Dear Supervisors:

**APPROVAL OF A SOLE SOURCE CONSULTANT SERVICES AGREEMENT WITH
STARS BEHAVIORAL HEALTH GROUP, INC.
FOR FISCAL YEARS 2008-09 THROUGH 2010-11
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval of a sole source Consultant Services Agreement with Stars Behavioral Health Group, Inc., to provide training, consultation, and technical assistance to support implementation of the Transition to Independence Process Model within selected Mental Health Services Act funded Transition Age Youth Full Service Partnership programs.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute a sole source Consultant Services Agreement (Agreement), substantially similar in format to Attachment I, with Stars Behavioral Health Group, Inc., (SBHG) to provide training, consultation, and technical assistance to support implementation of the Transition to Independence Process (TIP) Model, an Evidence-Based/Promising-Practice proprietary treatment model, within selected Los Angeles County Department of Mental Health (DMH) directly-operated and contracted Transition Age Youth (TAY) Full Service Partnership (FSP) programs in keeping with the Mental Health Services Act (MHSA) Community Services and Supports (CSS) Plan. The Total Compensation Amount (TCA) for this Agreement is \$363,788, fully funded by MHSA CSS funds for Fiscal Years (FYs) 2008-09 through 2010-11. The Agreement will be effective upon Board approval and conclude June 30, 2011.

"To Enrich Lives Through Effective And Caring Service"

2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to the Agreement and establish as a new TCA the aggregate of the original Agreement and all amendments provided that:
 - 1) the County's payments to the contractor under this Agreement for each fiscal year do not exceed an increase of 20 percent from the last Board-approved TCA;
 - 2) any such increase will be used to provide additional services or to reflect program and/or policy changes;
 - 3) your Board has appropriated sufficient funds for all changes;
 - 4) approval of County Counsel and the Chief Executive Officer (CEO), or designees, is obtained prior to any such Amendment;
 - 5) County and contractor may, by written amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and
 - 6) the Director of Mental Health provides written notification to your Board within 30 days after execution of any amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval will authorize DMH to enter into a sole source consultant services agreement with SBHG to provide consultation, technical assistance, facilitation, guidance to program supervisors, in-depth case conferencing, training, and extensive access to resource materials in support of implementing the TIP Model within selected DMH directly-operated and contracted TAY FSP programs. The TIP Model is an Evidence-Based/Promising-Practice proprietary treatment model developed by the National Network on Youth Transition for Behavioral Health (NNYT) at the University of South Florida (USF). There are no other known Evidence-Based/Promising-Practice models currently available that provide an integrated approach to achieving outcomes consistent with the State-approved outcomes for seriously emotionally disturbed (SED) TAY enrolled in FSP programs. The NNYT has established an agreement with SBHG to serve as the only entity in California that is authorized to serve as a NNYT partner and as a purveyor of the TIP Model.

Additionally, SBHG will train MHPA TAY FSP providers to achieve basic proficiency in the TIP Model, its principles, and core practices. SBHG will provide participating MHPA TAY FSP providers with orientation to strategies for integrating the TIP Model with other evidence-based practices such as Cognitive Behavioral Therapy, Aggression Replacement Therapy, and Co-Occurring Substance Abuse treatment models.

Implementation of Strategic Plan Goals:

The recommended actions are consistent with County Strategic Plan Goal 1, Operational Effectiveness and Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

There is no increase in net County cost.

The TCA for this Agreement is \$363,788, fully funded by MHSA CSS funds included in DMH's FY 2008-09 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

NNYT at USF, the TIP Model developer, has identified one sole source agency - SBHG, to disseminate the TIP Model, materials, and training statewide. The TIP Model works by assisting TAY with making a successful transition to adulthood and self-sufficiency through the achievement of personal goals and competencies in the transition domains of employment and career, education, living situation, personal adjustment, and community life functioning. The TIP Model provides a research-based intervention tool for TAY FSP providers to work toward the State-approved outcomes. Agencies participating in implementation of the TIP Model support the achievement of client goals through the use of transition facilitators, low caseloads, staff training and coaching, resource development, family involvement, partnering with relevant community agencies, building social support networks, youth voice and advocacy, housing support, and community resource mapping.

The TIP Model has been implemented in several states in the United States including Washington, Vermont, Oregon, New Hampshire, Illinois, Florida, and beginning in 2008 in Santa Clara County, California. The introduction of the TIP Model in Los Angeles County will support the development of the mental health system's capacity and expertise in providing for integration of services and supports across multiple transition domains for the SED TAY population.

The attached Agreement format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. The DMH Specialized Children and Youth Services Bureau – TAY Division will be responsible for providing monitoring and oversight of the TIP Model program implementation activities by SBHG throughout the term of this Agreement.

CONTRACTING PROCESS

To comply with your Board's contracting policy requirements for sole source contracts, DMH notified your Board on February 2, 2009, of its intent to negotiate a sole source agreement with SBHG (Attachment II), to allow DMH to use the only agency licensed to train and disseminate information on the copyrighted TIP Model in California. Attached is the required Sole Source Checklist (Attachment III), identifying and justifying the need for a contract with SBHG. The Sole Source Checklist has been approved by the CEO.

IMPACT ON CURRENT SERVICES

It is expected that this TIP Model multi-agency collaborative will lead to an improved system of TAY services over the 24-month project timeline. The TIP Model resulting from this collaborative will improve the likelihood of sustaining the improved TAY service delivery system in Los Angeles County.

CONCLUSION:

DMH will need one copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

CONSULTANT SERVICES AGREEMENT

THIS AGREEMENT for Consultant Services (hereafter "Agreement") is made and entered into this _____ day of _____, 2009, by and between Stars Behavioral Health Group, Inc. (hereafter "CONSULTANT") and the County of Los Angeles, on behalf of its Department of Mental Health (hereafter "COUNTY").

RECITALS

WHEREAS, the COUNTY has a need for, and desires to engage the services of an individual or firm with special expertise and experience to act as a CONSULTANT to the COUNTY for the provision of training, consultation, and technical assistance to support implementation of the Transition to Independence Process Model (TIP Model), an Evidence-Based/Promising Practice proprietary treatment model, within selected Los Angeles County directly-operated and contracted Mental Health Services Act (MHSA) funded Transition-Age Youth (TAY) Full Service Partnership (FSP) programs; and

WHEREAS, CONSULTANT is specifically trained and possesses the skills, experience, education and competency for the provision of training, consultation, and technical expertise to TAY FSP providers with the goal of achieving basic proficiency with the TIP Model including its principles and core practices; providing consultation, technical assistance, facilitation, guidance to program supervisors, in-depth case conferencing, on-site training, extensive access to resource materials, and orientation to strategies for integrating the TIP Model with other Evidence-Based Practices such as Cognitive Behavioral Therapy (CBT), Aggression Replacement Therapy (ART), and Co-Occurring Substance Abuse treatment models; and

WHEREAS, the COUNTY desires to engage CONSULTANT for such special services upon the terms provided in this Agreement; and

WHEREAS, the County is authorized by Government Code Section 31000 to contract for such special services, including those contemplated herein.

NOW, THEREFORE, in consideration of the mutual covenants, conditions, representations and warranties contained herein, it is agreed by and between COUNTY and CONSULTANT as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human service that support achievement of the County's vision, goals, values and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County's outcomes of well-being

for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated comprehensive information, services and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service

plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well being, safety and survival, emotional and social well-being, and education and workforce readiness. The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?
- ✓ The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs

- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values
- Provide a clean and comfortable waiting area

- Post compliant and appeal procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

5.8 Budget Reductions: In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Consultant under this Agreement shall also be reduced correspondingly. The use or non-use of County resources by Consultant shall not relieve Consultant of its responsibility to provide services and complete all work under this Agreement in a manner satisfactory to County, and shall not affect Consultant's status as an independent Consultant. County's Program Manager shall be: Terri Boykins, L.C.S.W.

6.2 Consultant's Project Manager: Consultant's Project Manager shall be responsible for coordination of all administrative and contractual matters relating to this Agreement, including, but not limited to, allocation of Consultant's resources, submission of invoices, and resolution of any questions/disputes. relating to this Agreement.

9.0 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE: Without limiting Consultant's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Consultant shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 9.0 and 10.0 of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Consultant pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Consultant for liabilities which may arise from or relate to this Agreement.

9.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Consultant's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Contract.

The Insured party named on the Certificate shall match the name of the Consultant identified as the contracting party in this Contract. self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.

- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Consultant, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

County of Los Angeles
Department of Mental Health
550 South Vermont Avenue
Attention: Contracts Development and Administration Division

- Consultant also shall promptly report to County any injury or property damage accident or incident, including any injury to a Consultant employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to Consultant. Consultant also shall promptly notify County of any third party claim or suit filed against Consultant or any of its Sub-Consultants which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against Consultant and/or County.

9.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Consultant's General Liability policy with respect to liability arising out of Consultant's ongoing and completed operations performed on behalf of the County. County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Consultant's acts or omissions, whether such liability is attributable to the Consultant or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if

they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

9.3 Cancellation of Insurance

Except in the case of cancellation for non-payment of premium, Consultant's insurance policies shall provide, and Certificates shall specify, that County shall receive not less than thirty (30) days advance written notice by mail of any cancellation of the Required Insurance. Ten (10) days prior notice may be given to County in event of cancellation for non-payment of premium.

9.4 Failure to Maintain Insurance

Consultant's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Consultant, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Consultant resulting from said breach.

9.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

9.6 Consultant's Insurance Shall Be Primary

Consultant's insurance policies, with respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage available to Consultant. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Consultant coverage.

9.7 Waivers of Subrogation

To the fullest extent permitted by law, the Consultant hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. The Consultant shall require its insurers to

execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

9.8 Sub-Consultant Insurance Coverage Requirements

Consultant shall include all Sub-Consultants as insureds under Consultant's own policies, or shall provide County with each Sub-Consultant's separate evidence of insurance coverage. Consultant shall be responsible for verifying each Sub-Consultant complies with the Required Insurance provisions herein, and shall require that each Sub-Consultant name the County and Consultant as additional insureds on the Sub-Consultant's General Liability policy. Consultant shall obtain County's prior review and approval of any Sub-Consultant request for modification of the Required Insurance.

9.9 Deductibles and Self-Insured Retentions (SIRs)

Consultant's policies shall not obligate the County to pay any portion of any Consultant deductible or SIR. The County retains the right to require Consultant to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Consultant's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

9.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Agreement. Consultant understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

9.11 Application of Excess Liability Coverage

Consultants may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

9.12 Separation of Insureds

Consultant shall provide the certification set forth in Exhibit E as part of its obligation under this Paragraph.

Failure by Consultant to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

39.0 CONSULTANT'S OBLIGATION AS A BUSINESS ASSOCIATE UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996: Under this Agreement, Consultant ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to, or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("the Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and

164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" or "Disclosure" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health

information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information, whether oral or recorded in any form or medium, that (i) relates to the past, present, or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.8 "Services" has the same meaning as in the body of this Agreement.

1.9 "Use" or "Uses" means, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.10 Terms used, but not otherwise defined in this Paragraph shall have the same meaning as

those terms in the HIPAA Regulations.

OBLIGATIONS OF BUSINESS ASSOCIATE

2.1 Permitted Uses and Disclosures of Protected Health Information. Business Associate:

(a) shall Use and Disclose Protected Health Information as necessary to perform the Services, and as provided in Sections 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 of this Agreement;

(b) shall Disclose Protected Health Information to Covered Entity upon request;

(c) may, as necessary for the proper management and administration of its business or to carry out its legal responsibilities:

(i) Use Protected Health Information; and

(ii) Disclose Protected Health Information if the Disclosure is Required by Law.

Business Associate shall not Use or Disclose Protected Health Information for any other purpose.

2.2 Adequate Safeguards for Protected Health Information. Business Associate:

(a) shall implement and maintain appropriate safeguards to prevent the Use or Disclosure of Protected Health Information in any manner other than as permitted by this Paragraph. Business Associate agrees to limit the Use and Disclosure of Protected Health Information to the minimum necessary in accordance with the Privacy Regulation's minimum necessary standard.

(b) effective as of April 20, 2005, specifically as to Electronic Health Information, shall implement and maintain administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of Electronic Protected Health Information.

2.3 Reporting Non-Permitted Use or Disclosure and Security Incidents. Business Associate shall report to Covered Entity each Use or Disclosure that is made by Business Associate, its employees, representatives, agents or Sub-Consultants but is not specifically permitted by this Agreement, and effective as of April 20, 2005, shall report to Covered Entity each Security Incident of which Business Associate becomes aware. The initial report shall be made by telephone call to the Department of Mental Health's Privacy Officer, telephone number (213) 738-4864 within forty-eight (48) hours from the time the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident, followed

by a full written report no later than ten (10) business days from the date the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

Chief Privacy Officer, County of Los Angeles
Kenneth Hahn Hall of Administration
500 West Temple Street, Suite 525
Los Angeles, CA 90012

2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph.

2.5 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books, and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the Federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business

days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

2.8 Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of Disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528, and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both. Additionally, such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures that were made prior to the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate maintains the Protected Health Information.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Paragraph shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement if Business Associate has breached a material term of this Paragraph and cure is not possible; or

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the Federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of Sub-Consultants or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Paragraph shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Sub-Consultants and Agents. Business Associate shall require each of its agents and Sub-Consultants that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or Sub-Consultant to comply with all the terms of this Paragraph.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph is contrary to another provision of this Agreement, the provision of this Paragraph shall control. Otherwise, this Paragraph shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Paragraph to a section in the Privacy or Security Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Paragraph shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.

40.0 COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Consultant Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Consultant has demonstrated to the County's satisfaction either that Consultant is not a "Consultant" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Consultant qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Consultant shall have and adhere to a written policy that provides that its Employees

shall receive from the Consultant, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Consultant or that the Consultant deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Consultant" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Consultant and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Consultant. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Consultant has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Consultant uses any Sub-Consultant to perform services for the County under the Agreement, the Sub-Consultant shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Consultant is not required to comply with the Jury Service Program when the Agreement commences, Consultant shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Consultant shall immediately notify County if Consultant at any time either comes within the Jury Service Program's definition of "Consultant" or if Consultant no longer qualifies for an exception to the Program. In either event, Consultant shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Consultant demonstrate to the County's satisfaction that Consultant either continues to remain outside of the Jury Service Program's definition of "Consultant" and/or that Consultant continues to qualify for an exception to the Program.

(4) Consultant's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Consultant from the award of future County Agreements for a period of time

consistent with the seriousness of the breach.

41.0 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Consultant shall notify and provide to its employees, and shall require each Sub-Consultant to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit F of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

42.0 CONSULTANT'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Consultant acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Consultant understands that it is the County's policy to encourage all County Consultants to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Consultant's place of business. The Consultant will also encourage its Sub-Consultants, if any, to post this poster in a prominent position in the Sub-Consultant's place of business. The County's Department of Children and Family Services will supply the Consultant with the poster to be used.

43.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Consultant's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Consultant's compliance with all contract terms and performance standards. Consultant deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Consultant. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

44.0 CONSULTANT'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Consultant to complete the certification in Exhibit G, the County seeks to

ensure that all County Consultants which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Consultant which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

45.0 COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS: Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Consultant's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

46.0 COMPLIANCE WITH APPLICABLE LAW:

A. Consultant shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Consultant shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Consultant, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Consultant shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Consultant agrees to notify County of any and all legal complaints,

citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Consultant, whether civil or criminal initiated against Consultant, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

47.0 ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties.

The County's Board of Supervisors or Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Executive Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Consultant and by the Director of Mental Health.

48.0 PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Consultant shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and/or outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Consultant's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Consultant whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Consultant.

49.0 LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This Contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Consultant shall pay particular attention to the following provisions in Chapter 2.204:

Consultant shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Consultant shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Consultant has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Consultant Non-responsibility and Consultant Debarment).

The above penalties shall also apply to any Consultant that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Office of Affirmative Action Compliance of this information prior to responding to a solicitation or accepting a contract award.

50.0 FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subConsultants), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such

party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subConsultant of Consultant shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Consultant and such subConsultant, and without any fault or negligence of either of them. In such case, Consultant shall not be liable for failure to perform, unless the goods or services to be furnished by the subConsultant were obtainable from other sources in sufficient time to permit Consultant to meet the required performance schedule. As used in this sub-paragraph, the term "subConsultant" and "subConsultants" mean subConsultants at any tier.

C. In the event Consultant's failure to perform arises out of a force majeure event, Consultant agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

**STARS BEHAVIORAL HEALTH GROUP, INC.
CONSULTANT SERVICES AGREEMENT
FISCAL YEARS 2008-09 THROUGH 2010-11**

STATEMENT OF WORK

1. Overview:

The Department of Mental Health (DMH) delivers intensive mental health services and supports to seriously emotionally disturbed (SED) and severe and persistently mentally ill (SPMI) Transition-Age Youth (TAY) ages 16-25 through the Mental Health Services Act (MHSA) funded Full-Service Partnership (FSP) program. The State approved and recommended outcomes for TAY participating in FSP programs include: 1) Meaningful use of time and capabilities including employment, vocational training, education, and social and community activities; 2) Safe and adequate housing, including safe living environments and reduction in homelessness; 3) A network of supportive relationships; 4) Timely access to needed help, including during times of crisis; 5) Reduction in incarceration in jails and juvenile halls; 6) Reduction in involuntary services, reduction in institutionalization, and reduction in out-of-home placements; 7) Maintaining or improving physical health; 8) Reduction in early pregnancy; and 9) Completion of high school diploma or General Equivalency Degree GED. The Transition to Independence Process (TIP) Model, an Evidence-Based/Promising-Practice domain-focused treatment model, was developed by the National Network on Youth Transition (NNYT) at the University of South Florida (USF) to address the unique developmental needs of SED TAY by preparing them for their movement into adult roles through an individualized process, engaging them in their own future's planning process, as well as providing developmentally-appropriate services and supports. To support TAY participating in FSP programs to achieve the above outcomes using the TIP Model, and support FSP providers to develop core-competency and proficiency, training and technical assistance is needed.

2. Scope of Work:

Stars Behavioral Health Group, Inc. (SBHG) will establish the TIP Model within the TAY FSP programs of six (6) selected Los Angeles County (directly-operated and contracted) agencies and orient their community partners to improve the outcomes of youth and young adults across the transition domains of employment, career oriented education, living situation, personal effectiveness and well being, and community life functioning (see details on the Table of Activities and Deliverables attached to this Exhibit). It is expected that this TIP multi-agency collaborative will lead to an improved system of TAY services over a 24-month project timeline, using a developmental process to manage training, consultation, technical assistance, program development, and system development. It is expected that FSP providers participating in the TIP Model project will have attained the basic proficiency to continue practicing and implementation without further SBHG training at the completion of the agreement period.

3. **Training Goals**

- A. Establishment of the TIP Model within the TAY FSP programs of six (6) LAC-DMH agencies and orient their community partners to improve the outcomes of youth and young adults across the transition domains of employment, career oriented education, living situation, personal effectiveness/wellbeing, and community life functioning.
- B. Improve the system of services to SED TAY enrolled in FSP programs using a developmental process to manage training, consultation, program implementation, and system development.
- C. Provide training, consultation, and technical assistance to TAY FSP providers with the goal of achieving basic proficiency with the TIP Model including its principles and core practices.
- D. Provide information, guiding principles, and professional tools for TAY FSP providers to support the achievement of outcomes as envisioned in the State-approved Plan.

4. **Evaluation**

- A. SBHG will provide evaluation tools that will evaluate the effectiveness of the TIP training.
- B. SBHG will provide summaries of evaluations to DMH as requested and/or on a quarterly basis. SBHG will provide a comprehensive summary and evaluation within 60 days of the end of this 24-month project.

5. **Curriculum**

- A. SBHG will develop a syllabus, learning objectives, methodology, and information regarding trainers, and training schedules.
- B. SBHG will ensure that the curriculum is in alignment with the Table of Activities and Deliverables (see Attachment to this Exhibit).
- C. SBHG will ensure that any substantive changes to the approved curriculum are approved by DMH prior to implementing such changes.

6. **Time Frame Critical Elements**

- A. The entire TIP model training will be completed by June 30, 2011; this assumes a 24-month project period.

7. **Experience/Minimum Requirements**

- A. SBHG will ensure that consultants, trainers, and experts participating in this project are qualified and possess the required credentials, skills, and expertise.
- B. SBHG will provide documentation (e.g. resumes, vitas, licenses, certifications) of qualifications for all consultants, trainers, and experts participating in this project to DMH.

8. **Responsibility of DMH and SBHG**

SBHG is required to provide notification to DMH of any matters or circumstances that may impact the timely completion of this project. SBHG will work cooperatively and collaboratively with DMH to resolve any barriers or unforeseen circumstances that may potentially impact the timely completion of this project. In the event that such barriers or unforeseen circumstances cannot be resolved; additional time for completion of the project may be negotiated by SBHG and DMH.

9. **Term of Agreement**

The project will commence upon execution of the Consultant Services Agreement and conclude on June 30, 2011.

SAFELY SURRENDERED BABY LAW

No shame. No blame. No names.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Angeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Angeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

TO: Each Supervisor

FROM: Marvin J. Southard, D.S.W.
Director of Mental Health

SUBJECT: **ADVANCE NOTIFICATION OF INTENT TO ENTER INTO A SOLE SOURCE CONTRACT WITH STARS BEHAVIORAL HEALTH GROUP, INC.**

This memo is to comply with the Board of Supervisors' Policy Manual, Section 5.100, Sole Source Contract, by notifying the Board of our need to initiate a Sole Source contract. It is the Department of Mental Health's (DMH) intent to enter into new sole source contract negotiations with Stars Behavioral Health Group (SBHG) located at 1501 Hughes Way, Suite 150, Long Beach, CA 90810.

SBHG will provide training, consultation, and technical assistance in support of implementing the Transition to Independence Process (TIP) model within selected Los Angeles County directly-operated and contracted Mental Health Services Act (MHSA) funded Transition-Age Youth (TAY) Full Service Partnership (FSP) programs.

The TIP model is an Evidence-Based/Promising-Practice proprietary treatment model developed by the National Network on Youth Transition for Behavioral Health (NNYT) at the University of South Florida (USF). The TIP system prepares youth and young adults with Serious Emotional Disturbance (SED) for their movement into adult roles through an individualized process, engaging them in their own futures planning process, as well as providing developmentally-appropriate services and supports. The TIP model involves youth and young adults ages 16-25, their families, and other informal key players in a process that facilitates their movement towards greater self-sufficiency and successful achievement of their goals. Young people are encouraged to explore their interests and futures as related to each of the transition domains: employment and career, education, living situation, personal effectiveness/well-being, and community-life functioning. The TIP model aligns well with the goals and outcomes for TAY as envisioned in the State-approved MHSA TAY FSP program.

The NNYT has established an agreement with SBHG to serve as the only entity in California that is authorized to serve as a NNYT partner and as a purveyor of the TIP model. The consultation and training services under the proposed sole source contract with DMH will be fully funded with \$363,800 in MHSA Community Services and Supports (CSS) funding. The term of the consultant agreement will be from Fiscal Year (FY) 2008-09 through FY 2010-11.

Unless otherwise instructed by a Board office within two weeks, DMH will proceed with negotiating the sole source contract. DMH will work closely with both County Counsel and the Chief Executive Office in preparing a new agreement with SBHG.

SOLE SOURCE CHECKLIST

<p>Check (✓)</p>	<p>JUSTIFICATION FOR SOLE SOURCE CONTRACTS <i>Identify applicable justification and provide documentation for each checked item.</i></p>
	<p>➤ Only one bona fide source for the service exists; performance and price competition are not available.</p>
	<p>➤ Quick action is required (emergency situation).</p>
	<p>➤ Proposals have been solicited but no satisfactory proposals were received.</p>
	<p>➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.</p>
	<p>➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.</p>
	<p>➤ It is more cost-effective to obtain services by exercising an option under an existing contract.</p>
	<p>➤ It is in the best interest of the County, e.g., administrative cost savings, excessive learning curve for a new service provider, etc.</p>
<p>✓</p>	<p>➤ Other reason. Please explain: The TIP Model is an Evidence-Based/Promising Practice proprietary treatment model developed by the National Network on Youth Transition (NNYT). They have licensed Stars Behavioral Health Group, Inc. as their partner and as the only entity in California authorized to serve as a purveyor of the TIP Model.</p>
