Dear Supervisors:

**APPROVAL OF NEW CLINICAL LABORATORY SERVICES
AGREEMENT WITH UNILAB CORPORATION dba QUEST DIAGNOSTICS
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute the Clinical Laboratory Services Agreement, substantially similar to the attached format, with Unilab Corporation dba Quest Diagnostics (Quest Diagnostics). The Maximum Contract Amount (MCA) for this Agreement for Fiscal Year (FY) 2006-2007 will be \$710,000 and will be funded by Sales Tax Realignment funds included in Department of Mental Health's (DMH) FY 2006-2007 Proposed Budget. This Agreement will be effective July 1, 2006, and includes four (4) automatic one-year renewal periods. Funding of \$710,000 will be requested for each additional fiscal year through DMH's annual budget process.
2. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments to the Clinical Laboratory Services Agreement, provided that: 1) the County's total payments to Contractor under the Agreement for each applicable fiscal year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any such increase shall be used for additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree

"To Enrich Lives Through Effective and Caring Service"

to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the recommended action is to seek Board approval to award a contract to Quest Diagnostics to provide clinical laboratory services for DMH.

DMH concluded a Request For Information (RFI) process for solicitation of clinical laboratory services for a five-year contract term. The RFI was necessitated because of the June 30, 2006 expiration date of the existing Agreement with Unilab Corporation dba Quest Diagnostics. DMH is submitting its recommendation for the contract award for your Board's approval.

In the RFI process, DMH solicited the interest level of potential contractors by advertising in major local newspapers and mailing out the RFI to clinical laboratory service providers on DMH's Bidders' List.

Quest Diagnostics was the only clinical laboratory service provider that submitted a proposal that met all the minimum requirements in the RFI.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan Organizational Goal No. 1 "Service Excellence," and Goal No. 3 "Organizational Effectiveness." Your Board's approval of this Agreement will strengthen the mental health services delivery system and improve service accessibility within all Service Areas.

FISCAL IMPACT/FINANCING

There is no increase in net County cost.

The MCA for FY 2006-2007 is \$710,000, which will be funded by Sales Tax Realignment funds and is included in DMH's Proposed Budget.

Funding for FYs 2007-2008, 2008-2009, 2009-2010, and 2010-2011 will be included in DMH's annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Quest Diagnostics is the largest supplier of clinical laboratory services in the State of California. Nationally, Quest Diagnostics performs over 550,000 tests daily for physicians, medical clinics, hospitals, Health Maintenance Organizations (HMOs), and industrial clinics. The laboratory is accredited by both the Clinical Laboratory Improvement Amendments (CLIA) and the College of American Pathologists, licensed by the California Department of Health Services, and certified by the Substance Abuse and Mental Health Services Administration.

Quest Diagnostics is located at 18408 Oxnard Street, Tarzana, CA 91356, and is in Supervisorial District 3. Staff from their local headquarters will go out to DMH's directly-operated facilities to deliver the services, and Quest Diagnostics will have various walk-in sites throughout the County.

The attached Agreement format has been approved as to form by County Counsel. The proposed actions have been reviewed by the CAO, and the Medical Director.

CONTRACTING PROCESS

On October 14, 2005, DMH issued an RFI for the provision of information to identify existing or potential, qualified new providers who were interested in contracting with DMH to provide Electrocardiogram (EKG) and clinical laboratory services. The RFI was mailed out to clinical laboratory service providers on DMH's Bidders' List and was distributed to providers responding to the legal announcement published in major local newspapers and was posted on the Office of Small Business' web site.

On November 16, 2005, DMH hosted a formal question and answer session on the RFI; no providers attended the session.

The deadline for submission of the RFI for laboratory services was December 19, 2005; only two (2) bids were received. One bid was received from Quest Diagnostics, and the other one was from Northridge Diagnostic Laboratory, Inc.

It was determined that Quest Diagnostics can best meet the needs of the Department by providing drawing stations in all eight (8) service areas. While EKG is not included, the Department intends to obtain the necessary EKGs through primary care resources, including Fee-for-Service Medi-Cal providers and the Department of Health Services.

IMPACT ON CURRENT SERVICES

With the contract award, there will be no interruption in clinical laboratory services provided to mental health clients, as services will continue to be provided at mental health clinics or clinical laboratory service sites throughout the County.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

- A. "Day(s)" means calendar day(s) unless otherwise specified;
- B. "DMH" means County's Department of Mental Health;
- C. "Clinic" means DMH's mental health clinics;

WHEREAS, this Agreement is authorized by California Government Code Section 31000, California Welfare and Institutions Code (hereafter "WIC") Section 5600 et seq., and otherwise.

NOW, THEREFORE, Contractor and County agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for

children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single

service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.

- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

(1) If Contractor desires any change in the terms and conditions of this Agreement, Contractor shall request such change in writing prior to April 1 of the Fiscal Year for which the change would be applicable, and all changes shall be made by an amendment pursuant to Agreement Paragraph 36 (ALTERATION OF TERMS).

(2) If Contractor requests to increase or decrease any Maximum Contract Amount, such request and all reports, data, and other information requested by DMH's Contracts Development and Administration Division, shall be received by DMH's Contracts Development and Administration Division for review prior to April 1 of the Fiscal Year in which the increase or decrease has been requested by Contractor.

I. Delegated Authority: Notwithstanding any other provision of this Agreement, County's Department of Mental Health Director may, without further action by County's Board of Supervisors, prepare and sign amendments to this Agreement during the remaining term of this Agreement, under the following conditions:

(1) County's total payments to Contractor under this Agreement, for each Fiscal Year of the term of this Agreement, shall not exceed or shall not be reduced by more than ten percent of the applicable Maximum Contract Amount; and

(2) Any such increase shall only be used for additional services or to reflect program and/or policy changes that affect this Agreement; and

(4) Approval of County Counsel and the Chief Administrative Officer is obtained prior to any such amendment to this Agreement; and

respect to the award, amendment, of extension the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

1. Exhibit A, B, C, D, E, F, and G.

38. WAIVER: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 38 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement

39. EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all Federal statutes and regulations regarding employment of aliens and others and that all its employees performing services hereunder meet the citizenship or alien status requirements contained in Federal statutes and regulations. The administrator of each of County's facilities served hereunder shall furnish a copy of its rules and regulations to Contractor prior to execution of this Agreement and, during the term of this Agreement, shall furnish Contractor with any changes thereto as from time to time may be adopted. It is the responsibility of Contractor to acquaint itself and such persons who may provide services hereunder with all such rules and regulations. Contractor agrees to permanently withdraw any of its employees or subcontractors from the provision of services hereunder upon written notice from Director that: (1) any such employee or subcontractor has violated such rules or regulations or (2) such employee's actions, while on County premises, indicate that such employee may adversely affect the delivery of mental health care services. Director must submit with such notice a written statement of the facts supporting any such alleged violation or action.
46. UTILIZATION OF COUNTY PERSONNEL: Except as may otherwise be expressly provided under this Agreement, County employees while on County time shall not be utilized by Contractor in the conduct of its services hereunder.

 - B. Contractor shall not, nor shall it permit any of its officers, employees, agents or subcontractors, to request, demand or accept, either directly or indirectly, any compensation or gratuity from any person, firm or corporation, for the provision of any services hereunder.
48. RESTRICTIONS ON LOBBYING: If any Federal funds are to be used to pay for any of Contractor's services under this Agreement, Contractor shall fully comply with all certification and disclosure requirements prescribed by Section 319 of Public Law 101-121 (31 United States Code Section 1352) and any implementing regulations, and shall ensure that each of its subcontractors receiving funds under this Agreement also fully complies with all such certification and disclosure requirements.

49. CERTIFICATION OF DRUG-FREE WORK PLACE: Contractor certifies and agrees that Contractor and its employees shall comply with DMH's policy of maintaining a drug-free work place. Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any controlled substances as defined in 21 United States Code Section 812, including, but not limited to, marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo contendere to any criminal drug statute violation occurring at any such facility or work site, then Contractor, within five days thereafter, shall notify Director in writing.
50. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.
51. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all locations where services are provided under this Agreement are operated at all times in accordance with all County community standards with regard to property maintenance and repair, graffiti abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to Contractor's facility(ies) shall include a review of compliance with this Paragraph 51.
52. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM: Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG) has the discretion not to exclude.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a Federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Exhibit E as part of its obligation under this Paragraph 52.

Failure by Contractor to meet the requirements of this Paragraph 52 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

53. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code) are effective for this Agreement, except to the extent applicable State and/or Federal laws are inconsistent with the terms of the Ordinance.

A. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and terminate any or all existing Agreements the Contractor may have with the County.

C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of an Agreement with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

D. If there is evidence that the Contractor may be subject to debarment, the Department will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board.

G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interest of the County.

H. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

J. These terms shall also apply to subcontractors of County Contractors.

54. CHILD SUPPORT COMPLIANCE PROGRAM:

A. Contractor's Warranty of Adherence to County's Child Support Compliance Program:

Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contract are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

As required by County's Child Support Compliance Program (County Code Chapter 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 United States Code (USC) Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

B. Termination of Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set forth pursuant to Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default by Contractor under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to Paragraph 32 (TERMINATION FOR DEFAULT) and pursue debarment of Contractor, pursuant to County Code Chapter 2.202..

55. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

56. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use

recycled-content paper to the maximum extent possible on the Project.

57. COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

58. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

A. The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that it is a "Covered Entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy, and security of patients' medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of staff and the establishment of proper procedures for the release of such information, including the use of appropriate consents and authorizations specified under HIPAA.

B. The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligation under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

C. Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of HIPAA law and implementing regulations related to Transactions and Code Sets, Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party

(including their officers, employees and agents) for its failure to comply with HIPAA.

59. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its

"exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

60. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

61. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

62. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTIONS (45 C.F.R. PART 76): The Contractor hereby acknowledges that the County is prohibited from contracting with and making sub-

awards to parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, directors or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Failure of Contractor to comply with this provision shall constitute a material breach of this Agreement upon which the County may immediately terminate or suspend this Agreement.

63. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE (if applicable): The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit G, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

Cada recién nacido merece una oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele qué otras opciones tiene.

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
