SACHI A. HAMAI
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF STATE CONTRACT NO. 06-76191-000 WITH
THE STATE OF CALIFORNIA, DEPARTMENT OF MENTAL HEALTH
AND
APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT
FOR FISCAL YEAR 2006-2007
(ALL SUPERVISORIAL DISTRICTS)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Accept and approve the State of California, Department of Mental Health's (State) Contract No. 06-76191-000, with the County of Los Angeles - Department of Mental Health (DMH), to enable the State to use the services of Ms. Kirsten Deichert, the Legislative and Public Information Officer for DMH. The term of the Contract is October 20, 2006 through October 20, 2008 and will be effective upon Board approval. The cost of the contract is \$81,997 for Fiscal Year (FY) 2006-2007, \$111,998 for FY 2007-2008, and \$28,000 for FY 2008-2009 for a total cost of \$221,995 over the three-year term of the contract. The cost of the contract will be 100% reimbursed by the State.
2. Instruct the Director of Mental Health or his designee to sign two copies of the State Contract, substantially similar to Attachment I, and forward them to the State.
3. Authorize DMH to fill one (1) ordinance position, Legislation and Public Information Officer, in excess of what is provided for in DMH's staffing ordinance, pursuant to Section 6.06.020 of the County Code and subject to allocation by the

Chief Administrative Office (CAO). Continued funding for this item through October 20, 2008 will be provided through reimbursement by the State for Ms. Deichert's services. It is expected that Ms. Deichert will become a State employee by October 20, 2008, and DMH will eliminate the additional ordinance position.

4. Approve the Request for Appropriation Adjustment (Attachment II) for FY 2006-2007 in the amount of \$82,000. The Appropriation Adjustment, fully funded by the State, will provide funding for the reimbursement of services provided by Ms. Deichert and enable DMH to backfill the Legislation and Public Information Officer position.
5. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to the Contract to reflect any changes in the salary and benefits of Ms. Deichert, provided that: 1) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to such Amendment; 2) the Director of Mental Health shall notify the Board of Supervisors of the changes in writing within 30 days after execution of each Amendment; and 3) the period of the Contract shall remain the same.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The requested actions will enable DMH to assist the State in responding to its increasing need for external communications related to the Mental Health Services Act (MHSA) (Proposition 63). Since the State will fully reimburse the County for Ms. Deichert's services, there will be no negative fiscal impact on the County. Additionally, during Ms. Deichert's tenure at the State Department of Mental Health, she will bring the unique perspective and experience of Los Angeles County to bear on the State's planning and implementation of the MHSA and its related communication projects.

Since passage of the MHSA, the State is required to make significant efforts to engage community members in its decision-making processes for the new funds that will become available. Additionally, the MHSA requires the State to use various communication methods to diminish the stigma associated with mental illness in the minds of the general public. Finally, the MHSA requires California to increase access to mental health services among individuals with severe mental illness. For example, the State DMH is currently developing draft regulations and requirements for the Early Intervention & Prevention funding component of the MHSA (20% of the approximately \$1 billion annual revenue from the MHSA). Increasing the State's

understanding of Los Angeles County's perspective on Early Intervention & Prevention activities may result in State requirements that better reflect this County's priorities (e.g., public education about mental illness that targets underserved populations, including Latinos and Asian/Pacific Islanders).

Due to the new MHSA requirements, the State requested the services of Ms. Deichert to design and implement a new and diverse set of public communication activities. As the largest and one of the most diverse counties in California, Los Angeles County's unique needs may be better understood and represented at the State level by providing the services of Ms. Deichert to the State Department of Mental Health.

Without approval of the recommended action, the State will be unable to improve its dissemination of information to the public about the MHSA and will be unable to improve the understanding and awareness of the public about mental health services that will newly be available.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan, Organizational Goal No. 6, "Community Services." The approved action will allow the State to keep the State's residents, including Los Angeles County residents, informed about the policies and actions of the State, specifically the policies relating to the MHSA.

FISCAL IMPACT/FINANCING

There is no net County cost.

The cost of the Contract is \$81,997 for FY 2006-2007, \$111,998 for FY 2007-2008, and \$28,000 for FY 2008-2009 for a total cost of \$221,995 over the three-year term of the Contract.

The Appropriation Adjustment (Attachment II) for FY 2006-2007 in the amount of \$82,000, fully funded by the State, will provide funding for the reimbursement of services provided by Ms. Deichert and enable DMH to backfill the Legislation and Public Information Officer position. Ongoing funding for the reimbursement of Ms. Deichert's services in FYs 2007-2008 and 2008-2009 will be included in DMH's Annual Budget process.

It is expected that Ms. Deichert will become a State employee by October 1, 2008, and DMH will eliminate the additional ordinance position.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

County Counsel has reviewed and approved the Contract as to form, and the CAO and County Counsel have reviewed and approved the Board letter.

The term of the Contract will be three fiscal years, i.e., FYs 2006-2007, 2007-2008, and 2008-2009. The Contract was prepared by the State to authorize the State to use the services of Ms. Deichert. As a contracted employee to the State, Ms. Deichert will play a major role in the dissemination of information about the policies and actions of the State to the public via the media, provide general support to the Assistant Director, External Affairs, and perform other communications related duties. Ms. Deichert will not be asked to perform services that exceed the contract amount, scope of work, or the contract period.

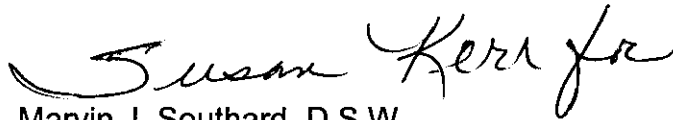

IMPACT ON CURRENT SERVICES

Approval of the recommended action will have no impact on current services since the State will fully reimburse the County for the services to be provided. Additionally, the Legislative and Public Information Officer position of the Department will be backfilled.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's actions. It is requested that the Executive Officer of the Board notify the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when these documents are available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

obligations or liabilities whatsoever.

16. *Interpretation.* The terms and conditions in these Provisions shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HIPAA regulations and applicable State laws.
