EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO RENEW THE STATE OF CALIFORNIA – DEPARTMENT OF  
REHABILITATION COOPERATIVE AGREEMENT  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Request approval to renew the Cooperative Agreement with the State of California – Department of Rehabilitation which will enable nine Legal Entity contract providers and 17 directly operated adult mental health clinics to continue providing vocational and employment services.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and authorize the Director of Mental Health, or his designee, to sign and execute four original copies of the Cooperative Agreement Number 27326, (Cooperative Agreement), with the State of California – Department of Rehabilitation (State DOR), substantially similar to Attachment I, for Fiscal Years (FYs) 2009-10, 2010-11, and 2011-12. This Cooperative Agreement allows for the provision of vocational and employment services to the County's mentally ill clients by the nine Legal Entity (LE) contract providers and 17 directly operated adult mental health clinics listed in Attachment II. Under the Cooperative Agreement, the Department of Mental Health (DMH) will contribute \$650,181 of County General Funds (CGF), \$248,008 of Mental Health Services Act (MHSA) funds, and \$226,809 of staff certified time for a total of \$1,124,998, combined with \$3,999,088 of federal funds that are administered by State DOR, for a total annual program amount of \$5,124,086.

*"To Enrich Lives Through Effective And Caring Service"*

2. Adopt the Resolution and instruct the Chairman of your Board and the Executive Officer, Board of Supervisors, to certify and sign two Resolutions (Attachments III and IV).
3. Delegate authority to the Director of Mental Health, or his designee, to sign future amendments or modifications to the Cooperative Agreement to incorporate changes released by the State DOR provided that: 1) approval of the Chief Executive Office (CEO) and County Counsel, or designees, is obtained prior to amendments or modifications, and 2) the Director of Mental Health provides written notification to your Board within 30 days after the execution of amendments or modifications.
4. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments or modifications with the nine existing LE contractor providers listed in Attachment II, and establish as a new Maximum Contract Amount (MCA) the aggregate of the original agreements and all amendments provided that: 1) the County's total payments to each Contractor under Agreement for each fiscal year will not exceed an increase of twenty percent (20%) from the applicable MCA; 2) any such increase will be used to provide additional services or to reflect program changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of the CEO and County Counsel, or designees, is obtained prior to such amendment; 5) the parties may, by written amendment, mutually agree to reduce programs or services without reference to the twenty percent (20%) limitation; and 6) the Director of Mental Health notifies your Board of any changes, in writing, within 30 days after execution of any amendment.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

The State DOR Cooperative Agreement provides funding for administrative oversight of the Cooperative Agreement and for vocational and employment services to DMH clients that are provided by nine LE contractors and 17 DMH directly operated clinics. The services provided include vocational assessments, funds for transportation, clothing and uniforms, job-related tools and equipment, training, job placement and other supportive services that assist clients to obtain and maintain employment.

The current Cooperative Agreement with the State DOR will expire on June 30, 2009. Board approval of the recommended actions will ensure continuation of vocational and employment services to DMH clients.

### **Implementation of Strategic Plan Goal**

The recommended actions are consistent with County Strategic Plan Goal 1, Operational Effectiveness, Goal 2, Children, Family and Adult Well-Being, and Goal 4, Health and Mental Health.

### **FISCAL IMPACT/FINANCING**

DMH is required under the Cooperative Agreement to contribute funds in order for State DOR to access federal vocational rehabilitation dollars. DMH can meet its share through either cash or non-cash certified staff time. The monetary value of certified time is based on staff salaries for time spent to administer the Agreement and provide liaison services. DMH's contribution for FYs 2009-10, 2010-11, and 2011-12 is a combination of funds from LE providers' MCA, DMH CGF, and non-cash certified time commitments.

The nine LE contractors have agreed to decrease the MCA in their LE agreements with DMH and correspondingly increase the respective CGF and MHSA match contributions for them under the agreement with the State DOR, which uses these funds and the related federal dollars to fund case service agreements between the LE contract providers and State DOR (Attachment V). Case service agreements are agreements between the State DOR and LE contract providers that enable the providers to be reimbursed through the State DOR.

The Cooperative Agreement for FYs 2009-10, 2010-11, and 2011-12 is funded by \$248,008 in MHSA funds and \$585,759 of CGF reduced from the LEs' MCA (Attachment V). The \$833,767 sum of reduced LE CGF and MHSA is combined with \$226,809 of non-cash certified time commitments and \$64,422 of DMH CGF not reduced from LE MCAs (a total CGF contribution of \$650,181) for a total of \$1,124,998. The \$1,124,998 total will be used to match \$3,999,088 in federal funds that are administered by the State DOR for an annual program total of \$5,124,086 for FYs 2009-10, 2010-11, and 2011-12, as detailed in Attachment VI. The total annual program cost of \$5,124,086 is fully funded with CGF, MHSA, federal funds administered by State DOR, and non-cash certified time commitments, and is included in DMH's FY 2009-10 Proposed Budget. Funding for FYs 2010-11 and 2011-12 will be requested as part of DMH's annual budget process. There is no increase in net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

DMH has participated in a Cooperative Agreement with State DOR since 1991 to provide vocational and employment services for individuals who have a mental illness. These services include vocational assessments provided by DMH directly operated

clinics and LE contract providers. The LE contract providers also assist clients with obtaining and maintaining employment. During FY 2007-08, approximately 2,400 clients were served through the Cooperative Agreement Program.

The Cooperative Agreement expressly provides that the County has no obligation to pay for expenditures beyond the contract amount. This is a cost reimbursement contract whereby State DOR pays LE contract providers directly. The LE contract providers submit invoices to DOR reflecting actual costs for providing services. The Cooperative Agreement specifies the services to be provided and the funding amounts to be reimbursed for the services.

The key terms and conditions of the Cooperative Agreement have been reviewed and approved by County Counsel. The CEO has reviewed the proposed actions. DMH will administer the Cooperative Agreement to ensure that vocational and employment services are provided and that the Cooperative Agreement provisions and Departmental policies are followed.

#### **CONTRACTING PROCESS**

Federal and State law allows for DMH and State DOR to enter into the Cooperative Agreement to provide services as designated without requiring the use of a solicitation or bidding process. Agencies interested in entering into a Cooperative Agreement were invited by State DOR to submit proposals for consideration.

#### **IMPACT ON CURRENT SERVICES**

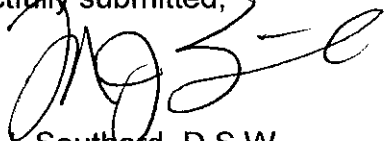

Board approval of the recommended actions will allow continuation of provision of vocational and employment services to clients without interruption by DMH's directly operated and LE contract providers throughout the County of Los Angeles. These services will continue to ensure that clients receive the necessary support to obtain and maintain employment which is critical to their recovery and independence.

The Honorable Board of Supervisors  
June 16, 2009

**CONCLUSION**

DMH will need the original executed Resolutions. It is requested that the Executive Officer, Board of Supervisors, notify DMH's Contracts Development and Administration Division, at (213) 738-4684 when these documents are available.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'MJS-e', is written over the text 'Respectfully submitted,'.

**COOPERATIVE AGREEMENT  
BETWEEN  
THE STATE OF CALIFORNIA  
DEPARTMENT OF REHABILITATION  
AND THE  
LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH**

**SCOPE OF WORK**

**I. INTRODUCTION**

The Los Angeles County Department of Mental Health (LACDMH) and the California State Department of Rehabilitation (DOR) will combine both staff and financial resources to provide an integrated program of vocational rehabilitation services for individuals with severe psychiatric disabilities (hereinafter referred to as consumers) who are mutually served by LACDMH and DOR and who reside in Los Angeles County.

DOR services will be provided by the following Districts: Van Nuys/ Foothill, Greater Los Angeles (GLAD), LA South Bay, and Orange/ San Gabriel.

The County operated clinics and the local DOR staff will work collaboratively to provide services to mutual consumers. Because local relationships vary from clinic to clinic, each local collaborative partnership may be formalized by a written Memorandum of Understanding (MOU). These MOUs will identify local clinic and DOR staff positions to work collaboratively in this process. The MOUs will also outline how each local collaborative partnership will deliver services. This will include a description of the outreach and referral process, assessment, eligibility, Individualized Plan for Employment (IPE) development, IPE progress and monitoring, employment services, education supports, and expected outcomes.

Administrative support to the Cooperative program and the associated MOUs and case service contracts will be provided by the administrative staff of the LACDMH. Administrative Support will be provided and accounted for in Certified Time.

Liaison support will be provided by various staff within the county-operated clinics and will be provided consistent with the MOU in place between each

clinic and the local DOR district. This will also be counted as certified time. Cooperative Liaison staff will serve as a conduit for information between the local clinic staff and the local DOR district staff, and serve as the clinic representative in Cooperative program meetings and staffings with the local DOR liaison staff. Staff will also facilitate the provision of county mental health records to the DOR counselor to aid in the DOR consumers eligibility determination and level of severity of disability for DOR services.

Ten (10) community-based case service contractors will provide consumers with vocational assessment, work adjustment, personal vocational and social adjustment, occupational skills training and employment services. Three (3) of these programs are for transitional youth (ages 15-21). Included also will be the availability of services to those individuals whose primary language is other than English, e.g. Spanish, Vietnamese, Korean, and Chinese.

The four DOR Districts' staffs will collaborate with their counterparts from the local LACDMH County operated clinics and the case service contractors to identify, assess, place and support program consumers. Representatives from these agencies will work collaboratively including meeting regularly to discuss the program's progress and to staff cases. Staffs of both agencies will participate in cross training and in-service training programs for the purpose of increasing their capacity to work together and with consumers served by this cooperative effort.

## EXHIBIT B

### BUDGET DETAIL AND PAYMENT PROVISIONS

1. It is mutually understood between the parties that this contract may have been written before ascertaining the availability of congressional appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays which would occur if the contract were executed after that determination was made.
2. It is mutually agreed that if sufficient funds are not made available to the State by the United States Government for the current year and/or any subsequent years covered under this Agreement, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provision of this Agreement. In addition, this contract is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress, which may affect the provisions, terms, or funding of this contract in any manner.
3. It is mutually agreed that if the Congress does not appropriate sufficient funds for the program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount. In the event Congress does not appropriate sufficient funds for the program, this contract shall be amended to reflect any reduction in funds.
4. There are no oral understandings or agreements that are binding and incorporated in this contract. See GTC 307 for contract amendment requirements.
5. Either party has the option to void the contract under the 30-day cancellation clause or to amend the contract to reflect any reduction of funds.
6. Costs exceeding approved line item budgets within a budget category are allowed provided the exceeded dollar amount does not affect the scope of work, does not result in exceeding the budgeted category amount, and is necessary for the provision of services to DOR consumers. However, a budget revision or contract amendment must be submitted if budget line-item descriptions, budget categories, deletions or additions of budget changes shall occur.
7. Expenditures cannot be incurred that will exceed the total budget category amount. To move funds from one budget category to another requires a budget revision. Changes in budget category amounts shall not result in an increase of the total contract amount. Any alterations or variations to the contract must be contained in a written contract budget revision approved by State's Contract Office or written contract amendment, approved by the Department of General Services.
8. The Contractor is responsible for monitoring the percentage of time/number of hours devoted by staff on the contract for overall consistency with the contract terms.
9. Prompt Payment. The State of California is obligated to promptly pay all invoices; however, invoices must be properly submitted for prompt processing and payment. Under certain conditions, the State is required to pay vendors a late payment if a correct invoice for

services/goods is not paid within 45 calendar days. The vendor does not have to request the late payment. The State will determine and send any late payment to the vendor.

10. Payment of Expenditures (If applicable)

By signing this contract, Contractor certifies under penalty of perjury that the **Service Budget (DOR 801A)** does not contain line items that are, or will be, during the period covered by this contract reimbursed/paid by another source of funding.

This is a cost reimbursement contract. State will pay the Contractor as invoiced monthly or quarterly as specified in Exhibit E for Contractor's actual allowable costs to provide the services identified in the Scope of Work, in accordance with the Service Budget (DOR 801A) and Narrative, and applicable Federal regulations and OMB circulars. For each fiscal year, total funds to be paid shall not exceed the amount specified in the "Service Budget" for that fiscal year. Unexpended funds for a fiscal year shall not be carried over to another fiscal year.

Contract expenditures reimbursed by DOR must be reported as federal funds in the contractor's accounting records and on the Schedule of Federal Awards under the CFDA# 84.126 prepared for the OMB A-133 Single Audit.

11. Certified Expenditure (If applicable)

Contractor shall certify to the State, on a monthly or quarterly basis as specified in Exhibit E, the Contractor's allowable costs to provide the cooperative program services identified in the Scope of Work, in accordance with the Cooperative Agency Certified Expenditure Budget Summary and Narrative, and applicable Federal regulations and OMB circulars. All such expenditures shall be under the administrative supervision of State and no portion of the certified expenditures shall come from Federal funds. The State shall not be obligated to pay the Contractor for any contributions made by the Contractor in accordance with the Cooperative Agency Certified Expenditure Budget Summary.

The total Cooperative Agency certified expenditure share will be matched to Federal funds at no less than 25%, as indicated on the DOR Program Budget Summary.

If the value of the certified expenditures by the Contractor is below 25% of the actual total program cost, the Service Budget (DR801A) may be reduced after review by the DOR Contract Administrator. State will not pay the Contractor for actual costs claimed on the DOR801B Service Invoice until the certified expenditure summary for the same period has been submitted.

The Contractor contributions, including any in excess of the amount specified in the "Cooperative Agency Certified Expenditure Budget Summary" will be used by State to obtain Federal funds under Section 110 of the Rehabilitation Act of 1973, as amended. Federal funds obtained in excess of the "Total Program Cost" as identified on the "DOR Program Budget Summary" shall accrue to the State.

12. Cash Match (If applicable)

Each fiscal year, Contractor will pay to State, no less than quarterly, in advance, upon receipt of an invoice from State, all those cash matching funds which are identified within the Program Budget Summary for that fiscal year. State shall not be obligated to pay the Contractor for any contributions made by the Contractor in accordance with the approved budget, it being

understood that all matching funds obtained by State from Contractor shall be exclusive funds of the State and no portion of the cash match shall come from Federal funds.

The total Cooperative Agency cash share will be matched to Federal funds at no less than 21.3% as indicated on the "DOR Program Budget Summary".

13. Indirect Costs (If applicable)

Indirect costs are allowable costs incurred by an organization which support the activities of a program or contract, but are not directly assigned to the specific program or contract and are allocated to the program or contract using a method in compliance with Office of Management and Budget (OMB) circulars. The allocation method must be fully explained in the contract budget narrative and must be supported by actual costs/expenditures. The allocation of indirect costs cannot be based on an arbitrary fixed rate. Where an estimated percentage rate is used when the contract is written, the actual rate must be used to bill for indirect costs/administrative overhead; however, the actual rate cannot exceed the contracted budget percentage rate. If the actual rate exceeds the budgeted rate, then a budget revision or amendment is required prior to billing the actual rate. Documentation to support the allocation rate/method must be maintained by the Contractor and is subject to review by the Department of Rehabilitation, State Auditors, Federal Department of Education auditors, or their designated representatives.
