EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO AMEND FIVE LEGAL ENTITY AGREEMENTS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to amend five Legal Entity Agreements for Fiscal Year 2002-03 to make additional payments due to the State Audited Cost Report Settlement for a combined total of \$144,747.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute Amendments, substantially similar to Attachment I, to make payments to five Department of Mental Health (DMH) Legal Entity (LE) contract agencies as a result of the State Audited Cost Report Settlement, as identified in Attachment II, where the settlement amounts exceed the Maximum Contract Amounts (MCA) for Fiscal Year (FY) 2002-03 by a total amount of \$144,747 fully funded with Federal Financial Participation (FFP) Medi-Cal included in the DMH FY 2009-10 Final Adopted Budget.
2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to the FY 2002-03 LE Agreements to establish new MCAs to make additional payments that may result from future State Final Cost Report Settlements and/or subsequent appeal processes for these and other LE contract agencies, provided that: 1) no County funds will be used to make the additional payments; 2) federal and/or State funds will be used to make the additional payments; 3) approval of County Counsel and the Chief Executive Officer (CEO), or their designees, is obtained prior to such amendments; and 4) the Director of Mental Health will notify your Board of

any agreement changes in writing within 30 days after execution of each amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The recommended actions will authorize DMH to amend five FY 2002-03 LE Agreements to pay the contract agencies for Medi-Cal approved services in excess of their MCAs based on the State Audited Cost Report Settlement for FY 2002-03.

The State's Countywide Short-Doyle/Medi-Cal (SD/MC) Audit is done to fulfill its responsibilities for the management and oversight of the federal Medicaid program, which is called Medi-Cal in California. This process determines underpayments and overpayments of Medi-Cal approved services. DMH, which acts as the fiscal intermediary for the State Medi-Cal program for mental health services in Los Angeles County, is required to take action to collect from or reimburse contract providers based on such State Audits.

The FY 2002-03 Agreements contain provisions for the County to pay the contract providers if a post contract audit conducted by the County, State, and/or federal personnel determines that the provider is owed more than the amount paid, provided that the total payments do not exceed the MCA for a particular fiscal year. Based on the settlement process, settlement payments to the five contract agencies would result in contractors receiving payments above their MCAs and, therefore, Board authorization for the payments is required. Potential adjustments to these and other contract agencies' Audited Cost Report Settlement results may occur on future dates based on the State's Final Cost Report Settlement and appeals processes.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The recommended actions will increase the MCAs for the five contract agencies by a total of \$144,747 and will be fully funded by FFP Medi-Cal revenue included in the DMH FY 2009-10 Final Adopted Budget. The recommended actions will not increase net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This Board action is requested in order to reimburse contract providers as a result of the State Audited Cost Report Settlement process.

In compliance with various federal and State statutes, DMH will pay contract providers who have already rendered the Medi-Cal approved services in the applicable fiscal year and are eligible to receive these funds. The County cannot legally use the funds for any purpose other than reimbursing the contract agencies for Medi-Cal approved services.

The CEO, County Counsel, and the Auditor-Controller have reviewed the proposed actions and the Amendment format has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on current services.

Respectfully submitted,
