SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**DEPARTMENT OF MENTAL HEALTH: APPROVAL TO AMEND AN EXISTING  
LEGAL ENTITY AGREEMENT WITH TRANSITIONAL LIVING CENTERS FOR  
LOS ANGELES COUNTY, INC.  
FOR FISCAL YEARS 2007-08, 2008-09, AND 2009-10  
(SUPERVISORIAL DISTRICT 2)  
(3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Director of Mental Health, or his designee, to prepare, sign, and execute Amendment No. 3, substantially similar to Attachment 1, to the existing Department of Mental Health (DMH) Legal Entity (LE) Agreement No. MH120179 with Transitional Living Centers for Los Angeles County, Inc. (TLC) for the provision of non-Medi-Cal reimbursable services and a Wellness Center in Fiscal Year (FY) 2007-08 through the term of the Agreement. This Amendment increases the Maximum Contract Amount (MCA) by \$558,300 from \$1,106,018 to \$1,664,318. This Amendment will be effective upon Board approval and is fully funded by County General Funds and Mental Health Services Act (MHSA) funds in FY 2007-08, and by MHSA funds in FY 2008-09 and 2009-10.
2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to the LE Agreement and establish a new MCA, the aggregate of the original Agreement and all amendments through and including this Amendment, provided that: 1) the County's total payments to the contractor for each fiscal year shall not exceed a change of 20 percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel

and the Chief Executive Officer (CEO), or their designee, is obtained prior to any such Amendment; 5) County and contractor may by written amendments reduce programs or services without reference to the 20 percent limitation and revise the applicable MCA; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Amendment No. 3, which increases TLC's MCA by \$558,300 for 2007-08, exceeds delegated authority as it represents a greater than 20 percent increase in the MCA previously approved by your Board on June 12, 2007 for this Contractor.

Board approval of the requested actions will enable TLC to restore funding for the appropriate level of non-Medi-Cal reimbursable services and to implement a Wellness Center in keeping with the MHSA Community Services and Supports (CSS) Plan approved by your Board on October 11, 2005. The TLC Wellness Center is designed to serve clients, primarily in TLC's residential programs that are ready to take increasing responsibility for their own wellness and recovery.

In addition to furthering the goals of the MHSA, the recommended actions will enhance the Department's ability to fill a longstanding gap in the service delivery system by serving clients that are in advanced stages of recovery, thus offering a cost-effective alternative to ongoing day treatments or maintenance visits at outpatient clinics. The ultimate goal of all Wellness Centers is to reduce reliance on the mental health system by building a sustaining network of community-based support systems for clients no longer requiring more traditional care.

### **Implementation of Strategic Plan Goals**

The recommended Board action is consistent with the principles of the Countywide Strategic Plan's Organizational Goal No. 1, "Service Excellence," Goal No. 3, "Organizational Effectiveness," and Programmatic Goal No. 7, "Health and Mental Health." TLC's Wellness Center services are expected to improve the delivery, efficiency, and effectiveness of mental health operations.

### **FISCAL IMPACT/FINANCING**

There is no increase in net County cost for the Department's 2007-08 budget.

This amendment increases the MCA by \$558,300, from \$1,106,018 to \$1,664,318 for 2007-08 to provide funding to support services at TLC for 2007-08 in the amount of \$221,860 in County General Funds (CGF) and \$336,440 in MHSA funds for a total augmentation of \$558,300 and a revised MCA of \$1,664,318.

This amendment will enable DMH to provide TLC non-Medi-Cal CGF in the amount of \$221,860 for 2007-08 to restore TLC's level of non-Medi-Cal reimbursable services, including residential services, pending implementation of the proposed TLC Wellness Center.

This amendment will also enable DMH to provide MHSA funds in the amount of \$336,440, in 2007-08, for TLC to implement a Wellness Center, including covering one-time start-up costs. Consistent with State guidelines and specialized program requirements for Wellness Centers, the Department will approve \$93,000 of the total funding to be utilized by TLC for allowable one-time costs in 2007-08. These costs are detailed in the attachment to Amendment No. 3. The Department will provide any amount of the \$336,440 not utilized in 2007-08 as an increase to the MCA for 2008-09 only. This roll-over amount will only utilized for services provided to consumers during 2008-09.

For 2008-09 and 2009-10, the annualized amount of \$558,300 in MHSA funds will be requested by the Department during the budget process for the respective years.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

TLC is located at 15342 Hawthorne Boulevard, Suite 102, Lawndale, California 90260, in Supervisorial District 2. TLC has traditionally provided culturally and linguistically appropriate services to adults through two residential programs and outpatient and day treatment services.

In 2004-05, due to a deficit in County General Funds (CGF), it was necessary for DMH to plan for reductions to achieve a balanced budget. After an extensive planning process involving hundreds of clients, providers of services, community representatives

and other stakeholders, a plan was developed to curtail various services, including non-categorical CGF-supported day treatment, in light of emerging best practices in mental health care that instead focus on recovery activities that are community and culturally responsive. During 2006-07, the Department began implementing the curtailment plan by working with impacted agencies to transform these day treatment services into new, recovery-oriented programs, such as Wellness Centers, consistent with the models developed through the stakeholder planning process and contained in the County's CSS Plan. These Wellness Centers support the health of the whole person, both physical and mental; education and employment needs; stability in housing; and clients' involvement in their own recovery and that of others as well as in community activities. As noted in the CSS Plan, the Centers are managed by professional staff, with at least 50 percent mental health consumer staffing, and provide client-run services with adjunctive professional support.

Planning for the transformation of TLC's day treatment services was not completed during 2006-07, resulting in a reduction in TLC's MCA for 2007-08 related to the curtailment of day treatment services, without the concomitant increase in MCA and MHSA funds for the Wellness Center. Amendment No. 3 will provide the funding necessary to implement TLC's plan for a Wellness Center, including CGF for a transition from day treatment services to Wellness Center activities, and restore funds for services, such as residential, inadvertently affected by the reduction in the MCA for 2007-08.

The attached Amendment format has been approved as to form by County Counsel. Clinical and administrative staff of DMH will continue to administer and supervise the Agreement, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

### **IMPACT ON CURRENT SERVICES**

This action brings to a conclusion the extensive planning process engaged in by the Department and contractor to facilitate the transformation of their CGF funded day treatment program to a MHSA Wellness Center. Implementation of TLC's Wellness Center program will improve the efficiency and effectiveness of mental health operations. Through the Center, the focus of services for many clients will be shifted from outpatient clinics or day treatment services to community involvement. In addition to fostering clients' community integration and achievement of quality of life goals, the Wellness Center will contribute to a significant reduction in the number of clients served by the outpatient clinics.

SDMH has not defined MHSA allowable one-time costs. Accordingly, anticipated MHSA allowable costs are identified in “One-Time Expenses Associated with starting a new MHSA Program” Service Exhibit, which represents County's best effort to identify allowable one-time costs. Such costs may ultimately be subject to disallowance by SDMH; and

WHEREAS, if Contractor terminates its Agreement within 24 months of the effective date of this Amendment or execution of an Agreement that includes MHSA allowable one-time costs, any or all of MHSA allowable one-time funds received by Contractor from County may be due by Contractor to County at the sole discretion of Director; and

WHEREAS, Contractor shall comply with all statutes, regulations, and directives pertaining to MHSA allowable one-time costs as they currently exist or as they may be modified by the State or County, and in no event shall County be obligated to pay contractor for one-time costs not claimable to the MHSA.

MHSA FUNDS:

Amounts to be reduced and reallocated will be based on County's projected underutilization of such MHSA funds; and

WHEREAS, County will perform its utilization review after the initial MHSA amendments are executed and annually thereafter, or as deemed necessary by County based on County's review of utilization of such MHSA funds under this Agreement. Notification of such actions to Contractor will follow timeframes prescribed in Financial Exhibit A (FINANCIAL PROVISIONS), Attachment II, Paragraph U (Delegated Authority); and

**SERVICE EXHIBIT 11**

**ONE-TIME EXPENSES**

**ASSOCIATED WITH STARTING A NEW MENTAL HEALTH SERVICES ACT PROGRAM  
FOR TRANSITIONAL LIVING CENTERS FOR L.A. COUNTY, INC**

**I. OVERVIEW**

The passage of Proposition 63, the Mental Health Services Act (MHSA), provides funding to transform California's mental health service delivery system into a client-driven, recovery-oriented system of care. In order for Los Angeles County to be eligible to receive MHSA funding, it is necessary to expand and transform the services it delivers. In response to the MHSA, the Department of Mental Health (DMH) has designed and implemented programs, contracts, policies, procedures and payment processes that support the provision of these services and fulfill the commitment to do "whatever it takes" to assist clients in improving their quality of life.

DMH has developed this Service Exhibit to facilitate reimbursement of one-time expenses associated with starting new MHSA programs, which include non-Medi-Cal capital assets, recruitment, training and equipment. These expenses will only be permitted during the first year in which a program is initiated.

**II. ALLOWABLE ONE-TIME COSTS**

**A. Service Function Code (SFC) 75: Non-Medi-Cal Capital Assets**

SFC 75 applies to the one-time cost of capital assets dedicated solely to non Medi-Cal activities. These expenses must be \$5,000 or greater; they may be claimed in the year purchased or depreciated over the useful life of the asset. Expenses that should be reported under SFC 75, provided such expenses are dedicated solely to non Medi-Cal activities, include:

- Vehicles (with prior LACDMH approval).

Vehicles are needed to assist with client linkage to community activities such as classes, groups, recreational outings, and other community integration activities

Units of Service should not be reported for SFC 75.

The cost of capital assets included in the service costs per unit under Modes 05, 10 or 15 must be depreciated and should not be included in SFC 75. (Refer to the *Center for Medicare and Medicaid Services (CMS) Publication 15, Provider Reimbursement Manual (HIM-15) Part 1, Chapter 1*, for guidance on depreciation requirements.)

All fixed assets or real estate acquisitions purchased within the parameters of this exhibit require the Director's prior approval.

**B. Service Function Code (SFC) 78: Other Non-Medi-Cal Client Support Expenditures**

SFC 78 applies to one-time expenses associated with starting a new program that include general operating expenditures incurred in providing non-Medi-Cal client supports not otherwise reported in Treatment or Outreach Programs (Mode 05, 10, 15 or 55). Allowable expenses include equipment (e.g., computer hardware/software and printers) that is less than \$5,000.

Computer hardware/software and printers for client use will facilitate recovery related to job training; learning of community events; self-advocacy needs; linkage to community, jobs and interests; and electronic mail communication to establish and maintain family and personal relationships.

**III. REIMBURSEMENT**

The procedures for reimbursement for One-Time Expenses Associated with Starting a New MHSA Program are provided in Attachment A.

ATTACHMENT A

**ONE-TIME EXPENSES**

**2. REIMBURSEMENT GUIDELINES**

The funds allocated for one-time costs shall be used only when no other non-Medi-Cal funds are available during the first year in which a new program is initiated.

**3. DOCUMENTATION REQUIREMENTS FOR REIMBURSEMENT**

The following supportive documentation shall be maintained on file in accordance with the Records and Audits paragraph of the Agreement:

- a. Original receipts to support payment invoices. If an original receipt is not obtainable, a copy of the receipt or justification as to why the receipt was not obtained should be retained; and
- b. Copies of signed checks issued.

**4. SUBMISSION OF MONTHLY INVOICES**

Contractor shall, on the last day of each month, complete a One-time MHSA Expenses invoice indicating the funding source name (e.g., MHSA Wellness Centers), categories of expenses (SFC 75 or 78) and the amount spent.. All claims are to be submitted by Contractor to DMH within sixty (60) days from the month in which the expenditure occurred.

The One-time MHSA Expenses Claim form(s) (Attachment B) shall be submitted to:

## Amendment 3: Service Exhibit 11 – Attachment A

### 5. DMH REVIEW AND APPROVAL OF INVOICES

The above-designated DMH District Chief will review monthly invoices and sign to affirm that expenditures meet established procedures for One-time Expenses Associated with Starting a New MHSA Program. Approved invoices will be forwarded to the DMH Provider Reimbursement Unit for payment.

DMH shall process all completed requests for reimbursement on a monthly basis. The judgment of DMH as to the allowability of any expenditure shall be final.

### 6. MONTHLY RECONCILIATION REPORT

The amount of funds allocated for one-time MHSA expenditures associated with starting a new program must have been approved by the Department prior to the expenditures. Monthly disbursements reports will be generated by the Accounting Division for the Contractors and Program staff to ensure expenditures have not been exceeded. The County shall not be liable for reimbursement of any expenses claimable hereunder in the event that Contractor exceeds its allocation or violates the terms and conditions of these procedures or the Legal Entity Agreement.
