execution. In the event that Tenant fails to obtain a building permit and/or complete construction of the proposed Tenant improvements within 18 months, from County's execution of the this Lease, County at its option, may cancel the Lease upon thirty (30) days written notice to Tenant.

It is mutually agreed by all parties that all construction shall be completed and operations commenced within 6 months of approval of the Construction Plans. Tenant shall provide a notice of completion, as evidenced by the issuance of a certificate of occupancy. Upon completion, Tenant shall furnish County with one (1) complete set of reproducible as-built drawings in electronic format.

All Tenant Improvement work in scope shall be completed at the expense of Tenant, including without limitation capital and financing costs and without cost to County. All work shall be prosecuted with due diligence. Lessee shall construct, perform, complete and maintain all construction covered by this agreement in a good and workmanlike manner with high quality material, and shall furnish all tools, equipment, labor and materials necessary to perform and complete same, and hereby expressly warrants that all said materials and workmanship will be free from defects. Initial installation with respect to electrical, gas and plumbing will be approved by the appropriate County Building inspector and provided at Tenant's expense.

In connection with all work permitted herein, Tenant shall take all reasonable necessary measures to minimize any damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected thereby, including the day-to-day operations of existing tenants. Tenant shall repair, at its own expense, any and all damage caused by such work, and shall restore the area upon which work is performed to a condition which is at least equal to or better than the condition existed prior to the beginning of such work, ordinary wear and tear excepted. In addition, Tenant shall pay (or caused to be paid) all costs and expenses associated therewith and shall indemnify, defend and hold harmless the County from all damages, losses or claims attributable to the performance of such work. Dust, noise and other effects of such work shall be minimized using the methods customarily

utilized in order to control such deleterious effects associated with construction projects.

The parties agree that any delay in the construction of the Tenant Improvements due to fire, earthquake, war labor dispute or other events beyond the control of Tenant shall extend the time in which said construction must be completed by the length of time of such delay. Tenant shall coordinate Tenant's work schedule with other contractors to avoid delay in completion of the project. In addition, Tenant shall require an architect to oversee the construction to ensure that it is performed in accordance with the approved Construction Plans for the Building.

No Consent of County: Nothing in this Lease shall be construed as constituting the consent of County, express or implied, to the performance of any labor or the furnishing of any materials or any specific improvements, alterations of or repairs to, the Building or any part thereof by any contractor, subcontractor, laborer or materialman, nor as giving Tenant or any other person any right, power or authority to act as agent of or to contract for or permit the rendering of, any services, or the furnishing of any materials, in such manner as would give rise to the filing of mechanic's liens or other claims against the fee of the Premises or Building or the Tenant's improvement project.

Protection Against Liens: County shall have the right at all reasonable times to post, and keep posted, on the Premises, any notices which County may deem necessary for the protection of County and of the Building and the improvements thereof from mechanics' liens or other claims. Tenant shall give County ten days prior to written notice of the commencement of any work to be done on the Building to enable County to post such notices. In addition, Tenant shall make, or cause to made, prompt payment of all monies due and legally owing to all persons doing any work or furnishing any materials or supplies to Tenant or any of its contractors or subcontractors in connection with the Building and the Tenant Improvements thereon in accordance with Article 22.3 hereof.

22.2 Liens

A. **General:** Subject to the provisions of Article 16 regarding TAXES, Tenant hereby covenants to keep the Building and every part thereof free and clear of any and all liens or encumbrances of any kind whatsoever created by Tenant's Tenant Improvement acts or omissions and/or created by the performance of any labor or furnishing of any material, supplies, or equipment contemplated hereunder. County covenants to keep the Tenant's project and every part thereof free and clear of any and all liens or encumbrances of any kind whatsoever created by County's acts or omissions or those of its agents or employees, and shall indemnify and hold tenant harmless from any such County created liens or demands. Tenant further agrees to hold County and the Building and all parts thereof free and harmless from any such Tenant-created liens, claims, or demands, and any and all costs, damages or liability in connection therewith, together with reasonable attorneys' fees and all Actual Costs and expenses incurred by County in negotiating, settling, defending, and otherwise protecting the Building or

Tenant's Tenant Improvement project or any part thereof against such liens, claims or demands.

B. Mechanics' and other Liens: Tenant shall pay, or cause to be paid, the total cost and expense of all works of improvement as that phrase is defined in the applicable mechanics' lien law in effect when Construction of the Tenant Improvement begins. Tenant shall not permit any mechanic's, materialman's, contractor's, subcontractor's or other lien, arising out of the performance of the Lease, to stand against the Building or Tenants Improvement Work, or any part thereof. If any such lien shall be filed against the Building or the Tenant Improvement project, Tenant shall cause the same to be discharged within ten days after actual notice of such filing, by payment, deposit, or bond. If Tenant fails to discharge any such lien, County may, but shall not be obligated to, discharge the same, and any amount so paid or deposited by County and all actual costs and expenses incurred by County, including reasonable attorney's fees, shall become immediately due and payable by Tenant to County, together with interest thereon computed at the rate of seven percent per annum. If Tenant desires to contest any such lien, Tenant shall notify County in writing of Tenant's intention to do so within ten days after the filing of and service upon Tenant of such lien, or lose the right to contest. In such case, provided that Tenant shall furnish the bond required by California Civil Code Section 3143 (or any comparable statute hereafter enacted for providing a bond freeing the Building and the Tenant Improvement project from the effect of such lien), Tenant shall not be in default until five days after the final determination of the validity thereof, within which time Tenant shall satisfy and discharge any such lien to the extent held valid, but the satisfaction and discharge of any such lien shall not, in any case, be delayed until execution is had upon any judgment rendered thereto, and such delay shall be a material default of Tenant hereunder. In the event of any such contest, Tenant shall protect and indemnify County against all loss, actual cost, expense and damage, including reasonable attorneys' fees, resulting therefrom.

22.3 Removal of Tenant Improvements

All of the Tenant Improvements and any other improvements of every kind and nature whatsoever installed by Tenant in the Building or on the Premises with written consent and approval of County shall remain the property of Tenant during the Term of this Lease. Upon expiration of this Lease, all such improvements (excluding Tenant's fixtures, trade fixtures, and equipment) shall revert to County ownership.

22.4 ADA Requirements.

Tenant shall provide written notification to the County concerning the size, design, precise location, and means of attachment of outside and external signs which shall be subject to the consent of County or its designee, which consent shall not be unreasonably withheld. County shall provide its written approval or disapproval of any proposed signage within thirty (30) days of the receipt of a written request from Tenant. Failure to provide written approval or disapproval by the County will be deemed disapproval. Written notification should be sent to:

SUBJECT: **REQUEST TO INCREASE DELEGATED AUTHORITY PERCENTAGE
IN THE BOARD LETTER TO AMEND THE LEGAL ENTITY
AGREEMENT WITH EXODUS RECOVERY NON-PROFIT
FOUNDATION**

This memorandum is to comply with Board Policy Manual, Section 5.120, Authority to Approve Increases to Board Approved Contract Amounts. The Policy mandates that any department requesting a percentage increase exceeding 10 percent of the total contract amount must provide a detailed justification and advance written notice to your Board, with a copy to the Chief Executive Officer, at least two weeks prior to the Board Meeting at which the proposed contract is to be presented.

The Department of Mental Health (DMH) requests an additional 10 percent for a total of 20 percent delegated authority to increase the Maximum Contract Amount of the Legal Entity Agreement with Exodus Recovery Non-Profit Foundation (Exodus Foundation) for the provision of an Urgent Care Center (UCC) at Martin Luther King, Jr. (MLK) Medical Center. The new Exodus Foundation UCC will provide intensive outpatient mental health services 24 hours per day, 7 days per week; shall be Lanterman-Petris-Short designated; and will have the capacity to serve individuals on involuntary holds who otherwise would be taken to emergency rooms. These services are necessary to the ongoing efforts by DMH to relieve the overcrowding at the LAC+USC and Harbor-UCLA Medical Centers. This increased delegated authority will allow DMH and Exodus Foundation to maximize, prioritize, and increase access to these imperative services on a continuous basis.

Should there be a need to exceed the 20 percent delegated authority, DMH will return to your Board with a request for authority to amend the LE Agreement accordingly.
