

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Violet Varona-Lukens, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Auditor-Controller
Chief Administrative Officer
Director of Mental Health

At its meeting held November 15, 2005, the Board took the following action:

16

The following item was called up for consideration:

The Director of Mental Health's recommendation to approve and authorize the Director to begin the Request for Statement of Qualifications (RFSQ) process for the solicitation of Mental Health Services Act (MHSA) services in accordance with the County Mental Health System's Community Services and Supports (CSS) Plan, approved by the Board and submitted to the State Department of Mental Health (SDMH), in order to transform and expand the delivery of mental health services provided by State and County agencies from a system that focuses primarily on clinical services into one in which the Department can partner with clients, their families, and their communities to provide, under client and family direction, whatever it takes to enable people to attain their goals toward recovery; authorize the Director to amend the RFSQ as funding for other SDMH approved MHSA plans become available and/or as services are developed under the CSS Plan.

The following statement was entered into the record for Supervisors Molina and Yaroslavsky:

"On October 11, 2005, the Board of Supervisors approved submission of the Department of Mental Health's proposed Community Services and Support (CSS) Plan to the State Department of Mental Health. Submission and approval of this plan (and of four other plans to follow) is required in order to access Mental Health Services Act (Prop. 63) funds. State approval is expected at the beginning of 2006, so the Department has proceeded to develop a three-year CSS implementation plan.

(Continued on Page 2)

"Under the three-year CSS Plan, Los Angeles County is expected to receive approximately \$90 million, \$91 million, and \$96 million in one-time and ongoing funds for Fiscal Years 2005-2006, 2006-2007, and 2007-2008, respectfully. Through an extensive community stakeholders' process, these funds are targeted to four specific populations: children ages 0-5, transitional age youths (TAY), adults, and older adults. Within each target population, the stakeholders have committed Prop. 63 funds in various full service partnerships and system development categories.

"Prop. 63 funds will provide an extraordinary opportunity for the County to expand mental health services for children and adults who are suffering from mental health problems and/or serious emotional disturbances. However, fiscal and program accountability must be a top priority if we are to succeed in transforming the way we provide mental health services in Los Angeles County. The use of Prop. 63 dollars, like all other public dollars, must be transparent to the residents of the County and the elected officials who represent them.

"We, therefore, recommend that the Board instruct the Director of Mental Health, Chief Administrative Officer, and Auditor-Controller to report to the Board in two weeks on implementing a fiscal monitoring system through eCAPS that will track the CSS Plan allocations for, and expenditures from, each of the four target populations, and service types defined within each target population.

"We further recommend that the Board instruct the Director of Mental Health, Chief Administrative Officer, and Auditor-Controller to report to the Board in two weeks on implementing a fiscal monitoring system through eCAPS that will track the CSS Plan allocations for, and expenditures from, the one-time funds of \$45 million for Fiscal Year 2005-2006."

(Continued on Page 3)

Supervisor Burke made the following statement:

"Proposition 63, the Mental Health Services Act, has enabled us to begin addressing the historically under funded mental health needs of Los Angeles County. In order to promptly expedite programs and services outlined in the community-driven and Board-approved Mental Health Services Plan, the Department of Mental Health, in respect to the Full Service Partnership Program, has proposed establishing a pre-qualified list of service providers with demonstrated staff expertise, service capacity, and financial wherewithal who can apply to and immediately begin service in response to future Request for Service (RFS) postings. This approach makes sense, however there are two outstanding issues: 1) there exists many community based providers who have both contributed to planning, and have a desire to provide these services but do not currently meet the criteria outlined in the Request for Service Qualifications (RFSQ); and 2) the long term need for service will eventually exceed even this great resource and thus further exacerbating the exclusion of the small to mid size organizations.

"The Department of Mental Health must develop a mechanism to foster partnership between the larger, pre-qualified providers with other viable community-based organizations that need further development in capacity and/or financial viability. A way to assure this collaboration is to include provisions in future RFS and Scope of Work, to encourage or require large providers to partner or mentor with potential future service providers. There may also be other means to reach this goal, and DMH should explore those options and inform the Board of ways to accomplish this goal.

"I, therefore, recommend that the Director of Mental Health report back within 30 days, or one week prior to the release of the first Request for Services for Full Service Partnership, on a plan:

1. To incorporate provisions into future Request for Services and Statement of Work to encourage and ensure partnerships; and
2. To provide forward thinking strategies to increase and thus make more inclusive the pool of competent and eligible service providers who can respond to future mental health endeavors at all levels of service."

(Continued on Page 4)

16 (Continued)

Marvin Southard, Director of Mental Health, responded to questions posed by the Board.

Warren Williams addressed the Board.

After discussion, on motion of Supervisor Molina, and by common consent, there being no objection, the Director of Mental Health's attached recommendation was adopted as amended to:

1. Instruct the Director of Mental Health, Chief Administrative Officer, and Auditor-Controller to report back in two weeks on implementing a fiscal monitoring system through eCAPS that will track the CSS Plan allocations for, and expenditures from:
 - Each of the four target populations, and service types defined within each target population; and
 - The one-time funds of \$45 million for FY 2005-2006; and
2. Instruct the Director of Mental Health to report back within 30 days or one week prior to the release of the first Request for Services for Full Service Partnership, on a plan:
 - To incorporate provisions into future Request for Services and Statement of Work to encourage and ensure partnerships; and
 - To provide forward thinking strategies to increase and thus make more inclusive the pool of competent and eligible service providers who can respond to future mental health endeavors at all levels of service.

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF REQUEST FOR STATEMENT OF QUALIFICATIONS PROCESS
FOR THE SOLICITATION OF MENTAL HEALTH SERVICES ACT
COMMUNITY SERVICES AND SUPPORTS PLAN SERVICES
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Department of Mental Health (DMH) to begin the Request for Statement of Qualifications (RFSQ) process as described in a flowchart (Attachment I), using a RFSQ document substantially similar to Attachment II, for the solicitation of Mental Health Services Act (MHSA) services in accordance with the Los Angeles County Mental Health System's Community Services and Supports (CSS) Plan approved by your Board under Item No. 47 of the Agenda dated October 11, 2005, and submitted to the State Department of Mental Health (SDMH).
2. Delegate authority to the Director of Mental Health to amend the RFSQ as funding for other SDMH-approved MHSA plans becomes available and/or as services are developed under the CSS Plan. Appropriate notification of such amendments to the RFSQ will be provided to your Board, the Chief Administrative Office, and County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On October 11, 2005, your Board approved DMH's submission of the proposed CSS Plan, which was developed in accordance with Stakeholders' recommendations and SDMH's requirements. The MHSA requires that each county prepare and submit a

"To Enrich Lives Through Effective And Caring Service"

three-year mental health program plan for approval by the SDMH after review and comment by the State's Oversight and Accountability Commission. The CSS Plan is the first of five (5) substantive plans that must be developed to access available MHSA funding.

With your approval of the CSS Plan and the submission of it to SDMH, DMH is now moving from planning and development into design and implementation of the CSS Plan in order to transform and expand the delivery of mental health services provided by State and county agencies from a system that focuses primarily on clinical services into one in which DMH can partner with clients, their families, and their communities to provide (under client and family direction) whatever it takes to enable people to attain their goals toward recovery.

The proposed RFSQ process (initial and ongoing) provides a solicitation process that is a fair and equitable alternative to the Request for Proposal (RFP) process and meets required County policies. The proposed RFSQ process will simplify and streamline the MHSA solicitation and contracting process enabling DMH to establish a non-exclusive list of pre-qualified contractors that will have met the minimum qualifications listed in the RFSQ and will have demonstrated relevant experience and staff capability to provide the various services detailed in the CSS Plan. In response to the RFSQ, DMH will, on a continuous basis, accept proposers' Statement of Qualifications (SOQs) evaluating them on a bi-annual basis, and executing Master Agreements or, for existing contractors, Amendments for such pre-qualified contractors. The execution of Master Agreements or Amendments does not guarantee a contractor any amount of MHSA funding.

Once SDMH has approved DMH's CSS Plan and DMH has identified a MHSA Master Agreement list of pre-qualified contractors, DMH will return to your Board with a request for 1) approval of the MHSA Master Agreements/Amendments format (a Master Agreement will be issued to new DMH contractors, and an Amendment will be issued to existing DMH contractors), 2) delegated authority to execute MHSA Master Agreements/Amendments establishing a list of pre-qualified contractors, 3) delegated authority whereby DMH can execute contract amendments that are based on the Request for Services (RFS) proposal process and that do not exceed a 20 percent increase in existing contractors' Maximum Contract Amounts (MCA), (DMH will return to your Board again for authority to execute contract amendments with new contractors and existing contractors where there is over a 20 percent increase in their MCAs), and 4) acceptance of MHSA funds from the State and a corresponding Budget Adjustment.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the County's Organizational Goal No. 3, "Organizational Effectiveness." Approval of this RFSQ

process will improve the delivery, efficiency, and effectiveness of mental health operations governed by the MHSA across the entire service delivery system of directly-operated and contract providers, fee-for-service network providers, and hospitals.

FISCAL IMPACT/FINANCING

There is no impact on net County cost.

Approval of the RFSQ process does not guarantee any contract amount or allocation of resources. Approval of these proposed actions merely provides DMH with a simplified and streamlined method of solicitation to develop a list of qualified contractors who will then be used, through the RFS proposal process, to allocate MHSA resources in the future.

The first CSS Plan will cover three (3) Fiscal Years (FY), and the State has projected that Los Angeles County will receive about \$280 million over that period.

The projected MHSA funds for CSS are as follows:

- FY 2005-2006 - \$89,792,800 (\$44,896,400 in ongoing funds,
\$44,896,400 in one-time only funds)
- FY 2006-2007 - \$90,690,728
- FY 2007-2008 - \$96,078,296

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The DMH CSS Plan is a conceptual framework designed to create a culturally competent mental health system, which promotes recovery and wellness for adults and older adults with severe mental illness and resiliency for children and youth with serious emotional disorders and their families. The CSS Plan was shaped and developed following SDMH requisite guiding principles which included: (1) significant increases in the level of participation and involvement of clients and their family members in all aspects of the community mental health system and programs; (2) changes in access and increased geographic proximity of services and programs; (3) age-specific strategies for children and youth, Transitional Age Youth (TAY), adults, and older adults; (4) increase in community partnerships; (5) expansion of culturally competent services and programs; and (6) expanded outcome monitoring and achievement of MHSA accountability goals.

RFSQ. The RFSQ process as described in the flowchart (Attachment I) will be a major component of the design and implementation phase of the CSS Plan. For many of the

work plans within the CSS Plan, DMH will utilize the RFSQ process to establish a MHSA Master Agreement list of pre-qualified contractors that will provide mental health services in accordance with the County's CSS Plan. This process is intended to simplify and streamline the MHSA solicitation and contracting process. This will improve the delivery, efficiency, and effectiveness of mental health operations governed by the MHSA across the entire service delivery system that includes, but is not limited to, current directly-operated and contract providers and community partner agencies and organizations.

The RFSQ timeline is as follows:

November 3, 2005	Filing of this Board letter.
November 15, 2005	Board adoption of this Board letter.
November 16, 2005	RFSQ solicitation process begin.
December TBA 2005	First round – SOQ submissions due.
December TBA 2005	Review SOQ submissions and qualify proposers.
January 2006	Select first round of qualified proposers.
January 2006	Filing of Board letter requesting 1) delegated authority to execute Master Service Agreements with qualified contractors establishing a list of first round CSS Plan contractors, 2) authority to execute amendments for services up to the 20 percent delegated authority limit (DMH will return to your Board again for authority to execute contract amendments with new contractors and existing contractors where there is over a 20 percent increase in their MCAs), and 3) acceptance of the MHSA funds through a corresponding Budget Adjustment.
February - June 2006	Ongoing RFSQ process.
February - June 2006	Ongoing RFS process.

Solicitation Process. The CSS Plan solicitation process will be an ongoing process, with the first round selection of contractors occurring in the next two to three months. This ongoing process will enable eligible contractors to submit statements for additional services as the Statements of Work (SOW) are developed. It will also allow for new contractors that require a longer length of time to complete the RFSQ and/or to meet the qualifications to apply. The solicitation process has the following two phases:

- ▶ Phase I: Statement of Qualifications (SOQ): The intent of this phase is to qualify proposers for multiple parts of the CSS Plan. DMH will solicit for various types of services under the CSS Plan utilizing a RFSQ. The first section of the RFSQ will include Countywide requirements, such as insurance coverage, financial viability, jury service, child support, etc. This section will remain the same for all services solicited under the CSS Plan. The second section of the

RFSQ will identify skill categories, experience, and capacities required for each specific service. The RFSQ allows potential contractors, upfront, to identify what services they are qualified for or capable of providing. Phase I would enable DMH to assess and ensure that proposers not only meet the minimum County qualifications, but also identify the general services for which they are eligible/able to provide. The SOQ responses from proposers will be used to establish a MHSA Master Agreement list that, in turn, will be used to identify and select qualified contractors during Phase II.

- ▶ **Phase II: Request for Services (RFS):** The intent of Phase II is to select contractors identified in Phase I that represent a capacity to deliver specific services, depending on the RFS' SOW for each service, age and/or focal population category. Based on SDMH approval of each component of the CSS Plan and the development of SOWs, a RFS will be sent to contractors that have been qualified under the RFSQ and are on the MHSA Master Agreement list. Specific RFS - SOWs will be issued only to those contractors on the Master Agreement matrix that would best be able to fulfill the SOW based on their pre-qualifications. The RFS will include detailed and specific SOWs identifying service categories and target populations.

Statement of Work. During the first round solicitation, the RFSQ will focus on a two (2) service categories: 1) Full Service Partnerships (FSP) and 2) Safe Havens, a component of the Housing work plan. In addition to these categories of service, SOWs will also be developed over the next few months, which will include other CSS work plans, e.g., Service Area Navigator Teams, Housing, Alternative Crisis Services, Institution for Mental Disease (IMD) Step Down Facilities, Co-Occurring Disorders, Respite Care, Drop-in Centers, Probation, Wellness/Client-Run Center, and Field Capable Clinical Services. The SOWs will further be broken down into age-specific categories.

The RFS will include detailed and specific SOWs that will include, but not be limited to the following service categories and focal age group populations:

Service Categories:

- FSP in which people create their own plans for recovery with support from professionals and peers, and receive traditional mental health services as well as a wide array of other services and 24/7 support to make their plan a reality.
- Housing and residential services, including temporary, supportive and permanent housing.
- Peer support, peer counseling, and peer mentoring.
- Counseling, assessment, and other traditional mental health services.

- A wide array of alternative crisis services to help people stay out of emergency rooms or other institutions and involuntary settings.
- Bridging and support services to help people find supports they need in their communities.
- Outreach and engagement services.
- Psychiatric Emergency services through the establishment of Urgent Care Centers geographically located to support community-based interventions, including full-service partnerships, as well as dedicating funds for ancillary services and programs that are essential to support clients' ability to remain in their communities.

Focal Age Group Populations:

- *Children (0-15)* and families of children with severe emotional disturbances who have been or are at risk of being removed from their homes by the County; are in families affected by substance abuse issues; are experiencing extreme behaviors at school; or are involved with probation.
- *TAY (16-25)* suffering from severe mental health issues who are struggling with substance abuse disorders; are homeless or at-risk of becoming homeless; are aging out of the children's mental health, child welfare or juvenile justice system; are leaving long-term institutional care; or are experiencing their first psychotic break.
- *Adults (26-59)* who have severe and persistent mental illness and who are suffering from substance abuse or other co-occurring disorders, and/or who have suffered trauma; are homeless; are in jail; are frequent users of hospitals and emergency rooms; are cycling through different institutional and involuntary settings; or are being cared for by families outside of an institutional setting.
- *Older Adults (60+ years)* who have severe and persistent mental illness and who are not currently being served and have reduced functioning; are homeless or at risk of being homeless; are institutionalized, or at risk of being institutionalized; or are in nursing homes or receiving hospital or emergency room services.

In the next few weeks DMH will develop a methodology to address allocation of MHSA funds to multiple providers who qualify during Phase II.

Details on monitoring and measurement of required performance outcomes will be determined with each SOW, as will the development of the necessary infrastructure to track outcomes over time.

First Round Provider Selection: The emphasis on the first round of contractor selection is on those with demonstrated experience. This will enable DMH to provide services as quickly as possible under the MHSA CSS Plan funding. Because it is anticipated that SMDH will not issue approval of the CSS Plan until January 2006, services utilizing FY 2005-2006 funds can expeditiously be delivered by experienced mental health providers. Consequently, the first round of contractors selected will be those agencies with the capacity to provide services immediately. DMH will encourage subcontracting with community-based organizations and building the infrastructure for agencies that do not meet the initial requirements under the RFSQ.

CONTRACTING PROCESS

Upon Board approval, DMH will implement the RFSQ process soliciting SOQs from proposers who meet the minimum qualifications listed in the RFSQ, many of whom will have demonstrated experience and capability to provide mental health services in accordance with the MHSA.

Minimum requirements, based on County minimum requirements as developed for each category of service and on additional provider selection requirements developed for each category of service, are a detailed part of the SOQ submission and include, among other required format and compliance statements: 1) a summary of relevant background information about the proposer including the number of years of experience providing the required, equivalent or related services; and 2) a discussion for each service the proposer would perform to demonstrate an understanding of the scope of services requested. Proposers who do not have current experience as a DMH contractor will need to address all minimum requirements in their SOQs; a short form of the SOQ will be available for existing DMH Legal Entity contractors who already qualify with relevant experience and capabilities in providing mental health services.

Even if a proposer currently has a Settlement Agreement with DMH, the proposer will be eligible to submit a SOQ and can be selected to be on the Master Agreement list; however, there will be a moratorium on expansion and/or implementation of any new programs for proposers with Settlement Agreements during the repayment period. Any exemption from this penalty will require justification that this restriction would negatively impact planned program services.

The solicitation will be posted on the Office of Small Business (OSB) and DMH web sites and mailed to over a thousand prospective bidders. Based on evaluation criteria, DMH will enter into Master Agreements/Amendments with those contractors who meet the RFSQ minimum requirements. Once the Master Agreements/Amendments have been fully executed, a Master Agreement list will be developed whereby DMH will move to the

second step of the RFSQ process issuing specific RFSs that include detailed and specific SOWs by service type, target population, and area of service delivery.

The RFSQ format has been approved as to form by County Counsel. The CAO has reviewed the proposed actions. Clinical and administrative staff of DMH will also continue to administer and supervise the agreements, evaluate programs to ensure that quality services are being provided to clients, and ensure that Master Service Agreement provisions and DMH policies are being followed.

This is not a Proposition A or cafeteria services contract; the Living Wage requirements are, therefore, not applicable. All recommended contractors will agree to abide by the County's Indemnification and Insurance requirements and all Board mandated requirements that include Contractor Responsibility and Debarment and Contractor's Charitable Activities Compliance requirements if they meet the minimum qualifications.

IMPACT ON CURRENT SERVICES

Approval of the implementation of a RFSQ process will increase the service delivery system to include more contractors who will have the capability of "doing whatever it takes" to meet the needs the CCS Plan target population to attain their goals toward recovery.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human

services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed

to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere

- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1.0 GENERAL INFORMATION

1.1 Scope of Work

The County of Los Angeles, Department of Mental Health (DMH) hereby issues this Request for Statement of Qualifications (RFSQ) to Proposers to solicit Statements of Qualifications (SOQ) responses that will be used to qualify multiple contractors to enter into a Master Agreement with the County to provide mental health services in accordance with the Mental Health Services Act (MHSA).

The MHSA, adopted by the California electorate on November 2, 2004, creates a new permanent revenue source, administered by the State Department of Mental Health (SDMH), for the transformation and expanded delivery of mental health services provided by State and county agencies and requires the development of integrated plans for prevention, innovation, and system of care services. Funding provided through the MHSA will be used to transform the current mental health system from one that focuses primarily on clinical services into one in which DMH can partner with clients, their families and their communities to provide, under client and family direction, whatever it takes to enable people to attain their goals toward recovery.

The MHSA requires that each county mental health program prepare and submit a three-year plan for approval by the SDMH after review and comment by the State's Oversight and Accountability Commission. The DMH Community Services and Supports (CSS) Plan is the first of five distinct substantive plans that has been developed and submitted to SDMH on October 12, 2005, to access available MHSA funding for Fiscal Years 2005-2006, 2006-2007, and 2007-2008. As funding for other SDMH-approved distinct plans becomes available and/or as services are developed under the CSS Plan, the scope of work and minimum requirements of this RFSQ will be revised accordingly through addendums to this RFSQ.

The CSS Plan focuses on children and families, transition age youth (TAY), adults, and older adults who have the most severe and persistent mental illnesses or serious emotional disturbances including those who are at risk of homelessness, jail, or being put or kept in other institutions because of their mental illness. It is founded on several fundamental commitments that include: (1) promoting recovery for all who struggle with mental health issues; (2) achieving positive outcomes for all who receive mental health services; (3) delivering services in culturally appropriate ways, honoring the difference within communities; and (4) insuring that services are delivered in ways

that address disparities in access to services, particularly disparities affecting ethnic and cultural communities.

The CSS Plan is intended to provide services to people in our communities who are most severely challenged by mental health issues, including adults and older adults with severe and persistent mental illnesses, and children and youth suffering from severe emotional disturbances. The following are identified as priority focal age groups to receive services:

1. **Children (0 to 15)** with severe emotional disturbances and their families who:
 - Have been or are at risk of being removed from their homes by the County;
 - Are in families affected by substance abuse issues;
 - Are experiencing extreme behaviors at school; or
 - Are involved with Probation
2. **TAY (16-25)** suffering from severe mental health issues, who are:
 - Struggling with substance abuse disorders;
 - Homeless or at-risk of becoming homeless;
 - Aging out of the children's mental health, child welfare, or juvenile justice system;
 - Leaving long-term institutional care; or
 - Experiencing their first psychotic break.
3. **Adults (26-59)** who have severe and persistent mental illness and who are:
 - Suffering from substance abuse or other co-occurring disorders, and/or who have suffered trauma;
 - Are homeless;
 - Are in jail;
 - Are frequent users of hospitals and emergency rooms;
 - Are cycling through different institutional and involuntary settings; or
 - Are being cared for by families outside of any institutional setting.
4. **Older Adults (60 years+)** who have severe and persistent mental illness and who are:
 - Not currently being served and have reduced functioning;
 - Homeless or at risk of being homeless;
 - Are institutionalized, or at risk of being institutionalized;

- Who are in nursing homes, or receiving hospital or emergency room services.

The CSS Plan must also provide help to ethnic and racial communities and other communities having difficulty getting the help they need for themselves or their families when they have serious mental health issues.

The CSS Plan must provide the following categories of services designed to promote recovery and wellness for adults and older adults with severe mental illness and resiliency for children and youth with serious emotional disorders and their families:

1. **Full Service Partnerships (FSP)** in which people create their own plans for recovery with support from professionals and peers, and receive traditional mental health services as well as a wide array of other services – e.g., housing services, employment services, peer support services, substance abuse treatment services, recreational or other therapeutic services and 24/7 support to make their plan a reality.
2. **Housing and residential services**, including temporary, supportive and permanent housing.
3. **Peer support, peer counseling, and peer mentoring.**
4. **Counseling, assessment, and other traditional mental health services.**
5. **Alternative crisis services** to help people stay out of emergency rooms or other institutions and involuntary settings.
6. **Bridging and support services** to help people find supports they need in their communities.
7. **Outreach and engagement services**

From January 2006, the date DMH currently expects to begin receiving CSS funds following the State's review of the CSS Plan, through June 2008, the timeframe for this first CSS Plan, DMH estimates that these services will reach:

- 9,550 children and their families;
- 11,431 TAY and their families;
- 24,180 adults; and
- 7,296 older adults.

Additionally, DMH projects that:

- 59,323 adults, TAY and their families, older adults, and children and their families will receive alternative crisis services;

- 18,710 children and their families, TAY and their families, adults, and older adults will receive help finding the community based supports and services they need; and
- 45,000 children and their families, TAY and their families, adults, and older adults will learn more about mental health issues, the mental health services act, and how to get involved.

If doing so, the Proposer must explicitly state that it has been in business as a separate entity and that its submissions are intended to qualify it under "Provisions for New Firms".

1.5 MHSA Master Agreement Process

The objective of this RFSQ process is to secure one or more qualified Proposers to provide mental health services as detailed in DMH's CSS Plan in accordance with the MHSA. Specific tasks, deliverables, etc. will be determined at the time DMH requests MHSA Statement of Work (SOW) bids through a Request for Services (RFS) process.

- 1.5.1 MHSAs Master Agreement for new contractors or Master Agreement Amendments for existing DMH contractors will be executed with all Proposers determined to be qualified for various categories, including service categories, focal age groups, and service areas.
- 1.5.2 Upon DMH's execution of the MHSAs Master Agreement or Master Agreement Amendment, qualified Proposers will become County MHSAs Contractors. Thereafter MHSAs Contractors, depending on demonstrated qualifications, in one or more areas that include Service Categories, Service Area(s), and Focal Age Groups, will from time to time be solicited under competitive conditions of a RFS to provide as needed mental health services in accordance specific MHSAs SOW under Master Agreement amendments to be issued by DMH. The only compensation made to eligible Contractors under the MHSAs Master Agreement or Master Agreement Amendments will be through satisfactory work performed as defined in the MHSAs SOWs..
- 1.5.3 Amendments shall include a SOW Exhibit which shall describe in detail the particular project and the work required for the performance thereof. Payment for all work shall be described in the SOW and be on an actual cost, unit of service, or fixed price per deliverable basis, and subject to the Total Maximum Amount specified on each individual SOW Exhibit. The execution of a MHSAs Master Agreement or Master Agreement Amendment does not guarantee a Contractor any minimum amount of business.
- 1.5.4 RFS solicitations for work defined in MHSAs SOWs may be available through a variety of sources including, but not limited to, mail, internet or telephone or facsimile (fax). Access will be conditioned on the service categories, focal age group(s), and/or service area(s) for which each eligible MHSAs Contractor has satisfactorily demonstrated its qualifications, pursuant to the rules of this RFSQ. The Department's release of RFS solicitations will be at the County's sole discretion.

1.6 MHSAs Master Agreement Term

The term of MHSAs Master Agreements awarded under this RFSQ shall be in accordance with Appendix H, MHSAs Master Agreement, Section 4.0 Term of Master Agreement or effective upon Board approval through June 30, 2005, with two (2) – one (1) year renewal option(s). Renewal options will be at DMH's discretion. Contractors added to this MHSAs Master Agreement will have the same contract term.

1.7 County Rights & Responsibilities

The County has the right to amend the RFSQ by written addendum. The County is responsible only for that which is expressly stated in the RFSQ document and any authorized written addenda thereto. Such addendum shall be made available to each person or organization which County records indicate has received this RFSQ. Should such addendum require additional information not previously requested, failure to address the requirements of such addendum may result in the SOQ not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

1.8 Contact with County Personnel

Any contact regarding this RFSQ or any matter relating thereto must be in writing and may be mailed, e-mailed or faxed as follows:

1.11 Protest Process

Any actual or prospective Proposer may file a protest in connection with the solicitation or award of a Board-approved service contract. It is generally accepted that

the Proposer challenging the decision of a County department bears the burden of proof in its claim that the department committed a sufficiently material error in the solicitation process to justify invalidation of a proposed award.

Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

1.11.1 Grounds for Review

Unless state or federal statutes or regulations otherwise provide, the grounds for review of any departmental determination or action should be limited to a Solicitation Requirements Review (refer to Section 2 (Instructions To Proposers), Paragraph 2.4 (Solicitation Requirements Review)).

1.12 Notice to Proposer's Regarding Public Records Act

1.12.1 SOQ responses to this RFSQ shall become the exclusive property of the County. 1.12.2 The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. **A blanket statement of confidentiality or the marking of each page of the SOQ as confidential shall not be deemed sufficient notice of exception and may subject the entire SOQ to disclosure. The Proposer must specifically label only those provisions of the SOQ which are "Trade Secrets," "Confidential," or "Proprietary" in nature.**

1.13 Indemnification and Insurance

Proposer shall be required to comply with the Indemnification provisions contained in *Appendix H – MHSA Master Agreement, Paragraph 20 (Indemnification and Insurance)*. Proposer shall procure, maintain, and provide to the County proof of insurance coverage for all the programs of insurance along with associated amounts

specified in *Appendix H – MHSA Master Agreement, Paragraph 20 (Indemnification and Insurance)*.

1.14 SPARTA Program

A County program, known as 'SPARTA' (Service Providers, Artisan and Tradesman Activities) may be able to assist potential Contractors in obtaining affordable liability insurance. The SPARTA Program is administered by the County's insurance broker, Municipality Insurance Services, Inc.

For additional information, a Proposer may call (800) 420-0555 or contact them through their web-address: www.2sparta.com

1.15 Injury & Illness Prevention Program (IIPP)

Proposer shall be required to comply with the State of California's Cal OSHA's regulations. Section 3203 of title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program (IIPP) that addresses hazards pertaining to the particular workplace covered by the program.

1.16 Background and Security Investigations

Background and security investigations of Proposer's staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting agreement. The cost of background checks is the responsibility of the Proposer.

1.17 Employee Acknowledgement and Confidentiality Agreement

Proposer shall be required to comply with the Confidentiality provisions contained in *Paragraph 54 (Health Insurance Portability and Accountability Act)* and the Independent Contractor Status provision contained in *Paragraph 24 (Independent Status of Contractor) – MHSA Master Agreement*. Contractor shall ensure that it obtains and submits to the County, a signed "Contractor Acknowledgement and Confidentiality Agreement" and "Contractor Employee Acknowledgement and Confidentiality Agreement" as specified in *Appendix H – MHSA Master Agreement, Attachment X and XI respectively*, for each employee and independent contractor performing services under the MHSA Master Agreement, for each RFS-issued SOW before work begins.

1.18 Conflict of Interest

1.18.1 By submission of a SOQ, Proposer certifies that Proposer is aware of, and has read, Section 2.180.010 of the Los Angeles County Code and that an execution of a Master Agreement with Proposer will not violate such section.

1.18.2 No County employee whose position in the County enables him/her to influence the selection of a Contractor for this RFSQ, or any competing RFSQ, nor any spouse or economic dependent of such employees, shall be employed in any capacity by a Proposer or have any other direct or indirect financial interest in the selection of a Contractor. Proposer shall certify that he/she is aware of and has read Section 2.180.010 of the Los Angeles County Code as stated in *Appendix A - Required Forms Exhibit 2, Certification of No Conflict of Interest*.

1.18.3 Proposer shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter enacted during the term of this MHSA Master Agreement. Proposer warrants that Proposer is not now aware of any facts which created a conflict of interest. If Proposer hereafter becomes aware of any facts which might reasonably be expected to create a conflict of interest, Proposer shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, without limitation, identification of all persons implicated, and complete description of all relevant circumstances.

1.19 Determination of Proposer Responsibility

1.19.1 A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the County's policy to conduct business only with responsible contractors.

1.19.2 Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of the subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

1.19.3 The County may declare a Proposer to be non-responsible for purposes of this contract if the Board of Supervisors, in its discretion, finds that the Proposer had done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform this contract with the County, any other public entity, or a nonprofit corporation

created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

1.19.4 If there is evidence that the highest ranked Proposer may not be responsible, the Department shall notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board of Supervisors that the Proposer be found not responsible. The Department shall provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for the Department's recommendation.

1.19.5 If the Proposer presents evidence in rebuttal to the Department, the Department shall evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Proposer shall reside with the Board of Supervisors.

1.19.6 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.20 Proposer Debarment

1.20.1 The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five years or be permanent if warranted by the circumstances, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board of Supervisors finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness or capacity to perform a contract with the County or any other public entity, or nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

- 1.20.2 If there is evidence that the highest ranked Proposer may be subject to debarment, the Department shall notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and shall advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- 1.20.3 The Contractor Hearing Board shall conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.
- 1.20.4 After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- 1.20.5 If a Proposer has been debarred for a period longer than five years, that Proposer may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
- 1.20.6 The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Bidder has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting

documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

1.20.7 The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

1.20.8 These terms shall also apply to proposed subcontractors of Proposers on County contracts.

1.20.9 Debarment List

Appendix E is a listing of Contractors that are currently on the *Debarment List for Los Angeles County*.

1.21 Proposer's Adherence to County Child Support Compliance Program

1.22 Gratuities

1.22.1 Attempt to Secure Favorable Treatment

It is improper for any County officer, employee or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of a Master Agreement or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give

either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of a Master Agreement.

1.22.2 Proposer Notification to County

A Proposer shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration.

1.22.3 Form of Improper Consideration

Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

1.23 Notice to Proposers Regarding the County Lobbyist Ordinance

The Board of Supervisors of the County of Los Angeles has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance", defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in County Code Chapter 2.160. In effect, each person, corporation or other entity that seeks a County permit, license, franchise or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of said ordinance is not contained within this RFSQ. Thereafter, each person, corporation or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code by completing and submitting the *Familiarity with the County Lobbyist Ordinance Certification*, as set forth in *Appendix A - Required Forms Exhibit 5*, as part of their SOQ.

1.24 Federal Earned Income Credit

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the

requirements set forth in the Internal Revenue Service Notice No. 1015. Reference *Appendix F*.

1.25 Consideration of GAIN/GROW Participants for Employment

As a threshold requirement for consideration of a Master Agreement, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Additionally, Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for a Master Agreement.

Proposers shall complete and return the form, *Attestation of Willingness to Consider GAIN/GROW Participants*, as set forth in *Appendix A - Required Forms Exhibit 8*, as part of their SOQ.

1.26 County's Performance Standards and Outcome Measures

1.26.1 After award of a Master Agreement and subsequent amendments based on RFS-issued SOWs, the County or its agent will evaluate the Contractor's performance under the Master Agreement and amendments on an annual basis. Such evaluation will include assessing Contractor's compliance with all terms in the Master Agreement and performance standards identified in the amendments. Contractor's deficiencies which the County determines are severe or continuing and that may place the performance of this Master Agreement and subsequent amendments in jeopardy if not corrected, may be reported to the County's Board of Supervisors. The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, the County may terminate the Master Agreement and/or any amendments in whole or in part, or impose other penalties as specified in the Master Agreement.

1.26.2 The Contractor shall comply with all applicable Federal, State, and County policies and procedures relating to performance standards and outcome measures. This is applicable whenever specific Federal or State funding, which has policies or procedures for performance standards and/or outcome measures

has been included as part of the Contractor's contract and shall apply for all County policies, procedures, or departmental bulletins approved by the Director of MHS for performance standards and/or outcome measures. DMH will notify Contractor whenever County policies or procedures are to apply to this Master Agreement at least, where feasible, 30 days prior to implementation. These Federal, State or County performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by the Contractor.

1.27 Recycled Bond Paper

Proposer shall be required to comply with the County's policy on recycled bond paper as specified in *Appendix H – MHSA Master Agreement, Paragraph 51 (Use of Recycled-content Paper Products)*.

1.28 Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in *Appendix G* of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

1.29 County Policy on Doing Business with Small Business

The County has multiple programs that address Small Businesses. The Board of Supervisors encourages small business participation in the County's contracting process by constantly streamlining and simplifying our selection process and expanding opportunities for small businesses to compete for our business.

One program, the Local Small Business Enterprise Preference Program, requires the Company to complete a certification process. This program and how to obtain certification are further explained in Sub-paragraph 1.31 of this Section.

The Jury Service Program provides exceptions to the Program if a company qualifies as a Small Business. It is important to note that each Program has a different definition for Small Business. You may qualify as a Small Business in one Program but not the other.

Further explanation of the Jury Service Program is provided in Sub-paragraph 1.30 of this Section.

The County also has a Policy on Doing Business with Small Business that is stated in *Appendix C*.

1.30 Jury Service Program

1.30.1 The Master Agreement is subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program") (Los Angeles County Code, Chapter 2.203). Proposers should carefully read the *Jury Service Program, Appendix D*, and the pertinent jury service provisions of the *Appendix H – MHSA Master Agreement, Paragraph 55 (Compliance with Jury Service)*, both of which are incorporated by reference into and made a part of this RFSQ. The Jury Service Program applies to both Contractors and their Subcontractors. SOQs that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

1.30.2 The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

1.30.3 There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor". The Jury Service Program defines "Contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month

period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract is less than \$500,000, and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation". The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

1.30.4 If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the *Contractor Employee Jury Service Program Certification Form and Application for Exception*, as set forth in *Appendix A - Required Forms Exhibit 9*, and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

1.31 Local Small Business Enterprise Preference Program

1.31.1 In evaluating Bids issued under RFS-issued SOWs, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principle office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above.

1.31.2 To apply for certification as a Local SBE, companies may register at the Office of Affirmative Action Compliance's website at:

<http://oaac.co.la.ca.us/SBEMain.shtml>

1.31.3 Certified Local SBEs must request the SBE Preference in each of their Work Order Bid responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

1.31.4 Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default>.

1.32 Contractor's Obligations Under the Federal Health Insurance Portability and Accountability Act (HIPAA)

Contractor shall be required to comply with the Administrative Simplification requirements of the federal Health Insurance Portability and Accountability Act (HIPAA) of 1996 as contained in *Appendix H – MHSA Master Agreement, Paragraph 54 (Health Insurance Portability and Accountability Act)*.

1.33 Subcontracting

Contractor may subcontract to the extent permitted in *Appendix H – MHSA Master Agreement, Paragraph 28 (Subcontracting)*. Any other attempt by Contractor to subcontract performance of any terms of the Master Agreement not expressed therein, in whole or in part, without consent of the DMH Director shall be null and void and shall constitute a breach of the terms of the MHSA Master Agreement.

1.34 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions (45 C.F.R. Part 76):

1.34.1 Pursuant to federal law, the County is prohibited from contracting with parties that are suspended, debarred, ineligible, or excluded or whose principals are suspended, debarred or excluded from securing federally funded contracts. At the time of proposal submission, Proposer must submit a certification, as set forth in Appendix A, Exhibit 10, attesting that neither it, as an organization, nor any of its owners, officers, partners, directors, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Should the proposal identify prospective subcontractors, or should Proposer intend to use subcontractors in the provision of services under any subsequent agreement,

Proposer must submit a certification, completed by each subcontractor, attesting that neither the subcontractor, as an organization, nor any of its owners, officer, partners, director, or other principals is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts.

1.34.2 Failure to provide the required certification may eliminate the proposal from consideration.

1.34.3 In the event that Proposer and/or its subcontractor(s) is or are unable to provide the required certification, Proposer instead shall provide a written explanation concerning its and/or its subcontractor's inability to provide the certification. Proposer's written explanation shall describe the specific circumstances concerning the inability to certify. It further shall identify any owner, officer, partner, director, or other principal of the Proposer and/or subcontractor who is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Finally, the written explanation shall provide that person's or those persons' job description(s) and function(s) as they relate to the agreement which is being solicited by this RFSQ.

1.34.4 The written explanation shall be examined by the County to determine, in its full discretion, whether further consideration of the proposal is appropriate under the federal law.

1.35 Contractor's Exclusion From Participation In A Federally Funded Program

Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded from providing services under any health care program funded by the Federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion from participation in a Federally funded health care program; and (2) any exclusionary action taken by any agency of the Federal government against Contractor or one or more staff members barring it or the staff members from participation in a Federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Appendix H (MHSA Master Agreement).

Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of the Master Agreement upon which County may immediately terminate or suspend this Master Agreement.

1.36 Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, and trustee entities and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Appendix A, Exhibit 11. A completed Appendix A, Exhibit 11 is a required part of any agreement with the County.

In Appendix A, Exhibit 11, prospective contractors certify either that:

They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act, (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County agreement,

Or:

They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County contractors that do not complete Exhibit I, as part of the solicitation process may, in the County's sole discretion, be disqualified from contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

2.3 RFSQ Timetable

The following timetable for this RFSQ is based on a Board approval date of November 15, 2005 (any delays/changes in the RFSQ timetable will be posted through RFSQ addendums):

The Solicitation Requirements Review shall be completed and the department's determination shall be provided to the Proposer, in writing, within a reasonable time prior to the SOQ due date.

The county may utilize the services of appropriate experts to assist in the evaluation process. The Evaluation Committee, in its sole discretion, may delegate certain functions to one or more subcommittees of the Evaluation Committee. The review process will include the following steps:

3.1.1 Adherence to Minimum Qualifications

An SOQ must adhere to the minimum qualifications outlined in Section 1 (General Information), Paragraph 1.3, Proposer's Minimum Qualifications. There will be a thorough review of Proposer's qualifications as provided in **Section A** of the SOQ to determine if the Proposer meets the Minimum Qualifications. The review will include verification of references submitted, a review of the County's Contract Database reflecting past performance history on County contracts, a review of terminated contracts, and a review to determine the magnitude of any pending litigation or judgments against the Proposer. Proposers can qualify for specific service categories and focal age groups (s) as described in Section 1

An initial review of Proposer's specific qualifications as described in the FSP and Safe Havens Housing service categories' program narratives will include the following criteria:

FSP: 1) demonstrated experience in the delivery of FSP types of programs with successful outcomes; 2) demonstrated recent experience in the delivery of FSP types of programs even though the Proposer has not had sufficient time to demonstrate successful outcomes; 3) demonstrated experience providing services to children, TAY, and/or older adults and can demonstrate a readiness to immediately implement a FSP program; or 4) demonstrated experience providing specialized interventions , who have current experience working the DMH, and who can demonstrate a readiness to immediately implement a FSP.

3.1.3 Required Forms

All forms listed in Section 2 (Instructions to Proposers), Paragraph 2.6 (Preparation and Format of the SOQ), Sub-paragraph 2.6.5 must be included in **Section C** of the SOQ.

3.1.4 Proof of Insurability

Review the proof of insurability provided in **Section D** of the SOQ.

3.1.5 Proposer Changes

A SOQ, which contains conditions or limitations established by the Proposer, may be deemed irregular and be rejected by the County, in its sole discretion.

3.2 Disqualification Review

An SOQ may be disqualified from consideration because the County determined it was a non-responsive SOQ at any time during the review process. If the County determines that an SOQ is disqualified due to non-responsiveness, the County shall notify the Proposer in writing.

Upon receipt of the written determination of non-responsiveness, the Proposer may submit a written request for a Disqualification Review by the date specified. Requests for a Disqualification Review not timely submitted will be denied.

A Disqualification Review shall only be granted under the following circumstances:

1. The firm/person requesting a Disqualification Review is a Proposer;
2. The request for a Disqualification Review is submitted timely; and,
3. The request for a Disqualification Review asserts that the department's determination of disqualification due to SOQ non-responsiveness was erroneous (e.g. factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

The Disqualification Review shall be completed and the department's determination shall be provided to the Proposer, in writing, prior to the conclusion of the review process.

3.3 Selection/Qualification Process

DMH will generally select Proposers that have experience in providing a broad range of mental health services. However, in order to insure DMH has at its disposal a varied pool of qualified Contractors, DMH may offer MHSA Master Agreements to Proposers that offer a narrow scope of services as defined by its categories of services.

3.4 MHSA Master Agreement Award

Proposers who are notified by DMH that they appear to have the necessary qualifications and experience (i.e., they are qualified) may still not be recommended for a MHSA Master Agreement if other requirements necessary for award have not been met. Other requirements may include items such as complete agreement with the terms and conditions of the MHSA Master Agreement, and/or satisfactory documentation that required insurance will be in force. Only when all such matters have been demonstrated to the Department's satisfaction can a Proposer, which is otherwise deemed qualified, be regarded as "selected" for recommendation of a MHSA Master Agreement.

DMH will execute Board of Supervisors-authorized MHSA Master Agreements with each selected Proposer. All Proposers will be informed of the final selections.

CERTIFICATION FORM AND APPLICATION FOR EXCEPTION**

The County's solicitation for this Request for Statement of Qualifications is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program), Los Angeles County Code, Chapter 2.203. All Vendors, whether a contractor or subcontractor, must complete this form to either certify compliance or request an exception from the Program requirements. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the Vendor is excepted from the Program.

Solicitation For _____ Services:		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program is Not Applicable to My Business

- My business does not meet the definition of "contractor," as defined in the Program, as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exception will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II: Certification of Compliance

- My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

1. This certification is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that Proposer knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
2. Proposer shall provide immediate written notice to the person to whom this proposal is submitted if at any time Proposer learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” (primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this certification, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
4. Proposer agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
5. Proposer further agrees by submitting this proposal that it will include the provision entitled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction (45 C.F.R. Proposer hereby certifies that neither it nor any of its owners, officers, partners, directors, other principals or subcontractors is currently debarred, suspended, proposed for debarment, declared ineligible or excluded from securing federally funded contracts by any federal department or agency.

COUNTY OF LOS ANGELES

POLICY ON DOING BUSINESS WITH SMALL BUSINESS

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE . . .

The importance of small business to the County . . .

- in fueling local economic growth
- providing new jobs
- creating new local tax revenues
- offering new entrepreneurial opportunity to those historically under-represented in business

The County can play a positive role in helping small business grow . . .

- as a multi-billion dollar purchaser of goods and services
- as a broker of intergovernmental cooperation among numerous local jurisdictions
- by greater outreach in providing information and training
- by simplifying the bid/proposal process
- by maintaining selection criteria which are fair to all
- by streamlining the payment process

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully-coordinated among our departments and districts, as well as other participating governments to: a) inform and assist the local business community in competing to provide goods and services; b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting and conduct business with our vendors, in order to: a) expand opportunity for small business to compete for our business; and b) to further opportunities for all businesses to compete regardless of size.
4. Insure that staff who manage and carry out the business of purchasing goods and services are well trained, capable and highly motivated to carry out the letter and spirit of this policy.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.
- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:
 - 1. A contract where the board finds that special circumstances exist that justify a waiver of the requirements of this chapter; or
 - 2. A contract where federal or state law or a condition of a federal or state program mandates the use of a particular contractor; or
 - 3. A purchase made through a state or federal contract; or
 - 4. A monopoly purchase that is exclusive and proprietary to a specific manufacturer, distributor, or reseller, and must match and inter-member with existing supplies, equipment or systems maintained by the county pursuant to the Los Angeles County Purchasing Policy and Procedures Manual, section P-3700 or a successor provision; or
 - 5. A revolving fund (petty cash) purchase pursuant to the Los Angeles County Fiscal Manual, section 4.4.0 or a successor provision; or

2.203.030 Applicability.

This chapter shall apply to contractors who enter into contracts that commence after July 11, 2002. This chapter shall also apply to contractors with existing contracts which are extended into option years that commence after July 11, 2002. Contracts that commence after May 28, 2002, but before July 11, 2002, shall be subject to the provisions of this chapter only if the solicitations for such contracts stated that the chapter would be applicable.

2.203.040 Contractor Jury Service Policy.

A contractor shall have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employees' regular pay the fees received for jury service.

2.203.050 Other Provisions.

- A. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter and shall issue written instructions on the implementation and ongoing administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.
- B. Compliance Certification. At the time of seeking a contract, a contractor shall certify to the county that it has and adheres to a policy consistent with this chapter or will have and adhere to such a policy prior to award of the contract.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.060 Enforcement and Remedies.

For a contractor's violation of any provision of this chapter, the county department head responsible for administering the contract may do one or more of the following:

1. Recommend to the board of supervisors the termination of the contract; and/or,
2. Pursuant to chapter 2.202, seek the debarment of the contractor.

2.203.070. Exceptions.

- A. **Other Laws.** This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B. **Collective Bargaining Agreements.** This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C. **Small Business.** This chapter shall not be applied to any contractor that meets all of the following:
 1. Has ten or fewer employees during the contract period; and,
 2. Has annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, are less than \$500,000; and,
 3. Is not an affiliate or subsidiary of a business dominant in its field of operation.

"Dominant in its field of operation" means having more than ten employees and annual gross revenues in the preceding twelve months which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

2.203.090. Severability.

If any provision of this chapter is found invalid by a court of competent jurisdiction, the remaining provisions shall remain in full force and effect.

Notice 1015

(Rev. December 2003)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers cannot claim the EIC if their 2003 investment income (such as interest and dividends) is over \$2,600.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2003 are less than \$34,692 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2004.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2003 Instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2003 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2003 and owes no tax but is eligible for a credit of \$791, he or she must file a 2003 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2004 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Circular E (Pub. 15), Employer's Tax Guide.

SAFELY SURRENDERED BABY LAW

No shame. No blame. No names.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, los padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambian de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

WHEREAS, the County is authorized by Government Code Section 31000 to contract for such special services, including those contemplated herein.

NOW, THEREFORE, in consideration of the mutual covenants, conditions, representations and warranties contained herein, it is agreed by and between County and Contractor as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human service that support achievement of the County's vision, goals, values and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the customer service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, businesses and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals) 1 Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy – in isolation – can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the

health, educational, and social services systems.

- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no “wrong door”: wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated comprehensive information, services and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of

families.

- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the

community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post compliant and appeal procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. 39.1.1 “Disclose” or “Disclosure” means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate’s internal operations or to other than its employees.

39.1.2 “Electronic Media” has the same meaning as the term “electronic media” in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

39.1.3 “Electronic Protected Health Information” has the same meaning as the term “electronic protected health information” in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

39.1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

39.1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information, whether oral or recorded in any form or medium, that (i) relates to the past, present, or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

39.1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require

the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

39.1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

39.1.8 "Services" has the same meaning as in the body of this Agreement.

39.1.9 "Use" or "Uses" means, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

39.1.10 Terms used, but not otherwise defined in this Paragraph shall have the same meaning as those terms in the HIPAA Regulations.

The initial report shall be made by telephone call to the Department of Mental Health's Privacy Officer, telephone number 1(213) 738-4864 within forty-eight (48) hours from the time the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident, followed by a full written report no later than ten (10) business days from the date the Business Associate becomes aware of the non-permitted Use or Disclosure or Security Incident to the Chief Privacy Officer at:

Chief Privacy Officer, County of Los Angeles

Suite 525
Los Angeles, CA 90012

39.2.4 Mitigation of Harmful Effect. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a Use or Disclosure of Protected Health Information by Business Associate in violation of the requirements of this Paragraph.

39.2.5 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books, and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

39.2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity available to the Individual(s) identified by Covered Entity as being entitled to access and copy that Protected Health Information. Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

39.2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

39.2.8 Accounting of Disclosures. Business Associate agrees to maintain documentation of the information required to provide an accounting of Disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528, and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. However, Business Associate is not required

to provide an accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both.

Additionally, such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures that were made prior to the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate maintains the Protected Health Information.

Any accounting provided by Business Associate under this Section 2.8 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

39.3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own

uses and disclosures accordingly.

TERM AND TERMINATION

39.4.1 Term. The term of this Paragraph shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

39.4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement if Business Associate has breached a material term of this Paragraph and cure is not possible; or

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

39.4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This

provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

39.5.1 No Third Party Beneficiaries. Nothing in this Paragraph shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

39.5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph.

39.5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph is contrary to another provision of this

Agreement, the provision of this Paragraph shall control. Otherwise, this Paragraph shall be construed under, and in accordance with, the terms of this Agreement.

39.5.4 Regulatory References. A reference in this Paragraph to a section in the Privacy or Security Regulations means the section as in effect or as amended.

39.5.5 Interpretation. Any ambiguity in this Paragraph shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.

39.5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.”

40.0 COMPLIANCE WITH JURY SERVICE PROGRAM:

A Jury Service Program: This Agreement is subject to the provisions of the County’s ordinance entitled Contractor Employee Jury Service (“Jury Service Program”) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County’s satisfaction either that Contractor is not a “Contractor” as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less

than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any SubContractor to perform services for the County under the Agreement, the SubContractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time

either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

41.0 NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each SubContractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit D of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

42.0 CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby

Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its SubContractors, if any, to post this poster in a prominent position in the SubContractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

43.0 COUNTY'S QUALITY ASSURANCE PLAN: The County or its agent will evaluate Contractor's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Supervisors.

The report will include improvement/corrective action measures taken by the County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Agreement or impose other penalties as specified in this Agreement.

44.0 CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit E, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions

without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

45. NOTICES: All notices or demands required or permitted to be given or made under this Agreement shall be in writing and shall be hand-delivered with signed receipt or mailed by first-class, registered or certified mail, postage prepaid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices or demands which are required or permitted by County under this Agreement. What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados en forma segura en la sala de emergencia de cualquier hospital o en un cuartel de bomberos del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia; no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
