Dear Supervisors:

**APPROVAL TO AMEND THE STATE OF CALIFORNIA – DEPARTMENT OF
REHABILITATION COOPERATIVE AGREEMENT
FOR FISCAL YEAR 2008-09
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to amend the existing Cooperative Agreement with the State of California - Department of Rehabilitation which will enable six legal entity contract providers to expand their vocational and employment services.

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and authorize the Director of Mental Health, or his designee, to sign and execute four original copies of Amendment No. 2 (Amendment), included as Attachment I, to the Cooperative Agreement Number 26350 (Cooperative Agreement), between the State of California - Department of Rehabilitation (State DOR) and the Los Angeles County Department of Mental Health (DMH) for Fiscal Year (FY) 2008-09. This Amendment will enable six legal entity (LE) contract providers to expand their vocational and employment services to DMH clients. This expansion is achieved by increasing County match contribution in the amount of \$134,074 to access additional federal funding.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The Cooperative Agreement with State DOR provides funding for vocational and employment services to DMH clients. These services include vocational assessments, funds for transportation, clothing and uniforms, job-related tools and equipment, training, job placement and other supportive services that assist clients to maintain employment.

The Cooperative Agreement is funded by County General Funds (CGF), Mental Health Services Act (MHSA) funds, and non-cash match of DMH certified time commitments. These funds are then used to match federal funds that are administered through State DOR. As a result of a State DOR internal mid-fiscal year budget shift, additional federal dollars have become available for the Cooperative Agreement. To access the additional federal dollars, additional County match funds are needed. Utilizing existing Board delegated authority, DMH will provide the additional County match by reducing the CGF and/or MHSA funds from the Maximum Contract Amounts (MCA) of five LE provider agreements. The result will be an increase in the total Cooperative Agreement funds that can be used to expand vocational and employment services to DMH clients for FY 2008-09.

Implementation of Strategic Plan Goal

The recommended Board action is consistent with the Countywide Strategic Plan Goal 1, "Operational Effectiveness," Goal 2, "Children, Family and Adult Well-Being," and Goal 4, "Health and Mental Health."

FISCAL IMPACT/FINANCING

There is no impact on net County cost.

DMH is required under the Cooperative Agreement to contribute matching funds in order for State DOR to access federal vocational rehabilitation monies. DMH can meet its match requirement through either cash match and/or non-cash match of certified time. The monetary value of certified time is based on staff salaries for time spent to administer the Agreement and provide liaison services. DMH's contribution for FY 2008-09 is a combination of funds from the decrease of LE providers' MCA and non-cash/certified time commitments.

In response to the State DOR internal mid-fiscal year budget shift, five of DMH's LE providers have agreed to decrease their MCA and correspondingly increase their CGF and MHSA contribution to the State DOR, which uses such funds and the related

federal match to fund the Case Service Contract (Attachment II) between these LE providers and State DOR. The Case Service Contracts are agreements between the State DOR and the LE providers that enable the providers to be reimbursed through the State DOR. The sixth LE provider's matching contribution was not included in the FY 2008-09 contract supersession, thus it was held in DMH's FY 2008-09 Budget and earmarked for the sixth contract provider to be used for this purpose.

This Amendment will revise the total amount of DMH's contribution. The revised contribution is a combination of an increase of \$134,074 in CGF and MHSA funds and the previously budgeted LE contribution of \$594,481 and \$64,422 for a subtotal of \$792,977. This combined with certified time commitments of \$226,462 yields a DMH contribution total amount of \$1,019,439, which is included in DMH's FY 2008-09 Budget. The total revised budget for the FY 2008-09 Cooperative Agreement is \$4,628,745, which is comprised of \$3,609,306 of leveraged federal funds and DMH's contribution of \$1,019,439 (Attachment III).

The Amendment expressly provides that the County has no obligation to pay for expenditures beyond the contract amount. This is a cost reimbursement contract whereby State DOR pays LE contract providers directly. The LE contract providers submit invoices to State DOR reflecting actual costs for providing services. The Amendment specifies the services to be provided and the funding amounts to be reimbursed for the services.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH has participated in a Cooperative Agreement with State DOR since 1991 to provide vocational and employment services for individuals who have a mental illness. These services include vocational assessments provided by LE contract providers and assistance with obtaining employment and support to maintain employment. During FY 2007-08, approximately 2,400 clients were served through the Cooperative Agreement Program. Approximately 717 additional clients will be provided services through this Amendment.

During the past year, DMH has worked with State DOR to strengthen the employment services offered to DMH clients. With the additional focus on career goals, strengths, and abilities, clients are more prepared to meet State DOR eligibility requirements for employment-related services. These services include funds for transportation, clothing and uniforms, job-related tools and equipment, training, and other services that enable clients to obtain and maintain employment.

CONTRACTING PROCESS

DMH will reduce the MCA of five LE contract providers through the amendment process using Board delegated authority. The sixth contract provider matching contribution was not included in the FY 2008-09 contract supersession, thus it was held in DMH's FY 2008-09 Budget, earmarked for the sixth contract provider, to be used for this purpose. The LE contractors' CGF and MHTSA funds will be decreased as detailed in Attachment II.

IMPACT ON CURRENT SERVICES

Board approval of the proposed actions will allow DMH to amend the Cooperative Agreement with the State DOR to increase the matching funds needed to provide vocational and employment services to additional clients. These services will result in more clients receiving the necessary support to obtain and maintain employment which is critical to their recovery and independence.

CONCLUSION

DMH will need one copy of the adopted Board action. It is requested that the Executive Officer of the Board notify DMH's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

**COOPERATIVE AGREEMENT
BETWEEN
THE STATE OF CALIFORNIA
DEPARTMENT OF REHABILITATION
AND THE
LOS ANGELES COUNTY DEPARTMENT OF MENTAL HEALTH**

SCOPE OF WORK

I. INTRODUCTION

The Los Angeles County Department of Mental Health (LACDMH) and the California State Department of Rehabilitation (DOR) will combine both staff and financial resources to provide an integrated program of vocational rehabilitation services for individuals with severe psychiatric disabilities (hereinafter referred to as clients) who are mutually served by LACDMH and DOR and who reside in Los Angeles County.

DOR services will be provided by the following Districts: Van Nuys/ Foothill, Greater Los Angeles (GLAD), LA South Bay, and Orange/ San Gabriel.

The County operated clinics and the local DOR staff will work collaboratively to provide services to mutual clients. Because local relationships vary from clinic to clinic, each local collaborative partnership may be formalized by a written Memorandum of Understanding (MOU). These MOUs will identify local clinic and DOR staff positions to work collaboratively in this process. The MOUs will also outline how each local collaborative partnership will deliver services. This will include a description of the outreach and referral process, assessment, eligibility, IPE development, IPE progress and monitoring, employment services, education supports, and expected outcomes.

Administrative support to the Cooperative program and the associated MOUs and case service contracts will be provided by the administrative staff of the LACDMH. Administrative Support will be provided and accounted for in Certified Time.

Liaison support will be provided by various staff within the county-operated clinics and will be provided consistent with the MOU in place between each clinic and the local DOR district. This will also be counted as certified time.

Cooperative Liaison staff will serve as a conduit for information between the local clinic staff and the local DOR district staff, and serve as the clinic representative in cooperative program meetings and staffings with the local DOR liaison staff. Staff will also facilitate the provision of county mental health records to the DOR counselor to aid in the DOR clients eligibility determination and level of severity of disability for DOR services.

Eleven (11) community-based case service contractors will provide clients with vocational assessment, work adjustment, personal vocational and social adjustment, occupational skills training and employment services. Three (3) of these programs are for transitional youth (ages 15-21). Included also will be the availability of services to those individuals whose primary language is other than English, e.g. Spanish, Vietnamese, Korean, and Chinese.

The four DOR Districts' staffs will collaborate with their counterparts from the local LACDMH County operated clinics and the case service contractors to identify, assess, place and support program clients. Representatives from these agencies will work collaboratively including meeting regularly to discuss the program's progress and to staff cases. Staffs of both agencies will participate in cross training and in-service training programs for the purpose of increasing their capacity to work together and with clients served by this cooperative effort.

EXHIBIT B
BUDGET DETAIL AND PAYMENT PROVISIONS

2. It is mutually agreed that if sufficient funds are not made available to the State by the United States Government for the current year and/or any subsequent years covered under this Agreement, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.

However, a budget revision or budget amendment must be submitted if budget changes shall occur.
7. Expenditures cannot be incurred that will exceed the total budget category amount. To move funds between budget categories requires a budget revision. Changes in budget category amounts shall not result in an increase of the total contract amount. Any alterations or variations to the contract must be contained in a written contract budget revision approved by State's Contract Office and/or written contract amendment, approved by the Department of General Services.
8. The Contractor is responsible for monitoring the percentage of time/number of hours devoted by staff on the contract for overall consistency with the contract terms.

If the value of the certified expenditures by the Contractor is below 25% of the actual total program cost, the "**Service Budget**" may be reduced after review by the DOR Contract Administrator. State will not pay the Contractor for actual costs claimed on the DOR801B Service Invoice until the certified expenditure summary for the same period has been submitted.

The Contractor contributions, including any in excess of the amount specified in the "Cooperative Agency Certified Expenditure Budget Summary" will be used by State to obtain Federal funds under Section 110 of the Rehabilitation Act of 1973, as amended. The allocation method must be fully explained in the contract budget narrative and must be supported by actual costs/expenditures. The allocation of indirect costs cannot be based on an arbitrary fixed rate. Where an estimated percentage rate is used when the contract is written, the actual rate must be used to bill for indirect costs/administrative overhead; however, the actual rate cannot exceed the contracted budget percentage rate. If the actual rate exceeds the budgeted rate, then a budget revision or amendment is required prior to billing the actual rate. Documentation to support the allocation rate/method must be maintained by the Contractor and is subject to review by the Department of Rehabilitation, State Auditors, Federal Department of Education auditors, or their designated representatives.
