The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

#25 SEPTEMBER 6, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT RESOLUTION TO APPLY FOR GRANT FUNDING FROM THE STATE OF CALIFORNIA
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
FISCAL YEAR 2011-12
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request adoption of a resolution enabling the Department of Mental Health to apply for grant funding from the State of California Community Development Block Grant Program, for further development of documents that will detail how to resume or maintain delivery of essential services during and after a major disaster event.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt the attached resolution (Attachment I) approving the Department of Mental Health's submittal of an application for funding and the execution of a grant agreement and any amendments thereto from the 2008 Disaster Recovery Initiative (DRI) Allocation of the State Community Development Block Grant (CDBG) Program and instruct the Executive Officer, Board of Supervisors, to certify and sign two copies of the Resolution.
2. Authorize the Director of Mental Health, or his designee, to file an application, substantially similar to Attachment II, for grant funding from the 2008 DRI Allocation of the State CDBG Program, established through the Federal Emergency Management Agency, in an amount up to \$250,000, for further development of the Department of Mental Health (DMH) Continuity of Operations planning documents.

3. Delegate authority to the Director of Mental Health, or his designee, to accept grant funding awarded from the 2008 DRI Allocation of the State CDBG Program and to execute any grant agreements required by the 2008 DRI Allocation of the State CDBG Program, and authorize the Director of Mental Health, or his designee, to act as the lead agent for the County when conducting business with the involved government entities on all matters related to this grant subject to the review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

4. Delegate authority to the Director of Mental Health, or his designee, to execute amendments to the original grant agreement provided that any such amendments: 1) provide for additional grant funding in an amount not to exceed an increased of ten (10) percent of the original grant award; 2) improve efficiencies and/or add clarity; 3) are consistent with the related funding agreement and the scope of the funded project; 4) approval of County Counsel, or designee, is obtained prior to any such amendment; and 5) the Director notifies your Board and CEO of amendments in writing within 30 days after the execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

DMH has completed an Interim Continuity of Operations (COOP) Guide in compliance with the County's Business Continuity Planning (BCP) Program and Executive Order S-04-06 issued by the Governor of the State of California, and approval of the recommended actions will enable DMH to apply for and accept grant funding that will be utilized to fully formulate its COOP Plan.

Using this grant funding, DMH will further identify and analyze essential operations at DMH directly operated clinics, administrative offices, and co-located sites through the development of the Business Impact Analysis documents. These documents will provide the necessary statistical data to transition DMH from the Interim COOP Guide to the fully formulated COOP Plan, which will detail the processes necessary to resume or maintain delivery of essential services during and after a major disaster event.

DMH anticipates that the noted grant funding will greatly assist in decreasing the current projected completion timeline for the COOP Plan from five years to two years. More importantly, this grant funding will allow for planning activities that will guide continuation and long-term recovery efforts of DMH's essential units experiencing a stoppage in work that is expected to last or has exceeded 12 hours due to a major disaster.

If awarded for this grant, DMH will return to your Board to seek approval of the subsequent consultant contract for delivery of services funded by this grant and to process a Budget Adjustment to include the funds in the department's budget.

Implementation of Strategic Plan Goals

The recommended Board actions support the County's Strategic Plan Goal 1: Operational Effectiveness; Goal 4: Health and Mental Health; and Goal 5: Public Safety.

FISCAL IMPACT/FINANCING

Grant funding of up to \$250,000 from the State of California CDBG Program will be used to fund

contract services for the development of the COOP Plan which will include the development of the Business Impact Analysis. Two percent or \$5,000 of the grant funds are allowed for general administrative costs. The remaining \$245,000 will be used to fund contract services. The grant funds are limited to a 24-month period. There is no local match requirement.

There is no net County cost associated with these actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Projects eligible for this grant are required to develop and adopt forward thinking recovery strategies and activities. The DMH COOP Plan meets this requirement. The enclosed Resolution has been reviewed and approved as to form by County Counsel.

As administrator of the Federal funding provided through the provisions of the Presidentially Declared 2008 California Wildfire Disasters, the CDBG Program has provided specific guidelines that must be met as a part of the application process, such as citizen participation through public meetings, and approval of a resolution for submittal of the grant application. The department will adhere to the grant guidelines and will conduct public hearings for community input during the design phase as well as the application preparation/submission phase. A public hearing was held on August 10, 2011 and approval of this Board letter serves as a public hearing.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Current programs and services will not be impacted by the development of the COOP Plan and Business Impact Analysis. The Plan will provide processes necessary to resume or maintain delivery of essential services during and after a major disaster event.

CONCLUSION

Please return two executed originals of the Resolution to the Department of Mental Health, Contracts Administration and Development Division.

The Honorable Board of Supervisors

9/6/2011

A RESOLUTION APPROVING AN APPLICATION FOR FUNDING AND THE EXECUTION OF A GRANT AGREEMENT AND ANY AMENDMENTS THERETO FROM THE 2008 DRI ALLOCATION OF THE STATE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

BE IT RESOLVED by the County Board of Supervisors of the County of Los Angeles as follows:

SECTION 1:

The County has reviewed and hereby approves an application for up to \$250,000 for the following activities:

General Program Administration (up to)	\$5,000.00
Planning Activities (Business Continuity) (up to)	\$245,000.00

SECTION 2:

The County has determined that federal Citizen Participation requirements were met during the development of this application.

SECTION 3:

The Director of the Department of Mental Health is hereby authorized and directed to sign this application and act on the County's behalf in all matters pertaining to this application.

SECTION 4:

If the application is approved, the Director of the Department of Mental Health is authorized to enter into and sign the grant agreement and any subsequent amendments with the State of California for the purposes of this grant.

SECTION 5:

If the application is approved, the Director of the Department of Mental Health or his designee is authorized to sign Funds Requests and other required reporting forms.

The foregoing Resolution was on the 6th day of September, 2011, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

E. Target Populations- Primary Purpose(s) of each proposed Activity

On the next page (Requested Funding for All Proposed Activities), in the noted column, enter the **primary** number(s) that correspond to the target population(s) that each activity will specifically address. For example, a homeless shelter would most likely serve several of the target populations shown below, but the **primary** target population would be the homeless, which is Target I.D. #5 on the list below.

By special waiver from HUD, planning activities are presumed to meet the National Objective for Low-Mod Income beneficiaries, which is Target I.D. #1.

G. Section 504 Self-Evaluation:

HUD requires jurisdictions to have documented their compliance with Section 504. Applicants must attach a Section 504 Self-Certification form with their Application Package. It is important to note that the form itself does not constitute the jurisdiction's efforts to meet Section 504. The jurisdiction should have performed an analysis and evaluation of each factor and prepared a Section 504 Plan. The self-certification form is used to certify that the jurisdiction has performed this analysis and evaluation and to record areas of compliance or problems.

>>See the CDBG Grant Management Manual for additional information<<

H. Residential Anti-Displacement and Relocation Assistance Plan Checklist (Completed Checklist Required for All Applicants)

1. Does the proposed activity include acquisition of real property?

No. (If no, go to #3 below)

Yes. If yes, check the appropriate box below and answer question 2 and 3.

Site Control under option to purchase.

Site is identified but no negotiations have taken place.

Site not identified (Stop here and go to next Section)

2. Will site acquisition require use of eminent domain?

Yes. (see note) No.

Note: CDBG funds cannot be used with eminent domain. Site acquisition under this circumstance may not be eligible.

3. Will the activity involve acquisition or rehabilitation of site with structures and are structures currently occupied?

Yes. The applicant must provide documentation showing that persons in the project have received a General Information Notice and provide a copy of a project-specific relocation plan, which was made public. The plan must address how many persons will be displaced and services and benefits made available.

STATEMENT OF ASSURANCES (2010) - Forms

By checking the boxes, the certifier assures the statements are true.

The County of Los Angeles, California hereby assures and certifies that:

- 1. Legal Authority
It possesses legal authority to apply for the grant and to execute the proposed program.
- 2. Application Authorization
Its governing body has duly adopted or passed as an official act or resolution, motion, or similar action authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the applicant's chief executive officer or other designee to act in connection with the application and to provide such additional information as may be required.
- 3. Citizen Participation
It has or will comply with all citizen participation requirements, which include, at a minimum, the following components:
 - a. Provides for and encourages citizen participation, with particular emphasis on participation by persons of low and moderate income who are residents of slum and blight areas and of areas in which CDBG funds are proposed to be used, and provides for participation of residents in low- and moderate-income neighborhoods as defined by the local jurisdiction; and
 - b. Provides citizens with reasonable and timely access to local meetings, information, and records relating to the grantee's proposed use of funds, as required by CDBG regulations, and relating to the actual use of funds under this title; and
 - c. Provides for technical assistance to groups representative of persons of low and moderate income that request such assistance in developing proposals with the level and type of assistance to be determined by the grantee; and
 - d. Provides for public hearings to obtain citizen views and to respond to proposals and questions at all stages of the community development program. These include at least the development of needs, the review of proposed activities, and review of program performance, which hearings shall be held after adequate notice, at times and locations convenient to potential or actual beneficiaries and with accommodation for the handicapped. This shall include one public meeting during the program design, annual performance report preparation, and formal amendments. A public hearing shall be conducted prior to application submittal; and

STATEMENT OF ASSURANCES (2010) - Forms

- e. Solicits and provides for a timely written answer to written complaints and grievances, within fifteen (15) working days where practicable; and
- f. Identifies how the needs of non-English speaking residents will be met in the case of public hearings where a significant number of non-English speaking residents can reasonably be expected to participate.

4. National Objective

The CDBG Program has been developed to primarily benefit targeted income persons and households, and each activity in the grantee's program meets one of the three national objectives: benefit to low- and moderate-income persons, elimination of slums and blight, or meets an urgent community need certified by the grantee as such.

5. NEPA Environmental Review

it consents to assume the responsibilities for environmental review and decision-making in order to ensure compliance with NEPA by following the procedures for recipients of block grant funds as set forth in 24 CFR, Part 58, titled "Environmental Review Procedures for Title I Community Development Block Grant Programs." Also included in this requirement is compliance with Executive Order 11988 relating to the evaluation of flood hazards, and Section 102(a) of the Flood Disaster Protection Act of 1973 (Public Law 93-234) regarding purchase of flood insurance, and the National Historic Preservation Act of 1966 (16 USC 470) and implementing regulations (36 CFR 800.8).

6. CEQA

It consents to assume the role of either Lead Agency as defined by Section 21067 of the California Public Resources Code, or if another public agency is or will be designated Lead Agency, it consents to assume the role of Responsible Agency as defined by Section 21069 of the California Public Resources Code, in order to ensure compliance with CEQA.

7. Audit/Performance Findings

It has resolved any audit findings or performance problems for prior CDBG grants awarded by the State.

8. Growth Control

It certifies that there is no plan, ordinance, or other measure in effect which directly limits, by number, the building permits that may be issued for residential construction or the buildable lots which may be developed for residential purposes; or if such a plan, ordinance, or measure is in effect, it will either be rescinded before receiving funds, or it need not be rescinded because it:

- a. Imposes a moratorium on residential construction, to protect the health and safety, for a specified period of time which will end when the public health and safety is no longer jeopardized; or
- b. Creates agricultural preserves under Chapter 7 (commencing with Section 51200) of Part 2 of Division 1 of Title 5 of the Government Code; or

STATEMENT OF ASSURANCES (2010) - Forms

- c. Was adopted pursuant to a specific requirement of a State or multi-State board, agency, department, or commission; or
- d. The applicant has an adopted housing element which the Department has found to be in compliance, unless a final order has been used by a court in which the court determined that it is not in compliance with Article 10.6 of Chapter 3 of Division 1 of Title 7 of the Government Code; or
- e. The use of the funds applied for in this application is restricted for housing for the targeted income group.

9. Uniform Administrative Requirements

It will comply with the regulations, policies, guidelines, and requirements of OMB Circular Numbers A-87, A-133, A-122, and 24 CFR Part 85, where appropriate, and the State CDBG regulations.

10. Nondiscrimination

It shall comply with the following regarding nondiscrimination:

- a. Title VI of the Civil Rights Act of 1964 (Public Law 88-352).
- b. Title VIII of the Civil Rights Act of 1968 (Public Law 90-284) as amended; and will administer all programs and activities related to housing and community development in a manner affirmatively furthering fair housing.
- c. Section 109 of the Housing and Community Development Act of 1974, as amended.
- d. Section 3 of the Housing and Urban Development Act of 1968, as amended.
- e. Executive Order 11246, as amended by Executive Orders 11375 and 12086.
- f. Executive Order 11063, as amended by Executive Order 12259.
- g. Section 504 of the Rehabilitation Act of 1973 (Public Law 93-112), as amended, and implementing regulations.
- h. The Age Discrimination Act of 1975 (Public Law 94-135).
- i. The prospective contractor's signature affixed hereon and dated shall constitute a certification under the penalty of perjury under the laws of the State of California that the bidder has, unless exempted, complied with the nondiscrimination program requirements of Government Code Section 12990 and Title 2, California Code of Regulations, Section 8103.

11. Anti-Displacement/Relocation

It will comply with the Federal Relocation Act (42 U.S.C. 4601 et seq.) and certifies that it will follow the state's residential anti-displacement and relocation plan

STATEMENT OF ASSURANCES (2010) - Forms

located in Appendix L of the State's 2005-2010 Consolidated Plan. The Plan can be found at: <http://www.hcd.ca.gov/hpd/hrc/rep/fed/conplan05-10final.pdf>.

12. Labor Standards

It will comply with the following regarding labor standards:

- a. Section 110 of the Housing and Community Development Act of 1974, as amended.
- b. Section 1720 et seq. of the California Labor Code regarding public works labor standards.
- c. Davis-Bacon Act as amended (40 USC. 276a) regarding prevailing wage rates.
- d. Contract Work Hours and Safety Standards Act (40 USC 3702) regarding overtime compensation.
- e. Anti-Kickback Act of 1934 (41 USC 51-58) prohibiting "kickbacks" of wages in federally assisted construction activities.

13. Architectural Barriers

It will comply with the Architectural Barriers Act of 1968 (42 USC 4151-4157) and implementing regulations (24 CFR Part 40-41).

14. Conflict of Interest

It will enforce standards for conflicts of interest which govern the performance of their officers, employees, or agents engaged in the award and administration, in whole or in part, of State CDBG grant funds (Section 7126 of the State regulations).

15. Limitations on Political Activities

It will comply with the Hatch Act (5 USC 1501 et seq.) regarding political activity of employees.

16. Lead-Base Paint

It will comply with the Lead-Based Paint Regulations (24 CFR Part 35) which prohibits the use of lead-based paint on projects funded by the program.

17. Debarred Contractors

The applicant or its principals are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in federal assistance programs, in any proposal submitted in connection with the CDBG program, per the Excluded Party List System (www.epls.gov). In addition, the applicant will not award contracts to or otherwise engage the services of any contractor while that contractor (or its principals) is debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation from the covered transaction, in any proposal submitted in connection with the CDBG program under the provisions of 24 CFR Part 24.

STATEMENT OF ASSURANCES (2010) - Forms

18. Inspection of Grant Activities
It will give HUD, the Comptroller General, the State Department of Housing and Community Development, or any of their authorized representatives access to and the right to examine all records, books, papers, or documents related to the grant.
19. Cost Recovery
It will not attempt to recover any capital costs of public improvements assisted in whole or in part with CDBG funds by assessing properties owned and occupied by targeted income persons unless:
- a. CDBG funds are used to pay the proportion of such assessment that relates to non-CDBG funding; or
 - b. For the purposes of assessing properties owned and occupied by targeted income persons who are not of the lowest targeted income group, it does not have sufficient CDBG funds to comply with the provisions of "a" above.
20. Procurement
It will follow the federal procurement policies per 24 CFR Sec. 85.36
21. Excessive Force
It will adopt and enforce policies:
- a. Prohibiting the use of excessive force by its law enforcement agencies against individuals engaged in non-violent civil rights demonstrations; and
 - b. Enforcing applicable State and local law against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstration within its jurisdiction.
22. Compliance with Laws. The jurisdiction will comply with applicable laws.

The Certification is made under penalty of perjury under the laws of the State of California.

OMB CIRCULAR A-133 - Forms

OMB CIRCULAR A-133

Office of Management and Budget (OMB) Circular A-133 is used pursuant to the Single Audit Act of 1984, P.L. 98-502, and the Single Audit Act Amendments of 1996, P.L. 104-156. It sets forth the standards for obtaining consistency and uniformity among Federal agencies for the audit of states, local governments, and non-profit organizations expending Federal awards. Cities and counties not exempted from the requirements of OMB Circular A-133 must submit their audits to the State Controller. Non-profit organizations not exempted must submit their audits to the California Department of Housing and Community Development.

Pursuant to the requirements of OMB Circular A-133, please check the appropriate statement and certify at the bottom of the page:

The County of Los Angeles Department of Mental Health has expended more than \$500,000 in Federal funds in fiscal year **2008/2009** and is required to conduct a single audit or program specific audit for this year in accordance with the provisions of OMB Circular A-133:

The audit has been completed and has been submitted to the appropriate control agency. The fiscal year 2008/2009 single audit report is available at County website: http://file.lacounty.gov/auditor/portal/cms1_158228.pdf

The audit has not been completed. It is anticipated that the audit will be completed and submitted to the appropriate control agency by: _____ (date). (Upon completion of audit, proof of submittal must be submitted to CDBG in order to be eligible to access CDBG funding, if awarded.)

The _____ (name of entity) has expended less than \$500,000 in federal funds in fiscal year **2008/2009** and is exempt from the requirements of OMB Circular A-133. Non-Federal entities that expend less than \$500,000 a year in Federal awards are exempt from Federal audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and the General Accounting Office. (Submit proof of this statement, such as proof of sending the exemption letter to SCO, with this form and the application)

I certify on behalf of Los Angeles County Department of Mental Health (name of entity) that the above is a true and accurate statement.

PLANNING ONLY ACTIVITIES

A. PLANNING ONLY ACTIVITY INFORMATION:

1. How much is being requested for this activity?

\$250,000 = (General Administration \$5,000) + (Activity \$245,000)

2. What type of Planning Activity is being proposed?

Activity #2: The development of forward-thinking strategies – Continuity of Operations planning documents.

3. Description of activity:

The Los Angeles County Department of Mental Health requests grant funding for the further development and completion of the Department's Continuity of Operations planning documents beginning fiscal year 2011-2012 through fiscal year 2013-2014. This planning effort will impact facilities jurisdiction-wide to include all 77 directly operated clinics and administrative offices as well as over 100 co-located sites. This grant will enable the timely development of the Business Impact Analysis, Vulnerability Assessment, Risk Analysis, Communications Plan, and Vital Records Plan which will provide the means to transition the current Interim Continuity of Operations Guide into the Continuity Plan.

Continuity of Operations for local jurisdictions is a relatively new field within emergency management planning and fits into the categories of recovery and mitigation. As such, it meets the intension of Activity #2: Develop plans that will guide long-term recovery efforts and/or other disaster-related planning activities.

4. Who will carry out this activity?

The Los Angeles County Department of Mental Health Administrative Support Bureau Business Continuity Section will supervise this activity. Specifically the Continuity Coordinator will manage and administer the overall scope of work with additional administrative resources provided through the DMH Office of the Administrative Deputy. Management of this activity will include but is not limited to the following objectives:

- a. Procure contract consultant services to carry out development of business continuity planning documents
- b. Establish priorities and timeframes for all deliverables
- c. Actively participate in the development of business continuity planning documents along side the contract consultant
- d. Provide hands-on guidance to contract consultant
- e. Initiate and coordinate on-going support from appropriate County of Los Angeles departments for technical, contractual, and billing/reimbursement resources

PLANNING ONLY ACTIVITIES

- f. Serve as point of contact between the Department of Mental Health and the State Community Development Block Grant DRI Section and the County of Los Angeles Community Development Block Grant Division

B. BENEFIT:

NOTE: The 2008 DRI Program includes a HUD waiver that permits DRI Planning Grants to automatically meet the National Objective for Low- and Moderate-Income Persons, Households and Businesses.

C. NEED FOR ACTIVITY:

There are eleven County agencies identified as lead agencies to serve in the Los Angeles County Emergency Operations Center during a disaster or emergency event. The Department of Mental Health is one of the eleven lead County agencies and has responsibility to the 10 million residents of the County of Los Angeles to ensure the Department has the capability to continue or resume essential functions such as emergency psychiatric intervention; participating in legally mandated proceedings; providing clinical services to current consumers and/or disaster victims; as well as maintaining medication services during a stoppage in work that may or will exceed 12-hours in duration. Additionally, the Department must ensure the capability of essential support units to provide critical goods and services to the essential units which enables them to deliver their direct mental health services. Essential and essential support units are identified through the Business Impact Analysis process which measures the result of losing a function in terms of (1) the ability of the Department to render direct services; (2) imposed fines, penalties, or legal fees due to regulatory or contractual requirements not being met in a specified period of time; (3) the ability of the unit to implement manual or work-around procedures that ensure there is no breakdown in service delivery; and (4) the capability to maintain manual procedures for 30 or more days without causing severe consequences.

D. READINESS:

In October 2009 the Department of Mental Health Administrative Support Bureau established a new, permanent full-time staff position for the explicit task of developing a viable Business Continuity of Operations program for the Department. In the 20-month period from October 2009 through June 2011 the Continuity Coordinator has developed a continuity plan methodology modeled after Federal Emergency Management Agency guidance to complete this task. To date DMH has outlined a phased-in process to develop the Business Impact Analysis for 18 identified essential DMH units; establish a Business Continuity Steering Committee that has met quarterly since August 2010; established a working group with the DMH Chief Information Office Bureau (information technology unit), developed an Interim Continuity of Operations Guide that provides the recovery structure for the Department during an extended disruption of mental health services, and begun the development of individual essential unit checklists. In summary, a solid foundation has been established to manage and administer this grant in order to develop and/or complete the planning documents as described previously. This grant will allow for the current development schedule of five years to be shortened to full completion in two years.

PLANNING ONLY ACTIVITIES

This advanced development schedule will provide the completed planning documents required to take the next steps into establishing a comprehensive continuity of operations program which include the ability to implement, test, train, and exercise all continuity program components.

1. Activity Administrator:

How will this activity be administered? *(Include details of all that apply.)*

In-house

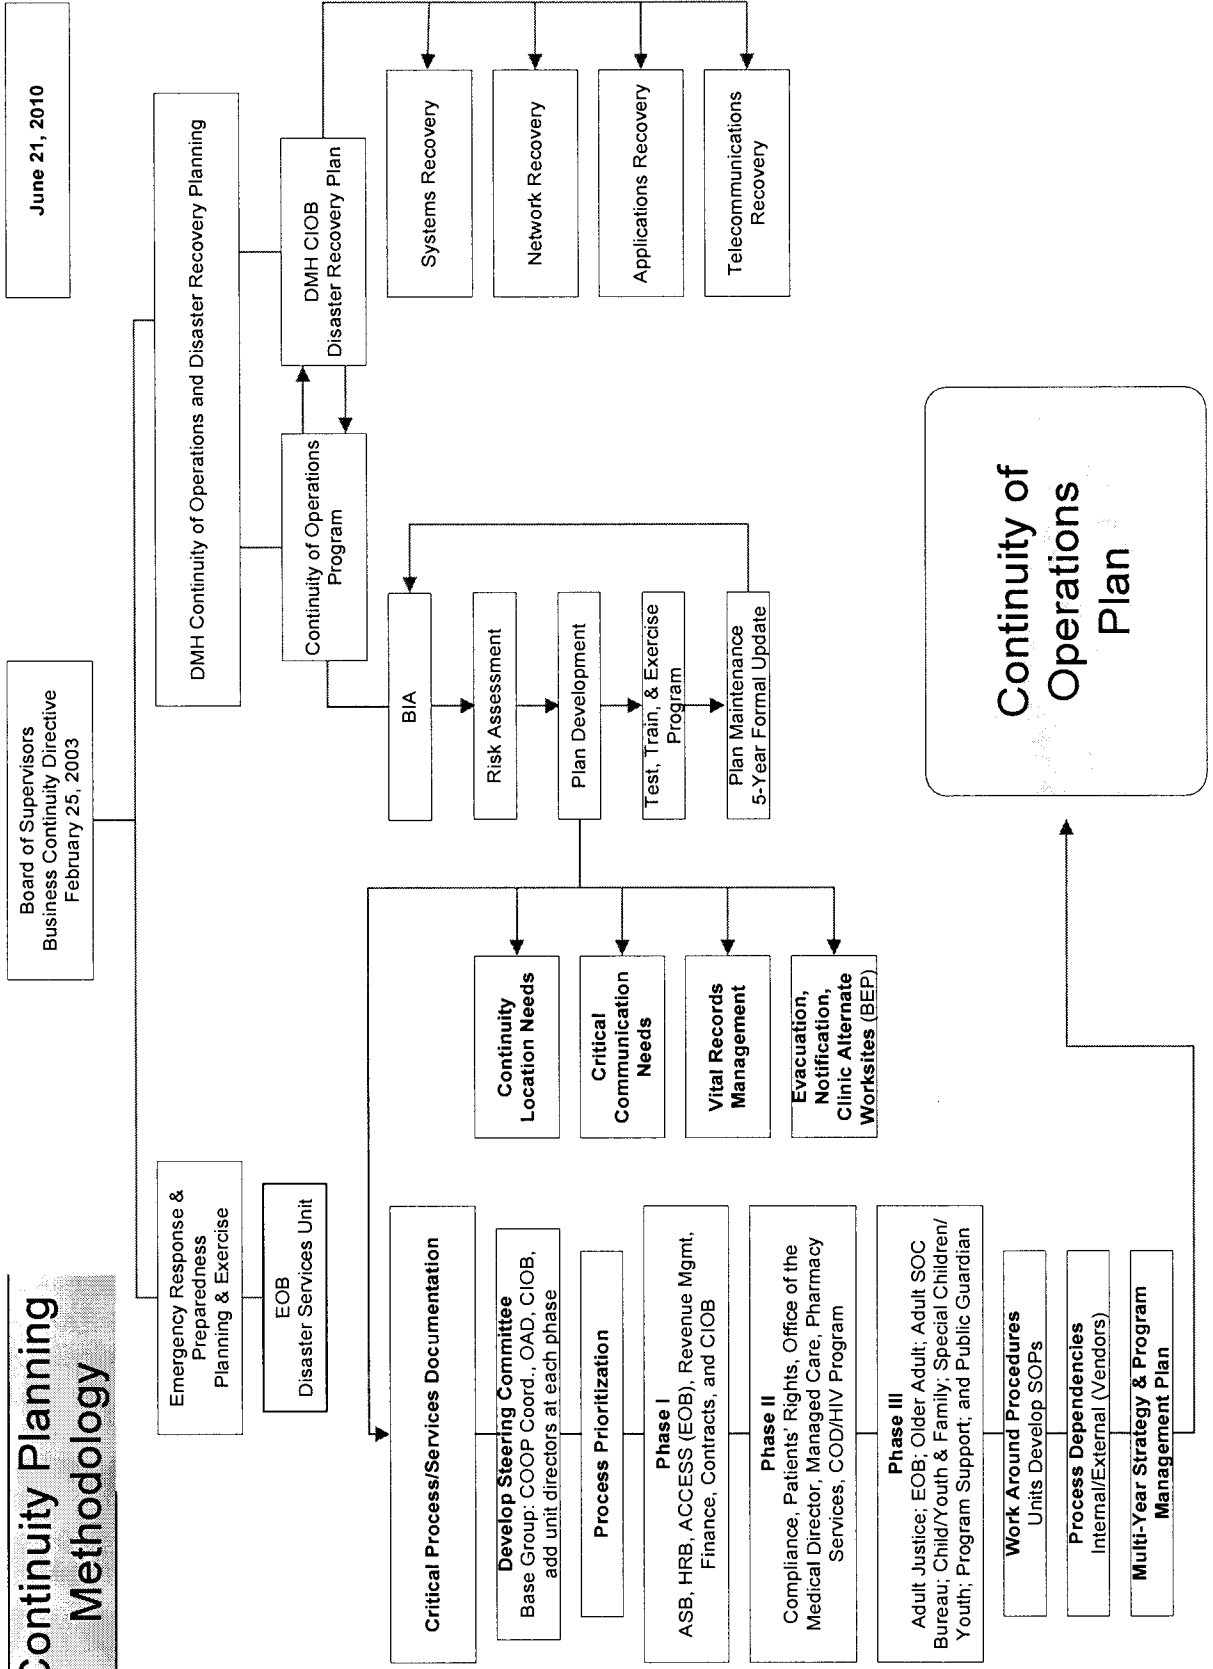

This activity will be supervised through the Department of Mental Health (DMH) Administrative Support Bureau and administered by the Continuity Coordinator with all activities directed through the Office of the Administrative Deputy. Additional administration support will be provided by DMH Financial Services Bureau and Contracts Development and Administration Division. Most importantly, the County of Los Angeles Community Development Block Grant staff will be fully available to provide technical assistance and guidance through each phase of this project. Although contract consultant services will be procured (strictly following federal procurement policies per 24 CFR Sec. 85.36) those services will be utilized to develop the business continuity planning documents only; they will not be utilized under any circumstances in an administrator capacity. As such, this business continuity planning activity will be administered solely through Los Angeles County in-house resources. See Tab C – Administration Capacity Documentation.

2. Other Readiness Documentation:

An overview of the Department's readiness level has been provided above in section D. Readiness. In support of this description, the Continuity Planning Methodology diagram has been inserted on the next page to provide a visual overview of the steps necessary to develop a continuity plan.

3. Sources and Uses Chart:

This chart indicates only one funding source – the Disaster Recovery Initiative planning grant. From our perspective the additional Department of Mental Health human and material resources required to complete this planning project are not considered a match or other leverage. The development, completion, and implementation of the deliverables from this project is our job; with or without this grant this project will be completed. The difference this grant will make is that it will allow DMH to achieve this objective in two years as opposed to five years. Our urgency to develop a comprehensive continuity program is two-fold.

- (1) Recent studies strongly indicate that Southern California is approximately 150 years overdue for a major earthquake along the southern tip of the San Andreas Fault. See website:
<http://pubs.usgs.gov/of/2008/1150/of2008-1150small.pdf>
page 2, section, "The Earthquake Source".
- (2) In November 2010 the State of California received approval to implement provisions of their 1115 Demonstration Project (1115 waiver) proposal which would serve as a bridge utilizing incremental implementation moving towards full health care reform with a final due date of 2014. This 1115 waiver provision translates into an estimated 64 percent increase in Los Angeles County Department of Mental Health services. See website:
<http://lacdmh.lacounty.gov/News/Publications/Enews/Documents/FEB1011ENEWS.html>

This project supports the development of a comprehensive DMH Continuity of Operations Program and is of the highest priority to the Department.

INSTRUCTIONS FOR OVER-THE-COUNTER ED PRE-APPLICATION FORM

(Pre-Application form for Economic Development Activities starts after these special instructions)

- A.1. Name of Applicant Jurisdiction** – The CDBG Economic Development Allocation entertains applications from eligible cities and counties only. Therefore, a city or county must be the applicant for funds. In limited cases where multiple jurisdictions are involved in a single application both should be listed as the applicant. A.3. asks for information about the developer or business on behalf of whom the eligible jurisdiction is applying.
- A.2. Staff Contact** – The staff contact is the individual with whom CDBG staff will be interfacing on a regular basis.
- A.3. Responsible Party:** Individual designated by Resolution with the authorization to execute agreements with HCD on behalf of the city or county.
- A.4. Other Project Participants** – This section provides additional information on all the various parties that will be involved in the project and/or in preparing the application.

Application to be Prepared by: Provide the name and phone number for the city or county staff person who will be preparing the application. If this task is being performed by the person identified in A.2. indicate (same as above). If this task is being performed by a consultant provide their name and phone number in this space.

Developer: If this is a development project, provide the requested information for the developer(s) that will be involved in developing the project. Typically, the developer is not the job creator, but will lease or build to suit for the business that is creating the jobs.

Business(es) responsible for job creation: Provide the requested information for the business or businesses that will be creating the jobs to make this an eligible CDBG project. In the case of a development project these businesses may be tenants that have signed leases or letters of intent to occupy space in the project.

- B.2. Public Benefit** – Jobs to be created refers to “net new” jobs. Net new jobs are full-time equivalents (FTE), which equate to 1750 hours per year, or aggregated part-time (875 hours per year) positions that are to be created as a result of (and after approval of) funding by the CDBG OTC allocation.

Retained jobs are existing, threatened FTE and aggregated (see above) positions that are retained due to the CDBG injection of funds. Retention does not apply to businesses that may be relocating their business operations and employees to another city or county within the United States. In certain circumstances retaining jobs that

ECONOMIC DEVELOPMENT PROJECT – Forms

This is a Planning Only application and as such is not intended to provide any type of public service activity as defined by HUD. Therefore, the “Economic Development Project” section is not applicable to this application.

may be outsourced outside the United States may be eligible under this category. These positions must be documented with certification of the hours worked and position held by name and hire date of the individual who will be retained in that

position. The certification will indicate household income for applications that are meeting the 51 percent benefit to TIG national objective eligibility requirement. Should individual certifications fail to demonstrate that the 51 percent TIG benefit will be met by existing employees, the application must include a written agreement between the business and the grantee that any vacancies during the term of the grant will be filled by income eligible recipients until the 51 percent threshold of benefit has been documented.

C. TIG Employment Certification – Identify the organization and contact person responsible to coordinate the document the TIG certifications.

E.1. Type of Project – The type of project will encompass not only the activity that is funded by CDBG funds, but the entire scope of the work, which will be enabled by the injection of CDBG funds.

Example: CDBG funds are being requested to cover the cost of off-site infrastructure improvements so that a business can expand its operations through the lease of space in a building that is being constructed by a developer. The infrastructure improvements are required for the new construction to take place. The business will be creating the jobs. The developer will construct the building. The jurisdiction does not have funds to cover the cost of the off-site improvements and the cost of these improvements will not allow the developer to make a reasonable return on investment. Therefore, CDBG funds may be used to pay for the cost of the infrastructure improvements, but the entire project includes the development of the new commercial space as well as the infrastructure that made it possible to complete the project. This type of project will require underwriting of the developer and the business to insure that the new construction can be completed and the business will successfully expand to a size that can sustain the projected new jobs.

E.4. Broader Community/Economic Development Need – This section should give as much detail as is known at the time, including how this assistance will meet the broader community and economic development needs of the jurisdiction. Describe to what extent this project is in line with local strategic planning.

E.6. Return on Investment (ROI) – To the extent practicable, CDBG funds cannot be used in a project when the use of such funds unduly enriches a business or developer, i.e., providing an unreasonable increase in the return on investment for that specific type of business. Calculate and present the return on investment both with and without CDBG funds.

ECONOMIC DEVELOPMENT PROJECT – Forms

This is a Planning Only application and as such is not intended to provide any type of public service activity as defined by HUD. Therefore, the “Economic Development Project” section is not applicable to this application.

E.7. Status of Project Activities – Status of each item will reflect the maturity of the proposal. All project funds must be expended, work must be completed and jobs must be in place within the grant term. Please indicate to extent to which each of these boxed items has been resolved or will affect the timing of project completion.

F.1 Amount Requested from CDBG – List total amount requested from CDBG including general administration and activity delivery funds. Grantees are limited to 7.5 percent of the total grant amount for General Administration expenses. See paragraph E under “Stage Two: Program Threshold Criteria,” for more information on threshold point impacts in regards to the amount of general administration selected. Grantees are allowed up to 8 percent of the Activity Budget (i.e., the application amount less the general administration amount) for Activity Delivery costs, not to exceed \$40,000 unless approved in advance by the Department.

G.1. The project financing sources and uses tables must include all costs, and all participating or yet to be determined sources of financing.

Business Project Sources and Uses – Owner’s equity refers to the amount of cash (or cash equivalent) contributed by the owners of the business for the proposed project. Equity contributed to the business prior to the application (e.g., land and equipment) may be included if it is considered a part of the proposed project. Non cash equity contributions should be explained.

APPLICATION FORM

This application, if approved for funding, will be a part of your grant agreement with the Department. In order to be considered for funding, all sections of this application (Section I through IV) and attachments must be complete and accurate. **DO NOT REVISE THIS FORM IN ANY MANNER UNLESS OTHERWISE NOTED ON THE APPLICATION FORM.** Refer to the Application and Program regulations (federal regulations are found at 24 CFR Part 570, Subpart I and State Regulations at Title 25, Subchapter 2, commencing with Section 7050) for additional information. If you have any questions about the application, or if you require technical assistance, please contact program staff for assistance.

Los Angeles County, Department of Mental Health, Continuity Senior Analyst – 1.9 years
URS Corporation, Senior Planner – 5 years
Maricopa County Department of Emergency Management, Planner – 6 years
American Red Cross, Emergency Services Specialist – 12 years

Overview

My emergency management knowledge and experience spans 25 years, allowing me to have been involved in a broad variety of continuity, disaster and emergency response, planning, mitigation, and exercise development and facilitation activities. Beginning in 2009 I accepted a new position with the Los Angeles County Department of Mental Health to establish and develop their continuity plan and program. This opportunity allowed me to apply my years of operational and response experience to develop a continuity program for the largest public mental health agency in the nation. During the period of 2000 to 2009, I developed FEMA approved mitigation plans for Maricopa County and Pima County, Arizona; and the following Nevada counties: Clark, Lincoln, Nye, Elko, Esmeralda, and Storey; produced Emergency Operations Plans for Carson City, Nevada and Maricopa County, Arizona; crafted the methodology and implementation for an early warning system for the rural communities within the Spring Mountain National Recreation Area in Clark County Nevada to include coordinating and procuring interoperable communications equipment; participated in TOPOFF 4 as a controller for the EPA; provided services as a grant writer to develop and finalize the 2008 Homeland Security Grant Program Investment

Justifications for the State of Nevada; and developed the Special Needs Appendix - Deaf and Hard of Hearing for each of the 17 Nevada counties.

Employment

Los Angeles County Department of Mental Health

Los Angeles, California, Senior Disaster Services Analyst, 10-19-2009 to Present

To initiate the continuity of operations planning process a Steering Committee and structure were developed to include separate working groups for information technology and county-wide internal services. Consulted with other county departments with completed continuity plans then began the Business Impact Analysis process for 17 identified essential units. Structured a 5-year timeline to complete all BIAs, draft an interim COOP Guide, and approved COOP Plan to include a comprehensive test, training, and exercise component. Developed a working relationship with Los Angeles County Office of Emergency Management to ensure department plan nested into local plan and state recommendations.

URS Corporation

Las Vegas, Nevada, Senior Planner, October 4, 2004 to October 9, 2009

I joined URS as a Senior Planner to assist in the company's emergency management projects throughout the Western United States. A brief summary of the projects I managed or participated in the development of is attached.

Maricopa County Department of Emergency Management

Phoenix, Arizona, Emergency Management Planner, 11-2-1998 to 7-23-2004

Developed and maintained the emergency operations plans for assigned cities and towns. Designed and facilitated exercises for six Maricopa County agencies: Correctional Health, Medical Examiners Office, Public Health, Environmental Services, Human Services and Animal Control. Coordinated and/or participated in over 20 exercises and training sessions hosted by Maricopa County Department of Emergency Management to include two annual exercises for Palo Verde Nuclear Generating Station in the capacity of Assistant Operations Chief, Public Information Officer and County Liaison in the State EOC. Established public outreach efforts in the following areas: drowning prevention, workplace violence, and emergency preparedness for schools. Developed Y2K annex for the Maricopa County Emergency Operations Plan. Directed the Maricopa County Multi-Jurisdictional All-Hazard Mitigation Plan, which included 27 jurisdictions; this plan was approved by FEMA.

American Red Cross

Los Angeles Chapter, Los Angeles, California, Emergency Services Specialist, 12-26-1988 to 3-20-1998

Central Arizona Chapter, Phoenix, Arizona, Disaster Services Coordinator, 11-1-1986 to 12-16-1988

Designed, facilitated, and participated in over 30 disaster exercises. Scenarios included earthquake, fire, Hazardous Materials, and transportation incidents for local municipalities, schools and businesses within the Los Angeles area. Primary responsibility was to manage the volunteer-supported 24-hour disaster response program. During this period was assigned to over 15 federally declared disasters primarily in the western United States to include flood, typhoon, earthquake, wildfire, mudslide, and civil disturbance to provide mass feeding, shelter, family services, and training.
