The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF A NEW CONSULTANT SERVICES AGREEMENT WITH
OUTLOOK ASSOCIATES, INC.
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health or his designee to prepare, sign, and execute a new Department of Mental Health (DMH) Consultant Services Agreement, substantially similar to Attachment I, with Outlook Associates, Inc. (Outlook). Outlook will provide expert assistance in establishing a revenue management function within DMH and setting up the operational procedures for the revenue management function to make the best use of available automation tools. The term of this new Consultant Services Agreement will be effective upon Board approval and shall not exceed 24 months or until the County Project Director has confirmed the revenue management function has become self-sufficient, whichever comes first. The Maximum Contract Amount (MCA) for this new Consultant Services Agreement is \$1,000,000. Funding for the services rendered in the current fiscal year is included in DMH's Fiscal Year (FY) 2004-2005 Adopted Budget.

Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments to this new Consultant Services Agreement provided that: 1) the County's total payments to consultant under this Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors

has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) the parties may, by written Amendment, mutually agree to reduce programs or services without reference to the 20 percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

Board approval is required to enter into a new Consultant Services Agreement with Outlook to provide expert assistance in establishing a revenue management function within DMH to ensure that revenue related business process changes are coordinated in conjunction with available automation tools, to more effectively track, recover, and maximize revenue. The revenue management unit will also provide contractors with a professional claims processing organization to interface with on their claiming issues.

In the course of assisting DMH with developing the FY 2005-2006 Business Automation Plan (BAP), Outlook became very familiar with the information systems used to manage revenue in DMH and the people and processes currently in place. They have a detailed understanding of the problems facing DMH and where the intervention points are to quickly make a difference. Outlook has set up revenue management operations in organizations similar in type and scale to DMH, so they have the knowledge and expertise to provide the integrated, coordinated efforts necessary to effectively and efficiently establish the revenue management and claims processing functions by providing the following services:

- Identify gaps in current systems and processes resulting in lost revenue, missing/lagged claims, and incorrect/missing payments to providers.
- Develop and implement effective, industry standard claims inventory and reconciliation processes and controls to accurately monitor key measures necessary to effectively manage DMH revenues.
- Assist DMH to establish a fully-functional revenue management unit responsible for continuing management of processes, controls, and reporting.
- Document the benefit, contract, and other administrative rules and parameters necessary to accurately adjudicate claims and obtain all necessary validations and approvals. Audit current system parameters and logic compared to the approved rules and parameters documenting gaps and developing interim corrective actions to address errors and capitalize on recovery opportunities.
- Work with the Integrated System/Mental Health Management Information Systems Replacement Project evaluation and implementation teams to translate

the approved rules and parameters to the configuration and processing requirements for the new claims administration application to be implemented in conjunction with the provider and care management modules. Advise on and participate in the selection process to assure the selected system will address DMH revenue management requirements.

Further, based on information gathered in preparing the FY 2005-2006 DMH BAP, the recovery of a significant portion of revenue, not currently being captured, is achievable through process improvements using the current automation tools. It is anticipated that recovery of the investment in this project may be as short as a month or two once the new revenue management processes are in place.

Implementation of Strategic Plan Goals

The recommended Board action is consistent with the principles of the Countywide Strategic Plan Goal No. 4, "Fiscal Responsibility." The requested action will strengthen DMH's and the County's fiscal capacity.

FISCAL IMPACT/ FINANCING

There is no increase in net County cost.

This project involves creating a new DMH function essentially from scratch, and it is very difficult to determine in advance what obstacles may be encountered; therefore, this Agreement will be on a time and materials basis not to exceed \$1 million over the 24-month term of the project. The term of the Agreement will not exceed 24 months or until the County Project Director has confirmed the revenue management function has become self-sufficient, whichever comes first. The contract will span over FYs 2004-2005, 2005-2006 and 2006-2007, and the estimated service levels are \$300,000, \$600,000, and \$100,000, respectively. Funding for the current fiscal year's services will be from the redirection of existing resources within DMH's FY 2004-2005 Adopted Budget, and future year funding will be included in the FYs 2005-2006 and 2006-2007 Budget Requests.

It is anticipated that this project will result in the recovery of a significant amount of patient care revenue that is currently not being realized. However, it is the Department's intent not to budget this revenue until such revenue actually materializes on a consistent basis.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

DMH previously entered into a Consultant Services Agreement with Outlook to assist in the development of the DMH BAP for FY 2005-2006. At present, Outlook's consultant services are being paid by a Service Purchase Order in the amount of \$99,000 to begin the initial planning efforts by developing a gap analysis. These initial planning efforts will result in current processes flow charts documenting gaps and points of error in the current systems and processes. This process will provide a detailed quantification of claims transactions lost, delayed, or incorrectly processed at each gap or point of error.

Outlook has set up revenue management operations in organizations similar in type and scale to DMH, so they do not have to figure out what to do; they know what to do. In the course of assisting DMH with developing the FY 2005-2006 BAP, Outlook developed detailed functional maps of most of the DMH business operations from the client service delivery side, through the-behind-the-scenes business operations. In essence, Outlook has a 10-week head start on any other vendor. Outlook already has an operational understanding of DMH that would take any other vendor months to develop.

The \$1 million cost of this project is a small fraction of the additional revenue that DMH expects to realize from this work. Full recovery of an estimated \$1 million per week in revenue not being received now is dependent on replacing the current information systems used to manage claiming and revenue operations, but significant improvements can be achieved through process improvements using the current automation tools. Even without the new systems, recovery of the investment in this project may be as short as a month or two once a new revenue management process is in place.

If DMH is successful in securing Mental Health Services Act (MHSA) funding to replace the Integrated System and the Mental Health Management Information System, it is the Department's intent to amend the Agreement negotiated with Outlook to assist in the specification, selection, and implementation of a replacement system. This is being proposed in order to assure revenue related business process changes and the replacement system selection and configuration are coordinated, in order to maximize revenue capture and assure rapid deployment of effective revenue management.

The DMH Consultant Services Agreement format has been approved as to form by County Counsel. The CAO and DMH's Program and Fiscal Administrations have reviewed the proposed action.

CONTRACTING PROCESS

Upon Board approval, DMH will enter into a sole source Agreement with Outlook to provide expert assistance in establishing a DMH revenue management function and setting up the operational procedure for that office to make the best use of available automation tools, both existing and planned. DMH has been advised by County Counsel that Proposition A does not apply to contracts for consultant services.

DMH has met the County's requirement for advance notification of intent to negotiate a sole source contract of \$250,000 or greater in its notification letter to your Board dated March 3, 2005.

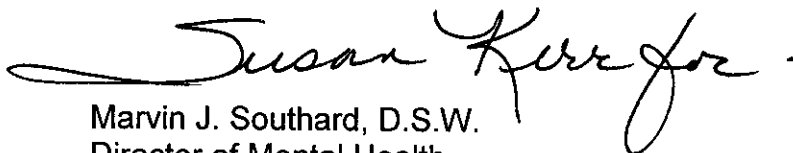

IMPACT ON CURRENT SERVICES

There will be no impact on current services.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

WHEREAS, Contractor is willing to provide the specialized services described herein for and in consideration of the payment provided under this Agreement and under the terms and conditions hereinafter set forth; and

NOW, THEREFORE, County and Contractor agree as follows:

PREAMBLE

For over a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

The shared values are encompassed in the County Mission to enrich lives through effective and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-

Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.

- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community will continue to work together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Therefore, the parties agree as follows:

DEFINITIONS

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.8 "Services" has the same meaning as in the body of this Agreement.

1.9 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

2.6 Access to Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make the Protected Health Information specified by Covered Entity

Business Associate shall provide such access for inspection of that Protected Health Information within two (2) business days after receipt of request from Covered Entity. Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity.

2.7 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Business Associate shall make such amendment within ten (10) business days after receipt of request from Covered Entity in order for Covered Entity to meet the requirements under 45 C.F.R. § 164.526.

Business Associate agrees to maintain documentation of the information required to provide an accounting of disclosures of PHI in accordance with 45 C.F.R. § 164.528, and to make this information available to Covered Entity upon Covered Entity's request, in order to allow Covered Entity to respond to an Individual's request for accounting of disclosures. However, Business Associate is not required to provide an accounting of Disclosures that are necessary to perform its Services if such Disclosures are for either payment or health care operations purposes, or both. Additionally, such accounting is limited to disclosures that were made in the six (6) years prior to the request (not including disclosures prior to the compliance date of the Privacy Rule, April 14, 2003) and shall be provided for as long as Business Associate maintains the Protected Health Information.

Any accounting provided by Business Associate under this Section 2.8 shall include:

(a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. For each Disclosure that could require an accounting under this Section 2.8, Business Associate shall document the information

specified in (a) through (d), above, and shall securely maintain the information for six (6) years from the date of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.8 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Paragraph 38 shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.3, 2.4, 2.5, 2.6, 2.7, 2.8, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this Agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;

(b) Immediately terminate this Agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification of the conditions that make it infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Paragraph 38 shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Paragraph 38.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Paragraph 38 is contrary to another provision of this Agreement, the provision of this Paragraph 38 shall control. Otherwise, this Paragraph 38 shall be construed under, and in accordance with, the terms of this Agreement.

5.4 Regulatory References. A reference in this Paragraph 38 to a section in the Privacy or Security Regulations means the section as in effect or as amended.

5.5 Interpretation. Any ambiguity in this Paragraph 38 shall be resolved in favor of a meaning that permits Covered Entity to comply with the Privacy and Security Regulations.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Paragraph 38 from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations.

39. **COMPLIANCE WITH JURY SERVICE PROGRAM:**

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as

determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

40. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact

sheet is set forth in Exhibit F of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

41. **CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO THE SAFELY**

SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

42. **AUTHORIZATION WARRANTY:** Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

43. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices. Addresses and persons to be notified may be changed by either party by giving 10 days prior written notice thereof to the other party.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

SUBJECT: ADJUSTMENT OF TRAVEL EXPENSE REIMBURSEMENTS
EFFECTIVE FEBRUARY 1, 2005

Section 5.40.095 of the County Code requires an annual adjustment of maximum travel, meal, lodging and incidental expense reimbursement rates based on annual changes in the National Consumer Price Index (CPI) published by the Bureau of Labor Statistics. This section also stipulates that the annual percentage change in the CPI during the preceding calendar year must exceed 3% to cause a rate adjustment. If the percentage change is less than 3%, then the percentage change shall be accumulated with the percentage change in the following year(s) until such time the cumulative percentage change exceeds 3%. Adjustments are then made to reflect the total cumulative percentage change.

Since the percentage change in the CPI between December 2002 and December 2003 was published as 1.9%, there was no annual adjustment for 2004. The percentage change in the CPI between December 2003 and December 2004, was published as 3.3%. The total cumulative percentage change is 5.2%. Therefore, maximum reimbursable amounts for meals and lodging for travel occurring on or after February 1, 2005 and through January 31, 2006 are as follows:

Lodging: \$ 174.00 plus all taxes included on the voucher for a single occupancy hotel accommodation upon presentation of the voucher to the travel coordinator of your department. Reimbursement without a voucher will be limited to \$ 20.00 per night.

Meals: \$ 10.50 breakfast, \$ 13.50 lunch and \$ 34.00 dinner, or not to exceed \$58.00 per day when three meals are purchased any one day.
