EXECUTIVE OFFICER

Dear Supervisors:

**AUTHORIZATION FOR ACCEPTANCE OF U.S. DEPARTMENT OF JUSTICE
OFFICE OF JUSTICE PROGRAMS GRANT AWARD
FOR FISCAL YEAR 2003-2004 AND
APPROVAL OF APPROPRIATION ADJUSTMENT FOR THE SUBJECT GRANT
(ALL SUPERVISORIAL DISTRICTS)
(4 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the acceptance of a U.S. Department of Justice (DOJ) Office of Justice Programs Grant in the amount of \$145,864 for Fiscal Year (FY) 2003-2004 for development of a pilot Mental Health Court Transition Project (Attachment I), effective upon Board approval.
2. Approve the Request for Appropriation Adjustment for FY 2003-04 in the amount of \$146,000 (Attachment II), to increase Salaries and Employee Benefits and Services and Supplies to reflect the receipt of grant funding. There is no impact on net County cost.
3. Approve authority to hire, using existing ordinance authority for one (1) full-time (1.0 FTE) Psychiatric Social Worker II and one (1) half-time (0.5 FTE) Intermediate Typist Clerk, pursuant to Section 6.06.020 of the County Code, as recommended by the Department of Human Resources. The two ordinance positions will be fully funded by the subject Grant.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

These actions will enable the Department of Mental Health (DMH) to receive the FY 2003-2004 U.S. DOJ Office of Justice Programs Grant award and hire the staff to implement the pilot Mental Health Court Transition Project.

The pilot Project will (1) expedite stabilization of in-custody mentally ill defendants, (2) improve both judicial and mental health case management and continuity of care, (3) reduce recidivism and re-arrest by improving community care linkage, and (4) reduce lengths of incarceration and hospitalization.

DMH has partnered with the Honorable Fred Fujioka, Presiding Judge for the County's Mental Health Court, in designing the Mental Health Court Transition Project. Under this pilot project, a dedicated DMH Case Manager will work in cooperation with the County Criminal Courts, Public Defender, District Attorney, and Sheriff's Department to expedite the processing of cases involving mentally ill defendants by shepherding the defendants from the jail to a competency hearing, then through stabilization and disposition of the criminal (usually misdemeanor) case, and finally to continuing community-based care. The Project supports inter-agency cooperation among County Criminal Courts, DMH, the Departments of Sheriff, District Attorney, and Public Defender, as well as community-based mental health service providers, in an effort to streamline and improve the process by which individuals move through the criminal justice system for competency evaluations, stabilization and case disposition.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's First Goal "Service Excellence" and Third Goal "Organizational Effectiveness" promulgated in the County Strategic Plan. The approved actions will enhance the provision of integrated services and promote collaboration between government and private agencies.

FISCAL IMPACT/FINANCING

There is no impact on net County cost. This is one-time revenue that has the potential to result in ongoing costs. At the end of the grant-funded project, DMH will evaluate the success of the program to determine if it is appropriate to continue funding for these activities by absorbing the costs within existing resources. The total projected Mental Health Court Transition Project cost is \$197,906 (Attachment III). The subject Grant award provides \$145,864 in federal funds and is the basis for the appropriation adjustment which will be used to fund two ordinance only positions (one (1) full-time (1.0 FTE) Psychiatric Social Worker II

and one (1) half-time (0.5 FTE) Intermediate Typist Clerk). The Grant will also cover one fifth (0.2 FTE) of the existing DMH Clinical Program Head position and associated training costs. The balance of \$52,042 in-kind match is jointly absorbed by DMH and the County's Mental Health Court in the FY 2003-2004 Adopted Budget. The DMH in-kind match of \$13,500 will cover the Project's travel, mileage, office space, furniture and equipment costs. The Mental Health Court match of \$38,542 will cover the costs of one fifth of Judge Fujioka's position (0.2 FTE) and one fifth of an Intermediate Typist Clerk position (0.2 FTE).

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The U.S. DOJ Office of Justice Programs is the federal agency administering the federal Mental Health Courts Program in coordination with the United States Department of Health and Human Services Substance Abuse and Mental Health Services Administration. This program funds projects nationwide to mobilize communities to implement innovative, collaborative efforts that bring systemwide improvements to the way the needs of adult and juvenile offenders with mental disabilities or illnesses are addressed.

This subject Grant requires that the County provide a minimum 25 percent match of the total Project cost. This has been accomplished through in-kind match, and funding is absorbed in the DMH and the County's Mental Health Court FY 2003-2004 Adopted Budget. The Project is for a prospective period of 12 months upon Board approval of acceptance of the Grant. There are no obligations imposed on the County when the Grant expires and DMH will evaluate the project to determine if project activities should continue through the use of existing resources. If so, appropriate items will be requested at that time. DMH consulted with DHR to determine the appropriate levels of staff required to provide the services. The required Grant Management Statement is attached (Attachment IV).

CONTRACTING PROCESS

This subject does not apply.

IMPACT ON CURRENT SERVICES

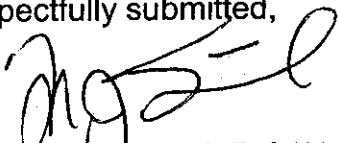

Approval of the acceptance of the Grant of \$145,864 will enable the County to increase the efficiency and reduce the cost of providing services to mentally ill defendants including evaluating competency, providing treatment to stabilize defendants, and continuing community-based care in compliance with a court ordered treatment plan. The DMH Court Program will provide a comprehensive range of mental health services as the required in-kind match.

CONCLUSION

The Department of Mental Health will need one (1) copy of the Board's adopted action. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health's Contract Development and Administration Division at (213) 738-4684, when this document is available.
