ADOPTED
BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

▶ 2 2

JAN 13 2004

Dear Supervisors:

Violet Varona-Lukens
VIOLET VARONA-LUKENS
EXECUTIVE OFFICER

APPROVAL AND AUTHORIZATION FOR THE DIRECTOR OF MENTAL HEALTH TO ENTER INTO AN AGREEMENT WITH THE CITY OF HAWTHORNE FOR FISCAL YEAR 2003-2004

AND

APPROVAL OF AN AMENDMENT TO THE DEPARTMENT OF MENTAL HEALTH LEGAL ENTITY AGREEMENT WITH THE MENTAL HEALTH ASSOCIATION IN LOS ANGELES COUNTY

AND

APPROVAL OF REQUEST FOR APPROPRIATION ADJUSTMENT FOR FISCAL YEAR 2003-2004 SUPERVISORIAL DISTRICT 2 (4 VOTES)

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Director of Mental Health, or his designee to prepare, sign and execute an Agreement, substantially similar to Attachment I, and execute future amendments that are at no additional cost to the County and necessary to effectuate the agreement between the County of Los Angeles Department of Mental Health (DMH) and the City of Hawthorne, that will be effective upon Board approval so that DMH can receive United States Department of Housing and Urban Development (HUD) Grant funds as a subrecipient.

2. Approve and instruct the Director of Mental Health, or his designee to prepare, sign and execute Amendment No. 5, substantially similar to Attachment II, to the DMH Legal Entity Agreement (Contract No. DMH-01529) with the Mental Health Association in Los Angeles County (MHA). This Amendment shall add \$106,863 to the Maximum Contract Amount making the revised Maximum Contract Amount \$9,623,939 for Fiscal Year (FY) 2003-2004 only. This Amendment will enable MHA to provide the necessary in-home supportive mental health services to Section 8 tenants who are living in the City of Hawthorne and are at risk of becoming homeless.
3. Approve the Request for Appropriation Adjustment for \$107,000 for FY 2003-2004 (Attachment III), fully funded by HUD Grant funds administered by the City of Hawthorne. This will provide DMH with additional spending authority to augment mental health services to mental health consumers and their families.
4. Delegate authority to the Director of Mental Health, or his designee to prepare, sign, and execute future amendments to the MHA Legal Entity Agreement and establish as a new Maximum Contract Amount the aggregate of the original contract and all amendments through and including these amendments provided that: 1) the County's total payments to contractor under the Agreement for each fiscal year shall not exceed a change of twenty percent from the applicable revised Maximum Contract Amount; 2) any increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or his designee is obtained prior to any such Amendment; 5) the parties may by written amendment mutually agree to reduce programs or services without reference to the twenty percent limitation; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

In April 2003, The City of Hawthorne recognized the unmet need for outreach services to mentally ill Section 8 recipients who were being evicted due to lack of appropriate mental health care and support. Consequently, the City of Hawthorne awarded DMH \$106,863 for the provision of outreach services to Section 8 tenants in the City of Hawthorne who are in need of mental health services to avoid becoming homeless. DMH intends to contract with MHA for these services. MHA currently provides consumer-driven outreach services to clients through Project Return: The Next Step.

Approval of the recommended Amendment will enable expansion of this existing service.

The recommended actions will provide critical services to low-income individuals and families with a mental illness on Section 8 in the City of Hawthorne who have been identified as needing mental health services in order to maintain their permanent housing or help them to obtain a more appropriate living arrangement and affordable housing.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's first Goal-- "Service Excellence", to: *provide the public with easy access to quality information and services that are both beneficial and responsive.*

FISCAL IMPACT/FINANCING

The Agreement with the City of Hawthorne will not increase net County cost. During FY 2003-2004, the appropriation adjustment of \$107,000 is fully funded by HUD Grant funds administered by the City of Hawthorne. The above amount was inadvertently not included in DMH's FY 2003-2004 Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In February 2003, the City of Hawthorne issued a Request For Proposals to agencies requesting input for their annual consolidated plan. DMH submitted a proposal and received an award from the City of Hawthorne in April 2003.

The award is to be used for the provision of outreach and linkage services to Section 8 tenants who are at risk of becoming homeless due to a mental illness in the City of Hawthorne. Those tenants requiring ongoing mental health services or crisis intervention will be linked to South Bay Mental Health Center for such services. DMH's Long Beach/South Bay Geographic Initiative and local Housing Consortium will work collaboratively with the City Housing Authority and other social service agencies that assist the targeted population to oversee these services. MHA is a sole source provider selected by DMH due to their expertise in consumer-driven outreach services and their ability to expeditiously provide this level of service.

CONTRACTING PROCESS

MHA, selected as a sole source, is a provider with a proven history of providing in-home and field-based life coaching that maximizes a client's chances of maintaining their housing. MHA is a uniquely qualified contractor in this area with staff trained to provide this level of service. As this vendor was uniquely qualified to provide specialty services for an explicit population, this was not posted on the Office of Small Business' website.

IMPACT ON CURRENT SERVICES

Approval of the requested actions will reduce the likelihood of evictions and subsequent homelessness in the City of Hawthorne to Section 8 tenants with mental illnesses who are at risk of losing their housing due to untreated mental illness.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contract Development and Administration Division at (213) 738-4684, when this document is available.

Respectfully submitted,

Marvin J. Southard, D.S.W.

This Agreement does not reimburse any expenditure incurred by the SUBRECIPIENT prior to the date of commencement. This Agreement does not reimburse any expenditure made after the completion date without written authorization to extend the Agreement, but not more than 12 months.
3. Compensation and Method of Payment It is expressly agreed and understood that the total amount to be paid by the CITY shall not exceed **\$106,863.00**. This payment shall constitute full and complete compensation for SUBRECIPIENT services under this Agreement. For the purpose of this Agreement, CITY shall disburse compensation and monitor SUBRECIPIENT performance in satisfying the scope of work obligations under the terms of this Agreement.

Disbursement of payments to SUBRECIPIENT shall be made by monthly/quarterly reimbursements, contingent upon CITY receipt of Monthly/Quarterly Program Progress Reports for expenditures, which conforms to the Budget Summary, attached hereto as Exhibit B. Expenditures shall be documented with supportive evidence of each expenditure and proof of payment, in accordance with HUD regulations. Payment may be contingent upon certification that the SUBRECIPIENT's financial management system is in accordance with the standards specified in OMB Circular A-110 (Exhibit F).

All reimbursement requests must be submitted within 30 days following the Agreement end date. Reimbursement requests submitted after 30 days following the Agreement end date will not be reimbursed.

SUBRECIPIENT agrees to use said funds to pay for necessary and reasonable costs to operate said program. Said amount shall include wages, administrative costs, employee benefits comparable to other similarly situated employees, and other allowable program costs as detailed in the Budget.

Requests for modifications as described above are subject to review for compliance with the Public Housing Plan, Public Hearing process and Hawthorne City Council approval.

7. Changes in Grant Allocation CITY reserves the right to reduce the grant allocation when CITY's fiscal monitoring indicates that SUBRECIPIENT's rate of expenditure will result in unspent funds at the end of the program year. Changes in the grant allocation will be done after consultation with SUBRECIPIENT. Such changes shall be incorporated into this Contract by written amendments.
8. Joint Funding For programs where there are sources of funds in addition to CDBG funds, SUBRECIPIENT shall provide proof of such funding. CITY shall not pay for any services provided by SUBRECIPIENT which are funded by other sources. All restrictions and/or

These reviews will focus on the extent to which the planned program has been implemented and measurable goals achieved, effectiveness of program management, and impact of the program. Authorized representatives of CITY and HUD shall have the right of access to all activities and facilities operated by SUBRECIPIENT under this Agreement. Facilities include all files, records, and other documents related to the performance of this Agreement. Activities include attendance at staff, board of directors, advisory committee, and advisory board meetings and observation of on going program functions. SUBRECIPIENT will permit on-site inspection by CITY and HUD representatives and ensure that its employees and board

members furnish such information, as in the judgment of CITY and HUD representatives, may be relevant to the question of compliance with contractual conditions and HUD directives, or the effectiveness, legality, and achievements of the program.

Substandard performance as determined by the CITY will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by the SUBRECIPIENT within a reasonable period of time after being notified by the CITY, Agreement suspension or termination procedures will be initiated.

15. Program Reporting SUBRECIPIENT agrees to prepare and submit financial, program progress, evaluations, and other reports as required by HUD or CITY directives. SUBRECIPIENT shall maintain such property, personnel, financial, and other records and accounts as are considered necessary by CITY or HUD to assure proper accounting for all Agreement funds. 18. Independent Contractor All parties hereto in the performance of this Agreement will be acting in an independent capacity and not as agents, employees, partners, joint ventures, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the agent or employees of the other party for any purpose whatsoever.
19. Political Activities The SUBRECIPIENT is prohibited from using funds provided herein or personnel employed in the administration of the program for political activities as defined in CFR 570.207 (a)(3), lobbying, political patronage, and nepotism activities.

Additionally the SUBRECIPIENT certifies that:

- a. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal Loan, the entering into of any cooperative agreement and the extension, continuation, renewal, amendment, or modification of any Federal contract, loan, grant or cooperative agreement.
 - b. If any funds, other than Federal appropriated funds, have been paid or will be paid to any persons for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, loan, grant or cooperative agreement, it will complete and submit Standard Form LLL. "Disclosure Form to Report Lobbying" in accordance with its instructions.
20. Affirmative Action Plan
- a. Provisions of Program Services

- (1) SUBRECIPIENT shall not on the basis of race, color, creed, religion, ancestry, national origin, sex, disability, age, marital status, or status with regard to public assistance, exclude any person from participation in, deny any person the benefits of, or subject any person to discrimination under any program or activity funded in whole or in part with funds.
- (2) SUBRECIPIENT shall not under any program or activity funded in whole or in part with funds, on the basis of race, color, creed, religion, ancestry, national origin or sex, disability, age, marital status:
 - (i) Deny any facilities, services, financial aid or other benefits provided by the program or activity.
 - (ii) Provide any facilities, services, financial aid or other benefits, which are different or are provided in a different form from that provided to others under the program or activity.
 - (iii) Subject to segregated or separate treatment in any facility in or in any matter of process related to receipt of any service or benefit under the program or activity.
 - (iv) Restrict in any way access to or in the enjoyment of any advantage or privilege enjoyed by others in connection with facilities, services, financial aid or other benefits under the program or activity.
 - (v) Treat an individual differently from others in determining whether the individual satisfies any admission, enrollment, eligibility, membership, or other requirement or condition which the individual must meet in order to be provided any facilities, services or other benefit provided under the program or activity.
 - (vi) Deny an opportunity to participate in a program or activity as an employee.
- (3) SUBRECIPIENT may not utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination on the basis of race, color, creed, religion, ancestry, national origin or sex, disability, age, marital status, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program or activity with respect to individuals of a particular race, color, national origin, or sex.
- (4) SUBRECIPIENT, in determining the site or location of housing or facilities provided in whole or in part with funds, may not make selections of such site or location which have the effect of excluding individuals from, denying them the benefits of, or subjecting them to, discrimination on the basis of race, color, creed, religion, ancestry, national origin or sex, disability, age, marital status, or which have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Civil Rights Act of 1964 and amendments thereto.
- (5) (i) In administering a program or activity funded in whole or in part with funds regarding which the SUBRECEPIENT has previously discriminated against persons on the bases of race, color, national origin or sex, the

SUBRECIPIENT must take affirmative action to overcome the effects of prior discrimination.

- (ii) Even in the absence of such prior discrimination, a SUBRECIPIENT in administering a program or activity funded in whole or in part with funds should take affirmative action to overcome the effects of conditions which would otherwise result in limiting participation by persons of a particular race, color, creed, religion, ancestry, national origin or sex, disability, age, marital status. Where previous discriminatory practice or usage tends on the basis of race, color, creed, religion, ancestry, national origin or sex, disability, age, marital status, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which CDBG funding applies, the SUBRECIPIENT has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purpose of the Civil Rights Act of 1964.
 - (iii) SUBRECIPIENT shall not be prohibited by this part from taking any eligible action to ameliorate an imbalance in service or facilities provided to any geographic area or specific group of persons within its jurisdiction where the purpose of such action is to overcome prior discriminatory practice or usage.
- (6) Notwithstanding anything to the contrary in Sections A. 20, nothing contained herein shall be construed to prohibit any SUBRECIPIENT from maintaining or constructing separate living facilities or rest room facilities for the different sexes. Furthermore, selectivity on the basis of sex is not prohibited when a member of the same sex can properly perform institutional or custodial services as the recipients of the services.

b. Employment Discrimination

- (1) SUBRECIPIENT shall not discriminate against any employee or application for employment because of race, color, religion, sex, creed, religion, ancestry, national origin, sex, disability, age, or marital status. SUBRECIPIENT shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, sex, creed, religion, ancestry, national origin, sex, disability, age, or marital status. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rate of pay or other forms of compensation and selection for training including apprenticeship.  - (4) SUBRECIPIENT shall comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
 - (5) SUBRECIPIENT shall furnish to the CITY all information and reports required by Executive Order No. 11246 of September 24, 1965 and by the related rules, regulations, and orders.
 - (6) In the event of SUBRECIPIENTS' failure to comply with any rules, regulations, or orders required to be complied with pursuant to this Agreement, CITY may cancel, terminate, or suspend in whole or in part its performance and SUBRECIPIENT may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order No. 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
 - (7) SUBRECIPIENT shall include the provisions of Section A. 20., "Affirmative Action Policy", Paragraphs (1) through (6) in every sub-contract or purchase order unless exempted by rules, regulations, or order of the Secretary of Labor issued pursuant to Section 204 of Executive Order No. 11246 of September 24, 1965, so that such provisions will be binding upon each sub-contractor or vendor. SUBRECIPIENT shall take action with respect to any sub-contract or purchase order as the CITY may direct as a means of enforcing such provisions including sanctions for non-compliance; provided, however, that in the event SUBRECIPIENT becomes involved in, or is threatened with, litigation with a sub-contractor or vendor as a result of such direction by the CITY, SUBRECEPIENT may request the United States to enter into such litigation to protect the interest of the United States.
 - (8) SUBRECIPIENT shall not discriminate on the basis of age in violation of any provision of the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.) or with respect to any otherwise qualified handicapped individual as provided in Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794).
 - (9) SUBRECIPIENT shall also provide ready access to and use of all CDBG funds assisted buildings to physically handicapped persons in compliance with the standards established in the Architectural Barriers Act of 1968 (42 U.S.C. 4151 et seq.) and with the requirements of the Americans with Disabilities Act (ADA).

- c. Remedies: In the event of SUBRECIPIENT's failure to comply with any rules, regulations, or orders required to be complied with pursuant to this Agreement, the CITY may cancel, terminate, or suspend in whole or in part its performance and SUBRECIPIENT may be declared ineligible for further government contracts and any such other sanctions as may be imposed and remedies invoked as provided by law.

21. Section 3 Clause

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

PREAMBLE

For nearly a decade, the County has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the County's contracting partners share the County and community's commitment to provide health and human services that support achievement of the County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the County by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |

These shared values are encompassed in the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across functional and jurisdictional boundaries, by and between County departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being for children and families, consensus has emerged among County and community leaders that making substantial improvements in integrating the County's health and human services system is necessary to significantly move toward achieving these outcomes. The County has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✓ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✓ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✓ There is no "wrong door": wherever a family enters the system is the right place.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

- ✓ Families receive services tailored to their unique situations and needs.
- ✓ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✓ The County service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✓ The County service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.
- ✓ In supporting families and communities, County agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✓ County agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✓ County agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✓ County agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✓ The County human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the County human services system for children and families should ultimately be judged by whether it helps achieve the County's five outcomes for children and families: good health, safety and survival, economic well-being, social and emotional well-being, and education and workforce readiness.

The County, its clients, contracting partners, and the community are working together to develop practical ways to make County services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. County departments are also working to provide the Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The County of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

COUNTY OF LOS ANGELES DEPARTMENT OF MENTAL HEALTH

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all County health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The County and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.
