The Amendment will be effective upon Board approval for FY 2004-2005 only. 2. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute Amendment No. 4, substantially similar to Attachment II, to the existing DMH Consultant Services Agreement with the National Mental Health Association of Greater Los Angeles (NMHAGLA) (Agreement No. DMH-01408) to increase the TCA by \$5,000, from \$597,790 to \$602,790, for FY 2004-2005. The Amendment will be effective upon Board approval for FY 2004-2005 only. The Amendment increase, fully funded by one-time only Sales Tax Realignment revenue in the Trust Account, will be used for an older adults training conference to address countywide hoarding concerns.
3. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute Amendment No. 8, substantially similar to Attachment III, to the existing DMH Legal Entity (LE) Agreement with NMHAGLA (Agreement No. DMH-01652) to increase the Maximum Contract Amount (MCA) by \$10,000, from \$10,934,352 to \$10,944,352, for FY 2004-2005. The Amendment will be effective upon Board approval for FY 2004-2005 only. The Amendment increase, fully funded by one-time only Sales Tax Realignment revenue in the Trust Account, will be used to provide wraparound services for the life support needs of older adult mental health clients.

The TCA in the amount of \$36,500 will be funded by one-time only Sales Tax Realignment revenue in the Trust Account.
5. Approve the Request for Appropriation Adjustment (Attachment V) in the amount of \$200,000, fully funded by one-time only Sales Tax Realignment revenue in the Trust Account, for the provision of services to older adult mental health clients residing in the County.
6. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future Amendments to these Agreements and establish as a new TCA or MCA the aggregate of each original Agreement and all amendments through and including these amendments and new Agreement, provided that: 1) the County's total payments to a contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised TCA or MCA; 2) any such increase shall be used to provide additional services or to

reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) the parties may by written Amendment reduce programs or services and revise the applicable TCA or MCA; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after the execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of the requested actions is necessitated by the Request for Appropriation Adjustment to fund older adults mental health services by one-time only Sales Tax Realignment revenue in the Trust Account. The proposed actions are in accordance with the DMH Stakeholders' Recommendations provided to your Board on October 19, 2004. In September 2004, upon determining the availability of additional one-time monies in the Sales Tax Realignment Trust Account, DMH reconvened its Stakeholders group to make recommendations for the allocation and expenditure of these funds in FY 2004-2005. The requested actions are part of the approved plan for DMH to provide necessary older adults training and to augment services to meet the increasing demands for services due to the rapid growth of the older adult population. The elements of this plan included the fast expanding mental health needs of older adults (age 60 and older) and future needs of transitional adults (ages 55 through 59).

Implementation of Strategic Plans Goals

The recommended Board actions are consistent with the principles of the County's Organizational Goals No. 1, "Service Excellence," and No. 3, "Organizational Effectiveness," and Programmatic Goal No. 7, "Health and Mental Health," within the Countywide Strategic Plan. Board approval will promote the accessibility of essential services to clients and enhance the service delivery and workforce excellence.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The total cost for FY 2004-2005 is \$200,000, fully funded by one-time only Sales Tax Realignment revenue in the Trust Account. All funds will be expended during FY 2004-2005.

For FY 2004-2005, the Request for Appropriation Adjustment in the amount of \$200,000 will provide DMH with increased spending authority required for implementation of the

Stakeholders' plan for the enhancement of older adults mental health services as previously specified.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In September 2004, DMH reconvened the Stakeholders' process that subsequently generated allocation recommendations for the use of the available monies identified in the Sales Tax Realignment Trust Account. These recommendations included the allocation of \$200,000 to enhance older adults mental health training and support services. Discussion regarding these training and service needs took place at the countywide Older Adults System of Care Committee (OASOC) as well as through its comprehensive planning workgroup meetings.

The allocation will include the following training and service components:

- \$148,500 to fund CIMH to facilitate the development of older adults assessment tool and skills, schools of social work intern training, professional staff development, and training conference;
- \$5,000 to fund NMHAGLA to organize a countywide conference to address the older adults hoarding problem as a multi-agency and community concern;
- \$10,000 to fund NMHAGLA to develop a wraparound program, which provides life support resources to meet the urgent and critical needs of older adult mentally ill clients in the community; and
- \$36,500 to fund Pacific Clinics for advanced training to multi-disciplinary professionals on older adults mental health issues, including, but not limited, to judicial officers, physicians, and service providers.

California Institute of Mental Health (CIMH)

CIHM (Agreement No. DMH-01407) is a statewide organization with a mission to promote excellence in mental health services through training, technical assistance, research, and policy development. CIMH has worked closely with statewide and county entities, such as the California Mental Health Directors' Association's (CMHDA) OASOC and Los Angeles County and Southern California OASOCs to provide consultation and training to older adult mental health staff. The term of this Agreement expires on June 30, 2006.

National Mental Health Association of Greater Los Angeles (NMHAGLA)

NMHAGLA (Agreement Nos. DMH-01408 and DMH-01652) has extensive experience in the training of providers, consumers, families, and the community-at-large with an outcome focus. The agency is renown for its commitment and specialized services to the severely and persistently mentally ill, homeless, and incarcerated populations, as well as consumer-run programs. Its previous experience in working with DMH to provide older wraparound service to older adult clients has proven to be cost-effective. The terms of these Consultant Services and LE Agreements expire on June 30, 2006 and June 30, 2007, respectively.

Pacific Clinics, Inc.

Pacific Clinics, a longstanding mental health agency in Los Angeles County, provides behavioral healthcare services to children, adolescents, adults, and older adults at multiple sites throughout Los Angeles County. The Older Adults Division of Pacific Clinics has worked collaboratively with DMH in many older adults projects, including the Los Angeles County OASOC, the Los Angeles County Long-Term Care Coordinating Council (LTCCC) Mental Health Workgroup. Over the years, its training institute has conducted many workshops with an older adult focus. The term of this new Agreement will be effective upon Board approval through June 30, 2005.

The attached Amendments and Agreement have been approved as to form by County Counsel. The CAO and DMH's Fiscal and Program Administrations have reviewed the proposed actions. Clinical and administrative staff of DMH will also continue to administer and supervise agreements; evaluate programs to ensure that quality services are being provided to clients; and ensure that Agreement provisions and departmental policies are being followed.

Contractors will perform services up to, but not exceeding, the approved TCA or MCA and will follow the scope of work as described in the Amendments and new Agreement.

CONTRACTING PROCESS

Upon Board approval, DMH will allocate \$200,000 to three existing DMH contractors-- CIMH, NMHAGLA, and Pacific Clinics--to meet older adults mental health training and service needs in accordance with recommendations made by the Stakeholders' process and as discussed at the countywide OASOC. The training and service needs have also been established by the countywide OASOC's comprehensive planning workgroup through ongoing meetings.

These agencies were selected based on their established expertise and experience in the provision of consultation, training, and services pertaining to older adults mental health issues.

These actions will not be listed on the County's Bid Webpage, as they do not involve a Proposition A Request For Proposal. Additionally, these actions are part of the approved Stakeholders' plan for DMH to provide necessary training and augment services to older adults.

IMPACT ON CURRENT SERVICES

Board approval of these proposed allocations will enhance the expansion of knowledge, development of skills, and increased level of supportive services regarding older adults mental health needs. Time is of the essence for the utilization of these funds since they have to be expended in this fiscal year and cannot be carried over into FY 2005-2006.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board of Supervisors notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

I. DATA COLLECTION, ANALYSIS AND EVALUATION

- Assist in conducting an analysis of AB 34 and AB 2034 programs and their effect on the quality of life outcomes of the mental health consumers they serve. The focus will be on the significant areas of functioning for clients, such as their residential and employment status. There will be a heavy emphasis on the impact these programs have on reducing homelessness, incarceration, and contact with law enforcement agencies.
- National Mental Health Association of Greater Los Angeles will assist DMH in three broad management areas:
 1. Data Collection System
 - a) Software development
 - b) Ongoing technical support
 - c) Maintenance of databases for providers who choose to use the "direct data submission" method
 2. Ongoing Technical Support
 - a) Assistance to all direct service staff in the use of data collection forms
 - b) Assistance to data entry staff on inputting data into the software system
 - c) Assistance to provider management staff on generating reports for quality improvement

- National Mental Health Association of Greater Los Angeles will conduct ongoing training workshops for the staff of all AB 34/2034 programs in the use of the outcome tracking forms and in the entry of data into the Caminar Software system. These workshops will cover the following:

1. State required data elements and reporting format
 2. Overview of the National Mental Health Association of Greater Los Angeles Outcome Tracking System
 3. Discussion of options for outcome reporting
 4. Training of direct service staff in the filling out of data entry forms
 5. Training of data entry staff in the entry of data into the Caminar software system
- National Mental Health Association of Greater Los Angeles will hire technical support specialists to collect data on a monthly basis from the AB 34/2034 programs.  - The National Mental Health Association of Greater Los Angeles Outcomes and Research Division will assist SDMH in organizing ongoing meetings of the AB 34/2034 Data Committee. These meetings will be held four times a year and will allow all programs participating in the AB 34/2034 program to provide input into the data collection and analysis procedures as well as receive and discuss updates to the system.
 - The National Mental Health Association of Greater Los Angeles Outcomes and Research Division will assist SDMH in the preparation of the annual legislative report on the progress of the AB 34/2034 programs.
 - The National Mental Health Association of Greater Los Angeles Outcomes and Research Division will provide initial and ongoing technical support that will allow participating agencies to maintain the Caminar Software system at their site as their means of data collection.
 - The National Mental Health Association of Greater Los Angeles Outcomes and Research Division will maintain the AB 34/2034 and Los Angeles County ACT websites.

II. IMMERSION TRAINING

National Mental Health Association of Greater Los Angeles agrees to provide training at the Village for both management and direct service staff, referred to as "immersion training." The direct service staff trainings will focus on the principles of assertive community treatment (ACT), psychosocial rehabilitation, and community integration and their practical applications. Some of the topics that are covered include:

- Determining service/treatment based on abilities rather than on disabilities

- Using normalized rather than institutional settings
- Focusing on functional behavior rather than on intrapsychic dynamics
- Helping members to take risks rather than working to minimize their stress
- Member and staff collaborating rather than the staff prescribing unilaterally
- Focusing on self-help and independence rather than on caretaking
- The generalist vs. the specialist orientation toward service provision

- Expanding the definition of what it means to be a "case manager"
- Working in teams
- Working with dually diagnosed members
- Focusing on work and fun

Some of the management trainings that are offered include:

- Outcome evaluation

WHEREAS, County's Department of Mental Health (hereafter "DMH") has determined that existing staff of DMH do not have sufficient manpower, that it is difficult to recruit personnel to perform the services hereunder, and that the services to be provided hereunder are professional, specialized and the services are of a temporary nature; and

WHEREAS, the County desires to engage Contractor for such special services upon the terms provided in this Agreement; and

WHEREAS, Contractor possesses the specialized skills, training, and experience to provide consultant services; and

WHEREAS, Contractor is qualified and licensed under the laws of the State of California to engage in the business of providing the services described herein; and

WHEREAS, Contractor is willing to provide the specialized services described herein for and in consideration of the payment provided under this Agreement and under the terms and conditions hereinafter set forth; and

WHEREAS, pursuant to Section 31000 of the California Government Code, County is authorized to contract for these specialized services.

NOW, THEREFORE, County and Contractor agree as follows:

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | | | |
|---|-----------------|---|-----------------------|
| ➤ | Responsiveness | ➤ | Integrity |
| ➤ | Professionalism | ➤ | Commitment |
| ➤ | Accountability | ➤ | A Can-Do Attitude |
| ➤ | Compassion | ➤ | Respect for Diversity |

The shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8)

Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.
- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.

- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their

strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following *Customer Service And Satisfaction Standards* in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy

- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. **TERM:**

A. This Agreement shall commence on Board Approval and shall continue in full force and effect through June 30, 2005.

B. This Agreement may be terminated by either party at any time without cause by giving at least 30 days prior written notice to the other party.

C. **Six Months Notification of Agreement Expiration:** Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 43 (NOTICES).

2. **TERMINATION FOR CONVENIENCE:** Any of the parties of this Agreement may terminate services by written notice to the other party and shall become effective 30 days from the date of the written notice. Any party providing such termination shall not be liable or responsible for any liability, monetary or otherwise, resulting from any termination, in whole or in part, of that party's involvement in this Agreement. Termination shall be final and shall release the party from any further responsibility to provide service under the terms and conditions of this Agreement.

3. **TERMINATION FOR DEFAULT:**

A. County may, by written notice of default to Contractor, terminate this Agreement immediately in any one of the following circumstances:

(1) If, as determined in the sole judgment of County, Contractor fails to perform any services within the times specified in this Agreement or any extension thereof as County may authorize in writing; or

(2) If, as determined in the sole judgment of County, Contractor fails to perform and/or comply with any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances, does not cure such failure within a period of five days (or such longer period as County may authorize in writing) after receipt of notice from County specifying such failure.

B. In the event that County terminates this Agreement as provided in Subparagraph A, County may procure, upon such terms and in such manner as County may deem appropriate, services similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs incurred by County, as determined by County, for such similar services.

C. The rights and remedies of County provided in this Paragraph shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

4. **TERMINATION FOR IMPROPER CONSIDERATION:** County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Contractor's performance pursuant to the Agreement. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

5. **SERVICES PROVIDED:** Contractor shall provide services to County as set forth in Exhibit A (STATEMENT OF WORK), which is attached hereto and incorporated by reference.

6. **PAYMENT:** In consideration of the performance by Contractor in a manner satisfactory to County of the services described in Exhibit A (STATEMENT OF WORK), Contractor shall be paid in accordance with the Payment Schedule established in Exhibit B. Notwithstanding such limitation of funds, Contractor agrees to satisfactorily provide all services specified in Exhibit A and to follow procedures established by DMH as specified in Exhibit C.

6.1 Contractor shall not be paid beyond the Maximum Compensation amount as specified in Exhibit B. Contractor agrees that County has no obligation, whatsoever, to pay for any services performed by Contractor that exceed the Maximum Compensation amount.

6.2 Contractor shall notify County when service amounts under this Agreement total seventy-five percent (75%) of the Maximum Compensation amount. Furthermore, Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send these notices to DMH as specified in Exhibit B.

6.3 **No Payment for Services Provided Following Expiration/Termination of Contract:** Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

7. **LIMITATION OF COUNTY'S OBLIGATION DUE TO NON-APPROPRIATION OF FUNDS:**

Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for

this Agreement in County's Budget for each such fiscal year. Should County, during this or any subsequent fiscal year impose budgetary reductions which appropriate less than the amount provided for in Exhibit B (PAYMENT SCHEDULE) of this Agreement, County shall reduce services under this Agreement consistent with such imposed budgetary reductions. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such changes in allocation of funds at the earliest possible date.

B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Agreements which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3 years, and terminate any or all existing Agreements the Contractor may have with the County.

The mandatory bases for exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal healthcare program officials; (4)

Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its staff members from such participation in a Federally funded health care program. Contractor shall provide the certification set forth in Service Exhibit E as part of its obligation under this Paragraph 28.

CONTRACTOR'S PERFORMANCE DURING CIVIL UNREST OR DISASTER: Contractor and its subcontractor(s) recognize that health care facilities (e.g., residential health care facilities) maintained by County, and the participants that they serve, provide care that is essential to the residents of the community they serve, and that these services are of particular importance at the time of riot, insurrection, civil unrest, natural disaster, or similar event. Notwithstanding any other provision of the Agreement, full performance by Contractor and its subcontractor(s) during any riot, insurrection, civil unrest, natural disaster or similar event is not excused if such performance remains physically possible. Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services. Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations Parts 160 and 164 ("together, the "Privacy and Security Regulations").

The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place;

Therefore, the parties agree as follows:

DEFINITIONS

1.1 "Disclose" and "Disclosure" mean, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.

1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Media means (1) Electronic storage media including memory devices in computers (hard drives) and any removable/transportable digital memory medium, such as magnetic

tape or disk, optical disk, or digital memory card; or (2) Transmission media used to exchange information already in electronic storage media. Transmission media include, for example, the internet (wide-open), extranet (using internet technology to link a business with information accessible only to collaborating parties), leased lines, dial-up lines, private networks, and the physical movement of removable/transportable electronic storage media. Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission.

The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.

1.3 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

1.4 "Individual" means the person who is the subject of Protected Health Information and shall include a person who qualifies as a personal representative in accordance with 45 C.F.R. § 164.502(g).

1.5 "Protected Health Information" has the same meaning as the term "protected health information" in 45 C.F.R. § 164.501, limited to the information created or received by Business Associate from or on behalf of Covered Entity. Protected Health Information includes information that (i) relates to the past, present or future physical or mental health or condition of an Individual; the provision of health care to an Individual, or the past, present or future payment for the provision of health care to an Individual; (ii) identifies the Individual (or for which there is a reasonable basis for believing that the information can be used to identify the Individual); and (iii) is received by Business Associate from or on behalf of Covered Entity, or is created by Business Associate, or is

made accessible to Business Associate by Covered Entity. "Protected Health Information" includes Electronic Health Information.

1.6 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.

1.7 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. However, Security Incident does not include attempts to access an Information System when those attempts are not reasonably considered by Business Associate to constitute an actual threat to the Information System.

1.8 "Services" has the same meaning as in the body of this Agreement.

1.9 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.

1.10 Terms used, but not otherwise defined in this Paragraph 37 shall have the same meaning as those terms in the HIPAA Regulations.

A Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the

subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

40. **NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW:** The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit F of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

41. **CONTRACTOR'S ACKNOWLEDGMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW:** The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the

County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

42. **AUTHORIZATION WARRANTY:** Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

43. **NOTICES:** All notices or demands required or permitted to be given under this Agreement shall be in writing and shall be delivered with signed receipt or mailed by first class, registered or certified mail, postage pre-paid, addressed to the parties at the following addresses and to the attention of the persons named. Director shall have the authority to execute all notices. Addresses and persons to be notified may be changed by either party by giving 10 days prior written notice thereof to the other party.

SAFELY SURRENDERED BABY LAW FACT SHEET

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados
en forma segura en la sala de emergencia de
cualquier hospital o en un cuartel de bomberos

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
