Dear Supervisors:

**APPROVAL OF MASTER AGREEMENTS FOR AS-NEEDED MEDIA SERVICES EFFECTIVE
UPON DATE OF BOARD APPROVAL THROUGH MARCH 31, 2019
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to execute Master Agreements with multiple vendors and delegated authority to execute work orders and work order amendments for the provision of as-needed media services for the Department of Public Health and the Department of Mental Health.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Director's of the Department of Public Health (DPH) and the Department of Mental Health (DMH), or their designees, to execute separate Master Agreements, substantially similar to Exhibit I, for the provision of media services with each of the 17 firms listed in Attachment A, effective upon Board approval through March 31, 2019, with a County option to extend the term on a month-to-month basis not to exceed six months.
2. Delegate authority to the DPH and DMH Directors', or their designees, to execute additional Master Agreements during the ensuing six-year period with other firms that submit a Statement of Qualifications (SOQ), which meets all the requirements as outlined in the initial Request for Statement of Qualifications (RFSQ) released on October 12, 2012, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).
3. Delegate authority to the DPH and DMH Directors', or their designees, to execute amendments to

the Master Agreements that: a) add and/or change terms and conditions to conform to changes in federal, State, and/or County laws, regulations, and/or policies for the duration of the Master Agreements; and b) exercise the option to extend the term on a month-to-month basis for up to six months under the same terms and conditions, subject to review and approval by County Counsel, and notification to your Board and the CEO.

4. Delegate authority to the DPH and DMH Directors', or their designees, to execute Master Agreement Work Orders (MAWOs) for services performed under the Master Agreements with the following criteria for each MAWO: a) \$399,999 or less annually, DPH and DMH will notify your Board of the MAWO once approved by County Counsel; b) \$400,000 to \$699,999 annually, upon approval from County Counsel, DPH and DMH will provide two weeks advance written notice to your Board and, unless otherwise instructed, will execute the MAWO; c) \$700,000 or more annually, DPH and DMH will return to your Board for approval; and d) annually, DPH and DMH will separately provide your Board, the CEO, and County Counsel a listing of all approved vendors, the total annual amount awarded to each vendor, as well as the total cumulative amount awarded to each vendor.

5. Delegate authority to the DPH and DMH Directors', or their designees, to execute administrative amendments to MAWOs, to: a) extend the MAWO term under the same terms and conditions; b) rollover unspent MAWO funds; c) provide an internal reallocation of funds between budgets in each term's annual base maximum obligation; d) increase or decrease funding in each term's annual base maximum obligation as outlined in Recommendation 4; and e) make corresponding service adjustments as necessary, contingent upon the availability of funds, subject to review and approval by County Counsel, and notification to your Board and the CEO.

6. Delegate authority to the DPH and DMH Directors', or their designees, to execute change notices to MAWOs to: a) permit modifications to or within schedule budget categories, up to an adjustment between all budget categories equal to 20 percent of each term's annual base maximum obligation, and corresponding adjustment of the scope of work tasks and/or activities; b) allow for changes to hours of operation, and/or service locations; and c) correct errors in the MAWO's terms and conditions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended Master Agreements will ensure the provision of as-needed media services to DPH and DMH (Departments). DPH, in collaboration with DMH, conducted a RFSQ and as a result of that process is recommending that each Department execute separate Master Agreements with each of the 17 firms. Each Department will be responsible for the administration and monitoring of its own Master Agreements and MAWOs.

Approval of the first recommendation will allow the Department Directors to execute Master Agreements with selected media firms with expertise managing, evaluating, designing, marketing, and engaging communities in large-scale multilingual media campaigns with particular expertise in areas such as emergency preparedness and response targeting Los Angeles County's diverse media markets. All vendors recommended for a Master Agreement met all the minimum qualifications of the RFSQ, including five years experience within the last seven years providing local and/or statewide media and/or public relations services in one or more of the following categories: a) Designing and Creating; b) Mechanicals; c) Social Media; and d) Outreach.

Approval of the second and third recommendations will allow the Department Directors to execute

Master Agreements with additional qualified firms to meet service needs throughout the duration of the Master Agreement term and expand the pool of qualified contractors seamlessly without interruption to meet the needs of the Departments; exercise the option to extend the term of each Master Agreement on a month-to-month basis not to exceed six months; and add or change terms and conditions to conform to all applicable laws, regulations and policies.

Approval of the fourth and fifth recommendations will allow the Department Directors to execute MAWOs for services under the Master Agreements; extend MAWO terms under the same terms and conditions; add and/or change non-substantive MAWO terms and conditions; rollover unspent MAWO funds; internally reallocate funds between budgets in each term's annual base maximum obligation; increase or decrease funding above or below each term's annual base maximum obligation as outlined in Recommendation four, and make corresponding service adjustments as necessary, contingent upon the availability of funds, subject to review and approval by County Counsel, and notification to your Board and the CEO.

Approval of the sixth recommendation will allow the Department Directors to execute change notices to permit modifications to or within schedule budget categories, up to an adjustment between all budget categories equal to 10 percent of each term's annual base maximum obligation, and corresponding adjustment of the scope of work tasks and/or activities; allow for changes to hours of operation and/or to service locations; and correct errors in the MAWO's terms and conditions.

Implementation of Strategic Plan Goals

The recommended actions support Goal 3, Integrated Services Delivery, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Utilizing the Master Agreements, the Departments will be able to conduct Work Order Solicitations (WOS) to select vendor(s) to provide media services on an as-needed basis. Funding as well as the funding source for each MAWO will vary, depending upon the services to be provided, the term of the MAWO, and the availability of funding.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

For a number of years, both Departments have contracted with various agencies for the provision of as-needed media services. These services are essential to meet a variety of program needs to support short-term and/or long-term goals.

The Master Agreement includes all of the latest Board-mandated provisions and each of the vendors has agreed to all terms therein.

Program Administration

Each Department's Contracts and Grants Division will act as the County Project Director and will provide overall direction and oversight of the day-to-day administration of its respective Master Agreements.

DPH/DMH Programs' Utilization of the Master Agreement

The proposed Master Agreements provide a pool of pre-qualified vendors that have demonstrated relevant experience and capacity to provide media services. The contractors will serve as a resource to DPH/DMH Programs and thereby streamline and expedite the process for securing specific services, as needed. No work is guaranteed to any Master Agreement Contractor based on the award of a Master Agreement.

DPH/DMH Programs interested in media services in the areas of Designing and Creating; Mechanicals; Social Media; and/or Outreach will issue a WOS to all of the Contractors with a Master Agreement to provide the specific service need. Each WOS will describe the specific departmental project in detail, budgetary guidelines, submission requirements, and the proposal evaluation criteria. DPH/DMH will evaluate responses, select the firm most appropriate for the department's needs, and recommend the MAWO for County Counsel approval. Annually, DPH and DMH will provide your Board, the CEO, and County Counsel a listing of all approved vendors, the total annual amount awarded to each vendor, as well as the total cumulative amount awarded to each vendor.

Attachment A is a list of vendors recommended for a Master Agreement.

County Counsel has reviewed and approved Exhibit I as to form.

CONTRACTING PROCESS

On October 12, 2012, DPH, in collaboration with DMH, released a RFSQ to solicit a Statement of Qualifications (SOQ) from firms with expertise managing, evaluating, designing, marketing, and engaging communities in large-scale multilingual media campaigns. The contracting opportunity announcement was posted on the County's "Doing Business with Us" website (Attachment B).

By the December 12, 2012 SOQ submission deadline, eighteen (18) vendors submitted SOQs in response to the RFSQ. One firm was notified in writing that their SOQ was deemed non-responsive and therefore was disqualified from consideration for failure to meet the minimum qualifications of the RFSQ. The disqualified firm did not submit a Disqualification Review Request to DPH.

In accordance with the solicitation process, the RFSQ can be re-opened as necessary throughout the duration of the Master Agreement term, at DPH/DMH's sole discretion, to qualify new vendors. At a minimum, DPH will evaluate annually whether there is a need for the Department to re-open the RFSQ to qualified vendors and award additional Master Agreements.

Once the Master Agreements have been fully executed, notice will be provided to all DPH/DMH Programs of the availability of the Master Agreements and the procedures for their use.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Establishment of Master Agreements with pre-qualified vendors to provide as-needed media services will simplify the solicitation and contracting process for DPH/DMH Programs that require media services. Approval of these actions will enable DPH/DMH to perform at a more efficient and effective level, and provide timely services to constituents.

The month-to-month extension shall be exercised at the sole discretion of the Department. The Director may extend this Master Agreement on a month-to-month basis by providing written notification to the Contractor at least ten (10) calendar days prior to the expiration date.
- 4.2 Notwithstanding any other provisions of this Section 4.0, any MAWO issued hereunder prior to the expiration date of this Master

Agreement which has a MAWO expiration date later than the Master Agreement expiration date shall automatically extend such Master Agreement expiration date up to one hundred eighty (180) days or to the MAWO expiration date, whichever occurs first. This provision shall survive the expiration or other termination of this Master Agreement.

However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of the Master Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Master Agreement.

8.2.3 Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of the Master Agreement which may result in the termination of this Master Agreement. Any legal defense pursuant to Contractor's indemnification obligations under this Paragraph 8.5 shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.
- 8.6.4 The Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental

disability, medical condition, marital status, or political affiliation.

- 8.6.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religious creed, ancestry, national origin, sex, sexual orientation, age, physical or mental disability, medical condition, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Agreement or under any project, program, or activity supported by this Agreement.
- 8.6.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this sub-paragraph 8.8 when so requested by the County.
- 8.6.7 If the County finds that any provisions of this sub-paragraph 8.8 have been violated, such violation shall constitute a material breach of this Agreement upon which the County may terminate or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Agreement.
- 8.6.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Agreement, the County shall, at its sole option, be entitled to the sum of Five Hundred Dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Agreement.

8.7 COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

- 8.7.1 **Jury Service Program:** This Master Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the

Los Angeles County Code, a copy of which is attached as Exhibit D and incorporated by reference into and made part of this Master Agreement.

8.7.2 Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Master Agreement, the subcontractor shall also be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when the Master Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor

shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Master Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

4. Contractor's violation of this sub-paragraph of the Master Agreement may constitute a material breach of the Master Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Master Agreement and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

8.8 CONFLICT OF INTEREST

- 8.8.1 No County employee whose position with the County enables such employee to influence the award of this Master Agreement or any competing Master Agreement, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Master Agreement. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.8.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Master Agreement. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this sub-paragraph 8.8 shall be a material breach of this Master Agreement.

8.9 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Master Agreement.

8.10 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.10.1 Should the Contractor require additional or replacement personnel after the effective date of this Master Agreement, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

8.10.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.11 CONTRACTOR RESPONSIBILITY AND DEBARMENT

8.11.1 Responsible Contractor

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in this Master Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be

permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.11.3 Non-responsible Contractor

The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.11.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

4. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. Such evaluation will include assessing the Contractor's compliance with all Master Agreement terms and conditions and performance standards. Contractor deficiencies which the County

determines are severe or continuing and that may place performance of the Master Agreement in jeopardy if not corrected will be reported to the Board of Supervisors.

- 8.14.2 The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate this Master Agreement or impose other penalties as specified in this Master Agreement.

8.16 EMPLOYMENT ELIGIBILITY VERIFICATION

- 8.16.1 The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Master Agreement meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. The Contractor shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, (P.L. 99-603), or as they currently exist and as they may be hereafter amended. 8.17 FACSIMILE REPRESENTATIONS

The County and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to sub-paragraph 8.1, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Amendments to this Master Agreement, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile) transmission of "original" versions of such documents.

8.19.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any

fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

- 8.19.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.20 GOVERNING LAW, JURISDICTION, AND VENUE

This Master Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Master Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.21 INDEPENDENT CONTRACTOR STATUS

- 8.21.1 This Master Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. 8.23 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.24 and 8.25 of this Contract. These minimum insurance coverage terms, types and limits (the “Required Insurance”) also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Contract. - Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

8.23.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8.23.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.23.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.23.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.25 LIQUIDATED DAMAGES

It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of five (5) years thereafter unless the County’s written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County’s option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County

to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.
- 8.37.3 If, at any time during the term of this Master Agreement or within five (5) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement. The requirements of the provisions of Paragraph 8.37 survive the expiration of this Master Agreement.

8.38 RECYCLED BOND PAPER

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 SUBCONTRACTING

- 8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor **without the advance written approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.
- 8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.39.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.
- 8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved

subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles
Contract Monitoring Division
5555 Ferguson Drive, Suite 210
Commerce, CA 90022
Director, Contract Monitoring Division

before any subcontractor employee may perform any work hereunder.

8.40 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to sub-paragraph 8.42 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 TERMINATION FOR CONVENIENCE

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order shall be maintained by the Contractor in accordance with sub-paragraph 8.37, Record Retention AND Inspection/Audit Settlement.

8.42 TERMINATION FOR DEFAULT

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State

governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

- 8.42.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.42, or that the default was excusable under the provisions of subparagraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.41 - Termination for Convenience.
- 8.42.5 The rights and remedies of the County provided in this subparagraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 TERMINATION FOR IMPROPER CONSIDERATION

- 8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 TERMINATION FOR INSOLVENCY

8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this subparagraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.45 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 VALIDITY

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 WAIVER

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 WARRANTY AGAINST CONTINGENT FEES

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH)

9.1.1 Contractor expressly acknowledges and agrees that the provision of services under this Agreement does not require or permit access by Contractor or any of its officers, employees, or agents, to any patient medical records. Accordingly, Contractor shall instruct its officers, employees, and agents, that they are not to pursue, or gain access to, patient medical records for any reason whatsoever.

9.1.2 Notwithstanding the forgoing, the parties acknowledge that in the course of the provision of services hereunder, Contractor or its officers, employees, and agents, may have inadvertent access to patient medical records. Contractor

understands and agrees that neither it nor its officers, employees, or agents, are to take advantage of such access for any purpose whatsoever.

- 9.1.3 Additionally, in the event of such inadvertent access, Contractor and its officers, employees, and agents, shall maintain the confidentiality of any information obtained and shall notify Director that such access has been gained immediately, or upon the first reasonable opportunity to do so. In the event of any access, whether inadvertent or intentional, Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents, from and against any and all liability, including but not limited to, actions, claims, costs, demands, expenses, and fees (including attorney and expert witness fees) arising from or connected with Contractor's or its officers', employees', or agents', access to patient medical records. Contractor agrees to provide appropriate training to its employees regarding their obligations as described hereinabove.

9.2 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 9.2.1 This Master Agreement is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 9.2.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 9.2.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 9.2.4 If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Master Agreement/Work Order to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the work order amount and what the County's costs would have been if the work order had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the work order; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and OAAC of this information prior to responding to a solicitation or accepting a contract award.

9.2.5 APPLYING THE LOCAL SBE PREFERENCE IN WORK ORDER BIDS

The following language will be used in **Work Order Bids** which **are not** subject to the federal restriction on geographical preferences:

In reviewing Work Order Bids, the County will give Local SBE preference to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and; 2) has had its principal office located in Los Angeles County for a period of at least one year. The business must be certified by the Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.

To apply for certification as a Local SBE, companies may register at the Office of Affirmative Action Compliance's website at:

<http://oaac.co.la.ca.us/contract/sbemain.html>

To be eligible for the preference, certified Local SBEs must request the SBE Preference in each of their Work Order Bid responses, but may not request the preference unless the certification process has been completed and certification affirmed. Sanctions and financial penalties may apply to a

business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at

<http://www.pd.dgs.ca.gov/smbus/default>

- OR -

- 9.2.6 The following language will be used in **Work Order Bids** which **are** subject to the federal restriction on geographical preferences:

In reviewing Work Order Bids, the County will give Local SBE preference to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.2 of the Los Angeles County Code.

A business which is certified as small by the Small Business Administration (SBA) or which is registered as small on the federal Central Contractor Registration data base may qualify to request the Local SBE Preference in a solicitation.

Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain the Local SBE Preference.

9.3 OWNERSHIP OF MATERIALS, SOFTWARE AND COPYRIGHT

- 9.3.1 County shall be the sole owner of all right, title and interest, including copyright, in and to all software, plans, diagrams, facilities, and tools (hereafter "materials") which are originated or created through Contractor's work pursuant to this Master Agreement. Contractor, for valuable consideration herein provided, shall execute all documents necessary to assign and transfer to, and vest in the County all Contractor's right, title and interest in and to such original materials, including any copyright, patent and trade secret rights which arise pursuant to Contractor's work under this Master Agreement.
- 9.3.2 During the term of this Master Agreement and for five (5) years thereafter, Contractor shall maintain and provide security for all Contractor's working papers prepared under this Master Agreement. County shall have the right to

inspect, copy and use at any time during and subsequent to the term of this Master Agreement, any and all such working papers and all information contained therein.

- 9.3.3 Any and all materials, software and tools which are developed or were originally acquired by Contractor outside the scope of this Master Agreement, which Contractor desires to use hereunder, and which Contractor considers to be proprietary or confidential, must be specifically identified by Contractor to County's Project Manager as proprietary or confidential, and shall be plainly and prominently marked by Contractor as "Propriety" or "Confidential" on each appropriate page of any document containing such material.
- 9.3.4 County will use reasonable means to ensure that Contractor's proprietary and/or confidential items are safeguarded and held in confidence. County agrees not to reproduce, distribute or disclose to non-County entities any such proprietary and/or confidential items without the prior written consent of Contractor.
- 9.3.5 Notwithstanding any other provision of this Master Agreement, County will not be obligated to Contractor in any way under sub-paragraph 9.3.4 for any of Contractor's proprietary and/or confidential items which are not plainly and prominently marked with restrictive legends as required by sub-paragraph 9.3.3 or for any disclosure which County is required to make under any state or federal law or order of court.
- 9.3.6 All the rights and obligations of this sub-paragraph 9.3 shall survive the expiration or termination of this Master Agreement.

9.4 PATENT, COPYRIGHT AND TRADE SECRET INDEMNIFICATION

- 9.4.1 Contractor shall indemnify, hold harmless and defend County from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees, for or by reason of any actual or alleged infringement of any third party's patent or copyright, or any actual or alleged unauthorized trade secret disclosure, arising from or related to the operation and utilization of Contractor's work under this Master Agreement. County shall inform Contractor as soon as practicable of any claim or action alleging such infringement or unauthorized disclosure, and shall support Contractor's defense and settlement thereof.

9.4.2 In the event any equipment, part thereof, or software product becomes the subject of any complaint, claim, or proceeding alleging infringement or unauthorized disclosure, such that County's continued use of such item is formally restrained, enjoined, or subjected to a risk of damages, Contractor, at its sole expense, and providing that County's continued use of the system is not materially impeded, shall either:

- Procure for County all rights to continued use of the questioned equipment, part, or software product; or
- Replace the questioned equipment, part, or software product with a non-questioned item; or
- Modify the questioned equipment, part, or software so that it is free of claims.

9.4.3 Contractor shall have no liability if the alleged infringement or unauthorized disclosure is based upon a use of the questioned product, either alone or in combination with other items not supplied by Contractor, in a manner for which the questioned product was not designed nor intended.

9.5 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification, Exhibit J, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

9.6 TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

9.6.1 This Master Agreement is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

9.6.2 Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

9.6.3 Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunity vendor.

9.6.4 If Contractor has obtained County certification as a Transitional Job Opportunity vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this work order to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the work order amount and what the County's costs would have been if the work order had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the work order; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the certifying department of this information prior to responding to a work order solicitation or accepting a master agreement work order award.

9.7 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76)

Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, or directors or other principals is currently suspended, debarred, ineligible, or

excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director, or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

9.8 CONTRACTOR'S EXCLUSION FROM PARTICIPATING IN A FEDERALLY FUNDED PROGRAM

9.8.1 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within ten (10) calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participating in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

9.8.2 Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program.

9.8.3 Failure by Contractor to meet the requirements of this subparagraph shall constitute a material breach of the Agreement upon which County may immediately terminate or suspend this Agreement.

9.9 FEDERAL ACCESS TO RECORDS

If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General

of the United States, or to any of their authorize representatives, the Agreements, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

9.10 LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES

Contractor shall obtain and maintain in effect during the term of this Agreement, all valid licenses, permits, registrations, accreditations, and certificates required by law which are applicable to its performance of this Agreement, and shall ensure that all of its officers, employees, and agents who perform services hereunder obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, accreditations, and certificates required by law which are applicable to their performance of services hereunder. All such licenses, permits, registrations, accreditations, and certifications relating to services hereunder shall be made available to County upon request.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Master Agreement to be executed by the Director, of the Department of Public Health or designee and approved by County Counsel, and Contractor has caused this Master Agreement to be executed in its behalf by its duly authorized officer, this _____ day of _____, 200_.

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

WORK ORDER PROCESS

The following describes the typical process that the Departments will use in selecting a Master Agreement Contractor for a given project. This does not preclude the Department from awarding a Master Agreement Work Order directly to a specific contractor with an existing Master Agreement when it is in the County's best interest, as determined by the Directors or their designee.

A. **Work Order Solicitation (WOS)**

DPH/DMH release a WOS to all qualified Master Agreement contractors in the category for which they are qualified for the provision of media services. The WOS will include a statement of work which describes in detail the particular project and the work required for the performance thereof. Contractor will be given 30 days after the issue date to submit a proposal/bid for the project. County reserves the right to reduce the response time to meet its service needs.

B. **Proposal/Bid Submission**

In response to the WOS, interested and qualified Master Agreement contractors will submit proposals/bids to the referring Department. Proposal/bid, may include, but not be limited to:

- COVER PAGE
- TABLE OF CONTENTS
- WORK PLAN
- PERSONNEL
- BIDDER/PROPOSER EXPERIENCE AND CAPABILITIES
- SCHEDULE OF PROJECT COSTS
- TIMETABLE
- Local Small Business Enterprise Program – if applicable
- Transitional Job Opportunities – if applicable

C. **Selection Process**

DPH reserves the sole right to judge the contents of the work order bids submitted in response to this WOS and to review, evaluate and select the successful bid.

DPH shall comply with the County's Board of Supervisors Policy 5.054, Evaluation Methodology for Proposals, to ensure a consistent process for the evaluation of proposals. The proposals are evaluated and scored by a panel based on several factors, which may include qualifications, experience, work plan, and price.

The Informed Averaging method, as further described in the Evaluation Methodology for Proposals Implementation Guidelines, requires that evaluators independently review and score each proposal using the rating factors included in the individual evaluation worksheet. Evaluators then meet as a group to discuss, and following such discussion, may individually determine if they wish to change any scoring based on the discussion. The basis for any changes in an individual evaluator's score shall be documented in the individual evaluation worksheet. All individual evaluators' scores shall be compiled in a final evaluation worksheet and are averaged to complete the evaluation process. All

evaluator written notes must be included on the individual evaluation worksheets and/or the final evaluation worksheet.

DPH shall retain the individual evaluation worksheets and the final evaluation scoring worksheet signed by each evaluator (Evaluation Documents) consistent with the Countywide Record Retention Schedule for contracts as approved by the Board of Supervisors. There will be no discarding, shredding, or other destruction of Evaluation Documents pending the expiration of the applicable retention period per the retention schedule referenced above. All evaluator written notes must be included on the individual evaluation worksheets and/or the final evaluation worksheet.

Subsequent to the evaluation of the proposals, at the sole discretion of the County, the highest rated firms may be requested to meet with the Project Evaluation Committee to answer questions and provide more evidence of their qualifications. The evaluators will consider the results of these interviews in their ratings of the proposals.

C. Master Agreement Work Order Award

Upon completion of negotiations with the highest rated bidder/proposer (Recommended Proposer), the County department shall obtain a Letter of Intent from an authorized officer of the Recommended Proposer that the negotiated Master Agreement Work Order is a firm offer of the Recommended Proposer, which shall not be revoked by the Recommended Proposer pending DPH's completion of the Protest and Review Process.

A Work Order Bidder whose bid submission is selected by the Director of DPH shall not begin work on the project until the MAWO has been fully executed and incorporated into the selected bidder's Master Agreement with the County of Los Angeles.

When selected to perform the requested services, the Recommended Proposer and the County will sign a Master Agreement Work Order in a format substantially the same as Exhibit F2. Work Order Bidders that are not selected will be notified of the selection of the successful Work Order Bidder.

You may contact the person to which this SOQ is submitted for assistance in obtaining a copy of those regulations.
4. Vendor acknowledges that a participant may decide the method and frequency by which it determines the eligibility of its principals.
