EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL TO AMEND EXISTING DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENTS WITH EARLY AND PERIODIC SCREENING,
DIAGNOSIS AND TREATMENT FUNDING
AND
APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT
FOR FISCAL YEAR 2004-2005
(ALL SUPERVISORIAL DISTRICTS)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute amendments, effective on the date of Board adoption and continuing through the term of each Agreement, to 45 existing Legal Entity (LE) Agreements, listed in Attachment I and substantially similar in format to Attachment V, in order to restore Early and Periodic Screening, Diagnosis and Treatment (EPSDT) funds to contractors' approved Fiscal Year (FY) 2003-2004 levels. The annualized amount of these amendments is \$16,884,200, funded by \$7,629,900 of EPSDT-State General Funds (SGF), \$8,442,500 of EPSDT-Federal Financial Participation (FFP) Medi-Cal, and \$811,800 of EPSDT County General Funds (CGF) Growth Match. The EPSDT CGF Growth Match is fully funded with ongoing Vehicle License Fee (VLF) realignment revenue, which is included in the Department of Mental Health's (DMH) FY 2004-2005 Adopted Budget.
2. Approve and instruct the Director of Mental Health or his designee to prepare, sign, and execute amendments, effective on the date of Board adoption and continuing through the term of each Agreement, to 20 existing LE Agreements,

listed in Attachment II and substantially similar in format to Attachment V. In FYs 2003-2004 and 2004-2005, most of these LE Agreements were initially pro-rated and funded with existing appropriation redirected from other EPSDT service providers who were not expected to fully utilize their allocations. The increase in funding for these agreements in FY 2004-2005 is \$6,733,500, and will be funded by \$2,997,900 of EPSDT-SGF, \$3,331,800 of EPSDT-FFP Medi-Cal, and \$403,800 of EPSDT CGF Growth Match. The EPSDT CGF Growth Match is fully funded with ongoing VLF realignment revenue, which is included in DMH's FY 2004-2005 Adopted Budget.

3. Approve the Request for Appropriation Adjustment (Attachment IV) in the amount of \$15,548,000 for FY 2004-2005. The appropriation increase, funded by \$4,177,000 of EPSDT-SGF and \$11,371,000 of EPSDT-FFP Medi-Cal revenue, will provide DMH with additional spending authority to: 1) restore contractors' redirected EPSDT allocations to beginning FY 2003-2004 levels, and 2) amend EPSDT allocations for 20 existing contractors, most of whom were initially given pro-rated allocations.
4. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements and establish as a new Maximum Contract Amount (MCA) the aggregate of each original Agreement and all amendments through and including these amendments, provided that: 1) the County's total payments to a contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or their designees is obtained prior to any such Amendment; 5) County and Contractor may by written Amendment reduce programs or services and revise the applicable MCA; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

The purpose of these recommended actions is to restore contractors' EPSDT funding to the previously existing level it was in the beginning of FY 2003-2004. At the end of FY 2003-2004, EPSDT funds were reduced and these lower levels continued at the beginning of the present FY 2004-2005. As DMH has finalized its budget capabilities for the present year, it is able to restore these funds to their previous levels, upon your

Board's approval, effective on the date of such approval and continuing through the term of each Agreement.

Board approval is requested to amend 45 existing LE Agreements (Attachment I) in order to restore FY 2004-2005 EPSDT allocations to beginning FY 2003-2004 levels. DMH established EPSDT allocations for FY 2004-2005 based upon existing contractors' projected underutilization of funds and had planned to permanently redirect unused allocation from these contracts to fund the most recent EPSDT expansion. However, DMH underestimated the amount of appropriation necessary for this purpose and now recognizes that, if contractors' allocations are not restored to FY 2003-2004 levels, the existing service needs would not be adequately met.

Board approval is also requested to amend 20 existing LE Agreements (Attachment II), most of which were initially pro-rated and funded with existing appropriation redirected from other EPSDT service providers. As indicated above, DMH has exhausted its existing resources with its current contractors, and further redirection of funds would affect the quantity and quality of service delivery to this population. Therefore, approval of these amendments and the Request for Appropriation Adjustment will ensure the maintenance of the existing continuum of care.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goal No. 5, "Children and Families' Well-Being," within the Countywide Strategic Plan. Board approval shall strengthen the mental health services delivery system and improve accessibility across County departments.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The total funding for these actions is \$23,617,700 (Attachment III). This amount is offset by existing appropriation in the amount of \$8,069,700, which is included in DMH's FY 2004-2005 Adopted Budget. The appropriation increase (Attachment IV) in the amount of \$15,548,000 will provide funding for the restoration of contractors' redirected EPSDT allocations to beginning FY 2003-2004 levels and amendments to the EPSDT allocations for 20 existing contractors, most of whom were initially given pro-rated allocations. The appropriation adjustment is fully funded by \$4,177,000 of EPSDT-SGF and \$11,371,000 of EPSDT-FFP Medi-Cal revenue. Funding for FY 2005-2006 will be requested during DMH's annual budget process.

Of the 20 contractors listed in Attachment II, Pasadena Unified School District currently provides the local growth match for EPSDT. Beginning in the fourth month of FY 2004-2005, the County will fund the local growth match in the amount of \$48,800 for this contractor.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since the implementation of the Federal Medicaid EPSDT program in FY 1994-1995, DMH has been required to significantly increase the availability of mental health services to Medi-Cal-eligible beneficiaries under the age of 21. DMH has worked closely with many of its existing contractors and the Association of Community Human Service Agencies (ACHSA) to develop an array of EPSDT funded programs, including community-based outpatient services, intensive in-home services, outpatient and residential day treatment services, and Therapeutic Behavioral Services.

DMH contractors have been very responsive to requests for additional services and have significantly expanded their programs in recent years. By restoring the current contractors to their beginning FY 2003-2004 funding levels and amending the EPSDT allocations to the recently approved contractors, DMH will be able to specifically address needed services to many children, youth, and their families in Los Angeles County, as well as provide for the unconditional commitment to keep children in their communities and prevent placements in more restrictive settings.

DMH has and will continue to carefully manage and control the growth of EPSDT funded mental health services in this and future years by uniformly applying its expansion guidelines to both prospective and existing mental health services providers. To support this effort, DMH has established an EPSDT workgroup, which includes key representatives from DMH, Department of Children and Family Services (DCFS), ACHSA, DMH contract agencies, and children's advocacy groups, to guide the direction of future expansion by helping to identify underserved EPSDT eligible populations, address gaps in the service delivery system, and improve children's access to services within budgeted resources. Clinical and administrative staff of DMH will also continue to administer and supervise agreements; evaluate programs to ensure that quality services are being provided to clients; and ensure that Agreement provisions and departmental policies are being followed.

County Counsel has approved the Amendment format as to form for the EPSDT program. The Chief Administrative Office and DMH's Fiscal and Program Administrations have reviewed and approved the proposed actions.

CONTRACTING PROCESS

Upon Board approval, DMH will execute amendments to 65 LE Agreements, which are the subject of this Board letter, to fully fund the latest phase of EPSDT program expansion and ensure the continuation of the network of care continuum throughout Los Angeles County. The funding amounts for FY 2004-2005 are listed in Attachments I, II, and III.

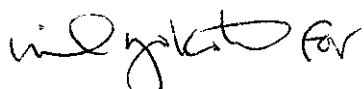

IMPACT ON CURRENT SERVICES

With Board approval, DMH will be able to continue to provide an integrated and comprehensive system of care and sustain current levels of mental health services in critically needed areas throughout Los Angeles County.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,
