Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

35 May 29, 2012

*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

**APPROVAL TO ENTER INTO THE PARTICIPATION AGREEMENT WITH THE CALIFORNIA MENTAL HEALTH SERVICES AUTHORITY TO FUND THE MULTIYEAR REGIONAL DATA WORKGROUP PROGRAM (ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**SUBJECT**

Request authorization to execute the Participation Agreement with California Mental Health Services Authority, governed by the Joint Exercise of Powers Agreement, to participate in funding of the Multiyear Regional Data Workgroup Program.

**IT IS RECOMMENDED THAT YOUR BOARD:**

Authorize the Director of Mental Health (Director), or his designee, to sign and execute the Participation Agreement (substantially similar to Attachment) with the California Mental Health Services Authority (CalMHSA), governed by the Joint Exercise of Powers Agreement, for the purposes of strengthening county capacity to formulate and conduct outcome evaluations and to use appropriate data and analytic techniques to inform decision-making, enhance service quality, and create a statewide approach to improving data quality, outcome reporting, and improving service quality. The Participation Agreement is fully funded by State Mental Health Services Act (MHSA) revenue for Fiscal Year (FY) 2011-12, FY 2012-13, and FY 2013-14 in the amount of \$35,000, \$300,000 and \$300,000, respectively.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Approval of the recommended action will authorize the Department to fund CalMHSA through the Participation Agreement for training and technical assistance on enhancing data quality through the facilitation of data workgroups in each region of California. These workgroups will provide a venue for counties to learn from each other and from evaluation specialists on how to improve data quality, develop reports and manage data and reports for purposes of enhancing service quality and to create a statewide approach to outcome reporting and improving service quality. Los Angeles County is among several counties who are contributing to this technical assistance statewide project.

In July 2009, CalMHSA was formed for the purpose of jointly developing and funding mental health services and education programs on a statewide, regional, or local basis. In addition to providing counties with an alternative to assigning MHSA funds to the State for statewide projects, CalMHSA provides a mechanism to: facilitate efficient use of resources for multiple counties by maximizing group purchasing power for products; jointly developing requests for proposals and establishing contracts with providers to accomplish agreed upon goals; reducing administrative overhead; centralizing compliance with reporting requirements; sharing research, information, and strategies; and negotiating cost-effective rates with various subcontractors statewide. Moreover, CalMHSA can provide counties a centralized voice before the State Legislature, the State Department of Health Care Services, the Mental Health Services Oversight and Accountability Commission, and other parties to address funding of county public mental health services, including Prevention and Early Intervention (PEI) statewide funding.

### **Implementation of Strategic Plan Goals**

The recommended action is consistent with the County's Strategic Plan Goal 3, Integrated Services Delivery.

### **FISCAL IMPACT/FINANCING**

The Participation Agreement with CalMHSA for FY 2011-12 is \$35,000 fully funded by State MHSA revenue. The funding for this project is included in the Department's FY 2011-12 Final Adopted Budget. Funding for FY 2012-13 in the amount of \$300,000 has been requested in the Department of Mental Health's (DMH) Recommended Budget. Funding for FY 2013-14 in the amount of \$300,000 will be requested in DMH's annual budget request process.

There is no net County cost impact associated with this action.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On May 11, 2010, your Board authorized the Director to sign the CalMHSA Joint Exercise of Powers Agreement and to serve on its board and act as the representative of the County for the purpose of jointly developing and funding mental health services and education programs on a statewide, region, or local basis. Implementation of statewide PEI projects through the CalMHSA will provide the County with an alternative to assigning PEI Statewide Project Funds to the State and will facilitate efficiencies through joint action with participating counties.

Since the establishment of CalMHSA in July 2009, the current members are Butte, Colusa, Contra Costa, Fresno, Glenn, Imperial, Kern, Lake, Los Angeles, Madera, Marin, Mendocino, Modoc, Monterey, Placer, Riverside, Sacramento, San Bernardino, San Luis Obispo, Santa Clara, Santa Cruz, Solano, Sonoma, Stanislaus, Sutter/Yuba, Trinity, Ventura, and Yolo Counties.

The Participation Agreement has been reviewed by County Counsel.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Counties will benefit directly and indirectly from these statewide projects through training and technical assistance provided to counties and their PEI partners' support for the implementation of local PEI projects, media and social marketing materials in multiple languages, model program sites, enhanced State and local partnerships, coordinated State and local efforts, research and evaluation, and statewide quality improvement activities. Funding regional data quality workgroups will serve to increase the capacity for Los Angeles and other counties across the State to create consistency in the production of high quality outcome reports that demonstrate the positive impact of the MHSA on the lives of clients. These reports will also provide valuable information to legislative staff to assist them in their efforts to continue to support and understand the impact of MHSA regionally and across the State.

Respectfully submitted,
