Dear Supervisors:

**DEPARTMENT OF MENTAL HEALTH: APPROVE REVISED MENTAL
HEALTH SERVICES ACT AGREEMENT NO. 07-77319-000 WITH THE
STATE OF CALIFORNIA DEPARTMENT OF MENTAL HEALTH
FOR FISCAL YEARS 2004-05, 2005-06, 2006-07 AND 2007-08
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request Board adoption of a resolution approving the new State of California Department of Mental Health (State) Mental Health Services Act (MHSA) Agreement, which will provide \$494,507,510 in funding for the term July 1, 2004 through June 30, 2008.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt and instruct the Chair to sign and execute the attached resolution (Attachment I) approving the new State MHSA Agreement No. 07-77319-000 (Attachment II) with the County of Los Angeles - Department of Mental Health (DMH), to provide MHSA funding in the total amount of \$494,507,510 for the term of July 1, 2004 through June 30, 2008. The resolution also authorizes the Director of the Department of Mental Health to approve future amendments or modifications to the Agreement. This new Agreement No. 07-77319-000 supersedes the MHSA Agreement No. 05-75524-000 approved by your Board on June 19, 2007.
2. Authorize the Director of the Department of Mental Health, or his designee, to sign two copies of the MHSA Agreement No. 07-77319-000 and forward both originals to the State.

3. Delegate authority to the Director of the Department of Mental Health to sign future amendments or modifications to the Agreement, upon prior Chief Executive Office (CEO) and County Counsel approval, to accept additional funding allocations that may be released by the State based on additional plan approvals

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

On February 11, 2008, the State forwarded to DMH new MHSA Agreement No. 07-77319-000, superseding the previous MHSA Agreement No. 05-75524-000 approved by your Board on June 19, 2007. Welfare and Institutions Code Section 5650 requires that the Board of Supervisors approve the Agreement.

The new Agreement will function as the authorization instrument for disbursement of MHSA funds from the State to the County. The Agreement currently includes a total of \$494,507,510 as planning estimates for the various MHSA components, as follows:

- Community Program Planning for Fiscal Year 2004-05 (\$2,906,559);
- Community Services and Supports (CSS) for Fiscal Years 2005-06 to 2007-08 (\$307,360,811);
- MHSA Housing Program for Fiscal Year 2007-08 (\$115,571,200);
- Workforce Education and Training (WET) for Fiscal Year 2006-07 (\$34,667,140); and
- Prevention and Early Intervention (PEI) for Fiscal Year 2007-08 (\$34,001,800).

To date, the State has approved DMH plans in the amount of \$314,054,106, for the following:

- Community Program Planning (\$2,906,559)
- CSS Services (\$301,622,900)
- WET Planning and Early Implementation (\$2,450,147)
- PEI Planning (\$7,074,500)

DMH is in the process of completing and submitting to the State the required documentation to use the yet to be approved CSS services funds on additional expenses related to the CSS service plans. Plans for the WET and PEI programs are currently in the initial stages of development. A plan for the Housing Program has been prepared and posted for public comment.

This term of the Agreement is July 1, 2004 through June 30, 2008. This Agreement was forwarded to DMH on February 11, 2008, and supersedes MHSA Agreement No. 05-75524-000 approved by your Board on June 19, 2007. Thus, submission of the

Honorable Board of Supervisors

Agreement meets the exemption criteria number two (2), noted in the CEO's memo dated September 7, 2000, regarding timely submission of contracts for Board approval.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan, Programmatic Goal No. 7, "Health and Mental Health." Board approval will enable DMH to plan and continue to provide MHSA services to mental health consumers in Los Angeles County.

FISCAL IMPACT/FINANCING

There is no increase in net County cost.

The new Agreement, effective July 1, 2004 through June 30, 2008, will provide funding of \$494,507,510, fully funded by the State, for mental health services approved as part the County's approved MHSA plan.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The MHSA, adopted by the California electorate on November 2, 2004, creates a new and permanent revenue source, administered by the State, for the transformation and expanded delivery of mental health services provided by the State and county agencies.

The MHSA addresses a broad continuum of prevention, early intervention and service needs and the necessary infrastructure, technology, and training elements to effectively support the system. Components of the MHSA plan will include the elements required by Welfare and Institutions Code (W&I) Section 5847 and related regulations including CSS, PEI, WET, housing innovations, and capital facilities and technology. After initial implementation, MHSA requires localities to transition to development of an integrated plan for the comprehensive system. Funding provided through MHSA will be used to transform the current mental health system from one that focuses primarily on clinical services into one in which DMH can partner with clients, their families, and their communities to enable mental health clients to attain their goals for recovery, and support the larger community in more effectively addressing mental health needs.

DMH initiated a fast-paced planning process in 2004 to develop the CSS Plan. The Department engaged in a process which included over 10,000 individuals throughout the County. Stakeholders proposed creating a transformed system which is intended to provide culturally competent services for people of all ages who are the most severely challenged by mental health issues. Participants in the planning process included people who receive services, family members, community leaders, community service providers, staff from County departments including DMH, and many others.

Honorable Board of Supervisors

May 6, 2008

Page 4

Stakeholders also represented a broad range of age groups and racial/ethnic communities.

Using State guidelines that stipulated a range of services that could be funded with CSS money, stakeholders developed services with the intent of transforming the system. They recommended moving away from traditional approaches that tend to emphasize illness to a focused approach that promotes recovery, wellness, and continuing improvement among individuals with mental illnesses.

After obtaining your approval on October 11, 2005, DMH submitted the CSS Plan to the State. The State granted its final approval for the Los Angeles County Plan on February 14, 2006. On May 9, 2006, your Board authorized the Director of DMH to accept MHPA funding from the State to implement the CSS Plan, and on June 11, 2007, your Board approved MHPA Agreement No. 05-75524-000.

The proposed Agreement supersedes the current agreement and makes the following changes:

- The term of the proposed Agreement is July 1, 2004 through June 30, 2008, whereas the current agreement has a term of February 14, 2006 through June 30, 2008.
- The new Agreement includes the Community Program Planning amount of \$2,906,559 for Fiscal Year 2004-05, which is not included in the current agreement. The acceptance of these funds was approved by your Board on April 19, 2005;
- The proposed Agreement includes a CSS System Improvement Amount of \$1,631,761 for Fiscal Year 2005-06, which is not included in the current agreement;
- The proposed Agreement clarifies that the funding of CSS related Information Technology funding in the amount of \$4,062,000 and one-time funding of \$6,798,045 is from Fiscal Year 2005-06 funding; and
- The proposed Agreement increases the funding for FY 2007-08 CSS services funding to \$126,876,060 from \$96,078,296 and adds in the planning estimates for WET, PEI and the Housing Program. In addition, the proposed Agreement indicates total Approved Plan Amounts of \$314,054,106, as compared to \$269,193,375 in the current agreement.

The proposed, Agreement, has been reviewed and approved by County Counsel.

The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. The County warrants by execution of this Agreement that no person or selling agency has been employed or retained to solicit or secure this Agreement upon a Contract or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees of the County, for the purpose of securing business. For breach or violation of this warranty, the State shall have the right to annul this Agreement without liability, paying only for the values of the work actually returned, or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

5. Insurance

The County hereby warrants that it carries and shall maintain in full force and effect during the full term of this contract and any extensions to said term:

- Sufficient and adequate Liability Insurance to cover any and all potential liabilities and agrees to furnish to State satisfactory evidence thereof upon request by the State.

6. Resolution

The County must provide the State with a copy of a resolution, order, motion or ordinance of the local governing body which by law has the authority to enter into an agreement, authorizing execution of this Agreement. Documents submitted authorizing execution of the Agreement must reference the Agreement number and must contain a statement of approval by the local governing body.

Additionally, the County may designate an individual to act as fiscal and programmatic administrative agent for the purposes of this Agreement. If the County exercises this discretion, they must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing the designation of an agent. Preferably resolutions should authorize a designated position rather than a named individual.

7. Payment

The County's failure to submit completed required fiscal and programmatic reports may affect future State Fiscal Year distributions.

Except as provided above, this Agreement may be modified only in writing by the mutual agreement of both parties, through either the mandatory annual update process or by submission of a separate written request for amendment. Three-Year Program and Expenditure Plan amendments must follow the process outlined in the MHSA, regulations, directives, policies, and procedures.

Either the State or the County may request a Three-Year Program and Expenditure Plan Amendment.

No additional MHSA funds shall be provided to the County pursuant to the proposed amendment unless and until the State has approved the County's request.

10. Assignment

By mutual consent, the County may assign the funding reserved for the County for specific MHSA activities to the State for the purposes of implementing state administered MHSA projects. Such assignment will occur through an assignment agreement executed between the State and the County which specifies the purpose of the agreement and the source of funds. The State will retain the right to sub-contract for the provision of services intended by the assignment.

11. Reporting

The County will compile and submit reports of services, activities, performance attainment, expenditures, status of cash and closeout information by the specified dates as prescribed by the State in regulations, directives, and policies. Failure to adhere to the specified reporting requirements may result in funds not being released.

The State may terminate this agreement in whole or in part when it has determined that the County has substantially violated a specific provision of the MHSA regulations or implementing state legislation. The State will provide a termination notice in writing to the County.

Upon the County's receipt of notice of termination from the State, and except as otherwise directed in the notice, the County shall:

The County shall promptly remedy any violation of any provision of this Agreement and shall certify the same to the State in writing. The fact that the State inspects, or fails to inspect, or has the right to inspect, the County's facilities, systems and procedures does not relieve the County of its responsibilities to comply with this Agreement. - c). The County and/or auditors performing monitoring or audits of the County or its sub-contracting service providers will immediately report to the State any incidents of fraud, abuse or other criminal activity in relation to this agreement, the MHSA, or its regulations.

The County will use funds provided under this Agreement for the purposes specified in the MHSA and approved Three-Year Program and Expenditure Plan. Except to the extent that the State determines it will assume liability, the County will be liable for and will repay, to the State, any amounts expended under this Agreement found not to be in accordance with MHSA, applicable regulations, directives, policies and the Three-Year Program and Expenditure Plan or this agreement.

16. Conflict Resolution

Should a dispute arise between the County and the State relating to performance or disallowed costs under this Agreement, other than disputes governed by the dispute resolution process set forth in CCR, Title 9, Division 1, Chapter 11, the County shall, prior to exercising any other remedy that may be available, file a "Notice of Dispute" with the State within 15 (fifteen) days of discovery of the problem.
