The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

28 December 4, 2012

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

APPROVAL TO EXTEND THE REPAYMENT OF CASH FLOW ADVANCES OF THREE LEGAL ENTITY CONTRACTORS FOR MENTAL HEALTH SERVICES (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Request approval to enter into repayment settlement agreements with three Legal Entity Contractors to extend the repayment period of outstanding unearned Cash Flow Advances.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Director of Mental Health (Director), or his designee, to extend for a period not to exceed six months from the date of approval of this letter the recovery period of the outstanding unearned Cash Flow Advances (CFA) totaling \$339,111 owed by three Legal Entity (LE) Contractors detailed in Attachment I.
2. Approve and instruct the Director, or his designee, to prepare, sign, and execute settlement agreements, substantially similar to Attachment II, with the three LE Contractors extending the repayment period.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will extend the repayment period of estimated outstanding unearned Fiscal Year (FY) 2009-10 CFA for the three LE contractors as listed on Attachment I. The three LE contractors have requested an extension to repay the estimated

outstanding CFA over a period not to exceed six months from approval of this letter, in lieu of the three-month repayment period provided in the LE Agreement. They have indicated that the repayment of the unearned CFA over three months will have an immediate adverse fiscal impact on their operations. This extension will mitigate an immediate adverse impact on the contractors' operations and the level and quality of services provided.

Implementation of Strategic Plan Goals

The recommended Board actions support the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

DMH has already offset some of the amounts due to DMH by each contractor for the months of November and December in accordance with the LE Agreement provision on repayments. DMH is estimating to collect an additional \$47,938 at the end of December as an offset to the January payment to these three LE contractors. As a result, the approval of the extended repayment period for the three LE contractors will delay the recovery of \$291,173 of the total estimated unearned CFA of \$339,111 of the three LE contractors by five months.

If the Board letter is not approved, the entire amount of \$339,111 will be due at the end of December as an offset to the payment for the month of January.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

CFA is a disbursement of funds to the LE contractors for working capital purposes. Such advances are fiscal year specific and are made to provide funds for the LE contractors to operate during the period of time from the delivery of the services to DMH payment of the actual claims. The recovery of the unearned CFA is made either as offsets to the LE contractors' reimbursement claims or by cash repayment.

On July 3, 2012, your Board authorized DMH to initiate recovery of unearned CFA for FY 2009-10 from LE Contractors based on an analysis of their FY 2009-10 Short-Doyle/Medi-Cal (SD/MC) Cost Reports, and to defer recouping the portion of likely earned CFA funds until the State's completion of the FY 2009-10 SD/MC Cost Report Reconciliation and Settlement.

The FY 2009-10 LE contract language stipulates that the repayment period for the recovery of the CFA shall not exceed a three-month period. In October 2012, DMH began the recovery process of estimated unearned CFA for FY 2009-10 from all the LE contractors listed in the July 3, 2012, Board letter. However, the LE contractors listed in Attachment I indicated that it would be a financial hardship to repay the estimated unearned amount owed in three installments, as it would have an adverse cash flow impact on their daily operations. To avoid an adverse impact on LE contractors and the mental health services they deliver, DMH is requesting your Board's approval to enter into a repayment settlement agreement over a period not to exceed six months, without interest, from the date of your Board's approval.

Effective upon your Board's approval, DMH will execute a repayment settlement agreement with the LE Contractors to allow these Contractors to make monthly repayments over a period not to exceed

six months. Such repayments can be in the form of cash payments, deductions from LE contractor's monthly reimbursement of claims, or a combination of both. This proposed repayment period also allows sufficient time for the LE Contractors to take actions to improve their financial condition without disruption to their current service delivery level.

The three LE Contractors have provided DMH with comprehensive financial plans to support the repayment schedule, and DMH has verified the reasonableness of the plan's assumptions and projections.

In addition, there will be a moratorium on expansion and/or implementation of any new programs during the repayment period for all of the LE contractors identified in Attachment I.

The attached repayment settlement agreement format (Attachment II) has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The extension of the repayment period will mitigate an immediate adverse cash flow impact on LE contractors, thus avoiding a potential change in the level and quality of services being provided to clients.

Respectfully submitted,
