BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

34 JUNE 9, 2010

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO ENTER INTO A NEW LEGAL ENTITY AGREEMENT
WITH TRI-CITY MENTAL HEALTH CENTER
(SUPERVISORIAL DISTRICT 1)
(3 VOTES)**

SUBJECT

Request approval to enter into a Legal Entity Agreement with Tri-City Mental Health Center to continue their provision of outpatient mental health services to Medi-Cal eligible adults and children residing in Pomona, Claremont, and La Verne.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health, or his designee, to prepare, sign, and execute a Legal Entity (LE) Agreement, substantially similar to Attachment A, with Tri-City Mental Health Center (Tri-City MHC) for the provision of outpatient mental health services to Medi-Cal eligible adults and children residing in Pomona, Claremont, and La Verne, at an annual Maximum Contract Amount (MCA) of \$4,582,015 effective July 1, 2010 through Fiscal Year (FY) 2010-11, with two successive one-year automatic renewal options through FY 2012-13.
2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to this LE Agreement, provided that: 1) the County's total payments to contractor under this agreement for the applicable fiscal year do not exceed a 20 percent increase from the applicable revised MCA; 2) any such increase is used to reflect program or Board policy changes; 3) your Board has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Executive Officer (CEO), or their designees, is obtained prior to any such amendments; 5) the parties, by written amendment, may mutually agree to reduce programs or services without

reference to the 20 percent limitation and revise the applicable MCA; and 6) the Director of Mental Health, or his designee, notifies your Board of agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval of the recommended actions will allow the Department to replace the existing agreement, scheduled to expire on June 30, 2010, with a new agreement for the next three fiscal years. In addition, Board approval will allow the Department to amend the agreement as the need arises. The recommended actions will enable Tri-City MHC to continue to provide services to Medi-Cal beneficiaries who are residents of the Tri-City area. The agreement format also includes any applicable updated or new mandated provisions in accordance with Board policy.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The FY 2010-11 MCA for Tri-City MHC is \$4,582,015, fully funded by Federal Financial Participation (FFP) Medi-Cal and Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) - State General Funds (SGF). Tri-City MHC will incur the costs for all services rendered, thereby incurring the certified public expenditure (CPE) required for the State to claim FFP for Medi-Cal services, and for Tri-City MHC to receive EPSDT - SGF reimbursement. Tri-City MHC will provide the local match for Medi-Cal services using Sales Tax Realignment funds which Tri-City MHC receives directly from the State and Mental Health Services Act (MHSA) funds which have been awarded directly to Tri-City MHC. The agreement is limited to Short-Doyle/Medi-Cal services. The County functions as an agent to pass-through State and federal reimbursement for Medi-Cal services rendered by Tri-City MHC. The agreement does not provide for annual cash flow advance, nor payments to Tri-City MHC prior to the County's actual receipt of funds from the State.

Moreover, to assure that the County has funds to repay any audit or claim disallowances which may occur, the agreement allows DMH to hold a percentage of all State and federal payments it receives in an escrow account until it becomes reasonably certain that such funds will not require repayment. The agreement specifies that the percentage withheld can be adjusted during the term of the contract without Board re-approval, to the extent data supports an increase or decrease in the percentage withheld. The agreement requires Tri-City MHC to treat, and take financial responsibility for, non-emergency outpatient mental health services for all residents of the Tri-City areas who are referred to Tri-City MHC for treatment.

While the plan of reorganization approved in Tri-City's bankruptcy in 2004 was designed to increase the amount of repayment the County would receive in connection with the bankruptcy, no funds have been received to date because of a continuing dispute between Tri-City MHC and the State. The Court has ordered Tri-City MHC and the State to enter into mediation. If the mediation is successful with Tri-City MHC prevailing, it is anticipated Tri-City MHC will make substantial payments on County's claim. If the mediation does not result in a settlement between the State and Tri-City MHC, any repayment from Tri-City MHC to the County becomes less probable.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Tri-City MHC is a municipal special district organized in 1961 as a joint powers authority by the cities of Pomona, Claremont, and La Verne to provide mental health services to these communities.

During the period subsequent to its bankruptcy in 2004, Tri-City MHC made personnel and organizational changes to reorganize the agency in order to continue to provide mental health services to its community.

Over the past three years, Tri-City MHC has maintained its Medi-Cal certification from the State. Tri-City MHC has successfully implemented its contract with DMH, and has provided outpatient mental health services to the residents of the three cities. In order to ensure continued improvement in the quality of service, Tri-City MHC's quality assurance manager has developed new quality assurance programs attended by all staff on a bi-weekly basis and has teams assigned for continual chart review and training. The quality assurance manager has attended all scheduled Service Area 3 quality improvement committee meetings. Over the past 18 months, Tri-City MHC has fully adopted Los Angeles County DMH documentation formats. As evidence of Tri-City MHC's commitment to quality improvements, it has hired additional quality assurance staff to implement the programs.

In order to meet the growing mental health care needs of the residents of Pomona, Claremont, and La Verne, the Tri-City clinical director and her team have developed more special groups at the outpatient clinic that are accessible by unserved or underserved populations in the three cities.

Tri-City MHC has taken on a major role in its communities through the development of their MHPA Community Services and Supports (CSS) plan, which was approved by the State on June 1, 2009, and the development of its Prevention and Early Intervention (PEI) plan, which was approved by the State on March 25, 2010. The CSS programs that Tri-City MHC has implemented to date include community navigators, Field Capable Clinical Services for Older Adults, and supplemental crisis services. Tri-City MHC expects to have its Full Service Partnership program operational by the end of FY 2009-10, and a new Wellness Center opened in FY 2010-11. All MHPA funds will be received by Tri-City MHC directly from the State.

CONTRACTING PROCESS

As the proposed contract is between DMH and a municipal special district established as a joint powers authority for the three cities covered by the jurisdiction, a solicitation is not applicable. The County currently has an existing agreement with Tri-City MHC that will expire on June 30, 2010. It is being replaced with a new agreement which updates the existing terms and includes all new required language. The new agreement will allow Tri-City MHC to continue to provide outpatient mental health services to the communities of Pomona, Claremont, and La Verne.

Tri-City MHC management presented the proposed County agreement to the Tri-City MHC governing board for their action and approval on May 19, 2010.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The requested actions will allow the continued flow of federal and State funds to Tri-City MHC, which provides the residents of Pomona, Claremont, and La Verne with basic outpatient mental health services. It is the mission and goal of Tri-City MHC to understand the needs of consumers and their families and to provide high quality culturally competent mental health services, prevention, and education to the low income, mentally ill residents of this area.

Respectfully submitted,

19 NOW, THEREFORE, Contractor and County agree as follows:

20 **PREAMBLE**

21 For over a decade, the County has collaborated with its community partners to
22 enhance the capacity of the health and human services system to improve the lives of
23 children and families. These efforts require, as a fundamental expectation, that the
24 County's contracting partners share the County and community's commitment to provide
25 health and human services that support achievement of the County's vision, goals,
26 values, and adopted outcomes. Key to these efforts is the integration of service delivery
27 systems and the adoption of the Customer Service and Satisfaction Standards.

28 The County of Los Angeles' Vision is to improve the quality of life in the County
29 by providing responsive, efficient, and high quality public services that promote the self-
30 sufficiency, well-being and prosperity of individuals, families, businesses and

1 communities. This philosophy of teamwork and collaboration is anchored in the shared
2 values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

3

4 These shared values are encompassed in the County Mission to enrich lives
5 through effective and caring service and the County Strategic Plan's eight goals:
6 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4)
7 Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7)
8 Health and Mental Health; and 8) Public Safety. Improving the well-being of children and
9 families requires coordination, collaboration, and integration of services across
10 functional and jurisdictional boundaries, by and between County departments/agencies,
11 and community and contracting partners.

12 The basic conditions that represent the well-being we seek for all children and
13 families in Los Angeles County are delineated in the following five outcomes, adopted by
14 the Board of Supervisors in January 1993.

- 15 • Good Health;
- 16 • Economic Well-Being;
- 17 • Safety and Survival;
- 18 • Emotional and Social Well-Being; and
- 19 • Education and Workforce Readiness.

20 Recognizing no single strategy - in isolation - can achieve the County's outcomes
21 of well-being for children and families, consensus has emerged among County and
22 community leaders that making substantial improvements in integrating the County's
23 health and human services system is necessary to significantly move toward achieving
24 these outcomes. The County has also established the following values and goals for
25 guiding this effort to integrate the health and human services delivery system:

- 26 ✓ Families are treated with respect in every encounter they have with the
27 health, educational, and social services systems.
- 28 ✓ Families can easily access a broad range of services to address their needs,
29 build on their strengths, and achieve their goals.

- 1 ✓ There is no “wrong door”: wherever a family enters the system is the right
2 place.
- 3 ✓ Families receive services tailored to their unique situations and needs.
- 4 ✓ Service providers and advocates involve families in the process of
5 determining service plans, and proactively provide families with coordinated
6 and comprehensive information, services, and resources.
- 7 ✓ The County service system is flexible, able to respond to service demands
8 for both the Countywide population and specific population groups.
- 9 ✓ The County service system acts to strengthen communities, recognizing that
10 just as individuals live in families, families live in communities.
- 11 ✓ In supporting families and communities, County agencies work seamlessly
12 with public and private service providers, community-based organizations,
13 and other community partners.
- 14 ✓ County agencies and their partners work together seamlessly to demonstrate
15 substantial progress towards making the system more strength-based,
16 family-focused, culturally-competent, accessible, user-friendly, responsive,
17 cohesive, efficient, professional, and accountable.
- 18 ✓ County agencies and their partners focus on administrative and operational
19 enhancements to optimize the sharing of information, resources, and best
20 practices while also protecting the privacy rights of families.
- 21 ✓ County agencies and their partners pursue multi-disciplinary service delivery,
22 a single service plan, staff development opportunities, infrastructure
23 enhancements, customer service and satisfaction evaluation, and revenue
24 maximization.
- 25 ✓ County agencies and their partners create incentives to reinforce the
26 direction toward service integration and a seamless service delivery system.
- 27 ✓ The County human service system embraces a commitment to the
28 disciplined pursuit of results accountability across systems. Specifically, any
29 strategy designed to improve the County human services system for children
30 and families should ultimately be judged by whether it helps achieve the

1 County's five outcomes for children and families: good health, economic well-
2 being, safety and survival, emotional and social well-being, and education
3 and workforce readiness.

4 The County, its clients, contracting partners, and the community will continue to
5 work together to develop ways to make County services more accessible, customer
6 friendly, better integrated, and outcome-focused. Several departments have identified
7 shared themes in their strategic plans for achieving these goals including: making an
8 effort to become more consumer/client-focused; valuing community partnerships and
9 collaborations; emphasizing values and integrity; and using a strengths-based and multi-
10 disciplinary team approach. County departments are also working to provide the Board
11 of Supervisors and the community with a better understanding of how resources are
12 being utilized, how well services are being provided, and what are the results of the
13 services: is anyone better off?

14 The County of Los Angeles health and human service departments and their
15 partners are working together to achieve the following ***Customer Service And***
16 ***Satisfaction Standards*** in support of improving outcomes for children and families.

17 *Personal Service Delivery*

18 The service delivery team – staff and volunteers – will treat customers and each
19 other with courtesy, dignity, and respect.

- 20 • Introduce themselves by name
- 21 • Listen carefully and patiently to customers
- 22 • Be responsive to cultural and linguistic needs
- 23 • Explain procedures clearly
- 24 • Build on the strengths of families and communities

25 *Service Access*

26 Service providers will work proactively to facilitate customer access to services.

- 27 • Provide services as promptly as possible
- 28 • Provide clear directions and service information
- 29 • Outreach to the community and promote available services
- 30 • Involve families in service plan development
- 31 • Follow-up to ensure appropriate delivery of services

1 Service Environment

2 Service providers will deliver services in a clean, safe, and welcoming
3 environment, which supports the effective delivery of services.

- 4 • Ensure a safe environment
- 5 • Ensure a professional atmosphere
- 6 • Display vision, mission, and values statements
- 7 • Provide a clean and comfortable waiting area
- 8 • Ensure privacy
- 9 • Post complaint and appeals procedures

10 The basis for all County health and human services contracts is the provision of
11 the highest level of quality services that support improved outcomes for children and
12 families. The County and its contracting partners must work together and share a
13 commitment to achieve a common vision, goals, outcomes, and standards for providing
14 services.

26 its sole discretion, may stop all payments to Contractor hereunder until preliminary
27 settlement based on the Annual Cost Report. Contractor shall prepare an Annual Cost
28 Report in accordance with the terms of the Financial Exhibit A.

29 (2) Upon issuance of any notice of termination, Contractor shall make
30 immediate and appropriate plans to transfer or refer all patients/clients receiving

1 services under this Agreement to other agencies for continuing services in accordance
2 with the patient's/client's needs. Such plans shall be subject to prior written approval of
3 Director or his designee, except that in specific cases, as determined by Contractor,
4 where an immediate patient/client transfer or referral is indicated, Contractor may make
5 an immediate transfer or referral. The County shall cooperate with such transfer
6 activities and, to the extent appropriate, assist with such transfers. Until the date of the
7 termination, Contractor's reasonable and necessary expenses related to the transfer or
8 referral of clients shall be considered an allowable cost under this Agreement, where
9 Contractor has requested the termination. If Contractor terminates this Agreement, all
10 costs incurred after the termination date which relate to all such transfers or referrals as
11 well as all costs related to all continuing services shall not be a charge to this Agreement
12 nor reimbursable in any way under this Agreement; and

13 (3) Any termination of this Agreement by County shall be
14 approved by County's Board of Supervisors.

8 prior written notice to County. The parties will immediately begin negotiation on the
9 disposition of new clients seeking services: however, until such time as an alternative

16 need for substantial deviation from the services as described in Contractor's Negotiation
17 Package for this Agreement, as approved in writing by Director including any addenda
18 thereto as approved in writing by Director, then Contractor shall submit a written request
19 to Director for written approval before any such substantial deviation may occur. A 30%
20 variance of actual services from those projected and shown by Contractor in the
21 Negotiation Package will be considered a substantial deviation in service delivery.

22 6. FINANCIAL PROVISIONS: In consideration of services and/or activities provided
23 by Contractor, County shall reimburse Contractor in the amount and manner described
24 in Attachment II, Financial Exhibit A (FINANCIAL PROVISIONS) attached thereto and by
25 this reference incorporated herein.

26 7. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:
27 Notwithstanding any other provision of this Agreement, this Agreement shall not be
28 effective and binding upon the parties unless and until County's Board of Supervisors
29 appropriates the State and federal funds for purposes hereof, in County's Budget for
30 County's current Fiscal Year. Further, County shall not be obligated for Contractor's

1 performance hereunder or by any provision of this Agreement during any of County's
2 future Fiscal Years unless and until County's Board of Supervisors appropriates funds
3 for purposes hereof in County's Budget for each such future Fiscal Year. In the event

15 practice as dictated by licensing boards/bodies.

16 B. If, at any time during the term of this Agreement, the Contractor has a
17 sufficient number of vacant staff positions that would impair its ability to perform any
18 services under the Agreement, Contractor shall promptly notify Director of such
19 vacancies.

20 C. During the term of this Agreement, Contractor shall, twice per year, by
21 December 31 and June 30, provide the County with reports identifying all persons
22 providing services under this Agreement. Such report shall be in the manner and format
23 determined by the County and shall include, but not be limited to, the name, title,
24 professional degree and license of the persons providing services or performing work
25 under this Agreement.

26 D. Notwithstanding the above, at all times during the term of this Agreement,
27 Contractor shall have available, and shall provide, to authorized representatives of

8 of mandatory training for all staff at the time of initial employment and on an ongoing
9 basis as required by federal and State law, including but not limited to HIPAA and

13 Manual (as applicable), and other State and County policies and procedures as well as
14 on any other matters that County may reasonably require.

15 Contractor shall document and make available upon request by the federal, State
16 and/or County officials the type and number of hours of training provided to Contractor's
17 officers, employees, agents, and subcontractors.

20 hereunder shall be provided by Contractor under the general supervision of Director.
21 Director shall have the right to monitor and specify the kind, quality, appropriateness,
22 timeliness, and amount of services, and the criteria for determining the persons to be
23 served.

24 B. Upon receipt of any contract monitoring report pertaining to
25 services/activities under this Agreement, Contractor shall respond in writing to person(s)
26 identified within the time specified in the contract monitoring report. Contractor shall, in
27 its written response, either acknowledge the reported deficiencies or present additional
28 evidence to dispute the findings. In addition, Contractor must submit a plan for
29 immediate correction of all deficiencies.

1 C. In the event of a State audit of this Agreement, if State auditors disagree
2 with County's written instructions to Contractor in its performance of this Agreement, and
3 if such disagreement results in a State disallowance of any of Contractor's costs
4 hereunder, then County shall be liable for Contractor's disallowed costs as determined
5 by State.

6 D. To assure compliance with this Agreement and for any other reasonable
7 purpose relating to performance of this Agreement, and subject to the provisions of

5 extent clinically appropriate), in accordance with requirements of federal and State law.
6 For the purpose of this Paragraph 18, discrimination in the provision of services may
7 include, but is not limited to, the following: denying any person any service or benefit or
8 the availability of a facility; providing any service or benefit to any person which is
9 different or is provided in a different manner or at a different time from that provided to
10 others; subjecting any person to segregation or separate treatment in any matter related
11 to the receipt of any service; restricting any person in any way in the enjoyment of any
12 advantage or privilege enjoyed by others receiving any service or benefit; and treating
13 any person differently from others in determining admission, enrollment, eligibility,
14 membership, or any other requirement or condition which persons must meet in order to
15 be provided any service or benefit. Contractor shall take affirmative steps to ensure that
16 those persons who qualify for services under this Agreement are provided services
17 without regard to ability to pay or source of payment, race, religion, national origin,
18 ancestry, gender, age, marital status, sexual orientation and/or physical or mental
19 handicap, or medical conditions.

20 B. Contractor shall establish and maintain written complaint procedures under
21 which any person applying for or receiving any services under this Agreement may seek
22 resolution from Contractor of a complaint with respect to any alleged discrimination in
23 the rendering of services by Contractor's personnel. Such procedures shall also include
24 a provision whereby any such person, who is dissatisfied with Contractor's resolution of
25 the matter, shall be referred by Contractor to Director for the purpose of presenting his
26 complaint of the alleged discrimination. Such complaint procedures shall also indicate
27 that if such person is not satisfied with County's resolution or decision with respect to the
28 complaint of alleged discrimination, such person may appeal the matter to the State, if
29 appropriate.

1 C. If direct services (e.g., 24-hour services, day services, targeted case
2 management, mental health services, medication support, and crisis intervention) are
3 provided hereunder, Contractor shall have admission policies which are in accordance
4 with CCR Title 9, Sections 526 and 527, and which shall be in writing and available to
5 the public. Contractor shall not employ discriminatory practices in the admission of any
6 person, assignment of accommodations, or otherwise. Any time any person applies for
7 services under this Agreement, such person shall be advised by Contractor of the
8 complaint procedures described in the above paragraph. A copy of such complaint
9 procedures shall be posted by Contractor in each of Contractor's facilities where
10 services are provided under this Agreement in a conspicuous place, available and open
11 to the public.

12 19. NONDISCRIMINATION IN EMPLOYMENT:

13 A. Contractor certifies and agrees that all persons employed by it, its
14 affiliates, subsidiaries, or holding companies are and will be treated equally by it without
15 regard to, or because of, race, color, religion, national origin, ancestry, gender, age,
16 marital status, sexual orientation, condition of physical disability (including HIV and
17 AIDS) or mental disability, medical condition (e.g., cancer), denial of family care leave,
18 or political affiliation, and in compliance with all applicable federal and State
19 anti-discrimination laws and regulations. The applicable regulations of the Fair
20 Employment and Housing Commission implementing Government Code Section 12990
21 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations,
22 are incorporated into this Agreement by reference and made a part hereof as if set forth
23 in full. Contractor and its subcontractors shall give written notice of their obligations
24 under this clause to labor organizations with which they have a collective bargaining or
25 other agreement.

26 B. Contractor shall take affirmative steps to ensure that qualified applicants
27 are employed, and that employees are treated during employment without regard to
28 race, color, religion, national origin, ancestry, gender, age, marital status, sexual
29 orientation, condition of physical disability (including HIV and AIDS) or mental disability,
30 medical condition (e.g., cancer), denial of family care leave, or political affiliation. Such

1 treatment shall include, but is not limited to, the following actions: employment,
2 promotion, demotion, transfer, recruitment or recruitment advertising, layoff or
3 termination, rates of pay or other forms of compensation, selection for training, including
4 apprenticeship, and granting or denying family care leave. Contractor shall not
5 discriminate against or harass, nor shall it permit harassment of, its employees during
6 employment based upon race, color, religion, national origin, ancestry, gender, age,
7 marital status, sexual orientation, condition of physical disability (including HIV and
8 AIDS) or mental disability, medical condition (e.g., cancer), denial of family care leave,
9 or political affiliation in compliance with all applicable federal and State
10 anti-discrimination laws and regulations. Contractor shall insure that the evaluation and
11 treatment of its employees and applicants for employment are free from such
12 discrimination and harassment, and will comply with the provisions of the Fair
13 Employment and Housing Act (Government Code section 12990 et seq.) and the
14 applicable regulations promulgated thereunder (California Code of Regulations, Title 2,
15 Section 7285.0 et seq.).

16 C. Contractor shall deal with its subcontractors, bidders, or vendors without
17 regard to or because of race, color, religion, national origin, ancestry, gender, age,
18 marital status, sexual orientation, condition of physical disability (including HIV and
19 AIDS) or mental disability, medical condition (e.g., cancer), denial of family care leave,
20 or political affiliation. Further, Contractor shall give written notice of its obligations under
21 this Paragraph 19 to labor organizations with which it has a collective bargaining or other
22 agreement.

23 D. Contractor shall allow County representatives access to its employment
24 records during regular business hours to verify compliance with the provisions of this
25 Paragraph 19 when so requested by Director.

26 E. If County finds that any of the above provisions has been violated, the
27 same shall constitute a material breach of this Agreement upon which County may
28 immediately terminate or suspend this Agreement. While County reserves the right to
29 determine independently that the anti-discrimination provisions of this Agreement have
30 been violated, a determination by the California Fair Employment Practices Commission

1 or the Federal Equal Employment Opportunity Commission that Contractor has violated
2 State or federal anti-discrimination laws or regulations shall constitute a finding by
3 County that Contractor has violated the anti-discrimination provisions of this Agreement.

4 F. In the event that Contractor violates any of the anti-discrimination
5 provisions of this Paragraph 19 County shall be entitled, at its option, to the sum of FIVE
6 HUNDRED DOLLARS (\$500) pursuant to California Civil Code Section 1671 as
7 liquidated damages in lieu of terminating or suspending this Agreement.

8 20. FAIR LABOR STANDARDS: Contractor shall comply with all applicable
9 provisions of the Federal Fair Labor Standards Act, and shall indemnify, defend, and
10 hold harmless County, its officers, employees, and agents, from any and all liability,
11 including, but not limited to, wages, overtime pay, liquidated damages, penalties, court
12 costs, and attorneys' fees arising under any wage and hour law, including, but not limited
13 to, the Federal Fair Labor Standards Act, for services performed by Contractor's
14 employees for which County may be found jointly or solely liable.

15 21. INDEMNIFICATION AND INSURANCE:

16 A. Indemnification:

17 Contractor shall indemnify, defend and hold harmless County, its Special
18 Districts, elected and appointed officers, employees, and agents from and against any
19 and all liability, including but not limited to demands, claims, actions, fees, costs, and
20 expenses (including attorney and expert witness fees), arising from or connected with
21 Contractor's acts and/or omissions arising from and/or relating to this Agreement, except
22 for any act or omission attributable to County's negligence, wrongful act, or omission.

23 B. General Provisions for all Insurance Coverage:

24 Without limiting Contractor's indemnification of County, and in the performance of this
25 Agreement and until all of its obligations pursuant to this Agreement have been met,
26 Contractor shall provide and maintain at its own expense insurance coverage satisfying
27 the requirements specified in Subparagraphs B. and C. of this Paragraph 21. These
28 minimum insurance coverage terms, types and limits (the "Required Insurance") also are
29 in addition to and separate from any other contractual obligation imposed upon
30 Contractor pursuant to this Agreement. The County in no way warrants that the

1 Required Insurance is sufficient to protect the Contractor for liabilities which may arise
2 from or relate to this Agreement.

3 1) Evidence of Coverage and Notice to County:

4 (a) Certificate(s) of insurance coverage (Certificate) satisfactory
5 to County, and a copy of an Additional Insured endorsement confirming County and its
6 Agents (defined below) has been given Insured status under the Contractor's General
7 Liability policy, shall be delivered to County at the address shown below and provided
8 prior to commencing services under this Agreement.

9 (b) Renewal Certificates shall be provided to County not less than
10 10 days prior to Contractor's policy expiration dates. The County reserves the right to
11 obtain complete, certified copies of any required Contractor and/or Subcontractor
12 insurance policies at any time.

13 (c) Certificates shall identify all Required Insurance coverage types
14 and limits specified herein, reference this Agreement by name or number, and be signed
15 by an authorized representative of the insurer(s). The Insured party named on the
16 Certificate shall match the name of the Contractor identified as the contracting party in
17 this Agreement. Certificates shall provide the full name of each insurer providing
18 coverage, its NAIC (National Association of Insurance Commissioners) identification
19 number, its financial rating, the amounts of any policy deductibles or self-insured
20 retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required
21 endorsement forms.

22 (d) Neither the County's failure to obtain, nor the County's receipt
23 of, or failure to object to a non-complying insurance certificate or endorsement, or any
24 other insurance documentation or information provided by the Contractor, its insurance
25 broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required
26 Insurance provisions.

1 Certificates and copies of any required endorsements shall be sent
2 to:

3 **Los Angeles County - Department of Mental Health**
4 **Contracts Development and Administration Division**
5 **550 S. Vermont Ave., 5th Floor**
6 **Los Angeles, CA 90020**

7 Contractor also shall promptly report to County any injury, property damage,
8 accident, or incident, including any injury to a Contractor employee, occurring on County
9 property, and any loss, disappearance, destruction, misuse, or theft of County property,
10 monies or securities entrusted to Contractor. Contractor also shall promptly notify
11 County of any third party claim or suit filed against Contractor or any of its Sub-
12 Contractors which arises from or relates to this Agreement, and could result in the filing
13 of a claim or lawsuit against Contractor and/or County.

14 2) Additional Insured Status and Scope of Coverage:

15 The County of Los Angeles, its Special Districts, Elected Officials,
16 Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be
17 provided additional insured status under Contractor's General Liability policy with
18 respect to liability arising out of Contractor's ongoing and completed operations
19 performed on behalf of the County. County and its Agents additional insured status
20 shall apply with respect to liability and defense of suits arising out of the Contractor's
21 acts or omissions, whether such liability is attributable to the Contractor or to the County.

22 The full policy limits and scope of protection also shall apply to the County and its
23 Agents as an additional insured, even if they exceed the County's minimum Required
24 Insurance specifications herein. Use of an automatic additional insured endorsement
25 form is acceptable providing it satisfies the Required Insurance provisions herein.

26 3) Cancellation of Insurance:

27 Except in the case of cancellation for non-payment of premium,
28 Contractor's insurance policies shall provide, and Certificates shall specify, that County
29 shall receive not less than thirty (30) days advance written notice by mail of any

1 cancellation of the Required Insurance. Ten (10) days prior notice may be given to
2 County in event of cancellation for non-payment of premium.

3 4) Failure to Maintain Insurance:

4 Contractor's failure to maintain or to provide acceptable evidence
5 that it maintains the Required Insurance shall constitute a material breach of the
6 Agreement, upon which County immediately may withhold payments due to Contractor,
7 and/or suspend or terminate this Agreement. County, at its sole discretion, may obtain
8 damages from Contractor resulting from said breach.

9 5) Insurer Financial Ratings:

10 Coverage shall be placed with insurers acceptable to the County
11 with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

12 6) Contractor's Insurance Shall Be Primary:

13 Contractor's insurance policies, with respect to any claims related to
14 this Agreement, shall be primary with respect to all other sources of coverage available
15 to Contractor except where liability is due to County's negligence, wrongful act, and/or
16 omission. Any County maintained insurance or self-insurance coverage shall be in
17 excess of and not contribute to any Contractor coverage.

18 7) Waivers of Subrogation

19 To the fullest extent permitted by law, the Contractor hereby waives
20 its rights and its insurer(s)' rights of recovery against County under all the Required
21 Insurance for any loss arising from or relating to this Agreement. The Contractor shall
22 require its insurers to execute any waiver of subrogation endorsements which may be
23 necessary to effect such waiver.

24 8) Subcontractor Insurance Coverage Requirements:

25 Contractor shall include all Subcontractors as insureds under
26 Contractor's own policies, or shall provide County with each Subcontractor's separate
27 evidence of insurance coverage. Contractor shall be responsible for verifying each
28 Subcontractor complies with the Required Insurance provisions herein, and shall require
29 that each Subcontractor name the County and Contractor as additional insureds on the

1 Subcontractor's General Liability policy. Contractor shall obtain County's prior review
2 and approval of any Subcontractor request for modification of the Required Insurance.

3 9) Deductibles and Self-Insured Retentions (SIRs):

4 Contractor's policies shall not obligate the County to pay any portion
5 of any Contractor deductible or SIR. The County retains the right to require Contractor
6 to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide
7 a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all
8 related claims investigation, administration and defense expenses. Such bond shall be
9 executed by a corporate surety licensed to transact business in the State of California.

10 10) Claims Made Coverage:

11 If any part of the Required Insurance is written on a claims made
12 basis, any policy retroactive date shall precede the effective date of this Agreement.
13 Contractor understands and agrees it shall maintain such coverage for a period of not
14 less than three (3) years following Agreement expiration, termination or cancellation.

15 11) Application of Excess Liability Coverage:

16 Contractors may use a combination of primary, and excess
17 insurance policies which provide coverage as broad as ("follow form" over) the
18 underlying primary policies, to satisfy the Required Insurance provisions.

19 12) Separation of Insureds:

20 All liability policies shall provide cross-liability coverage as would be
21 afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds
22 provision with no insured versus insured exclusions or limitations.

23 13) Alternative Risk Financing Programs:

24 County reserves the right to review, and then approve, Contractor
25 use of self-insurance, risk retention groups, risk purchasing groups, pooling
26 arrangements and captive insurance to satisfy the Required Insurance provisions. The
27 County and its Agents shall be designated as an Additional Covered Party under any
28 approved program.

29 /

30 /

1 14) County Review and Approval of Insurance Requirements:

2 The County reserves the right to review and adjust the Required
3 Insurance provisions, conditioned upon County's determination of changes in risk
4 exposures.

13 2) Automobile Liability: Insurance (providing scope of coverage
14 equivalent to ISO policy form CA 00 01) with limits of not less than \$1 million for bodily
15 injury and property damage, in combined or equivalent split limits, for each single
16 accident. Insurance shall cover liability arising out of Contractor's use of autos pursuant
17 to this Agreement, including owned, leased, hired, and/or non-owned autos, as each
18 may be applicable.

19 3) Workers Compensation and Employers' Liability: Insurance or
20 qualified self-insurance satisfying statutory requirements, which includes Employers'
21 Liability coverage with limits of not less than \$1 million per accident. If Contractor will
22 provide leased employees, or, is an employee leasing or temporary staffing firm or a
23 professional employer organization (PEO), coverage also shall include an Alternate
24 Employer Endorsement (providing scope of coverage equivalent to ISO policy form WC
25 00 03 01 A) naming the County as the Alternate Employer, and the endorsement form
26 shall be modified to provide that County will receive not less than thirty (30) days
27 advance written notice of cancellation of this coverage provision. If applicable to
28 Contractor's operations, coverage also shall be arranged to satisfy the requirements of
29 any federal workers or workmen's compensation law or any federal occupational disease
30 law.

1 4) Unique Insurance Coverage

2 (a) Sexual Misconduct Liability

3 Insurance covering actual or alleged claims for sexual
4 misconduct and/or molestation with limits of not less than \$2 million per claim and \$2
5 million aggregate, and claims for negligent employment, investigation, supervision,

14 termination or cancellation.

15 22. WARRANTY AGAINST CONTINGENT FEES: Contractor warrants that no
16 person or selling agency has been employed or retained to solicit or secure this
17 Agreement upon any agreement or understanding for any commission, percentage,
18 brokerage, or contingent fee, excepting bona fide employees or bona fide established
19 commercial or selling agencies maintained by Contractor for the purpose of securing
20 business. For Contractor's breach or violation of this warranty, County may, in its sole
21 discretion, deduct from the Agreement price or consideration, or otherwise recover, the
22 full amount of such commission, percentage, brokerage, or contingent fee.

23 23. CONFLICT OF INTEREST:

24 A. No County employee whose position in County enables such employee to
25 influence the award or administration of this Agreement or any competing agreement,
26 and no spouse or economic dependent of such employee, shall be employed in any
27 capacity by Contractor or have any direct or indirect financial interest in this Agreement.
28 No officer or employee of Contractor who may financially benefit from the provision of
29 services hereunder shall in any way participate in County's approval, or ongoing

1 evaluation, of such services, or in any way attempt to unlawfully influence County's
2 approval or ongoing evaluation of such services.

3 B. Contractor shall comply with all conflict of interest laws, ordinances and
4 regulations now in effect or enacted during the term of this Agreement. Contractor
5 warrants that it is not now aware of any facts which create a conflict of interest. If
6 Contractor hereafter becomes aware of any facts which might reasonably be expected
7 to create a conflict of interest, it shall immediately make full written disclosure of such
8 facts to County. Full written disclosure shall include, without limitation, identification of
9 all persons implicated and complete description of all relevant circumstances.

10 24. UNLAWFUL SOLICITATION: Contractor shall require all of its employees to
11 acknowledge, in writing, understanding of and agreement to comply with the provisions
12 of Article 9 of Chapter 4 of Division 3 (commencing with Section 6150) of California
13 Business and Professions Code (i.e., State Bar Act provisions regarding unlawful
14 solicitation as a runner or capper for attorneys) and shall take positive and affirmative
15 steps in its performance hereunder to insure that there is no violation of such provisions
16 by its employees. Contractor shall utilize the attorney referral services of all those bar
17 associations within the County of Los Angeles that have such a service.

18 25. INDEPENDENT STATUS OF CONTRACTOR:

19 A. This Agreement is by and between County and Contractor and is not
20 intended, and shall not be construed, to create the relationship of agent, servant,
21 employee, partnership, joint venture, or association, as between County and Contractor.
22 The employees and agents of one party shall not be, or be construed to be, the
23 employees or agents of the other party for any purpose whatsoever.

24 B. Contractor shall be solely liable and responsible for providing to, or on
25 behalf of, all persons performing work pursuant to this Agreement all compensation and
26 benefits. County shall have no liability or responsibility for the payment of any salaries,
27 wages, unemployment benefits, disability benefits, federal, State, or local taxes, or other
28 compensation, benefits, or taxes for any personnel provided by or on behalf of
29 Contractor.

1 C. Contractor understands and agrees that all persons performing services
2 pursuant to this Agreement are, for purposes of workers' compensation liability, the sole
3 employees of Contractor and not employees of County. Contractor shall be solely liable
4 and responsible for furnishing any and all workers' compensation benefits to any person
5 as a result of any injuries arising from or connected with any services performed by or on
6 behalf of Contractor pursuant to this Agreement.

7 D. Contractor shall obtain and maintain on file an executed Contractor
8 Employee Acknowledgment of Employer, in the form as contained in Contractor's
9 Negotiation Package for this Agreement, for each of its employees performing services
10 under this Agreement. Such Acknowledgments shall be executed by each such
11 employee on or immediately after the commencement date of this Agreement but in no
12 event later than the date such employee first performs services under this Agreement.

13 26. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR
14 LAYOFF OR FORMER COUNTY EMPLOYEES ON A REEMPLOYMENT LIST: Should
15 Contractor require additional or replacement personnel after the effective date of this
16 Agreement to perform the services set forth herein, Contractor shall give first
17 consideration for such employment openings to qualified permanent County employees
18 who are targeted for layoff or qualified former County employees who are on a
19 reemployment list during the term of this Agreement.

20 27. CONSIDERATION OF GREATER AVENUES FOR INDEPENDENCE (GAIN) OR
21 GENERAL RELIEF OPPORTUNITIES FOR WORK (GROW) PARTICIPANTS FOR
22 EMPLOYMENT: Should Contractor require additional or replacement personnel after
23 the effective date of this Agreement, Contractor shall give consideration for any such
24 employment openings to participants in the County's Department of Public Social
25 Services' Greater Avenues for Independence (GAIN) Program or General Relief
26 Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications
27 for the open position. If Contractor decides to pursue consideration of GAIN/GROW
28 participants for hiring, Contractor shall provide information regarding job openings and
29 job requirements to Department of Public Social Services' GAIN/GROW staff at

1 GAINGROW@dpss.lacounty.gov. County will refer GAIN/GROW participants, by job
2 category, to Contractor.

3 Note: In the event that both laid-off County employees and GAIN/GROW
4 participants are available for hiring, County employees shall be given priority over
5 GAIN/GROW participants.

6 28. DELEGATION AND ASSIGNMENT BY CONTRACTOR:

7 A. Contractor shall not assign its rights or delegate its duties under this
8 Agreement, or both, whether in whole or in part, without the prior written consent of
9 County, in its discretion, and any attempted assignment or delegation without such
10 consent shall be null and void. For purposes of this paragraph, County consent shall
11 require a written amendment to this Agreement, which is formally approved and
12 executed by the parties. Any payments by County to any approved delegate or
13 assignee on any claim under this Agreement shall be deductible, at County's sole
14 discretion, against the claims which Contractor may have against County.

15 B. Any assumption, assignment, delegation, or takeover of any of the
16 Contractor's duties, responsibilities, obligations, or performance of same by any entity
17 other than the Contractor, whether through assignment, subcontract, delegation, merger,
18 buyout, or any other mechanism, with or without consideration for any reason
19 whatsoever without County's express prior written approval, shall be a material breach of
20 this Agreement which may result in the termination of this Agreement. In the event of
21 such termination, County shall be entitled to pursue the same remedies against
22 Contractor as it could pursue in the event of default by Contractor.

23 29. SUBCONTRACTING:

24 A. No performance of this Agreement, or any portion thereof, shall be
25 subcontracted by Contractor without the prior written consent of County as provided in
26 this Paragraph 29. Any attempt by Contractor to subcontract any performance,
27 obligation, or responsibility under this Agreement, without the prior written consent of
28 County, shall be null and void and shall constitute a material breach of this Agreement.
29 Notwithstanding any other provision of this Agreement, in the event of any such breach
30 by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding

1 any other provision of this Agreement, the parties do not in any way intend that any
2 person or entity shall acquire any rights as a third party beneficiary of this Agreement.

3 B. If Contractor desires to subcontract any portion of its performance,
4 obligations, or responsibilities under this Agreement, Contractor shall make a written
5 request to County for written approval to enter into the particular subcontract.
6 Contractor's request to County shall include:

7 (1) The reasons for the particular subcontract.

8 (2) A detailed description of the services to be provided by the
9 subcontract.

10 (3) Identification of the proposed subcontractor and an explanation of
11 why and how the proposed subcontractor was selected, including the degree of
12 competition involved.

13 (4) A description of the proposed subcontract amount and manner of
14 compensation, together with Contractor's cost or price analysis thereof.

15 (5) A copy of the proposed subcontract which shall contain the following
16 provision:

17 "This contract is a subcontract under the terms of the prime contract with
18 the County of Los Angeles and shall be subject to all of the provisions of
19 such prime contract."

20 (6) A copy of the proposed subcontract, if in excess of \$10,000 and
21 utilizes public funds, shall also contain the following provision:

22 "The contracting parties shall be subject to the examination and audit of
23 the State Auditor, pursuant to the California Government Code, Section
24 8546.7, for a period of seven (7) years from the end of the Fiscal Year in
25 which such services were provided or until final resolution of any audits,
26 whichever occurs later."

27 Further, the Contractor will also be subject to the examination and
28 audit of the State Auditor, pursuant to the Government Code, Section 8546.7, for a
29 period of seven (7) years from the end of the Fiscal Year in which such services were
30 provided or until final resolution of any audits, which ever occurs later.

1 (7) Any other information and/or certifications requested by County.

2 C. County shall review Contractor's request to subcontract and shall
3 determine, in its sole discretion, whether or not to consent to such request on a
4 case-by-case basis.

5 D. Contractor shall indemnify and hold harmless County, its officers,
6 employees, and agents, from and against any and all liability, damages, costs, and
7 expenses, including, but not limited to, defense costs and legal fees, arising from or
8 related to Contractor's use of any subcontractor, including any officers, employees, or
9 agents of any subcontractor, in the same manner as required for Contractor, its officers,
10 employees, and agents, under this Agreement.

11 E. Notwithstanding any County consent to any subcontracting, Contractor
12 shall remain fully liable and responsible for any and all performance required of it under
13 this Agreement, and no subcontract shall bind or purport to bind County. Further,
14 County approval of any subcontract shall not be construed to limit in any way
15 Contractor's performance, obligations, or responsibilities, to County, nor shall such
16 approval limit in any way any of County's rights or remedies contained in this Agreement.
17 Additionally, County approval of any subcontract shall not be construed in any way to
18 constitute the determination of the allowability or appropriateness of any cost or payment
19 under this Agreement.

20 F. In the event that County consents to any subcontracting, such consent
21 shall be subject to County's right to give prior and continuing approval of any and all
22 subcontractor personnel providing services under such subcontract. Contractor shall
23 assure that any subcontractor personnel not approved by County shall be immediately
24 removed from the provision of any services under the particular subcontract or that other
25 action is taken as requested by County. County shall not be liable or responsible in any
26 way to Contractor, to any subcontractor, or to any officers, employees, or agents of
27 Contractor or any subcontractor, for any liability, damages, costs or expenses arising
28 from or related to County's exercise of such right.

29 G. In the event that County consents to any subcontracting, such consent
30 shall be subject to County's right to terminate, in whole or in part, any subcontract at any

1 time upon written notice to Contractor when such action is deemed by County to be in its
2 best interest. County shall not be liable or responsible in any way to Contractor, to any
3 subcontractor, or to any officers, employees, or agents of Contractor or any
4 subcontractor, for any liability, damages, costs, or expenses arising from or related to
5 County's exercise of such right.

6 H. In the event that County consents to any subcontracting, each and all of
7 the provisions of this Agreement and any amendment thereto shall extend to, be binding

17 County's Child Support Compliance Program) shall constitute default under this
18 Agreement. Without limiting the rights and remedies available to County under any
19 other provision of this Agreement, failure of Contractor to cure such default within 90
20 calendar days of written notice shall be grounds upon which County may terminate this
21 Agreement pursuant to Paragraph 36 (TERMINATION FOR DEFAULT) and pursue
22 debarment of Contractor, pursuant to County Code Chapter 2.202.

23 35. TERMINATION FOR INSOLVENCY:

21 B. In the event that County terminates this Agreement as provided in
22 Subparagraph A, County may procure, upon such terms and in such manner as County
23 may deem appropriate, services similar to those so terminated, and Contractor shall be

7 against Contractor as it could pursue in the event of default by the Contractor.

8 Contractor shall immediately report any attempt by a County officer or employee
9 to solicit such improper consideration. The report shall be made either to the County
10 manager charged with the supervision of the employee or to the County Auditor-

3 herein by reference but not attached, shall constitute the complete and exclusive
4 statement of understanding between the parties which supersedes all previous
5 agreements, written or oral, and all other communications between the parties relating to
6 the subject matter of this Agreement. In the event of any conflict or inconsistency in the
7 definition or interpretation of any word, responsibility, or schedule, or the contents or
8 description of any service or other work, or otherwise, between the body of this
9 Agreement and the other referenced documents, or between such other documents,
10 such conflict or inconsistency shall be resolved by giving precedence first to the body of

29 other documentation of employment eligibility status required by federal statutes and
30 regulations as they currently exist and as they may be hereafter amended. Contractor

1 shall retain all such documentation for the period prescribed by law. Contractor shall
2 indemnify, defend, and hold harmless County, its officers and employees from and

4 firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor,
5 shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter
6 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm
7 retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute
8 a material breach of this Agreement upon which County may immediately terminate or
9 suspend this Agreement.

10 49. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor
11 shall assure that all locations where services are provided under this Agreement are
12 operated at all times in accordance with all County community standards with regard to

22 51. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the
23 Board of Supervisors' policy to reduce the amount of solid waste deposited at the
24 County landfills, the Contractor agrees to use recycled-content paper to the maximum
25 extent possible on the Project.

26 52. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following
27 requirements set forth in the County's Non-Responsibility and Debarment Ordinance
28 (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to
29 the extent applicable State and/or federal laws are inconsistent with the terms of the
30 Ordinance.

1 A. A responsible Contractor is a Contractor who has demonstrated the
2 attribute of trustworthiness, as well as quality, fitness, capacity and experience to
3 satisfactorily perform the contract. It is the County's policy to conduct business only with
4 responsible contractors.

5 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of
6 the County Code, if the County acquires information concerning the performance of the
7 Contractor on this or other Agreements which indicates that the Contractor is not
8 responsible, the County may, in addition to other remedies provided in the Agreement,
9 debar the Contractor from bidding or proposing on, or being awarded, and/or performing
10 work on County Agreements for a specified period of time, which generally will not
11 exceed five years but may exceed five years or be permanent if warranted by the
12 circumstances, and terminate any or all existing Agreements the Contractor may have
13 with the County.

14 C. The County may debar a Contractor if the Board of Supervisors finds, in its
15 discretion, that the Contractor has done any of the following: (1) violated a term of an
16 Agreement with the County or a nonprofit corporation created by the County;
17 (2) committed an act or omission which negatively reflects on the Contractor's quality,
18 fitness or capacity to perform a contract with the County, any other public entity, or a
19 nonprofit corporation created by the County, or engaged in a pattern or practice which
20 negatively reflects on same; (3) committed an act or offense which indicates a lack of
21 business integrity or business honesty, or (4) made or submitted a false claim against
22 the County or any other public entity.

23 D. If there is evidence that the Contractor may be subject to debarment, the
24 Department will notify the Contractor in writing of the evidence which is the basis for the
25 proposed debarment and will advise the Contractor of the scheduled date for a
26 debarment hearing before the Contractor Hearing Board.

27 E. The Contractor Hearing Board will conduct a hearing where evidence on
28 the proposed debarment is presented. The Contractor and/or the Contractor's
29 representative shall be given an opportunity to submit evidence at that hearing. After
30 the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision,

1 which shall contain a recommendation regarding whether the contractor should be
2 debarred, and, if so, the appropriate length of time of the debarment. The Contractor
3 and the Department shall be provided an opportunity to object to the tentative proposed
4 decision prior to its presentation to the Board of Supervisors.

5 F. After consideration of any objections, or if no objections are submitted, a
6 record of the hearing, the proposed decision and any other recommendation of the
7 Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of
8 Supervisors shall have the right to modify, deny or adopt the proposed decision and
9 recommendation of the Hearing Board.

10 G If a Contractor has been debarred for a period longer than five (5) years,
11 that Contractor may, after the debarment has been in effect for at least five (5) years,
12 submit a written request for review of the debarment determination to reduce the period
13 of debarment or terminate the debarment. The County may, in its discretion, reduce the
14 period of debarment or terminate the debarment if it finds that the Contractor has
15 adequately demonstrated one or more of the following: (1) elimination of the grounds for
16 which the debarment was imposed; (2) a bona fide change in ownership or
17 management; (3) material evidence discovered after debarment was imposed; or (4) any
18 other reason that is in the best interests of the County.

19 H. The Contractor Hearing Board will consider a request for review of a
20 debarment determination only where (1) the Contractor has been debarred for a period
21 longer than five (5) years; (2) the debarment has been in effect for at least five (5) years;
22 and (3) the request is in writing, states one or more of the grounds for reduction of the
23 debarment period or termination of the debarment, and includes supporting
24 documentation. Upon receiving an appropriate request, the Contractor Hearing Board
25 will provide notice of the hearing on the request. At the hearing, the Contractor Hearing
26 Board shall conduct a hearing where evidence on the proposed reduction of debarment
27 period or termination of debarment is presented. This hearing shall be conducted and
28 the request for review decided by the Contractor Hearing Board pursuant to the same
29 procedures as for a debarment hearing.

1 The Contractor Hearing Board's proposed decision shall contain a
2 recommendation on the request to reduce the period of debarment or terminate the
3 debarment. The Contractor Hearing Board shall present its proposed decision and
4 recommendation to the Board of Supervisors. The Board of Supervisors shall have the
5 right to modify, deny, or adopt the proposed decision and recommendation of the
6 Contractor Hearing Board.

7 I. These terms shall also apply to subcontractors of County Contractors.

8 53. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY
9 FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff
10 members is restricted, excluded or suspended from providing services under any health
11 care program funded by the federal government, directly or indirectly, in whole or in part,
12 and that Contractor will notify Director within 30 calendar days in writing of: (1) any event
13 that would require Contractor or a staff member's mandatory exclusion or suspension
14 from participation in a federally funded health care program; and (2) any exclusionary or
15 suspension action taken by any agency of the federal or State governments against
16 Contractor or one or more staff members barring it or the staff members from
17 participation in a federally funded health care program, whether such bar is direct or
18 indirect, or whether such bar is in whole or in part. This warranty and notice
19 requirements apply equally to suspensions from the Medi-Cal program as well as any
20 other federally funded health care programs including but not limited to Medicare and
21 Healthy Families.

22 There are a variety of different reasons why an individual or entity may be
23 excluded from participating in a federally funded health care program. Sometimes, the
24 exclusion is mandatory and in other cases the Office of Inspector General (OIG), and
25 State officials have the discretion not to exclude.

26 The mandatory bases for federal exclusion include: (1) felony convictions for
27 program related crimes, including fraud or false claims, or for offenses related to the
28 dispensing or use of controlled substances, or (2) convictions related to patient abuse.

29 Permissive exclusions may be based on: (1) conviction of a misdemeanor related
30 to fraud or financial misconduct involving a government program; (2) obstructing an

1 investigation; (3) failing to provide access to documents or premises as required by
2 federal health care program officials; (4) conviction of a misdemeanor related to
3 controlled substances; (5) failing to disclose information about the entity itself, its
4 subcontractors or its significant business transactions; (6) loss of a State license to
5 practice a health care profession; (7) default on a student loan given in connection with
6 education in a health profession; (8) charging excessive amounts to a federally funded
7 health care program or furnishing services of poor quality or which are substantially in
8 excess of the needs of the patients; (9) paying a kickback or submitting a false or
9 fraudulent claim. Persons controlling or managing excluded entities who knew of the
10 conduct leading to the exclusion can themselves be excluded, and entities which are
11 owned and controlled by excluded individuals can also be excluded.

12 Mandatory exclusions under State law from Medi-Cal are similar but also include
13 convictions of a misdemeanor for involving fraud or abuse involving of the Medi-Cal
14 program or a Medi-Cal beneficiary.

15 Contractor shall indemnify and hold County harmless against any and all loss or
16 damage County may suffer arising from any federal or State exclusion or suspension of
17 Contractor or its staff members from such participation in a federally funded health care
18 program. Contractor shall provide the certification set forth in Attachment VI as part of
19 its obligation under this Paragraph 53.

20 Failure by Contractor to meet the requirements of this Paragraph 53 shall
21 constitute a material breach of Agreement upon which County may immediately
22 terminate or suspend this Agreement.

23 54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

24 A. The parties acknowledge the existence of the Health Insurance Portability
25 and Accountability Act of 1996, its implementing regulations ("HIPAA"), and Subtitle D,
26 Privacy, of the Health Information Technology for Economic and Clinical Health Act
27 ("HITECH"). Contractor understands and agrees that it is a "Covered Entity" under
28 HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and
29 security of patients' medical information, and must take certain steps to preserve the
30 confidentiality of this information, both internally and externally, including the training of

1 staff and the establishment of proper procedures for the release of such information,
2 including the use of appropriate consents and authorizations specified under HIPAA.

6 independently responsible for compliance with HIPAA and HITECH in all these areas
7 and that County has not undertaken any responsibility for compliance on Contractor's
8 behalf. Contractor has not relied, and will not in any way rely, on County for legal advice
9 or other representations with respect to Contractor's obligations under HIPAA or
10 HITECH, but will independently seek its own counsel and take the necessary measures
11 to comply with the law and its implementing regulations.

12 C. Contractor and County understand and agree that each is independently
13 responsible for HIPAA and HITECH compliance and agree to take all necessary and
14 reasonable actions to comply with the requirements of HIPAA law and implementing
15 regulations related to Transactions and Code Sets, Privacy, and Security. Each party
16 further agrees to indemnify and hold harmless the other party (including their officers,
17 employees and agents) for its failure to comply with HIPAA or HITECH.

18 D. Contractor and County understand and agree that HIPAA has imposed
19 additional requirements in regards to changes in DMH's County's information system.

20 (1) County desires to clarify County's information system terminology
21 under this Agreement as it relates to HIPAA, and, accordingly, has set forth in
22 Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and
23 language to be used with this Agreement.

24 (2) County desires to clarify other HIPAA-related changes set forth in
25 the DMH Provider Manual and which are incorporated herein by reference as though
26 fully set forth.

27 (a) County has added to the DMH Provider Manual a Guide to
28 Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current
29 Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS)
30 codes.

1 (b) County has added to the DMH Provider Manual an Electronic
2 Data Interchange Fact Sheet which includes information about the applicable HIPAA
3 transactions that can be processed in the County's claims processing information
4 system. Effective January 2009 Electronic Data Interchange (EDI) will be the only
5 acceptable method by which Contractor or its Subcontractor(s) may submit HIPAA-
6 compliant transactions.

7 (c) County has added to the DMH Provider Manual a Trading
8 Partner Agent Authorization Agreement which includes the Contractor's authorization to
9 its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

10 E. Contractor understands that County operates an informational website
11 <http://dmh.lacounty.info/hipaa/index.html> related to the services under this
12 Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable
13 efforts to utilize said website to obtain updates, other information, and forms to assist
14 Contractor in its performance.

15 F. Contractor understands and agrees that if it uses the services of an Agent
16 in any capacity in order to receive, transmit, store or otherwise process Data or Data
17 Transmissions or perform related activities, the Contractor shall be fully liable to DMH or
18 for any acts, failures or omissions of the Agent in providing said services as though they
19 were the Contractor's own acts, failures, or omissions.

20 G. Contractor further understands and agrees that the terms and conditions of
21 the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall
22 apply to this Agreement and that said Terms and Conditions are incorporated by
23 reference as though fully set forth herein.

24 55. COMPLIANCE WITH JURY SERVICE PROGRAM:

25 A. Jury Service Program: This Agreement is subject to the provisions of the
26 County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program")
27 as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

28 B. Written Employee Jury Service Policy:

29 (1) Unless Contractor has demonstrated to the County's satisfaction
30 either that Contractor is not a "Contractor" as defined under the Jury Service Program

1 (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to
2 the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have
3 and adhere to a written policy that provides that its Employees shall receive from the
4 Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury
5 service. The policy may provide that Employees deposit any fees received for such jury
6 service with the Contractor or that the Contractor deduct from the Employee's regular
7 pay the fees received for jury service.

8 (2) For purposes of this Section, "Contractor" means a person,
9 partnership, corporation or other entity which has an Agreement with the County or a
10 subcontract with a County Contractor and has received or will receive an aggregate sum
11 of \$50,000 or more in any 12-month period under one or more County Agreements or
12 subcontracts. "Employee" means any California resident who is a full-time employee of
13 Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of
14 hours if: 1) the lesser number is a recognized industry standard as determined by the
15 County, or 2) Contractor has a long-standing practice that defines the lesser number of
16 hours as full-time. Full-time employees providing short-term, temporary services of 90
17 days or less within a 12-month period are not considered full-time for purposes of the
18 Jury Service Program. If Contractor uses any subcontractor to perform services for the
19 County under the Agreement, the subcontractor shall also be subject to the provisions of
20 this Section. The provisions of this Section shall be inserted into any such subcontract
21 Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

22 (3) If Contractor is not required to comply with the Jury Service Program
23 when the Agreement commences, Contractor shall have a continuing obligation to
24 review the applicability of its "exception status" from the Jury Service Program, and
25 Contractor shall immediately notify County if Contractor at any time either comes within
26 the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies
27 for an exception to the Program. In either event, Contractor shall immediately
28 implement a written policy consistent with the Jury Service Program. The County may
29 also require, at any time during the Agreement and at its sole discretion, that Contractor
30 demonstrate to the County's satisfaction that Contractor either continues to remain

1 outside of the Jury Service Program's definition of "Contractor" and/or that Contractor
2 continues to qualify for an exception to the Program.

3 (4) Contractor's violation of this section of the Agreement may
4 constitute a material breach of the Agreement. In the event of such material breach,
5 County may, in its sole discretion, terminate the Agreement and/or bar Contractor from
6 the award of future County Agreements for a period of time consistent with the
7 seriousness of the breach.

8 56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY
9 LAW: The Contractor shall notify and provide to its employees, and shall require each
10 subcontractor to notify and provide to its employees, a fact sheet regarding the Safely
11 Surrendered Baby Law, its implementation in Los Angeles County, and where and how
12 to safely surrender a baby.

13 The fact sheet is set forth in Attachment VII of this Agreement and is also
14 available on the Internet at www.babysafela.org for printing purposes.

15 57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO
16 THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the
17 County places a high priority on the implementation of the Safely Surrendered Baby
18 Law. The Contractor understands that it is the County's policy to encourage all County
19 Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a
20 prominent position at the Contractor's place of business. The Contractor will also
21 encourage its subcontractors, if any, to post this poster in a prominent position in the
22 subcontractor's place of business. The County's Department of Children and Family
23 Services will supply the Contractor with the poster to be used.

24 58. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY
25 AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45
26 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited
27 from contracting with and making sub-awards to parties that are suspended, debarred,
28 ineligible, or excluded or whose principals are suspended, debarred, ineligible, or
29 excluded from securing federally funded contracts. By executing this Agreement,
30 Contractor certifies that neither it nor any of its owners, officers, partners, directors or

1 other principals is currently suspended, debarred, ineligible, or excluded from securing
2 federally funded contracts. Further, by executing this Agreement, Contractor certifies
3 that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer,
4 partner, director or other principal of any subcontractor is currently suspended,
5 debarred, ineligible, or excluded from securing federally funded contracts. Contractor
6 shall immediately notify County in writing, during the term of this Agreement, should it or
7 any of its subcontractors or any principals of either be suspended, debarred, ineligible,
8 or excluded from securing federally funded contracts. Failure of Contractor to comply
9 with this provision shall constitute a material breach of this Agreement upon which the
10 County may immediately terminate or suspend this Agreement.

11 59. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:

12 The Supervision of Trustees and Fundraisers for Charitable Purposes Act
13 regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity
14 Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements.
15 By requiring Contractors to complete the certification in Attachment IX, the County seeks
16 to ensure that all County contractors which receive or raise charitable contributions
17 comply with California law in order to protect the County and its taxpayers. A Contractor
18 which receives or raises charitable contributions without complying with its obligations
19 under California law commits a material breach subjecting it to either contract
20 termination or debarment proceedings or both. (County Code Chapter 2.202)

21 60. FORCE MAJEURE:

22 A. Neither party shall be liable for such party's failure to perform its
23 obligations under and in accordance with this Contract, if such failure arises out of fires,
24 floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts
25 (other than a lockout by such party or any of such party's subcontractors), freight
26 embargoes, or other similar events to those described above, but in every such case the
27 failure to perform must be totally beyond the control and without any fault or negligence
28 of such party (such events are referred to in this sub-paragraph as "force majeure
29 events").

1 B. Notwithstanding the foregoing, a default by a subcontractor of Contractor
2 shall not constitute a force majeure event, unless such default arises out of causes
3 beyond the control of both Contractor and such subcontractor, and without any fault or
4 negligence of either of them. In such case, Contractor shall not be liable for failure to
5 perform, unless the goods or services to be furnished by the subcontractor were
6 obtainable from other sources in sufficient time to permit Contractor to meet its
7 obligations under this agreement. As used in this sub-paragraph, the term
8 "subcontractor" and "subcontractors" mean subcontractors at any tier.

9 C. In the event Contractor's failure to perform arises out of a force majeure
10 event, Contractor agrees to use commercially reasonable best efforts to obtain goods or
11 services from other sources, if applicable, and to otherwise mitigate the damages and
12 reduce the delay caused by such force majeure event.

13 61. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S
14 DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Contractor acknowledges
15 that County has established a goal of ensuring that all individuals and businesses that
16 benefit financially from County through contract are current in paying their property tax
17 obligations (secured and unsecured roll) in order to mitigate the economic burden
18 otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an
19 exemption or exclusion, Contractor warrants and certifies that to the best of its
20 knowledge it is now in compliance, and during the term of this contract will maintain
21 compliance, with Los Angeles County Code Chapter 2.206.

22 62. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE
23 WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of
24 Contractor to maintain compliance with the requirements set forth in this Paragraph 61
25 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED
26 PROPERTY TAX REDUCTION PROGRAM) shall constitute default under this contract.
27 Without limiting the rights and remedies available to County under any other provision of
28 this contract, failure of Contractor to cure such default within 10 days of notice shall be
29 grounds upon which County may terminate this contract and/or pursue debarment of
30 Contractor, pursuant to County Code Chapter 2.206.

1 63. NOTICES: All notices or demands required or permitted to be given under this
2 Agreement shall be in writing and shall be delivered with signed receipt or mailed by first
3 class, registered or certified mail, postage pre-paid, addressed to the parties at the
4 following addresses and to the attention of the persons named. Director shall have the
5 authority to execute all notices or demands which are required or permitted by County
6 under this Agreement. Addresses and persons to be notified may be changed by either
7 party by giving ten (10) days prior written notice thereof to the other party.

1 FINANCIAL EXHIBIT A

2
3 FINANCIAL PROVISIONS: REIMBURSEMENT BUSINESS RULES, METHODOLOGIES
4 AND LIMITATIONS

5 **A. GENERAL:** This Agreement provides that County shall pay Contractor as
6 provided for in this Financial Exhibit A (FINANCIAL PROVISIONS) (Attachment II to the
7 Department of Mental Health (DMH) Legal Entity Agreement) and as shown in the
8 Financial Summary(ies) (Attachment III to the DMH Legal Entity Agreement) as
9 compensation for the services provided pursuant to the Agreement.

10 (1) This Agreement shall only cover Short-Doyle/Medi-Cal services.

11 (2) Contractor shall comply with requirements necessary for
12 reimbursement as established by Federal, State and local statutes, laws, ordinances,
13 rules, regulations, manuals, policies, guidelines and directives.

14 (3) The State Schedule of Maximum Allowances (SMAs) in effect during
15 the Initial Period, the First Automatic Renewal Period, or the Second Automatic Renewal
16 Period, shall be applicable to this Agreement on the effective date established by the
17 State.

18 (4) Contractor shall inform County when 75 percent (75%) of the
19 Maximum Contract Amount has been incurred based upon Contractor's own billing
20 records. Contractor shall send such notice to those persons and addresses which are set
21 forth in the Agreement, Paragraph 61 (NOTICES).

22 (5) The maximum reimbursement under this Agreement will, in no event,
23 be more than the Maximum Contract Amount, including any Agreement amendments with
24 a Maximum Contract Amount increase for the applicable fiscal year, specified for each
25 State and/or Federal payer/fund source shown in the Financial Summary(ies) (Attachment
26 III) during the Initial Period, First Automatic Renewal Period and the Second Automatic
27 Renewal Period respectively of this Agreement.

28 (6) Under no circumstances can the total Maximum Contract Amount for
29 any of the periods specified in this Financial Exhibit A (FINANCIAL PROVISIONS),
30 Paragraphs B (Reimbursement for Initial Period) and C (Reimbursement if Agreement is
31 Automatically Renewed) of this Agreement be increased or decreased without a properly
32 executed amendment.

1 **B. REIMBURSEMENT FOR INITIAL PERIOD:** The Maximum Contract
2 Amount for the Initial Period of this Agreement as described in Paragraph 1 (TERM) shall
3 not exceed FOUR MILLION FIVE HUNDRED EIGHTY-TWO THOUSAND FIFTEEN
4 DOLLARS (\$4,582,015) and shall consist of State, and/or Federal funds as shown on the
5 Financial Summary.

6 **C. REIMBURSEMENT IF AGREEMENT IS AUTOMATICALLY RENEWED:**

7 (1) Reimbursement For First Automatic Renewal Period: The Maximum
8 Contract Amount for the First Automatic Renewal Period of this Agreement as described in
9 Paragraph 1 (TERM) shall not exceed FOUR MILLION FIVE HUNDRED EIGHTY-TWO
10 THOUSAND FIFTEEN DOLLARS (\$4,582,015) and shall consist of State, and/or Federal
11 funds as shown on the Financial Summary.

12 (2) Reimbursement For Second Automatic Renewal Period: The
13 Maximum Contract Amount for the Second Automatic Renewal Period of this Agreement
14 as described in Paragraph 1 (TERM) shall not exceed FOUR MILLION FIVE HUNDRED
15 EIGHTY-TWO THOUSAND FIFTEEN DOLLARS (\$4,582,015) and shall consist of State,
16 and/or Federal funds as shown on the Financial Summary.

17 **D. BILLING AND PAYMENT PROCEDURES AND LIMITATIONS:**

18 (1) County payments for Contractor's performance hereunder are:

19 (a) Provisional until the completion of the audit settlement as
20 specified in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L (Audits,
21 Audit Appeals and Post-Audit Short-Doyle/Medi-Cal Final Settlement) because such
22 payments are subject to future County, State and/or Federal adjustments. State and/or
23 County adjustments to provisional payments to Contractor may result from, among other
24 things and by way of example, County's claim processing information system data, State
25 835 Medi-Cal claims files, contractual limitations of this Agreement, annual cost report,
26 application of various State and/or Federal reimbursement limitations, and/or County,
27 State or Federal audits, all of which take precedence over monthly reimbursements.

28 (b) To be made by County using the business rules as shown in
29 this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph D (Billing and Payment
30 Procedures and Limitations); and in the Financial Summary(ies) (Attachment III) for each
31 of the respective State and/or Federal funding sources(s).

1 (c) Restricted to the services identified in the Financial
2 Summary(ies) (Attachment III).

3 (d) Applied at the Legal Entity level.

4 (e) Contractor acknowledges and agrees that County's final
5 payment to Contractor for Title XIX Short-Doyle/Medi-Cal services is contingent on
6 payment from the State and federal governments and that County's provision payment for
7 said services does not render County in any way responsible for payment of, or liable for
8 Contractor's claims for payment for these services. Contractor's ability to retain payment
9 for such services is entirely dependent upon Contractor's compliance with all laws and
10 regulations related to such services.

11 (2) Submission of Bills: In general, unless otherwise agreed to by County
12 and with the exception of this Paragraph D (Billing and Payment Procedures and
13 Limitations), Subparagraph (7) (Claims Submission Timeline Requirements), claims for
14 Short-Doyle/Medi-Cal (SD/MC) are to be entered into the County's claims processing
15 information system within 4 months of the end of the month in which mental health
16 services are delivered, although late claims may be submitted as needed in accordance
17 with State and federal regulations.

18 (a) Contractor shall notify County of any delay in meeting the 4
19 month submission period in the event Contractor is not able to make timely data entry into
20 the County's claims processing information system due to no fault on the part of
21 Contractor. Such Contractor notification should be immediate upon Contractor's
22 recognition of the delay and must include a description of the problem that the Contractor
23 is having with the County claims processing information system. Notification shall be
24 pursuant to the Legal Entity Agreement, Paragraph 61 (NOTICES), and such notification
25 shall also be made by Contractor to the DMH Chief Information Office Bureau's Help
26 Desk.

27 (b) The County will notify Contractor in writing as soon as
28 practicable of any County issue(s) which will prevent the entry by Contractor of claiming
29 information into the County claims processing information system, and County will waive
30 the requirement of this Paragraph D (Billing and Payment Procedures and Limitations),
31 Subparagraphs (2)(Submission of Bills) and (5) (Claims Submission Timeline

1 Requirements) in the event of any such County issue(s). Once County has notified
2 Contractor that the issue(s) is resolved, Contractor shall enter billing information into the
3 County's claims processing information system within 30 calendar days of County's notice
4 date unless otherwise agreed to by County and Contractor.

5 i. To the extent that issues identified pursuant to this
6 Paragraph D (2) (b) require that Contractor modify its procedures for entering claims into
7 the County's claims processing information system, Contractor shall consult with County
8 regarding a reasonable time required to implement such modifications and, upon approval
9 by County, the 30 calendar days required by this Paragraph F (3) (e) shall be extended by
10 the amount of time required to implement such modifications. Such reasonable time must
11 comply with State and federal Medi-Cal claims submission time frames.

12 (3) After the State's approval of the monthly claim(s), and County's
13 receipt of revenue for such claims, Contractor shall receive from County provisional
14 payment of Contractor's claimed amount subjected to this Paragraph D (Billing and
15 Payment Procedures and Limitations), and further subject to the escrow provisions in
16 Paragraph G (Escrow of Funds) below.

17 (4) Contractor acknowledges and agrees that County, in undertaking the
18 processing of claims and payment for services rendered under this Agreement does so as
19 the Mental Health Plan for the Medi-Cal Program.

20 (5) County shall have no liability for contractor's failure to comply with the
21 time frames established under this Agreement and/or State and federal time frames,
22 except to the extent that such failure was through no fault of Contractor. or as a result of
23 Contractor's required use or reliance on County or State policies and/or systems, including
24 but not limited to claims processing systems.

25 (6) Reimbursement Methodologies: County agrees that aggregate final
26 reimbursement paid through to Contractor under this Agreement, including the Contractor-
27 provided local match, will be based on the following, less all fees paid by or on behalf of
28 patients/clients receiving services hereunder and all other revenue, interest and return
29 resulting from services, and/or funds advanced by County to Contractor hereunder, unless
30 otherwise specified in this Agreement.

31 /

1 (a) Cost Reimbursement (CR): Final reimbursement shall be
2 based upon the Contractor's allowable actual costs incurred in providing the mental health
3 services reflected in State approved Medi-Cal 835 claims file(s), and County's analysis of
4 the claim's reasonableness subject to the limitations specified in this Financial Exhibit A
5 (FINANCIAL PROVISIONS).

6 i. Reasonable, necessary and proper actual costs will be
7 considered allowable, subject to the limitations specified in this Agreement. The Centers
8 for Medicare and Medicaid Services' Publications #15-1 and #15-2, "The Provider
9 Reimbursement Manual Parts 1 and 2" is to be used to determine allowable costs for
10 federal funds reimbursements. For non-federal funds, allowable costs shall be governed
11 by State law, regulations and/or policy.

12 ii. Additionally, reimbursement for Medi-Cal funded cost
13 reimbursed services is limited to the lowest of:

14 1. The Contractor's published charge(s) to the
15 general public; unless the Contractor is a Nominal Charge Provider. This federal
16 published charges rule is applicable only for outpatient, rehabilitative, case management
17 and 24-hour services.

18 2. The Contractor's actual reasonable and
19 necessary costs. To the extent required by the State of California, reasonable and
20 necessary administrative expenses will be limited to fifteen (15) percent of direct service
21 costs.

22 3. The State's Schedule of Maximum Allowances
23 (SMA).

24 4. The Maximum Contract Amount (MCA) of this
25 Agreement.

26 (b) All monthly claims shall be subject to adjustment based upon
27 the County's claims processing information system reports, remittance advices and State
28 835 Medi-Cal data, and/or Contractor's annual Cost Report which shall supersede and
29 take precedence over all claims.

30 (c) In addition to the amounts withheld pursuant to Paragraph G
31 (Escrow of Funds) below, Director or his designee may, at any time, make adjustments to

1 any of Contractor's monthly claims where information suggests that such adjustments
2 would be necessary to ensure that Contractor is not paid by County a sum in excess of the
3 amount due to Contractor under the terms and conditions of this Agreement. Director or
4 his designee shall provide Contractor with at least 30 calendar days prior written notice of
5 his intention to make such payment adjustments, including the reason(s) and documentary
6 support for his intended action. Thereafter, Contractor may, within 15 calendar days,
7 request reconsideration of the County's decision. Contractor may request in writing, and
8 shall receive if requested, County's computations for determining any adjustment (s),
9 including any amount(s) withheld, to Contractor's monthly claim pursuant to this
10 paragraph.

11 (d) Director or his designee shall have the option to deny payment
12 for services when documentation of clinical work does not meet minimum State and
13 County written standards. Director or his designee shall provide Contractor with at least
14 30 calendar days written notice of his intention to deny payment, including the reason(s)
15 for his intended actions. Thereafter, Contractor may, within 15 calendar days, request
16 reconsideration of the County's decision. Except as provided in Paragraph G (Escrow of
17 Funds), payment to Contractor shall not be withheld pending the results of the
18 reconsideration process.

19 (7) Claims Submission Timeline Requirements:

20 Mental Health Services: Claims for all mental health services, including services funded
21 by Title XIX Short-Doyle/Medi-Cal shall be entered into the County's claims processing
22 information system within 4 months of the end of the month in which services are
23 delivered, except as otherwise provided in this Paragraph D.

24 (a) The County shall extend the period of time specified above as
25 appropriate, where the delay in the submission of the claims is reasonably justified.

26 (b) With the exception of section D (5) (c) below, Contractor must
27 submit an initial or original claim within four (4) months after the end of the month in which
28 the services were rendered, to the extent doing so would not preclude payment from a
29 funding source.

30 (c) The County may, using reasonable discretion, extend the time
31 to submit claims for services under Title XIX Short-Doyle/Medi-Cal to within ten (10) ()

1 months after the end of the month in which the services were rendered where good cause
2 for the delayed submission would be recognized under California Code of Regulations,
3 Title 22 Section 51008.5.

4 (d) County may modify the County's claims processing information
5 system at any time in order to comply with changes in, or interpretations of, State or
6 Federal laws, rules, regulations, manuals, guidelines, and directives. County shall notify
7 Contractor in writing of any such modification and the reason, if known, for the modification
8 and the planned implementation date of the modification. To the extent that such
9 modifications create a delay in Contractor submitting claims into the County's claims
10 processing information system for a period of time, the timelines under this Paragraph F
11 shall be extended by the number of calendar days that Contractor was unable to submit
12 claims into the County's claims processing information system.

13 (e) Six-Month Billing Limit: Unless otherwise determined by State
14 or federal regulations (e.g. Medi-Medi cross-over), all original (or initial) claims for services
15 to eligible individual persons under this Agreement are required to be submitted to the
16 State within six (6) months from the date of service to avoid possible payment reduction or
17 denial for late billing. Original (or initial) claims which cannot be submitted to the State
18 within this six month billing limit without an acceptable good cause reason code may be
19 subject to reduction and/or denial by either the State or County in its capacity as the
20 Mental Health Plan. Exceptions to the six month billing limit can be made for months
21 seven through twelve following the month in which the services were rendered if the
22 reason for the late billing is allowed by the California Welfare and Institutions Code (WIC)
23 Section 14115 and the California Code of Regulation Title 22, section 51008.5.

24 (8) Claims Certification and Program Integrity: Contractor certifies that all
25 units of service entered by Contractor into the County's claims processing system covered
26 by this Agreement are true and accurate to the best of Contractor's knowledge. In
27 addition, Contractor's Executive Director (or equivalent position) shall certify, using the
28 form at Exhibit A-1 to this Attachment II, for each batch of claims submitted to the County,
29 that all such claims have been individually reviewed for completeness and accuracy, and
30 that to best of his knowledge and belief, medical necessity exists for the services claimed,
31 that a timely service plan which includes the specific service claimed has been prepared

1 for the beneficiary, and that an adequate progress note reflecting the service claimed as
2 well as all other necessary information exists, and that the services meet the federal, state
3 and County requirements for coverage and reimbursement under the Short-Doyle/Medi-
4 Cal program. Further, Contractor shall annually provide the additional certification set forth
5 in the "Contractor Claims Certification for Title XIX Short-Doyle/Medi-Cal Reimbursements"
6 (Exhibit A-2 to this Attachment II) that is related to the Contractor's compliance with
7 specific State and federal statutory and regulatory requirements which are conditions for
8 the reimbursement of Title XIX Short-Doyle/Medi-Cal claims. Contractor understands and
9 acknowledges that the County will be relying on the accuracy of the representations in
10 submitting claims to the State, which will make claims to the federal government, and that
11 intentional or reckless mis-certification could create false claims liability for Contractor.

12 (9) Suspension of Payment:

13 (a) Payments to Contractor may be suspended if Director, for
14 good cause, determines that Contractor is in default under any of the provisions of this
15 Agreement. Except in cases of alleged fraud or similar intentional wrongdoing or a
16 reasonable good faith determination of pending insolvency, at least 30 calendar days
17 notice of such suspension shall be provided to Contractor, including a statement of the
18 reason(s) for such suspension. In making such good faith determination of pending
19 insolvency, County shall not consider any liability related to Contractor's 2004 bankruptcy
20 filing.

21 i. Contractor may, within 15 calendar days, request
22 reconsideration of Director's decision to suspend payment. Suspension of payment to
23 Contractor shall not take effect pending the results of such reconsideration process.

24 ii. Upon receiving a request for reconsideration from
25 Contractor, County shall, within 15 calendar days, schedule a meeting with Contractor to
26 consider Contractor's request to reconsider its action. At said meeting, Contractor may
27 present to the County information or documentation relevant to the circumstances that led
28 the County to take such actions and may propose alternative actions.

29 iii. Within 15 calendar days of said meeting, County shall,
30 in writing, notify Contractor of its final decision. The decision of the Director will be the final
31 administrative decision.

1 (b) Because payments to Contractor will be suspended if State or
2 federal funds are unavailable for payment of such claims, Director shall immediately notify
3 Contractor upon receiving notification of unavailability of funds from the State for payment
4 on such claims.

5 (10) Contractor agrees to hold harmless both the State and beneficiary in
6 the event County cannot or will not pay for services performed by Contractor pursuant to
7 this Agreement.

8 (11) No Payment for Services Provided Following Expiration/Termination
9 of Agreement: Contractor shall have no claim against County for payment of any money
10 or reimbursement, of any kind whatsoever, for any service provided by Contractor after the
11 expiration or other termination of this Agreement. Should Contractor receive any such
12 payment, it shall immediately notify County and shall immediately repay all such funds to
13 County. Payment by County for services rendered after expiration/termination of this
14 Agreement shall not constitute a waiver of County's right to recover such payment from
15 Contractor. This provision shall survive the expiration or other termination of this
16 Agreement.

17 (12) County shall make payment to Contractor of any federal financial
18 participation funds ("FFP") and/or State General Funds for Early and Periodic Screening
19 Diagnosis and Treatment ("EPSDT-SGF") for State approved claims for services under
20 this Agreement within 30 calendar days of receiving from the State the FFP and/or
21 EPSDT-SGF respectively for such Medi-Cal claim subject to the contractual limitations of
22 this Agreement.

23 **E. ESTABLISHING PROVISIONAL PAYMENT AMOUNTS:**

24 In order to provide cash flow to Contractor, County shall make provisional
25 payments, until such time as final reimbursement for the fiscal period is determined
26 pursuant to the provisions of this Financial Exhibit, including Paragraph D (Billing And
27 Payment Procedures And Limitations) subparagraph 4 (Reimbursement Methodologies).
28 Except as provided in Paragraph S (Public Entity Status) below, the provisional payments
29 for services provided by Contractor pursuant to this Agreement shall be equal to the
30 amount of FFP and EPSDT-SGF (if any) paid by the State, less the amount temporarily
31 withheld pursuant to Paragraph G (Escrow of Funds) below.

1 It is the parties' understanding that State payment for each unit of service
2 shall be based on 100% of the provisional rate for such service designated by the County
3 to the State, or the schedule of maximum allowances, whichever is less. The parties shall
4 agree in advance to the provisional rates which the County designates. To avoid
5 overpayments, the parties agree that the provisional rate shall be based on the
6 Contractor's negotiation package and the most recent filed cost report and shall include a
7 factor for potential cost increases.

8 Contractor may request revision to one or more of the provisional rates, and
9 will supply sufficient documentation to the County to demonstrate the need for such
10 revision. Based on the documentation supplied by the Contractor, or such other factors as
11 may reasonably be considered, the County will grant or deny such request or, after
12 discussion with Contractor, modify it. Changes to the provisional rate do not require an
13 amendment to this Agreement.

14 The Contractor shall have, for each service it provides, a published charge,
15 which it will set at its own discretion, and with the understanding that such published
16 charge may act as a limitation on its allowable payment under this Agreement as specified
17 in Paragraph D (Billing And Payment Procedures And Limitations) subparagraph 4(a)(ii).

18 **F. GENERAL ADMINISTRATION REQUIREMENTS FOR TITLE XIX SHORT-**
19 **DOYLE/MEDI-CAL:**

20 (1) Short-Doyle/Medi-Cal (SD/MC) is California's mental health
21 designation for federal Title XIX Medicaid. FFP funds are available for mental health
22 expenditures incurred by a public entity when providing eligible services to Medi-Cal
23 beneficiaries and when local match funds are also expended in rendering those Medi-Cal
24 services. State General Fund (SGF) assistance is also available as local match for Medi-
25 Cal eligible beneficiaries participating in the Early and Periodic Screening, Diagnostic, and
26 Treatment (EPSDT) service. EPSDT is Medicaid's (hence Medi-Cal's) comprehensive
27 and preventive child health program for individuals under the age of 21. Medi-Cal
28 beneficiaries that are eligible for the EPSDT service are assigned specific Medi-Cal aid
29 codes which distinguish their EPSDT eligibility status.

30 (2) County pays any SD/MC FFP and Medi-Cal EPSDT-SGF funds to
31 Contractor in County's capacity as the State designated Mental Health Plan.

1 (3) SD/MC FFP funds and EPSDT-SGF funds shall be paid by County to
2 Contractor only:

3 (a) For State adjudicated approved SD/MC claims which have not
4 been subsequently voided by Contractor from County's claims processing information
5 system.

6 (b) During the time the Contractor is certified as a Title XIX SD/MC
7 provider.

8 (c) To the extent that this Agreement's applicable Maximum
9 Contract Amount (MCA) includes State EPSDT – SGF, and/or Contractor provides and
10 certifies sufficient local funds which qualify pursuant to the Code of Federal Regulations as
11 the match funds for the SD/MC expenditures, thusly permitting the FFP reimbursement.

12 (d) Upon receipt of the FFP and EPSDT-SGF payments from the
13 State, County will proceed to remit to Contractor pursuant to the terms of Paragraph D
14 (Billing and Payment Procedures and Limitations) subsection (10) such FFP and EPSDT-
15 SGF funds to Contractor as follows:

16 i In an amount equal to that of the State paid FFP and
17 EPSDT-SGF for the adjudicated approved SD/MC claim lines totals less the FFP and
18 EPSDT-SGF for any of such State approved claims that have been voided by Contractor
19 from the County's claims processing information system and less the amount withheld
20 pursuant to Paragraph G (Escrow of Funds) below.

21 ii Such provisional payment shall not exceed the FFP and
22 EPSDT-SGF portions limitation for total SD/MC claims specified in this Paragraph F(3) (d).

23 (e) Notwithstanding the requirements above, the Director at his
24 exclusive discretion may advance funds to Contractor where, through no fault of
25 Contractor, receipt of payment of FFP and/or EPSDT-SGF funds have been delayed.

26 (4) The Maximum Contract Amount (MCA) of this Agreement shall
27 include FFP and/or EPSDT-SGF solely to assist the County in expeditiously processing
28 and initially paying Contractor (because of the internal accounting necessity for
29 appropriation authority) for such claims. This will establish legal authorization by the Board
30 of Supervisors to make payment for the services identified in this Agreement upon
31 reimbursement by the State. Each Fiscal Year of the term of this Agreement, County shall

1 pay to Contractor for State adjudicated approved claims for Title XIX Short-Doyle/Medi-Cal
2 services only to the extent required by federal laws, regulations, manuals, guidelines, and
3 directives and only after receiving payment from the State for such FFP and EPSDT-SGF.

4 To the extent Contractor exceeds the FFP and/or EPSDT-SGF amount(s) included in this
5 Agreement, such excess will be paid by County to Contractor only upon Contract
6 Amendment approved by the Board of Supervisors and only to the extent that sufficient
7 local match for the FFP is provided by the Contractor and/or the State; otherwise, such
8 FFP and EPSDT-SGF funds will be remitted by County back to the State.

9 (5) Contractor understands and agrees that County's actions in
10 providing assistance in processing claims as the Mental Health Plan for the State and
11 Federal governments is subject to reimbursement from the State and does not render
12 County in any way responsible for the substantive obligation to be ultimately fiscally
13 responsible for payment for Contractor's claims for payment for these Title XIX Short-
14 Doyle/Medi-Cal services. Contractor's ability to retain the Title XIX Short-Doyle/Medi-Cal
15 payment for such State approved claimed services is entirely dependent upon
16 compliance with the law and regulations related to same.

17 (6) Each Fiscal Year of the term of this Agreement, the federal and local
18 match reimbursement for Title XIX Short-Doyle/Medi-Cal services shall be made on the
19 basis of the State's notification to County of the applicable respective federally published
20 Federal Medical Allowance Percentages (FMAPs) and the EPSDT-SGF participation
21 percentage at the time of the date of the service.

22 (a) The FFP and eligible EPSDT-SGF local match funds are part
23 of the applicable Maximum Contract Amount of this Agreement.

24 (b) EPSDT-SGF Local Match and FFP: The EPSDT-SGF funds
25 that qualify under Federal requirements as the local share of eligible Title XIX Short-
26 Doyle/Medi-Cal medical assistance expenditures are identified on the Financial Summary.
27 and are based on the FMAP percentage and the EPSDT baseline and growth, as adjusted
28 by the State. The Contractor is responsible for providing the eligible local matching
29 funds for that portion of the EPSDT baseline and growth determined by the State on its
30 835 data file to be assignable to Contractor's claims, and shall expend and certify the
31 expenditure of such amounts. The parties agree that the Contractor's provisional EPSDT

1 Medi-Cal payments will be based upon the State 835 identified provisional approved
2 FFP, EPSDT-SGF and non-SGF local match shares. FFP and EPSDT-SGF payments
3 will be finalized as a part of the State's cost report settlement process for each fiscal
4 year using the State generated allocation of EPSDT baseline and growth obligations,
5 subject to further adjustment by the State's audit and appeal processes.

6 (7) Contractor authorizes County to serve as the Mental Health Plan for
7 State claiming and reimbursement for Short-Doyle/Medi-Cal services provided pursuant to
8 this Agreement and to act on Contractor's behalf with SDMH and/or SDHCS in regard to
9 claiming. Contractor shall certify annually in writing that all necessary documentation
10 exists at the time any such claims for Title XIX Short-Doyle/Medi-Cal services are
11 submitted by Contractor to County.

12 (8) Contractor shall be solely responsible for all service data and
13 information submitted by Contractor and shall be liable except to the extent that its data
14 complies with express County rules. County shall submit as the Mental Health Plan to
15 SDMH and/or SDHCS Title XIX Short-Doyle/Medi-Cal services claims and shall timely
16 make available to Contractor any subsequent State approvals or denials of such claims.
17 Contractor shall submit to County all Title XIX Short-Doyle/Medi-Cal claims or other State
18 required claims data within the time frame(s) prescribed in Paragraph D (Billing and
19 Payment Procedures and Limitations) subparagraph (5) above. County shall have no
20 liability for Contractor's failure to comply with these time frames.

21 (9) Notwithstanding any other provision of this Agreement, Contractor
22 shall hold County harmless from and against any loss to Contractor resulting from any of
23 the following caused by Contractor: State denials, unresolved EOB claims, and/or any
24 Federal and/or State audit disallowances for such Title XIX Short-Doyle/Medi-Cal services
25 unless the denial or disallowance was due to the fault of County.

26 (10) As the State designated Title XIX Short-Doyle/Medi-Cal Mental Health
27 Plan, County shall submit reimbursement claims to the State in a timely manner only for
28 those services identified and entered by Contractor into the County claim processing
29 information system as appropriate claims compliant with State and federal requirements.
30 Contractor shall comply with all written instructions provided by County and/or State to
31 Contractor regarding Title XIX Short-Doyle/Medi-Cal claiming and documentation.

1 (11) Contractor shall maintain an audit file documenting all Title XIX
2 Short-Doyle/Medi-Cal services, as instructed by County for a period of seven (7) years
3 from the end of the Fiscal Year in which such services were provided or until final
4 resolution of any audits or appeals of those audits, whichever occurs later.

5 (12) County may modify the claiming systems for Title XIX
6 Short-Doyle/Medi-Cal services at any time in order to comply with changes in, or
7 interpretations of, State or Federal laws, rules, regulations, manuals, guidelines, and
8 directives. County shall notify Contractor in writing of any such modification and the
9 reason, if known, for the modification and the planned implementation date of the
10 modification within five (5) business days of County's knowledge of such change.

11 (13) Title XIX Short-Doyle/Medi-Cal Reconciliation Report: Contractor
12 shall complete and certify, in accordance with State and County instructions, and provide
13 DMH with two (2) copies of an accurate and complete Title XIX Short-Doyle/Medi-Cal
14 Reconciliation Report at the legal entity level. The County shall give Contractor written
15 notice of the due date for such Report along with the template of the State form. If
16 Contractor does not so provide County with the Title XIX Short-Doyle/Medi-Cal
17 Reconciliation Report by such due date, then Director or his designee, in his sole
18 discretion, shall determine which State approved Short-Doyle/Medi-Cal services shall be
19 used by County for completion of the Title XIX Short-Doyle/Medi-Cal Reconciliation
20 Report. The due date is set by the State and is approximately 16 months after the close of
21 the fiscal year.

22 (14) Title XIX Short-Doyle/Medi-Cal Overpayment Recovery Procedures:
23 In the event that County paid Contractor for State approved Title XIX Short-Doyle/Medi-Cal
24 services which are subsequently disallowed by the County, State, and/or Federal
25 governments, County may remove the amount of such payments from the Escrow
26 Account established pursuant to Paragraph G (Escrow of Funds) below, unless the
27 disallowance was based on Contractor's compliance with written County guidelines. If
28 such escrow account does not contain sufficient funds to repay the entire amount of the
29 payments for the disallowed claims, then Contractor shall make payment to County of
30 such any unrepaid amounts. In no event shall County be liable or responsible to
31 Contractor for any State approved Title XIX Short-Doyle/Medi-Cal services that are

1 subsequently disallowed by County, State, and/or Federal governments unless the
2 disallowance was based on Contractor's compliance with written County guidelines.

3 **G. ESCROW OF FUNDS:** Upon County's receipt of payment from the State of
4 FFP or EPSDT-SGF funds for Short-Doyle/Medi-Cal services provided by Contractor
5 under this Agreement, County shall deduct 33% (or such other percentage as the parties
6 may mutually agree is appropriate) of the amount received and place it in an account to be
7 created with the County Auditor-Controller for this purpose (Escrow Account). Of these
8 amounts, 3% shall relate to potential cost report disallowances, and 30% shall relate to
9 claims level disallowances. The funds placed in this account shall accrue interest until
10 such funds are released as provided in this Agreement and the accrued interest shall be
11 treated in the same manner as any other money placed into this fund. Notwithstanding
12 the provisions below, upon execution of this Agreement, the parties shall promptly confer
13 regarding whether any change to these percentages is required, and may mutually agree
14 to any modified amount. Such changes will not require a formal amendment to this
15 Agreement but must be memorialized in writing.

16 Tri-City may request once per year that either or both components of the
17 withhold percentages be reduced and will supply support for such request. County will
18 consider such request and grant it unless, in its good faith judgment, available information,
19 including data it generates, fails to demonstrate that the current percentages are
20 overstated. Additionally, to the extent that new information provided by State at any time
21 indicates that the withhold percentage is either too high or too low, the County may adjust
22 such percentage, after consultation with Tri-City. If Tri-City disagrees with any such
23 adjustment, it may request review by the Chief Deputy Director. Any adjustments made
24 pursuant to this paragraph do not require formal amendment of this Agreement.

25 (1) **Release of Funds after Pre-audit Settlement:** If the pre-audit
26 settlement provided for in Paragraph K below, determines that funds are owed to
27 Contractor, then County shall release, and within 30 days pay to Contractor, that portion of
28 the Escrow Account which relates to the claims disallowance percentage for the subject
29 fiscal year, up to the amount owed. If the pre-audit settlement determines that Contractor
30 has been overpaid, then County shall remove an amount equal to the overpayment from
31 the Escrow Account. If the amount of the overpayment is less than the amount into the

1 Escrow Account for the subject fiscal year for claims disallowances, County shall pay
2 Contractor the remaining amount in the Escrow Account which relates to the claims
3 disallowance percentage for the subject fiscal year. Notwithstanding the forgoing, if the
4 State has informed County or Contractor that it intends to audit individual claims for the
5 subject fiscal year, County shall have no obligation to release funds to Contractor until
6 such audit has been completed, and a settlement amount determined.

7 (2) Release of Funds after Final Settlement: If the final settlement for the
8 subject fiscal year after State audit reflects that money is due to Contractor, then County
9 shall release from funds in the Escrow Account relating to that fiscal year, plus the related
10 accrued interest, and within 30 days pay to Contractor the amount owed unless there is
11 pending a claims specific audit related to the subject fiscal year. If there remain funds in
12 the Escrow Account related to this fiscal year, such funds shall be returned to the State. If
13 the amount in the Escrow Account is not sufficient to pay Contractor the amounts due
14 under this Agreement, then County shall pay such remaining balance to Contractor within
15 30 days of receiving the additional funds from the State.

16 (3) Release of Funds After Claims Audit: If either the State or County
17 performs a review of individual claims for services rendered by Contractor and determines
18 for any reason that such claims either should not have been paid, or should have been
19 paid at a lesser rate, an overpayment amount will be calculated. County may remove from
20 the Escrow Account sufficient funds to repay State the amount of such overpayment.
21 Such funds may be removed, and repaid to the State notwithstanding Contractor's
22 disagreement with the State or County audit findings, and irrespective of the existence of
23 any appeal.

24 **H. GOVERNMENT FUNDING RESTRICTIONS**: This Agreement shall be
25 subject to any restrictions, limitations, or conditions imposed by State, including, but not
26 limited to, those contained in State's Budget Act, which may in any way affect the
27 provisions or funding of this Agreement. This Agreement shall also be subject to any
28 additional restrictions, limitations, or conditions imposed by the Federal government which
29 may in any way affect the provisions or funding of this Agreement. In the event that,
30 based on any revision to State or Federal law, Contractor is no longer considered a public
31 entity which is capable of certifying a public expenditure, or making an intergovernmental

1 transfer under federal Medicaid rules, provisions of Paragraph S (Public Entity Status)
2 shall control.

3 **I. PATIENT/CLIENT ELIGIBILITY, UMDAP FEES, THIRD PARTY**
4 **REVENUES, AND INTEREST:**

5 (1) Contractor shall comply with all County, State, and Federal
6 requirements and procedures relating to:

7 (a) The determination and collection of patient/client fees for
8 services hereunder based on UMDAP.

9 (b) The eligibility of patients/clients for Short-Doyle/Medi-Cal,
10 Medicare, private insurance, or other third party revenue, and the collection, reporting and
11 deduction of all patient/client and other revenue for patients/clients receiving services
12 hereunder. Contractor shall pursue and report collection of all patient/client and other
13 revenue.

14 (2) All fees paid by patients/clients receiving services under this
15 Agreement and all fees paid on behalf of patients/clients receiving services hereunder
16 shall be utilized by Contractor only for the delivery of mental health service units specified
17 in this Agreement.

18 (3) Contractor shall not retain any fees paid by any resources for or on
19 behalf of Medi-Cal beneficiaries without having those fees deducted from the cost of
20 providing the mental health services from which the fees were derived.

21 (4) Contractor may retain any interest and/or return which may be
22 received, earned or collected from any funds paid by County to Contractor, provided that
23 Contractor shall utilize all such interest and return only for the delivery of mental health
24 services.

25 (5) Failure of Contractor to report in all its monthly claims and in its
26 Annual Cost Report all fees paid by patients/clients receiving services hereunder, all fees
27 paid on behalf of patients/clients receiving services hereunder, all fees paid by third parties
28 on behalf of Medi-Cal beneficiaries receiving services hereunder, and all interest and
29 return on funds paid by County to Contractor, shall result in:

30 (a) Contractor's submission of a revised claim statement showing
31 all such nonreported revenue.

1 (b) A report by County to SDMH of all such nonreported revenue
2 including any such unreported revenue paid by any resources for or on behalf of Medi-Cal
3 beneficiaries.

4 (c) Any appropriate financial adjustment to Contractor's
5 reimbursement.

6 **J. ANNUAL COST REPORTS:**

7 (1) For each Fiscal Year or portion thereof that this Agreement is in
8 effect, Contractor shall provide County with two copies of an accurate and complete
9 annual cost report with a statement of expenses and revenue.

10 (2) An accurate and complete annual cost report (annual cost report)
11 shall be defined as a cost report which is completed to the best of the ability of Contractor
12 on such forms or in such formats as specified by County and consistent with such
13 instructions as County might issue, and is based on the best available data.

14 (3) The annual cost report will be comprised of a separate set of forms
15 for the County and State for the Financial Summary within each legal entity.

16 (4) The annual cost report will be due on September 15th for the fiscal
17 year ending on the previous June 30th or 75 days following the expiration or termination
18 date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend,
19 such report will be due on the following business day.

20 (a) Failure to submit an annual cost report by 30 calendar days
21 after the applicable due date specified in this Paragraph J (Annual Cost Reports),
22 Subparagraph (4) shall constitute a breach of contract. In such instance that Contractor
23 does not submit an annual cost report(s) by such 30 calendar days after the applicable
24 due date specified in Paragraph J (Annual Cost Reports), Subparagraph (4), then all
25 amounts covered by the outstanding annual cost report(s) and paid by County to
26 Contractor in the Fiscal Year for which the annual cost report(s) is (are) outstanding shall
27 be due by Contractor to County. Contractor shall pay County according to the method
28 described in this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of
29 Payments for Amounts Due to County).

30 (b) If Contractor fails to submit an annual cost report(s) by the due
31 date specified in this Subparagraph (4), and if this Agreement is automatically renewed as

1 provided in DMH Legal Entity Agreement Paragraph 1 (TERM), then County may opt to
2 not make any further payments to Contractor under this Agreement until the annual cost
3 report(s) is (are) submitted. County shall give Contractor at least 15 business days written
4 notice of its intention to withhold payments hereunder, including the reason(s) for its
5 intended action. Thereafter, Contractor shall have 15 business days either to correct any
6 deficiencies, or to request reconsideration of the decision to withhold payment. Payment
7 to Contractor shall not be withheld during this 15 day period, or, if reconsideration is
8 requested, pending the results of the reconsideration process.

9 (c) It is mutually understood and agreed that failure of Contractor
10 to submit an annual cost report(s) by the due date specified in this Subparagraph (4) will
11 result in damages being sustained by County; that the nature and amount of such
12 damages will be extremely difficult and impractical to fix; that the liquidated damages set
13 forth herein are the nearest and most exact measure of damages for such breach that can
14 be fixed at this time; and that the liquidated damages are not intended as a penalty or
15 forfeiture for Contractor's breach. Therefore, in the event of Contractor's failure to submit
16 an annual cost report(s) by the due date specified in this Subparagraph (4), County may,
17 in its sole discretion, assess liquidated damages in the amount of ONE HUNDRED
18 DOLLARS (\$100) for each day that the annual cost report(s) is (are) not submitted.
19 Contractor may request that liquidated damages not be assessed by sending a request to
20 the attention of Director or his designee no later than thirty (30) days prior to the County's
21 Cost Report filing due date specified in this Subparagraph (4) to allow ample time to
22 process.

23 i Liquidated damages shall be assessed separately on each
24 outstanding annual cost report.

25 ii Liquidated damages shall be assessed commencing
26 beginning September 16th or on the seventy-sixth day following the expiration or
27 termination date of this Agreement and shall continue until the outstanding annual cost
28 report(s) is(are) received.

29 iii Upon written request from County for payment, Contractor
30 shall submit payment to the County for said damages within 30 days.

31 iv Contractor may ask that liquidated damages not be assessed

1 by sending a written request for an extension to submit the Annual Cost Report to the
2 Director no later than thirty (30) days prior to the due date specified in this Subparagraph
3 (4). The decision to grant an extension without assessing liquidated damages in
4 accordance with this Paragraph J (4) (b) shall be at the sole discretion of the Director.

5 (5) Each such annual cost report shall be prepared by Contractor in
6 accordance with the Centers for Medicare and Medicaid Services' Publications #15-1 and
7 #15-2, "The Provider Reimbursement Manual Parts 1 and 2", the State's Cost
8 Reporting/Data Collections (CR/DC) Manual, and any other written guidelines which shall
9 be provided to Contractor at the Cost Report training, to be conducted by County by June
10 30 of the Fiscal Year for which the Annual Cost Report is to be prepared. Attendance by
11 Contractor as such training is mandatory, County may, in its sole discretion, assess
12 liquidated damages in the amount of ONE HUNDRED DOLLARS (\$100) for Contractor's
13 non-attendance at the Cost Report training.

14 (6) Upon written notification from Director that Contractor's annual cost
15 report contains errors or inaccuracies, Contractor shall, within 30 calendar days, correct
16 such errors and/or inaccuracies and resubmit its cost report. In the event that Contractor
17 disagrees with County's determination that an error or inaccuracy exists, it may so inform
18 County in writing and need not correct the cost report. County will so inform the State and
19 allow the State to determine whether to make an adjustment on audit. If Contractor fails to
20 correct inaccuracies in annual cost report within thirty (30) calendar days after receipt of
21 written notification from the Director or his designee and said inaccuracies result in the
22 loss of reimbursement to the County for claimable amounts that were paid to Contractor,
23 Contractor must return to the County the amount of the loss of reimbursement that the
24 County could have claimed if the inaccuracy was corrected by Contractor.

25 (7) Contractor shall be solely responsible, and shall indemnify County for
26 any loss incurred by County due to Contractor's failure to comply with County and State
27 cost report requirements.

28 **K. PRE-AUDIT FINAL COST REPORT SETTLEMENT:** Based on the Annual
29 Cost Report(s) submitted pursuant to this Financial Exhibit A (FINANCIAL PROVISIONS)
30 Paragraph J (Annual Cost Reports), at the end of each Fiscal Year or portion thereof that
31 this Agreement is in effect and Paragraph F (General Administration Requirements for

1 Title XIX Short-Doyle/Medi-Cal), Subparagraph (13) (Title XIX Short-Doyle/Medi-Cal
2 Reconciliation Report), the State and County will perform a pre-audit final cost report
3 settlement. Such settlement will be subjected to the terms and conditions of this
4 Agreement and any other applicable State and/or federal statutes, regulations, policies
5 and procedural requirements pertaining to cost reporting and settlements for Title XIX
6 Short-Doyle/Medi-Cal.

7 (1) Reimbursement to Contractor shall not exceed the Maximum
8 Contract Amount shown in the Financial Summary(ies) (Attachment III). For purposes of
9 this part, Federal Financial Participation (FFP) for Title XIX Short-Doyle/Medi-Cal services,
10 as well as EPSDT-SGF will be considered by County in the Legal Entity's aggregate total
11 when applying the Maximum Contract Amount limitation by payer. However, the FFP
12 reimbursement by County to Contractor for Title XIX Short-Doyle/Medi-Cal services shall
13 be limited to the maximum FFP for which there is sufficient eligible Contractor/State local
14 match funds, as required by federal statute and regulation. State FFP reimbursement to
15 County for Contractor's State approved Title XIX Short-Doyle/Medi-Cal services that is in
16 excess of the FFP amount for which there is sufficient Contractor/State local match funds
17 shall not be paid to Contractor and shall be returned to State,

18 (2) County's issuance of its pre-audit cost report settlement findings shall
19 take place no later than 120 calendar days after the receipt by County from the State of
20 the State's Final Cost Report Settlement package for a particular fiscal year.

21 (a) As part of its pre-audit cost report settlement findings, County
22 shall identify any amounts due to Contractor by the County or due from the Contractor to
23 the County.

24 (b) Upon issuance of the County's pre-audit cost report settlement
25 findings, Contractor may, within 30 calendar days, submit a written request to Director for
26 review of the pre-audit cost report settlement findings.

27 i Upon receipt by Director of Contractor's written request,
28 County shall, within 30 calendar days, meet with Contractor to review the pre-audit cost
29 report settlement and to consider any documentation or information presented by
30 Contractor. Contractor may waive such meeting and elect to proceed based on written
31 submission at its sole discretion.

1 ii Within 30 calendar days of the meeting specified in (i)
2 above, or if no meeting is requested, within 30 calendar days of the issuance of the
3 County's pre-audit cost report settlement findings, County shall issue a final pre-audit cost
4 report settlement finding to the Contractor including confirming or adjusting any amounts
5 due to Contractor by the County or due from Contractor to the County.

6 (3) In the event that the pre-audit cost report settlement finding indicates
7 that the Contractor is due payment from the County, County shall make payment to
8 Contractor within 30 calendar days following the expiration of the date to request a review
9 as specified above or issuance of the final pre-audit cost report settlement finding as
10 specified in Subparagraph (2) (b)(ii) above, whichever is later.

11 (4) In the event that County's pre-audit cost report settlement findings,
12 including any reconciliation to Contractor's Maximum Contract Amount indicate an amount
13 due the County, Contractor shall pay County according to the method described in this
14 Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of Payments for
15 Amounts Due to County). Contractor shall have a right to dispute a finding that money is
16 due the County using the reconsideration process set forth in the letter notifying Contractor
17 of the amount due, and County shall not recover any disputed amounts until that
18 reconsideration process is complete.

19 **L. AUDITS, AUDIT APPEALS AND POST-AUDIT SHORT-DOYLE/MEDI-CAL**
20 **FINAL SETTLEMENT:**

21 (1) At any time during the term of this Agreement or after the expiration
22 or termination of this Agreement, in accordance with State and federal law including but
23 not limited to the California Welfare and Institutions Code (WIC) Sections 14170 and
24 following, authorized representatives from the County, State or Federal governments may
25 conduct an audit of Contractor regarding the Title XIX Short-Doyle/Medi-Cal mental health
26 services provided hereunder.

27 (2) Settlement based on the audit findings will be conducted according to
28 the auditing party's procedures in place at the time of the audit.. In the case of a State
29 Short-Doyle/Medi-Cal audit, the State and County will perform a post-audit Short-
30 Doyle/Medi-Cal settlement that is based on State audit findings. Such settlement will take
31 place when the State initiates its settlement action which customarily is after the issuance

1 of the audit report by the State and before the State's audit appeal process. However, if
2 the responsible auditing party stays its collection of any amounts due or payable because
3 of the audit findings, County will also stay its settlement of the same amounts due or
4 payable until the responsible auditing party initiates its settlement action with County.

5 (a) County recovery from Contractor of any Federal overpayment
6 shall be made in accordance with all applicable Federal laws, regulations, manuals,
7 guidelines, and directives.

8 (b) County shall issue an invoice to Contractor for any amount due
9 County no later than ninety (90) calendar days after the State issues its settlement letter.
10 The amount on the County invoice is due by Contractor to County thirty (30) calendar days
11 from the date of the invoice, and shall be repaid in accordance with method described in
12 this Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph M (Method of Payments
13 for Amounts Due to County).

14 (3) Contractor may appeal any such audit findings in accordance with the
15 audit appeal process established by the party performing the audit.

16 (a) For Federal audit exceptions, Federal audit appeal process
17 shall be followed.

18 (b) Contractor may appeal the State audit findings related to the
19 cost report in conformance with provisions of Sections 51016 and following Title 22, of the
20 California Code of Regulations. Such appeals must be filed through County. County shall
21 notify Contractor of State appeal time deadlines after County's receipt from State of the
22 audit report. The first level of appeal is the Informal Conference. The second appeal level
23 is the Formal Hearing, if Contractor appeals the Informal Conference appeal finding(s).
24 The Formal Hearing audit appeal concludes with a Report of Findings which is the final
25 administrative decision

26 (c) If at any time the appeal process results in a revision to the
27 audit findings, and the State recalculates the final settlement of the Short-Doyle/Medi-Cal
28 cost report for the year, and settles with the County. County will perform a post-audit
29 Short-Doyle/Medi-Cal recomputed final settlement based upon the State's final settlement
30 with the County. If the recomputed final settlement results in amounts due from
31 Contractor to County, Contractor shall make payments in accordance with Paragraph M

1 (Method of Payments for Amounts Due to County). If the recomputed final settlement
2 results in amounts due from County to Contractor the provisions in subsection (7) of this
3 Paragraph L shall be followed.

4 (d) Contractor may request the County to appeal State findings
5 related to the audit of specific types of claims or services, such as EPSDT, in conformance
6 with the provisions of Section 1810.380 of Title 9 of the California Code of Regulations or
7 such other form of appeal specified by the State in its report of audit findings or settlement
8 or as required in any other regulation governing such appeals which may, in the future, be
9 promulgated by the State. Unless otherwise provided by regulation, such appeals must be
10 filed through the County and the time period to do so is extremely short. The County shall
11 notify Contractor of State appeal time deadlines upon County's receipt from State of the
12 audit report, and Contractor shall make its appeal request in writing and provide the
13 documents necessary to submit the appeal at least 10 business days prior to the last date
14 the County's appeal can be filled. Contractor shall assist County in whatever way is
15 necessary in the prosecution of such appeal, including presentation of Contractor's
16 position at hearing if so requested by County, and shall be informed of the results of any
17 such appeal. Nothing in the paragraph shall act as a waiver of Contractor's right to
18 challenge the form of appeal specified by State, including but not limited to, the State's
19 reliance on Section 1810.380 of Title 9 of the California Code of Regulations.

20 (4) Notwithstanding any other provisions of this Agreement, if Contractor
21 appeals any audit report, the appeal shall not prevent the County from recovering from
22 Contractor any amount owed by Contractor that the State has recovered from County.

23 (5) Should the auditing party be the County, Contractor will have thirty
24 (30) calendar days from the date of the audit report within which to file an appeal with
25 County. The letter providing the Contractor with notice of the audit findings shall indicate
26 the persons and address to which the appeal should be directed. County shall consider all
27 information and argument provided by Contractor with its appeal, and will issue its decision
28 on the appeal after such consideration. Such decision is the final administrative decision.
29 County will issue an invoice for any amount due County fifteen calendar days (15) after
30 County has notified Contractor of the County's audit appeal findings. The amount on the
31 County invoice is due thirty (30) calendar days from the date of the invoice.

1 (6) Contractor shall pay County according to Paragraph M (Method of
2 Payments for Amounts Due to County).

3 (7) If the post-contract audit and/or post-audit appeal process conducted
4 by County, State, and/or Federal personnel determines that the County payments to
5 Contractor hereunder are less than the amounts reimbursable pursuant to this Agreement,
6 then that portion of the difference which is funded with FFP or EPSDT-SGF shall be paid
7 by County to Contractor, provided that in no event shall County's Maximum Contract
8 Amount for the applicable Fiscal Year, as shown in this Financial Exhibit A (FINANCIAL
9 PROVISIONS), Paragraphs B (Reimbursement for the Initial Period) and C
10 (Reimbursement if Agreement is Automatically Renewed), be exceeded. If such
11 Maximum Contract Amount is exceeded, County will remit payment to Contractor within
12 thirty (30) calendar days of receiving Board authorization to make the payment. County
13 will seek such Board authorization within 30 calendar days after completion of the post-
14 audit and recomputed final settlement Short-Doyle/Medi-Cal processes described in this
15 Financial Exhibit A (FINANCIAL PROVISIONS), Paragraph L (Audits, Audit Appeals and
16 Post-Audit Short-Doyle/Medi-Cal Final Settlement).

17 **M. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY:** If, at the
18 time an amount payable to the County is determined, there are funds related to the fiscal
19 year to which the debt relates in the Escrow Account created pursuant to Paragraph G
20 (Escrow of Funds) above, County shall withdraw the amount to which it is due from such
21 account, in accordance with the terms of Paragraph G (Escrow of Funds) and will provide
22 notice to Contractor of such withdrawal. If there are no funds remaining in the Escrow
23 Account related to the fiscal year to which the debt relates, or if such funds are not
24 adequate to liquidate the entire amount of the debt, Contractor will within ten (10) business
25 days after written notification by County of the amount due by Contractor to County, notify
26 County as to which of the following five payment options Contractor requests be used as
27 the method by which such amount shall be recovered by County. Any such amount shall
28 be: (1) paid in one cash payment by Contractor to County, (2) deducted from future claims
29 over a period not to exceed three months, (3) deducted from any amounts due from
30 County to Contractor whether under this Agreement or otherwise, (4) paid by cash
31 payment(s) by Contractor to County over a period not to exceed three months, or (5) a

1 combination of any or all of the above. If Contractor does not so notify County within such
2 ten days, or if Contractor fails to make payment of any such amount to County as required,
3 then Director, in his sole discretion, shall determine which of the above payment options
4 shall be used by County for recovery of such amount from Contractor.

5 **N. INTEREST CHARGES ON DELINQUENT PAYMENTS:** If Contractor,
6 without good cause as determined in the sole judgment of Director, fails to pay County any
7 amount due to County under this Agreement within 60 calendar days after the due date,
8 then Director, in his sole discretion and after written notice to Contractor, may assess
9 interest charges at a rate equal to County's Treasury Pool Rate, as determined by
10 County's Auditor-Controller, per day on the delinquent amount due commencing on the
11 sixty-first calendar day after the due date. Contractor shall have an opportunity to present,
12 to Director, information bearing on the issue of whether there is a good cause justification
13 for Contractor's failure to pay County within 60 calendar days after the due date. The
14 interest charges shall be: (1) paid by Contractor to County by cash payment upon
15 demand and/or (2) at the sole discretion of Director or his designee, deducted from any
16 amounts due from County to Contractor whether under this Agreement or otherwise.

17 **O. FINANCIAL SOLVENCY:** Contractor shall maintain adequate provisions
18 against the risk of insolvency. Such provisions shall minimally meet the solvency/working
19 capital criteria specified in the DMH's financial responsibility requirements policy. The fact
20 that some of Contractor's revenues are being held in the Escrow Account pursuant to
21 Paragraph G above shall not be basis for finding that Contractor does not meet such
22 financial responsibility requirements. In determining solvency, County shall not consider
23 any liability related to Contractor's 2004 bankruptcy filing.

24 **P. LIMITATION OF COUNTY'S OBLIGATION DUE TO**
25 **NONAPPROPRIATION OF FUNDS:** Notwithstanding any other provision of this
26 Agreement, County shall not be obligated for Contractor's performance hereunder or by
27 any provision of this Agreement during this or any of County's future fiscal years unless
28 and until County's Board of Supervisors appropriates funds for this Agreement in County's
29 Budget for each such fiscal year. So long as Contractor has adequate amounts to qualify
30 as the local match for non-ESPDT services, or for ESPDT services within the baselines
31 and any associated growth amount, or the State pays sufficient SGF to act as local match,

1 County agrees that the Board of Supervisors will appropriate sufficient amounts to allow
2 Contractor to receive the FFP and EPSDT-SGF for services it provided.

3 **Q. CONTRACTOR REQUESTED CHANGES:**

4 (1) If Contractor desires any change in the terms and conditions of this
5 Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal
6 Year, for which the change would be applicable, unless otherwise agreed to by County
7 and Contractor, and all changes shall be made by an amendment pursuant to DMH Legal
8 Entity Agreement Paragraph 40 (ALTERATION OF TERMS).

9 (2) If Contractor requests to increase or decrease any Maximum Contract
10 Amount, Contractor shall provide all reports, data, and other information requested by
11 County within 15 calendar days of the date of the request for such materials. Any increase
12 to the Maximum Contract Amount shall be made by an amendment pursuant to DMH
13 Legal Entity Agreement Paragraph 40 (ALTERATION OF TERMS).

14 **R. DELEGATED AUTHORITY:** Notwithstanding any other provision of this
15 Agreement, County's Department of Mental Health Director may, without further action by
16 County's Board of Supervisors, prepare and sign amendments to this Agreement during
17 the remaining term of this Agreement, under the following conditions.

18 (1) County's total payments to Contractor under this Agreement, for each
19 Fiscal Year of the term of this Agreement, shall not exceed an increase of more than the
20 Board-approved percentage of the applicable Maximum Contract Amount; and

21 (2) Any such Maximum Contract Amount amendment increase or
22 amendment change shall only be used for additional services or to reflect program and/or
23 policy changes that affect this Agreement; and

24 (3) County's Board of Supervisors has appropriated sufficient funds for
25 all changes described in each such amendment to this Agreement; and

26 (4) Approval of County Counsel and the Chief Executive Officer or their
27 designee is obtained prior to any such amendment to this Agreement; and

28 (5) County and Contractor may by written amendment reduce programs
29 or services and revise the applicable Maximum Contract Amount. The Director or his
30 designee shall provide 15 business days prior written notice of such funding changes to
31 Contractor, including any changes in the amount of services to be received by County, to

1 Contractor, DMH Contracts Development and Administration Division, and to County's
2 Chief Administrative Officer. Any such change in any applicable Maximum Contract
3 Amount shall be effected by an administrative amendment to this Agreement by Director
4 or his designee; and

5 (6) Director shall notify County's Board of Supervisors of all Agreement
6 changes in writing within 30 calendar days following execution of any such amendment(s).

7 **S. PUBLIC ENTITY STATUS:** The provisions of this Financial Exhibit A
8 assume that Contractor is considered a public entity under federal Medicaid rules, and is
9 capable of certifying a public expenditure, with or without additional certification by the
10 State Controller. If County, in good faith, determines that Contractor no longer qualifies as
11 a public entity under federal Medicaid rules, then all payments under this Agreement for
12 services rendered on or after the date Contractor ceased being a public entity shall stop.
13 Prior to making such determination, County shall consult with Contractor, so long as
14 Contractor makes itself available for such discussion within five (5) business days of a
15 request for such conference by County. Contractor and County, working with the State,
16 shall make good faith efforts to enter into a new arrangement which will permit realignment
17 funds assigned by statute to Contractor to act as the local match for Medicaid/Medi-Cal
18 mental health services to the residents of La Verne, Claremont and Pomona provided by
19 Contractor. Contractor acknowledges and agrees that County has no obligation to pay for
20 services provided by Contractor after it ceases to be a public entity under federal Medicaid
21 rules unless a new arrangement, memorialized in a formally approved amendment or new
22 agreement between the parties exists, and that, if Contractor continues to provide services
23 to Medi-Cal beneficiaries, it does so at its own risk. Notwithstanding the above, Contractor
24 may continue to submit claims, and County may continue to make payments to Contractor
25 for services which do not rely on Contractor's expenditure as the basis for the claim for
26 FFP, if and only if County, in its sole discretion, notifies Contractor that it will accept such
27 claims and make such payment.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows a parent or other person to confidentially surrender a baby, as long as the baby is less than 72 hours of age or younger and has not been abused or neglected. The baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite a una madre que recién ha dado a luz entregar a su recién nacido a un miembro del personal de un hospital o cuartel de bomberos que tenga custodia legal, o a cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
