At its meeting held June 27, 2006, the Board took the following action:

28 and 29
The following items were called for consideration:

28
The Director of Mental Health’s recommendation to approve and authorize the Director to prepare and execute 72 renewal Legal Entity (LE) agreements for the provision of continuous, uninterrupted mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed children, adolescents, and their families throughout the County, at a total cost of $314,988,813, funded by 28% State and 43% Federal revenues, 4% Intrafund Transfers and 25% Net County Cost/Realignment funds in amount of $76,987,293, effective July 1, 2006 through June 30, 2007, with two automatic one-year renewal periods for 71 LE agreements, and one automatic one-year renewal period for LE agreement with an Institution for Mental Disease contractor; approve revised LE agreement format, which has been updated to reflect revised and new Board mandated provisions required in all County contracts, including a contract provision that contractors comply with all applicable Federal, State and County policies and procedures relating to performance standards and outcome measures, including a new provision on the Mental Health Services Act; and authorize the Director to prepare and execute future amendment to LE agreements, provided that: 1) the County’s total payments to a contractor under each agreement for each applicable fiscal year shall not exceed an increase of 20% from the applicable revised MCA or per diem rates; and 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; and

(Continued on Page 2)
The Director of Mental Health’s recommendation to approve and authorize the Director to prepare and execute the supersession of 69 Legal Entity (LE) agreements to enable the Department to ensure the uniform implementation of revised and new Board-mandated provisions required in all LE agreements which provide for mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed children, adolescents, and their families, at a total cost of $239,191,997, funded by 32% State and 45% Federal revenues, 4% Intrafund Transfers and 19% Net County Cost/Realignment funds in amount of $46,149,547, effective upon execution through June 30, 2007 with one automatic one-year renewal; authorize the Director to prepare and execute amendments to the LE agreements, provided that: 1) the County’s total payments to a contractor under each agreement for each applicable fiscal year does not exceed an increase of 20% from the applicable revised MCA or per diem rates; and 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes.

Bruce Saltzer, representing the Association of Community Human Service Agencies, addressed the Board.

The following statement was entered into the record for Supervisors Knabe and Burke:

“The allocations to County-contracted, community mental health agencies are based on projections as to their estimated client mix and funding source. These projections are not an exact science. The reality is that community agencies can neither predict nor control who walks through their doors or whether the client is insured or uninsured. No one disputes that the costs of care to the uninsured and underinsured are rising, but the County is currently unable to afford to increase the agencies’ maximum contract amounts. Community agencies must find other non-County funds to help them survive.”

(Continued on Page 3)
"In an effort to assist agencies with this endeavor, the County has historically allowed agencies during the Fiscal Year to shift County General Fund (CGF) dollars from an underutilized fund category within their contracts to match and draw down additional Federal dollars. These additional Federal funds are how many agencies have historically survived the increasing costs of indigent care. Today, the County threatens to shut off that source of income putting the survival of our community agencies and the safety-net services they provide to our residents at-risk. Last year, the problem was temporarily resolved by mutually agreed upon contract language that maintained as much of this CGF flexibility as possible while protecting the County's interest in drawing down additional Federal matching dollars for indigent care. The following language was agreed upon: ‘For Fiscal Year 2004-05 only, Contractor may, on a provisional basis, shift CGF between categories in the Financial Summary, based on actual services delivered, with the provision that at settlement, County General Funds will be first used for Match if the amount needed for Match exceeds the amount projected by Contractor. Any such shift of funds shall be in compliance with all County, State, and Federal regulations, and shall not result in any increase to the Maximum Contract Amount.’

"Since that time, providers and the Department of Mental Health have been working to try to come up with a long-term solution. There have been good faith efforts on both sides, but a final resolution has not yet been reached. Meanwhile, the current year contracts do not include the temporary accommodation included in last year’s contracts.

"While both parties continue the effort to work out a final resolution, fairness and stability in our fragile mental health safety net require that language identical to the Fiscal Year 2004-05 contract language needs to be inserted into the current Fiscal Year 2005-06 contracts. Otherwise, the community agencies serving the County’s indigent population face the loss of hundreds of thousands of dollars."

Therefore, Supervisor Knabe made a motion that the Board take the following actions:

1. Adopt the Director of Mental Health’s attached recommendations; and

   (Continued on Page 4)
28 and 29 (Continued)

2. Instruct the Director of Mental Health to:

- Include the same shift of funds language in the current Fiscal Year contracts that the Board approved for inclusion in the Fiscal Year 2004-05 contracts; and

- In consultation with the Chief Administrative Officer, County Counsel and Auditor-Controller, report back in 30 days with a long-term solution to the shift of funds issue.

Supervisor Molina made a suggestion that Supervisor Knabe’s motion be amended to also request the Director of Mental Health, in exercising appropriate and reasonable discretion in allowing contract providers to shift funds within their Maximum Contract Amount for Fiscal Year 2005-06, to require his Department to maintain the same level of projected savings identified by his Department in its multi-year deficit mitigation plan. Supervisor Knabe accepted Supervisor Molina’s amendment.

Supervisor Knabe’s motion, as amended, seconded by Supervisor Molina, was unanimously carried.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

APPROVAL TO RENEW 72 DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENTS
AND
APPROVAL OF THE REVISED DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENT FORMAT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute the renewal of 72 Department of Mental Health (DMH) Legal Entity (LE) Agreements, in accordance with Attachment I and substantially similar to Attachment II, for the provision of continuous, uninterrupted mental health services to severely and persistently mentally ill adults, seriously emotionally disturbed (SED) children, adolescents, and their families throughout the County of Los Angeles. The total contract costs of $314,988,813 are fully funded by State revenues (28%), Federal revenues (43%), Intrafund Transfers (4%), and net County cost (NCC)/Realignment funds (25%), that are included in DMH's Fiscal Year (FY) 2006-2007 Proposed Budget.

The term of 71 LE Agreements will be effective July 1, 2006 through June 30, 2007, with a provision for two (2) automatic one-year renewal periods. The term of one (1) LE Agreement with an Institution for Mental Disease (IMD) contractor will be effective July 1, 2006 through June 30, 2007, with a provision for one (1) automatic one-year renewal period.

2. Approve the revised DMH LE Agreement format, substantially similar to Attachment II, which has been updated to reflect revised and new Board-mandated provisions required in all County contracts, including a contract

"To Enrich Lives Through Effective And Caring Service"
provision that contractors comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. The LE Agreement format also includes a new provision on the Mental Health Services Act (MHSA).

3. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements, provided that: 1) the County’s total payments to a contractor under each Agreement for each applicable fiscal year shall not exceed an increase of 20 percent from the applicable revised Maximum Contract Amount (MCA) or per diem rates; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) County and contractor may, by written amendments, reduce programs or services and revise the applicable MCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH’s stakeholders’ process and will reflect DMH’s FY 2006-2007 Final Budget approved by your Board; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required because these 72 LE Agreements will expire on June 30, 2006, and the renewal of these agreements is required to continue the provision of services without interruption to severely and persistently mentally ill adults and SED children, adolescents, and their families.

This Board letter does not comply with the Board’s policy requiring timely submission of contracts to your Board for approval. Late submission is the result of delays in finalizing the Board letter, including confirmation of funding allocations, and allowing sufficient time for the Board letter to be filed to permit your Board to continue the matter for two (2) weeks as needed.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan’s Programmatic Goals No. 5, “Children and Families’ Well-Being,” and No. 7, “Health and Mental Health.” Renewing these agreements
The Honorable Board of Supervisors

will allow for continuous and uninterrupted mental health services to existing mental health clients throughout Los Angeles County and for the collaborative partnership between government and community agencies.

**FISCAL IMPACT/FINANCING**

There is no increase in NCC.

The MCA for each LE Agreement is shown in Attachment I. For FY 2006-2007, the MCAs totaling $314,988,813 for these 72 LE Agreements will be funded by the following sources that are included in DMH’s FY 2006-2007 Proposed Budget:

1) State revenues $89,367,767  
2) Federal revenues $135,733,450  
3) Intrafund transfers $12,900,303  
4) NCC/Realignment funds $76,987,293

For FYs 2007-2008 and 2008-2009, funding will be requested during DMH’s annual budget process. The MCAs for FYs 2006-2007, 2007-2008, and 2008-2009, that are shown in Attachment I, may be subject to change because of anticipated budgetary factors which may impact the funding that is given to the County by the State and/or the Federal government on an annual basis.

The LE Agreements include provisions that permit the County to reduce the MCAs or terminate the agreements, whichever is applicable under the terms of the agreements, if, as a result of the adoption of the County and State budgets, funding for these agreements is reduced.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The LE Agreements with Short-Doyle/Medi-Cal mental health service contractors provide for a broad range of mental health services to severely and persistently mentally ill adults, SED children, adolescents, and their families, pursuant to the California Welfare and Institutions Code (WIC), Division 5, Part 2, Chapter 1, Section 5602. These mental health services include, but are not limited to, diagnosis, evaluation, treatment, day care, respite care, living arrangements, community skill training, information, referral, consultation, and community services.
On January 25, 2006, the California Department of Mental Health issued a directive to counties to initiate a rate increase for Medi-Cal nursing facilities that provide long-term care as IMDs, by 6.5 percent annually, effective July 1, 2005, through June 30, 2008, and 4.7 percent annually, effective July 1, 2008 and ongoing, as authorized by the California Department of Health Services. On May 2, 2006, your Board approved DMH's rate increase amendments to nine (9) existing LE Agreements with IMD contractors. One (1) of these IMD contracts, Sunbridge Braswell Enterprises, Inc., is expiring June 30, 2006, and will be renewed in this Board letter with a 6.5 percent annual rate increase for each FY 2006-2007 and FY 2007-2008.

DMH's clinical and administrative staff are assigned to supervise and administer agreements, monitor contract compliance, evaluate programs to ensure that quality services are being provided to clients, and ensure that Agreement provisions and departmental policies are being followed.

CAO and County Counsel have reviewed the proposed actions. The revised LE Agreement has been approved as to form by County Counsel. The LE Agreement format includes revised and new Board-mandated provisions required in all County contracts, such as Contractor's Charitable Activities Compliance, Contractor Responsibility and Debarment, and Delegation and Assignment by Contractor. Additionally, the LE Agreement format adds a new provision on the MHSA.

Attachment I lists the 72 LE Agreement renewals for FYs 2006-2007, 2007-2008, and 2008-2009, specifying the contractors, Supervisory Districts, Agreement terms, and MCAs per fiscal year for each Agreement.

Attachment II is the revised DMH LE Agreement format.

Attachment III details the Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form – Contract Listing with Minority/Women-Owned Firms.

CONTRACTING PROCESS

All of the 72 LE contractors have existing agreements with DMH, which expire on June 30, 2008, and are being renewed because of the continuing need for their services. As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors’ compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES

The renewal of these 72 LE Agreements will allow for the continued and uninterrupted mental health services to existing mental health clients throughout Los Angeles County. Without Board approval, essential mental health services will be curtailed and inaccessible to communities.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board actions. It is requested that the Executive Officer of the Board notifies the Department of Mental Health’s Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the
health and human services system to improve the lives of children and families. These efforts require, as a
fundamental expectation, that the County's contracting partners share the County and community's
commitment to provide health and human services that support achievement of the County's vision, goals,
values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the
adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing
responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and
prosperity of individuals, families, businesses and communities. This philosophy of teamwork and
collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and
caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3)
Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community
Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families
requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries,
by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles
County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for
children and families, consensus has emerged among County and community leaders that making substantial
improvements in integrating the County's health and human services system is necessary to significantly
move toward achieving these outcomes. The County has also established the following values and goals for
guiding this effort to integrate the health and human services delivery system:

- Families are treated with respect in every encounter they have with the health, educational, and
  social services systems.
- Families can easily access a broad range of services to address their needs, build on their
  strengths, and achieve their goals.
- There is no “wrong door”: wherever a family enters the system is the right place.
- Families receive services tailored to their unique situations and needs.
- Service providers and advocates involve families in the process of determining service plans,
  and proactively provide families with coordinated and comprehensive information, services, and
  resources.
- The County service system is flexible, able to respond to service demands for both the
  Countywide population and specific population groups.
- The County service system acts to strengthen communities, recognizing that just as individuals
  live in families, families live in communities.
- In supporting families and communities, County agencies work seamlessly with public and
  private service providers, community-based organizations, and other community partners.
- County agencies and their partners work together seamlessly to demonstrate substantial
  progress towards making the system more strength-based, family-focused, culturally-
  competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and
  accountable.
- County agencies and their partners focus on administrative and operational enhancements to
  optimize the sharing of information, resources, and best practices while also protecting the
  privacy rights of families.
- County agencies and their partners pursue multi-disciplinary service delivery, a single service
  plan, staff development opportunities, infrastructure enhancements, customer service and
  satisfaction evaluation, and revenue maximization.
- County agencies and their partners create incentives to reinforce the direction toward service
  integration and a seamless service delivery system.
- The County human service system embraces a commitment to the disciplined pursuit of results
  accountability across systems. Specifically, any strategy designed to improve the County
  human services system for children and families should ultimately be judged by whether it helps
  achieve the County’s five outcomes for children and families: good health, economic well-being,
  safety and survival, emotional and social well-being, and education and workforce readiness.
The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following Customer Service And Satisfaction Standards in support of improving outcomes for children and families.

**Personal Service Delivery**

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

**Service Access**

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

**Service Environment**

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere

- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

Each such Title XIX Short-Doyle/Medi-Cal Reconciliation Report and EPSDT Title XIX Medi-Cal shall be prepared by Contractor in accordance with all SDMH instructions and shall be certified in writing by Contractor's Chief Executive Officer. If Contractor does not so provide DMH with the Title XIX Short-Doyle/Medi-Cal Reconciliation Report and EPSDT Title XIX Medi-Cal by the due date, then Director, in his sole discretion, shall determine which State approved Short-Doyle/Medi-Cal,
and/or EPSDT Medi-Cal, data shall be used by County for completion of the Title XIX Short-Doyle/Medi-Cal

In no event shall County be liable or responsible to Contractor for any payment for any disallowed Title XIX Short-Doyle/Medi-Cal services, and/or EPSDT Title XIX Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities.

EPSDT Title XIX Medi-Cal and FFP funds shall be subject to all applicable Federal and State laws, rules, regulations, manuals, guidelines, and directives.

(5) To the extent permitted by Federal law, certain funds, as designated on the Financial Summary, may be used to match the FFP component of reimbursement for Title XIX Short-Doyle/Medi-Cal
services, and/or Title XIX Medi-Cal Administrative Activities, in order to achieve the maximum Federal reimbursement possible for mental health services and administrative activities provided under this Agreement.

I. Government Funding Restrictions: This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State, including, but not limited to, those contained in State's Budget Act, which may in any way affect the provisions or funding of this Agreement. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

J. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

(1) Contractor shall comply with all County, State, and Federal requirements and procedures, as described in WIC Sections 5709, 5710 and 5721, relating to: (1) the determination and collection of patient/client fees for services hereunder based on UMDAP and DMH's Revenue Manual, (2) the eligibility of patients/clients for Short-Doyle/Medi-Cal, Medicare, private insurance, or other third party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for patients/clients receiving services hereunder. Contractor shall report the mental health services funded by this unanticipated revenue in the Annual Cost Report submitted by Contractor to County. The Annual Cost Report shall be prepared as instructed by State and County.

(5) Contractor shall not retain any fees paid by any resources for or on behalf of Medi-Cal beneficiaries without having those fees deducted from the cost of providing the mental health service/units specified in this Agreement.

(6) Contractor may retain any interest and/or return which may be received, earned or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such interest and return only for the delivery of mental health service units specified in this Agreement.

(7) Failure of Contractor to report in all its monthly claims and in its Annual Cost Report

K. Payment:

(1) For each month of the term of this Agreement, Contractor shall submit to County a claim for each applicable row (payer funding source) identified on the Financial Summary and Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted within 60 days of the last date mental health services were provided during the particular month and within 60 days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month.

(a) Cost Reimbursement: Contractor's monthly claim to County shall show all Contractor's actual and allowable costs and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder for the particular month. The County may make provisional reimbursement, subject to final settlement to cost. All provisional reimbursement shall be based upon specialty mental health services actually provided as shown on County's Integrated Systems reports. Contractor certifies that all units of service claimed by Contractor on a provisional reimbursement basis are true and accurate claims for reimbursement.

i. For CalWORKS outpatient and GROW programs only, contractor's monthly claim to County shall be separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown on the MHMIS or the IS by the applicable provisional rates for such SFC as shown on the Financial Summary. Each monthly claim shall be submitted within 30 days of the last date mental health services were provided during the particular month and within 60 days of the last date Title XIX Medi-Cal Administrative Activities were provided during the particular month.

ii. For all services/activities not billeable through the IS such as Client Supportive Services, contractor must submit a monthly invoice showing Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services/activities hereunder. These invoices shall be submitted to County within 30 days of the end of the billing period and shall be reviewed and approved by DMH program managers.

(b) For IMDs Only: Those Institutions for Mental Disease which are licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have been approved in writing by the
County and shall be separately itemized by each patient day. Claims shall be submitted to County within 30
days of the end of the billing period. Monthly claims shall be reviewed and approved by County.

(c) **Negotiated Rate:** Contractor's monthly claim to County shall be separately
itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC units as shown
on specified data reports by the applicable NR for such SFC as shown on the Financial Summary. PATH and
SAMHSA services shall follow the terms stated in subparagraph K(1)(a).

i. DMH shall have the option to deny payment for services when
documentation of clinical work does not meet minimum State and County standards.

ii. **For Organizational Providers Only.** Provisional reimbursement shall
be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically revised as
supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services
Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to
the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event
County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(2) **On the basis of this monthly claim and after Director's review and approval of the**
monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services,
and actual and allowable costs for all cost reimbursed services and activities, less all revenue, interest and
return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not
limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as
described in Subsection 7 of Subparagraph J (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue,
and Interest).

The monthly claim and subsequent payment shall be made in accordance with County
policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld
until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by
Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph L (Cash Flow
Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any
time, make adjustments to any of Contractor's monthly claims as necessary to ensure that Contractor shall not
be paid by County a sum in excess of the amount determined by multiplying the SFC units as shown on
specified data reports by the applicable NR for such SFC as shown on the Financial Summary for NR services
and/or Contractor's actual and allowable costs of providing mental health services and Title XIX Medi-Cal
Administrative Activities, or the Maximum Contract Amount for such Fiscal Year as shown in Subparagraphs
C (Reimbursement for Initial Period) or D (Reimbursement If Agreement Is Automatically Renewed),
whichever is less, less all revenue, interest and return resulting from services/activities and/or funds paid by
County to Contractor hereunder. Contractor may request in writing, and shall receive if requested, DMH's
computations for determining any adjustment to Contractor's monthly claim.

(3) All monthly claims shall be subject to adjustment based upon the IS reports, as applicable, EOB data, and/or Contractor's Annual Cost Report which shall supersede and take precedence over all claims.

(4) All monthly claims shall be based on mental health services actually provided as shown on IS reports, as applicable, and/or Title XIX Medi-Cal Administrative Activities actually provided as shown by State-approved time studies prepared or actual and allowable costs for State approved units of activities reported by Contractor. Contractor certifies that all units of services entered by Contractor into the IS are true and accurate claims for reimbursement.

(5) Title XIX Short-Doyle/Medi-Cal FFP funds and EPSDT Title XIX Medi-Cal funds, shall be paid by County to Contractor only for State approved claims for Title XIX Short-Doyle/Medi-Cal and/or EPSDT Title XIX Medi-Cal SFC units provided to eligible Medi-Cal beneficiaries. Title XIX Short-Doyle/Medi-Cal FFP funds and EPSDT Title XIX Medi-Cal funds, shall be paid by County to Contractor only for the period of time Contractor is certified as a Title XIX Short-Doyle/Medi-Cal provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP and EPSDT payment from State.

(6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to the extent that eligible FFP matching funds are available under this Agreement, and only after County has received FFP payment from State.

(7) FFP and EPSDT funds shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for Title XIX Short-Doyle/Medi-Cal services, EPSDT Title XIX Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.

(8) Title XIX Short-Doyle/Medi-Cal services FFP funds, EPSDT Title XIX Medi-Cal services funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to Contractor solely in County's capacity as the fiscal intermediary for Title XIX Short-Doyle/Medi-Cal services, EPSDT Title XIX Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of the term of this Agreement, County shall pay to Contractor Title XIX Short-Doyle/Medi-Cal services, and/or EPSDT Title XIX Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

(9) County pays any Medi-Cal FFP Funds and EPSDT-SGF (Early and Periodic
Screening, Diagnosis, and Treatment-State General Funds) local matching funds to Contractor solely in County's capacity as the FFP and EPSDT-SGF intermediary between the Contractor and the State, solely to assist the County in expeditiously processing and initially paying Contractor (because of the internal accounting necessity for appropriation authority) for such claims for payment pending reimbursement from the State, the Maximum Contract Amount(s) of this Agreement shall include FFP and/or EPSDT-SGF. This will establish legal authorization by the Board of Supervisors to make expenditures for the services and/or activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending reimbursement by the State. To the extent Contractor exceeds the FFP and/or EPSDT-SGF amount(s) included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

Contractor understands and agrees that County's assistance in processing and, as an intermediary for the State and Federal governments, initially paying for FFP and EPSDT-SGF in accordance with the above is subject to reimbursement from the State and does not render County in any way responsible for the substantive obligation to be ultimately fiscally responsible for payment for Contractor's claims for payment for these services. Contractor's entitlement to payment for such services, or claimed services, is entirely dependent upon compliance with the law and regulations related to same. In the event of a dispute regarding entitlement for payment, Contractor agrees that County is not liable for payment for such claims and will not pursue any such claims for payment against County.

(10) No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Contract.

L. Cash Flow Advance In Expectation Of Services/Activities To Be Rendered For Title XIX Short-Doyle/Medi-Cal and EPSDT Title XIX Medi-Cal Service Contractors: For each month of each fiscal year, County will reimburse Contractor based upon the County and/or State and/or Federal government(s) processing of the reimbursement claims for rendered services/activities submitted by Contractor to the County subject to claim edits, and future settlements and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5) consecutive months, or portion thereof, as described below, and for such month the County and/or State and/or Federal government(s) have not made payment, and/or such payment is less than 1/12th of the Maximum Contract Amount, Contractor may request in writing from County a monthly County General Fund Cash Flow Advance as herein described.

Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract
Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which the costs are to be incurred and upon which the request(s) is (are) based.

Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's rendering and billing of eligible services/activities, as identified by Paragraph 3 (DESCRIPTION OF SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s), and the County and/or State and/or Federal government(s) have made payment for such services/activities. Contractor may request each monthly Cash Flow Advance only for such services/activities and only when there is no reimbursement from other public or private sources for such services/activities. No Cash Flow Advance will be given if a Contractor has not been certified as an eligible Medi-Cal service provider.

The Cash Flow Advance amount for any particular month will be reduced by County payments of actual reimbursement claims received by County from the Contractor. The County's claims payment process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such Contractor reimbursement claim is received at any time during either the initial three (3) or two (2) additional consecutive months, the monthly payment to Contractor will include the payment for such actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that particular month.

Cash Flow Advance is based upon the following:

(1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any funds which may be part of the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $________________ per month and the total Cash Flow Advance for the three (3) months shall not exceed $________________.

The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

(2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is in effect, request, separately for each month, in writing from County a monthly County General Fund Cash Flow Advance for any EPSDT Title XIX Medi-Cal funds which may be part of the Maximum Contract Amount for such fiscal year as shown on the Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed $________________ per month for each of the two (2) additional consecutive months and the total Cash Flow Advance for the two (2) additional consecutive months shall not exceed $________________.

Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part.
The time schedules and examples for County claims payment, and the three (3) and five (5)
months Cash Flow Advance disbursement(s) and Contractor repayment of Cash Flow Advance funds to
County by means of a County offset to Contractor claims to County are incorporated herein as Attachment V.
County identifies if Contractor's units of service and State FFP and EPSDT-SGF approvals
are meeting or exceeding the contracted levels and if not, Cash Flow Advance recovery is initiated to ensure
Contractor completes repayment of the Cash Flow Advance with units of services by the time the Contractor's
fiscal year's twelfth month of claims are received and processed.

Any County and/or State and/or Federal government(s) approved Contractor reimbursement
claims for eligible services/activities in excess of the actual unpaid Cash Flow Advance County to Contractor
will be disbursed in accordance with the terms and conditions of this Agreement.

Should Contractor request and receive Cash Flow Advance, Contractor shall exercise cash
management of such Cash Flow Advance in a prudent manner.

For IMD, PHF and Mental Health Rehabilitation Center Contractors Only: The amount of a
Cash Flow Advance payment shall be based on 95 percent (95%) of the average daily census for the last two
months of the preceding fiscal year.

M. Maximum Monthly Payment: County's Maximum Monthly Payment to Contractor for each
monthly claim shall not exceed an amount determined pursuant to County policies and procedures.
State General Funds and FFP funds for State approved claims for EPSDT Title XIX Medi-Cal
SFC units, and/or Title XIX Short-Doyle/Medi-Cal SFC units, and/or Title XIX Medi-Cal Administrative
Activities, claimed by County to State on behalf of the Contractor shall be paid by County to Contractor only in
arrears and only after County has approval of such claimed units.

In order to recover CGF provided to Contractor as Cash Flow Advance pursuant to this
Subparagraph M, or any amounts due to County by Contractor under this Agreement or otherwise, County
shall withhold from any amounts due to County by Contractor under this Agreement or otherwise: (1) the FFP
and/or EPSDT-SGF portions of total State approved Short-Doyle/Medi-Cal claims Cash Flow Advances that
are in excess of a cumulative, for each month actual State approval data has been received, 1/12 of the
Maximum Contract Amount and/or (2) the FFP portion of Title XIX Short-Doyle/Medi-Cal for State approved
claims for Title XIX Short-Doyle/Medi-Cal SFC units and/or (3) the State and FFP portion of EPSDT Title XIX
Medi-Cal for State approved claims for EPSDT Title XIX Medi-Cal SFC units and/or (4) the FFP for Title XIX
Medi-Cal Administrative Activities and/or (5) the County, State and Federal portions of SFC units claimed by
Contractor in the IS for non-Title XIX Medi-Cal. Contractor may request in writing, and shall receive if
requested, DMH's computations for determining any amounts withheld.

N. Withholding of Payment for Nonsubmission of IS and Other Information: County may
withhold a maximum of 10 percent (10%) of any monthly claim, if any IS data, EOB data, or other information
is not submitted by Contractor to County within the time limits of submission of this Agreement or if any IS
data, EOB data, or other information is incomplete, incorrect, or is not completed in accordance with the
requirements of this Agreement. County shall give Contractor at least 15 working days written notice of its intention to withhold payments hereunder, including the reason(s) for its intended action. Thereafter, Contractor shall have 15 days either to correct any deficiencies, or to request reconsideration of the decision to withhold payment. Payment to Contractor shall not be withheld pending the correction of deficiencies, or if reconsideration is requested, pending the results of the reconsideration process.

O. Annual Cost Reports:

(1) For each Fiscal Year or portion thereof that this Agreement is in effect, Contractor shall provide DMH with two copies of an accurate and complete Annual Cost Report, with a statement of expenses and revenue. The annual cost report will be comprised of a separate set of forms for the County and State for the Financial Summary within each legal entity. Such reports will be due on September 15th for the fiscal year ending on the previous June 30th or 75 days following the expiration or termination date of this Agreement, whichever occurs earlier. Should the due date fall on a weekend, such report will be due on the following business day. Each such Annual Cost Report shall be prepared by Contractor in accordance with the requirements set forth in the Short-Doyle/Medi-Cal Automated Cost Reporting System Users Manual, CR/DC Manual, Los Angeles County DMH Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and Targeted Case Management Services, and any other written guidelines which shall be provided to Contractor by County by June 30 of the Fiscal Year for which the Annual Cost Report is to be prepared.

(2) If Contractor fails to submit accurate and complete Annual Cost Report(s) by such due date, and if this Agreement is automatically renewed as provided in Paragraph 1 (TERM), then County shall not make any further payments to Contractor under this Agreement until the accurate and complete Annual Cost Report(s) is (are) submitted.

(3) Failure of Contractor to submit accurate and complete Annual Cost Report(s) by such due date shall result in a Late Penalty of ONE HUNDRED DOLLARS ($100) for each day that the accurate and complete Annual Cost Report(s) is (are) not submitted, unless a waiver of the penalty is approved by the Director or his designee. This penalty waiver request must be sent to the Director of Mental Health's attention no later than thirty (30) days prior to the County's Cost Report filing due date to allow ample time to process. The Late Penalty shall be assessed separately on each outstanding Annual Cost Report. The Late Penalty shall commence beginning September 16th or on the seventy-sixth day following the expiration or termination date of this Agreement and shall continue until the outstanding Annual Cost Report(s) is(are) received.

In the event that Contractor does not submit accurate and complete Annual Cost Report(s) by October 15th, then all amounts covered by the outstanding Annual Cost Report(s) and paid by County to Contractor in the Fiscal Year for which the Annual Cost Report(s) is (are) outstanding shall be due by Contractor to County. Contractor shall pay County according to the method described in Subparagraph T (Payments Due to County/Method of Payment).
(4) If Contractor fails to correct inaccuracies in Annual Cost Report within thirty (30) days after receipt of written notification from the Director of Mental Health or his designee and said inaccuracies result in the loss of reimbursement to the County for claimable amounts that were paid to Contractor, Contractor must return back to the County the amount of the loss of reimbursement that the County could have claimed if the inaccuracy was corrected by Contractor.

P. Adjustments and Settlement of Annual Cost Report: Based on the Annual Cost Report(s) submitted pursuant to Subparagraph O (Annual Cost Reports), at the end of each Fiscal Year or portion thereof that this Agreement is in effect the cost of all mental health services, and Title XIX Medi-Cal Administrative Activities rendered hereunder shall be adjusted as follows:

(1) Cost Reimbursement - to actual and allowable costs, not to exceed the applicable Maximum Contract Amount as shown in Subparagraph C (Reimbursement For Initial Period) or D (Reimbursement If Agreement Is Automatically Renewed), provided that reimbursement for Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, shall not exceed an amount for which there are sufficient CGF/State match funds in the applicable Maximum Contract Amount.

(2) IMD - to the lower of the DMH determined final IS run of reported patient days or the patient days reported in Contractor's Annual Cost Report, multiplied by the applicable SDHS's currently approved Skilled Nursing Facility Rate per patient day for Basic Service plus SDHS's currently approved STP Rate per patient day for STP Services.

(3) Negotiated Rate - to the lower of the DMH determined final IS run of reported SFC units, or the SFC units reported in Contractor's Annual Cost Report, multiplied by the applicable NR less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor as described in Subsection 7 of Subparagraph J (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest), not to exceed the applicable Maximum Contract Amount as shown in Subparagraph C (Reimbursement For Initial Period) or D (Reimbursement If Agreement Is Automatically Renewed), provided that reimbursement for Title XIX Short-Doyle/Medi-Cal funded services shall be consistent with the amounts authorized by State law and State's Medicaid Plan, and reimbursement for Title XIX Medi-Cal Administrative Activities shall be consistent with the amounts authorized by State law and State's Title XIX Medi-Cal Administrative Activities Plan not to exceed the Maximum Contract Amount. Reimbursement for Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, shall not exceed an amount for which there is a sufficient CGF/State match funds in the applicable Maximum Contract Amount. In the event that Contractor
adjustments based on any of the above methods indicate an amount due the County, Contractor shall pay
County according to the method described in Subparagraph T (Payments Due to County/Method of Payment).

Q. **Post Fiscal Year Audit Settlement:**

(1) In the event of a post-contract audit conducted by County, State, and/or Federal
personnel, actual and allowable SFC units for NR services and actual and allowable costs for cost
reimbursement services shall be determined for each Fiscal Year or portion thereof that this Agreement is in
effect. Such audit may include requests to review any fiscal, programmatic, or SFC unit concerns that County,
State, and/or Federal auditors may have under this Agreement. CR/DC Manual, Los Angeles County DMH
Organizational Provider's Manual for Specialty Mental Health Services under the Rehabilitation Option and
Targeted Case Management Services, SDMH's utilization review policies and procedures, State's Medicaid
Plan, State's Title XIX Medi-Cal Administrative Activities Plan, and the Federal Health Care Financing
Administration's Health Insurance Manual Volume 15 (HIM 15) shall serve as the basic reference and
authority for the audit determination of actual and allowable SFC units for mental health services and actual
and allowable costs for Title XIX Medi-Cal Administrative Activities and PATH and SAMHSA services. One of
the purposes of the audit determination of actual and allowable SFC units is to identify and adjust for
duplicated claims; SFC units not provided; SFC units not documented; and utilization review findings,
including, but not limited to, unnecessary care and the lack of appropriate licensed practitioners of the healing
arts.

(2) For mental health services, if the post-contract audit conducted by County, State,
and/or Federal personnel determines that the amounts paid by County to Contractor for any SFC units
furnished hereunder are more than the amounts allowable pursuant to this Agreement, then the difference
shall be due by Contractor to County upon the State and/or Federal collection from County of the amount due,
or after exhausting all appeals, if any, whichever occurs first.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by
County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal
Administrative Activities furnished hereunder are more than the amounts allowable pursuant to this
Agreement, then the difference shall be due by Contractor to County. Contractor shall pay County according
to the method described in Subparagraph T (Payments Due to County/Method of Payment).

(3) For NR and CR services, if the post-contract audit conducted by County, State,
and/or Federal personnel determines that the amounts paid by County to Contractor for any NR SFC units
furnished hereunder are less than the allowable pursuant to this Agreement and/or CR services, then the
difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract
Amount for the applicable Fiscal Year, as shown in Subparagraph C (Reimbursement For Initial Period) or D
(Reimbursement If Agreement is Automatically Renewed), be exceeded.

For Title XIX Medi-Cal Administrative Activities, if the post-contract audit conducted by
County, State, and/or Federal personnel determines that the actual and allowable costs for Title XIX Medi-Cal
Administrative Activities furnished hereunder are less than the amounts reimbursable pursuant to this Agreement, then the difference shall be paid by County to Contractor, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph C (Reimbursement For Initial Period) or D (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

R. Audit Appeals After Post Audit Settlement: If Contractor appeals any audit report, the appeal shall not prevent the post-contract audit settlement pursuant to Subparagraph Q (Post-Contract Audit Settlement).

S. County Audit Settlements: If, at any time during the term of this Agreement or at any time after the expiration or termination of this Agreement, authorized representatives of County conduct an audit of Contractor regarding the mental health services and/or Title XIX Medi-Cal Administrative Activities provided hereunder and if such audit finds that County's dollar liability for such services and/or administrative activities is less than payments made by County to Contractor, then the difference shall be due by Contractor to County, unless Contractor files an appeal with County, in which case the amount due, if any, will be determined upon the completion of the appeal. Contractor shall pay County according to the method described in Subparagraph T (Payments Due to County/Method of Payment).

If such audit finds that County's dollar liability for such services and/or administrative activities provided hereunder is more than payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's Maximum Contract Amount for the applicable Fiscal Year, as shown in Subparagraph C (Reimbursement For Initial Period) or D (Reimbursement If Agreement Is Automatically Renewed), be exceeded.

T. Payments Due to County/Method of Payment: Within ten days after written notification by County to Contractor of any amount due by Contractor to County, Contractor shall notify County as to which of the following six payment options Contractor requests be used as the method by which such amount shall be recovered by County. Any such amount shall be: (1) paid in one cash payment by Contractor to County, (2) offset against prior year(s) liability(ies), (3) deducted from future claims over a period not to exceed three months, (4) deducted from any amounts due from County to Contractor whether under this Agreement or otherwise, (5) paid by cash payment(s) by Contractor to County over a period not to exceed three months, or (6) a combination of any or all of the above. If Contractor does not so notify County within such ten days, or if Contractor fails to make payment of any such amount to County as required, then Director, in his sole discretion, shall determine which of the above six payment options shall be used by County for recovery of such amount from Contractor.

U. Interest Charges on Delinquent Payments: If Contractor, without good cause as determined in the sole judgment of Director, fails to pay County any amount due to County under this Agreement within 60 days after the due date, as determined by Director, then Director, in his sole discretion and after written notice to Contractor, may assess interest charges at a rate equal to County's Pool Rate, as determined by County's Auditor-Controller, per day on the delinquent amount due commencing on the sixty-first day after the due date.
Contractor shall have an opportunity to present, to Director, information bearing on the issue of whether there is a good cause justification for Contractor's failure to pay County within 60 days after the due date. Should County, during this or any subsequent fiscal year impose budgetary restrictions which appropriate less than the amount provided for in Subparagraph C (Reimbursement For Initial Period) and Subparagraph D (Reimbursement If Agreement Is Automatically Renewed) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

Any such meeting shall be held within 30 calendar days of the initial written notification. If Contractor fails to meet with County in this period of time, Contractor is deemed to have waived its opportunity to meet with County and accepts County recommended changes to its contract amount.

The Director or his designee shall provide final prior written notice of such funding changes to Contractor, including any changes in the amount of services to be received by County, to Contractor, DMH Contracts Development and Administration Division, and to County's Chief Administrative Office. Any such change in any applicable Maximum Contract Amount shall be effected by an administrative amendment to this Agreement by Director.

While County reserves the right to determine independently that the anti-discrimination provisions of this
Agreement have been violated, in addition, a determination by the California Fair Employment Practices
Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated State or

purchase such required insurance coverage, and without further notice to Contractor, County may deduct from
sums due to Contractor any premium costs advanced by County for such insurance.

E. Notwithstanding any County consent to any subcontracting, Contractor shall remain fully liable and responsible for any and all performance required of it under this Agreement, and no subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County, nor shall such approval limit in any way any of County's rights or remedies contained in this Agreement. Additionally, County approval of any subcontract shall not be construed in any way to constitute the determination of the allowability or appropriateness of any cost or payment under this Agreement.

F. In the event that County consents to any subcontracting, such consent shall be subject to County's right to give prior and continuing approval of any and all subcontractor personnel providing services under such subcontract. Contractor shall assure that any subcontractor personnel not approved by County shall be immediately removed from the provision of any services under the particular subcontract or that other action is taken as requested by County. County shall not be liable or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents of Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related to County's exercise of such right.

I. In the event that County consents to any subcontracting, such consent shall apply to each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 28 or a blanket consent to any further subcontracting.

J. In the event that County consents to any subcontracting, Contractor shall be solely liable and responsible for any and all payments and/or other compensation to all subcontractors and their officers, employees, and agents. County shall have no liability or responsibility whatsoever for any payment and/or other compensation for any subcontractors or their officers, employees, and agents.

51. **USE OF RECYCLED-CONTENT PAPER PRODUCTS:** Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use

52. **CONTRACTOR RESPONSIBILITY AND DEBARMENT:** The following requirements set forth in the
County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are
effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with
the terms of the Ordinance.

   A. A responsible Contractor is a Contractor who has demonstrated the attribute of
   trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is
the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim may have with the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

The Contractor Hearing Board’s proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

I. These terms shall also apply to (subcontractors) of County Contractors.

53. CONTRACTOR’S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member’s mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in
excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons
controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be
excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may
suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a
Federally funded health care program. Contractor shall provide the certification set forth in Attachment VI as
part of its obligation under this Paragraph 53.

Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute a material breach
of Agreement upon which County may immediately terminate or suspend this Agreement.

54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability
Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a
"Covered Entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and
security of patients' medical information, and must take certain steps to preserve the confidentiality of this
information, both internally and externally, including the training of staff and the establishment of proper
procedures for the release of such information, including the use of appropriate consents and authorizations
specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA,
and that such obligations relate to transactions and code sets, privacy, and security. Contractor understands
and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas
and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has
not relied, and will not in any way rely, on County for legal advice or other representations with respect to
Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary
measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for
HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of
HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each
party further agrees to indemnify and hold harmless the other party (including their officers, employees and
agents) for its failure to comply with HIPAA.

D. Contractor and County understand and agree that HIPAA has imposed additional
requirements in regards to changes in DMH's IS.

(1) County desires to clarify IS terminology under this Agreement as it relates to HIPAA,
and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of technical terms,
definitions and language to be used with this Agreement.

(2) County desires to clarify other HIPAA-related changes set forth in the DMH Provider
Manual and which are incorporated herein by reference as though fully set forth.
(a) County has added to the DMH Provider Manual a Guide to Procedure Codes, which includes a “crosswalk” of DMH activity codes to Current Procedural Terminology (CPT) and Health Care Procedure Coding System (HCPCS) codes.

(b) County has added to the DMH Provider Manual an Electronic Data Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant transactions and requirements for these transactions.

(c) County has added to the DMH Provider Manual a Trading Partner Agent Authorization Agreement which includes the Contractor’s authorization to its Subcontractor(s) to submit HIPAA-compliant transactions on behalf of Contractor.

E. Contractor understands that County operates an informational website http://dmh.lacounty.info/hipaa/index.html related to the services under this Agreement and the parties’ HIPAA obligations, and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information, and forms to assist Contractor in its performance.

F. Contractor understands and agrees that if it uses the services of an Agent in any capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or omissions of the Agent in providing said services as though they were the Contractor’s own acts, failures, or omissions.

G. Contractor further understands and agrees that the terms and conditions of the current Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

55. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County’s satisfaction either that Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee’s regular pay the fees received for jury service.

(2) For purposes of this Section, “Contractor” means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more
County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

56. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at [www.babysafela.org](http://www.babysafela.org) for printing purposes.

57. **CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:** The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.
58. **COMPLIANCE WITH THE COUNTY’S LIVING WAGE PROGRAM:**

*(LANGUAGE APPLIES ONLY TO PROP A LIVING WAGE CONTRACTS)*

A. **Living Wage Program:** This Contract is subject to the provisions of the County’s ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit K and incorporated by reference into and made a part of this Contract.

B. **Payment of Living Wage Rates:**

(1) Unless the Contractor has demonstrated to the County’s satisfaction either that the Contractor is not an “Employer” as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees’ services provided to the County under the Contract:

i. Not less than $9.46 per hour if, in addition to the per-hour wage, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or

ii. Not less than $8.32 per hour if, in addition to the per-hour wage, the Contractor contributes at least $1.14 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed $1.14 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than $1.14 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

(2) For purposes of this Sub-paragraph, “Contractor” includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached to the Contract. “Employee” means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. “Full-time” means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

(3) If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

(4) If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exemption status” from the
living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either
comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for an
exception to the Living Wage Program. In either event, the Contractor shall immediately be required to
commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the
Contract, including any option period. The County may also require, at any time during the Contract and at its
sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either
continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor
continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this
requirement within the time frame permitted by the County, the Contractor shall immediately be required to
pay the living wage for the remaining term of the Contract, including any option period.

C. Contractor's Submittal of Certified Monitoring Reports: The Contractor shall submit to the
County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports
shall list all of the Contractor's Employees during the reporting period. The certified monitoring reports shall
also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for
health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name
and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of
the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be
submitted on forms provided by the County (Exhibit L and Exhibit M), or other form approved by the County
which contains the above information. The County reserves the right to request any additional information it
may deem necessary. If the County requests additional information, the Contractor shall promptly provide
such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the
information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims: During
the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint,
investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited
to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing
wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment
discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the
Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim
arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or
claim arising out of any of the Contractor's operations in California.

E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours' written
notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining
to the Contract, including all documents and information relating to the certified monitoring reports. The
Contractor is required to maintain all such records in California until the expiration of four years from the date
of final payment under the Contract. Authorized agents of the County shall have access to all such records
during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees: The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate into Spanish and any other language spoken by a significant number of Employees the posters and handouts.

G. Enforcement and Remedies: If the Contractor fails to comply with the requirements of this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph in addition to any rights and remedies provided by law or equity.

(1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

(a) Withholding of Payment: If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) Liquidated Damages: It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of $100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) Termination: The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(2) Remedies for Payment of Less Than the Required Living Wage: If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or
all of the following rights/remedies:

(a) **Withholding Payment:** If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

(b) **Liquidated Damages:** It is mutually understood and agreed that the Contractor’s failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor’s breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of $50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.

(c) **Termination:** The Contractor’s continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

(3) **Debarment:** In the event the Contractor breaches a requirement of this Sub paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

H. **Use of Full-Time Employees:** The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

I. **Contractor Retaliation Prohibited:** The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract. In the event of such material breach, the
County may, in its sole discretion, terminate the Contract.

J. Contractor Standards: During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

K. Employee Retention Rights:
(Note: This Sub-paragraph applies only if the contract involves the provision of services that were previously provided by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract, which predecessor contract was terminated by the County prior to its expiration.)

(1) Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:

   (a) Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
   (b) Who has been employed by a Contractor under a predecessor Proposition A contract or a predecessor cafeteria services contract with the County for at least six months prior to the date of this new Contract, which predecessor contract was terminated by the County prior to its expiration; and
   (c) Who is or will be terminated from his or her employment as a result of the County entering into this new contract.

(2) Contractor is not required to hire a retention employee who:

   (a) Has been convicted of a crime related to the job or his or her performance;
   or
   (b) Fails to meet any other County requirement for employees of a Contractor.

(3) Contractor shall not terminate a retention employee for the first 90 days of employment under the contract, except for cause. Thereafter, Contractor may retain a retention employee on the same terms and conditions as Contractor’s other employees.

L. Neutrality in Labor Relations: The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor’s employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

59. CERTIFICATION REGARDING DEBARMMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION – LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that
neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

60. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Attachment IX, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

61. NOTICES: All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. Addresses and persons to be notified may be changed by either party by giving ten (10) days prior written notice thereof to the other party.

SAFELY SURRENDERED BABY LAW FACT SHEET

(IN ENGLISH AND SPANISH)
No shame.  
No blame.  
No names.  

Newborns can be safely given up at any Los Angeles County hospital emergency room or fire station.

In Los Angeles County  
1-877-BABY SAFE  
1-877-222-9723  
www.babysafela.org
What is the Safely Surrendered Baby Law?
California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?
A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?
Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?
In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?
No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?
No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?
The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?
Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?
The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story
At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.
Sin pena.
Sin culpa.
Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Ángeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?
La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?
El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?
Los padres que cambian de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?
En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?
No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?
No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resulten de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?
El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadovitario.

¿Qué pasará con el padre/madre?
Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?
La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados a becerros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a que pasara si sus familias se enteraran. Abandonaron a su recién nacido porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé
A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardino Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmealé qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Ángeles.
