Dear Supervisors:

**APPROVAL TO RENEW 48 CLINICAL ASSESSMENT SERVICES AGREEMENTS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew 48 agreements for the provision of clinical assessment services throughout Los Angeles County.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health, or his designee, to prepare, sign, and execute the renewal of 48 service agreements for the clinical assessment programs (Agreements) with licensed clinicians, listed on Attachment I and substantially similar to Attachment II. The term of these Agreements will be effective July 1, 2009 through June 30, 2012, at an estimated annual cost of \$1,640,000, or \$4,920,000 over the three-year term.
2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future Agreements, and future amendments to those Agreements, with other qualified and licensed clinicians to perform mental health assessments for Assembly Bill (AB) 3632 and Specialized Foster Care (D-Rate) programs, provided that: 1) the County's payments to each contractor under any amended Agreements do not exceed an increase of 20 percent of the initial Board-approved Agreement amount, 2) any increase will be used to meet program needs, 3) your Board has appropriated sufficient funds for all changes, 4) approval of County Counsel and the Chief Executive Office (CEO), or designees, is obtained prior to any such Agreement or amendment, and 5) the Director of Mental Health provides written notification to your Board within 30 days after the execution of any Agreement or amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Renewal of these Agreements will allow Department of Mental Health (DMH) to continue contracting with the providers to perform State-mandated clinical assessments countywide for seriously emotionally disturbed (SED) children and adolescents who are considered for State-mandated AB 3632 services and/or specialized foster home care due to the severity of their emotional and behavioral problems. The term of the current Agreements expires on June 30, 2009. In addition, upon Board approval the Director of Mental Health will have delegated authority to execute new Agreements with other qualified, licensed clinicians, as deemed necessary, in order to ensure sufficient clinical manpower to perform State-mandated AB 3632 and Specialized Foster Care (D-Rate) mental health assessments of SED children and adolescents.

Implementation of Strategic Plan Goals

The recommended Board actions support County Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

The estimated annual cost of these 48 agreements is \$1,640,000, or \$4,920,000 over the three-year term, funded by Individuals with Disabilities Education Act, Gross Early Periodic Screening, Diagnosis, and Treatment Medi-Cal, Intrafund Transfer with the Department of Children and Family Services (DCFS), Sales Tax Realignment, and Mental Health Services Act funds, which are included in the Department's Fiscal Year 2009-10 Proposed Budget. Funding for future fiscal years will be requested through DMH's annual budget process. There is no increase in net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH is responsible for ensuring the timely completion of State-mandated clinical assessments of special education pupils, pursuant to Chapter 26.5 CA Government Code AB 3632, and also for clinical assessments referred by DCFS for the D-Rate Program. These assessments are conducted countywide by qualified, privately licensed mental health clinicians.

Upon Board approval the Director of Mental Health will have delegated authority to renew the 48 Agreements that are due to expire on June 30, 2009, and will have delegated authority to execute new Agreements with other qualified, licensed clinicians who have specialized training and skills in completing all of the required evaluation

tools, and experience in evaluating children and adolescents and complying with State-mandated requirements.

Attachment I specifies the contract clinicians, Supervisorial Districts, services provided, and Agreement term. Attachment II is the Agreement, and Attachment III provides information regarding Contracting with Minority/Women-Owned Firms Percentage of Ownership in Firms Contracting with the County.

The attached Agreement format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions. DMH will administer the Agreements to ensure that the services requested under Clinical Assessment Programs are provided and that Agreement provisions and Departmental policies are being followed. The Agreement format includes five revised or mandated provisions: Performance Standards and Outcome Measures, Force Majeure, Attestation of Willingness to Consider GAIN/GROW Participants, Local Small Business Enterprise Preference Program, and Indemnification and Insurance Requirements.

CONTRACTING PROCESS

All of the 48 licensed, clinicians have existing agreements with DMH which will expire on June 30, 2009, and are being renewed because of the continuing need for their specialized services. DMH continuously accepts applications from qualified, licensed clinicians. Based on need, DMH selects individuals for their specialized clinical assessment skills and experience in evaluating children and adolescents for the AB 3632 and Specialized Foster Care (D-Rate) programs.

IMPACT ON CURRENT SERVICES

Renewal of these Agreements will allow current and future contractors to perform uninterrupted, accessible mental health assessments to determine service needs and the level of supervision of SED children and adolescents throughout Los Angeles County.

Respectfully submitted,

Robin Kay for

SERVICES AGREEMENT
FOR CLINICAL ASSESSMENT PROGRAMS

THIS AGREEMENT for the provision of clinical assessment services is made and entered into this _____ day of _____, 200__, by and between the County of Los Angeles on behalf of its Department of Mental Health (hereafter "COUNTY") and

(hereafter "CONTRACTOR").

Business Address:

WHEREAS, County desires to provide to those persons in Los Angeles County who qualify therefor certain mental health services contemplated and authorized by the Bronzan-McCorquodale Act, California Welfare and Institutions Code Section 5600 et seq.; and

WHEREAS, County's Department of Mental Health (hereafter "DMH") has determined that existing staff of DMH do not have sufficient manpower, that it is difficult to recruit personnel to perform the services hereunder, and that the services to be provided hereunder are professional and specialized; and

WHEREAS, the AB 3632 Program (Government Code Section 7570 et seq) is State-mandated and an entitlement for special education children under Federal law; and

WHEREAS, the responsibility for providing mental health services to seriously emotionally disturbed (SED) children in special education was transferred from schools to counties in the late 1980's; and

WHEREAS, the Clinical Assessment Programs are funded by Individual with Disabilities Education Act (IDEA) revenues, the Department of Children and Family Services (DCFS) monies, and Medi-Cal revenues and administered by DMH for the provision of clinical mental health assessments of seriously emotionally disturbed (SED) children and adolescents who are considered for State-mandated

AB 3632 services and/or specialized foster home care (D-Rate) due to the severity of their emotional and behavioral problems; and

WHEREAS, DMH has a need to engage the specialized services of licensed clinicians for the Clinical Assessment Programs--AB 3632 and Specialized Foster Care (D-Rate); and

WHEREAS, Contractor possesses the specialized skills, training and experience to complete clinical assessments to determine service needs and the level of supervision of these SED children and adolescents; and

WHEREAS, Contractor is qualified and licensed under the laws of the State of California to engage in the business of providing the services described herein; and

WHEREAS, pursuant to Section 31000 of the California Government Code, County is authorized to contract for these specialized services.

NOW, THEREFORE, County and Contractor agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the

County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.

- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no “wrong door”: wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps

achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment

- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment

determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to subcontractors of County Contractors.

28. **CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED**

PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit C as part of its obligation under this Paragraph.

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

29. **COUNTY LOBBYISTS:** Contractor and each County lobbyist or lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor of any County lobbyist or County lobbying firm retained by Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

30. **INDEPENDENT STATUS OF CONTRACTOR:** This Agreement is between County and Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant,

employee, partnership, joint venture, or association, as between County and Contractor. This Agreement constitutes the complete and exclusive statement of understanding between the parties which supersedes all previous Agreements, written or oral, and all other communications between the parties relating to the subject matter of this Agreement.

31. **DELEGATION AND ASSIGNMENT BY CONTRACTOR:**

A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by Contractor.

32. **SUBCONTRACTING:** No performance of this Agreement, or any portion thereof, shall be subcontracted by Contractor.

33. **LICENSES, PERMITS, REGISTRATIONS, ACCREDITATIONS, AND CERTIFICATES:**

A. Contractor shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations, accreditations, and certificates (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder), as required by all Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines, and directives, which are applicable to Contractor's facility(ies) and services under this Agreement. Contractor shall further ensure that all of its officers, employees, and agents, who perform services hereunder, shall obtain and maintain in effect during the term of this Agreement all licenses, permits, registrations, accreditations, and certificates which are applicable to their performance hereunder. A copy of each such license, permit, registration, accreditation, and certificate (including, but not limited to, certification as a Short-Doyle/Medi-Cal provider if Title XIX Short-Doyle/Medi-Cal services are provided hereunder) as required by all applicable Federal, State, and local laws, ordinances, rules, regulations, manuals, guidelines and directives shall be provided, in duplicate, to DMH's Contracts Development and Administration Division.

B. If Contractor is a participant in the Short-Doyle/Medi-Cal program, Contractor shall keep fully informed of all current Short-Doyle/Medi-Cal Policy Letters, including, but not limited to, procedures for maintaining Medi-Cal certification of all its facilities.

34. **COMPLIANCE WITH APPLICABLE LAW:**

A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Contractor shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Contractor agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Contractor, whether civil or criminal initiated against Contractor, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

35. GOVERNING LAW, JURISDICTION AND VENUE: This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. Further, this Agreement shall be governed by, and construed in accordance with, all laws, regulations, and contractual obligations of County under its agreement with the State.

36. CERTIFICATION OF DRUG-FREE WORK PLACE: Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing.

37. FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the

required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

38. **HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:**

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional requirements in regards to changes in DMH's IS.

(1) County desires to clarify IS terminology under this Agreement as it relates to HIPAA, and, accordingly, has set forth in Exhibit F (Crosswalk Fact Sheet) a "crosswalk" of technical terms, definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the DMH Provider Manual and which are incorporated herein by reference as though fully set forth.

(a) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the DMH Provider Manual an Electronic Data Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant transactions and requirements for these transactions.

(c) County has added to the DMH Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website www.dmh.co.la.ca.us related to the services under this Agreement and the parties' HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor's own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

39. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if

Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

40. **WARRANTY**: Contractor represents and warrants that its signatory to this Agreement is fully authorized to obligate the Contractor and that all acts necessary to the execution of this Agreement have performed.

41. **CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76)**: The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

42. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY**

SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

43. **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:** The Supervision of Trustees and

Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit F, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

44. **COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:** Notwithstanding

any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

45. **PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor shall comply

with all applicable Federal, State, and County policies and procedures relating to performance standards

and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

46. **LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM**: This contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the state and the Office of Affirmative Action Compliance (OAAC) of this information prior to responding to a solicitation or accepting a contract award.

47. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices. Addresses and persons to be notified may be changed by either party by giving 10 days prior written notice thereof to the other party.

CLINICAL ASSESSMENT PROGRAMS

STATEMENT OF WORK

Contractors who possess the specialized skills and experience, and who are trained to complete clinical assessments to 1) determine the service needs of "AB 3632" eligible children and adolescents as requested by school districts, and/or 2) evaluate and certify children and adolescents as "D-Rate" who are referred by DCFS, are requested by DMH to perform such clinical assessments within the perimeters described below.

AB 3632 CLINICAL ASSESSMENT PROGRAM

The AB 3632 Program is State-mandated (Government Code Section 7570 et seq.) and an entitlement for special education children under Federal law. The responsibility for providing mental health services to seriously emotionally disturbed (SED) children in special education was transferred from schools to counties in the late 1980's. Thus, DMH must comply with the State mandate to ensure the timely completion of clinical assessments countywide by licensed clinicians for this SED population.

RESPONSIBILITIES OF CONTRACTOR AND COUNTY

A. Contractor's Responsibilities:

1. Contractor shall gather information about the health and mental health needs of the Medi-Cal and non-Medi-Cal Special Education Pupils.
2. Contractor shall provide clinical mental health assessments in accordance with the requirements and mandates of DMH, AB 3632, and other applicable laws.
3. Contractor shall develop a written treatment plan and recommendations as indicated by the clinical and educational needs of the Special Education pupil.
4. Contractor shall provide written documentation of activities and time expended for DMH's Integrated System (IS) data collection and billing purposes.
5. Contractor shall contact designated school districts and parents of pupils referred to DMH for AB 3632 services.
6. Contractor shall complete all DMH requested and/or required paperwork and submit with the completed assessment according to the procedures and protocols developed by DMH. All assessments shall be written

according to DMH-approved format. **No invoices will be approved and submitted for payment unless this requirement is met.**

- a. Contractor shall complete each assessment within ten (10) hours. Any assessment requiring more than ten (10) hours for completion must have prior approval by DMH's AB 3632 Sector Coordinators based on documented specific needs.
 - b. Activity on unopened cases that does not result in completed assessments shall be limited to 30 minutes, unless there are extenuating circumstances approved by DMH.
 - c. All completed assessments shall be typed and submitted to DMH's Children's System of Care, AB 3632 Sector Coordinators within five (5) working days before the Individual Education Plan (IEP) or no later than 30 calendar days after assignment to Contractor by DMH, whichever comes first. Any exceptions must be authorized by DMH's AB 3632 Sector Coordinator prior to that date.
 - d. Generally, considerably less time is required for completing a reassessment. Therefore, unless there are clear, extenuating circumstances that have been approved by DMH, Contractor shall complete and return reassessments within 20 days of assignment.
7. Contractor's attendance at an IEP meeting is **required** if requested by any parent, school district, or County.
 8. Contractor shall submit all assessments and other documents described or referred to in this Agreement, on or before July 31 for assessment services provided between July 1 and June 30 each year.
 9. Contractor shall be responsible for providing all clerical and secretarial support and any office space required, other than on school premises, and for all other expenses, including, but not limited to, transportation, telephone, and supplies.
 10. Contractor shall solely perform all clinical activities and services. **No subcontracting shall be allowed**, pursuant to Paragraph 32 of the Agreement.

3. DMH shall provide Contractor with the name, age, location, and school of each pupil to be assessed, along with a packet of information.
4. DMH shall be available to Contractor for consultation, as needed, and shall provide consultation for all complex assessments.
5. DMH shall review Contractor's completed assessment as well as all County/DMH required documents for thoroughness, accuracy and appropriateness
6. DMH's AB 3632 Sector Coordinators shall supervise the assessment process. All assessments and recommendations shall be approved in writing by DMH's AB 3632 Sector Coordinators prior to final submission for payment to Contractor.
7. DMH's Children's System of Care shall be solely responsible for the implementation of all treatment recommendations.

SPECIALIZED FOSTER CARE (D-RATE) CLINICAL ASSESSMENT PROGRAM

The purpose of the Specialized Foster Care (D-Rate) Clinical Assessment Program is to provide a uniform method of evaluating and certifying children and adolescents who are referred by DCFS as "D-Rate". This D-Rate allows for a DCFS rate of payment that includes supplemental funds to foster parents for the additional responsibilities involved in caring for children and adolescents who are at high risk of requiring more

restrictive and higher cost placements due to the severity of their emotional and behavioral problems and recurrent dysfunctional patterns.

RESPONSIBILITIES OF CONTRACTOR AND COUNTY

B. Contractor's Responsibilities:

1. Gather information about the health and mental health needs of the Medi-Cal and non-Medi-Cal Foster Care child referred by DCFS, by reviewing documentation provided by the County and by contacting the County placement worker to complete the protocol.
2. Contact the foster parent(s) to set up the appointment and then travel to the homes of caregivers to conduct face-to-face interviews with the foster child/children and foster parent(s), unless DCFS has pre-authorized the assessment being conducted elsewhere.
3. Complete clinical mental health assessments in accordance with the protocols and requirements of DMH for the purpose of determining the service and supervision needs of the children.
 - a. Contractor shall complete each assessment for a specialized foster home designated child within seven (7) hours. Any assessment for a specialized foster home child requiring more than seven (7) hours for completion must have prior approval by DMH's Countywide Case Management designated manager based on documented specific needs.

 - c. Contractor shall complete all DMH requested and/or required paperwork and submit with the completed assessment. **No invoices will be approved and submitted for payment unless this requirement is met.**
 - d. Contractor shall attend quarterly D-Rate assessor's meetings held at the DMH headquarters for training and updates on necessary information to complete clinical assessments on specialized foster home children.

4. Provide written documentation of activities and time expended for DMH's Integrated System (IS) data collection and billing purposes.
5. Perform solely all clinical activities and services. **No subcontracting shall be allowed**, pursuant to Paragraph 32 of the Agreement.
6. Provide the following documents to DMH, in accordance with Paragraphs 19 and 33 of the Agreement:
 - a. Current curriculum vitae.
 - b. Certification of all educational credentials.
 - c. Copy of all current clinical licenses issued by the State of California.
 - d. Proof of insurance coverage.
7. Provide all clerical and secretarial support and any office space required, other than space for interviewing foster families and children arranged by the County, and for all other expenses, including, but not limited to, transportation, telephone, and supplies.

C. County's Responsibilities:

1. DMH shall provide a scheduled orientation and training, at no cost to Contractor, prior to Contractor receiving assignments from DMH. Additional training will be provided as needed.
2. DMH shall assign assessment requests based on volume and location of referrals received from DCFS.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows a parent or other person who is unable or unwilling to care for a baby to legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the ankle placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Angeles

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega voluntaria de un recién nacido a los padres de sus padres u otros familiares con custodia legal. Si usted es cualquier persona a quien los padres le hayan dado permiso de tener al bebé, usted también puede recibirlo. Esto incluye a las personas que cuidan a los niños en su hogar, como los familiares, amigos, vecinos y otros. Usted puede entregar al bebé en cualquier momento de su vida, desde el momento de su nacimiento hasta el momento de su muerte.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dijo a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
