SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**AUTHORIZATION TO SUPERSEDE THE AFFILIATION AGREEMENT WITH THE
REGENTS OF THE UNIVERSITY OF CALIFORNIA, LOS ANGELES
FOR FISCAL YEARS 2007-08, 2008-09, 2009-10, AND 2010-11
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health or his designee to prepare, sign, and execute the supersession of the Affiliation Agreement with The Regents of the University of California, Los Angeles for Fiscal Years (FYs) 2007-08, 2008-09, 2009-10, and 2010-11, using an agreement format substantially similar to Attachment A, to ensure all specialized agreements are in compliance with all new and revised County contract provisions. This Affiliation Agreement will be funded with Sales Tax Realignment funds, Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) - State General Funds (SGF), EPSDT-Federal Financial Participation (FFP), and Non-EPSDT-FFP which are included in the Department of Mental Health's (DMH) FY 2007-08 Proposed Budget in the total amount of \$3,293,902.
2. Authorize the Director or his designee to prepare and execute future amendments to the Agreement, provided that: 1) the County's total payments to each contractor under the Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised contracted rate; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) County and

contractor may by written amendments reduce programs or services and revise the applicable contracted rate; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The supersession of this agreement will ensure that all specialized agreements are in compliance with all new and revised contract provisions. There has been an ongoing review of all agreements with contractors, and the CAO, County Counsel, and Auditor-Controller have previously recommended that there be uniformity of all terms and conditions.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Strategic Plan Programmatic Goals: No. 1, "Service Excellence," No. 3, "Organizational Effectiveness," No. 5, "Children and Families' Well-Being," No. 6, "Community Services," and No. 7, "Health and Mental Health." Supersession of this agreement will ensure that contractor is in compliance with all provisions required in County contracts and will continue to promote the collaborative partnership between government and community agencies.

FISCAL IMPACT/FINANCING

There is no increase in net County cost.

The projected 2007-08 cost supersession of this Affiliation Agreement with The Regents of the University of California, Los Angeles is \$3,293,902 funded with \$1,693,183 in Sales Tax Realignment funds, \$733,669 in EPSDT-SGF, and \$867,050 in EPSDT-FFP, for a total of \$3,293,902, which is included in DMH's FY 2007-08 Proposed Budget. Funding for FYs 2008-09, 2009-10, and 2010-11 will be included in the Department's annual budget requests for these fiscal years.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The supersession of this Agreement is necessary to add new and revised contract provisions to this current Agreement such as: Suspension of Payments, Budget Reductions, Compliance with Applicable Law, Alterations of Terms, Contractor's Exclusion from Participation in a Federally Funded Program, and Performance Standards and Outcome Measures.

The supersession of the Affiliation Agreement with The Regents of the University of California, Los Angeles will continue to provide the following services: individual psychotherapy, group psychotherapy, psychotropic medication monitoring, psychological evaluation, training, consultation, and participation in ongoing research.

This Affiliation Agreement was established to provide a frame work for a relationship between DMH and The Regents of the University of California, Los Angeles to accomplish the shared goals of transferring state-of-the-art treatment strategies from academia to the community and provide student training.

The Agreement format has been approved as to form by County Counsel. The CAO has reviewed the proposed actions. Clinical and administrative staff of DMH will also continue to administer and supervise the Agreement, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and Departmental policies are being followed.

Attachment B provides information regarding Contracting with Minority/Women-Owned Firms Percentage of Ownership in Firms contracting with the County.

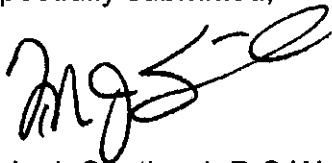

IMPACT ON CURRENT SERVICES

Upon Board approval, the supersession of this agreement will allow The Regents of the University of California, Los Angeles to comply with revised provisions required in all County contracts and provide for essential and accessible mental health services to clients throughout Los Angeles County.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer of the Board notify the DMH Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

1 INTRODUCTION

This Agreement formalizes the affiliation between the Regents of the University of California, Los Angeles, ("University") and the County of Los Angeles Department of Mental Health ("DMH"). This Agreement is founded upon the belief that an affiliation between University and DMH will not only benefit both parties, but also the community that both of these public institutions serve.

DMH, is transforming its system of care to one that is truly client-centered, family-focused, and attuned to the needs of the local areas served. DMH recognizes that these objectives, given the complexities of mental disabilities, are best approached with the knowledge and instruction obtainable from a distinguished academic institution.

University, through its School of Medicine, Neuropsychiatric Institute, and Neuropsychiatric Hospital, recognizes that its respective missions—preparing its graduates for distinguished careers in medicine, furthering its understanding of complex human behavior, and fostering an environment integrating education and research with exemplary patient care—demand extensive community-based experience.

With these objectives and needs in mind, this Agreement initially implements the following programs:

- A countywide Academic and Medical Teaching Services program to be provided at mutually agreed upon DMH Facilities;
- An Academic and Medical Teaching Services program provided at Edmund D. Edelman Westside Mental Health Center and Valley Coordinated Children's Services;
- Mental Health Services to be directly provided through University's Training, Intervention, Education, and Services ("TIES") for Adoption program.

In addition to these programs, University and DMH have designed this Agreement as an "umbrella agreement." With this format, this Agreement sets forth the underlying terms and conditions of this affiliation, and permits new programs to be implemented under this Agreement through addenda provided that such addenda otherwise conform to relevant legal and policy requirements of the Regents of the University of California ("Regents") and the Board of Supervisors of the County of Los Angeles ("Board"). This obviates the need to spend time and resources renegotiating basic affiliation terms, and is intended to engender a relationship between University and DMH that is easily adaptable to the ever-changing needs of the community.

2 SERVICES TO BE PROVIDED BY UNIVERSITY

University shall provide two categories of services to DMH under this Agreement, as described below in sections 2.1 ("Academic and Medical Teaching Services") and 2.2 ("Mental Health Services").

21 Academic and Medical Teaching Services

University shall provide Academic and Medical Teaching Services to DMH at various DMH Facilities in accordance with the provisions of this Agreement. The nature and scope of these services are set forth in:

- **Addendum A:** Academic and Medical Teaching Services Program;
- **Addendum B:** Edmund D. Edelman Westside Mental Health Center Program;
- **Addendum C:** Training, Intervention, Education, and Support ("TIES") for Adoption.
- Any subsequent addenda, mutually agreed upon by University and DMH to be governed by the provisions of this Agreement, provided that such addenda otherwise conform to relevant legal and policy requirements of the Regents of the University of California ("Regents") and the Board of Supervisors of the County of Los Angeles ("Board").

22 Mental Health Services

University shall provide Mental Health Services to DMH in accordance with the provisions of this Agreement. The nature and scope of these services are set forth in:

- **Addendum C:** Ties for Adoption; and,
- Any subsequent addenda, mutually agreed upon by both University and DMH to be governed by the provisions of this Agreement, provided that such addenda otherwise conform to the relevant legal and policy requirements of the Regents and the Board.

3 RESPONSIBILITIES OF UNIVERSITY

Section 3 is divided into two sections. Section 3.1 ("University Responsibilities Regarding Academic and Medical Teaching Services") applies only to Academic and Medical Teaching Services. Section 3.2 ("University Responsibilities Regarding Mental Health Services") applies only to Mental Health Services.

3.1 University Responsibilities Regarding Academic and Medical Teaching Services

University shall provide the Academic and Medical Teaching Services in a manner that reflects high standards of education, training, and client care. In addition to these standards, University shall be responsible for the requirements set forth in sections 3.1.1 through 3.1.4. These requirements apply to all Academic and Medical Teaching Services, unless these requirements are specifically waived, modified, or amended in the addenda.

3.1.1 Administration of Academic and Medical Teaching Services

3.1.1.1 University Academic Administrator

University shall appoint a University Academic Administrator to oversee University's provision of Academic and Medical Teaching Services, and may also serve as the University Administrator.

3.1.1.2 University Administrator

University shall appoint a University Administrator who shall serve as University's contract officer for Academic and Medical Teaching Services.

3.1.2 Nature and Scope of Academic and Medical Teaching Services

Academic and Medical Teaching Services shall be measured in terms of sessions ("sessions") unless otherwise provided.

3.1.2.1 Content of Sessions

University shall participate in developing session content through its involvement in the Joint Mental Health Committee ("Committee"). The specific procedures are set forth in section 5.1.1.4.1 ("Joint Program Planning and Scheduling").

The parties acknowledge that the content of these sessions may vary, due to the educational nature of services provided. However, the content of each session shall be developed and subsequently modified by the Committee so that services are provided in good faith and according to the highest levels of academic standards and client care. The parties contemplate that, unless otherwise specified, compliance with these standards shall usually result in the following forms of services: presentations, seminars, discussion groups, tutorials, case consultations, conferences, service observation and evaluation sessions, and participation in staff and client meetings.

3.1.2.2 Duration of Sessions

The parties acknowledge that the amount of time required for each session may vary, due to the educational nature of the services provided. However, each session shall be of sufficient duration to ensure that University personnel perform their required duties in good faith and according to high levels of academic

standards and client care. The parties contemplate that compliance with these standards will result in an approximate session length of four (4) hours under normal circumstances.

3.123 Scheduling of Sessions

University shall participate in developing session scheduling through its involvement in the Joint Mental Health Committee ("Committee"). The specific procedures are set forth in section 5.1.1.4.1 ("Joint Program Planning and Scheduling").

3.124 Certification of Sessions

Monthly claims submitted by University under section 6.1.1 ("Submission of Monthly Claim") must be certified, prior to DMH payment, by the Program Manager of the DMH Facility where the sessions were provided. The specific procedures for this certification process are set forth in section 4.1.3.2 ("Certification of Monthly Claim").

3.13 Personnel Responsibilities

3.1.3.1 University Personnel

3.13.1.1 Compensation

University shall provide all direct compensation to physicians, other health care professionals, University Housestaff and support staff who may provide services under this Agreement and who are employees of the University. University shall annually provide a list of individuals and compensation from this Agreement to DMH.

3.13.1.1 Cessation of Compensation upon Loss of Clinical Privileges

DMH shall notify University if (a) a Faculty member's clinical privileges at DMH Facilities have been terminated, or (b) disciplinary or termination proceedings have been initiated against a Faculty member; and, in such case, payment to the Faculty member from DMH funds for Academic and Medical Teaching Services shall terminate. Promptly upon receipt of such notice, University shall cease using DMH funds to compensate that Faculty member for performance of the specified services.

3.13.1.2 Former DMH Employees

University shall notify DMH Academic Administrator prior to University's use of any individual for Academic and Medical Teaching Services, if the University has knowledge that the individual was a DMH employee at any time during the previous twelve (12) months. University shall not use DMH funds to compensate such individual if DMH objects in writing within thirty (30) days after DMH's receipt of such notice. This section shall apply only to individuals who leave DMH employment after July 1, 2001. DMH shall invoke its right to object under this paragraph only in instances where, at the time of leaving County

employment, an individual physician has been disciplined under the County's Employee Evaluation and Discipline Guidelines or such discipline is pending.

313113 Exclusion from Federal Health Care Programs

3131131 Cessation of Compensation for Exclusion from Participation in Any Federal Health Care Program

Each Party shall promptly notify the other upon learning that a Faculty member has been excluded from participation in any federal health care program, including Medicare or Medi-Cal. Promptly upon learning of any such exclusion, University shall: (a) cease using DMH funds to compensate the excluded individual for Academic and Medical Teaching Services subsequent to the date of exclusion; and (b) immediately bar that individual from providing any of these services.

3131132 Indemnification for Exclusion from Federal Health Care Programs

University shall indemnify, defend and hold harmless DMH and its officers, employees, agents, students, fellows and volunteers from and against any and all losses, claims, damages, liabilities or expenses arising out of or connected with the performance of any Academic and Medical Teaching Services by any person employed by University and not by DMH, who has been excluded from a federal health care program; provided University: (a) knew or reasonably should have known of such person's excluded status during the period at issue; and (b) failed to remove such person from the performance of any of these services.

31312 Staffing Levels

Subject to DMH providing timely and adequate non-physician staff, support, resources and funding pursuant to section 4.1.3 ("Operations of DMH Facilities"), University shall provide University Personnel to render education, patient care, training, and supervision that meets Academic and Medical Teaching Services requirements. Based upon these measures, the Committee shall conduct an annual evaluation assessing the effectiveness of the program and provide a written report of these assessments to the Director. Such funds shall be paid by DMH to University solely in DMH's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of the Agreement, DMH shall pay to University EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

6.2.11.9 Payment by DMH to University of EPSDT-State General Funds (SGF) and Medi-Cal FFP

DMH pays any EPSDT-SGF (Early and Periodic Screening, Diagnosis, and Treatment–State General Funds) local matching funds in excess of the EPSDT baseline as identified in Section 6 (FINANCIAL PROVISIONS), Subsection 6.2.1.2 (EPSDT) and Medi-Cal Federal Financial Participation Funds (FFP) to University solely in DMH's capacity as the EPSDT-SGF and FFP intermediary between the University and the State. Solely to assist DMH in expeditiously processing and initially paying University (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the State, the Maximum Contract Amount(s) of this Agreement for the applicable Mental Health Services Program shall include EPSDT-SGF and/or FFP. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the State. To the extent University exceeds the EPSDT-SGF and/or FFP amount(s) included in this Agreement, such excess will be paid to University only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

University understands and agrees that DMH's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and FFP in accordance with the above is subject to reimbursement from the State and does not render DMH in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for University's claims for payment for these services except to the extent that University can demonstrate that such denials, unresolved claims, or audit disallowances were directly caused by the negligence of DMH. University's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, University agrees that DMH is not liable for payment for such claims and will not pursue any such claims for payment against DMH.

6.2.11.10 Cash Flow Advances In Expectation of Services/Activities To Be Rendered

For each month of each fiscal year, DMH will reimburse University based upon the County and/or State and/or Federal government(s) processing of the reimbursement claims for rendered services/activities submitted by University to the DMH subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or Federal government(s) have not made

payment, and/or such payment is less than 1/12th of the Maximum Contract Amount, University may request in writing from DMH a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to University pending University's rendering and billing of eligible services/activities, as identified in Addendum D, Section D2 (DESCRIPTION OF SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s), and the County and/or State and/or federal government(s) have made payment for such services/activities. University may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities.

The Cash Flow Advance amount for any particular month will be reduced by DMH payments of actual reimbursement claims received by DMH from the University. The DMH's claims payment process is initiated immediately upon DMH receipt from University of a reimbursement claim. If such University reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to University will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, University may request, separately for each month, in writing from DMH a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. University shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed \$_____. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

(2) University providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from DMH a monthly County General Fund Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of age which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. University shall specify in their request the amount of the monthly Cash Flow Advance not to exceed \$_____ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed \$_____.

The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:

(1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year plus;

(2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by the federal government for services provided to EPSDT Medi-Cal beneficiaries.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part. The time schedules and examples for DMH claims payment, and the 3 and 5 months Cash Flow Advance disbursement(s) and University repayment of Cash Flow Advance funds to DMH by means of a County offset to University claims to DMH are incorporated herein as Attachment I.

DMH identifies if University's units of service and State FFP & EPSDT-SGF approvals are meeting or exceeding the contracted levels and if not Cash Flow Advance recovery is initiated to ensure University completes repayment of the Cash Flow Advance with units of services by the time the University's fiscal year's twelfth month of claims are received and processed.

Any County and/or State and/or Federal government(s) approved University reimbursement claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance DMH to University will be disbursed in accordance with the terms and conditions of this Agreement.

Should University request and receive Cash Flow Advance, University shall exercise cash management of such Cash Flow Advance in a prudent manner.

6.2.12 Maximum Monthly Payment

DMH's Maximum Monthly Payment to University for each monthly claim shall not exceed an amount determined pursuant to DMH policies and procedures.

The State and FFP funds for State-approved claims for EPSDT Title XIX Medi-Cal SFC units claimed by DMH to State on behalf of the University shall be paid by DMH to University only in arrears and only after DMH has received State and FFP payment from State.

The FFP funds for State approved claims for EPSDT Title XIX Medi-Cal SFC units, and/or Title XIX Short-Doyle/Medi-Cal SFC units, and/or Title XIX Medi-Cal Administrative Activities claimed by DMH to State on behalf of the University shall be paid by DMH to University only in arrears and only after DMH has received FFP payment from State.

In order to recover CGF provided to University as Cash Flow Advance pursuant to this Subparagraph 6.2.12, or any amounts due to DMH by University under this Agreement or otherwise, DMH shall withhold from any amounts due by DMH to University under this Agreement or otherwise: (1) the FFP and/or EPSDT-SGF portions of total State approved Short-Doyle/Medi-Cal claims Cash Flow Advances that are in excess of a cumulative, for each month actual State approval data has been received, 1/12 of the Maximum Contract Amount and/or (2) the FFP portion of Title XIX Short-Doyle/Medi-Cal for State approved claims for Title XIX Short-Doyle/Medi-Cal SFC units and/or (3) the State and FFP portion of EPSDT Title XIX Medi-Cal for State approved claims for EPSDT Title XIX Medi-Cal SFC units and/or (4) the FFP for Title XIX Medi-Cal Administrative Activities and/or (5) the County, State and Federal portions of SFC units claimed by University in MIS for non-Title

XIX Medi-Cal services. University may request in writing, and shall receive if requested, DMH's computations for determining any amounts withheld.

6.2.13 Withholding of Payment for Nonsubmission of MIS and Other Information

DMH may withhold a maximum of ten percent (10%) of any monthly claim, if any MIS data, EOB data, RGMS report, or other information is not submitted by University to DMH within the time limits of submission of the Agreement or if any MIS data, EOB data, RGMS report, or other information is incomplete, incorrect, or is not completed in accordance with the requirements of the Agreement.

6.2.14 Annual Cost Reports

6.2.14.1 Provision by University of Annual Cost Report

For each Fiscal Year or portion thereof that the Agreement is in effect, University shall provide DMH with two (2) copies of an accurate and complete Annual Cost Report, with a statement of expenses and revenue. The annual cost report will be comprised of a separate set of forms for DMH and State for each Financial Exhibit column identified on the Financial Summary for the applicable Mental Health Services Program within each entity. Such reports will be due within seventy-five (75) days following either the end of such Fiscal Year or the expiration or termination date of the Agreement, whichever occurs earlier. Each such Annual Cost Report shall be prepared by University in accordance with the requirements set forth in the Short-Doyle/Medi-Cal Automated Cost Reporting System Users Manual, CR/DC Manual, RO/TCM Manual, and any other written guidelines which may be provided to University by Director by June 30th of the Fiscal Year for which the Annual Cost Report is to be prepared.

6.2.14.2 Suspension of Payment by DMH Upon Failure by University to Provide Annual Cost Report

If University fails to submit accurate and complete Annual Cost Report(s) by such due date, and if the Agreement is automatically renewed as provided in section 7 ("Term and Termination"), then DMH shall not make any further payments to University under the Agreement until the accurate and complete Annual Cost Report(s) is (are) submitted.

6.2.14.3 Late Penalty Upon Failure by University to Provide Annual Cost Report

Failure of University to submit accurate and complete Annual Cost Report(s) by such due date shall result in a late penalty of ONE HUNDRED DOLLARS (\$100.00) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted. The late penalty shall be assessed separately on each outstanding Annual Cost Report. The late penalty shall commence on the seventy-sixth (76th) day following either the end of the applicable Fiscal Year or the expiration or termination date of the Agreement and shall continue thereafter up to the one hundred and fifth (105th) day.

In the event that University does not submit accurate and complete Annual Cost Report(s) by the one hundred and fifth (105th) day, then all amounts covered by the outstanding Annual Cost Report(s) and paid by DMH to University in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be due by University to DMH. University shall pay DMH according to the method described in section 6.2.19 ("Payments Due to DMH/Method of Payment").

6215 Annual Cost Report Adjustment and Settlement

Based on the Annual Cost Report(s) submitted pursuant to section 6.2.15 ("Annual Cost Report and Settlement"), at the end of each Fiscal Year or portion thereof that the Agreement is in effect, the cost of all mental health services and Title XIX Medi-Cal Administrative Activities rendered hereunder shall be adjusted as follows:

6215.1 Cost Reimbursement

To actual and allowable costs, not to exceed the applicable Maximum Contract Amount as shown in sections 6.2.2 ("Reimbursement For Initial Period") or 6.2.3 ("Reimbursement If Agreement Is Automatically Renewed"), provided that reimbursement for Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services and/or Title XIX Medi-Cal Administrative Activities shall not exceed an amount for which there is sufficient CGF/State match funds in the applicable Maximum Contract Amount.

6215.2 Negotiated Rate

To the lower of the DMH determined final MIS run of reported SFC units, or the SFC units reported in University's Annual Cost Report, multiplied by the applicable negotiated rate less all revenue, interest and return resulting from services/activities and/or funds paid by DMH to University, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return resulting from services/activities and/or funds paid by DMH to University as described in section 6.2.10 ("Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest"), not to exceed the applicable Maximum Contract Amount as shown in sections 6.2.2 ("Reimbursement For Initial Period") or 6.2.3 ("Reimbursement If Agreement Is Automatically Renewed"), provided that reimbursement for Title XIX Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services and/or Title XIX Medi-Cal Administrative Activities shall not exceed an amount for which there is sufficient CGF/State match funds in the applicable Maximum Contract Amount. In the event that University adjustments based on any of the above methods indicate an amount due the DMH, University shall pay DMH according to the method described in section 6.2.11 ("Payment").

6216 Post-Contract Audit Settlement

6216.1 General

In the event of a post-contract audit conducted by County, state, and/or federal personnel, actual and allowable SFC units for negotiated rate services and actual and allowable costs for cost reimbursement services shall be determined for each fiscal year or portion thereof that the Agreement is in effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns County, State, and/or Federal auditors may have under the

Agreement. CR/DC Manual, RO/TCM Manual, SDMH's utilization review policies and procedures, State's Medicaid Plan, State's Title XIX Medi-Cal Administrative Activities Plan, and the Federal Health Care Financing Administration's Health Insurance Manual Volume 15 (HIM 15) shall serve as the basic reference and authority for the audit determination of actual and allowable SFC units for mental health services and actual and allowable costs for Title XIX Medi-Cal Administrative Activities and PATH and SAMHSA services. One of the purposes of the audit determination of actual and allowable SFC units is to identify and adjust for duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings, including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the healing arts.

62162 If Amount Paid Exceeds Allowable Amount

For mental health services, if the post-contract audit conducted by County, state, and/or federal personnel determines that the amounts paid by DMH to University for any SFC units or other services furnished hereunder are more than the amounts allowable pursuant to the Agreement, then the difference shall be due by University to DMH.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are more than the amounts allowable pursuant to the Agreement, then the difference shall be due by University to DMH. University shall pay DMH according to the method described in section 6.2.19 ("Payments Due to DMH/Method of Payment").

62163 If Amount Paid Is Less Than Allowable Amount

For Negotiated Rate, CR, and other services, if the post-contract audit conducted by County, state, and/or federal personnel determines that the amounts paid by DMH to University for any Negotiated Rate SFC units furnished hereunder are less than the allowable pursuant to the Agreement and/or CR and other services, then the difference shall be paid by DMH to University, provided that in no event shall DMH's Maximum Contract Amount for the applicable Fiscal Year, as shown in sections 6.2.2 ("Reimbursement For Initial Period") or 6.2.3 ("Reimbursement If Agreement Is Automatically Renewed"), be exceeded.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal Administrative Activities furnished hereunder are less than the amounts reimbursable pursuant to the Agreement, then the difference shall be paid by DMH to University, provided that in no event shall DMH's Maximum Contract Amount for the applicable Fiscal Year, as shown in sections 6.2.2 ("Reimbursement For Initial Period") or 6.2.3 ("Reimbursement If Agreement Is Automatically Renewed"), be exceeded.

6217 Audit Appeals after Post-Contract Audit Settlement

If University appeals any audit report, the appeal shall not prevent the post-contract audit settlement pursuant to section 6.2.16 ("Post-Contract Audit Settlement").

6.218 DMH Audit Settlements

If, at any time during the term of the Agreement or at any time after the expiration or termination of the Agreement, authorized representatives of DMH conduct an audit of University regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that DMH's dollar liability for such services and/or administrative activities is less than payments made by DMH to University, then the difference shall be due by University to DMH. University shall pay DMH according to the method described in section 6.2.19 ("Payments Due to DMH/Method of Payment").

If such audit finds that DMH's dollar liability for such services and/or administrative activities provided hereunder is more than payments made by DMH to University, then the difference shall be paid to University by DMH by cash payment, provided that in no event shall DMH's Maximum Contract Amount for the applicable Fiscal Year, as shown in sections 6.2.2 ("Reimbursement For Initial Period") or 6.2.3 ("Reimbursement If Agreement Is Automatically Renewed"), be exceeded.

6.219 Payments Due to DMH/Method of Payment

Within ten (10) days after written notification by DMH to University of any amount due by University to DMH, University shall notify DMH as to which of the following six (6) payment options University requests be used as the method by which such amount shall be recovered by DMH. Any such amount shall be: (a) paid in one cash payment by University to DMH, (b) offset against prior year(s) liability(ies), (c) deducted from future claims over a period not to exceed three (3) months, (d) deducted from any amounts due from DMH to University whether under the Agreement or otherwise, (e) paid by cash payment(s) by University to DMH over a period not to exceed three (3) months, or (f) a combination of any or all of the above. If University does not so notify DMH within such ten (10) days, or if University fails to make payment of any such amount to DMH as required, then Director, in his sole discretion, shall determine which of the above six (6) payment options shall be used by DMH for recovery of such amount from University.

6.220 Interest Charges on Delinquent Payments

If University, without good cause as determined in the sole and reasonable judgment of Director, fails to pay DMH any amount due to DMH under the Agreement within sixty (60) days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to University, may assess interest charges at a rate equal to DMH's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first (61st) day after the due date. University shall have an opportunity to present to Director information bearing on the issue of whether there is a good cause justification for University's failure to pay DMH within sixty (60) days after the due date. The interest charges shall be: (a) paid by University to DMH by cash payment upon demand and/or (b) at the sole discretion of Director, deducted from any amounts due by DMH to University whether under the Agreement or otherwise.

6.221 Financial Solvency

University shall maintain adequate provisions against the risk of insolvency.

6.222 Limitation of County's Obligation Due to Nonappropriation of Funds

Notwithstanding any other provision of this Agreement, DMH shall not be obligated for University's performance hereunder or by any provision of this Agreement during this or any of DMH's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year, impose budgetary restrictions which appropriate less than the amount provided for in sections 6.2.2 ("Reimbursement

for Initial Period") or 6.2.3 ("Reimbursement if Agreement Is Automatically Renewed"), of this Agreement, DMH shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30th of the last fiscal year for which funds were appropriated. County shall notify University of any such changes in allocation of funds at the earliest possible date.

6.2.23 Use Of Certain Non-County Funds

A review of University's expenditures and commitments to utilize any non-County funds, which are specified in the Agreement for the services hereunder and which are subject to time limitations as determined by Director, shall be conducted by DMH and University midway through each Fiscal Year during the term of the Agreement, midway through the applicable time limitation period for such non-County funds if such period is less than a Fiscal Year, and/or at any other time or times during each Fiscal Year as requested by Director. At least fifteen (15) days prior to each such review, University shall provide Director with a current update of all University's expenditures and commitments of such non-County funds during such Fiscal Year or other applicable time period. If Director, in his sole judgment, determines from such review that there will be any nonexpenditure of such non-County funds, then Director, to the extent authorized by County's Board of Supervisors, shall reduce the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure, or Director shall recommend to County's Board of Supervisors a reduction in the Maximum Contract Amount for the applicable Fiscal Year up to the amount of such anticipated nonexpenditure. If Director determines to reduce, or recommend a reduction in, the Maximum Contract Amount for such Fiscal Year, then Director shall notify University in writing and shall provide University with the revised Maximum Contract Amount for such Fiscal Year. Any reduction in the Maximum Contract Amount for the applicable Fiscal Year shall be effected by an amendment to the Agreement pursuant to section 11.33 ("Alteration of Terms") of the Agreement which shall set forth the revised Maximum Contract Amount and the revised Financial Exhibit column(s) identified in the Financial Summary for such Fiscal Year.

Notwithstanding any other provision of the Agreement, the revised Maximum Contract Amount and the revised Financial Exhibit column(s) identified in the Financial Summary for the applicable Mental Health Services Program for such Fiscal Year shall entirely supersede the then existing Maximum Contract Amount and Financial Exhibit column(s) identified in the Financial Summary for the applicable Mental Health Services Program as of the date determined by Director or County's Board of Supervisors and set forth in the amendment.

6.2.24 University Requested Changes

If University desires any change in the terms and conditions of the Agreement, University shall request such change in accordance with section 5.1.3 ("Annual Addenda"), and all changes shall be made by an amendment pursuant to section 11.33 ("Alteration of Terms").

If University requests to increase or decrease any Maximum Contract Amount, such request and all reports, data, and other information requested by DMH's Contracts Development and Administration Division, shall be received by DMH's Contracts Development and Administration Division in accordance with section 5.1.3 ("Annual Addenda").

6.225 Authority Delegated to Director

Notwithstanding any other provision of this Agreement, County's Department of Mental Health Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Agreement during the remaining term of the Agreement, under the following conditions:

- a) DMH's total payments to University under the Agreement, for each Fiscal Year of the term of this Agreement, shall not exceed or shall not be reduced by more than twenty percent (20%) of the applicable Maximum Contract Amount; and
- b) Any such increase shall only be used for additional services or to reflect program and/or policy changes that affect this Agreement; and
- c) County's Board of Supervisors has appropriated sufficient funds for all changes described in each such amendment to this Agreement; and
- d) Approval of County Counsel and the Chief Administrative Officer is obtained prior to any such amendment to this Agreement; and
- e) County's Department of Mental Health Director shall notify County's Board of Supervisors and Chief Administrative Officer of all Agreement changes, in writing, within fifteen (15) days following execution of any such amendment(s).

6.3 Budget Reductions

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement (including any extensions), and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Agreement.

7 TERM AND TERMINATION

The term and termination provisions in this section 7 shall apply to both Academic and Medical Teaching Services described in sections 2.1 ("Academic and Medical Teaching Services") and 2.2 ("Mental Health Services"), except where otherwise specifically provided.

7.1 Term

7.1.1 Initial Period

The initial period of this Agreement shall commence on July 1, 2007, and shall continue in full force and effect through June 30, 2008.

7.1.2 Automatic Renewal Periods

After the Initial Period, this Agreement shall be automatically renewed without further action by the parties hereto unless either party desires to terminate this Agreement at the end of the Initial Period and gives written notice to the other party not less than thirty (30) days prior to the end of the first Initial Period.

7.1.2.1 First Automatic Renewal Period

If this Agreement is automatically renewed, the First Automatic Renewal Period shall commence on July 1st, 2008, and shall continue in full force and effect through June 30th, 2009. After the First Automatic Renewal Period, this Agreement shall be automatically renewed without further action by the parties, unless either party desires to terminate this Agreement at the end of the First Automatic Renewal Period and gives written notice to the other party not less than thirty (30) days prior to the end of the First Automatic Renewal Period.

7.1.2.2 Second Automatic Renewal Period

If this Agreement is automatically renewed, the Second Automatic Renewal Period shall commence on July 1st, 2009, and shall continue in full force and effect through June 30th, 2010. After the Second Automatic Renewal Period, this Agreement shall be automatically renewed without further action by the parties, unless either party desires to terminate this Agreement at the end of the Second Automatic Renewal Period and gives written notice to the other party not less than thirty (30) days prior to the end of the Second Automatic Renewal Period.

7.1.2.3 Third Automatic Renewal Period

If this Agreement is automatically renewed, the Third Automatic Renewal Period shall commence on July 1st, 2010, and shall continue in full force and effect through June 30th, 2011. After the Third Automatic Renewal Period, this Agreement shall be automatically renewed without further action by the parties, unless either party desires to terminate this Agreement at the end of the Third Automatic Renewal Period and gives written notice to the other party not less than thirty (30) days prior to the end of the Third Automatic Renewal Period.

7.1.2.4 Fourth Automatic Renewal Period

If this Agreement is automatically renewed, the Fourth Automatic Renewal Period shall commence on N/A, and shall continue in full force and effect through N/A.

7.2 DMH Reductions in Amount of Services

Nothing in this Agreement shall restrict the right of DMH to reduce the volume of Services provided under this Agreement and to revise any addenda adopted under this Agreement to implement such a reduction, provided that DMH shall notify University of such reduction by no later than February 15th prior to the Contract Year in which the reduction is to take effect. University may accept such reduction; or University may in its discretion deem the reduction an Event of Termination for Cause or an Event of Partial Termination for Cause, pursuant to section 7.5 of this Agreement.

In the event that DMH proposes to reduce Housestaff in University Training Programs pursuant to this section, DMH shall seek to permit current and newly accepted University Housestaff in such programs to complete their respective Training Programs consistent with ACGME requirements; provided that DMH shall first seek to fulfill its obligations to DMH Housestaff.

7.3 Preservation of Other Remedies

Failure of the non-breaching Party to elect termination under the provision of this section shall not constitute a waiver of any other remedies.

7.4 Immediate Termination

7.4.1 Academic and Medical Teaching Services

The following shall constitute Events of Immediate Termination with respect to that portion of this Agreement relating to the provision of Academic and Medical Teaching Services by University, and the non-breaching Party may terminate this Agreement immediately upon providing written notice of breach and immediate termination, or upon such other date as provided in the notice.

7.4.1.1 Regulatory

Except as otherwise provided in sections 7.4.1.2 ("Loss of AGCME Accreditation") or 7.4.2 ("Immediate Partial Termination"), loss by either Party of any essential accreditation, license or permit required by law for the provision of services under this Agreement, which substantially affects the defaulting Party's ability to perform its obligations under this Agreement. Loss of accreditation by Training Program shall not automatically be deemed essential for purposes of this paragraph. Notice of breach and immediate termination shall also be provided to the Joint Mental Health Operations Committee, which shall have thirty (30) days before termination takes effect to review the notice of breach and make recommendations to the Parties regarding alternatives.

7.4.1.2 Loss of LCME or ACGME Accreditation

Any loss of LCME or ACGME accreditation (without recovery) by University that directly affects University's ability to provide services under this Agreement shall constitute a breach by University and an Event of Immediate Termination (as set forth in section 7.4).

7.4.2 Immediate Partial Termination

If a breach of this Agreement by University that results in an Event of Immediate Termination (as defined in section 7.4) is limited to individual DMH Training Programs,

then DMH may terminate this Agreement with respect to any such DMH Training Program in lieu of termination of the entire Agreement. Loss of ACGME accreditation by any DMH Training Program shall constitute an Event of Immediate Partial Termination; subject to the provisions of section 7.5. Upon notice by DMH, responsibilities under this Agreement will be terminated with respect to such disaccredited DMH Training Program (or Programs), and payments to University shall be reduced in a pro rata amount to reflect the program's (or programs') elimination. Parties recognize that adequate support of the remaining DMH Training Programs may require the retention of certain Faculty members from a DMH Training Program that is subject to Partial Immediate Termination. This paragraph shall not apply if such accreditation was lost (a) primarily due to DMH's failure to fulfill its obligations pursuant to section 4.1.3.5 ("Training Program Support"), or (b) due to DMH's collective bargaining agreements with DMH Housestaff.

7.4.3 Immediate Termination Provisions Applicable to All Programs and Services Covered by this Agreement

The following shall constitute Events of Immediate Termination with respect to all programs and services covered by this Agreement, and the non-breaching Party may terminate this Agreement immediately upon providing written notice of breach and immediate termination, or upon such other date as provided in the notice.

7.4.3.1 Destruction of Premises

Whole or partial destruction during the term of this Agreement of DMH Facilities or University's clinics or hospitals by casualty, if the Parties agree that they are thereby rendered unsuitable for the services provided under this Agreement as contemplated and other suitable facilities are not reasonably available.

7.4.3.2 Improper Consideration

The proffer or provision of consideration in any form by University, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to University's performance pursuant to this Agreement. Such improper consideration, among other items, may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts. University shall report any attempt by a County officer or employee to solicit improper consideration for such purposes immediately upon becoming aware of any such attempt. The report shall be made either to County's manager charged with the supervision of the employee or County's Auditor-Controller's Employee Fraud Hotline (currently (213) 974-0914 or (800) 544-6861).

7.4.3.3 Other Events

Violation of University's obligations under sections 9.1 ("Insurance Coverage by University"), 11.4 ("Nondiscrimination in Employment"), 11.12 ("Prohibition on Subcontracting"), 11.18 ("County Lobbyists"), 11.25 ("Interruption of Service"), or violation of DMH's obligations under section 6.2.11 (payment to University within ninety (90) days after receipt of notice under section 6.2.11.1) and section 9.2 ("Insurance Coverage by DMH for Medical and Academic Teaching Services").

7.5 Termination for Cause

The events set forth under this section shall constitute Events of Termination for Cause. Upon an Event of Termination for Cause, the non-defaulting Party may terminate this Agreement by serving written notice of termination, to be effective as of the end of the current Contract Year.

7.5.1 Material Breach

Either party may terminate this Agreement upon material breach of this Agreement by the other party by giving the other party ninety (90) days' prior written notice of such breach. Except as otherwise provided in this Agreement, if such material breach not remedied by the breaching party within ninety (90) days after receipt of notice of the breach (or such other period of time as specified in the notice), this Agreement shall terminate at the end of such ninety (90) day period or as otherwise specified by the nonbreaching party. For purposes of this Agreement, a material breach shall include, but is not limited to, a material breach of sections 4.1.3.5 ("Training Program Support"), 7.2 (reductions in volume of services purchased), 8.3 ("Records and Audits"), 11.4 ("Nondiscrimination in Employment"), 11.6 ("Performance During Disaster or Civil Unrest"), 11.10 ("Covenant against Contingent Fees"), 11.19 ("County's Child Support Enforcement Program"), or 11.21 ("Severability"). 7.5.2 Partial Termination for Cause

If a material breach of this Agreement is limited to a single program contained in a particular addendum, then the non-breaching Party may deem such breach an Event of Partial Termination for Cause and terminate this Agreement with respect to such program in lieu of termination of the entire Agreement. Payments under this Agreement shall be reduced in a pro rata amount to reflect the elimination of the program from this Agreement. This paragraph shall not apply if the primary cause of University's breach is (a) DMH's failure to fulfill its obligations pursuant to 4.1.3.5 ("Training Program Support") or (b) DMH's collective bargaining agreements with DMH Housestaff.

7.6 Effects of Termination, Continuing Responsibilities of the Parties

DMH shall pay University for services rendered up to the effective date of any termination, subject to the terms of this Agreement. Upon termination, Parties shall have no further obligations under this Agreement except as follows:

7.6.1 Cooperation

In the event either Party terminates this Agreement, whether or not for cause, Parties shall jointly develop and implement a plan for disaffiliation that provides for the continuation of quality patient care and medical education programs and recognizes the limits of available resources.

7.6.2 Survival

The following sections of this Agreement shall survive its termination and expiration: 3.1.3.1.1.3 (indemnification for "Exclusion from Federal Health Care Programs"), 3.1.3.1.7 ("Access to Records"), 9 ("Insurance"), 5.1.6 ("Risk Management and Quality Improvement"), 7.6 ("Effects of Termination, Continuing Responsibilities of the Parties"),

7.7 Suspension of Payments

Payments to University under this Agreement shall be suspended if Director, for good cause, determines that University is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 days notice of such suspension shall be provided to University, including a statement of the reason(s) for such suspension. Thereafter, University may, within 15 days, request reconsideration of the Director's decision. Payments shall be withheld pending the results of the reconsideration process.

8 REPORTING AND ACCOUNTABILITY

The reporting and accountability provisions in this section 8 shall apply to both Academic and Medical Teaching Services and Mental Health Services, except where otherwise specifically provided.

8.1 General Operations

Each Party shall collect and maintain accurate information on the nature and scope of its operations under this Agreement and provide such information as reasonably requested by the other Party. The DMH Administrator and the University Administrator shall each designate one person to be responsible for providing this information. University shall provide the DMH Administrator with a copy of any report it files with the County Auditor-Controller.

8.2 Notice of Certain Events

8.21 Legal or Administrative Actions

Subject to the confidentiality requirements of section 11.2, each Party for matters relating to this Agreement shall promptly notify the University Administrator or DMH Administrator, respectively, of any Medical Staff corrective action, claims, administrative reviews or lawsuits relating to DMH Facilities and professional liability, and any other corrective actions, claims, administrative reviews or lawsuits relating to either Party's performance of this Agreement that may affect the other Party. The University Administrator or DMH Administrator, respectively, shall determine whether to conduct a joint investigation and coordinate any remedial action or defense.

8.22 Accreditation, Licensure, and Site Visits

8.221 General

Each Party shall promptly notify the other of any planned site visit by an entity charged with reviewing or certifying any program in operation at either University or DMH facility which might affect the provision of services under this Agreement, including the Academic and Medical Teaching Services. Such Party shall make available to the other the report from such site visits, including any letters citing deficiencies or suggesting corrective action.

8.222 Sanctions

Each Party shall promptly notify the other of any actual or threatened sanction by any licensing or accrediting entity, peer review organization, or any entity charged with reviewing or certifying health care delivery facilities, or educational operations in DMH Facilities, that are likely to have a substantial effect on performance of this Agreement.

8.3 Records and Audits

8.31 Financial Records

University shall prepare and maintain accurate and complete financial and operational records, in accordance with generally accepted accounting principles, that identify University's use of revenues under this Agreement. Such records shall allocate revenues

between University employed non-physician staff and Faculty, by category, on an aggregated basis. University shall maintain accurate and complete records of all services performed hereunder in such form and manner as DMH may from time to time direct, to satisfy payment requirements of DMH's various governmental and private third-party payers. University shall maintain records as necessary to DMH under this Agreement. This paragraph shall not require University to release documentation disclosing the amount of salary or benefits paid by University to University Personnel. All records pertaining to this Agreement shall be retained by University for a minimum of five (5) years following the end of DMH's July 1st through June 30th fiscal year in which service was rendered; provided that, if DMH notifies University of an ongoing audit, University shall retain all such records until County notifies University that retention is no longer required. During such periods of record retention, and throughout the term of this Agreement, University shall make all such records available upon reasonable notice, at the University during normal business hours, to County and State representatives. University shall indemnify DMH for revenues that DMH cannot collect or otherwise loses as a result of University's failure to maintain records as required under this paragraph.

8.3.2 Federal Access to Records

If, and to the extent that, section 1861(v)(1)(I) of the Social Security Act [42 United States Code section 1395x(v)(1)(I)] is applicable, University agrees that for a period of five (5) years following the furnishing of services under this Agreement, University shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Comptroller General of the United States, or to any of their duly authorized representatives, the contract, books, documents and records of University which are necessary to verify the nature and extent of the cost of services provided hereunder. Furthermore, if University carries out any of the services provided hereunder through any subcontract with a value or cost of TEN THOUSAND DOLLARS (\$10,000.00) or more over period of twelve (12) months with a related organization (as that term is defined under federal law), University agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor. In the event that such request for access is made by any representative of the federal government, University shall notify DMH in writing within five (5) business days of receipt of such request.

8.3.3 Audit Reports

In the event that any private third-party payer, federal or state auditor conducts an audit of University and such audit directly concerns or has a material effect on any of the services provided under this Agreement, University shall file a copy of any final audit report prepared by such auditor with County's Auditor-Controller within thirty (30) days of receipt thereof to the extent permitted under this Agreement, or under applicable state or federal law or regulations.

8.3.4 Audit/Compliance Review

During the term of this Agreement or within five (5) years after services are furnished, authorized representatives of DMH may conduct an audit of the University regarding such services. In the event DMH representatives conduct an audit/compliance review of University, University shall cooperate fully with DMH's representatives. University shall allow DMH's representatives reasonable access to all records of services rendered and all financial, medical and other records that directly concern or may have a material effect on services provided by University under this Agreement and will allow photocopies to be made of these documents using University's photocopier, for which DMH shall reimburse University promptly for its customary charge for record copying services, if requested.

Information obtained through an audit/compliance review shall be subject to the confidentiality requirement of section 11.2. DMH shall provide University with at least ten (10) working days prior written notice of any audit/compliance review.

DMH may conduct an audit/compliance review of all or a representative sample of payments by DMH. The audit/compliance review shall be conducted in accordance with generally accepted auditing standards. An exit conference shall be held following the performance of such audit/compliance review at which time the results shall be discussed with University. University Representative shall be provided with a copy of any written evaluation reports in a timely manner.

University shall have the opportunity to review DMH's audit/compliance review findings, and University shall have thirty (30) days after receipt of DMH's audit/compliance review findings to submit documentation to DMH to resolve any audit exceptions. For any audit exceptions unresolved to DMH's reasonable satisfaction following this thirty (30) day period, DMH may apply the exception rate found in the audit or sample review period to DMH's total payment to University as set forth in the Financial Exhibits for the applicable Mental Health Services Program. If University chooses to appeal DMH's application of an audit exception rate under this subsection, University shall submit documentation for review by DMH Director within thirty (30) days of application of the exception rate.

8.3.5 Audit Settlements

Nothing in this Agreement shall restrict the right of DMH to pursue any claims for repayment based on the results of an audit/compliance review conducted under section 6.2.16. In the event any third party reimbursement to DMH, whether by Medicare, Medi-Cal, Medi-Cal/Short Doyle, private or other payers, is denied or reduced solely due to University's failure to provide documentation or support required under this Agreement, University shall indemnify DMH for such losses. Such losses include denial or reduction with respect to individual claims, cost report disallowances, or others.

8.3.6 Failure to Comply

Failure of either Party to comply with the provisions of this section shall constitute a material breach of this Agreement. If such breach is not remedied within ninety (90) days following receipt of written notice by DMH from the non-breaching Party, then it shall become an Event of Termination for Cause pursuant to section 7.5.

- b) Agreement to provide DMH at least the same defense of suits and payment of claims as would be provided by first dollar commercial insurance.

11.4.3 Vendors

The parties shall not discriminate against any subcontractor, bidder, or vendor on the basis of race, color, religion, ancestry, national origin, sex, age, marital status, sexual orientation, physical or mental disability, or political affiliation as required by all applicable anti-discrimination laws and regulations of the United States of America and the State of California as they now exist or may hereafter be amended.

11.4.4 Verification

Each party shall allow representatives of the other party access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the other party. Prior to any such inspection, A party receiving such a request may remove personal employee information from such records, which is protected under the privacy laws of the State of California. To the extent any such information may enter into the possession of the other party during such an inspection, the inspecting party hereby promises to protect same from disclosure to third parties.

11.4.5 Breach

Violation of any provisions under this section shall constitute an Event of Termination for Cause (as defined in section 7.4); provided that determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that University has violated State or Federal anti-discrimination laws or regulations shall constitute an Event of Immediate Termination (as defined in section 7.4).

11.5 Staff Performance While Under the Influence

University shall use its reasonable efforts to ensure that none of its personnel shall perform services hereunder while under the influence of any alcoholic beverage, medication, narcotic or other substance that might impair his or her physical or mental performance.

11.6 University Performance During Disaster or Civil Unrest

University recognizes that health care facilities maintained by DMH, including shelters and relief facilities operated by DMH during a disaster, provide care essential to the population of the communities they serve and that these services are of particular importance at the time of a natural disaster or other similar event, or at the time of a riot, insurrection or civil unrest. Notwithstanding any other provision of this Agreement, University shall continue to provide services at DMH Facilities and, if requested to do so by Director, shall also provide services at DMH-operated shelters and relief facilities during any natural disaster or other similar event, riot, insurrection or civil unrest, so long as such performance remains physically possible and does not subject University employees, agents and representatives to unreasonable threat to personal safety. Failure to comply with this requirement shall be considered an Event of Termination for Cause (as defined in section 7.4). To the extent that services are required in excess of those otherwise anticipated under this Agreement, DMH shall pay University for actual damages and the costs of replacement services at rates to be determined by DMH pursuant to applicable ordinances. Parties shall work together to develop a plan for the provision of services in the event of a disaster or civil unrest.

11.7 Licenses, Permits, Registrations and Certificates

University and DMH, respectively, shall obtain and maintain during the term of this Agreement all appropriate licenses, permits, registrations and certificates as required by law for the provision of their respective services hereunder. University shall require that all its personnel, including all its independent contractors, who perform services hereunder shall obtain and maintain in effect during the term of this Agreement, all licenses, permits, registrations and certificates required by law which are applicable to their performance hereunder. Copies of all such licenses, permits, registrations and certifications as required by law shall be made available to DMH or University, respectively, upon request.

11.8 Unlawful Solicitation

University shall inform and require all of its officers, employees and agents, including all its independent contractors, providing services hereunder to acknowledge in writing their understanding of and agreement to comply with the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of the Business and Professions Code of the State of California (that is, the State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall make reasonable efforts to ensure that there is no violation of said provisions by its officers, employees, agents and independent contractors. University agrees that if a patient requests assistance in obtaining the services of any attorney, it shall make reasonable efforts to refer the patient to the attorney referral services of all those bar associations within the County of Los Angeles or the appropriate County agency that have such a service.

A copy of such written notice and acknowledgement shall be retained by University for purposes of inspection and audit and made available to DMH upon written request.

11.9 Conflict of Interest

No DMH officer or employee whose position in DMH enables him or her to influence the award of this Agreement or any competing agreement, and no spouse or economic dependent of such officer or employee shall be knowingly employed in any capacity by University herein, or have any other direct or indirect financial interest in this Agreement.

No officer, employee, agent, or independent contractor of University who may financially benefit from the provision of services hereunder shall in any way participate in DMH's approval process for the award of this Agreement or any competing agreement, or ongoing evaluation of such

services, under this Agreement or any competing agreement, or in any way attempt to unlawfully influence DMH's approval or ongoing evaluation of such services.

University shall comply with all applicable conflict of interest laws now in effect or hereafter to be enacted during the term of this Agreement. University warrants that it is not now aware of any facts that create a conflict of interest. If University hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make a full written disclosure of such facts to DMH. Full written disclosure shall include identification of all persons involved and a complete description of all relevant circumstances.

11.10 Covenant Against Contingent Fees

11.10.1 Covenant

University warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by University for the purpose of securing business.

11.10.2 Remedy

Breach or violation of this warranty shall constitute an Event of Termination for Cause (as defined in section 7.4). In addition to the remedies provided in section 7.4, DMH in its sole discretion shall be permitted to deduct from payments made under this Agreement, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

11.11 Delegation and Assignment by Contractor

- A. Contractor shall not assign its rights or delegate its duties under this Agreement, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Agreement, which is formally approved and executed by the parties. Any payments by County to any approved delegate or assignee on any claim under this Agreement shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.
- B. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Agreement, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Agreement.
- C. Any assumption, assignment, delegation, or takeover of any of the Contractor's duties, responsibilities, obligations, or performance of same by any entity other than the Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Agreement which may result in the termination of this Agreement. In the event of such termination, County shall be entitled to pursue

the same remedies against Contractor as it could pursue in the event of default by Contractor.

11.12 Subcontracting

DMH and University agree that there will be no subcontracting for the term of the Agreement.

11.13 Compliance with Applicable Law

A. University shall comply with all Federal, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. University shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of University, its officers, employees, or agents, of any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

C. University shall maintain in effect an active compliance program in accordance with the recommendations set forth by the Department of Health and Human Services, Office of the Inspector General.

D. Duty to Notify: University agrees to notify County of any and all legal complaints, citations, enforcement proceedings, administrative proceedings, judgments or litigation, known to University, whether civil or criminal initiated against University, its officers, employees, or agents which are likely to have a material effect on the organization's stewardship, financial position and/or ability to perform and deliver services under this contract.

11.14 Authorization Warranty

Both Parties hereby represent and warrant that the person executing this Agreement on behalf of such Party is an authorized agent who has actual authority to bind that Party to each and every term, condition, and obligation set forth in this Agreement and that all requirements of such Party have been fulfilled to provide such actual authority.

11.15 Fair Labor Standards

Each Party shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify the other Party for any violations of this obligation, pursuant to section 10 ("Indemnification").

11.16 Employment Eligibility Verification

Each Party warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others, and University warrants that the temporary personnel which it refers to DMH Facilities hereunder, including all independent contractor personnel performing services hereunder, meet the citizenship or alien status requirements contained in Federal statutes and regulations. Each Party shall obtain, from all of its personnel performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Each Party shall retain such documentation for all such personnel for the period prescribed by

law. Each Party shall indemnify the other Party for any violations of this obligation, pursuant to section 10 ("Indemnification").

11.17 Restrictions on Lobbying

If any Federal monies are to be used to pay for University's services under this Agreement, University shall comply with all certifications and disclosure requirements prescribed by Section 319, Public Law 101-121 (31 United States Code section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds provided under this Agreement also fully comply with all such certifications and disclosure requirements.

11.18 County Lobbyists

University and each County lobbyist or County lobbying firm, as defined in the County of Los Angeles Code section 2.160.010, retained by University, shall fully comply with the County's Lobbyist Ordinance, County of Los Angeles Code Chapter 2.160. Failure on the part of University or any County lobbyist or County lobbying firm retained by University to fully comply with the County Lobbyist Ordinance shall constitute an Event of Immediate Termination (as set forth in section 7.4).

11.19 Child Support Compliance Program

11.19.1 University's Acknowledgement of County's Commitment to Child Support Enforcement:

The University acknowledges that the County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The University understands that it is DMH's policy to encourage all DMH Contractors to voluntarily post the County's "LA's Most Wanted: Delinquent Parent's" poster in a prominent position at the University's place of business. The County's Child Support Services Department will supply the University with the poster to be used.

11.19.2 University's Warranty of Adherence to County's Child Support Compliance Program:

The University acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through Purchase Order or Agreement are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

As required by the County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting the University's duty under this Agreement to comply with all applicable provisions of law, the University warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

11.19.3 Certification

As of July 1, 2001, and every three (3) years thereafter, University shall submit to County's Child Support Services Department a completed Principal Owner Information ("POI") Form, incorporated herein by reference, along with certifications in accordance with the provisions of Section 2.200.060 of the County Code, that: (a) the POI Form has been appropriately completed and provided to the County's Child Support Services Department with respect to University's Principal Owners; (b) University has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and (c) University has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment and will continue to maintain compliance. Such certification shall be submitted on the Child Support Compliance Program ("CSCP") Certification, also incorporated herein by reference. Failure of University to submit the CSCP Certification (which includes certification that the POI Form has been submitted to the Child Support Services Department) to the Child Support Services Department shall constitute an Event of Termination for Cause pursuant to Section 7.4.

11.20 Merger and Integration Provision

All exhibits, attachments and addenda to this Agreement are incorporated herein. This Agreement fully expresses all understandings of Parties concerning all matters covered and shall constitute the entire Agreement of the Parties, superceding any prior agreements between the Parties regarding its subject matter. No addition to or alteration of the terms of this Agreement, whether by written or oral understanding of the Parties, their officers, agents or employees, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the Parties.

11.21 Severability

If any provision of this Agreement, including all the exhibits, attachments and addenda hereto, or the application thereof to any person or circumstance, is held to be illegal or invalid, the remainder of the Agreement and the application of such provision to other persons or circumstances shall not be affected, except as otherwise provided in this paragraph. If such invalidation has the effect of materially altering the obligations of either Party, then the Parties shall diligently seek to amend the Agreement to restore the prior balance of obligations. If the Parties are unable to agree on such amendment within forty-five (45) days following notice of the invalidation, then the impaired Party may deem the invalidation an Event of Termination for Cause under section 7.4 without fault or breach by either Party.

11.22 Investigations

Each Party shall cooperate regarding outside investigations of the other Party as reasonably requested by the other Party as it relates to this Agreement. If any government agency undertakes an investigation of a Party, the other Party shall comply with that Party's reasonable request to make available information and records in connection with the investigation. Compliance with this provision by either Party shall not constitute a waiver of the attorney-client privilege.

11.23 No Third Party Beneficiaries

None of the provisions of this Agreement are or shall be construed as for the benefit of or enforceable by any person not a Party to this Agreement.

11.24 Waiver

No waiver, expressed or implied, of any breach of this Agreement, shall constitute a waiver of any right under this Agreement or of any subsequent breach, whether of a similar or dissimilar nature. All of the rights or remedies permitted or available to a Party under this Agreement, or at law or in equity, shall be cumulative and not alternative, and the exercise of any right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right or remedy.

11.25 Interruption of Service

Except as otherwise provided under section 11.6, either Party shall be excused from any delay or failure in performance hereunder caused by reasons of any occurrence or contingency beyond its reasonable control, including acts of God, acts of war, fire, insurrection, labor disputes, riots, earthquakes, or other acts of nature. The obligations and rights of the other Party so excused shall be extended on a day-to-day basis for the duration of such excusable interruption. In the event the interruption of a Party's services continues for a period in excess of thirty (30) days, then upon ten (10) day's notice the other Party may deem the interruption an Event of Immediate Termination (as set forth in section 7.4), without fault of or breach by either Party.

11.26 Section References

Throughout this Agreement, each section includes any subsection.

11.27 County Obligation for Current and Future Fiscal Years

Notwithstanding any other provision of this Agreement, this Agreement shall not be effective and binding upon the parties unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for County's current Fiscal Year. Further, County shall not be obligated for University's performance hereunder or by any provision of this Agreement during any of County's future Fiscal Years unless and until County's Board of Supervisors appropriates funds for purposes hereof in County's Budget for each such future Fiscal Year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30th of the last Fiscal Year for which funds were appropriated.

11.28 Patients'/Clients' Rights

University shall comply with all applicable patients'/clients' rights provisions, including, but not limited to, California Welfare and Institutions Code sections 5325 et seq., California Code of Regulations, Title 9, sections 850 et seq., and California Code of Regulations Title 22. Further, University shall comply with all patients'/clients' rights policies provided by DMH. DMH Patients' Rights Advocates shall be given access by University to all patients/clients, patients'/clients' records, and University's personnel in order to monitor University's compliance with all applicable statutes, regulations, manuals and policies.

11.29.1 Elders and Dependent Adults Abuse

University, and all persons employed or subcontracted by University, shall comply with California Welfare and Institutions Code sections 15630 et seq., and shall report all known or suspected instances of physical abuse of elders and dependent adults under the care of University either to an appropriate County adult protective services agency or to a local law enforcement agency, as mandated by California Welfare and Institutions

Code sections 15630, 15631 and 15632. University, and all persons employed or subcontracted by University, shall make the report on such abuse, and shall submit all required information, in accordance with California Welfare and Institutions Code sections 15630, 15633 and 15633.5.

11.29.2 Minor Children Abuse

University, and all persons employed or subcontracted by University, shall comply with California Penal Code sections 11164 et seq., and shall report all known or suspected instances of child abuse to an appropriate child protective agency, as mandated by California Penal Code sections 11164, 11165.8 and 11166. University, and all persons employed or subcontracted by University, shall make the report on such abuse, and shall submit all required information, in accordance with California Penal Code sections 11166 and 11167.

11.29.3 University Staff

University shall assure that any person who enters into employment as a care custodian of elders, dependent adults or minor children, or who enters into employment as a health or other practitioner, prior to commencing employment, and as a prerequisite to that employment, shall sign a statement on a form provided by University in accordance with the above Code sections to the effect that such person has knowledge of, and will comply with, these code sections.

University shall assure that clerical and other nontreatment staff who are not legally required to directly report suspected cases of abuse, consult with mandated reporters upon suspecting any abuse.

For the safety and welfare of elders, dependent adults, and minor children, University shall, to the maximum extent permitted by law, ascertain arrest and conviction records for all current and prospective employees and shall not employ or continue to employ any person convicted of any crime involving any harm to elders, dependent adults, or minor children.

University shall not employ or continue to employ, or shall take other appropriate action to fully protect all persons receiving services under this Agreement concerning, any person whom University knows, or reasonably suspects, has committed any acts which are inimical to the health, morals, welfare, or safety of elders, dependent adults or minor children, or which otherwise make it inappropriate for such person to be employed by University.

11.30 Certification of Drug-Free Workplace

University certifies and agrees that University and its employees shall comply with DMH's policy of maintaining a drug-free work place. University and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of University's facilities or work sites or DMH's facilities or work sites. If University or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then University, within five (5) days thereafter, shall notify Director in writing.

11.31 Governing Law, Jurisdiction, and Venue

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. University agrees and consents to the exclusive jurisdiction of the courts of the State of

California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles, California. Further, this Agreement shall be governed by, and construed in accordance with, all laws, regulations, and contractual obligations of DMH under its agreement with the State.

11.32 Captions and Section Headings

Captions and section headings used in this Agreement are for convenience only and are not a part of this Agreement and shall not be used in construing this Agreement.

11.33 Alteration of Terms

No addition to, or alteration of, the terms of the body of this Agreement, or the Financial Exhibit column(s) which are identified on the Financial Summary or Service Exhibit(s) hereto, whether by written or oral understanding of the parties, their officers, employees or agents, shall be valid and effective unless made in the form of a written amendment to this Agreement which is formally approved and executed by the parties in the same manner as this Agreement.

The County's Board of Supervisors or Chief Administrative Officer or designee may require the addition and/or change of certain terms and conditions in the Agreement during the term of this Agreement. The County reserves the right to add and/or change such provisions as required by the County's Board of Supervisors or Chief Administrative Officer. To implement such orders, an Amendment to the Agreement shall be prepared and executed by the Contractor and by the Director of Mental Health.

11.34 Notice to Employees Regarding the Federal Earned Income Credit

University shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

11.35 Use of Recycled-Content Products

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the University agrees to use recycled-content paper to the maximum extent possible on the Project.

11.36 Public Announcements and Literature

In public announcements and literature distributed by University for the purpose of apprising patients/clients and the general public of the nature of its treatment services, University shall clearly indicate that the County of Los Angeles funds the services provided under this Agreement.

11.37 Compliance with Jury Service Program

11.37.1 Jury Service Program

This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

11.37.2 Written Employee Jury Service Policy

Unless University has demonstrated to the DMH's satisfaction either that University is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that University qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), University shall have and adhere to a written policy that provides that its Employees shall receive from the University, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the University or that the University deduct from the Employee's regular pay the fees received for jury service.

For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of University. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) University has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If University uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

If University is not required to comply with the Jury Service Program when the Agreement commences, University shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and University shall immediately notify DMH if University at any time either comes within the Jury Service Program's definition of "Contractor" or if University no longer qualifies for an exception to the Program. In either event, University shall immediately implement a written policy consistent with the Jury Service Program. DMH may also require, at any time during the Agreement and at its sole discretion, that University demonstrate to DMH's satisfaction that University either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that University continues to qualify for an exception to the Program.

University's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar University from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

11.38 Health Insurance Portability and Accountability Act

The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). University understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*. University understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on

University's behalf. University has not relied, and will not in any way rely, on County for legal advice or other representations with respect to University's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

University and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party (including their officers, employees and agents), for its failure to comply with HIPAA.

11.39 Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in **Attachment I** of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

11.40 Contractor's Acknowledgement of County's Commitment to the Safely Surrendered Baby Law

The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

11.41 University's Exclusion From Participation in a Federally Funded Program

University hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that University will notify Director within thirty (30) calendar days in writing of: (1) any event that would require University or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against University or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of the Inspector General (OIG) has the discretion not to exclude.

The mandatory bases of exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a healthcare profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to Federally

funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

University shall indemnify and hold DMH harmless against any and all loss or damage DMH may suffer arising from any Federal exclusion of University or its staff members from such participation in a Federally funded health care program. University shall provide the certification set forth in Attachment II as part of its obligation under this Paragraph 11.41.

Failure by University to meet the requirements of this Paragraph 11.41 shall constitute a material breach of Agreement upon which DMH may immediately terminate or suspend this Agreement.

11.42 Contractor Responsibility and Debarment:

- A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.
- B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.
- C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
- D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- F. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. By requiring Contractors to complete the certification in Attachment IX, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to

protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202).”

This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures has been included as part of the Contractor’s contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director or his designee for performance standards and/or outcome measures. County will notify Contractor whenever County policies or procedures are to apply to this contract provision (e.g., AB 2034 grant) at least, where feasible, 30 calendar days prior to implementation.

These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

C1 INTRODUCTION

C1.1 General

University and DMH agree that this Addendum D shall be adopted under section 2.2 ("Mental Health Services") of the Affiliation Agreement of July 1st, 2006, between University and DMH. University and DMH further agree that this Addendum D shall be subject to all of the provisions of that Agreement governing Mental Health Services, except where otherwise specified in this Addendum D.

C1.2 Conflicting Negotiation Package Terms Superseded by Terms of this Addendum

As provided in section 3.2.1.1 and 4.2.2.1 of the main Affiliation Agreement, terms contained in this Addendum shall supersede conflicting terms in the Negotiation Package submitted by University in connection with this Mental Health Services Program.

C2 DESCRIPTION OF SERVICES

C2.1 Overview

University shall provide Mental Health Services to County through its Training, Intervention, Education, and Services ("TIES") for Adoption Program (the "Program"). The provision of these services is intended to promote successful adoption, growth, and development of children with special needs, including prenatal substance exposure, who are in foster care. The program provides adoptive parents with the training and support they need to facilitate successful adoption of children for whom, historically, it has been difficult to find adoptive homes, and supports the children through the adoption process. Many of these children have had multiple placements primarily due to mental health and behavioral problems that impair their functioning and jeopardize the stability of placements.

The Mental Health Services to be provided by University shall include medication support, case management services, and case management brokerage, to be provided individually or through group counseling. The Mental Health Services shall be provided countywide from the service site located at 1000 Veteran Avenue, Los Angeles, California, 90095-7142 (the "Service Site"), which is located near the UCLA campus.

Depending on the child's presenting problems and the parents' needs, a family may receive one or more of several Mental Health Services through the Program:

- a) Record review and consultation;
- b) Parent counseling;
- c) Child therapy;
- d) Psychological assessment of child;
- e) Parent support group;
- f) Psychiatric evaluation;
- g) Pediatric consultation; and
- h) Mental health related educational consultation.

University shall assign a coordinator as a case manager for all children (and their foster parents, adoptive parents, and their childrens' social workers) receiving Mental Health Services through the Program.

Depending on each client's needs, the Mental Health Services to be provided by University may include those described in detail in section C3 ("University Responsibilities").

C3 UNIVERSITY RESPONSIBILITIES

C.3.1 Program Services

C3.1.1 Assessment and Evaluation

C3.1.1.1 Record Review and Consultation

When record review and consultation are requested, the appropriate Program staff specialist(s) shall review all available records on the child (for example, psychologist records for psychological evaluations, pediatrician records for medical records, psychiatrist records for psychiatric issues and medication questions, mental health and educational rehabilitation coordinator records for school records and issues related to mental health functioning). In a meeting of all involved staff members, mental health, medical, and educational issues shall be discussed; the need for further information and assessment shall be identified, and recommendations for interventions shall be developed. If the family and child live too far from the Service Site, the Program shall make referrals to professionals or agencies in the home community.

C3.1.1.2 Psychological Assessment and Testing

C3.1.1.2.1 Assessment

A clinical analysis of the child's history, including foster and/or adoptive placement history, and current status of the child's mental, or emotional/behavioral disorder is performed by the appropriate specialists on the Program staff to determine the type(s) of services that will be provided to the child, parent(s), or family.

C3.1.1.2.2 Testing

Some children may receive psychological testing in order to more fully understand their cognitive, behavioral/emotional, and academic functioning, and to assist in diagnosis. They shall be tested by a licensed psychologist or by an unlicensed psychologist or advanced graduate student in clinical psychology (with a master's degree in clinical

psychology) under close supervision by a licensed clinical psychologist. Parents may be asked to fill out questionnaires regarding the child's behavioral functioning and temperament.

C3.1.2 Counseling and Intervention Services

C3.1.2.1 Individual Therapy for Child

Individual play psychotherapy is provided to children between age three (3) and eight (8) to (a) ameliorate symptoms and feelings of grief and loss, (b) cope with previous trauma, abuse, and neglect; (c) deal with impaired self-esteem, (d) process ambivalent feelings about joining a new family; and (e) develop strategies to deal with feelings of anger and help them achieve greater behavioral control.

C3.1.2.2 Collateral Parent Counseling

Collateral parent counseling is offered on a weekly basis and may be short-term or long-term depending upon the severity of the child's mental health needs and issues of the parents. Parents are helped to (a) understand children's behavior and symptoms in the light of their previous experiences and possible traumatic history; (b) develop effective behavior strategies for their child; (c) understand the child's temperament and develop parenting strategies for the child's particular temperamental characteristics; (d) deal with attachment, grief, and loss issues of the child and the family; (e) understand normal child development and developmental stages; and (f) cope with the challenges of being a new parent to a child with special needs. Usually, parent counseling will be provided at the Service Site. Occasionally, however, home visits will be planned, particularly with parents of very young children.

C3.1.2.3 Child Group Psychotherapy

Child psychotherapy groups shall meet concurrently with five (5) of the six (6) parent psychotherapy groups. Group activities shall be conducted that help the children understand the shared experiences of adoption and loss of previous caregivers and relationships. Group leaders shall help children develop social skills and encourage children to verbally express themselves.

C3.1.2.4 Parent Collateral Group Therapy

Collateral group therapy for parents is held once per month for one and a half (1.5) hours.

C3.1.3 Psychological Testing

Cases that present challenging questions about the child's cognitive, academic, behavioral, emotional functioning, and/or diagnosis shall be referred to the Program's Assessment Coordinator by the clinician. The primary clinician (case manager) shall provide basic background information and the current questions/concerns. The background information for cases that are considered for psychological testing are reviewed and appropriate cases are scheduled for psychological testing with a psychologist, unlicensed Ph.D., Psy.D., or advanced graduate student with a master's degree in clinical psychology. Assessment reports are supervised by the Assessment Coordinator.

C3.2 Staffing and Personnel Providing Mental Health Services

C3.2.1 General

University shall provide the Mental Health Services under this Agreement through psychiatrists, pediatricians, psychologists, clinical social workers, mental health rehabilitation specialists, and graduate students in the Ph.D. program in Clinical Psychology at UCLA.

C3.2.2 Unlicensed Psychologists and Social Workers

All unlicensed psychologists and social workers will receive weekly individual and group supervision provided by a licensed staff member.

C3.2.3 Graduate Students

University's graduate students shall serve as psychological assessors, therapists for parents and children, and support group facilitators in providing Mental Health Services under this Agreement. All graduate students shall hold master's degrees in clinical psychology and shall be closely supervised by licensed clinical psychologists. University's supervisors shall ensure that these students provide services commensurate with their experience and level of education.

C3.2.4 Volunteers

Volunteers shall assist Program staff members during children support groups and shall assist the group leaders with group activities. Additionally, volunteers shall attend a quarterly meeting run by a licensed

psychologist. Volunteers will be required to undergo a background/fingerprint check and will sign a Statement of Confidentiality. A licensed staff member shall supervise and provide direction to these students throughout the group.

C3.2.5 Confidentiality

The University shall inform all of its students and volunteers about the confidential nature of the client information obtained during participation in the Program. All students and volunteers shall be required to sign a Statement of Confidentiality form indicating that they understand and agree to maintain the confidentiality of the information with which they will come into contact.

C3.3 Eligibility and Referral to the Program

All children must be covered under the Medi-Cal with EPSDT, have emotional disturbance, and meet Medi-Cal medical necessity criteria in order to be eligible to obtain Mental Health Services through the Program.

C3.3.1 Informing Prospective Parents about the Program

Prospective adoptive parents of the children to be served, may be introduced to the Program and its services during their participation in mandatory adoptive parents training sessions ("MAPP") provided by the County Department of Children and Family Services ("DCFS") for unattached (recruited) families. A Program staff member shall attend the final MAPP meeting and present information about the services that are available through the Program.

C3.3.2 Referral and Intake Procedures

After completing the preparation sessions and when they are matched with a child, the family should contact their DCFS Adoptions Division CSW if they wish to access Program services. In other cases, families may elect to request Program services several weeks or months after the child has been placed in their home. The family's CSW or the Program's DCFS liaison shall contact the Program's Intake Coordinator who shall obtain basic demographic information about the family and child, presenting problems and the type(s) of service they are requesting. Intake will be conducted by a University clinician who is either a LCSW or a psychologist (Ph.D. or Psy.D.). The LCSW shall forward background information about the child to the Program with appropriate consent forms to be signed (Declaration in Support of Access to Juvenile Records Form, see California Welfare and Institutions Code section 827). Intake hours are between 9:00 a.m. and 6:00 p.m., Monday through Friday.

Should families contact the Program directly requesting services, they will be referred back to their CSW and the above intake procedure shall be followed.

C3.3.3 Assignment of Cases

The Program's Intake Coordinator and the Assistant Project Director I shall review the information received and assign the case to the appropriate professionals on the University's interdisciplinary team. Usually, cases shall be assigned within a week of first contact with the referring CSW, unless there is a delay in receiving the intake referral and/or background information from DCFS. First contact with the family by phone or in person usually shall occur within one (1) to two (2) weeks after initial contact with the referring CSW.

C3.4 Availability and Scheduling of Mental Health Services

As of the date of execution of this Addendum, there is no waiting list for Mental Health Services through the Program, except for the support groups for children and for parents. In the event that a waiting list becomes necessary, children will be seen in the order in which their families requested services. However, cases will also be prioritized based on the severity of the presenting problem of the child and the level of distress expressed by the prospective adoptive families. Children whose behavior is more disturbed (for example, running away or exhibiting aggressive behavior) or families expressing more concern about the viability of the placement will be moved to the top of the waiting list and will be seen as soon as a mental health professional on the staff has an opening.

C3.5 Discharge

Cases shall be closed when children and their families have met their treatment goals. Treatment goals are related to improvement of the child's social functioning and skills, and reduction of emotional and behavioral symptoms. In addition, treatment goals relate to the successful transition of the child into their new home and working through their grief and loss, as well as the parents' increased confidence and competence in parenting a special needs child.

Discharge planning shall be discussed with the child(ren) and their caregivers and an appropriate termination plan shall be developed and carried through all treatment staff practice within the scope of their license or area of educational background. All written paperwork, including Service Plans, Coordination Plans, and Outcome Measures will be prepared within the timeframe specified by the County.

When a family is discharged from all forms of treatment, they will be advised that they can contact their therapist or the Program Director at a future time if a need

for additional services arises. If necessary, they may be referred to resources in their communities.

C3.6 Agency Discharge/Follow-Up Procedures

Families who receive time-limited services such as record review and consultation or psychological assessment through the Program, need further follow-up, and cannot receive on-going services at the service site because of the site's distance from their home shall be referred to individual practitioners and/or agencies in the family's community. Every effort shall be made to locate practitioners who accept Medi-Cal, when necessary, and to find clinicians who are familiar with the issues facing children in foster care and adoption.

C4 FUNDING AND REIMBURSEMENT

C4.1 County Obligation

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
