SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**AUTHORIZATION TO RENEW AFFILIATION AGREEMENTS FOR
STUDENT PROFESSIONAL DEVELOPMENT PROGRAMS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to renew Affiliation Agreements for Student Professional Development Programs with various educational institutions and Cedars-Sinai Medical Center to provide students with specialized training and clinical experience in dealing with dually diagnosed, severely, and persistently mentally ill and acutely ill populations, and authorization to enter into new agreements with qualified universities/educational institutions.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the Director of the Department of Mental Health, or his designee, to prepare, sign, and execute the renewal of Affiliation Agreements, substantially similar to Attachment A-1, for Student Professional Development Programs (SPDP) with 15 educational institutions as listed on Attachment A-2, and one Affiliation Agreement with Cedars-Sinai Medical Center, substantially similar to Attachment A-3, for Fiscal Years 2009-10, 2010-11, and 2011-12 with two one-year renewal options. The Affiliation Agreements do not have financial obligations or Maximum Contract Amounts (MCA).
2. Authorize the Director of Mental Health, or his designee, to enter into future new Affiliation Agreements for SPDP's with qualified universities/educational

institutions, and to execute future amendments to all Agreements provided that: 1) approval of County Counsel and the Chief Executive Officer (CEO), or their designee, is obtained prior to any such Agreement; 2) any revisions shall be used to provide additional services or to reflect program and/or policy changes; and 3) the Director of Mental Health shall notify the Board of Supervisors in writing within 30 days after execution of each Agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is requested to renew all Affiliation Agreements that will expire June 30, 2009. The SPDP provides specialized training and clinical experience to students in the fields of nursing, occupational therapy, psychiatric technician, psychology, public administration, social work, marriage and family therapy and vocational rehabilitation. Continuation of this training provides a mutual benefit to DMH and the students, whereby the student interns receive DMH directly supervised training and clinical experience at County facilities, and DMH benefits by this additional workforce for the provision of services, which also serves as a potential recruitment pool for DMH.

The Cedars-Sinai Medical Center Agreement provides a professional training program for the education of medical residents to obtain clinical experience in community mental health care at County facilities.

Implementation of Strategic Plan Goals

The recommended actions are consistent with County Strategic Plan Goal 2, Children, Family, and Adult Well-Being, and Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

There is no net County cost.

There are no financial obligations or MCAs for Affiliations. Supervised training is provided by DMH staff.

FACTS AND PROVISIONAL/LEGAL REQUIREMENTS

Renewal of the 15 SPDP Agreements and one Affiliation Agreement with Cedars-Sinai Medical Center will provide students professional training in specialized programs and clinical experience in community mental health working with dually diagnosed, severely, and persistently mentally ill and acutely ill populations through these service providers. The Agreement formats have been approved as to form by County Counsel. The CEO

The Honorable Board of Supervisors

has reviewed the proposed actions. Clinical and administrative staff of DMH will continue to supervise and administer agreements, evaluate programs to ensure that quality services are provided to clients, and ensure that Agreement provisions and departmental policies are followed.

Attachment A-2 provides information regarding educational institutions, Supervisorial Districts, and Agreement terms.

IMPACT ON CURRENT SERVICES

Renewal of these agreements will continue the specialized training of students in the fields of nursing, occupational therapy, psychiatric technician, psychology, public administration, social work, marriage and family therapy, and vocational rehabilitation at County mental health facilities and Cedars-Sinai Medical Center.

Respectfully submitted,

Marvin J. Southard, D.S.W.

NOW, THEREFORE, CONTRACTOR/UNIVERSITY and COUNTY agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the county Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles

County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.

- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers

- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

8.2 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers (collectively County and its Agents) shall be provided additional insured status under Contractor's General Liability policy with respect to liability arising out of Contractor's ongoing and completed operations performed on behalf of the County. 8.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

STUDENT AGREEMENTS: CONTRACTOR/UNIVERSITY may require its students to execute the Agreement Regarding Participation in Affiliated Training Program attached hereto as EXHIBIT C, or any similar agreement, and a volunteer package provided by the Training and Cultural Competency Bureau as a condition for participation.

16. AUTHORIZATION WARRANTY: CONTRACTOR/UNIVERSITY represents and warrants that the person executing this Agreement on its behalf is an authorized agent who has actual authority to bind CONTRACTOR/UNIVERSITY to each and every term, condition, and obligation of this Agreement and that all

requirements of CONTRACTOR/UNIVERSITY have been fulfilled to provide such actual authority.

17. CONTRACTOR/UNIVERSITY RESPONSIBILITY AND DEBARMENT:

A. A responsible Contractor/University is a Contractor/University who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible Contractors/Universities.

B. The Contractor/University is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor/University on this or other Agreements which indicates that the Contractor/University is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor/University from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor/University may have with the County.

C. The County may debar a Contractor/University if the Board of Supervisors finds, in its discretion, that the Contractor/University has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor/University's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor/University may be subject to debarment, the Department will notify the Contractor/University in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor/University of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor/University and/or the Contractor/University's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall

prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor/University should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor/University and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor/University has been debarred for a period longer than five years, that Contractor/University may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor/University has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors

shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to subcontractors of County Contractors.

18. CONTRACTOR'S/UNIVERSITY'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

Contractor/University hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor/University will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor/University or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor/University or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be

excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor/University shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor/University or its staff members from such participation in a Federally funded health care program. Contractor/University shall provide the certification set forth in Exhibit E as part of its obligation under this Paragraph 18.

Failure by Contractor/University to meet the requirements of this Paragraph 18 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

19. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor/University shall notify and provide to its employees, who are involved in otherwise related to the subject matter of this Agreement and shall require each subcontractor/University to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in EXHIBIT D of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

20. CONTRACTOR'S/UNIVERSITY'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor/University acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor/University understands that it is the COUNTY's policy to encourage all COUNTY Contractor/University's to voluntarily post the COUNTY's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor/University's place of business. The Contractor/University will also encourage its sub-agencies, if any, to post this poster in a prominent position in the sub-agencies place of business. The COUNTY's Department of Children and Family Services will supply the Contractor/University with the poster to be used.

21. DELEGATION AND ASSIGNMENT BY CONTRACTOR/UNIVERSITY:

A. Contractor/University shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims which

Contractor/University may have against County.

B. Shareholders, partners, members, or other equity holders of Contractor/University may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor/University to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.

C. Any assumption, assignment, delegation, or takeover of any of the Contractor/University's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor/University, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor/University as it could pursue in the event of default by Contractor/University.

22. COUNTY'S OBLIGATION FOR CURRENT AND FUTURE FISCAL YEARS:

Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for Contractor/University's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last Fiscal Year for which funds were appropriated.

23. CONTRACTOR/UNIVERSITY'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors/University to complete the certification in Exhibit F, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with

California law in order to protect the County and its taxpayers. A Contractor/University which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

24. ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Administrative Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Administrative Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

25. COMPLIANCE WITH APPLICABLE LAW:

A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. Contractor shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: Contractor agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to Contractor, whether civil or criminal initiated against Contractor, its officers, employees, or agents which are likely to have a

material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

26. PERFORMANCE STANDARDS AND OUTCOME MEASURES: The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g., AB 2034 grant) at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

27. FORCE MAJEURE: Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

28. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be hand-delivered with signed receipt or mailed by first-class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by COUNTY under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten days prior written notice thereof to the other party.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

www.babysafela.org

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

- D. To the extent applicable and appropriate, Medical Center and DMH intend for their relationship under this Agreement to comply with the Medicare program's rules and standards for Graduate Medical Education ("GME") reimbursement with respect to Affiliated Groups, Affiliation Agreements and Shared Rotational Arrangements, for purposes of applying full-time equivalent ("FTE") resident limits on an aggregate basis for shared Program Residents, and making temporary adjustments to FTE limits (subject to averaging rules) based on Program Resident additions/subtractions, under a cross-training/shared rotational arrangement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions hereinafter contained, the parties hereto hereby agree as follows:

TERM AND TERMINATION

2.01 TERM: This Agreement shall commence on _____ (Term), unless sooner terminated as provided herein. The parties may, by written amendment, extend the period of this Agreement on an annual basis for three additional one-year periods.

2.02 TERMINATION: This Agreement may be terminated by either party (a) without cause by delivery to the other party of ninety (90) days' prior written notice, or (b) with cause by delivery to the other party of thirty (30) days prior written notice to the other party as required by Section 9.33.

Any termination of this Agreement by DMH shall be approved by County's Board of Supervisors.

2.03 TERMINATION DUE TO FORCE MAJEURE: This Agreement may also be terminated at any time in the event of any occurrence beyond the control of either party (e.g., force majeure, as described under Section 9.20 below) which makes it impractical or unreasonable for either party to continue to abide by the terms and conditions of this Agreement. If such event occurs, the party wishing to terminate this Agreement shall do so by giving written notice to the other party of its election and such termination shall be immediately effective.

2.04 TERMINATION DUE TO BREACH: This Agreement may also be terminated at any time for any material breach of this Agreement, including, without limitation: (i) in the event either party fails to maintain its accreditation with the ACGME; (ii) in the event either party fails to maintain any essential accreditation, license or permit required by law for the provision of services under this agreement; (iii) upon any material modification to either party's existing insurance coverage which in any way limits the scope or nature of such coverage; or (iv) in the event of a risk to patient health or safety, or to the reputation of either party, as determined by either party in their sole and absolute discretion. If such event occurs, the party wishing to terminate this Agreement shall do so by giving written notice to the other party and such termination shall be effective immediately.

2.05 IMMEDIATE TERMINATION BY COUNTY: This Agreement may be terminated by DMH immediately:

(a) If DMH determines that:

(1) Any Federal, State, and/or County funds are not available for this Agreement or any portion thereof; or

- (2) Medical Center has failed to initiate delivery of services within 30 days of the commencement date of this Agreement; or
- (3) Medical Center has failed to comply with any portion of the provision of Sections 7 (INDEMNIFICATION), 8 (INSURANCE), 9.06 (NONDISCRIMINATION IN EMPLOYMENT), 9.07 (WARRANTY AGAINST CONTINGENT FEES), 9.08 (CONFLICT OF INTEREST), 9.11 (DELEGATION AND ASSIGNMENT), 9.13 (SUBCONTRACTING), 9.26 (CERTIFICATION OF DRUG-FREE WORK PLACE), 9.27 (CHILD SUPPORT COMPLIANCE PROGRAM), 9.29 (COUNTY LOBBYISTS), and/or 9.35 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM).

In the event of such termination, DMH shall be entitled to pursue the same remedies against Medical Center as it could pursue in the event of default by the Medical Center.

Medical Center shall immediately report any attempt by a DMH officer or employee to solicit such improper consideration. The report shall be made either to the DMH manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper considerations may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

covenant, condition or provision of this Agreement shall jeopardize either parties' (i) licensure, (ii) participation in Medi-Cal, Medicare or other government/commercial health care reimbursement or payment programs, (iii) full accreditation by the Joint Commission on Accreditation of Healthcare Organizations ("JCAHO" or "Joint Commission"), ACGME, or any other state or nationally recognized accreditation organization, (iv) tax-exempt status, or if for any other reason said performance should be in violation of any law, statute, regulation, ordinance, or otherwise be deemed illegal, or unethical by any recognized body, either party hereto may terminate this Agreement upon written notice to the other party setting forth the reason for such termination and such termination shall be effective immediately.

10.16 THIRD PARTY BENEFICIARIES: Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person or entity shall acquire any rights as a third party beneficiary of this Agreement.

10.17 CAPTION AND PARAGRAPH HEADINGS: Captions and paragraph headings used in this agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

10.18 LICENSES, PERMITS, REGISTRATIONS AND CERTIFICATES: Each party shall obtain and maintain during the term of this Agreement all appropriate licenses, permits, registrations and certificates as required by law for the provision of their respective services hereunder. Copies of all

such licenses, permits, registrations and certifications as required by law shall be made available to DMH or Medical Center, respectively, upon request.

10.19 SEVERABILITY: If any part of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions and the application of such provision to other persons or circumstances shall not be affected thereby and will continue in full force and effect.

10.20 ALTERATION OF TERMS: No addition to, or alteration of, the terms of the body of this Agreement, or Statement of Work or Fee Schedule hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Administrative Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Administrative Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

10.21 INTERPRETATION: Ambiguities, if any, in this Agreement shall be reasonably construed in accordance with all relevant circumstances including, without limitation, prevailing practices in the industry of the parties in the place where the Agreement is to be performed and shall not be construed against either party, irrespective of which party may be deemed to have authored the ambiguous provision.

10.22 FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

- B. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

10.23 CONFLICT OF TERMS: In the event of a conflict between the terms and conditions of the body of the Agreement and the terms and conditions of any of the Exhibits or any other documents related to this Agreement, the terms and conditions contained in the body of the Agreement shall control.

10.24 ENTIRE AGREEMENT: The body of this Agreement and the Exhibit(s) attached hereto and incorporated herein by reference, constitute and are intended to constitute the final, entire, complete and exclusive agreement between the parties hereto pertaining to the subject matter thereof. This Agreement and the Exhibit(s) hereto expressly supersede any and all prior written and oral agreements and understandings between the parties hereto with respect to the subject matter hereof. Without limiting the generality of the foregoing, the terms and provisions of this Agreement and the Exhibit(s) hereto are intended by the parties hereto as a final expression of their agreement with respect to the said terms and provisions and the subject matter hereof, and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement.

10.25 WAIVER: No provision of this Agreement may be waived, changed, modified, or the termination or discharge thereof agreed to except by the mutual written agreement of Medical Center and DMH. The failure of either party to enforce at any time any of the provisions contained herein shall not be construed to be a waiver of the right of such party thereafter to enforce such provisions.

10.26 EMPLOYMENT ELIGIBILITY VERIFICATION: Medical Center warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing

services hereunder meet the citizenship or alien status requirement set forth in Federal statutes and regulations. Medical Center shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Medical Center shall retain all such documentation for the period prescribed by law. Medical Center shall indemnify, defend, and hold harmless DMH, its officers and employees from and against any employer sanctions and any other liability which may be assessed against Medical Center or DMH in connection with any alleged violation of any Federal statutes or regulations pertaining to the eligibility for employment or persons performing services under this Agreement.

10.27 AUTHORIZATION WARRANTY: Each party executing this Agreement hereby represents and warrants that the persons executing this Agreement for Medical Center and DMH have full authority to enter into this Agreement and to bind the party upon whose behalf such individual has executed this Agreement.

10.28 CERTIFICATION OF DRUG-FREE WORK PLACE: Medical Center certifies and agrees that Medical Center and Program Residents shall comply with DMH's policy of maintaining a drug-free work place. Program Residents shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at Facility. If any Program Resident is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at Facility, then Medical Center, within five days thereafter, shall notify Director in writing.

10.29 COUNTY LOBBYISTS: Medical Center and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Medical Center, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Medical Center or any County lobbyist or County lobbying firm retained by Medical Center to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which DMH may immediately terminate or suspend this Agreement.

10.30 CHILD SUPPORT COMPLIANCE PROGRAM:

- (a) Medical Center's Acknowledgement of County's Commitment to Child Support Enforcement: The Medical Center acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Medical Center

understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "LA's Most Wanted: Delinquent Parents" poster in a prominent position at the Medical Center's place of business. The County's Child Support Services Department will supply the Medical Center with the posters to be used.

(b) Medical Center's Warranty of Adherence To County's Child Support Compliance Program:

(1) The Medical Center acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

(2) As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the Medical Center's duty under this Agreement to comply with all applicable provisions of law, the Medical Center warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required for the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earning Withholding Orders or Child Support Services Department Notice of Wage and Earning Assignment for Child or Spousal Support, pursuant to code of Civil Procedures Section 706.031 and Family Code Section 5246(b).

10.31 NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Medical Center shall notify its employees, and shall require each subcontractor used to perform services pursuant to this Agreement to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

10.32 USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste

deposited at the County landfills, the Medical Center agrees to use recycled content paper to the maximum extent possible on the Project.

10.33 CONTRACTOR RESPONSIBILITY AND DEBARMENT:

- (a) A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
- (b) The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.
- (c) The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- (d) If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- (e) The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The

Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

- (f) After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.
- (g) If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.
- (h) The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor

Hearing Board pursuant to the same procedures as for a debarment hearing.

- (i) The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- (j) These terms shall also apply to subcontractors of County Contractors.

10.34 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

10.35 CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Medical Center hereby warrants that neither it nor its staff is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that contractor will notify Director within thirty (30) calendar days in writing of: (1) any event that would require Medical Center or a staff member's mandatory exclusion from participation in a federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government

against Medical Center or one or more staff members barring it or its staff members from participation in a Federally funded health care program, whether such barring is direct or indirect, or whether such barring is whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the OIG has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by Federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Medical Center shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Medical Center or staff members from such participation in a Federally funded health care program. Medical Center shall provide the certification set forth in Exhibit C as part of its obligation under this Section 9.35.

Failure by Medical Center to meet the requirement of this Section 9.35 shall constitute a material breach of Agreement upon which DMH may immediately terminate or suspend this Agreement.

10.36 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT: The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPPA"). Medical Center understands and agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the

confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respects to HIPAA, and that such obligations relate to transactions and code sets, privacy, and security. Medical Center understands and agrees that it is separately and independently responsible for the compliance with HIPAA in all these areas and that DMH has not undertaken any responsibility for compliance on Medical Center's behalf. Medical Center has not relied, and will not in any way rely, on DMH for legal advice or other representations with respect to Medical Center's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Medical Center and DMH understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

It is expressly understood and agreed, by both parties, that Program Residents will be HIPAA trained by Medical Center prior to commencement of residency at facility.

10.37 COMPLIANCE WITH JURY DUTY SERVICE PROGRAM:

- (a) JURY SERVICE PROGRAM: This Agreement is subject to the provision of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.
- (b) WRITTEN EMPLOYEE JURY SERVICE POLICY:
 - (1) Unless Medical Center has demonstrated to the County's satisfaction either that Medical Center is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Medical Center

qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Medical Center shall have and adhere to a written policy that provides that its employees shall receive from the Medical Center, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Medical Center or that the Medical Center deduct from the employee's regular pay the fees received for jury service.

- (2) For purpose of this Section, "Contractor" means person, partnership, corporation or other entity which has an Agreement with the County, or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term temporary services of 90 days or less within a 12-month period are not considered full-time for purpose of the Jury Service Program. If Contractor uses any subcontractor to perform services for the county under the Agreement, the subcontractor shall also be subject to the provisions on this Section. The provision of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.
- (3) If Contractor is not required to comply with the Jury Service program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability

of its "exception status" from Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside the Jury Service Program's definition of "Contractor" and/or Contractor continues to qualify for an exception to the Program.

- (4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

10.38 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Medical Center shall notify and provide to its employees, and shall require each subcontractor used to perform services pursuant to this Agreement to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment II of this Agreement and is also available on the internet at www.babysafela.org for printing purposes.

- 10.39 **MEDICAL CENTER'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:** The Medical Center acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Medical Center understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Medical Center with the posters to be used.
- 10.40 **CUMULATIVE REMEDIES:** The remedies herein reserved shall be cumulative, and additional to any other or further remedies provided in law or in equity. No waiver of a breach of any provision of this contract shall constitute a waiver of that provision or any other breach under the Agreement.
- 10.41 **CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE:** The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment B, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)."
- 10.42 **PERFORMANCE STANDARDS AND OUTCOME MEASURES:** The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g., AB 2034 grant) at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the ankle placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-222-9723

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprana del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto servía como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptar por el Departamento de Servicios para Niños y Familias.
